Item 1.01 Entry into a Material Definitive Agreement**Purchase Agreement**

On May 20, 2019, Eastman Kodak Company (the “Company”) and Longleaf Partners Small Cap Fund, C2W Partners Master Fund Limited and Deseret Mutual Pension Trust, which are investment funds managed by Southeastern Asset Management, Inc. (the “Purchasers”), entered into a Notes Purchase Agreement (the “Purchase Agreement”) pursuant to which the Company agreed to issue and sell to the Purchasers, and the Purchasers agreed to purchase from the Company, \$100 million aggregate principal amount of the Company’s 5.00% Secured Convertible Notes due 2021 (the “Notes”) in a private placement transaction, for a purchase price of \$100 million. The Company intends to use the net proceeds from the issuance and sale of the Notes to prepay the approximately \$83 million of first lien term loans outstanding under the Senior Secured First Lien Term Credit Agreement, dated as of September 3, 2013, by and among the Company, the lenders from time to time parties thereto, and JPMorgan Chase Bank, N.A., as administrative agent (the “Term Loan Agreement”), and the remainder for general corporate purposes. The Purchasers also hold all outstanding shares of the Company’s 5.50% Series A Convertible Preferred Stock (the “Series A Preferred Stock”), which vote with the shares of common stock on an as-converted basis, and are holders of shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), as described below.

The Purchase Agreement provides for the entry into a registration rights agreement at the closing of the issuance and sale of the Notes, which will provide the Purchasers with customary registration rights in respect of the shares of the Common Stock issuable upon conversion of the Notes.

The Purchase Agreement contains other terms customary for private investments in public companies, including representations, warranties, covenants and closing conditions. The closing conditions under the Purchase Agreement include entry by the shareholders who are not affiliated with the Purchasers holding a majority of the outstanding shares of Common Stock not held by the Purchasers into support agreements (together, the “Shareholder Support Agreements”) pursuant to which such shareholders agree to execute a written consent approving the issuance of the Notes, the conversion feature of the Notes and the issuance of the Common Shares issuable upon conversion of the Notes, and related matters. The Company expects the closing to occur in the second quarter of 2019.

Prior to the issuance of the Notes, the Purchasers beneficially own 4,960,000 shares of Common Stock, representing 11.53% of the shares of Common Stock outstanding, and 2,000,000 shares of Series A Preferred Stock, which vote with the Common Stock on an as-converted basis and represent 26.73% of the shares of Common Stock outstanding. The Common Stock and Series A Preferred Stock currently held by the Purchasers represents 30.19% of the current voting power of the outstanding capital stock of the Company. On an as-converted basis, the Notes will represent approximately 31,497,850 shares of Common Stock, or 42.28% of the shares of Common Stock outstanding after giving effect to the issuance and conversion. Assuming the issuance of the Notes and based on the current number of shares of Common Stock outstanding, the Purchasers would beneficially own 48.94% of the shares of Common Stock outstanding and their shares of Series A Preferred Stock will vote with the shares of Common Stock on an as-converted basis, representing an aggregate of 55.76% of the voting power of the outstanding capital stock of the Company. As a result, the issuance of the Notes may be considered to represent a change in control of the Company.

The Company's proxy statement for its 2019 Annual Meeting of Shareholders describes any arrangements or understandings with the Purchasers with respect to the election of directors and other matters under "Certain Relationships and Related Transactions—Interested Transactions" and that disclosure is hereby incorporated into this Item 1.01 by reference. The Purchasers will fund the purchase of the Notes from funds of Southeastern's investment advisory clients.

In connection with the issuance and sale of the Notes, the Company and the Subsidiary Guarantors intend, at or prior to the closing of the issuance and sale of the Notes, to enter into an amendment (the "ABL Amendment") to the Amended and Restated Credit Agreement, dated as of May 26, 2016, among the Company, the Subsidiary Guarantors, the lenders party thereto, Bank of America, N.A., as administrative and collateral agent (the "Agent"), and Bank of America, N.A. and JPMorgan Chase Bank, N.A., as joint lead arrangers and joint bookrunners (the "ABL Credit Agreement"), with the Agent and the Required Lenders as such term is defined in the ABL Credit Agreement. The ABL Amendment is expected to amend the ABL Credit Agreement to, among other things, permit the incurrence of the Notes.

Form of the Convertible Notes

The Notes will bear interest at a rate of 5.00% per annum, which will be payable in cash on their maturity date and, at the option of the Company, in either cash or additional shares of Common Stock on any conversion date. The maturity date of the Notes will initially be November 1, 2021, which may be extended at the Company's option by up to three years in the event that the Series A Preferred Stock is refinanced with debt or equity or the mandatory redemption date of the Series A Preferred Stock is extended.

The Notes will be guaranteed by all of the subsidiaries of the Company that currently guarantee the Term Loan Agreement and the ABL Credit Agreement (the "Subsidiary Guarantors"), and will be secured by a second priority lien on certain receivables, inventory and other assets of the Company and the Subsidiary Guarantors in which the lenders under the ABL Credit Agreement have a first priority security interest.

Holders of the Notes will have the right to elect at any time to convert their Notes into shares of Common Stock at a conversion rate equal to 314.9785 shares of Common Stock per each \$1,000 principal amount of Notes (based on a conversion price equal to \$3.17482 per share of Common Stock (the "Conversion Price"), which represents a 10% premium to the volume weighted average price of the shares of Common Stock for the five day trading period ended on April 9, 2019) (the "Conversion Rate"). The Conversion Rate and Conversion Price will be subject to certain customary anti-dilution adjustments.

If the closing price of the Common Stock equals or exceeds 150% of the then-effective Conversion Price for 45 trading days within any period of 60 consecutive trading days, with the last trading day of such 60 day period ending on the trading day immediately preceding the business day on which the Company issues a press release announcing the mandatory conversion, the Company may elect to convert all outstanding Notes into shares of Common Stock at the Conversion Rate then in effect.

In the event of certain fundamental transactions, the Purchasers will have the right, within a period of 30 days following the occurrence of such transaction ("Holder Fundamental Transaction Election Period"), to elect to either convert all or a portion of the Notes into shares of Common Stock at the Conversion Rate then in effect, or to receive the shares of a successor entity, if any, or the Company, and any additional consideration receivable as a result of such fundamental transaction. In addition, the Company will have the option, for a period of 30 days after the expiration of the Holder Fundamental Transaction Election Period, to repay all of the remaining outstanding Notes at par, plus accrued and unpaid interest.

In order to comply with the rules of the New York Stock Exchange and applicable New Jersey law, the right of the holders of Notes to convert their Notes into shares of Common Stock will not be effective until the Company has obtained approval from (i) holders of a majority of the voting stock of the Company and (ii) holders of a majority of the voting stock of the Company not beneficially owned by the Purchasers, of the issuance of the Notes, the conversion feature of the Notes and the issuance of the shares of Common Stock issuable upon conversion of the Notes, and such approval has become effective (pursuant to the requirements of Section 14 of the Securities Exchange Act 1934, as amended, and the rules and regulations promulgated thereunder by the Securities and Exchange Commission (the "Exchange Act")). The Company expects to receive this approval pursuant to written consent as contemplated by the Shareholder Support Agreements. The Company also plans to file an Information Statement on Schedule 14C pursuant to the requirements of Exchange Act.

Amendment to Shareholder Agreement

On May 20, 2019, the Company and the Purchasers entered into an amendment (the "Standstill Waiver") to the Shareholder Agreement, dated as of April 17, 2019 (the "Shareholder Agreement"), among the Company and the Purchasers. The Standstill Waiver amends the Shareholder Agreement to permit the Purchasers to acquire the shares of Common Stock issuable upon conversion of the Notes.

The disclosures concerning the Purchase Agreement, the terms of the Notes and the ABL Amendment contained in Item 1.01, above, are hereby incorporated into this Item 2.03 by reference.

5.4 No order of any court, arbitrator or governmental or regulatory authority of competent jurisdiction or other applicable law shall be in effect which makes the Closing illegal, restrains, enjoins or otherwise prohibits or prevents or purports to prohibit or prevent the Closing.

6. Conditions to Purchaser's Obligation to Purchase. The obligation of each Purchaser hereunder to purchase the Securities at the Closing is subject to the satisfaction, on or before the Closing Date, of each of the following conditions; provided, that these conditions are for each Purchaser's sole benefit and may be waived by each Purchaser at any time in its sole discretion:

6.1 Company shall have executed this Agreement, the Note, and the Security Agreement and delivered the same to each Purchaser.

6.7 The Purchasers shall have received the following documents and instruments (each in form and substance reasonably satisfactory to the Purchasers):

d) copies of the ABL Agreement and all amendments thereto (including, without limitation, an amendment to the ABL Agreement dated as of or prior to the Closing Date, permitting the issuance of the Notes and related matters), certified by a senior financial officer of the Company as being true, correct and complete;

f) a certificate of a senior financial officer of the Company who is familiar with the historical and current financial condition of the Company and each subsidiary thereof and has reviewed the financial information and projections with respect thereto, certifying as to the solvency of the Company and its subsidiaries on a consolidated basis, both before and after giving effect to the consummation of the transactions contemplated by this Agreement and the other Transaction Documents on the Closing Date; and

6.8 Company shall have delivered to each Purchaser a certificate of a senior financial officer of the Company certifying that after giving effect to the consummation transactions contemplated by the this Agreement and the other Transaction Documents on the Closing Date (a) the representations and warranties of the Company and any other Grantor (as defined in the Security Agreement) contained in the Transaction Documents shall be true, correct and complete in all material respects (except to the extent qualified by materiality, in which case such representations and warranties shall be true and correct in all respects); provided that any representation or warranty as of a specific date shall only be true or correct in all material respects as of such date, and (b) no Event of Default (as defined in the Notes) shall have occurred and be continuing.

