Item 1.01 Entry into a Material Definitive Agreement.

On November 11, 2018, Eastman Kodak Company (the “Company”) entered into a Stock and Asset Purchase Agreement (the “Agreement”) with MIR Bidco SA, a Belgian limited liability company (*société anonyme*) existing and organized under Belgian law, and an investment vehicle for Montagu Private Equity LLP (the “Purchaser”), to sell the Company’s flexographic packaging segment (the “Business”) to the Purchaser through the sale of (i) the shares of certain subsidiaries holding only Business assets, (ii) the shares of certain holding companies formed for the purpose of carving out the Business from the Company, and (iii) the assets relating to the Business which will be purchased by the transferred subsidiaries and the holding companies (the “Transaction”).

Pursuant to the terms and conditions of the Agreement, at the closing of the Transaction (the “Closing”) the Purchaser will pay a purchase price of \$340 million (the “Purchase Price”), which is subject to purchase price adjustments as described in the Agreement, in consideration of the Business; however, under certain circumstances the transfer of the assets and operations of the Business in China (the “China Business”) may be deferred and occur after the Closing, in which case \$7.5 million of the Purchase Price otherwise payable at the Closing will not be paid until the deferred transfer of the China Business (the “Deferred Closing”). Simultaneously with entering into the Agreement, the Company and the Purchaser entered into an Earn-out Agreement (the “Earn-Out Agreement”), pursuant to which the Company will be entitled to an aggregate of up to \$35 million in additional cash consideration if the Business achieves agreed EBITDA targets for 2018 (\$10 million earn-out), 2019 (\$10 million earn-out) and 2020 (\$15 million earn-out). The net proceeds from the Transaction, including the prepayment referenced in the following paragraph, are expected to be used by the Company to reduce outstanding term loan debt.

At the Closing, the Company and the Purchaser will enter into a transition services agreement pursuant to which the Company and certain of its affiliates will provide, or cause third parties to provide, certain services to accommodate the transition of the Business to the Purchaser. The Company and the Purchaser will also enter into certain supply, service, development and license agreements at the Closing, pursuant to which the Company and certain of its affiliates will provide to the Purchaser, and the Purchaser and certain of its affiliates will provide to the Company, as applicable, certain services and products on an on-going basis in connection with their respective operations. At the Closing, the Purchaser will pay an affiliate of the Company \$15 million as a prepayment of projected amounts that will be due to the Company and its affiliates for services and products to be delivered by the Company or its affiliates under such commercial agreements, subject to completion of certain pledge and collateral arrangements.

The Agreement contains customary representations, warranties and covenants related to the Company, the Business, the transferred subsidiaries and the holding companies. From the date of the Agreement until the Closing, and, with respect to the China Business, if applicable, until the Deferred Closing, the Company is required to operate the Business in the ordinary course consistent with past practice in all material respects and to comply with certain covenants regarding the operation of the Business. Except as otherwise specified in the Agreement and subject to certain exceptions for the Company’s retained businesses, the Company agrees not to compete with the Business for five (5) years after the Closing (except in the UK and the EU, where the non-compete period is limited to three (3) years after the Closing).

The Closing is subject to the satisfaction or waiver of customary closing conditions, including, among others, (i) the absence of any law or order prohibiting the transactions contemplated by the Agreement, (ii) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”) and the German Federal Cartel Office, (iii) the accuracy of representations and warranties set forth in the Agreement and compliance with covenants, including the completion of certain specified items and obtaining certain consents with respect to the

carve-out of the Business, set forth in the Agreement (in each case, subject to certain materiality or material adverse effect qualifications), (iv) the absence of any material adverse effect, (v) the receipt of customary closing certificates and (vi) the existence of a fully effective representation and warranty insurance policy as of the Closing. The obligation of the Purchaser to consummate the Transaction is not subject to any condition related to the availability of financing for the Transaction. The Company expects to close the Transaction in the first half of 2019.

The Agreement contains certain customary termination rights for the parties, including: (i) mutual written agreement by the Company and the Purchaser, (ii) if any law or order prohibiting the Transaction becomes final and nonappealable, (iii) if there is an uncured material breach of any representation and warranty or any covenant contained in the agreement or (iv) if the Transaction does not close before 5:30 p.m. Eastern Time on the 8-month anniversary of the date of signing not as a result of the terminating party's breach, which time will be extended to the first business day of the month following the delivery of the estimated closing statement by the Company to the Purchaser provided that all closing conditions are satisfied prior to such extension.

Subject to certain limitations and conditions set forth in the Agreement, the Company and the Purchaser have agreed to indemnify each other for, among other things, breaches of representations, warranties and covenants contained in the Agreement, and certain tax and other pre- and post-Closing liabilities. To supplement the indemnification provided by the Company, the Purchaser has obtained a standard representation and warranty insurance policy.

The foregoing description of the Agreement, the Earn-Out Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Agreement and the Earn-Out Agreement, which are filed as Exhibits 2.1 and 2.2 to this Current Report on Form 8-K and incorporated herein by reference. The Agreement and the Earn-Out Agreement are being filed to provide investors and security holders with information regarding their terms. They are not intended to provide any other factual information about the Business, the Company or the Purchaser. The representations, warranties and covenants of each party set forth in the Agreement and the Earn-Out Agreement were made only for purposes of the Agreement and the Earn-Out Agreement as of the specific dates set forth therein, were solely for the benefit of the parties to the Agreement and the Earn-Out Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement and the Earn-Out Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. The Company's investors and security holders are not third-party beneficiaries under the Agreement or the Earn-Out Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Business, the parties to the Agreement and the Earn-Out Agreement or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement and the Earn-Out Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Upon the terms and subject to the conditions of this Agreement, Purchaser agrees, effective at the Closing (unless otherwise specified in this Agreement to be at the Deferred Closing, at such Deferred Closing, or as otherwise specified), to assume or retain, as applicable, and to satisfy, pay, perform and discharge when due all of the following Liabilities of Seller, the Miraclon Entities, the Selling Subsidiaries and the Transferred Subsidiaries in each case, other than any Retained Liabilities (collectively, the “**Assumed Liabilities**”) as the same may exist on the Closing or, in the case of the Deferred Closing, at the Deferred Closing;

(j) all Liabilities set forth on Section 2.3(i) of the Seller Disclosure Letter.

Section 2.4 Retained Liabilities. Notwithstanding any other provision of this Agreement Seller and the Selling Subsidiaries shall retain and be responsible for the following Liabilities (collectively, the "**Retained Liabilities**"):

(a) Liabilities exclusively related to the Business for which Seller or a Selling Subsidiary expressly has responsibility pursuant to the terms of this Agreement or any Closing Agreement;

Section 2.5 Wrong Pockets.

(a) If at any time after the Closing Date or the Deferred Closing Date, as applicable, Seller or any Selling Subsidiary (other than a Miraclon Entity or a Transferred Subsidiary) holds any Purchased Asset or Assumed Liability, Seller shall (i) promptly notify Purchaser, and (ii) transfer, or cause each such Selling Subsidiary to transfer, at no cost, as promptly as reasonably practicable, to Purchaser, or an Affiliate designated by Purchaser, any such Purchased Asset or Assumed Liability, and until such time, Seller or the relevant Selling Subsidiary shall hold such Purchased Asset or Assumed Liability for Purchaser's benefit and account and manage and operate such Purchased Asset or Assumed Liability for Purchaser's benefit and account, with all gains, income, Losses, Liabilities and Taxes or other items generated to be for Purchaser's account.

(b) If at any time after the Closing Date or the Deferred Closing Date, as applicable, Purchaser or any Purchaser Affiliate holds any Excluded Asset or Retained Liability, then Purchaser shall (i) promptly notify Seller, and (ii) as promptly as reasonably practicable, at no cost, transfer, or cause the relevant Purchaser Affiliate to transfer, to any Selling Subsidiary designated by Seller (other than a Miraclon Entity or a Transferred Subsidiary), any such Excluded Asset or Retained Liability, and until such time, Purchaser or relevant Purchaser Affiliate shall hold such Excluded Asset or Retained Liability for Seller's benefit and account and manage and operate such Excluded Asset or Retained Liability for Seller's benefit and account, with all gains, income, Losses, Liabilities and Taxes or other items generated to be for Seller's account.

(c) If any transfer of a Purchased Asset, Assumed Liability, Excluded Asset, or Retained Liability is made pursuant to Section 2.5(a) or Section 2.5(b), no consideration shall be provided to any Person in respect to such transfer, to the extent permitted by applicable Laws. The Parties shall use commercially reasonable efforts to structure such transfer in an equitable manner for both Seller and Purchaser including from legal and Tax perspectives with a view to ensuring that from an economic standpoint the relevant transfer is neutral for the Parties.

Section 2.6 Consents.

(a) Seller shall use commercially reasonable efforts to obtain prior to the Closing all Third Party Consents with respect to the granting of rights in relation to the TSA Properties pursuant to the Transition Services Agreement and in relation to the transfer of the Assumed Permits and Assumed Contracts and in relation to the grant of the Subleases, including those set forth on, and in accordance with the terms set forth on, Section 2.6(a) of the Seller Disclosure Letter, which would include making reasonable payments or other economic concessions, incurring any reasonable Liability, or offering or granting any reasonable accommodation (financial or otherwise) to any third-party to obtain any Third Party Consents.

Any fees, costs, payments or Liabilities in connection with obtaining such Third Party Consents shall be borne by Seller. Purchaser shall reasonably assist and cooperate with Seller in connection therewith.

(b) Notwithstanding anything to the contrary in this Agreement other than Section 6.2(e), any Assumed Permit or Assumed Contract that is not assignable or transferable or Subleases that cannot be granted without Third Party Consent shall not be construed to have been assigned, transferred or granted by this Agreement, to the extent that such Third Party Consent shall not have been given prior to the Closing; provided, however, that Seller shall have the continuing obligation until the termination of the Transition Services Agreement to use commercially reasonable efforts to obtain the Third Party Consents. Upon obtaining the Third Party Consents, such Assumed Permits, Assumed Contracts or Subleases, shall promptly be transferred and assigned or granted to Purchaser (or its designated Purchaser Affiliate) hereunder.

(c) Where any Third Party Consent or third party consent to the occupation of the TSA Properties under the Transition Services Agreement has not been obtained prior to Closing, from Closing until that Third Party Consent is obtained and the relevant Assumed Contract or Assumed Permit is transferred and assigned to Purchaser, Seller shall use commercially reasonable efforts to obtain for Purchaser an arrangement with respect thereto to provide for Purchaser substantially comparable benefits therein in compliance with the terms of the applicable Assumed Permit or Assumed Contract and, until such substantially comparable benefits are obtained, Seller or relevant Selling Subsidiary shall hold such Assumed Contract or Assumed Permit for Purchaser's benefit and account and manage and operate such Assumed Permit or Assumed Contract for Purchaser's benefit and account, with all gains, income, losses, Liabilities, Taxes and Tax benefits or other items generated to be for Purchaser's account.

(d) Section 2.6(d) of the Seller Disclosure Letter sets forth a description of the actions with respect to Contracts that relate to the Business and relate also to the Excluded Assets ("**Shared Contracts**") and certain other actions with respect to Contracts related to the Business requiring consent to transfer pursuant to the terms hereof (together with the actions with respect to Shared Contracts, the "**Specified Contract Actions**"). Seller shall use, and shall cause the Selling Subsidiaries to use, commercially reasonable efforts to take the Specified Contract Actions. Purchaser shall reasonably assist and cooperate with Seller in connection therewith.

Section 2.7 Estimated Purchase Price; Payment.

(a) Determination of the Estimated Purchase Price. Not earlier than thirty (30) and not later than twelve (12) days prior to the anticipated Closing Date, Seller shall in good faith prepare and deliver to Purchaser a statement (the "**Estimated Closing Statement**") setting forth its calculation of (i) the Estimated Purchase Price and (ii) each of the Estimated Purchase Price Elements, together with reasonable supporting detail with respect to the calculation of such amounts. Schedule A sets forth a hypothetical sample Estimated Closing Statement, which illustrates the method by which the Estimated Purchase Price would have been calculated if the Closing occurred on June 30, 2018 (the "**Example Closing Statement**") and the accounting methodologies, principles and procedures used in the calculation of the Estimated Purchase Price.

The Estimated Closing Statement shall be prepared in a manner consistent with Section 2.8(f). Within five (5) days after the delivery of the Estimated Closing Statement, if Purchaser has any objections to Seller's calculation of the Estimated Purchase Price, Purchaser may provide a written statement of its objections to Seller. The Parties shall engage in good faith with a view to resolving any dispute regarding the calculation of the Estimated Purchase Price as promptly as practicable prior to Closing. If after engaging in good faith, the Parties cannot resolve any dispute before Closing, then the Closing will occur based on the Estimated Closing Statement delivered by Seller.

(b) Payment of the Estimated Purchase Price; Assumption of Assumed Liabilities. Upon the terms and subject to the conditions set forth in this Agreement, in consideration of the sale and transfer of the Purchased Assets, at the Closing, (i) Purchaser and any applicable Subsidiary of Purchaser shall deliver to Seller and each Selling Subsidiary in accordance with the Worldwide Purchase Price Allocation Schedule an amount in cash equal to the Estimated Purchase Price, minus, if applicable, the Deferred Jurisdiction Purchase Price, and (ii) Purchaser and any applicable Subsidiary of Purchaser shall assume all of the Assumed Liabilities, in each case, in accordance with the Worldwide Purchase Price Allocation Schedule.

Section 2.8 Post-Closing Purchase Price Adjustment.

(a) No later than ninety (90) days following the Closing Date, Purchaser shall in good faith prepare and deliver to Seller for its review a statement (the "**Closing Statement**") setting forth its calculation of (i) the Purchase Price, (ii) each of the Purchase Price Elements, together with reasonable supporting detail with respect to the calculation of such amounts and (iii) the specific amounts and items set forth in such Closing Statement which differ from the items set forth in the Estimated Closing Statement and reasonable supporting documentation and calculations with respect thereto. The Closing Statement shall be prepared in a manner consistent with Section 2.8(f). Purchaser and its accountants and financial and other advisors may make reasonable inquiries of Seller and/or Seller's Representatives regarding questions concerning or disagreements with the Estimated Closing Statement arising in the course of Purchaser's preparation of the Closing Statement and Seller shall, with Seller's internal resources and personnel, assist the Purchaser in such preparation. During such period, Seller shall provide Purchaser and its Representatives reasonable access during normal business hours, upon reasonable advance notice, to the books and records and Representatives of Seller to the extent such materials relate to the calculation of the Estimated Closing Statement or any components thereof. Seller shall cooperate in good faith and promptly respond to reasonable requests in accordance with this Section 2.8(a).

(b) Seller and its accountants and financial and other advisors may make reasonable inquiries of Purchaser and/or Purchaser's Representatives regarding questions concerning or disagreements with the Closing Statement arising in the course of Seller's review. Seller shall complete its review of the Closing Statement within forty-five (45) days after the delivery thereof to Seller. During such review period, Purchaser shall provide Seller and its Representatives reasonable access during normal business hours, upon reasonable advance notice, to the premises, books and records and Representatives of the Business and Purchaser to the extent such materials relate to the calculation of the Closing Statement for the purpose of completing Seller's review of the Closing Statement. Purchaser shall cooperate in good faith and promptly respond to reasonable requests in accordance with this Section 2.8(b). Promptly following completion of its review (but in no event later than the conclusion of the forty-five (45) day period), Seller may submit to Purchaser a letter regarding its concurrence or disagreement with the accuracy

of the Closing Statement; provided, however, that any such letter must specify: (i) the items of the Closing Statement with which Seller disagrees; (ii) the adjustments that Seller proposes to be made to the Closing Statement (a “**Disputed Item**”); and (iii) the specific amount of such disagreement and reasonable supporting documentation and calculations thereof, in each case, to the extent known. If Seller does not deliver a letter disagreeing with the accuracy of the Closing Statement before the conclusion of such thirty (30) day period, the Closing Statement shall be final, binding and conclusive upon the Parties, and Seller shall be deemed to have agreed with all items and amounts contained in the Closing Statement. If Seller does deliver such a letter, following such delivery, Seller and Purchaser shall attempt in good faith to resolve promptly any disagreement as to the computation of any item in the Closing Statement. Any items as to which there is no disagreement shall be deemed agreed. If a resolution of such disagreement has not been effected within fifteen (15) days (or longer, as mutually agreed by the Parties) after delivery of such letter, then Seller and Purchaser shall submit any Disputed Item to the Independent Accountant for determination. The determination of the Independent Accountant, acting as an expert and not an arbitrator, with respect to any Disputed Item shall be completed within thirty (30) days of submission of such Disputed Item to the Independent Accountant (or longer, as mutually agreed by the Parties), shall be determined in accordance with this Agreement and shall be final, binding and conclusive upon Seller and Purchaser absent manifest error. The Independent Accountant shall adopt a position within the range of positions submitted by Seller and Purchaser with respect to any Disputed Item. The Independent Accountant shall not review any line items or make any determination with respect to any matter other than with respect to Disputed Items. Any fees and expenses relating to the engagement of the Independent Accountant shall be borne pro rata by Purchaser, on the one hand, and Seller, on the other hand, in proportion to the difference between the Final Purchase Price and the Final Purchase Price that would have resulted from the use of the proposed calculations of one of the Parties. For example, if the Final Purchase Price that would have resulted based on the Closing Statement delivered by Purchaser pursuant to Section 2.8(a) was \$5,000,000 less than the Final Purchase Price (as finally determined), but the Final Purchase Price that would have resulted based on the adjustments set forth in Seller’s Disputed Items delivered by Seller pursuant to Section 2.8(b) was \$2,500,000 more than the Final Purchase Price (as finally determined), Purchaser will pay 2/3 of such fees and expenses, and Seller, will pay 1/3 of such fees and expenses.

