- [] Pre-commencement communications pursuant to Rule 13e-4(c)under the Exchange Act (17 CFR 240.13e-4(c))

Amendment No. 1

On June 27, 2007, Eastman Kodak Company ("Kodak") furnished a Current Report on Form 8-K under Item 7.01 to report, for informational purposes, the results of operations reflecting the realignment of Kodak's segment structure and presenting the Health Group as a discontinued operation. The information by segment provided in that Form 8-K for the year ended December 31, 2005 did not accurately reflect the reallocation of certain operating and administrative costs resulting from the change in segment structure. Accordingly, this Amendment No. 1 on Form 8-K/A is being furnished to correct the segment information for the year ended December 31, 2005 (see page 10). This Form 8-K/A supersedes the Form 8-K furnished on June 27, 2007 and replaces it in its entirety. All other information provided in this amendment remains unchanged from the information previously furnished.

ITEM 7.01 Regulation FD Disclosure.

Eastman Kodak Company (the Company) realigned its operations effective January 1, 2007, and changed its corporate segment reporting structure beginning with the first quarter of 2007, as disclosed in the Company's first quarter 2007 Form 10-Q.

In addition, on April 30, 2007, the Company completed the sale of its Health Group to an affiliate of Onex Corporation, as reported in the Company's Form 8-K filed on May 4, 2007.

Accounting Principles Generally Accepted in the United States of America require that when a company changes its reportable segments or when a component of an entity, such as the Health Group, has been reported as a discontinued operation, financial statements for prior periods must be reported on a comparable basis using the new segment reporting structure or presenting the financial results of the component in discontinued operations.

As a result of these requirements, the prior period comparable information for the first quarter of 2006 included in the Company's first quarter 2007 Form 10-Q was reported: (1) using the new reportable segment structure, and (2) presenting the Health Group as a discontinued operation. The purpose of this Form 8-K/A is to present, for informational purposes, the results of operations for the second, third, and fourth quarters of 2006, and full year 2006 and 2005, reflective of the changes referred to above.

The results of operations presented in this Form 8-K/A for the three and six months ended June 30, 2006, the three and nine months ended September 30, 2006, and the three months (on a condensed basis) ended December 31, 2006 will be reported in the Company's Form 10-Q for the second quarter of 2007, the Form 10-Q for the third quarter of 2007, and the 2007 Form 10-K, respectively, when these Forms are filed with the Securities and Exchange Commission. The results of operations presented in this Form 8-K/A for the full years ended December 31, 2006 and 2005 will be reported in the 2007 Form 10-K, when it is filed with the Securities and Exchange Commission.