7. Reservation of Shares. From and after the date of receipt of the Shareholder Approval, the Company will reserve shares of Common Stock from its authorized and unissued Common Stock in such amount as may then be required to provide for all issuances of Common Stock under the Notes (the "**Share Reserve**"). Company shall further require the Transfer Agent to hold the shares of Common Stock reserved pursuant to the Share Reserve exclusively for the benefit of the Purchasers and to issue the corresponding shares to each Purchaser promptly upon such Purchaser's delivery of a conversion notice under a Note. Finally, Company shall require the Transfer Agent to issue shares of Common Stock pursuant to the Notes to the Purchasers out of its authorized and unissued shares, and not the Share Reserve, to the extent shares of Common Stock have been authorized, but not issued, and are not included in the Share Reserve.

8. Miscellaneous. The provisions set forth in this Section 8 shall apply to this Agreement, as well as all other Transaction Documents as if these terms were fully set forth therein; provided, however, that in the event there is a conflict between any provision set forth in this Section 8 and any provision in any other Transaction Document, the provision in such other Transaction Document shall govern.

8.1 Governing Law; Venue. This Agreement shall be construed and enforced in accordance with the laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. For any suit, action or other proceeding arising in connection with any of the Transaction Documents (and notwithstanding the terms (specifically including any governing law and venue terms) of any transfer agent services agreement or other agreement between the Transfer Agent and Company, such litigation specifically includes, without limitation, any action between or involving Company and the Transfer Agent under the TA Letter or otherwise related to Purchaser in any way (specifically including, without limitation, any action where Company seeks to obtain an injunction, temporary restraining order, or otherwise prohibit the Transfer Agent from issuing shares of Common Stock to any Purchaser for any reason)), each party hereto hereby (i) consents to and expressly submits to the exclusive jurisdiction of the state courts of New York and to the jurisdiction of the United States District Court for the Southern District of New York, (ii) expressly submits to the exclusive venue of any such court for the purposes hereof, (iii) agrees to not bring any such action (specifically including, without limitation, any action where Company seeks to obtain an injunction, temporary restraining order, or otherwise prohibit the Transfer Agent from issuing shares of Common Stock to any Purchaser for any reason) outside of the state courts of New York or the United States District Court for the Southern District of New York, and (iv) waives any claim of improper venue and any claim or objection that such courts are an inconvenient forum or any other claim, defense or objection to the bringing of any such proceeding in such jurisdiction or to any claim that such venue of the suit, action or proceeding is improper or that the Transaction Documents or the subject matter thereof may not be enforced in or by such court. Finally, Company covenants and agrees to name each Purchaser as a party in interest in, and provide written notice to each Purchaser in accordance with Section 8.8 below prior to bringing or filing, any action (including, without limitation, any filing or action against any person or entity that is not a party to this Agreement, including without limitation the Transfer Agent) that is related in any way to the Transaction Documents or any transaction contemplated herein or therein, including without limitation, any action brought by Company to enjoin or prevent the issuance of any shares of Common Stock to each Purchaser by the Transfer Agent, and further agrees to timely name each Purchaser as a party to any such action. Company acknowledges that the governing law and venue provisions set forth in this Section 8.1 are material terms to induce each Purchaser to enter into the Transaction Documents and that but for Company's agreements set forth in this Section 8.1, each Purchaser would not have entered into the Transaction Documents.

8.2 Remedies. Any Person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. Furthermore, Company recognizes that in the event that it or any subsidiary fails to perform, observe, or discharge any or all of its or such subsidiary's (as the case may be) obligations under the Transaction Documents, any remedy at law would be inadequate relief to the Purchasers. Company therefore agrees that the Purchasers shall be entitled to specific performance and/or temporary, preliminary and permanent injunctive or other equitable relief from any court of competent jurisdiction in any such case without the necessity of proving actual damages and without posting a bond or other security. The remedies provided in this Agreement and the other Transaction Documents shall be cumulative and in addition to all other remedies available under this Agreement and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief).

8.3 Counterparts. Each Transaction Document may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument. The parties hereto confirm that any electronic copy of another party's executed counterpart of a Transaction Document (or such party's signature page thereof) will be deemed to be an executed original thereof.

8.4 Headings. The headings of this Agreement are for convenience of reference only and shall not form part of, or affect the interpretation of, this Agreement.

8.5 Severability. In the event that any provision of this Agreement is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform to such statute or rule of law. Any provision hereof which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision hereof.

8.6 Entire Agreement. This Agreement, together with the other Transaction Documents, contains the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither Company nor any Purchaser makes any representation, warranty, covenant or undertaking with respect to such matters. For the avoidance of doubt, all prior term sheets or other documents between Company and the Purchasers, or any affiliate thereof, related to the transactions contemplated by the Transaction Documents (collectively, "**Prior Agreements**"), that may have been entered into between Company and the Purchasers, or any affiliate thereof, are hereby null and void and deemed to be replaced in their entirety by the Transaction Documents. To the extent there is a conflict between any term set forth in any Prior Agreement and the term(s) of the Transaction Documents, the Transaction Documents shall govern.

8.7 Amendments and Waivers. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the parties hereto. No waiver of any provision or consent to any prohibited action shall constitute a waiver of any other provision or consent to any other prohibited action, whether or not similar. No waiver or consent shall constitute a continuing waiver or consent or commit a party to provide a waiver or consent in the future except to the extent specifically set forth in writing.

8.8 Notices. Any notice required or permitted hereunder shall be given in writing (unless otherwise specified herein) and shall be deemed effectively given on the earliest of: (i) the date delivered, if delivered by personal delivery as against written receipt therefor or by email to an executive officer named below or such officer's successor, or by facsimile (with successful transmission confirmation which is kept by sending party), (ii) the earlier of the date delivered or the third calendar day after deposit, postage prepaid, in the United States Postal Service by certified mail, or (iii) the earlier of the date delivered or the third calendar day after mailing by express courier, with delivery costs and fees prepaid, in each case, addressed to each of the other parties thereunto entitled at the following addresses (or at such other addresses as such party may designate by five (5) calendar days' advance written notice similarly given to each of the other parties hereto):

8.9 Successors and Assigns. This Agreement or any of the severable rights and obligations inuring to the benefit of or to be performed by each Purchaser hereunder may not be assigned by a Purchaser, in whole or in part, without the Company's prior written consent. Company may not assign its rights or obligations under this Agreement or delegate its duties hereunder without the prior written consent of the Purchasers.

8.10 No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

8.11 Survival. The representations and warranties of Company and the Purchasers contained in or made pursuant to this Agreement shall not survive the Closing or termination of this Agreement. Company agrees to indemnify and hold harmless each Purchaser and all its officers, directors, employees, attorneys, and agents for loss or damage arising as a result of or related to any breach or alleged breach by Company of any of its representations, warranties and covenants set forth in this Agreement or any of its covenants and obligations under this Agreement, including advancement of expenses as they are incurred.

8.12 Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

8.13 Purchasers' Rights and Remedies Cumulative. All rights, remedies, and powers conferred in this Agreement and the Transaction Documents are cumulative and not exclusive of any other rights or remedies, and shall be in addition to every other right, power, and remedy that Purchaser may have, whether specifically granted in this Agreement or any other Transaction Document, or existing at law, in equity, or by statute, and any and all such rights and remedies may be exercised from time to time and as often and in such order as Purchaser may deem expedient.

8.14 Attorneys' Fees. In the event of any action at law or in equity to enforce or interpret the terms of this Agreement or any of the other Transaction Documents, the parties agree that the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

8.15 Waiver of Jury Trial. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ANY AND ALL RIGHTS SUCH PARTY MAY HAVE TO DEMAND THAT ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT, OR THE RELATIONSHIPS OF THE PARTIES HERETO BE TRIED BY JURY. THIS WAIVER EXTENDS TO ANY AND ALL RIGHTS TO DEMAND A TRIAL BY JURY ARISING UNDER COMMON LAW OR ANY APPLICABLE STATUTE, LAW, RULE OR REGULATION. EACH PARTY FURTHER REPRESENTS AND WARRANTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY IS KNOWINGLY AND VOLUNTARILY WAIVING SUCH PARTY'S RIGHT TO DEMAND TRIAL BY JURY FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

8.16 Time is of the Essence. Time is expressly made of the essence with respect to each and every provision of this Agreement and the other Transaction Documents.

3.3 Reliance on Note Register. Prior to due presentment for transfer to the Company of this Note, the Company and any agent of the Company may treat the person in whose name this Note is duly registered on the Note Register as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note is overdue, and neither the Company nor any such agent shall be affected by notice to the contrary.

4. Company Covenants. Following the Closing Date, and until all of Company's obligations under all of the Transaction Documents are paid and performed in full (other than contingent obligations for which no claim has been made), or within the time frames otherwise specifically set forth below, Company will at all times comply with the following covenants:

4.1 Dividends and Distributions. Company shall not, directly or indirectly, (i) declare or pay any dividend or distribution (whether in cash, securities or other property) on, or (ii) redeem, repurchase or otherwise acquire, or pay or make any monies available for a sinking fund for, any Common Stock without the prior written consent of the Required Holders; provided that the foregoing limitations shall not apply to (x) redemptions, purchases or other acquisitions of shares of Common Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors, managers or consultants of, or to, the Company or any of its subsidiaries; (y) an exchange, redemption, reclassification or conversion of any class or series of Common Stock for any class or series of Common Stock that ranks equal or junior to the applicable class or series of Common Stock; or (z) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks equal or junior to the applicable stock on which the dividend is being paid.

4.2 Additional Debt. Other than Permitted Debt, Company shall not, and shall not permit any of its subsidiaries to, enter into, create, incur or otherwise assume, any debt for borrowed money, without the prior written consent of the Required Holders, which consent shall not be unreasonably withheld, delayed or conditioned.

4.3 Additional Liens. 4.4 Reporting.

- (a) So long as each Holder beneficially owns any of the Securities and for at least twenty (20) Trading Days thereafter, Company will timely file on the applicable deadline all reports required to be filed with the U.S. Securities and Exchange Commission pursuant to Sections 13 or 15(d) of the Securities Exchange Act, and will take all reasonable action under its control to ensure that adequate current public information with respect to Company, as required in accordance with Rule 144 promulgated under the Securities Act (or a successor rule thereto) (“**Rule 144**”), is publicly available, and will not terminate its status as an issuer required to file reports under the Exchange Act even if the Exchange Act or the rules and regulations thereunder would permit such termination.
- (b) As soon as practicable and in any event within five (5) Business Days after the Company has knowledge of the occurrence of any Event of Default, Company shall furnish to Holder a statement of an officer of the Company setting forth details of such Event of Default and the action that the Company has taken and/or proposes to take with respect thereto.
- (c) The Company shall provide notice to the Holder within three (3) Business Days of the execution, delivery, or receipt by the Company of any material amendment, consent, waiver or modification to the ABL Agreement or any material agreement related thereto, along with copies of all such documents, agreements or instruments executed, delivered, or received in connection therewith.