(c) Purchaser shall, if necessary, revise the Closing Statement to reflect the final determination of the Purchase Price in accordance with Section 2.8(b) (as adjusted, the “**Final Purchase Price**”).

(d) Within ten (10) Business Days after the determination of the Final Purchase Price, (i) if the Final Purchase Price exceeds the Estimated Purchase Price (the difference between the Final Purchase Price and the Estimated Purchase Price, the “**Positive Amount**”), then Purchaser and any applicable Subsidiary of Purchaser shall pay to Seller and each Selling Subsidiary in accordance with the Worldwide Purchase Price Allocation Schedule an amount equal to the Positive Amount or (ii) if the Estimated Purchase Price exceeds the Final Purchase Price (the difference between the Estimated Purchase Price and the Final Purchase Price, the “**Negative Amount**”), then Seller and each Selling Subsidiary shall pay to Purchaser and any applicable Subsidiary of Purchaser in accordance with the Worldwide Purchase Price Allocation Schedule an amount equal to the Negative Amount. In addition, within ten (10) Business Days after the later of (i) the determination of the Final Purchase Price and (ii) any such Liability becoming due and payable, Purchaser and any applicable Subsidiary of Purchaser shall pay to Seller (or its designee) any amounts included as current Liabilities in the Final Working Capital or as Closing Indebtedness, but, in each case, only to the extent such Liabilities or Indebtedness are not Assumed Liabilities.

(e) Any payments to be made pursuant to Section 2.7(b) and Section 2.8(d) shall be made by wire transfer of immediately available funds to the accounts designated in writing by Purchaser or Seller, as the case may be no later than ten (10) Business Days following the determination of the Final Purchase Price.

(f) Each of the Estimated Closing Statement (including the Estimated Purchase Price and Estimated Purchase Price Elements) and the Closing Statement (including the Purchase Price and Purchase Price Elements) shall be prepared and calculated in accordance with the definitions of such terms contained in this Agreement and Schedule A.

(g) Notwithstanding anything to the contrary contained herein, (i) in no event shall Purchaser be entitled to a purchase price adjustment pursuant to this Section 2.8 with respect to a Liability for which it is entitled to indemnification pursuant to the express terms of this Agreement and (ii) in no event shall any component of the Purchase Price include an amount for an item that is duplicative of another amount included elsewhere in the Purchase Price calculation (it being understood that any such item may be included in only one Purchase Price Element of the Purchase Price).

Section 2.9 Purchase Price Allocation.

(a) Seller and Purchaser agree to allocate the Purchase Price and Assumed Liabilities among Seller, each Selling Subsidiary and Transferred Subsidiary in accordance with Schedule B attached hereto (the “**Worldwide Purchase Price Allocation Schedule**”). Seller and Purchaser agree to allocate any subsequent adjustment to the Purchase Price or Assumed Liabilities among Seller, each Selling Subsidiary and Transferred Subsidiary in accordance with the Worldwide Purchase Price Allocation Schedule. None of the Parties or any Affiliate thereof shall take, or permit any Affiliate to take, any position for any Tax purpose (whether in connection with audits, Tax Returns or otherwise) that is inconsistent with the Worldwide Purchase Price Allocation Schedule, except as required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any similar adjustment required under any similar provision of state, local, or non-US tax Law).

(b) Within one hundred twenty (120) Business Days after the Closing Date, Seller shall deliver to Purchaser a statement (the “**US Allocation Statement**”), allocating the portion of the Final Purchase Price that was allocated to Seller pursuant to Section 2.9(a) (plus Assumed Liabilities, to the extent properly taken into account under applicable Law) to the Purchased Assets acquired by Purchaser in accordance with the Worldwide Purchase Price Allocation Schedule and Section 1060 of the Code. If within sixty (60) Business Days following the delivery of the US Allocation Statement, Purchaser objects to such US Allocation Statement to Seller in writing, Seller and Purchaser shall negotiate in good faith to attempt to resolve their disagreement and agree on the US Allocation Statement. Should such foregoing negotiations not result in an agreement within fifteen (15) Business Days after receipt by Seller of such written

objection from Purchaser, then either (a) Purchaser or (b) Seller may submit this matter to the Independent Accountant. The Independent Accountant will deliver to Purchaser and Seller a written determination of the final US Allocation Statement within thirty (30) days of the submission of the dispute to the Independent Accountant, which determination shall be final, binding and conclusive on the Parties absent manifest error. All fees and expenses relating to the work, if any, to be performed by the Independent Accountant pursuant to this Section 2.9(b) will be borne fifty percent (50%) by Purchaser and fifty percent (50%) by Seller. None of the Parties or any Affiliate thereof shall take, or permit any Affiliate to take, any position for any Tax purpose (whether in connection with audits, Tax Returns or otherwise) that is inconsistent with the final US Allocation Statement, except as required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any similar adjustment required under any similar provision of state or local tax Law).

(c) To the extent required under the applicable Law of any non-US jurisdiction applicable to Tax, Seller and Purchaser will prepare purchase price allocation statements for any such jurisdictions in accordance with the procedures analogous to those set forth in Section 2.9(b), including the acceleration of such procedures to the extent it is required for the determination and payment of Transfer Taxes under Section 7.1.

(d) For purposes of calculating the Closing Working Capital, Schedule A, and the Closing Statement (as applicable), any assets or liabilities that are denominated in any currency other than U.S. dollars shall be deemed converted, and calculated as if converted, into U.S. dollars, on a consolidated basis as of the Determination Time with any other amounts denominated in such currency and using the same practices, principles, policies, methodologies, and procedures (with consistent classifications, judgments, and valuation and estimation practices, principles, policies, methodologies, and procedures) that were used in the preparation of the June 2018 Financial Statements and, to the extent applicable, the “**Specified Accounting Principles**” contained on Schedule A; provided, however, that such deemed conversion shall not require the actual conversion, exchange or any other distribution or transfer of funds from or to any currency or jurisdiction (or any costs or expenses associated therewith).

Section 2.10 Closing.

(a) Unless this Agreement shall have been terminated pursuant to Article IX, and subject to satisfaction of the conditions precedent specified in Article VI, except as set forth in Section 2.10(d) (or, to the extent permitted by applicable Law, the written waiver thereof by the Party entitled to waive any such condition), the Closing shall take place at the offices of Linklaters LLP, 1345 Avenue of the Americas, New York, 10105, at 9:00 A.M., prevailing Eastern Time on the first Business Day of the month which is no less than seven (7) days following the satisfaction or waiver of the conditions precedent specified in Article VI (other than the conditions to be satisfied at the Closing, but subject to the waiver or satisfaction of such conditions at Closing) or at such other times and places as the Parties may mutually agree to in writing. The date on which the Closing occurs is called the “**Closing Date**”. All of the transactions contemplated by this Agreement shall be deemed to occur simultaneously at the Closing or the Deferred Closing, as applicable. If Seller reasonably expects the Closing to occur at the next possible Closing Date, as determined in accordance with this Section 2.1(a), then Seller shall provide written notice of such fact to Purchaser no less than ten (10) Business Days prior to such next possible Closing Date.

(a) Section 3.13(a) of the Seller Disclosure Letter sets forth a complete and accurate list of all Intellectual Property registrations and applications constituting Transferred IP. Seller, a Selling Subsidiary or a Transferred Subsidiary, as applicable, solely owns, free and clear of all Encumbrances other than Permitted Encumbrances all of the Transferred IP. Other than Seller, the Selling Subsidiaries and the Transferred Subsidiaries, no Affiliate of the Seller owns any Intellectual Property exclusively relating to the Business. There is no Action pending or threatened in writing that challenges the validity, enforceability, registration, ownership or use of any Transferred IP.

(b) To the Knowledge of Seller, the conduct of the Business does not infringe, misappropriate, dilute or violate, and has not since June 30, 2015 infringed, misappropriated, diluted or violated, any Intellectual Property of any Person. Neither Seller nor any of the Selling Subsidiaries or the Transferred Subsidiaries, is engaged in any outstanding dispute under which it is alleged that the conduct of the Business infringes the Intellectual Property of any Person. To the Knowledge of Seller, no Person is infringing, misappropriating, diluting or violating the Transferred IP in any material respect. All Transferred IP including, without limitation, the items on Section 3.13(a) of the Seller Disclosure Letter are subsisting and, to the Knowledge of Seller, valid and enforceable.

(c) The Transferred IP and the Intellectual Property licensed under the Assumed Contracts to Seller, the Selling Subsidiaries and the Transferred Subsidiaries, along with any Intellectual Property provided to Purchaser pursuant to the Transition Services Agreement or any other Closing Agreement, comprises all Intellectual Property necessary or used to operate and conduct the Business immediately following the Closing, in all material respects, as conducted in the ordinary course of business in the twelve-month period ended June 30, 2018 except as set forth on Section 3.13(c) of the Seller Disclosure Letter. None of Seller, the Selling Subsidiaries, or the Transferred Subsidiaries or, to the Knowledge of Seller, any other party to a Contract relating to the Business pursuant to which Intellectual Property is either (i) licensed to Seller, a Selling Subsidiary or a Transferred Subsidiary, or (ii) licensed by Seller, a Selling Subsidiary or a Transferred Subsidiary, is in breach of such Contract, and none of Seller, the Selling Subsidiaries or the Transferred Subsidiaries has notified any Person, and no Person has notified in writing Seller, the Selling Subsidiaries or the Transferred Subsidiaries of any such breach.

(d) Seller has taken, and has caused the Selling Subsidiaries and the Transferred Subsidiaries to take, measures consistent with good industry practice to protect the security, continuous operation and integrity of their material systems, networks and Software used in the Business. Each item of Business IT is owned by, or validly used under a written agreement with, Seller, the Selling Subsidiaries and/or Transferred Subsidiaries.

Each agreement relating to the Business IT is provided under a written Contract with the relevant Seller, the Selling Subsidiary and/or Transferred Subsidiary. Except as set forth in the Closing Agreements, the Business IT is in good working order (ordinary wear and tear excepted) in all material respects, has been, and currently is, adequate for the current business and operations of the Business. The Business IT: (i) has not suffered any material failure since June 30, 2015; and (ii) is reasonably secure against intrusion in all material respects. None of Seller, any of the Selling Subsidiaries or the Transferred Subsidiaries has since June 30, 2015 suffered any material security breaches or any unauthorized disclosures of data that have resulted in (i) a third-party obtaining access to any confidential information of Seller or any of the Selling Subsidiaries or the Transferred Subsidiaries or any of their respective customers or other third parties or (ii) an obligation to notify any Governmental Authority or any other Person, in each case, in connection with the Business. (g) Seller has taken, and has caused the Selling Subsidiaries and the Transferred Subsidiaries to take, commercially reasonable measures to safeguard the Intellectual Property and trade secrets owned by Seller, the Selling Subsidiaries and the Transferred Subsidiaries related to the Business. No employee, independent contractor or agent of Seller, the Selling Subsidiaries or the Transferred Subsidiaries has misappropriated any material trade secrets of Seller, any of the Selling Subsidiaries or the Transferred Subsidiaries in the course of his or her performance as an employee, independent contractor or agent, and no employee, independent contractor or agent of Seller, the Selling Subsidiaries or the Transferred Subsidiaries is in material default or material breach of any material term of any employment agreement, nondisclosure agreement, assignment of invention agreement or similar agreement or contract to the extent relating to the protection, ownership, development, use or transfer of Intellectual Property of Seller, the Selling Subsidiaries, or the Transferred Subsidiaries, in each case, in connection with the Business.

None of Seller, the Selling Subsidiaries or the Transferred Subsidiaries (i) has disclosed any of the material trade secrets or material confidential information included in the Intellectual Property of Seller, the Selling Subsidiaries or the Transferred Subsidiaries related to the Business to any third-party other than pursuant to a written confidentiality agreement, nor (ii) has disclosed, delivered, licensed or otherwise made available, nor has a duty or obligation (whether present, contingent or otherwise) to disclose, deliver, license or otherwise make available, any source code for any proprietary Software of the Business to any Person.

(h) The execution, delivery or performance of this Agreement and the consummation of the transactions contemplated herein will not contravene, conflict with or result in any limitation on Purchaser's right, title or interest in or to the Transferred IP.

(i) None of Seller, the Selling Subsidiaries or the Transferred Subsidiaries has received any written complaint or claim for compensation from any third-party, regarding (i) Seller's, any of the Selling Subsidiaries' or the Transferred Subsidiaries' failure or alleged failure to comply with any Data Security Requirements, or (ii) Seller's, the Selling Subsidiaries' or the Transferred Subsidiaries' collection, use or disclosure of personally identifiable information and/or Personal Data, in each case, in connection with the Business.

(j) Seller, the Selling Subsidiaries and the Transferred Subsidiaries are, and since June 30, 2015 have been, in material compliance with all Data Security Requirements pertaining to the processing, collection, storage, use, disclosure, and transfer of personally identifiable information and/or Personal Data. None of Seller, the Selling Subsidiaries or the Transferred Subsidiaries uses any Personal Data it receives through any websites or otherwise in connection with the Business in a manner that violates any Data Protection Legislation in any material respect.

(viii) not (A) create any Encumbrance relating to a Purchased Asset (other than a Permitted Encumbrance) or incur any Indebtedness related to the Business (other than short-term Indebtedness in the ordinary course of business consistent with past practice or borrowings under existing credit facilities or in connection with refinancing or replacements of existing Indebtedness (and only to the extent such Indebtedness is not specific to the Business and will be released at Closing pursuant to the terms of this Agreement)), or (B) make any loans, advances or capital contribution to or investment in any other Person in connection with the Business, in each case, in excess of \$100,000 individually or \$1,000,000 in the aggregate, other than routine advances to employees and consultants for business expenses in the ordinary course of the Business consistent with past practice;

(ix) except as required by GAAP or in a manner consistent with the Specified Accounting Principles, not make any material change in the Business' methods, principles and practices of accounting (including the Business' working capital practices);

(x) not subject any Real Property (or portion thereof or interest therein) or other Purchased Asset to any new Encumbrance, in each case, other than a Permitted Encumbrance and other than a refinancing or replacement of existing Indebtedness;

(xi) except in the ordinary course of the Business, not (A) amend or modify in any material respect, cancel, waive any material provision of or give any consent under any Assumed Contract, Material Contract or Assigned Real Property Lease or (B) terminate any Assumed Contract, Material Contract or enter into any Contract that would constitute a Material Contract had it been in full force and effect as of the date hereof;

(xii) use commercially reasonable efforts to maintain the ongoing service of the Business Employees and not hire or dismiss (except for cause) any Business Employee or assign any person to work in the Business such that they will become an Automatic Transfer Employee or engage or terminate the Contract of any consultant or independent contractor of Seller, any Selling Subsidiary or any Transferred Subsidiary that provides services exclusively to the Business, in each case, other than in accordance with the Business' target operating model which has been shared with the Purchaser;

(xiii) not make any material capital expenditures or commitments, other than in the ordinary course of the Business consistent with past practice and not exceeding \$2,000,000;

(xiv) except as required by the terms of a Business Benefit Plan or Collective Bargaining Agreement or in connection with any action permitted hereunder, not establish, adopt, enter into, materially amend or modify or terminate any Business Benefit Plan other than in the ordinary course of the Business or as a result of broad-based changes that apply to similarly situated Seller Employees that do not result in material increased Liability to Purchaser or any of its Subsidiaries or any Transferred Subsidiary, including any Miraclon Entity or Transferred Subsidiary;

(xv) not make, revoke or change any material Tax election, file any amended Tax Return with respect to material Taxes, extend any statute of limitations with respect to Taxes, enter into any agreement in respect of a material amount of Taxes with any Taxing Authority, including the settlement or compromise of any Tax Claim, or enter into any Tax sharing, allocation, indemnity or similar agreement, other than agreements the primary purpose of which do not relate to Taxes, in each case, of the Miraclon Entities or the Transferred Subsidiaries or with respect to the Purchased Assets or the Business;

(xvi) not enter into any Contract with an Affiliate in relation to the Business;

(xvii) not permit any registration of Transferred IP to lapse as a result of a failure to pay any renewal fees that fall due and continue to use commercially reasonable efforts to prosecute any application for registration of Transferred IP;

(xviii) not take any steps to enforce any of the Transferred IP against any Person; and

(xix) not enter into any Contract or other binding commitment, whether or not in writing, to do any of the foregoing.

(b) Notwithstanding anything contained in this Agreement to the contrary, so long as no Liability is imposed on or after the Closing on the Purchaser, the Transferred Subsidiaries or their Affiliates, Seller, the Selling Subsidiaries and the Transferred Subsidiaries shall be permitted to: (i) maintain through the Deferred Closing Date the cash management system of the Business and the cash management procedures as currently conducted by Seller, the Selling Subsidiaries and the Transferred Subsidiaries; and (ii) settle any intercompany accounts, receivables, payables and notes in any manner Seller deems appropriate. Notwithstanding anything contained in this Agreement to the contrary, the Selling Subsidiaries shall be permitted to borrow funds in the ordinary course consistent with past practice from Seller or its Affiliates as is necessary to operate the Business and repay such borrowings in the ordinary course. Nothing contained in this Agreement shall give Purchaser, directly or indirectly, rights to control or direct the operations of the Business or the Purchased Assets prior to the Closing Date or, with respect to the Deferred Items, the Deferred Closing Date. During the period from the date of this Agreement until the earlier of (x) the date this Agreement is terminated in accordance with its terms and (y) the Deferred Closing Date, except as contemplated by this Agreement, none of Purchaser or Seller shall take any action or omit to take any action for the purpose of directly or indirectly preventing, materially delaying or materially impeding (or that would reasonably be expected to prevent, materially delay or materially impede) the consummation of the transactions contemplated by this Agreement, permit or cause any of its respective Subsidiaries or Affiliates to do any of the foregoing or agree or commit to do any of the foregoing, or agree in writing or otherwise to take any of the foregoing actions.

Section 5.3 Efforts to Close. Except as otherwise set forth in Section 5.5, subject to the terms and conditions set forth herein and to applicable Law, each Party agrees to use its commercially reasonable efforts to take, or cause to be taken, all actions necessary, and assist and cooperate with the other Party in doing, all things necessary, proper or advisable to (a) consummate and make effective, in the most expeditious manner practicable, the transactions contemplated hereby, including the satisfaction of the respective conditions set forth in Article VI, and (b) cause the fulfillment at the earliest practicable date of all of the conditions to each Party's respective obligations to consummate the transactions contemplated by this Agreement.

Section 5.4 Key Carve-Out Operations.

(a) Without limiting any other terms of this Agreement, Section 5.4 of the Seller Disclosure Letter sets forth a description of the Key Carve-Out Operations required for the purpose of (i) establishing the Miraclon Entities and the Transferred Subsidiaries as the recipients of the Purchased Assets at Closing and (ii) permitting the operation of the Business immediately upon the Closing, subject to the services to be provided pursuant to the Transition Services Agreement (“**Day One Readiness**”).

(b) As soon as practicable after the date of this Agreement, (i) the Parties shall establish a committee (a “**Key Carve-Out Operations Committee**”) comprised of two (2) designees of Seller and two (2) designees of Purchaser and (ii) such Key Carve-Out Operations Committee shall meet and review the description of the Key Carve-Out Operations set forth on Section 5.4 of the Seller Disclosure Letter. Such Key Carve-Out Operations Committee shall make recommendations to Seller and the Purchaser of any additional detail, including any applicable terms, conditions and scheduled time periods for the Key Carve-Out Operations and/or any required or recommended amendments, modifications or supplements with respect to such Key Carve-Out Operations and other legal and operational steps necessary for Day One Readiness and, upon the mutual agreement of Seller and Purchaser, Section 5.4 of the Seller Disclosure Letter shall be amended, modified or supplemented to reflect such recommendations. The Key Carve-Out Operations Committee shall meet and review on a weekly basis the Key Carve-Out Operations and status thereof and shall provide any additional recommended amendments, modifications or supplements with respect to such Key Carve-Out Operations and, upon the mutual agreement of Seller and Purchaser, Section 5.4 of the Seller Disclosure Letter shall be further amended, modified or supplemented to reflect such recommendations.

(c) For the purpose of allowing the parties to monitor and assist with the preparation for Day One Readiness and make any recommendations with respect to the Key Carve-Out Operations, Seller shall, and shall cause the Selling Subsidiaries to, upon advance notice from Purchaser and at no cost to Purchaser: (i) provide Purchaser’s members of the Key Carve-Out Operations Committee and their authorized Representatives reasonable access, during regular business hours, to senior managers of the Business, functional heads of the various business lines within the Business and subject matter leads responsible for various aspects of the Business, in each case, as designated by Seller (collectively, the “**Access Employees**”); provided, however, that all meetings or other contact with any of the Access Employees shall be first coordinated through Paula Gutkin or Theresa Sheh (or their designees) and (ii) cooperate with Purchaser to continue to develop plans and timelines for Day One Readiness.

(d) In the event of any dispute between the Parties in connection with the finalization of (i) the Key Carve-Out Operations set forth on Section 5.4 of the Seller Disclosure Letter or (ii) any potential or proposed amendments, modifications or supplements with respect to such Key Carve-Out Operations, each Party shall designate a senior executive or representative

reasonably acceptable to the other Party to handle such dispute and the Parties shall cause such designee(s) to meet as promptly as practicable and use their respective commercially reasonable efforts to resolve such dispute within a reasonable period of time. If such individuals are unable to resolve the disputes in a timely manner, the Parties shall cooperate to submit the matters in dispute to a third party mediator or arbitrator mutually acceptable to the Parties.

(e) Each Party shall (to the extent within that Party's scope of responsibility as set out in Section 5.4), and shall cause its Subsidiaries and Representatives to (to the extent within that Party's scope of responsibility as set out in Section 5.4), implement the Key Carve-Out Operations to the standards set forth in Section 5.4 of the Seller Disclosure Letter on the terms and conditions, and within the scheduled time periods, outlined on Section 5.4 of the Seller Disclosure Letter; provided, however, that the Parties acknowledge that the time periods set forth on Section 5.4 of the Seller Disclosure Letter may shift based on various factors that arise after the development of the Key Carve-Out Operations (though this shall bear no impact on the End Date of this Agreement).

(f) Prior to the Closing, the Parties may mutually agree to enter into additional statements of work or amend, modify, or supplement existing statements of work ("**SOW**") entered into pursuant to the Transition Services Agreement with respect to any of the Key Carve-Out Operations. Each such SOW with respect to a Key Carve-Out Operation shall be deemed to be included in and governed by the Transition Services Agreement on and subject to the occurrence of the Closing. With respect to any Key Carve-Out Operations that have not been implemented on or prior to the Closing, each Party shall use its commercially reasonable efforts to, and shall cause its Subsidiaries and Representatives to use commercially reasonable efforts to, implement such remaining Key Carve-Out Operations on the terms and conditions, and within amended scheduled time periods, until the earlier of (i) the complete implementation of the Key Carve-Out Operations and (ii) the termination of the Transition Services Agreement (though this shall bear no impact on the Parties' respective rights pursuant to Article VI of this Agreement).

(g) Purchaser agrees that it and the Business Employees shall and have had access to the employees, consultants, or independent contractors of Seller and its Subsidiaries, including with respect to the Day One Readiness. Purchaser agrees that, from and after the Closing until the one (1) year anniversary of the termination of the Transition Services Agreement, prior to Purchaser or its Subsidiaries or Affiliates (including any Business Employee) entering into discussions with, soliciting or employing any employee, consultant, or independent contractor of Seller or any of its Subsidiaries, Purchaser shall consult with Seller regarding such discussions, solicitation or employment. If Purchaser employs any employee, consultant, or independent contractor of Seller or any of its Subsidiaries who performs services pursuant to the Transition Services Agreement resulting in the termination of such employee, consultant, or independent contractor, Purchaser waives all rights or remedies resulting from any breach of the Transition Services Agreement as a result of Seller's and its Subsidiaries' inability to perform the services thereunder as a result of the failure of such employee, consultant, or independent contractor to be engaged by Seller or its Subsidiaries.

Section 5.5 Antitrust Laws.

(a) The Parties shall use their commercially reasonable efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all Antitrust Authorities, including with respect to Required Regulatory Approvals, and make, or cause to be made, all filings required by Law to be made to consummate the transactions contemplated hereby that may be or become necessary for its execution and delivery of this Agreement and the performance of each Party's obligations pursuant to this Agreement as promptly as reasonably practicable, and in any event prior to the End Date. Purchaser and where applicable, Seller shall, as promptly as practicable but in no event later than the twentieth (20th) Business Day following the date hereof, make all appropriate filings pursuant to the HSR Act and any filings of such Party under any Antitrust Law listed on Section 5.5(a) of the Seller Disclosure Letter in connection with this Agreement and the transactions contemplated hereby, and such initial filings pursuant to the HSR Act from Purchaser and Seller shall request early termination of any applicable waiting period under the HSR Act.

(b) Subject to applicable Law, each Party shall: (i) furnish to the other Party as promptly as reasonably practicable all information required for any application or other filing to be made by the other Party pursuant to any applicable Antitrust Law in connection with the transactions contemplated by this Agreement; (ii) at the earliest reasonably practicable date respond to and comply with (or properly reduce the scope of) any formal or informal request for additional information or documentary material received by it or any of its Affiliates from any Antitrust Authority; and (iii) consult and cooperate with the other Party, and permit the other Party (and its counsel), to the extent legally permissible to do so, to review in advance and consider in good faith the comments and views of the other Party, in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions, proposals or other communications made or submitted by or on behalf of any Party in connection with proceedings under or relating to any Antitrust Laws. Each of the Parties will promptly notify the other Party of any written or other material or substantive communication made to or received by such Party from any Antitrust Authority regarding any of the transactions contemplated hereby. Neither Party will participate in any substantive meeting, telephone call, or discussion with any such Antitrust Authority in respect of any filing, investigation or inquiry concerning this Agreement or the transactions contemplated hereby unless, to the extent reasonably practicable, it consults with the other Party in advance and, to the extent permitted by such Antitrust Authority, gives the other Party the opportunity to attend and participate thereat, and each Party will furnish the other Party with copies of all correspondence, filings and attachments thereto (excluding Item 4(c) and Item 4(d) documents in connection with the HSR Act filing) and written communications between them and their Affiliates and their respective Representatives on one hand and any such Antitrust Authority or its respective staff on the other hand, with respect to this Agreement and the transactions contemplated hereby; provided, however, that the Parties may, as each deems advisable and necessary, reasonably designate competitively sensitive material provided under this Section 5.5 as "outside counsel only material" and may redact materials to remove references concerning the valuation of the Purchased Assets, privileged communications or any other competitively sensitive material.

(c) In furtherance and not in limitation of the foregoing, Purchaser shall use commercially reasonable efforts to take any and all actions necessary to resolve, avoid, or eliminate any impediments or objections that may be asserted by any Antitrust Authority with respect to the transactions contemplated by this Agreement under any Antitrust Law, or avoid the entry of, effect

the dissolution of and have vacated, lifted, reversed or overturned, including litigating to vacate, lift, reverse, or overturn any decree, order or judgment that would prevent, prohibit, restrict or delay the consummation of the transactions contemplated by this Agreement so as to enable the Parties to close the transactions contemplated by this Agreement expeditiously (but in no event after the End Date), except for proposing, negotiating, committing to and effecting, by consent decree, hold separate orders, or otherwise, the sale, divestiture, license or other disposition of such of its, its Subsidiaries' assets, properties or business or of the assets, properties or businesses to be acquired by Purchaser pursuant hereto, and entering into such other arrangements, as are necessary or advisable in order to avoid the entry of, and the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other Order in any suit or proceeding by an Antitrust Authority or any other person under Antitrust Laws that would otherwise have the effect of delaying or preventing the consummation of the transactions contemplated by this Agreement.

(d) From the date of this Agreement through the later of: (i) the date of termination of the required waiting periods under all applicable Antitrust Laws; (ii) the date all approvals under applicable Antitrust Laws are obtained; and (iii) the date all the consents required pursuant to Section 5.5(a) are obtained, neither Party nor any of its Subsidiaries shall take any action, including acquiring or agreeing to acquire, by merging with or into or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquiring or agreeing to acquire any assets, that could reasonably be expected to hinder or delay, as applicable, the obtaining of clearance or the expiration of the required waiting periods under all applicable Antitrust Laws, the obtaining of the approvals required under such applicable Antitrust Laws, the obtaining of the consents required pursuant to Section 5.5(a) or the consummation of the transactions contemplated by this Agreement.

(e) Purchaser will not "pull-and-refile" pursuant to 16 C.F.R. 803.12 or otherwise withdraw any filing under the HSR Act or any other Antitrust Law, as the case may be, and refile it unless Seller has consented in writing in advance to such withdrawal and refile, and Purchaser shall not extend any waiting period under the HSR Act or enter into any agreement with any Governmental Authority not to consummate the transactions contemplated hereby, except with the prior written consent of Seller.

Section 5.6 Employees and Employee Benefits.

(a) Business Employees. Within a reasonable period of time, but no less than thirty (30) days prior to the expected Closing Date or Deferred Closing Date, as applicable, Purchaser or its Affiliates, as applicable, shall offer employment on behalf of a Miraclon Entity to each Business Employee (other than any Automatic Transfer Employee or any Acquired Employee). Such offers of employment shall include for the Business Employees: (i) a base wage or base salary level and annual target cash bonus (including variables and other incentives) or sales and commission opportunities, as applicable, that are no less favorable than those in effect for each such Business Employee immediately prior to Closing or the Deferred Closing, to the extent applicable; and (ii) employee benefits that are substantially similar, in the aggregate, including severance benefits but only to the extent that the relevant Business Employee has not received or become entitled to receive a severance payment from Seller (or its Affiliates) upon or prior to

Closing or otherwise upon termination from service from Seller (or its Affiliates) unless otherwise required by applicable Law, to those provided to such Business Employee immediately prior to Closing or the Deferred Closing, excluding any equity incentive plans or similar plans or arrangements or any defined benefit pension plans unless required by applicable Law or discretionary bonus plans (collectively, the “**Employment Terms**”). The Parties shall exercise commercially reasonable efforts to structure such offers of employment to comply with applicable Law and to ensure that such offers of employment do not trigger any severance, termination or similar payments, rights and/or benefits. Seller shall be permitted to review the offer letters with respect to the Employment Terms. Business Employees who receive offers of employment pursuant to this section shall have at least fifteen (15) Business Days following the receipt of Purchaser’s (or its Affiliate’s) offer to accept or reject the offer. Each Business Employee who has accepted Purchaser’s (or its Affiliate’s) offer of employment, as of the Closing or the Deferred Closing, to the extent applicable, shall be transferred to Purchaser (or one of its Affiliates) and Purchaser (or one of its Affiliates) shall accept such transfer automatically and effective at Closing or the Deferred Closing (each of the foregoing, together with any Automatic Transfer Employee whose employment transfers to Purchaser or its Affiliate by operation of Law as of the Closing or the Deferred Closing, to the extent applicable, and any Acquired Employee as of the Closing or the Deferred Closing, to the extent applicable, collectively shall be the “**Purchaser Employees**”); provided, however, that any Business Employee (other than any Acquired Employee or any Automatic Transfer Employee) on an approved leave of absence or short- or long-term disability as of Closing or the Deferred Closing, to the extent applicable, shall transfer employment automatically effective upon the earlier of (A) the date on which they are able to return to work (provided that it does not impose an undue burden on Purchaser or its Affiliates), or (B) the date permitted under the terms of any Business Benefit Plan or applicable Law (such date, the “**Delayed Transfer Date**”). During the period commencing on the Closing Date or the Deferred Closing Date, to the extent applicable, and ending on the first anniversary of the Closing Date or the Deferred Closing Date, to the extent applicable, Purchaser shall or shall cause its Affiliates to maintain the Employment Terms for each Purchaser Employee during their employment with Purchaser or any of its Affiliates. Notwithstanding the foregoing, nothing herein will, after the Closing Date or the Deferred Closing Date, to the extent applicable, impose on Purchaser any obligation to retain any Purchaser Employees in its employment for any amount of time.

(b) Without limiting the generality of Section 2.3(f):

(i) Without limiting the generality of Section 5.6(a)(ii), Section 5.6(c) and Section 5.6(f), Purchaser shall indemnify and defend each of the Seller Indemnitees against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Seller Indemnitees based upon, arising out of, with respect to or by reason of the employment or termination of employment of any Purchaser Employee on or after the Closing or the Deferred Closing, to the extent applicable; and

(ii) Save as expressly provided for in this Agreement and/or to the extent (x) a specific provision has been made in the Closing Statement or (x) such Losses are reflected in the calculations of Closing Indebtedness or the Closing Working Capital, in each case, as finally determined in connection with the Final Purchase Price, Seller shall indemnify and defend each of the Purchaser Indemnitees against, and shall hold each of

them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Purchaser Indemnitees based upon, arising out of, with respect to or by reason of (A) the employment or termination of employment of any Business Employee on or prior to Closing, Deferred Closing, or Delayed Transfer Date, to the extent applicable, including any Severance Costs; (B) the termination of employment of any Business Employee who does not become a Purchaser Employee on or after the Closing or the Deferred Closing, to the extent applicable, including any Severance Costs; and (C) the termination of employment of any Seller Employee who is not a Business Employee before, on or after Closing, Deferred Closing or Delayed Transfer Date, to the extent applicable. In relation to Severance Costs, the Seller agrees that to the extent permissible by Law, it will pay any such Severance Costs arising directly to Business Employees.

(c) Undisclosed Employees. If any person other than a Business Employee (an “**Undisclosed Employee**”) alleges that as a result (whether directly or indirectly) of the sale of the Business pursuant to this Agreement his contract of employment, or any liability in connection with his employment or its termination, has transferred to Purchaser, or to any of its Affiliates, pursuant to a Transfer Law then Purchaser or its Affiliate may terminate the employment of such Undisclosed Employee and Seller shall indemnify the Purchaser or such Affiliates on an ongoing basis against all Liabilities which Purchaser or its Affiliate incurs in relation to such Undisclosed Employee, whether such Liabilities relate to a period before, on or after the Closing Date, including any Liabilities arising from the termination of the employment of such an Undisclosed Employee.

(d) Employee Protocol. Between the date of this Agreement and Closing, Seller and the Purchaser shall cooperate in good faith to agree a protocol in relation to, inter alia, (i) the Purchaser’s communication with Business Employees who are expected to be Purchaser Employees; (ii) the conduct of any employee information and consultation processes; and (iii) the process for making offers of employment to Business Employees who are expected to be Purchaser Employees.

(e) Information and Consultation. Seller shall indemnify and defend each of the Purchaser Indemnitees against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Purchaser Indemnitees based upon, arising out of, with respect to or by reason of any failure by Seller or its Affiliates to comply with its obligations under any Transfer Laws in respect of the transactions contemplated hereby and/or any pre-sale reorganization, except if and to the extent that such failure is caused by a failure of Purchaser or its Affiliates to comply with its obligations under any Transfer Laws.

(f) WARN. With respect to (i) Business Employees prior to the Closing and (ii) Seller Employees who are not Business Employees, Seller shall be solely responsible for compliance with and Liabilities relating in any way to the WARN Act, and Seller shall indemnify, defend and hold Purchaser harmless from and against any and all such resulting Liabilities, if any. With respect to the Business Employees on or after the Closing, including those that do not become Purchaser Employees, Purchaser shall be solely responsible for compliance with and Liabilities relating in any way to the WARN Act, and Purchaser shall indemnify, defend and hold Seller harmless from and against any and all such resulting Liabilities, if any; provided, however, that Seller agrees, upon Purchaser’s request, to send any required notices under the WARN Act to Business Employees on or prior to the Closing. Seller shall provide such WARN Act notices to Purchaser in advance for Purchaser’s review and notify Purchaser of the date on which such notices are sent.