4.5 Dispositions. The Company shall not Dispose of any assets, or permit any of its subsidiaries to dispose of any assets, in each case, without the prior written consent of the Required Holders, other than (i) as permitted pursuant to Section 5.02(e) of the ABL Agreement as in effect on the date hereof, and without regard to any amendment or waiver of such provisions hereafter and (ii) the disposition previously identified to the Holders as “Project Dragon”, provided, that no dispositions related to Project Dragon shall be permitted under this Note until such time as “Project Dragon” shall have been approved by the Board of Directors of the Company (including affirmative votes in favor thereof of Jeffrey D. Engelberg and R. Todd Bradley, or such successor directors agreed upon by the Company and Southeastern).

5. Holder Optional Conversions.

5.1 Holder Conversions. Subject to Section 5.2 and Section 13 below, Holder has the right at any time after the Effective Date until the Outstanding Balance has been paid in full (other than during any Fundamental Transaction Prepayment Election Period), at its election, to convert (a “**Holder Conversion**”) all or any portion of the Outstanding Balance into shares (the shares received in each instance of conversion being referred to herein as “**Conversion Shares**”) of fully paid and non-assessable common stock, \$0.01 par value per share (“**Common Stock**”), of Company as per the following conversion formula: the number of Conversion Shares equals the portion of the Outstanding Balance being converted (the “**Conversion Amount**”) divided by \$1,000, and multiplied by the Conversion Rate.

5.2 Fundamental Transaction Conversions.

(a) Upon occurrence of a Fundamental Transaction, Holder has the right to convert all or any portion of the Outstanding Balance as follows: (i) at any time during a Holder Fundamental Transaction Conversion Period, Holder shall have the right to either (1) make a Holder Conversion pursuant to Section 5.1 above or (2) receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the number of shares of common stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “**Alternate Consideration**”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction; and (ii) following the expiration of a Holder Fundamental Transaction Conversion Period and the Fundamental Transaction Prepayment Election Period, in the event that the Company has not elected to exercise the Fundamental Transaction Prepayment Option as set forth in Section 1.3, Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction, the number of shares of common stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any Alternate Consideration receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction.

(b) In the event of a conversion pursuant to clause (a)(i)(2) or clause (a)(ii) above, the determination of the Conversion Rate shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Conversion Rate among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the “**Successor Entity**”) to assume in writing all of the obligations of the Company under this Note and the other Transaction Documents in accordance with the provisions of this Section

pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of Holder, deliver to the Holder in exchange for this Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Note which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Note (without regard to any limitations on the conversion of this Note) prior to such Fundamental Transaction, and with a conversion rate which applies the Conversion Rate hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion rate being for the purpose of protecting the economic value of this Note immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

5.3 Conversion Notices. Conversion notices in the form attached hereto as Exhibit A (each, a "**Holder Conversion Notice**") may be effectively delivered to Company by any method set forth in the "Notices" section of the Purchase Agreement, and all Holder Conversions shall be cashless and not require further payment from Holder. Company shall deliver the Conversion Shares from any Holder Conversion to Holder in accordance with Section 10 below.

5.4 Conversion Rate. The Conversion Rate shall be 314.9785 shares of Common Stock per each \$1,000 principal amount of Notes, as such rate may be adjusted as set forth in this Note (the "**Conversion Rate**").

6. Mandatory Conversions.

6.1 The Company shall have the right, at its option, to cause all of the Outstanding Balance to be converted into Common Stock at the Conversion Rate then in effect, with the number of shares of Common Stock to be issued being equal to the Outstanding Balance divided by \$1,000, and multiplied by the Conversion Rate, and with cash being paid in lieu of any fractional share pursuant to Section 13. The Company may exercise its right to cause a mandatory conversion pursuant to this Section 6 only if the Closing Sale Price of the Common Stock equals or exceeds 150% of the Conversion Price for at least 45 Trading Days (whether or not consecutive) in a period of 60 consecutive Trading Days, including the last Trading Day of such 60-day period, ending on, and including, the Trading Day immediately preceding the Business Day on which the Company issues a press release announcing the mandatory conversion as described in Section 6.2.

6.2 To exercise the mandatory conversion right described in Section 6.1, the Company shall publish a press release on the Company's website or through such other public medium as the Company may use at that time, prior to the open of business on the first Trading Day following any date on which the Company makes a conversion election pursuant to Section 6.1, announcing such a mandatory conversion and including the information specified in Section 6.3. The Company shall also give notice to the Holder pursuant to Section 20 hereof (not later than three Business Days after the date of the press release) of the mandatory conversion announcing the Company's intention to convert the Outstanding Balance. The conversion date with respect to such mandatory conversion will be a date selected by the Company (the "**Mandatory Conversion Date**") and will be no later than 30 calendar days after the date on which the Company issues the press release described in this Section 6.2.

6.3 In addition to any information required by applicable law or regulation, the press release described in Section 6.2 shall state, as appropriate: (i) the Mandatory Conversion Date; (ii) the number of shares of Common Stock to be issued upon conversion of each of the Notes; and (iii) that interest on the Notes will cease to accrue on the Mandatory Conversion Date.

6.4 On and after the Mandatory Conversion Date, interest shall cease to accrue on the Notes called for a mandatory conversion pursuant to this Section 6 and all rights of Holders of such Notes shall terminate except for the right to receive the whole shares of Common Stock issuable upon conversion thereof with a cash payment in lieu of any fractional share of Common Stock in accordance with Section 9 and any accrued and unpaid interest.

7. Defaults and Remedies.

7.1 Defaults. The following are events of default under this Note (each, an "**Event of Default**"): (a) (i) Company fails to pay any principal due under this Note when the same becomes due and payable, (ii) Company fails to pay any interest, fees, charges, or any other amount when due and payable hereunder and such failure is not cured within three (3) Business Days, or (iii) Company fails to pay fees, charges or any other amount when due and payable hereunder and such failure is not cured within three (3) Business Days after notice of such failure is given by the Holder to the Company; (b) Company fails to deliver any Conversion Shares in accordance with the terms hereof and such failure is not cured within three (3) Trading Days; (c) a receiver, trustee or other similar official shall be appointed over Company or a material part of its assets and such appointment shall remain uncontested for twenty (20) days or shall not be dismissed or discharged within sixty (60) days; (d) Company becomes insolvent or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, subject to applicable grace periods, if any; (e) Company makes a general assignment for the benefit of creditors; (f) Company files a petition for relief under any bankruptcy, insolvency or similar law (domestic or foreign); (g) an involuntary bankruptcy proceeding is commenced or filed against Company and is not dismissed within sixty (60) days; (h) (i) Company or any pledgor, trustor, or guarantor of this Note defaults or otherwise fails to observe or perform any term, covenant or agreement contained in Section 4 hereof (other than Section 4.4); or (ii) the Company or any pledgor, trustor, or guarantor of this Note defaults or otherwise fails to observe or perform any other covenant, obligation, condition or agreement of Company or such pledgor, trustor, or guarantor contained herein or in any other Transaction Document, other than those specifically set forth in this Section 7.1 and Section 4 of

the Purchase Agreement and such default or failure remains uncured for a period of ten (10) days after written notice to Company by Holder of such default or failure; (i) any representation, warranty or other statement made or furnished by or on behalf of Company or any pledgor, trustor, or guarantor of this Note to Holder herein, in any Transaction Document, or otherwise in connection with the issuance of this Note is false, incorrect, incomplete or misleading in any material respect when made or furnished; (j) Company fails to maintain the Share Reserve and such failure continues for five (5) days after written notice to Company by Holder of such failure; (k) a final and non-appealable judgment is entered against Company or any of its property or other assets for more than \$25,000,000 and such judgment shall remain unvacated, unbonded or unstayed for a period of sixty (60) days, unless otherwise consent to by Holder; (l) the Company fails to be DWAC Eligible at any time after the six (6) month anniversary of the Closing Date; (m) with respect to any debt for borrowed money of the Company or any of its subsidiaries (excluding the debt outstanding under this Note) that is outstanding in a principal amount of at least (i) \$25,000,000 in the aggregate in the case of debt for borrowed money of the Company or any of its subsidiaries that are Domestic Subsidiaries and (ii) \$50,000,000 in the aggregate in the case of debt for borrowed money of subsidiaries that are Foreign Subsidiaries, (1) the Company or any of its subsidiaries shall fail to pay any principal of or premium or interest on such debt when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in, or agreed to pursuant to the terms of, the agreement or instrument relating to such debt; or (2) any such debt shall be declared to be due and payable, or required to be prepaid or redeemed (other than by a regularly scheduled required prepayment or redemption), purchased or defeased, or an offer to prepay, redeem, purchase or defease such debt shall be required to be made, in each case prior to the stated maturity thereof; provided that in each case of sub-clauses (1) and (2) above, the Event of Default shall be deemed to have been cured if the Company enters into a waiver, amendment or extension with the requisite holders of such debt with respect to such failure or event or condition or such demand, acceleration or mandatory repurchase, prepayment, defeasance or redemption of such debt; and provided further that this clause (m) shall not apply to any of the following events: (1) any change of control offer made within 60 days after an acquisition with respect to the Company or an acquired business, and effectuated pursuant to the applicable debt instrument, (2) any default under debt of an acquired business if such default is cured, or such debt is repaid, within 60 days after the acquisition of such business so long as no other creditor accelerates or commences any kind of enforcement action in respect of such debt, (3) mandatory prepayment requirements arising from the receipt of net cash proceeds from debt, dispositions (including casualty losses, governmental takings and other involuntary dispositions), equity issuances or excess cash flow, (4) prepayments required by the terms of debt as a result of customary provisions in respect of illegality, replacement of lenders and gross-up provisions for taxes, increased costs, capital adequacy and other similar customary requirements and (5) any voluntary prepayment, redemption or other satisfaction of debt that becomes mandatory in accordance with the terms of such debt solely as the result of the Company or any subsidiary delivering a prepayment, redemption or similar notice with respect to such prepayment, redemption or other satisfaction; or (n) any material provision of the Security Agreement or any material provision of any other Transaction Document shall for any reason cease to be valid and binding on or enforceable against the Company, or the Company shall so state in writing.