(g) Employee Benefits.

(i) General. After the date of this Agreement, Seller and Purchaser shall cooperate promptly and in good faith in preparing the transition of the Purchaser Employees, as applicable, from coverage under the Business Benefit Plans to coverage under the Purchaser Benefit Plans and/or the Miraclon Entity Benefit Plans in accordance with this Section 5.6 effective as of the Closing Date or the Deferred Closing Date, as applicable. Except as required by applicable Law or with respect to any Purchaser Assumed Benefit Plan, effective as of the Closing Date or the Deferred Closing Date, as applicable, each Purchaser Employee who is a participant in any Business Benefit Plan shall cease to accrue benefits under and be an active participant in any such Business Benefit Plan (other than any Purchaser Assumed Benefit Plan) and shall commence participation in the Purchaser Benefit Plans and/or the Miraclon Entity Benefit Plans subject to the terms and conditions of such Purchaser Benefit Plans and/or the Miraclon Entity Benefit Plans after giving effect to this Section 5.6, including, without limitation, the Employment Terms. Effective as of the Closing Date or the Deferred Closing Date, as applicable, each non-Business Employee who is a participant in any Purchaser Assumed Benefit Plan, if any, shall cease to accrue benefits under and be an active participant in any such Purchaser Assumed Benefit Plan.

(ii) Claims Incurred. Seller shall remain liable and retain responsibility for, and continue to pay in accordance with the terms of the applicable Business Benefit Plans, all expenses and benefits for each Purchaser Employee with respect to claims incurred by such Purchaser Employee (or his or her spouse and/or covered dependents and beneficiaries) prior to the Closing Date or the Deferred Closing Date, as applicable, and shall remain liable for workers compensation claims (including medical, disability, permanency and expense claims) incurred by any Purchaser Employee prior to the Closing Date or the Deferred Closing Date, as applicable. Purchaser or one of its Affiliates shall be responsible for all medical, life, insurance and other welfare plan expenses and benefits with respect to claims incurred by Purchaser Employees or their spouse and/or covered dependents on or after the Closing Date or the Deferred Closing Date, as applicable, as applicable (including, for the avoidance of doubt, any welfare plan claims incurred by a Purchaser Employee or his/her spouse and/or covered dependents on or after the Closing Date or the Deferred Closing Date, as applicable, that are submitted to a Business Benefit Plan) and shall be liable and responsible for workers compensation claims (including medical, disability, permanency and expense claims) incurred by any Purchaser Employee on or after the Closing Date or the Deferred Closing Date, as applicable. For purposes of this Section 5.6(g)(ii), a claim is deemed incurred: in the case of medical or dental benefits, when the services that are the subject of the claim are performed; in the case of life insurance, when the death occurs; in the case of accidental death and dismemberment or workers compensation claims, when the event giving rise to the claim occurs; and in the case of a claim that results in a hospital admission, on the date of admission.

Notwithstanding the foregoing, effective as of the Closing Date or the Deferred Closing Date, as applicable, Purchaser or one of its Affiliates shall be responsible for all obligations with respect to claims incurred under the Purchaser Assumed Benefit Plans and/or the Miraclon Entity Benefit Plans.

(iii) Paid Time Off. In the event that accrued and unused vacation/paid time off days are not required by applicable Law to be paid out upon termination by Seller (or one of its Affiliates), Seller (or one of its Affiliates) shall honor and remain responsible for any Liabilities in respect of all accrued and unused vacation/paid time off days that are due and owing to the Purchaser Employees (including, for the avoidance of doubt, both annual eligibility and carryover vacation/paid time off days) prior to the Closing Date or the Deferred Closing Date, as applicable, except to the extent (x) such Liabilities are reflected in the calculations of Closing Indebtedness or the Closing Working Capital, in each case as finally determined in connection with the Final Purchase Price, or (y) a specific provision has been made in the Closing Statement, in which case Purchaser shall permit, or shall cause its relevant Affiliate to permit, the Purchaser Employees to use such vacation/paid time off days (including, for the avoidance of doubt, both annual eligibility and carry over vacation/paid time off days) during the year in which the Closing Date or any Deferred Closing Date, as applicable, occurs in accordance with Seller's or one of its Subsidiaries' or Affiliates' vacation/paid time off policies in effect as of the Closing Date or any Deferred Closing Date, as applicable. During the year following the year in which the Closing Date or the Deferred Closing Date, as applicable, occurs, each Purchaser Employee (except where applicable Law provides otherwise) will be entitled to vacation/paid time off under Purchaser's vacation/paid time off policies on terms determined by Purchaser after giving effect to this Section 5.6 (unless otherwise required by applicable Law), as applicable; provided, however, that, each Purchaser Employee will be permitted to carryover from the year in which the Closing Date or any Deferred Closing Date, as applicable, occurs into the year immediately following the year in which the Closing Date or any Deferred Closing Date, as applicable, occurs (or, at Purchaser's election, to the extent permitted under applicable Law, be paid out by Purchaser for) such number of unused vacation/paid time off days that the Purchaser Employee would have been permitted to carryover under Seller's or one of its Subsidiaries' or Affiliates' vacation/paid time off policy applicable to such Purchaser Employee immediately prior to the Closing Date or any Deferred Closing Date, as applicable.

(iv) Flexible Spending Account Plan. Effective as of the Closing Date, Purchaser (or one of its Affiliates) shall establish a Section 125 of the Code flexible spending account plan and related account for each Purchaser Employee (the "**Purchaser FSAP**") for the then remaining portion of the calendar year in which the Closing occurs. The Purchaser FSAP will recognize the elections that each Purchaser Employee had in effect under Section 125 of the Code flexible spending account plan of Seller or one of its Subsidiaries or Affiliates (the "**Seller FSAP**"), subject to the applicable dollar limits of the Purchaser FSAP for the calendar year in which such Purchaser Employee becomes covered under the Purchaser FSAP. Purchaser (or one of its Affiliates) shall cause the Purchaser FSAP to assume the account balances (whether positive or negative) associated with the Purchaser Employees' flexible spending accounts under the Seller FSAP (the "**Transferred Account Balances**"), and the Purchaser FSAP shall be responsible for reimbursement of

all previously unreimbursed medical and dependent care claims incurred by the Purchaser Employees in such calendar year. As soon as practicable after the Closing Date, and in any event within ten (10) Business Days after the amount of the Transferred Account Balances is determined, as part of Purchaser's assumption of the Purchaser Employees' flexible spending account balances under the Seller FSAP, Seller (or one of its Affiliates) shall pay Purchaser (or one of its Affiliates) the net aggregate amount of the Transferred Account Balances, if such amount is positive, and Purchaser (or one of its Affiliates) shall pay Seller (or one of its Affiliates) the net aggregate amount of the Transferred Account Balances, if such amount is negative.

(h) Credited Service. With respect to each Purchaser Benefit Plan and Miraclon Entity Benefit Plan (except as required by applicable Law), Purchaser shall (i) recognize or shall cause one of its Affiliates to recognize, for all Purchaser Employees from and after the Closing Date or the Deferred Closing Date, as applicable, credit for all service with Seller and its Subsidiaries and Affiliates (and their predecessors) prior to the Closing Date or the Deferred Closing Date, as applicable, for all purposes, including without limitation, purposes of eligibility to participate, vesting credit, eligibility to commence benefits, benefit accrual (excluding benefit accruals under any defined benefit pension plan other than under any Purchaser Assumed Benefit Plan except as required by applicable Law) to the same extent recognized under a corresponding Business Benefit Plan immediately prior to the Closing Date or the Deferred Closing Date, as applicable, except as would result in duplication of benefits, (ii) ensure or shall cause its Affiliates to ensure that no eligibility periods, waiting periods, exclusions or limitations with respect to any pre-existing conditions, evidence of insurability or good health or actively-at-work exclusions are applicable to the Purchaser Employees or their spouses, dependents or beneficiaries under any Purchaser Benefit Plan and/or Miraclon Entity Benefit Plan as such periods, exclusions or limitations were waived or satisfied under a corresponding Business Benefit Plan prior to the Closing Date or the Deferred Closing Date, as applicable, and (iii) provide or cause its Affiliates to provide that any costs or expenses incurred by the Purchaser Employees (and their respective spouses, dependents and beneficiaries) up to (and including) the Closing Date or the Deferred Closing Date, as applicable, shall be specifically applied for purposes of satisfying applicable deductible, co-payment, coinsurance, maximum out-of-pocket provisions and like adjustments or limitations on coverage under the applicable Purchaser Benefit Plan or Miraclon Entity Benefit Plan.

(i) COBRA. Seller or one of its Affiliates shall be solely responsible for, and shall retain all Liabilities with respect to, satisfying the continuation coverage requirements of COBRA (and any similar state law), Section 4980B of the Code and Part 6 of Subtitle B of Title I or ERISA and the regulations thereunder (including any Liability arising from the action or inactions of Seller or any of its Affiliates with respect to such coverage) with respect to all Business Employees and their covered spouses and beneficiaries who are entitled to such continuation coverage with respect to "qualifying events" (within the meaning of Section 4980B of the Code) that are incurred on or prior to the Closing Date, or the Delayed Transfer Date, as applicable, and in connection with the transactions contemplated hereby. Purchaser or one of its Affiliates shall be solely responsible for, and shall retain all Liabilities with respect to, satisfying the continuation coverage requirements of COBRA (and any similar state law), Section 4980B of the Code and Part 6 of Subtitle B of Title I of ERISA and the regulations thereunder (including any Liability arising from the action or inactions of Purchaser or any of its Affiliates with respect to such coverage)

with respect to all Purchaser Employees and all other employees of Purchaser or any of its Affiliates and their covered spouses and beneficiaries who are entitled to such continuation coverage with respect to “qualifying events” (within the meaning of Section 4980B of the Code) that are incurred after the Closing Date, or the Delayed Transfer Date, as applicable.

(j) Purchaser Savings Plan. Effective as of the Closing or as soon as reasonably practicable thereafter but no later than sixty (60) days after Closing, Purchaser shall have, or shall cause one of its Affiliates to have, in effect a defined contribution plan that is qualified under Section 401(a) of the Code and that includes a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code (the “**Purchaser Savings Plan**”) in which Purchaser Employees who meet the eligibility criteria thereof (after giving effect to this Section 5.6) shall be eligible to participate. Purchaser shall, or shall cause one of its Affiliates to, take all reasonable steps necessary to permit each Purchaser Employee, if any, who shall receive an eligible rollover distribution (as defined in Section 402(c)(4) of the Code) from any of Seller’s or any of its Subsidiaries’ or Affiliates’ U.S. tax-qualified defined contribution or defined benefit pension plans to rollover such eligible rollover distribution, including any associated loan of cash as part of any lump sum distribution to the extent permitted by the applicable Business Benefit Plan and applicable Law, into an account under the Purchaser Savings Plan as of the Closing or as soon as reasonably practicable thereafter but in any event no later than sixty (60) days after Closing.

(k) Bonus and Incentive Plans. Purchaser shall, or shall cause one of its Affiliates to, bear the cost of, and shall assume any and all Liabilities and other obligations for any bonus, commission, profit sharing, incentive payment and similar amounts (“**Bonuses**”) to each eligible Business Employee who is a party to one of the Business Benefit Plans set forth on Section 5.6(k) of the Seller Disclosure Letter, whenever due and payable and including any deferred elements of such Bonuses to the extent (x) such Liabilities are reflected in the calculations of Closing Indebtedness or the Closing Working Capital, in each case as finally determined in connection with the Final Purchase Price or (y) a specific provision has been made in the Closing Statement. Such payments shall be made in accordance with the terms and conditions of the applicable Business Benefit Plan listed on Section 5.6(k) of the Seller Disclosure Letter and Purchaser shall indemnify and defend each of the Seller Indemnitees against, and shall hold each of them harmless from and against, any such Liabilities, obligations and responsibilities.

(l) Assumption/Transfer/Retention of Purchaser Assumed Benefit Plans/Miraclon Entity Benefit Plans/Other Employee Benefit-Related Liabilities.

(i) Effective as of the Closing Date or any Deferred Closing Date, as applicable, Seller shall assign or transfer, directly or indirectly, or shall cause one of its Subsidiaries or Affiliates to assign or transfer, directly or indirectly, and Purchaser shall, or shall cause one of its Affiliates, including the applicable Miraclon Entity, to, assume, adopt and/or retain, as applicable, the Purchaser Assumed Benefit Plans and Miraclon Entity Benefit Plans and, assume or retain, as applicable, all Liabilities, obligations and responsibilities of Seller or one of its Subsidiaries or Affiliates, as applicable, including, without limitation, the Miraclon Entities, thereunder (x) during the period specified on Section 1.1(g) of the Seller Disclosure Letter in respect of or relating to any and all Purchaser Assumed Benefit Plans and (y) arising prior to, at or after the Closing or any Deferred Closing, in respect of or relating to any and all Miraclon Entity Benefit Plans,

and, Purchaser shall indemnify and defend each of the Seller Indemnitees against, and shall hold each of them harmless from and against, any such Liabilities, obligations and responsibilities. In addition, effective as of the Closing Date or any Deferred Closing Date, as applicable, Seller shall assign or shall cause one of its Subsidiaries or Affiliates to assign and Purchaser shall, or shall cause one of its Affiliates to assume, all Liabilities, obligations and responsibilities of Seller or one of its Subsidiaries or Affiliates set forth on Section 5.6(l)(i) of the Seller Disclosure Letter arising prior to, at or after the Closing and Purchaser shall indemnify and defend each of the Seller Indemnitees against, and shall hold each of them harmless from and against, any such Liabilities, obligations and responsibilities.

(ii) Notwithstanding the foregoing, the following provisions shall apply to the Purchaser Assumed Benefit Plans listed on Section 5.6(l)(ii) of the Seller Disclosure Schedule (collectively, the “**Purchaser Assumed Defined Benefit Plans**”). Effective as of the Closing Date, Seller shall assign or transfer, directly or indirectly, or shall cause one of its Subsidiaries or Affiliates to assign or transfer, directly or indirectly, and Purchaser shall, or shall cause one of its Affiliates to, assume or retain, as applicable, the Purchaser Assumed Defined Benefit Plans and assume or retain, as applicable, all Liabilities, obligations and responsibilities of Seller or one of its Subsidiaries or Affiliates, as applicable, thereunder arising prior to, at or after the Closing Date, and be responsible in respect of each Purchaser Employee who participated in a Purchaser Assumed Defined Benefit Plan (each such Purchaser Employee, a “**Pension Plan Employee**”) for the Liabilities, obligations and responsibilities in relation to each such plan arising prior to, at or after the Closing Date, and Purchaser shall indemnify and defend each of the Seller Indemnitees against, and shall hold each of them harmless from and against, any such Liabilities, obligations and responsibilities. To the extent provided in Section 5.6(l)(ii) of the Seller Disclosure Schedule, Seller shall, or shall cause one of its Subsidiaries or Affiliates to, effect a transfer of assets from each funded Purchaser Assumed Defined Benefit Plan, to the extent applicable, in respect of the Liability for each Pension Plan Employee in such amounts as shall be reasonably determined by Seller’s actuary and in accordance with Section 5.6(l)(ii) of the Seller Disclosure Schedule (or such greater amounts as may be required by applicable Law) (the “**Transfer Amount**”), and Purchaser shall, or shall cause one of its Affiliates to, cause a Purchaser Benefit Plan or a Miraclon Entity Benefit Plan to accept such assets. Seller shall select the kind of assets to be transferred if there are alternate forms of assets that may be transferred under local Law or existing Contract, provided that such form is reasonably acceptable to Purchaser and permitted under the Contract or rules governing the relevant Purchaser Benefit Plan or Miraclon Entity Benefit Plan. For purposes of this Section 5.6(l)(ii), the amount to be transferred shall be adjusted to take into account benefit payments made from such Purchaser Assumed Defined Benefit Plan to the applicable Pension Plan Employees after the Closing Date, but prior to the date of transfer by Seller or its Affiliates (“**Interim Pension Payments**”). The Interim Pension Payments shall be reasonably determined by the applicable plan’s administrator in accordance with actuarial advice and standard administrative practice. Any transfer of assets pursuant to this Section 5.6(l)(ii) shall be effected as soon as practicable after the Closing, but in any event within one (1) year after the Closing Date, or, if later, the earliest date that is administratively practicable as reasonably determined by Seller; provided, however, that in no event shall such transfer take place until the receipt of any approval required by any Government Authority.

(iii) Purchaser and Seller shall reasonably cooperate to make any and all filings and submissions to the appropriate Governmental Authorities or otherwise required to be made by Seller (or any of its Subsidiaries or Affiliates) and Purchaser (or any of its Affiliates), and to take all other appropriate actions, to effect the assignment, transfer, adoption, establishment, retention and/or assumption, as applicable, of the Purchaser Assumed Benefit Plans in accordance with this Section 5.6(l).

(iv) Seller or one of its Subsidiaries or Affiliates, as applicable, shall retain all Liabilities, obligations and responsibilities under or in connection with any Business Benefit Plan that is a “defined benefit pension plan” within the meaning of U.S. Accounting Standards Codification Topic 715-30 unless and to the extent that such Liabilities, obligations and responsibilities relate to a Purchaser Assumed Defined Benefit Plan and Seller shall indemnify and defend each of the Purchaser Indemnitees against, and shall hold each of them harmless from and against, any such Liabilities, obligations and responsibilities that transfer to the Purchaser or any of its Subsidiaries or Affiliates.