7.2 Remedies. At any time and from time to time after Holder becomes aware of the occurrence of any Event of Default, the Required Holders may accelerate this Note by written notice to Company, with the Outstanding Balance becoming immediately due and payable in cash. Notwithstanding the foregoing, upon the occurrence of any Event of Default described in clauses (c), (d), (e), (f) or (g) of Section 7.1, the Outstanding Balance as of the date of acceleration shall become immediately and automatically due and payable in cash, without any written notice required by the Required Holders. For the avoidance of doubt, Holder may continue making Holder Conversions at any time following an Event of Default until such time as the Outstanding Balance is paid in full. In connection with acceleration as described herein, the Required Holders need not provide, and Company hereby waives, any presentment, demand, protest or other notice of any kind, and the Required Holders may immediately and without expiration of any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such acceleration may be rescinded and annulled by the Required Holders at any time prior to payment hereunder and Holder shall have all rights as holder of the Note until such time, if any, as Holder receives full payment pursuant to this Section 7.2. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon. The Required Holders may not commence or prosecute the enforcement of, any rights and remedies with respect to the Collateral, in each case, under any Transaction Document or pursuant to any applicable law, including, without limitation, the exercise of any rights of set-off, recoupment or credit bidding, and the exercise of any rights or remedies of a secured creditor under the Uniform Commercial Code, the Bankruptcy Code (including credit bidding rights) or other similar creditors' rights, bankruptcy, insolvency, reorganization or similar laws of any applicable jurisdiction, unless the Required Holders have requested the Collateral Agent to pursue such remedy. Nothing herein shall limit the right of the Required Holders to pursue any other remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to Company's failure to timely deliver Conversion Shares upon Conversion of the Note as required pursuant to the terms hereof.

8. Certain Conversion Rate Adjustments. The Conversion Rate shall be adjusted, without duplication, upon the occurrence of any of the following events:

8.1 If the Company exclusively issues shares of Common Stock as a dividend or distribution on all shares of its Common Stock, or if the Company effects a share split or share combination, the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution, or immediately prior to the open of business on the Adjustment Effective Date of such share split or share combination, as the case may be;

CR1 = the Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Adjustment Effective Date of such share split or share combination, as the case may be;

OS0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend or distribution, or immediately prior to the open of business on the Adjustment Effective Date of such share split or share combination, as the case may be; and

OS1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend or distribution, or such share split or share combination, as the case may be.

Any adjustment made under this Section 8.1 shall become effective immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Adjustment Effective Date for such share split or share combination, as the case may be. If any dividend or distribution of the type described in this Section 8.1 is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors of the Company determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

8.2 If the Company distributes to all or substantially all holders of its Common Stock any rights, options or warrants entitling them, for a period expiring not more than 45 days immediately following the announcement date of such distribution, to purchase or subscribe for shares of its Common Stock at a price per share that is less than the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

CR0 = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such distribution;

CR1 = the Conversion Rate in effect immediately after the close of business on the Record Date for such distribution;

OS0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such distribution;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, divided by the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution.

Any increase made under this Section 8.2 shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the close of business on the Record Date for such distribution. To the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants, the Conversion Rate shall be readjusted, effective as of the date of such expiration, to the Conversion Rate that would then be in effect had the increase with respect to the distribution of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so distributed, the Conversion Rate shall be decreased, effective as of the date the Board of Directors of the Company determines not to make such distribution, to be the Conversion Rate that would then be in effect if such Record Date for such distribution had not occurred. If such rights, options or warrants are only exercisable upon the occurrence of certain triggering events, then the Conversion Rate shall not be adjusted until the triggering events occur.

For purposes of this Section 8.2, in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of Common Stock at less than such average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date of such distribution, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors of the Company.

8.3 If the Company makes distributions to all or substantially all holders of its Common Stock consisting of shares of its capital stock, evidence of debt or other assets or properties, excluding:

- (1) dividends or other distributions (including share splits), rights, options or warrants as to which an adjustment is effected in Section 8.1 or 8.2 above or in Section 8.4 below;
- (2) dividends or other distributions covered by Section 8.4 below; and
- (3) Spin-offs (as defined below) to which the provisions set forth below in this Section 8.3 shall apply,

the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{M}{M - F}$$

where:

CR₀ = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such distribution;

CR₁ = the Conversion Rate in effect immediately after the close of business on the Record Date for such distribution;

M = the average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such distribution; and

F = the fair market value, as determined by the Board of Directors of the Company, of the portion of those assets, securities, rights, warrants or options to be distributed in respect of each share of Common Stock immediately prior to the open of business on the Ex-Date for such distribution.

Any increase pursuant to this Section 8.3 shall become effective immediately after the close of business on the Record Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased, effective as of the date the Board of Directors of the Company determines not to pay or make such distribution, to be the Conversion Rate that would then be in effect if such distribution had not been declared.

Notwithstanding the foregoing, if "F" (as defined above) is equal to or greater than "M" (as defined above), in lieu of the foregoing increase, Holder shall receive, at the same time and upon the same terms as holders of the Common Stock, the amount of cash that such Holder would have received as if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such distribution.

With respect to an adjustment pursuant to this Section 8.3 where there has been a payment of a dividend or other distribution of the Common Stock in shares of capital stock of any class or series, or similar equity interest, of or relating to a subsidiary or other business unit, where such capital stock or similar equity interest is listed or quoted (or will be listed or quoted upon consummation of the spin-off) on a U.S. national securities exchange, which is referred to herein as a "**Spin-off**," the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{F + MP}{MP}$$

where:

CR₁ = the Conversion Rate in effect immediately after the open of business on the effective date for the Spin-off;

CR₀ = the Conversion Rate in effect immediately prior to the open of business on the effective date for the Spin-off;

F = the average of the Closing Sale Prices of the capital stock or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Day period immediately following, and including, the effective date for the Spin-off (such period, the “**Valuation Period**”); and

MP = the average of the Closing Sale Prices of the Common Stock over the Valuation Period.

The adjustment to the Conversion Rate under the preceding paragraph of this Section 8.3 will become effective immediately after the open of business on the day after the last day of the Valuation Period. For purposes of determining the Conversion Rate in respect of any conversion during the 10 Trading Days commencing on the effective date for any Spin-off, references within the portion of this Section 8.3 related to Spin-offs to 10 consecutive Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the effective date for such Spin-off to, but excluding, the relevant Conversion Date.

8.4 If the Company makes any cash dividend or distribution to all or substantially all holders of its Common Stock, the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

CR₀ = the applicable Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or other distribution;

CR₁ = the applicable Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or other distribution;

SP₀ = the average of the Closing Sale Prices of the Company’s Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such dividend or other distribution; and

C = the amount in cash per share the Company pays or distributes to holders of its Common Stock.

An adjustment on the Conversion Rate made pursuant to Section 8.4 shall become effective immediately after the close of business on the Record Date for the applicable dividend or other distribution. If any dividend or other distribution described in this Section 8.4 is declared but not so paid or made, the new Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect if such dividend or other distribution had not been declared.

If “C” as set forth above is equal to or greater than “SP0” as set forth above, in lieu of the foregoing adjustment, the Holder shall receive, at the same time and upon the same terms as holders of the Company’s Common Stock, the amount of cash that Holder would have received if such Holder owned a number of shares of the Company’s Common Stock equal to the applicable Conversion Rate in effect immediately prior to the close of business on the Record Date for such cash dividend or other distribution.

8.5 If the Company or any of its subsidiaries makes a payment in respect of a tender offer or exchange offer for the Common Stock and the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Closing Sale Price of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP_1 \times OS_1)}{OS_0 \times SP_1}$$

where,

CR0 = the Conversion Rate in effect immediately prior to the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

CR1 = the Conversion Rate in effect immediately after the close of business on the last Trading Day of the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors of the Company) paid or payable for shares of Common Stock purchased in such tender or exchange offer;

OS0 = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS1 = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and

SPI = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this Section 8.5 shall occur at the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; provided that, for purposes of determining the Conversion Rate, in respect of any conversion during the 10 Trading Days immediately following, and including, the Trading Day next succeeding the date that any such tender or exchange offer expires, references within this Section 8.5 to 10 consecutive Trading Days shall be deemed to be replaced with such lesser number of consecutive Trading Days as have elapsed between the date such tender or exchange offer expires and the relevant Conversion Date.

In the event that the Company or one of its subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender offer or exchange offer, but the Company or such subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Rate shall be readjusted to be such Conversion Rate that would then be in effect if such tender offer or exchange offer had not been made. For the avoidance of doubt, this Section 8.5 shall not apply if the Company otherwise acquires shares of Common Stock, including, but not limited to, through an open market purchase in compliance with Rule 10b-18 promulgated under the Exchange Act or through an “accelerated share repurchase” on customary terms.

8.6 Without limiting any provision hereof, if the Company at any time on or after the Effective Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Rate in effect immediately prior to such subdivision will be proportionately reduced. Without limiting any provision hereof, if the Company at any time on or after the Effective Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Rate in effect immediately prior to such combination will be proportionately increased. Any adjustment pursuant to this Section 8.6 shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this Section 8.6 occurs during the period that a Conversion Rate (as defined below) is calculated hereunder, then the calculation of such Conversion Rate shall be adjusted appropriately to reflect such event.

8.7 In addition to those adjustments required by Section 8.1 through Section 8.6, and to the extent permitted by applicable law and subject to the applicable rules of the NYSE, the Company from time to time may (but is not required to) increase the Conversion Rate by any amount for a period of at least 20 Business Days or any longer period permitted or required by law if the increase is irrevocable during that period and the Board of Directors of the Company determines that such increase would be in the Company’s best interest. In addition, the Company may (but is not required to) increase the Conversion Rate to avoid or diminish any income tax to holders of the Common Stock or rights to purchase Common Stock in connection with a dividend or distribution of shares (or rights to acquire shares) or similar event. Whenever the Conversion

Rate is increased pursuant to any of the preceding two sentences, the Company shall mail to the Holder at its last address appearing on the Note Register of the Company a notice of the increase at least 15 days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

8.8 Calculations. All calculations and other determinations under the foregoing Section 8.1 through Section 8.6 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000th) of a share. No adjustment to the Conversion Rate shall be made if it results in a Conversion Price that is less than the par value (if any) of the Common Stock. The Company shall not take any action that would result in the Conversion Price being less than the par value (if any) of the Common Stock without giving effect to the previous sentence.

9. No Fractional Shares. No fractional shares of Common Stock or securities representing fractional shares of Common Stock shall be delivered upon conversion, whether voluntary or mandatory, of the Notes. Instead, the Company will make a cash payment to each Holder of the Notes that would otherwise be entitled to a fractional share based on the Closing Sale Price of the Common Stock on the relevant Conversion Date.

10. Method of Conversion Share Delivery. On or before the close of business on the fifth (5th) Trading Day following the date of delivery of a Holder Conversion Notice (the "**Delivery Date**"), Company shall, provided it is DWAC Eligible at such time and such Conversion Shares are eligible for delivery via DWAC, deliver or cause its transfer agent to deliver the applicable Conversion Shares electronically via DWAC to the account designated by Holder in the applicable Holder Conversion Notice. If Company is not DWAC Eligible or such Conversion Shares are not eligible for delivery via DWAC, it shall deliver to Holder or its broker (as designated in the Holder Conversion Notice), via reputable overnight courier, a certificate representing the number of shares of Common Stock equal to the number of Conversion Shares to which Holder shall be entitled, registered in the name of Holder or its designee. For the avoidance of doubt, Company has not met its obligation to deliver Conversion Shares by the Delivery Date unless Holder or its broker, as applicable, has actually received the certificate representing the applicable Conversion Shares no later than the close of business on the relevant Delivery Date pursuant to the terms set forth above. Moreover, and notwithstanding anything to the contrary herein or in any other Transaction Document, in the event Company or its transfer agent refuses to deliver any Conversion Shares without a restrictive securities legend to Holder on grounds that such issuance is in violation of Rule 144, Company shall deliver or cause its transfer agent to deliver the applicable Conversion Shares to Holder with a restricted securities legend, but otherwise in accordance with the provisions of this Section 10. In conjunction therewith, Company will also deliver to Holder a written explanation from its counsel or its transfer agent's counsel opining as to why the issuance of the applicable Conversion Shares violates Rule 144; provided, Holder acknowledges that any Conversion Shares issued prior to the six (6) month anniversary of the Closing Date will bear a restrictive securities legend, and Company shall have no obligation to deliver any such opinion letter for any Conversion occurring prior to the six (6) month anniversary of the Closing Date.

11. Conversion Delays. If Company fails to deliver Conversion Shares in accordance with the timeframe stated in Section 10, Holder may at any time prior to receiving the applicable Conversion Shares rescind in whole or in part such Conversion, with a corresponding increase to the Outstanding Balance (any returned amount will tack back to the Effective Date for purposes of determining the holding period under Rule 144).

12. Ownership Limitation. Notwithstanding anything to the contrary contained in this Note or the other Transaction Documents, Company shall not effect any conversion of this Note requested by Holder, and Holder shall not have the right to convert any portion of this Note, and shall not deliver a Holder Conversion Notice, to the extent that after giving effect to such conversion would cause Holder (together with its affiliates) to beneficially own a number of shares exceeding the number of shares of Common Stock permitted to be acquired by the Holder pursuant to the Shareholder Agreement (the “**Maximum Percentage**”). For purposes of this section, beneficial ownership of Common Stock will be determined pursuant to Section 13(d) of the Exchange Act.

13. Shareholder Approval. Notwithstanding anything to the contrary contained in this Note or the other Transaction Documents, Company and Holder agree that until the Company has obtained the approval of the issuance of the Notes, the conversion features of the Notes and the issuance of the Conversion Shares as provided herein by those shareholders of the Company who as of the relevant Record Date (i) hold of record at least a majority of the issued and outstanding Common Stock and (ii) constitute the holders of at least a majority of the issued and outstanding Common Stock not beneficially owned by any of the holders of the Notes (collectively, the “**Shareholder Approval**”), the Notes shall not be convertible into shares of Common Stock and Holder shall not submit any Holder Conversion Notice. The Company shall notify Holder in writing when Shareholder Approval has been obtained.

14. Opinion of Counsel. In the event that an opinion of counsel is needed for any matter related to this Note, Holder has the right to have any such opinion provided by its counsel.

15. Absolute Obligation. Except as expressly provided herein, no provision of this Note shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and accrued interest, as applicable, on this Note at the time, place and rate and in the currency herein prescribed. This Note is a direct debt obligation of the Company.

16. Governing Law; Venue. This Note shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Note shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York. The provisions set forth in the Purchase Agreement to determine the proper venue for any disputes are incorporated herein by this reference.

17. Cancellation. After repayment or conversion of the entire Outstanding Balance, this Note shall be deemed paid in full, shall automatically be deemed canceled, and shall not be reissued.

18. Amendments; Waivers. The prior written consent of each of the parties hereto shall be required for any amendment to, or waiver of any provision of, this Note. No waiver of any provision or consent to any prohibited action shall constitute a waiver of any other provision or consent to any other prohibited action, whether or not similar. No waiver or consent shall constitute a continuing waiver or consent or commit a party to provide a waiver or consent in the future except to the extent specifically set forth in writing.

19. Assignments. Neither party may assign or transfer this Note or any interest herein without the prior written consent of the other party hereto (and any purported transfer without such consent shall be null and void). If at the time of any transfer of this Note or any shares of Common Stock issued upon conversion of this Note, the transfer of such Securities shall not be either (a) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (b) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that Holder or transferee, as the case may be, to comply with the transfer restrictions set forth on the restrictive legend on the face of such Security. Any assignee or transferee of Holder who acquires this Note in accordance with the terms hereof shall be deemed to be the "Holder" hereunder and shall be deemed to have agreed to be bound by the terms of this Note as "Holder".

20. Accession to Security Agreement. Any assignee or transferee of Holder who acquires this Note in accordance with the terms hereof, shall accede to the Security Agreement and shall enter into such documentation as may reasonably be required by the Collateral Agent and the Company to evidence such person's accession to the Security Agreement.

21. Notices. Whenever notice is required to be given under this Note, unless otherwise provided herein, such notice shall be given in accordance with the subsection of the Purchase Agreement titled "Notices."

22. Severability. If any part of this Note is construed to be in violation of any law, such part shall be modified to achieve the objective of Company and Holder to the fullest extent permitted by law and the balance of this Note shall remain in full force and effect.

23. Intercreditor Agreement. Reference is made to the Intercreditor Agreement. Notwithstanding anything herein to the contrary, the liens and security interests granted to the Collateral Agent pursuant to this Note and the Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder, in each case, with respect to the Collateral are subject to the limitations and provisions of the Intercreditor Agreement. In the event of any inconsistency between the terms or conditions of this Note or the Security Agreement and the terms and conditions of the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall control.

2.1 **Registration Statement.** Subject to Section 2.3, the Company shall use its commercially reasonable efforts to, as soon as reasonably practicable following the earlier to occur of (i) the conversion in full of the Outstanding Balance of the Notes into Conversion Shares in accordance with the terms of the Notes and (ii) the date that is six months prior to the Maturity Date, prepare and file with the Commission the Registration Statement, which shall be a “resale” registration statement providing for the resale of the Registrable Securities pursuant to an offering to be made on a delayed or continuous basis under Rule 415. The Registration Statement shall be on Form S-3 and shall cover to the extent allowable under the Securities Act and the rules promulgated thereunder, such indeterminate number of additional shares of Common Stock resulting from stock splits, stock dividends or similar transactions of and/or from the Registrable Securities and adjustments in the number of shares of Common Stock into which each share of is convertible made pursuant to the terms of the Notes. The Registration Statement may not include securities other than the Registrable Securities without the prior written consent of the Purchasers. The Company shall use its reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act and to keep the Registration Statement continuously effective under the Securities Act until the earlier of (x) the date when all Registrable Securities covered by such Registration Statement have been sold or (y) the date on which all Registrable Securities then held by the Purchasers may be sold without restriction pursuant to Rule 144, as determined by counsel satisfactory to the Company in a written opinion addressed to the Company and its transfer agent.

2.2 **Certain Matters.**

(a) In the event that, due to limits imposed by the Commission, the Company is unable on the Registration Statement to register for resale under Rule 415 of Regulation C under the Securities Act all of the Registrable Securities that it has agreed to file pursuant to the first sentence of Section 2.1, the Company shall include in the Registration Statement, which may be a subsequent Registration Statement if the Company is required, or determines that it is desirable, to withdraw the original Registration Statement and file a new Registration Statement in order to rely on Rule 415 with respect to the full such amount of the Registrable Securities permitted by the Commission.

(b) In the event that Form S-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall register the resale of the Registrable Securities on Form S-1 or another appropriate form, and undertake to register the resale of the Registrable Securities on Form S-3 as soon as such form is available.