(m) Seller and Purchaser agree to utilize the “standard procedure” set forth in Section 4 of Revenue Procedure 2004-53, 2004-2 C.B. 320. Seller shall, in accordance with Revenue Procedure 2004-53, assume all responsibility for preparing and filing all applicable employee Tax withholding documents with respect to wages paid to Purchaser Employees through the Closing Date. Purchaser shall assume all responsibility for preparing and filing all applicable employee Tax withholding documents with respect to wages paid to Purchaser Employees after the Closing Date. Seller and Purchaser shall cooperate in good faith to the extent necessary for the purpose of effectuating its compliance with the “standard procedure.” With respect to any Purchaser Employees who are principally based outside of the United States, Seller and Purchaser agree to cooperate to coordinate all employee-related Tax withholding and reporting for the year in which the Closing occurs.

(n) Non-U.S. Employees. For any current Business Employees who are principally based outside of the United States, and perform services primarily for the Business, the provisions of this Section 5.6 shall apply to such employees *mutatis mutandis* to the maximum extent permitted by applicable Law. Purchaser acknowledges that certain Business Employees are working in the United States pursuant to temporary nonimmigrant status, and such status is dependent upon such Business Employees’ qualifying employment. Purchaser further acknowledges that certain steps may be required for such Business Employees to maintain legal work authorization, including Purchaser’s assumption of immigration-related obligations and liabilities that have arisen or will hereafter arise in connection with the submission of prior petitions, applications or other filings with various government agencies, and/or the submission of additional petitions or applications. Seller shall, and shall cause its Affiliates to, use commercially reasonable efforts to take necessary or appropriate action as reasonably requested by the Purchaser prior to the Closing to assist in the submission of such petitions, applications, filings or other requirements to maintain legal work authorization and enable the relevant Business Employees to continue lawful employment after the Closing. However, Purchaser understands that because of such Business Employees’ particular immigration status, some Business Employees may not be able to continue lawful employment.

At least thirty (30) days prior to the Closing, Purchaser agrees to inform Seller of any Business Employee currently working under a temporary work visa that Purchaser does not wish to continue their employment following the Closing. If there are any such Business Employees, Seller and Purchaser may agree in writing that Purchaser is not required to offer employment to such Business Employee(s), and such Business Employee(s) employment shall not transfer to Purchaser upon Closing.

(o) No later than thirty (30) days prior to Closing (or at such earlier date between the date of this Agreement and Closing as the Purchaser may reasonably request with fifteen (15) Business Days' notice), Seller shall provide the Purchaser with a true, correct and complete list of the Business Employees and each of their (i) name, title, and location of employment; (ii) whether the employee is actively employed or not actively at work (regardless of whether due to illness, disability, authorized leave of absence, layoff for lack of work or service in the armed forces or for any other reason); (iii) annual rate of compensation, including bonuses (target and actual bonus for last financial year), incentives and share options, in each case for the last three financial years; (iv) prerequisites and benefits and (v) work permit (or equivalent) (if applicable). For the purposes of subclause (iii), in the case of salaried employees, such list identifies the current annual rate of compensation for each such employee, and in the case of hourly employees, such list identifies the current hourly rate for each such employee.

(p) The transfer of employment of any Business Employee who becomes a Purchaser Employee in connection with the transactions contemplated by this Agreement shall not constitute a "separation from service" under Treasury Regulation Section 1.409A-1(h) for purposes of any "nonqualified deferred compensation plan" within the meaning of Section 409A(d)(1) of the Code.

(q) This Section 5.6 shall survive the Closing and shall be binding on all successors and assigns of Seller, Purchaser and their respective Subsidiaries and Affiliates. Nothing in this Section 5.6, whether express or implied, shall confer any rights or remedies upon any Seller Employee or upon any other Person other than the Parties and their respective successors and assigns, or shall constitute or be treated as an adoption, amendment, or other modification of or to any Benefit Plan or any other plan, agreement, arrangement, program or policy covering Business Employees or employees of Seller or any of its Subsidiaries or Affiliates, including, without limitation, any Purchaser Benefit Plan, Miraclon Entity Benefit Plan, or Purchaser Assumed Benefit Plan.

Section 5.7 Bulk Transfer Laws. Each of the Parties hereby waives compliance with the requirements and provisions of any applicable bulk sale or bulk transfer Laws or similar Laws. Purchaser shall not withhold any portion of the Purchase Price based on such non-compliance.

Section 5.8 Seller Expenses; Closing Indebtedness

(a) Subject to the last sentence of Section 2.8(d), and Section 10.7, at the Closing, Seller shall pay, or cause to be paid, on behalf of Seller, the Selling Subsidiaries and the Transferred Subsidiaries, all expenses incurred by Seller, the Selling Subsidiaries and the Transferred Subsidiaries on or prior to the Closing in connection with this Agreement, the Closing Agreements and the transactions contemplated hereby and thereby and, in each case, excluding any such expenses incurred by the Miraclon Entities or the Transferred Subsidiaries following the Closing.

(b) At the Closing, Purchaser shall pay, or cause to be paid, on behalf of Seller, the Selling Subsidiaries and the Transferred Subsidiaries, any indebtedness designated by Seller in writing contemporaneously with the delivery of the Estimated Closing Statement by wire transfer of immediately available funds to the account(s) designated Seller.

Section 5.9 Delivery and Maintenance of Books and Records.

(a) Current Business Books and Records.

(i) Seller shall use its commercially reasonable efforts to deliver or cause to be delivered to Purchaser (A) at the Closing all Current Business Books and Records other than Deferred Items and (B) at the Deferred Closing, all Current Business Books and Records constituting Deferred Items. If any Current Business Books and Records contain portions of information that is unrelated to the Business, only such portions of the Current Business Books and Records related to the Business will be delivered to Purchaser.

(ii) Seller shall, at or prior to the completion of all services provided under the Transition Services Agreement, deliver or cause to be delivered to Purchaser any Current Business Books and Records not provided pursuant to clause (i) of this Section 5.8(a).

(b) Historical Business Books and Records.

(i) Subject to Section 5.9(c), from and after the Closing until the one (1) year anniversary of the Closing, Seller shall deliver or cause to be delivered to Purchaser all Historical Business Books and Records requested by Purchaser. If any Historical Business Books and Records contain portions of information that is unrelated to the Business, only such portions of the Historical Business Books and Records related to the Business will be delivered to Purchaser.

(ii) Before beginning any work to deliver any requested Historical Books and Records under this Section 5.9(b), Seller shall provide Purchaser with a good faith estimate of the time required for Seller's or its Subsidiaries' employees to deliver such Historical Books and Records and any other expenses Seller anticipates it will incur in fulfilling Purchaser's request for such Historical Books and Records. Seller shall not proceed with any such work until Purchaser has acknowledged receipt of the estimate and authorized Seller to proceed with such work in writing. If, after receiving Seller's estimate, Purchaser does not provide such written authorization, Seller will be excused from any obligation to fulfill Purchaser's request.

(c) Any expenses of Seller or its Subsidiaries incurred in connection with fulfilling Purchaser's requests for such Historical Books and Records shall be at Seller's sole cost and expense; provided, however, that nothing in this Agreement will obligate (i) Seller to deliver or cause to be delivered Historical Books and Records with a Record Age greater than the higher

of five (5) years or, where applicable, the current retention period for financial, tax, or legal or regulatory data in each jurisdiction where the Business operates at Closing, or (ii) Seller, its Subsidiaries or their employees or consultants to expend greater than seven hundred (700) hours, in the aggregate, delivering such Historical Books and Records after the Closing unless required by Law.

(d) Cooperation. With respect to Current Business Books and Records and Historical Business Books and Records stored in Shared Systems, after the date hereof, the Parties will confer and determine in good faith how to transfer (or provide access to transfer) such records to Purchaser, including determining which Party is best positioned to extract such records after Closing, and agreeing on reasonable formats to be used for extracts of such records and reasonable timeframes for delivery thereof by Seller to Purchaser in a manner that allows Purchaser to operate the Business in the ordinary course. The Parties will cooperate to ensure all such records are delivered to Purchaser at or prior to the date of the completion of all services provided under the Transition Services Agreement.

(e) Maintenance of Books and Records. From and after the Deferred Closing Date until the seventh (7th) anniversary thereof, Purchaser shall preserve or cause to be preserved all pre-Closing Date records to the extent relating to the Business and provided by Seller to Purchaser. After the Closing Date and up until the fifth (5th) anniversary thereof, upon any reasonable request from Seller or its Representatives, Purchaser shall, and/or shall cause the Person holding such records to, at Seller's cost and expense (i) provide to Seller or its Representatives reasonable access to such records during normal business hours, (ii) permit Seller to remove all copies of Excluded Books and Records in such records (however maintained), and (iii) permit Seller or its Representatives to make copies of such records; provided, however, that nothing herein shall require Purchaser to disclose any information to Seller if such disclosure would reasonably be expected to jeopardize any attorney-client or other legal privilege which Purchaser or its Affiliates is entitled to claim or contravene any applicable Law, fiduciary duty or agreement (it being understood that Purchaser shall cooperate in any commercially reasonable efforts and requests for waivers that would enable otherwise required disclosure to Seller to occur without so jeopardizing privilege or contravening such Law, duty or agreement). Such records shall be provided under this Section 5.9(e) for any reasonable purpose, including to the extent reasonably required in connection with accounting, Tax, litigation, federal securities disclosure (other than claims between Seller and Purchaser or any of their respective Affiliates under this Agreement or any agreement contemplated hereby). Notwithstanding the foregoing, during the five (5) year period contemplated in this Section 5.9(e), at the option of Purchaser (A) any such records may be destroyed by Purchaser if Purchaser sends to Seller written notice of its intent to destroy such records, specifying in reasonable detail the contents of the records to be destroyed; such records may then be destroyed after the sixtieth (60th) day following such notice unless Seller notifies Purchaser that Seller desires to obtain possession of such records, in which event Purchaser shall transfer or cause to be transferred such records to Seller and Seller shall pay all reasonable expenses of Purchaser in connection therewith and (B) Purchaser shall not be required to provide Seller access to, or copies of, any Tax Records that relate solely to any Post-Closing Tax Period.

(f) Privilege and Protections. Purchaser acknowledges and agrees that (i) the attorney-client privilege, attorney work-product protections, confidentiality protections and any other similar privileges or protections with respect to any Excluded Books and Records, belongs to and shall be controlled by Seller (or one or more of its Affiliates, as the case may be) and shall not pass to or be claimed by Purchaser or any of its Affiliates (except as set forth in clause (iii)(E) of this Section 5.9(f)), (ii) the delivery of or disclosure of any Excluded Books and Records to Purchaser or any of its Affiliates pursuant to this Section 5.9 or otherwise shall be deemed unintentional and with respect to any Excluded Books and Records shall not constitute a waiver by Seller or its Affiliates of any of their attorney-client privileges, attorney work-product protections, confidentiality protections or other similar privileges or protections in connection with such Excluded Books and Records, unless Seller or one or more of its Affiliates expressly waives in writing all privileges or protections in connection therewith, (iii) in the event that any Excluded Books and Records is delivered or disclosed to Purchaser or any of its Affiliates by Seller pursuant to this Section 5.9 or otherwise, Purchaser shall (A) promptly notify Seller of such discovery upon Purchaser's or any of its Affiliates' discovery of any such delivery or disclosure, (B) at Seller's request and at Seller's cost and expense, return to Seller or destroy such Excluded Books and Records, (C) take any and all actions reasonably requested by Seller, at the sole cost and expense of Seller, in order to permit Seller (or one or more of its Affiliates, as the case may be) to preserve and assert any such protection or privilege in connection therewith, (D) in connection with each of the foregoing clauses (A) through (C) of this Section 5.9(f), use its commercially reasonable efforts to and cause its Affiliates to safeguard and protect such Excluded Books and Records from further delivery or disclosure to any third party, (E) not assert and cause its Affiliates not to assert that any such protection or privilege has been waived with respect to Excluded Books and Records that has come into or is in the possession of Purchaser or any of its Affiliates, except in the event that, following the Closing, a dispute arises between Purchaser and/or any one or more of its Affiliates, on the one hand, and a third party (including a Governmental Authority), on the other hand, in which case, Purchaser and its Affiliates (as the case may be) shall assert such protections and privileges against such third party to the extent necessary to prevent disclosure of such Excluded Books and Records and (F) to the extent Purchaser or any of its Affiliates has or maintains any control of such protection or privilege of any Excluded Books and Records, not and cause its Affiliates not to, except as may be required by applicable Law, waive or attempt to waive such protection or privilege without the prior written consent of Seller or one or more of its Affiliates (as the case may be).

Section 5.10 Confidentiality.

(a) Subject to Section 10.6, from the date hereof to the date falling two (2) years after the date hereof, each of Seller and the Purchaser and their respective Affiliates shall treat as strictly confidential and not disclose or use any information received or obtained as a result of entering into this Agreement or any Closing Agreement which relates to: (i) the existence and the provisions of this Agreement or any Closing Agreement or the negotiations relating thereto; or (ii) in the case of Purchaser, any information relating to the business of Seller or its Affiliates. From and after the Closing, Seller and its Affiliates shall treat as strictly confidential and not disclose or use any information relating to the Business (including any future plans or targets of the Purchaser and its Affiliates).

(b) This Section 5.10 shall not prohibit disclosure or use of any information if and to the extent: (i) the disclosure or use is required by applicable Laws or the rules of any stock exchange on which the Parties' shares are listed; (ii) the disclosure or use is required to vest the full benefit of this Agreement in Seller or the Purchaser; (iii) the disclosure or use is required for

the purpose of any judicial or arbitral proceedings arising out of the Agreement or any Closing Agreement; (iv) the disclosure is reasonably made to a Taxing Authority; (v) the disclosure is made to any party to whom assignment is permitted under the terms of this Agreement on terms that such assignee undertakes to comply with the provisions of Section 5.10(b); (vi) the disclosure is made on a confidential basis to professional advisers of actual or potential debt or equity financiers of any Party or any Purchaser Affiliate provided that such persons need to know the information for the purposes of considering, evaluating, advising on or furthering the transactions contemplated by this Agreement or any matters arising in connection with them; (vii) the disclosure is made by the Purchaser to any depositary or custodian appointed under the Alternative Investment Fund Managers Directive (2011/61/EU), EU Regulation 231/2013 and any legislation or rule implementing Directive 2011/61/EU in any member state of the European Union; (viii) the information is or becomes publicly available other than by breach of the Confidentiality Agreement or this Agreement; (ix) the other Party has given prior written consent to the disclosure or use; or (x) the information is independently developed after Closing; provided that prior to disclosure or use pursuant to (i) or (iii) of this Section 5.10(b), the Party concerned shall, where not prohibited by Laws, consult with the other Party to the extent reasonably practicable.

Section 5.11 Non-Solicitation. Seller agrees that for a period commencing on the date of this Agreement and expiring on the third (3rd) anniversary of the Closing Date (or, if a shorter period is required by Law, then the longest period legally permitted by applicable Law), Seller shall not (and shall cause its Subsidiaries and Affiliates and any Person acting on Seller's or any of its Subsidiary's or Affiliate's behalf not to) directly or indirectly induce, encourage or solicit for employment or employ any employee or consultant of Purchaser or any of its Subsidiaries (including the Transferred Subsidiaries and the Miraclon Entities) without obtaining Purchaser's prior written consent. The preceding sentence does not, however, prohibit Seller or its Affiliates from entering into discussions with, soliciting or employing any person (a) who responds to general advertisements for employees in newspapers or other media of general circulation or other general solicitations of employment not specifically directed toward the employees of Purchaser or its Affiliates, (b) whose employment was terminated by Purchaser or its Affiliate prior to such discussions, solicitation or employment, (c) who is contacted by a recruiter (provided, however, that Seller or its Affiliates did not instruct such recruiter to target the Purchaser's or its Affiliates' employees) or (d) who contacts Seller or its Affiliates solely on his or her own initiative.

Section 5.12 No Shop. From the date hereof until the earlier of the termination of this Agreement pursuant to Article IX hereof and the Closing, Seller shall, shall cause its Affiliates to, and shall direct its and their respective Representatives to, cease any and all existing discussions or negotiations (whether direct or indirect) with any Person other than Purchaser, its Affiliates and their respective Representatives with respect to any agreement, submission, offer or proposal for, or any indication of interest with respect to the following: (a) any direct or indirect merger, consolidation, joint venture, partnership, dissolution, share issuance, liquidation, tender offer, recapitalization, reorganization, license, share exchange, business combination, sale, assignment or similar transaction involving the Business or a portion of the Purchased Assets (other than in the ordinary course of business), in each case, other than a transaction involving the sale of Seller as an entity or a sale of all or substantially all of the assets of Seller, or (b) any acquisition by a third-party in any matter, directly or indirectly, by operation of law, purchase, license or otherwise, of any portion of the Purchased Assets (other than sales of products by the Business in the ordinary course of business) or of beneficial ownership of or other interest in any equity securities of any

Selling Subsidiary or Transferred Subsidiary (each of the foregoing clauses (a) and (b), an “**Acquisition Proposal**”), and Seller shall, shall cause its Affiliates to, and shall direct its and their respective Representatives to, not, directly or indirectly: (i) initiate, solicit or facilitate or encourage any inquiries with respect to or the making of any proposal or offer that constitutes or would reasonably be expected to lead to, any Acquisition Proposal; (ii) provide any non-public information to any person or entity for the purpose of making, evaluating or determining whether to make or pursue, any discussions or proposals with respect to any Acquisition Proposal; (iii) enter into, engage in or continue any discussions or negotiations in connection with (or any offer or proposal for) any Acquisition Proposal; or (iv) approve or recommend, or make any public statement regarding, or enter into any agreement, agreement in principle, understanding, term sheet, letter of intent, purchase agreement, option or similar instrument or arrangement relating to any Acquisition Proposal. Seller shall, and shall cause the Selling Subsidiaries and the Transferred Subsidiaries to, promptly (and in no event later than two (2) Business Days after receipt) notify Purchaser in writing of any Acquisition Proposal that is received by Seller, any Selling Subsidiary, any Transferred Subsidiary or any of their respective Affiliates, which notice shall provide a summary of the material terms of such Acquisition Proposal. Notwithstanding the foregoing, nothing in this Section 5.12 shall restrict Seller from taking any action with respect to an acquisition proposal for equity interests or control of Seller, provided that this Agreement remains in full force and effect after giving effect to any such transaction.

Section 5.13 R&W Insurance. Purchaser shall maintain the R&W Insurance Policy in full force and effect and shall not modify, amend or waive the R&W Insurance Policy in any manner adverse to Seller, the Selling Subsidiaries or the Transferred Subsidiaries. Purchaser shall promptly notify Seller of any changes to the R&W Insurance Policy. Subject to Section 10.7, Purchaser shall pay the premium and any other fees and expenses payable to the insurer under the R&W Insurance Policy on or prior to Closing.

Section 5.14 Non-Compete.

(a) Seller acknowledges that it is familiar with the trade secrets related to the Business and with other confidential and proprietary information concerning the Business. Seller acknowledges and agrees that the Business would be irreparably damaged if Seller were to violate the provisions of this Section 5.14(a). Seller further acknowledges and agrees that the covenants and agreements set forth in this Section 5.14(a) were a material inducement to Purchaser to enter into this Agreement and to perform its obligations hereunder, and that Purchaser would not obtain the benefit of the bargain set forth in this Agreement if Seller were to breach the provisions of this Section 5.14(a). Therefore, in further consideration for the payment of the Purchase Price hereunder, and in order to protect the value of the Business acquired by Purchaser hereunder (including the goodwill inherent in the Business), during the Restricted Period, Seller will not, and will cause each of its Subsidiaries not to, directly or indirectly, for its own account or on behalf of or together with any other Person, engage in, participate in, own, manage, control or participate in the ownership, management or control of a Person engaged in (i) the development, manufacture, marketing or sale of Covered Products, or (ii) the sale of spare parts for the provision of repair or maintenance services with respect to equipment constituting Covered Products, in each case, except to the extent permitted under the Seller Allowed Field (collectively, such categories of activity, the “**Seller Excluded Fields**”).

(b) Notwithstanding Section 5.14(a) above, nothing in this Agreement shall restrict Seller or any of its Subsidiaries from (collectively, the categories of activity below, the “***Seller Allowed Fields***”):

(i) developing, manufacturing, marketing or selling any products other than Covered Products or spare parts for or the provision of repair or maintenance services with respect to equipment constituting Covered Products, including developing, manufacturing, marketing and selling any products primarily relating to printing by offset, inkjet, electro photographic, and gravure processes;

(ii) developing any CtP Device or enhancements thereto or modifications thereof that may be useful in imaging any Thermally Imageable Film but are not developed for the purpose of creating such utility or manufacturing, marketing or selling such CtP Device or a CtP Device so enhanced or modified;

(iii) developing or manufacturing a Functional Printing-Related Product; provided, so long as the AM3D Supply Agreement is in effect the foregoing exception for manufacturing shall not permit production scale manufacturing of Thermally Imageable Films or Flexographic Plates being supplied under the AM3D Supply Agreement;

(iv) the internal use of a Covered Product by Seller or its Subsidiary;

(v) marketing or selling any Functional Printing-Related Product to any current or potential, or future, Functional Printing Customer or marketing any Covered Product to any potential Functional Printing Customer (with sales of any Covered Products that are not Functional Printing-Related Products to be sold to Functional Printing Customers by a Person other than Seller or its Subsidiaries);

(vi) the sale of spare parts for the provision of repair or maintenance services with respect to equipment constituting Covered Products to the extent then permitted to be sold pursuant to clause (v) and provided that Covered Products that are not Functional Printing-Related Products are to be sold exclusively by Purchaser;

In the event the A/P VAT Amount for such calendar quarter is greater than the A/R VAT Amount, then Seller shall pay, or cause to be paid, an amount in cash equal to the amount of the excess of the such A/P VAT Amount over such A/R VAT Amount to Purchaser or its designee (as Purchaser shall direct by written notice delivered to Seller) by wire transfer of immediately available funds within thirty (30) days of Seller's receipt of the applicable VAT Statement. The payment of any amounts pursuant to this Section 7.3 shall not be subject to any set-offs, holdbacks or other reductions or restrictions; provided, however, that no payment shall be made pursuant to this Section 7.3 to the extent of the portion of such A/R VAT Amount or A/P VAT Amount reflected in the calculations of Closing Working Capital, as finally determined in connection with the Final Purchase Price.

Section 7.4 Cooperation on Tax Matters. Seller and Purchaser agree to furnish or cause to be furnished to the other, upon request, as promptly as practicable, information and assistance relating to the Business and the Purchased Assets, including access to books and records, including any Tax Records, as is reasonably necessary in connection with (i) the preparation or filing of any Tax Return by Purchaser or Seller, (ii) the making of any Tax election by Purchaser or Seller, (iii) Purchaser or Seller's claim for any Tax refund, (iv) the determination of liability for Taxes, and (v) any audit, examination or other proceeding in respect of Taxes related to the Business or the Purchased Assets.

Seller, Purchaser and their respective Affiliates shall (a) preserve and keep such Tax Records in their possession for a period of not less than the earlier of (i) the expiration of the statute of limitations for the Tax periods to which the Tax Returns and other documents relate or (ii) ten (10) years after the Closing Date, (b) abide by all record retention agreements entered into with any Taxing Authority, and (c) give the other Party reasonable written notice prior to transferring, destroying or discarding any such Tax Records and, if the other Party so requests, Seller and its Subsidiaries, as the case may be, shall allow the other Party to take possession of such Tax Records (in each case, with respect to this Section 7.4(c) other than those included in the Excluded Assets).

Section 7.5 Withholding Taxes. If Purchaser or any Purchaser Affiliate is required by applicable Law to deduct or withhold any Tax from the Purchase Price or other amounts payable hereunder to Seller (“**Tax Withholding**”), Purchaser shall notify Seller of the expected amount of (the “**Tax Withholding Amount**”) and legal basis for such Tax Withholding as soon as reasonably practicable upon becoming aware and in no event less than fifteen (15) Business Days prior to making the applicable payments. If Seller objects to such Tax Withholding to Purchaser within five (5) Business Days of receiving such notice of Tax Withholding, Seller and Purchaser shall negotiate in good faith to attempt to resolve their disagreement and agree on the expected rate and legal basis of any withholding. Should such foregoing negotiations not result in an agreement within five (5) Business Days after receipt by Purchaser of such written objection from Seller, then the Parties shall submit the disputed matter to the Independent Accountant. The Independent Accountant will deliver to Purchaser and Seller a written determination of the disputed items and the Tax Withholding Amount within five (5) Business Days of the submission of the dispute to the Independent Accountant, which determination and Tax Withholding Amount shall be final, binding and conclusive on the Parties absent a contrary claim by a relevant Taxing Authority. All fees and expenses relating to the work, if any, to be performed by the Independent Accountant pursuant to this Section 7.5 shall be borne equally by Purchaser, on the one hand, and Seller, on the other hand. If Seller becomes aware of any Tax Withholding, Seller shall notify Purchaser of the Tax Withholding Amount and legal basis for such Tax Withholding as soon as reasonably practicable upon becoming aware. If a payment is to be made hereunder by Purchaser or any Purchaser Affiliate is subject to Tax Withholding, Purchaser or Purchaser Affiliate shall be entitled to deduct and withhold the Tax Withholding Amount as determined pursuant to Section 7.5 from such payment, and shall timely pay any withheld amounts to the appropriate Taxing Authority. Notwithstanding any other provision of this Agreement, to the extent that such Tax Withholding Amount is so withheld by Purchaser and paid over to the appropriate Taxing Authority, such Tax Withholding Amount shall be treated for all purposes of this Agreement as having been paid to Seller. Seller shall cooperate in good faith with Purchaser and provide Purchaser with Tax forms and other information as may be reasonably required to avoid or reduce any withholding Tax on the payments pursuant to this Agreement. Purchaser shall, within a reasonable period of time, furnish Seller with such evidence as may be required by the applicable Taxing Authorities to establish that any such Tax has been paid. If Seller determines in good faith that a reasonable basis exists for contesting the Tax that Purchaser deducted or withheld, Purchaser shall cooperate as reasonably requested by Seller in challenging such Tax, with the expenses incurred as a result of such challenge to be borne solely by Seller.

Section 7.6 Miraclon Entities and Transferred Subsidiaries Tax Returns. The Purchaser shall prepare or cause to be prepared and file or cause to be filed all Tax Returns for the Miraclon Entities or the Transferred Subsidiaries for any Pre-Closing Tax Period and Straddle Period that are required to be filed after the Closing Date. Purchaser shall cause such Tax Returns to be delivered to Seller for its review and comment at least forty-five (45) days prior to the due date for filing such Tax Returns (taking into account any applicable extensions of time to file). Purchaser shall consider in good faith the reasonable comments of Seller provided to Purchaser in writing no later than twenty (20) days prior to the due date for filing the relevant Tax Return and attempt in good faith to resolve any disputed items, and shall file such Tax Returns and pay to the relevant Taxing Authority all Taxes shown as due on such Tax Returns within the time and in the manner prescribed by Law. To the extent that the Purchaser and Seller are unable to resolve any disputed items prior to fifteen (15) days before the due date for filing the relevant Tax Return, the parties shall refer such disputed items to the Independent Accountant, and the determination of the Independent Accountant shall be final and binding on the parties, and the relevant Tax Return shall be filed in a manner consistent with such determination. All fees and expenses relating to the work, if any, to be performed by the Independent Accountant pursuant to this Section 7.6, shall be borne by the parties in inverse proportion to the extent to which they prevail with respect to the items in dispute.

Section 7.7 Survival; Tax Matters Coordination. The indemnification obligations under this Article VII and the representations and warranties set forth in Section 3.17 shall survive until sixty (60) days following the expiration of the applicable statutory periods of limitation (including any extensions mutually agreed by Seller and Purchaser), and all other covenants and agreements contained in this Article VII shall survive the Closing in accordance with their terms. Notwithstanding anything to the contrary in this Agreement, (i) indemnification with respect to Taxes and the procedures relating thereto shall be governed exclusively by this Article VII, Section 8.1, Section 8.2, Section 8.5 and the expressly applicable loss limitation provisions of Section 8.4(c), Section 8.4(e) and Section 8.4(f), and (ii) the provisions of Article VIII (other than Section 8.1, Section 8.2, Section 8.5 and the expressly applicable loss limitation provisions of Section 8.4(c), Section 8.4(e) and Section 8.4(f)) shall not apply to indemnification with respect to Taxes or the procedures relating thereto.

Section 7.9 Section 338 Election.

(a) At the option of Purchaser, Purchaser shall make, or shall cause its Affiliates to make, a timely election under Section 338(g) of the Code (a “**Section 338(g) Election**”) with respect to the purchase and sale of any of the Miraclon Entities or the Transferred Subsidiaries.

(b) At the option of Purchaser, Miraclon Corporation and Seller shall join with Purchaser in making a timely election under Section 338(h)(10) of the Code (and any corresponding election under state, local and foreign Law) with respect to the purchase and sale of the US Miraclon Shares hereunder (collectively, a “**Section 338(h)(10) Election**”).

(c) If a Section 338(g) Election is made with respect to any Miraclon Entity or a Transferred Subsidiary, or a Section 338(h)(10) Election is made with respect to Miraclon Corporation, then Seller and Purchaser shall prepare a purchase price allocation statement with respect to such entity in accordance with the procedures analogous to those set forth in Section 2.9(b); provided that for purposes of this section, such allocation statement shall be prepared by the later of (i) one hundred twenty (120) Business Days after the Closing Date or (ii) thirty (30) Business Days after Seller receives notification from Purchaser of Purchaser’s intention to make such an election.

ARTICLE VIII

SURVIVAL; INDEMNIFICATION

Section 8.1 Survival of Representations and Warranties.

(a) Subject to Section 7.7 and Section 8.1(b), each representation and warranty contained in Article III, Article IV and the certificates delivered pursuant to Section 6.2(d) and Section 6.3(c) shall survive the Closing and shall terminate on the date that is twelve (12) months following the Closing Date. Subject to Section 7.7, the covenants and agreements contained in this Agreement (A) that are required to be performed in whole on or prior to the Closing shall terminate on the Closing and (B) that require performance after the Closing Date shall survive the Closing until the date or dates expressly specified therein or, if not so specified, until fully performed in accordance with their terms.

(b) The obligations to indemnify and hold harmless a Party hereto in respect of a breach of representation or warranty, covenant or agreement shall terminate on the applicable survival termination date (as set forth in Section 7.7 and Section 8.1(a)), unless an Indemnified Party shall have incurred a Loss prior to such applicable survival termination date and provided notice with respect to a potential claim for indemnification pursuant to Section 8.2 or Section 8.3 prior to such survival termination date, as applicable, by delivering a Claim Certificate to the Indemnifying Party. If an Indemnified Party has provided notice with respect to a claim for indemnification pursuant to Section 8.2 or Section 8.3 and delivered a Claim Certificate to the Indemnifying Party prior to such survival termination date, then the applicable representation, warranty, covenant, agreement or other obligation underlying the claim asserted in such Claim Certificate and all indemnity obligations under this Article VIII or Article VII related thereto shall survive with respect to such claim in such Claim Certificate until the claim has been finally resolved.

Section 8.2 Indemnification by Seller. Subject to the limitations set forth in this Article VIII and Section 7.7, from and after the Closing, Seller agrees to indemnify, defend and hold Purchaser, each of its Affiliates (including the Miraclon Entities and the Transferred Subsidiaries) and each of their respective Representatives (the “**Purchaser Indemnitees**”) harmless from and against any and all Losses suffered or incurred by any Purchaser Indemnitee to the extent arising out of or resulting from:

- (a) any breach or inaccuracy of any representations or warranties of Seller set forth in Article III or in the certificate delivered pursuant to Section 6.3(c);
- (b) any breach by or failure of Seller (prior to, at or after the Closing) to perform any of its covenants or other agreements contained in this Agreement;
- (c) any Retained Liability (including any Liability of a Transferred Subsidiary or a Miraclon Entity that is a Retained Liability);

(d) any Indemnified Taxes; and

(e) a Third-Party Claim brought after the Closing Date involving any Purchaser Indemnitee to the extent such Third-Party Claim arises out of or relates to Seller's or its Affiliates' ownership or operation of businesses other than the Business (other than pursuant to any Closing Agreements and excluding any Losses to the extent arising out of or related to any Assumed Liability or Purchaser's and its Affiliates' operation of the Business or ownership of the Purchased Assets).

Section 8.3 Indemnification by Purchaser. Subject to the limitations set forth in this Article VIII and Section 7.7, from and after the Closing, Purchaser agrees to indemnify, defend and hold Seller, its Affiliates and each of their respective Representatives (the "**Seller Indemnitees**") harmless from and against any and all Losses suffered or incurred by any Seller Indemnitee to the extent arising out of or resulting from:

(a) any breach or inaccuracy of any representations or warranties of Purchaser set forth in Article IV or in the certificate delivered pursuant to Section 6.2(d);

(b) any breach by or failure of Purchaser to perform any of its covenants or other agreements contained in this Agreement;

(c) any Assumed Liability (including any Liability of a Transferred Subsidiary or a Miraclon Entity that is an Assumed Liability); and

(d) a Third-Party Claim brought after the Closing Date involving any Seller Indemnitee to the extent such Third-Party Claim arises out of or relates to the ownership or operation of the Business or Purchased Assets (including any Deferred Items) after the Closing.

Section 8.4 Limitations on Indemnification. The party making a claim for indemnification under this Article VIII is referred to herein as the "**Indemnified Party**," and the party against whom such claims for indemnification are asserted under this Article VIII is referred to herein as the "**Indemnifying Party**." Notwithstanding anything herein to the contrary, the indemnification obligations of an Indemnifying Party pursuant to this Agreement shall be subject to the following limitations:

(a) **De Minimis Claim.** No Indemnifying Party shall be liable to an Indemnified Party for, and no Indemnified Party shall be entitled to, any indemnification for a Loss pursuant to Section 8.2(a) (other than with respect to breaches of the Seller Fundamental Representations) or Section 8.3(a) (other than with respect to breaches of the Purchaser Fundamental Representations), as the case may be, if, with respect to any individual item of Loss, such item (or series of items arising from similar underlying issues, facts, claims or breaches) is less than \$75,000 (each, a "**De Minimis Claim**");

(b) **Deductible.** No Indemnifying Party shall be liable to an Indemnified Party for, and no Indemnified Party shall be entitled to, any indemnification for Losses pursuant to Section 8.2(a) (other than with respect to breaches of the Seller Fundamental Representations) or Section 8.3(a) (other than with respect to breaches of the Purchaser Fundamental Representations), as the case may be, unless the aggregate of all indemnifiable Losses in respect of indemnification pursuant to Section 8.2(a) or Section 8.3(a), as the case may be, would exceed on a cumulative basis \$1,700,000.

(c) Maximum Amount.

(i) The maximum amount of indemnifiable Losses that Seller as the Indemnifying Party shall be liable for, or that may be recovered by the Purchaser Indemnitees from Seller as an Indemnifying Party, in the aggregate, pursuant to Section 8.2(a) (other than with respect to breaches of the Seller Fundamental Representations or Fraud of Seller in making the representations and warranties contained in Article III or the certificate delivered pursuant to Section 6.2(d)) shall be an amount equal to \$1,700,000 (such amount, the “**Cap**”). If the Cap is not sufficient to satisfy the aggregate amount of indemnifiable Losses pursuant to Section 8.2(a), the sole and exclusive recourse of the Purchaser Indemnitees with respect to such Losses exceeding the Cap (other than with respect to breaches of the Seller Fundamental Representations or Fraud of Seller in making the representations and warranties contained in Article III or the certificate delivered pursuant to Section 6.2(d)) shall be to seek recovery under the R&W Insurance Policy; provided, however, that with respect to indemnifiable Losses pursuant to Section 8.2(a) with respect to breaches of the Seller Fundamental Representations or Fraud of Seller in making the representations and warranties contained in Article III or the certificate delivered pursuant to Section 6.2(d), the Purchaser Indemnitees shall first seek recovery for such Losses under the R&W Insurance Policy and, to the extent coverage is not provided under the R&W Insurance Policy, shall be entitled to recover such Losses from Seller. Following the Closing, Purchaser shall not amend, modify or waive any terms or conditions of the R&W Insurance Policy in an adverse manner to Seller, without the prior written consent of Seller.