2.3 Blackout Period. The Company may postpone the filing or effectiveness of any Registration Statement (or amendment or supplement thereto) or suspend the use or effectiveness of any Registration Statement (and in each case suspend any other related action otherwise contemplated hereunder) for a reasonable “blackout period” if the board of directors of the Company determines in good faith that such registration or the sale by the Purchasers of Registrable Securities under such Registration Statement at such time (i) would adversely affect a pending or proposed significant corporate event, proposed financing or negotiations, proposed offering of Common Stock by the Company on its behalf or pursuant to the Registration Rights Agreement dated September 3, 2013 between the Company and stockholders specified in such agreement, discussions or pending proposals with respect thereto or (ii) would require the disclosure of material non-public information the disclosure of which at such time would, in the good faith judgment of the board of directors of the Company, be materially adverse to the interests of the Company; provided that the filing or effectiveness of a Registration Statement (or amendment or supplement thereto) by the Company may not be postponed and the use or effectiveness of any Registration Statement may not be suspended (A) in the case of clause (i) above, for more than ten (10) days after the abandonment or consummation of any of the pending or proposed significant corporate event, proposed financing or the negotiations, discussions or pending proposals with respect thereto; (B) in the case of clause (ii) above, until the earlier to occur of the filing by the Company of its next succeeding Form 10-K or Form 10-Q or the date upon which such information is otherwise publicly disclosed by the Company; or (C) in any event, in the case of either clause (i) or (ii) above, for more than 90 days after the date of the determination of the board of directors of the Company; provided that the Company may not postpone the filing or effectiveness of a Registration Statement (or amendment or supplement thereto) or suspend the use or effectiveness of any Registration Statement for more than an aggregate of 90 days in any 365-day period. In addition to the foregoing, the Company shall have the right to suspend the Purchasers’ ability to use a Prospectus in connection with non-underwritten sales off of a Registration Statement during each of its regular quarterly blackout periods applicable to directors and senior officers under the Company’s policies in existence from time to time. The Company shall not be required to effectuate an underwritten offering (during such a regular quarterly blackout period or otherwise) to the extent the Company reasonably concludes, after consultation in good faith with the relevant Purchasers, that the Company cannot provide adequate, timely disclosure or satisfy other underwriting conditions in connection with such offering without undue burden.

2.4 Demand Rights for Shelf Takedowns. Subject to Sections 2.3 and 8.4, upon the written demand of the relevant Purchaser(s), the Company will facilitate in the manner described in this Agreement a “takedown” of Registrable Securities off of the Registration Statement; provided that the Purchasers may not, individually or collectively, make such demand more than four times in the aggregate; and provided, furthermore, that any demand for an underwritten offering of Conversion Shares shall have an aggregate market value (based on the most recent closing pricing of the Common Stock into which the Notes are convertible at the time of the demand) of at least \$50 million. If a demand by any Purchaser has been made for a shelf takedown, no further demands may be made so long as such offering is still being pursued.

ARTICLE 3. NOTICES, CUTBACKS AND OTHER MATTERS

3.1 **Notifications Regarding Request for Takedown.** In order for any Purchaser to initiate a shelf takedown off of the Registration Statement, such Purchaser(s) must so notify the Company in writing indicating the number of Registrable Securities sought to be offered and sold in such takedown and the proposed plan of distribution. Pending any required public disclosure by the Company and subject to applicable legal requirements, the parties will maintain the confidentiality of all notices and other communications regarding any such proposed takedown.

3.2 **Plan of Distribution, Underwriters and Counsel.** If the Registrable Securities are proposed to be sold in an underwritten offering, the relevant Purchaser(s) will be entitled to determine the plan of distribution and select the managing underwriters, in each case subject to the consent of the Company (not to be unreasonably withheld), and such Purchaser(s) will also be entitled to select counsel for the Purchasers (which may be the same as counsel for the Company).

3.3 **Cutbacks.** If the Registrable Securities are proposed to be sold in an underwritten offering and the managing underwriters advise the Company and the Purchasers that, in their opinion, the number of Registrable Securities requested to be included in an underwritten offering exceeds the amount that can be sold in such offering without adversely affecting the distribution of the Registrable Securities being offered, such offering will include only the number of Registrable Securities that the managing underwriters advise can be sold in the offering.

3.4 **Withdrawals.** If the relevant Purchaser(s) has or have demanded a registered underwritten offering to be conducted, such Purchaser(s) may, no later than the time at which the public offering price and underwriters' discount are determined with the managing underwriter, decline to sell all or any portion of the Registrable Securities being offered for the Purchasers' account; provided that if any Purchaser declines to sell, in whole or in part, the Registrable Securities being offered for the Purchasers' account, then the demand for such underwritten offering shall count as a demand for purposes of Section 2.4 of this Agreement unless such Purchaser reimburses the Company for all reasonable out-of-pocket expenses incurred by the Company in connection with such underwritten offering.

3.5 **Lockups.** In connection with any underwritten offering of Registrable Securities, the Company and the Purchasers will agree (in the case of the Company, with respect to the Common Stock and any rights related thereto, and in the case of the Purchasers, with respect to the Registrable Securities held respectively held by them and any rights related thereto) to be bound by customary lockup restrictions in the applicable underwriting agreement.

ARTICLE 4. FACILITATING REGISTRATIONS AND OFFERINGS

4.1 **Registration Statements.** In connection with any Registration Statement, the Company will:

(a) (i) prepare and file with the Commission the Registration Statement covering the applicable Registrable Securities pursuant to Section 2.1 of this Agreement, (ii) file amendments thereto as warranted, (iii) seek the effectiveness thereof, and (iv) file with the Commission such Prospectuses as may be required, all in consultation with the demanding Purchasers (or their representatives) and as reasonably necessary in order to permit the offer and sale of such Registrable Securities in accordance with the applicable plan of distribution;

(b) (1) within a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to any Registration Statement, any amendment or supplement to a Prospectus or any issuer free writing prospectus covering Registrable Securities, provide copies of such documents to the demanding Purchasers (or their representatives) and to the underwriter or underwriters of an underwritten offering, if applicable, and to their respective counsel; fairly consider such reasonable changes in any such documents prior to or after the filing thereof as the counsel to the demanding Purchasers or the underwriter or the underwriters may request; and make such of the representatives of the Company as shall be reasonably requested by the demanding Purchasers or any underwriter available for discussion of such documents; and

(2) within a reasonable time prior to the filing of any document which is to be incorporated by reference into any Registration Statement or a Prospectus covering Registrable Securities, provide copies of such document to counsel for the demanding Purchasers and underwriters; fairly consider such reasonable changes in such document prior to or after the filing thereof as counsel for such demanding Purchasers or such underwriter shall request; and make such of the representatives of the Company as shall be reasonably requested by such counsel available for discussion of such document;

(c) use its commercially reasonable efforts to cause any Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of such Registration Statement, amendment or supplement and during the distribution of the registered Registrable Securities (x) to comply in all material respects with the requirements of the Securities Act and the rules and regulations of the Commission and (y) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading;

(d) notify the Purchasers promptly, and, if requested by the Purchasers, confirm such advice in writing, (i) when any Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective if such Registration Statement or post-effective amendment is not automatically effective upon filing pursuant to Rule 462, (ii) of the issuance by the Commission or any U.S. state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose, (iii) if, between the effective date of any Registration Statement and the closing of any sale of securities covered thereby pursuant to any agreement to which the Company is a party, the representations and warranties of the Company contained in such agreement cease to be true and correct in all material respects or if the Company receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, and (iv) of the happening of any event during the period any Registration Statement is effective as a result of which such Registration Statement or the related Prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading; provided that the Purchasers, upon receiving written notice of an event described in clauses (ii) to (iv) of this Section 4.1(d), shall discontinue (and direct any other person

making offers and sales of Registrable Securities on its behalf to discontinue) offers and sales of Registrable Securities pursuant to any Registration Statement (other than those pursuant to a plan in effect prior to such event and that complies with Rule 10b5-1 under the Exchange Act) until it is advised in writing by the Company that the use of the applicable Prospectus may be resumed and is furnished with an amended or supplemented Prospectus;

(e) furnish counsel for each underwriter, if any, and for the Purchasers with copies of any written correspondence with the Commission or any state securities authority relating to the Registration Statement or Prospectus;

(f) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, including making available to its security holders an earnings statement covering at least 12 months which shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar provision then in force); and

(g) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement at the earliest possible time.

4.2 Shelf Takedowns. In connection with any shelf takedown that is demanded by the relevant Purchaser(s), the Company will:

(a) cooperate with the selling Purchasers and the sole underwriter or managing underwriter of an underwritten offering, if any, to facilitate the timely preparation and delivery of certificates representing the Registrable Securities to be sold and not bearing any restrictive legends; and enable such Registrable Securities to be in such denominations (consistent with the provisions of the governing documents thereof), and registered in such names as the selling Purchasers or the sole underwriter or managing underwriter of an underwritten offering of Registrable Securities, if any, may reasonably request at least five days prior to any sale of such Registrable Securities;

(b) furnish to the relevant Purchaser(s) and to each underwriter, if any, participating in the relevant offering, without charge, as many copies of the applicable Prospectus, including each preliminary prospectus, and any amendment or supplement thereto and such other documents as such Purchaser(s) or underwriter may reasonably request in order to facilitate the public sale of the Registrable Securities, subject to the other provisions of this Agreement; the Company hereby consents to the use of the Prospectus, including each preliminary prospectus, by such Purchaser(s) and each underwriter in connection with the offering and sale of the Registrable Securities covered by the Prospectus or the preliminary prospectus;

(c) (i) use its commercially reasonable efforts to register or qualify the Registrable Securities being offered and sold under all applicable U.S. state securities or "blue sky" laws of such jurisdictions as each underwriter shall reasonably request; (ii) use reasonable efforts to keep each such registration or qualification effective during the period such Registration Statement is required to be kept effective; and (iii) do any and all other acts and things which may be reasonably necessary or advisable to enable each such underwriter, if any, and/or the Purchasers to consummate the disposition in each such jurisdiction of such Registrable Securities owned by the Purchasers; provided, however, that the Company shall not be obligated to qualify as a foreign

corporation or as a dealer in securities in any jurisdiction in which it is not so qualified, to subject itself to taxation in any such jurisdiction, or to consent to be subject to general service of process (other than service of process in connection with such registration or qualification or any sale of Registrable Securities in connection therewith) in any such jurisdiction;

(d) if the listing of such Registrable Securities is then permitted under the rules of such exchange, use its commercially reasonable efforts to cause all Registrable Securities being offered and sold pursuant to this Agreement to be qualified for inclusion in or listed on The New York Stock Exchange or any securities exchange on which the Common Stock issued by the Company are then so qualified or listed if so requested by the demanding Purchaser(s) or if so requested by the underwriter or underwriters of an underwritten offering of Registrable Securities, if any;

(e) cooperate and assist in any filings required to be made with The New York Stock Exchange or other securities exchange and, solely with regard to an underwritten shelf takedown, in the performance of any reasonable due diligence investigation by the underwriters;

(f) solely with regard to an underwritten shelf takedown, use its commercially reasonable efforts to facilitate the distribution and sale of any Registrable Securities to be offered pursuant to this Agreement, including without limitation by making road show presentations, holding meetings with and making calls to potential investors and taking such other actions as shall be reasonably requested by the demanding Purchaser(s) or the lead managing underwriter;

(g) solely with regard to an underwritten shelf takedown, enter into underwriting agreements in customary form (including provisions with respect to indemnification and contribution in customary form) and take all other customary and appropriate actions in order to expedite or facilitate the disposition of such Registrable Securities and in connection therewith:

1. make such representations and warranties to the selling Purchaser(s) and the underwriters in such form, substance and scope as are customarily made by issuers to underwriters in similar underwritten offerings;

2. obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the lead managing underwriter) addressed to the underwriters and, if reasonably obtainable, the selling Purchaser(s) covering the matters customarily covered in opinions delivered in similar underwritten offerings; and

3. obtain "cold comfort" letters and updates thereof from the Company's independent certified public accountants addressed to the underwriters, and, if reasonably obtainable, the selling Purchaser(s), which letters shall be customary in form and shall cover matters of the type customarily covered in "cold comfort" letters to underwriters in connection with similar underwritten offerings.

4.3 **Due Diligence.** In connection with each registration and offering of Registrable Securities to be sold by the Purchasers, the Company will, in accordance with customary practice, make reasonably available for inspection by representatives of the Purchaser and underwriters and any counsel or accountant retained by the Purchaser or underwriters (each, an "**Inspector**") all relevant financial and other records, pertinent corporate documents and properties of the Company and

cause appropriate officers, managers and employees of the Company to supply all information reasonably requested by any such representative, underwriter, counsel or accountant in connection with their due diligence exercise. Such access to information, documents, personnel and other matters shall be provided to such participants, at such times and in such manner as are customary for offerings of the relevant type and as do not unreasonably burden the Company or unreasonably interfere with its operations. With respect to all information, documents and other matters provided or made accessible by the Company in connection with a registered offering hereunder, each Inspector shall agree in writing to hold such information in strict confidence and subject to applicable legal requirements, at all times prior to the public disclosure thereof by the Company.

4.4 Information from the Purchasers. The Purchasers shall, as promptly as reasonably practicable, furnish to the Company such information regarding itself as is required to be included in any Registration Statement or to maintain the effectiveness of any Registration Statement, the ownership of Registrable Securities by the Purchasers and the proposed distribution by the Purchasers of such Registrable Securities as the Company may from time to time reasonably request in writing, and shall execute such documents in connection with such registration as the Company may reasonably request. Each selling Purchaser participating in a registered offering hereunder shall do so on the terms and conditions applicable to such offering and the applicable plan of distribution; provided that no such selling Purchaser shall be required to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such selling Purchaser and such selling Purchaser's Registrable Securities. Notwithstanding any other provision of this Agreement, the Company shall not be required to file any Registration Statement or include Registrable Securities therein unless it has received from the Purchasers, within a reasonable period of time prior to the anticipated Filing Date of such Registration Statement, all requested information required to be included in the Registration Statement.

ARTICLE 5. REGISTRATION EXPENSES

All fees and expenses incident to the performance of or compliance with this Agreement by the Company, except as and to the extent specified in this Section 5, shall be borne by the Company whether or not the Registration Statement is filed or becomes effective and whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, and to the extent applicable (i) all registration and filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with each securities exchange or market on which Registrable Securities are required hereunder to be listed, if any, (B) with respect to filing fees required to be paid to the Financial Industry Regulatory Authority and (C) in compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel for the Purchaser(s) in connection with Blue Sky qualifications of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as the Company may designate), (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is requested by the Company), (iii) messenger, telephone and delivery expenses, (iv) Securities Act liability insurance, if the Company elects to purchase such insurance, and (v) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement, including, without limitation,

the Company's independent public accountants (including the expenses of any comfort letters or costs associated with the delivery by independent public accountants of a comfort letter or comfort letters). In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit, the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange if required hereunder. The Company shall not be responsible for any underwriters', brokers' and dealers' discounts and commissions, transfer taxes or other similar fees incurred by Purchaser in connection with the sale of the Registrable Securities.

ARTICLE 6. INDEMNIFICATION

6.1 **Indemnification by the Company.** The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Purchaser, its officers, directors, employees and affiliates, each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors and employees of each such controlling Person (collectively, the "**Purchaser Indemnified Parties**"), to the full extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, costs of preparation and attorneys' and expert witnesses' fees) and expenses (collectively, "**Losses**") (as determined by a court of competent jurisdiction in a final judgment not subject to appeal or review), to which such Purchaser Indemnified Parties may become subject under the Securities Act or otherwise, arising out of or relating to any violation of securities laws or untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that such untrue statements or omissions are based solely upon information regarding the relevant Purchaser(s) furnished in writing to the Company by such Purchaser(s) expressly for use therein. The Company shall notify such Purchaser(s) promptly of the institution, threat or assertion of any Proceeding of which the Company is aware in connection with the transactions contemplated by this Agreement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any such Purchaser(s), the directors and officers of such Purchaser(s), or controlling Person of the Purchaser(s), and shall survive the transfer of such securities held by such Purchaser(s).

6.2 **Indemnification by Purchaser.** Each Purchaser, severally and not jointly, shall indemnify and hold harmless the Company, its directors, officers and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers and employees of such controlling Persons (collectively, the "**Company Indemnified Parties**"), to the full extent permitted by applicable law, from and against all Losses (as determined by a court of competent jurisdiction in a final judgment not subject to appeal or review), to which the Company Indemnified Parties may become subject under the Securities Act or otherwise, arising solely out of or based solely upon any untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus,

or in any amendment or supplement thereto, or arising solely out of or based solely upon any omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, to the extent, but only to the extent, that such untrue statement or omission is contained in any information so furnished in writing by such Purchaser to the Company specifically for inclusion in the Registration Statement or such Prospectus. Notwithstanding anything to the contrary contained herein, each Purchaser shall be liable under this Section 6.2 for only that amount as does not exceed the net proceeds to such Purchaser as a result of the sale of Registrable Securities pursuant to such Registration Statement.

6.3 Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "**Indemnified Party**"), such Indemnified Party promptly shall notify the Person from whom indemnity is sought (the "**Indemnifying Party**") in writing, and the Indemnifying Party shall be entitled to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with defense thereof; provided, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have proximately and materially adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; or (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such parties shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Indemnifying Party). The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld or delayed. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending or threatened Proceeding in respect of which any Indemnified Party is a party and indemnity has been sought hereunder, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

All fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within thirty (30) Business Days of written notice thereof to the Indemnifying Party (regardless of whether it is ultimately determined that an Indemnified Party is not entitled to indemnification hereunder; provided, that the Indemnified Party shall reimburse all such fees and expenses to the extent it is finally judicially determined that such Indemnified Party is not entitled to indemnification hereunder).

6.4 Contribution. If a claim for indemnification under Sections 6.1 or 6.2 is due but unavailable to an Indemnified Party, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and the Indemnified Party on the other in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission.

The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 6.3, any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms. In no event shall the Company be required to contribute an amount under this Section 6.4 in excess of the net proceeds received by it upon the sale of its Registrable Securities pursuant to a Registration Statement giving rise to such contribution obligation. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 6.4 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not also guilty of such fraudulent misrepresentation. The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties pursuant to the law.

6.5 Survival. The agreements contained in this Article VI shall survive the transfer of the Registrable Securities by any Purchaser and sale of all of the Registrable Securities pursuant to any registration statement and shall remain in full force and effect, regardless of any investigation made by or on behalf of any Purchaser Indemnified Party.

ARTICLE 7. RULE 144

If the Company is subject to the requirements of Section 13, 14 or 15(d) of the Exchange Act, the Company covenants that it will file any reports required to be filed by it under the Securities Act and the Exchange Act, so as to enable the Purchasers to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (b) any successor rule or regulation hereafter adopted by the Commission. Upon the request of any Purchaser, the Company will deliver to such Purchaser a written statement as to whether it has complied with such requirements. Notwithstanding anything in this Agreement, the Company shall not be required to register any of its equity securities under Section 12 of the Exchange Act in order to enable the Purchasers to dispose of Registrable Securities under Rule 144.

ARTICLE 8. MISCELLANEOUS

8.1 **Remedies.** In the event of a breach by the Company or the Purchasers of any of their respective obligations under this Agreement, the Company or the Purchasers, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Company and the Purchasers acknowledge and agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by either of them of any of the provisions of this Agreement and each hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate.

8.2 **No Inconsistent Agreements.** The Company shall not enter into any such agreement with respect to its securities that is inconsistent with or violates the rights granted to the Purchasers in this Agreement.

8.3 **Amendments and Waivers.** The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the same shall be in writing and signed by the Company and the Purchasers shall have consented thereto.

8.4 **Termination of Registration Rights.** This Agreement to register Registrable Securities for sale under the Securities Act shall terminate on the earliest to occur of (i) the first date on which all outstanding Registrable Securities are eligible for sale under Rule 144 and restrictive legends have been removed from all certificates representing the applicable Registrable Securities and (ii) the fifth anniversary of the effective date of the Registration Statement filed pursuant to Section 2.1. Notwithstanding any termination of this Agreement pursuant to this Section 8.4, the parties' rights and obligations under Article VI hereof shall continue in full force and effect in accordance with their respective terms.

8.5 **Notices.** Any notice, demand, request, waiver or other communication required or permitted to be given hereunder shall be in writing and shall be delivered by a recognized courier service, fully prepaid and properly addressed upon the earlier of (i) actual receipt thereof, as shown by the records of such courier or (ii) five days after the receipt thereof by the courier from the party giving it. The addresses for such notice, demand, request, waiver or other communication shall be:

Email: amccarroll@SEasset.com

Either party may from time to time change its address for notice by giving at least five (5) days written notice of such changed address to the other party.