(ii) The maximum amount of indemnifiable Losses that Purchaser as the Indemnifying Party shall be liable for, or that may be recovered by the Seller Indemnitees from Purchaser as the Indemnifying Party, in the aggregate, pursuant to Section 8.3(a) (other than with respect to breaches of the Purchaser Fundamental Representations or Fraud of Purchaser in making the representations and warranties contained in Article IV or the certificate delivered pursuant to Section 6.3(c)) shall be an amount equal to \$1,700,000.

(iii) The maximum amount of indemnifiable Losses that an Indemnifying Party shall be liable for, or that may be recovered by an Indemnified Party, in the aggregate pursuant to this Agreement shall be the Final Purchase Price.

(d) Insurance and Other Payments. Payments by an Indemnifying Party pursuant to Section 8.2 or Section 8.3 in respect of any Loss shall be limited to the amount of any Liability that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or similar payment (in each case, net of costs of collection or recovery) actually received by the Indemnified Party (or its Subsidiaries) under insurance policies or from third parties (other than the Indemnifying Party) in respect of any such claim. In the event that an insurance payment is received by the Indemnified Party with respect to any Loss for which it has been indemnified pursuant to this Article VIII, then a refund equal to the aggregate amount of such payment (net of costs of collection or recovery) shall be paid promptly in immediately available funds to the Indemnifying Party that provided such indemnification to the Indemnified Party.

(e) No Duplication. The Indemnified Parties shall not be entitled to recover more than once for the same Loss.

(f) Other Matters. No indemnity may be sought hereunder in respect of any Loss to the extent such Loss (but only to the extent that the amount of such Loss) is reflected in the calculations of the Closing Indebtedness and the Closing Working Capital, in each case, as finally determined in connection with the Final Purchase Price

Section 8.5 Materiality Qualifiers(a) .

(a) Other than with respect to the representations or warranties contained in Section 3.8(a), Section 3.19 and Section 3.27, for the purposes of determining the existence of a breach and quantifying the amount of Losses that are the subject matter of a claim for indemnification related thereto, each representation and warranty shall be read without regard and without giving effect to the terms “material,” “Material Adverse Effect,” “material adverse effect,” or other variations of the words “material” or “material adverse effect” contained in such representation or warranty (as if such words, phrases and related clauses were deleted from such representation and warranty and, in the case of “Material Adverse Effect” or “material adverse effect,” as if such words read as “adverse effect”).

Section 8.6 Indemnification Procedures.

(a) An Indemnified Party shall deliver a written certificate signed by an authorized officer of such Indemnified Party (any certificate delivered in accordance with the provisions of this Section 8.6(a), a “**Claim Certificate**”) to the Indemnifying Party, as promptly as reasonably practicable after it acquires actual knowledge of any fact, event or circumstance giving rise to a claim for Losses pursuant to this Article VIII; provided, however, that the failure to so notify an Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder, except, and only to the extent, that the Indemnifying Party forfeits rights or defenses by reason of such failure or such failure to give notice materially prejudices the Indemnifying Party’s defense of such claim. Each Claim Certificate, to the extent reasonably known, shall:

(i) state that such Indemnified Party has a claim for indemnification pursuant to this Article VIII and expressly identify the provisions of this Agreement upon which such claim for indemnification is made in reasonable detail (including the specific representations, warranties, covenants and/or agreements that are alleged to be inaccurate or alleged to have been breached);

(ii) specify in reasonable detail the nature of, the facts, circumstances and legal basis for, the amount of, or a good faith estimate of the amount of, the potential Losses to which such Indemnified Party claims to be entitled to receive; and

(iii) specify in reasonable detail (based upon the information then possessed by such Indemnified Party) the facts known to such Indemnified Party giving rise to such claim.

(b) If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement (a “**Third-Party Claim**”) against such Indemnified Party with respect to which the Indemnifying Party may be obligated to provide indemnification under this Agreement, such Indemnified Party shall deliver a Claim Certificate promptly after becoming aware of the Third-Party Claim; provided, however, that the failure to so notify an Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder, except, and only to the extent, that the Indemnifying Party forfeits rights or defenses by reason of such failure or such failure to give notice materially prejudices the Indemnifying Party’s defense of such claim. Within twenty (20) Business Days after delivery of such Claim Certificate, the Indemnifying Party may elect (by written notice delivered to the Indemnified Party) to assume the defense of the Third-Party Claim, at its sole cost and expense, with counsel reasonably satisfactory to the Indemnified Party; provided, however, the Indemnifying Party shall not be entitled to assume the defense (unless otherwise agreed to in writing by the Indemnified Party) if (i) the Third-Party Claim is a criminal Action or (ii) the Third-Party Claim seeks (in whole or in part) an injunction or non-monetary or equitable relief against the Indemnified Party. If the Indemnifying Party assumes the defense of the Third-Party Claim, the Indemnified Party shall cooperate in good faith in such defense, and the Indemnifying Party shall not be liable to the Indemnified Party under this Article VIII for any fees or expenses of other counsel incurred by the Indemnified Party in connection with the defense of such Third-Party Claim during such period that the Indemnifying Party has so assumed such defense (it being understood, however, that the Indemnified Party shall be entitled to participate in the Third-Party Claim at its sole cost and expense); provided, however, the Indemnified Party shall be entitled to participate in such settlement or defense through counsel of its own choosing (plus one local counsel) at the Indemnifying Party’s expense and shall provide the Indemnified Party with reasonable access to all relevant information and documentation relating to the Third-Party Claim and the prosecution or defense thereof.

(c) If the Indemnifying Party does not provide written notice to the Indemnified Party of its election to assume such Third-Party Claim within such twenty (20) Business Day period, the Indemnified Party shall be entitled to handle the prosecution or defense of such Third-Party Claim without prejudice to the ability of the Indemnified Party to enforce its claim for indemnification against the Indemnifying Party hereunder and will permit the Indemnifying Party, at the Indemnifying Party’s sole cost and expense, to participate in such prosecution or defense and will provide the Indemnifying Party with reasonable access to all relevant information and documentation relating to the Third-Party Claim and the prosecution or defense thereof.

(d) The Indemnifying Party will not pay, or permit to be paid, or compromise or settle or admit any Liability with respect to any part of the Third-Party Claim, unless (i) the Indemnified Party consents in writing to such payment or (ii) (A) the relief for such Third-Party Claim consists solely of money damages, and such settlement does not provide for injunctive or other nonmonetary relief or otherwise require the Indemnified Party or any of its Affiliates to perform any covenant or refrain from engaging in any activity, (B) the Indemnifying Party will satisfy in full all monetary Liability and damages due to the applicable third-party claimant or plaintiff immediately upon such settlement and (C) such compromise or settlement includes a full general, unconditional release of all Indemnified Parties and their Affiliates by all parties to the matter from all Liability with respect to such Third-Party Claim. If the Indemnified Party has assumed the defense of the Third-Party Claim, it shall not compromise or settle or admit any Liability with respect to any part of such Third-Party Claim without the prior written consent of the Indemnifying Party, such consent not to be unreasonably withheld, conditional or delayed.

(e) In all cases, each Indemnifying Party and Indemnified Party shall provide its reasonable cooperation in defense of claims or litigation relating to Third-Party Claims, including by providing each other with reasonable access to relevant books, records and documentation. If the party in control of the prosecution or defense of a Third-Party Claim fails to diligently prosecute or defend or withdraws from the defense of any such Third-Party Claim, the other party may defend against such matter in a manner consistent with the above provisions regarding conduct of the defense by the Indemnifying Party, including that the Indemnifying Party may not settle any such matter without the written consent of the Indemnified Party.

Section 8.7 Mitigation. The Indemnified Party shall (i) use its commercially reasonable efforts to recover under insurance policies for any Losses, (ii) use its commercially reasonable efforts to recover indemnity contribution or similar payments under Contracts with third parties and (iii) mitigate Losses to the extent required by applicable law, in each case, as it would if such Loss were not subject to indemnification pursuant to this Article VIII.

Section 8.8 Treatment of Indemnification Payments. The Parties agree that any indemnification payment made pursuant to this Agreement shall be treated for Tax purposes as an adjustment to the Final Purchase Price, unless otherwise required by applicable Law.

Section 8.9 Exclusive Remedy. Except as otherwise expressly provided in Section 2.8, Article VII and Section 10.14, from and after the Closing, the indemnification provided in this Article VIII, subject to the limitations set forth herein, shall be the exclusive remedy available to any party in connection with any Losses arising out of or resulting from this Agreement and the transactions contemplated hereby. Each Party acknowledges and agrees that it and any of the Purchaser Indemnitees and the Seller Indemnitees may not avoid any limitation on Liability by (a) seeking damages for breach of contract or tort or pursuant to any other theory of Liability, all of which are hereby waived, or (b) asserting or threatening any claim against any Person that is not a party hereto (or a successor to a Party hereto) for breaches of the representations, warranties and covenants contained in this Agreement. EACH PARTY AND EACH OF THE PURCHASER INDEMNITEES AND THE SELLER INDEMNITEES EXPRESSLY WAIVES ALL RIGHTS AFFORDED BY ANY STATUTE THAT LIMITS THE EFFECT OF A RELEASE WITH RESPECT TO UNKNOWN CLAIMS. EACH PARTY AND EACH OF THE PURCHASER INDEMNITEES AND THE SELLER INDEMNITEES UNDERSTANDS THE SIGNIFICANCE OF THIS RELEASE OF UNKNOWN CLAIMS AND WAIVER OF STATUTORY PROTECTION AGAINST A RELEASE OF UNKNOWN CLAIMS. EACH OF THE PURCHASER INDEMNITEES AND THE SELLER INDEMNITEES ACKNOWLEDGES AND AGREES THAT THIS WAIVER IS AN ESSENTIAL AND MATERIAL TERM OF THIS AGREEMENT. The Parties agree that the provisions in this Agreement relating to indemnification, and the limits imposed on the Purchaser Indemnitees' and the Seller Indemnitees' remedies with respect to this Agreement and the transactions contemplated hereby (including Section 8.4), were specifically bargained for among sophisticated Parties and were specifically taken into account in the determination of the amounts to be paid to Seller hereunder. The foregoing notwithstanding, nothing in this Article VIII shall limit or restrict the ability or right of any Party hereto to seek injunctive or other equitable relief for any breach or alleged breach of any provision of this Agreement or to pursue a claim in respect of Fraud.

ARTICLE IX

TERMINATION

Section 9.1 Termination. This Agreement may be terminated, and the transactions contemplated by this Agreement may be abandoned, at any time prior to the Closing as follows:

(a) by written agreement of Purchaser and Seller;

(b) by either Purchaser or Seller, by giving written notice of such termination to the other, if the Closing shall not have occurred on or prior to 5:30 P.M., prevailing Eastern Time, on July 11, 2019 (the “**End Date**”); provided, however, that if, on the initial End Date, all conditions set forth in Article VI have been satisfied (other than those conditions that by their nature are to be satisfied at the Closing, but subject to those conditions being capable of being satisfied), then the End Date shall be extended to the first Business Day of the month following the delivery of the Estimated Closing Statement by Seller in accordance with the terms of this Agreement, in which case the End Date shall be deemed for all purposes to be such later date; provided, however, further, that neither Seller nor Purchaser may terminate this Agreement pursuant to this Section 9.1(b) if it is in breach of any of its representations, warranties, covenants or other agreements contained in this Agreement, including such Party’s failure to satisfy any condition to the Closing that is within the control of such Party, and such breach causes, or results in, either (i) the failure to satisfy the conditions to the obligations of the terminating Party to consummate the transactions contemplated by this Agreement set forth in Article VI prior to the End Date or (ii) the failure of the Closing to have occurred prior to the End Date; provided, however, further, that the End Date shall be deemed to be extended in the event that either Purchaser or Seller is seeking specific performance to cause the Closing to occur pursuant to Section 10.15;

(c) by either Purchaser or Seller, by giving written notice of such termination to the other, if any court of competent jurisdiction or other competent Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law then in effect, issued an Order or taken any other action permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement, in each case, such that the conditions set forth in Section 6.1(a) would not be satisfied, and such Law, Order or other action shall have become final and nonappealable; provided, however, that the Party seeking to terminate this Agreement pursuant to this Section 9.1(c) shall have complied in all material respects with its obligations under Section 5.3 and Section 5.5;

(d) by written notice from Purchaser following a breach of any covenant or agreement of Seller contained in this Agreement, or if any representation or warranty of Seller contained in this Agreement shall be or shall have become inaccurate, in either case, such that any of the conditions set forth in Section 6.2(a) and Section 6.2(b) is incapable of being satisfied, and such breach or inaccuracy is not cured as of the earlier of (i) the End Date and (ii) thirty (30) days after written notice of such breach from Purchaser is received by Seller; provided, however, that the right to terminate this Agreement pursuant to this Section 9.1(d) shall not be available to Purchaser if Purchaser is then in material breach of any representations, warranties, covenants or agreements contained in this Agreement and such breach causes, or results in, either (i) the failure to satisfy the conditions to the obligations of Purchaser to consummate the transactions contemplated by this Agreement set forth in Article VI prior to the End Date or (ii) the failure of the Closing to have occurred prior to the End Date; or

(e) by written notice from Seller following a breach of any covenant or agreement of Purchaser contained in this Agreement, or if any representation or warranty of Purchaser contained in this Agreement shall be or shall have become inaccurate, in either such case, such that any of the conditions set forth in Section 6.3(a) or Section 6.3(b) is incapable of being satisfied, and such breach or inaccuracy is not cured as of the earlier of (i) the End Date and (ii) thirty (30) days after written notice of such breach from Seller is received by Purchaser; provided, however, that the right to terminate this Agreement pursuant to this Section 9.1(e) shall not be available to Seller if Seller is then in material breach of any representations, warranties, covenants or agreements contained in this Agreement and such breach causes, or results in, either (i) the failure to satisfy the conditions to the obligations of Seller to consummate the transactions contemplated by this Agreement set forth in Article VI prior to the End Date or (ii) the failure of the Closing to have occurred prior to the End Date.

Section 9.2 Effect of Termination.

(a) In the event of the termination of this Agreement in accordance with Section 9.1, this Agreement shall thereafter become void and have no effect, and no Party shall have any Liability to the other Party or their respective Affiliates, directors, officers or employees except for the obligations of the Parties contained in this Section 9.2 and in Section 5.1, Section 5.10, Section 10.1, Section 10.4, Section 10.6, Section 10.7 and Section 10.8 and except that nothing herein will relieve any Party from Liability for any willful and material breach of any of its covenants or other agreements contained in this Agreement prior to such termination. If all of the conditions to Closing set forth in Section 6.1 and Section 6.2 have been satisfied and continue to be satisfied (other than conditions that, by their nature, are to be satisfied at Closing), Purchaser's failure to consummate the transactions contemplated by this Agreement will be deemed a willful and material breach of this Agreement by Purchaser. For the purposes of this Agreement, "willful and material breach" shall mean a material breach that is a consequence of an act or failure to act by the breaching Party with knowledge (actual or constructive) that the taking of such act or the failure to take such act would, or would reasonably be expected to, cause a breach of this Agreement.

(b) The Parties acknowledge and agree that nothing in this Section 9.2 shall be deemed to affect their respective rights to specific performance under Section 10.14, including Seller's or Purchaser's right to specifically enforce the other Party's obligations to consummate the transactions contemplated hereby in accordance with Section 10.14.

Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by both Parties, or in the case of a waiver, by the Party against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 10.3 Assignment. No Party to this Agreement may assign any of its rights or obligations under this Agreement without the prior written consent of the other Party; provided, however, that, Purchaser may, without the prior written consent of any party, assign all or any portion of its rights or obligations under this Agreement to any Affiliate of Purchaser now in, or hereinafter to come into, existence or any Person from which it has borrowed money and Seller may, without the prior written consent of any party, assign all or any portion of its rights or obligations under this Agreement to any Persons from which it or its Subsidiaries have borrowed money; provided, further, however, that no such assignment by Purchaser shall relieve Purchaser of its obligations hereunder. Section 10.5 Parties in Interest. This Agreement shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to confer upon any Person other than the Parties or their successors or permitted assigns any rights or remedies under or by reason of this Agreement.

Section 10.6 Public Disclosure. Notwithstanding anything herein to the contrary, each of Purchaser and Seller agrees that, except as may be required to comply with the requirements of any applicable Laws and the rules and regulations of each stock exchange upon which the securities of such Party or its Affiliates is listed, if any, and other than the Announcement, which shall be made on the date of this Agreement, no press release or similar public announcement or communication (including on any website or in social media) shall be made by such Party or any of its Affiliates concerning the execution or performance of this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the non-disclosing Party (which approval shall not be unreasonably withheld, delayed or conditioned) except that no Party shall be required to obtain the approval of the other Party pursuant to this Section 10.6 if all of the information about this Agreement or the transactions contemplated hereby that is contained in any proposed release or announcement includes information that has previously been made public without breach by such Party of the obligations under this Section 10.6.

Section 10.7 Expenses. The filing fees with regards to the Required Regulatory Approvals and the premium and underwriting fees with respect to the R&W Insurance Policy shall be borne by Purchaser; provided, however, that up to \$1,241,150 of such premium shall be paid by Seller but in no event shall Seller be obligated to pay any fees with respect to the R&W Insurance Policy in excess of \$1,241,150, in the aggregate. Except as set forth in this Section 10.7 and as otherwise expressly provided in this Agreement, whether or not the transactions contemplated by this Agreement are consummated, all costs and expenses incurred in connection with this Agreement, the Closing Agreements and the transactions contemplated hereby and thereby shall be borne by the Party incurring such expenses.

Section 10.8 Governing Law; Submission to Jurisdiction; Selection of Forum; Waiver of Jury Trial.

(a) Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any party, shall be governed exclusively by the Laws of the State of New York applicable to contracts made and to be performed in such state and without regard to the rules of conflict of Laws of any other jurisdiction.

(b) To the fullest extent permitted by applicable Law, each party: (i) agrees that any claim or Action by such party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the transactions contemplated hereby shall be brought only in the Federal Courts in the Southern District of New York and the state courts of the State of New York, County of New York (collectively, the “**Applicable Courts**”), and shall not be brought, in each case, in any other court in the United States or elsewhere; (ii) irrevocably submits to the jurisdiction of the Applicable Courts; (iii) waives and agrees not to assert any objection that it may now or hereafter have to the laying of the venue of such claim or Action brought in any such court or any claim that any such claim or Action brought in such court has been brought in an inconvenient forum or in a court that does not have jurisdiction over any party; (iv) agrees that the mailing of process or other papers in connection with any such claim or Action in the manner provided in Section 10.1 or any other manner as may be permitted by Law shall be valid and sufficient service thereof; and (v) agrees that a final judgment with respect to such claim or in any such Action shall be conclusive and may be enforced in any other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

Section 10.11 Schedules. From time to time prior to the Closing, Seller may supplement the Seller Disclosure Letter to reflect matters, events or circumstances occurring or arising subsequent to the date of this Agreement (each a “**Schedule Supplement**”), except that Seller may not supplement or amend Section 3.19 of the Seller Disclosure Letter. No Schedule Supplement shall be delivered later than the tenth (10th) Business Day prior to the Closing Date.

Section 10.12 Joint Negotiation. The Parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 10.13 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (i) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (ii) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 10.14 Specific Performance. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement and the Equity Commitment Letter were not performed in accordance with their specific terms or were otherwise breached (including Section 5.14). Accordingly, each of the Parties shall be entitled to equitable relief to prevent or remedy breaches of this Agreement or the Equity Commitment Letter, without the proof of actual damages, including in the form of an injunction or injunctions or orders for specific performance in respect of such breaches. Each Party hereby waives any requirement for the security or posting of any bond in connection with any such equitable remedy. If any Party brings any Action to enforce, specifically, the performance of the terms and provisions of this Agreement or the Equity Commitment Letter by any other Party requiring such Party to proceed to Closing in accordance with this Section 10.14, the End Date shall automatically be extended by (x) the amount of time during which such Action is pending, plus twenty (20) Business Days, or (y) such other time period established by the Applicable Court presiding over such Action.

2.1 Earn-Out Payments

Subject to the Closing having occurred, as additional consideration for the Transferred Shares, Miraclon Shares and Purchased Assets, Purchaser shall pay to Seller:

- 2.1.1** in respect of the 2018 Calculation Period, an amount equal \$10,000,000, if both:
- (i) EBITDA for such 2018 Calculation Period is equal to or exceeds \$34,100,000; and
 - (ii) Pre-Corporate Costs EBITDA for such Calculation Period is equal to or exceeds \$42,800,000;
- 2.1.2** in respect of the 2019 Calculation Period, an amount equal to \$10,000,000 if EBITDA for such Calculation Period is equal to or exceeds the amount equal to the sum of:
- (i) \$41,700,000; plus
 - (ii) the amount (if any) by which the sum of the Corporate Costs and Intercompany Recharges in respect of the period commencing January 1, 2019 and ending on the Closing Date is less than the sum of the Corporate Costs and Intercompany Recharges in respect of the relevant corresponding period in the 2018 Calculation Period; and
- 2.1.3** in respect of the 2020 Calculation Period, an amount equal to \$15,000,000 if EBITDA for such Calculation Period is equal to or exceeds \$48,900,000,

in each case, in accordance with Section 3 and subject to Section 5.1.

2.2 EBITDA

- 2.2.1** Subject to Sections 2.2.2 and 2.2.3, "**EBITDA**" means earnings (loss) before income taxes plus adjustments to add back interest, depreciation and amortization, in each case:
- (i) derived from the applicable Consolidated Financial Statements for the relevant Calculation Period;
 - (ii) prepared in good faith in accordance with the requirements of all applicable Laws and the accounting policies, bases, methods, practices and procedures adopted in the preparation of the Reference Financial Statements, applied on a consistent basis;
 - (iii) in respect of the 2019 Calculation Period and the 2020 Calculation Period, if Purchaser has converted its reporting standard from US GAAP to IFRS, following a reconciliation of the relevant audited Consolidated Financial Statements from IFRS to US GAAP, prepared in good faith applying the accounting policies, bases, methods and practices and procedures adopted in the Reference Financial Statements (an "**IFRS/GAAP Reconciliation**");

- (iv) to the extent not inconsistent with Section 2.2.1(ii) and Section 2.2.1(iii), prepared in accordance with the requirements of all applicable Laws and US GAAP, in each case in force as of December 31, 2017;
- (v) no deduction shall be made for any management or oversight fees or general overhead expenses, charged by Purchaser or its Affiliates to the Business; and

2.2.2 EBITDA shall be adjusted (without duplication and to the extent included in determining EBITDA in accordance with Section 2.2.1) to exclude:

- (i) any EBITDA which arises as a consequence of any reorganization, joint venture, merger, acquisition or transaction involving the direct or indirect acquisition or disposal of any shares or business, in each case, outside of the ordinary course of business;
- (ii) any gains or losses attributable to sales of assets outside of the ordinary course of business of the Business;
- (iii) any amounts reflected in the calculations of the Closing Indebtedness and the Closing Working Capital, in each case, as finally determined in connection with the Final Purchase Price, any Purchase Price amounts or transaction expenses payable by Purchaser or its Affiliates pursuant to the terms of the SAPA (including any amounts payable by Purchaser pursuant to Section 5.16 thereof), any amounts included in a prior Calculation Period's Final EBITDA, or any Liabilities with respect to any Earn-Out Payment, such that there shall be no double counting of such amounts;
- (iv) any adjustments to EBITDA resulting from equity-based compensation; and
- (v) costs and expenses arising from (a) transitioning accounting standard from GAAP to IFRS and (b) reconciliations from GAAP to IFRS or IFRS to GAAP.

2.2.3 Any amounts payable or paid under the Closing Agreements shall be taken into account in determination of EBITDA, regardless of whether such amounts are satisfied via prepayment and the USD 15,000,000 prepayment shall only impact cash flow and have no impact on profitability.

2.2.4 For purposes of this Agreement, EBITDA shall be stated in dollars and, if Purchaser has converted from reporting in dollars to reporting in EUR, EBITDA for the relevant Calculation Period (as derived from the relevant Consolidated Financial Statements and expressed in EUR) shall be converted to dollars based on the average of the exchange rates published by Reuters during the relevant Calculation Period.

3 Notice; Payment

- 3.1.1** Purchaser shall provide written notice (each, an “**Earn-Out Notice**”) to Seller setting forth its good faith calculation (including reasonable supporting detail with respect to such calculation) of the amounts due pursuant to Section 2.1:
- (i) in the case of any Earn-Out Payment in respect of the 2018 Calculation Period no later than the later of (i) the Closing Date and (ii) ninety (90) calendar days following delivery by the Seller of the Consolidated Financial Statements with respect to the 2018 Calculation Period;
 - (ii) in the case of any Earn-Out Payment in respect of the 2019 Calculation Period or the 2020 Calculation Period, no later than ninety (90) calendar days following delivery of the Consolidated Financial Statements with respect to the end of the relevant Calculation Period.
- 3.1.2** Unless Purchaser’s Earn-Out Notice provides for the maximum potential Earn-Out Payment with respect to the applicable Calculation Period, upon receipt from Purchaser of each Earn-Out Notice, Seller shall have thirty (30) calendar days to review the Earn-Out Notice. Seller and its accountants and financial and other advisors may make reasonable inquiries of Purchaser and/or Purchaser’s Representatives regarding questions concerning or disagreements with the applicable Earn-Out Notice arising in the course of Seller’s review. If Purchaser’s Earn-Out Notice provides for the maximum potential Earn-Out Payment with respect to the applicable Calculation Period, then no such thirty (30) day period shall be necessary and Purchaser shall pay such maximum potential Earn-Out Payment with respect to such Calculation Period within ten (10) Business Days of delivery of such Earn-Out Notice provided in Section 3.1.3. During such review period, Purchaser shall provide Seller and its Representatives reasonable access during normal business hours, upon reasonable advance notice, to the premises, books and records and Representatives of the Business and Purchaser to the extent such materials relate to the calculation of the applicable Earn-Out Notice for the purpose of completing Seller’s review of such Earn-Out Notice. Purchaser shall cooperate in good faith and promptly respond to reasonable requests in accordance with this Section 3.1.2. Promptly following completion of its review (but in no event later than the conclusion of the thirty (30) day period), Seller may submit to Purchaser a letter regarding its concurrence or disagreement with the accuracy of the applicable Earn-Out Notice; provided, however, that any such letter must specify: (i) the items of such Earn-Out Notice with which Seller disagrees; (ii) the adjustments that Seller proposes to be made such Earn-Out Notice (a “**Disputed Earn-Out Item**”); and (iii) the specific amount of such disagreement and reasonable supporting documentation and calculations thereof, in each case, to the extent known. If Seller does not deliver a letter disagreeing with the accuracy of an Earn-Out Notice before the conclusion of the applicable thirty (30) day period, such Earn-Out Notice shall be final, binding and conclusive upon the Parties, and Seller shall be deemed to have agreed with all items and amounts contained in such Earn-Out Notice. If Seller does deliver such a letter, following such delivery, Seller and Purchaser shall attempt in good faith to resolve promptly any disagreement as to the computation of any item in the applicable Earn-Out Notice. Any items as to which there is no disagreement shall be deemed agreed. If a resolution of such

disagreement has not been effected within fifteen (15) days (or longer, as mutually agreed by the Parties) after delivery of such letter, then Seller and Purchaser shall submit any such remaining Disputed Earn-Out Item to the Independent Accountant for determination. The determination of the Independent Accountant, acting as an expert and not an arbitrator, with respect to any Disputed Earn-Out Item shall be completed within thirty (30) days of submission of such Disputed Earn-Out Item to the Independent Accountant (or longer, as mutually agreed by the Parties), shall be determined in accordance with this Agreement and shall be final, binding and conclusive upon Seller and Purchaser absent manifest error. The Independent Accountant shall adopt a position within the range of positions submitted by Seller and Purchaser with respect to any Disputed Earn-Out Item. The Independent Accountant shall not review any line items or make any determination with respect to any matter other than with respect to the remaining Disputed Earn-Out Items. Any fees and expenses relating to the engagement of the Independent Accountant shall be borne pro rata by Purchaser, on the one hand, and Seller, on the other hand, in proportion to the difference between the EBITDA and the EBITDA that would have resulted from the use of the proposed calculations of one of the Parties. For example, if the EBITDA calculated in the applicable Earn-Out Notice delivered by Purchaser pursuant to Section 3.1.1 was \$1,000,000 less than the EBITDA (as finally determined), but the EBITDA that would have resulted based on the adjustments set forth in the Seller's Disputed Earn-Out Items delivered by Seller pursuant to Section 3.1.2 was \$500,000 more than the EBITDA (as finally determined), Purchaser will pay 2/3 of such fees and expenses, and Seller, will pay 1/3 of such fees and expenses. The final determination of EBITDA in accordance with this Section 3.1.2 and as adjusted pursuant to this Agreement is each referred to as the "**Final EBITDA**".

- 3.1.3** Within ten (10) Business Days after the determination of the Final EBITDA for a Calculation Period (or simultaneously with the delivery of Purchaser's Earn-Out Notice if such Earn-Out Notice provides for the maximum potential Earn-Out Payment with respect to the applicable Calculation Period), if Purchaser is required to pay any amounts pursuant to Section 2.1 (each an "**Earn-Out Payment**"), then Purchaser shall pay to Seller such Earn-Out Payment in cash by wire transfer of immediately available funds to the bank account of Seller set forth on Schedule 1 or such other bank account specified by Seller.

4 Ordinary Course Operations

Prior to Closing, Seller shall not, directly or indirectly, take any actions with the purpose of making more likely any Earn-Out Payment to be required to be paid hereunder where such Earn-Out Payment would not otherwise be required to be paid in the ordinary course of business. Following Closing, Purchaser shall not, directly or indirectly, take any actions with the purpose of making less likely any Earn-Out Payment to be required to be paid hereunder where such Earn-Out Payment would otherwise be required to be paid in the ordinary course of business. Subject to the terms of this Agreement (including the preceding sentence) and the other Transaction Documents, following the Closing, Purchaser shall have sole discretion with regard to all matters relating to the operation of the Business and has no obligation to operate the Business in order to achieve any Earn-Out Payment.

5 General Provisions

5.1 Right of Set-off

Purchaser shall have the right, upon prior notice to Seller, to set off any unpaid obligation of Seller due and owing to Purchaser or any Affiliate of Purchaser against any obligations of Purchaser or any Affiliate of Purchaser owing to Seller hereunder in each case, to the extent (a) such obligation of Seller has been agreed in writing by Seller or (b) such obligation of Seller has been finally determined by a court of competent jurisdiction to be owed by Seller; provided, however, that in such event the obligation shall be set off (x) first against any amounts owing in U.S. dollars and (y) after any amounts owing in U.S. dollars have been set off against, then against amounts owing in local currency. The provisions of this Section 5.1 are not exclusive and shall be in addition to and shall not limit in any way the rights of setoff Purchaser may have as a matter of law or otherwise.

5.2 No Security

The Parties understand and agree that (a) the contingent rights to receive any Earn-Out Payment shall not be represented by any form of certificate or other instrument, are not transferable, except by operation of Laws, pursuant to financing agreement collateral requirements, or in connection with a sale or transfer of all or substantially all of Seller's assets, and do not constitute an equity or ownership interest in Purchaser or the Business, (b) Seller shall not have any rights as a securityholder of Purchaser or the Business as a result of Seller's contingent right to receive any Earn-Out Payment hereunder, and (c) no interest is payable with respect to any Earn-Out Payment.

5.3 Successors of Purchaser

In the event of any (i) consolidation or merger of the Business with or into any other Person, (ii) sale of substantially all of the assets of the Business to any other Person or (iii) other similar transaction, the provisions of this Agreement shall similarly apply to such successor Persons consolidating, merging, acquiring or otherwise entering into a similar transaction with the Business. Purchaser shall not effect any such consolidation, merger, sale or similar transaction unless, prior to the consummation thereof, such successor Person (if other than the Purchaser) resulting from such consolidation, merger, sale or similar transaction, shall assume, by operation of Law or written instrument substantially similar in form and substance to this Agreement and satisfactory to Seller, the obligation to deliver to Seller the Earn-Out Payments, which, in accordance with this Agreement, Seller shall continue to be entitled to receive.

Kodak Reaches Agreement with Montagu for Sale of its Flexographic Packaging Division

ROCHESTER, N.Y., November 12, 2018 — Eastman Kodak Company has entered into a definitive agreement to sell its Flexographic Packaging Division to Montagu Private Equity LLP, a leading private equity firm. After closing, the business will operate as a new standalone company which will develop, manufacture and sell flexographic products, including the flagship KODAK FLEXCEL NX System, to the packaging print segment.

Under its new ownership, the business will have the same organizational structure, management team and growth culture that has served Kodak's Flexographic Packaging Division well in recent years. Chris Payne, who has served as President of the Flexographic Packaging Division for the last three years, will lead the new company as CEO.

Kodak's Flexographic Packaging Division is an excellent example of Kodak incubating and bringing disruptive innovation to the marketplace. Over the past five years, the Flexographic Packaging business has grown and thrived within Kodak, and has become a significant player in the packaging print industry. The business will be well-positioned to continue delivering solutions to maintain profitable growth for printers in the packaging sector and remain at the leading edge of flexographic print production.

Kodak expects to receive total value of up to \$390 million, comprised of the following components: (1) base purchase price of \$340 million, subject to purchase price adjustments; (2) potential earn-out payments of up to \$35 million over the period through 2020 based on achievement by the business of agreed-upon performance metrics; and (3) \$15 million payable by Montagu to Kodak at the closing as a prepayment for various services and products to be provided by Kodak to the business post-closing pursuant to commercial agreements, subject to completion of certain pledge and collateral arrangements.

The net proceeds from the transaction will be used by Kodak to reduce outstanding term debt. The Company expects that the remaining outstanding term debt will be refinanced and/or repaid using cash proceeds from additional asset monetizations.

“This transaction is an important turning point in our transformation and is a significant, positive development for Kodak,” said Jeff Clarke, CEO, Kodak. “The sale of the Flexographic Packaging Division unlocks value for shareholders and strengthens our financial position by providing a meaningful infusion of cash which allows us to reduce debt, improving the capital structure of the Company and enabling greater flexibility to invest in our growth engines.”

Kodak remains committed to the print industry and delivering products and services which meet the evolving needs of printers. Following this transaction, Kodak will continue to focus on the demonstrated growth areas of SONORA environmental plates, enterprise inkjet, workflow software and brand licensing. The Company is well-positioned for the future by leveraging these growth engines and continuing to maximize value in commercial printing, film and advanced materials.

The transaction is expected to close in the first half of 2019, subject to the receipt of required regulatory approvals and satisfaction of closing conditions.

UBS Investment Bank acted as exclusive financial advisor and Akin Gump Strauss Hauer & Feld LLP acted as legal advisor to Kodak for the transaction. Ernst & Young acted as financial advisor, Bain & Co. acted as commercial advisor and Linklaters LLP acted as legal advisor to Montagu for the transaction.