8.6 Successors and Assigns. (a) This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns and shall inure to the benefit of each Purchaser and its successors and permitted assigns. Neither party may assign this Agreement nor any of its rights or obligations hereunder without the prior written consent of the other party.

(b) In the event the Company engages in a merger or consolidation in which the Registrable Securities are converted into securities of another company, or if there are any changes in the Common Stock by way of share split, stock dividend, combination or reclassification, appropriate arrangements will be made so that the registration rights provided under this Agreement continue to be provided to the Purchasers by the issuer of such securities. To the extent any new issuer, or any other company acquired by the Company in a merger or consolidation, was bound by registration rights obligations that would conflict with the provisions of this Agreement, the Company will, unless the Purchasers otherwise agree, use commercially reasonable efforts to modify any such "inherited" registration rights obligations so as not to interfere in any material respects with the rights provided under this Agreement.

8.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties hereto, it being understood that all parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature were the original thereof.

8.8 Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York. This Agreement shall not be interpreted or construed with any presumption against the party causing this Agreement to be drafted. The exclusive jurisdiction for the resolution of any conflicts regarding this Agreement shall be in the courts of the Southern District of New York. This exclusive jurisdiction is a material provision to this Agreement.

8.9 Waiver of Jury Trial. Each of the parties to this Agreement hereby unconditionally agrees to waive, to the fullest extent permitted by applicable law, its respective rights to a jury trial of any claim or cause of action (whether based on contract, tort or otherwise) based upon, arising out of or relating to this Agreement or the transactions contemplated hereby. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this Agreement, including contract claims, tort claims and all other common law and statutory claims. Each party hereto: (i) acknowledges that this waiver is a material inducement to enter into this Agreement, that each has already relied on this waiver in entering into this Agreement, and that each will continue to rely on this waiver in their related future dealings, (ii) acknowledges that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not in the event of any action or proceeding, seek to enforce the foregoing waiver and (iii) warrants and represents that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.9 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

8.10 Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

8.11 Severability. If any term, provision, covenant or restriction of this Agreement is held to be invalid, illegal, void or unenforceable in any respect, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

8.12 Section Headings. The Section headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Registration Rights Agreement to be duly executed by a person thereunto authorized as of the date first indicated above.

(8) Each Grantor will derive substantial direct or indirect benefit from the transactions contemplated by this Agreement, the Note Purchase Agreement and the other Transaction Documents.

(9) Terms defined in the Notes or Note Purchase Agreement and not otherwise defined in this Agreement (including in Attachment 1 attached hereto) are used in this Agreement as defined in the Notes and Note Purchase Agreement, as applicable. NOW, THEREFORE, in consideration of the premises and in order to induce the Noteholders to purchase the Notes from the Company under the Note Purchase Agreement, each Grantor hereby agrees with the Collateral Agent for the benefit of the Secured Parties as follows:

Section 1. Guarantee.

(a) Guarantee. Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Collateral Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Company when due (whether at the stated maturity, by acceleration or otherwise) of the Company Obligations. “**Guarantors**” shall mean each Grantor other than the Company. “**Company Obligations**” shall mean the unpaid principal of and interest on (including interest accruing after the maturity of the Notes and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) the Notes and all other obligations and liabilities of the Company to the Collateral Agent or to any Noteholder, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement, any other Transaction Document, or any other document made, delivered or given in connection herewith or therewith, whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses (including all fees, charges and disbursements of counsel to the Collateral Agent or to any Noteholder that are required to be paid by the Company pursuant to the terms of any Transaction Document).

(i) Anything herein or in any other Transaction Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Transaction Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 1(b)).

(ii) Each Guarantor agrees that the Company Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of the Collateral Agent or any Noteholder hereunder.

(iii) The guarantee contained in this Section 1 shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due and payable) shall have been satisfied by payment in full. "**Obligations**" shall mean (i) in the case of the Company, the Company Obligations, and (ii) in the case of each Guarantor, its Guarantor Obligations. "**Guarantor Obligations**" shall mean with respect to any Guarantor, all obligations and liabilities of such Guarantor which may arise under or in connection with this Agreement (including, without limitation, this Section 1) or any other Transaction Document, in each case whether on account of guarantee obligations, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without limitation, all fees and disbursements of counsel to the Collateral Agent or to the Noteholders that are required to be paid by such Guarantor pursuant to Section 22 hereof).

(iv) No payment made by the Company, any of the Guarantors, any other guarantor or any other person or received or collected by the Collateral Agent or any Noteholder from the Company, any of the Guarantors, any other guarantor or any other person by virtue of any action or proceeding or any setoff or appropriation or application at any time or from time to time in reduction of or in payment of the Company Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Company Obligations or any payment received or collected from such Guarantor in respect of the Company Obligations), remain liable for the Company Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full (other than any contingent indemnification obligations not then due and payable).

(b) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 1(c). The provisions of this Section 1(b) shall in no respect limit the obligations and liabilities of any Guarantor to the Collateral Agent and the Noteholders, and each Guarantor shall remain liable to the Collateral Agent and the Noteholders for the full amount guaranteed by such Guarantor hereunder.

(c) No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any setoff or application of funds of any Guarantor by the Collateral Agent or any Noteholder, no Guarantor shall be entitled to be subrogated to any of the rights of the Collateral Agent or any Noteholder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Collateral Agent or any Noteholder for the payment of the Company Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Collateral Agent and the Noteholders by the Company on account of the Company Obligations (other than contingent indemnification obligations not then due and payable) are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Company Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Collateral Agent and the Noteholders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Agent, if required), to be applied against the Company Obligations, whether matured or unmatured, in such order as the Collateral Agent may determine.

(d) Amendments, etc. with respect to the Company Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Company Obligations made by the Collateral Agent or any Noteholder may be rescinded by the Collateral Agent or such Noteholder and any of the Company Obligations continued, and the Company Obligations, or the liability of any other person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any Noteholder, and the Note Purchase Agreement and the other Transaction Documents and any other documents executed and delivered in connection therewith may be amended, modified, waived, supplemented or terminated, in whole or in part pursuant to the terms of thereof, as the Collateral Agent (or the Required Noteholders) may reasonably deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any Noteholder for the payment of the Company Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any Noteholder shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Company Obligations or for the guarantee contained in this Section 1 or any property subject thereto.

(e) Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Company Obligations and notice of or proof of reliance by the Collateral Agent or any Noteholder upon the guarantee contained in this Section 1 or acceptance of the guarantee contained in this Section 1; the Company Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section; and all dealings between the Company and any of the Guarantors, on the one hand, and the Collateral Agent and the Noteholders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Company or any of the Guarantors with respect to the Company Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Note Purchase Agreement or any other Transaction Document, any of the Company Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent or any Noteholder, (b) any defense, setoff or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Company or any other person against the Collateral Agent or any Noteholder, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Company or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Company for the Company Obligations, or of such Guarantor under the guarantee contained in this Section 1, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent or any Noteholder may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Company, any other Guarantor or any other person or against any collateral security or guarantee for the Company Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent or any Noteholder to make any such demand, to pursue such other rights or remedies or to collect any payments from the Company, any other Guarantor or any other person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Company, any other Guarantor or any other person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent or any Noteholder against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(f) Reinstatement. The guarantee contained in this Section 1 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Company Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any Noteholder upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Company or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 2. Grant of Security. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in such Grantor's right, title and interest in and to each type of property described below, whether now owned or hereafter acquired by such Grantor, wherever located, and whether now or hereafter existing or arising (collectively, the "**Collateral**"):

Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and would be owed by such Grantor or Subsidiary of the Company, as applicable, to any Secured Party but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any of the Company, the Guarantors and other Subsidiaries of the Company.

Section 4. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under the contracts and agreements included in such Grantor's Collateral to perform all of its duties and obligations thereunder to the extent set forth therein to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Transaction Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

to receive and retain pursuant to Section 13(a)(ii) shall automatically cease, and all such rights shall, subject to the Intercreditor Agreement, thereupon become vested in the Collateral Agent for the benefit of the Secured Parties, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(c) upon the occurrence and during the continuance of an Event of Default, to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) or (b) above;

(d) upon the occurrence and during the continuation of any Event of Default to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Collateral Agent with respect to any of the Collateral;

(e) [Reserved];

(f) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including actions to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Collateral Agent in its sole discretion, any such payments made by Collateral Agent to become obligations of such Grantor to Collateral Agent, due and payable immediately without demand;

(g) (i) upon the occurrence and during the continuation of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Collateral Agent were the absolute owner thereof for all purposes, and (ii) to do, at Collateral Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that Collateral Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and Collateral Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do;

(h) upon the occurrence and during the continuation of any Event of Default, to repair, alter, or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any person obligated to the Company or such other Grantor in respect of any Account of the Company or such other Grantor; and

(i) upon the occurrence and during the continuance of any Event of Default, to take exclusive possession of all locations where the Company or other Grantor conducts its business or has rights of possession, with prompt notice to the Company or any Grantor and to use such locations to store, process, manufacture, sell, use, and liquidate or otherwise dispose of items that are Collateral, without obligation to pay rent or other compensation for the possession or use of any location.

Section 18. Collateral Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Collateral Agent may, but without any obligation to do so, upon notice to the Company of at least five Business Days in advance and if the Company fails to cure within such period, itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by such Grantor under Section 22.

Section 19. The Collateral Agent's Duties. (a) The powers conferred on the Collateral Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

(b) Anything contained herein to the contrary notwithstanding, the Collateral Agent may from time to time, when the Collateral Agent deems it to be necessary, appoint one or more of its Affiliates (or, with the consent of the Company, any other persons) subagents (each a "***Subagent***") for the Collateral Agent hereunder with respect to all or any part of the Collateral. In the event that the Collateral Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Collateral Agent, for the benefit of the Secured Parties, as security for the Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Collateral Agent, with all rights, powers, privileges, interests and remedies of the Collateral Agent hereunder with respect to such Collateral, and (iii) the term "Collateral Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Collateral Agent with respect to such Collateral, shall include such Subagent; provided, that, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Collateral Agent.

Section 20. Remedies. If any Event of Default shall have occurred and be continuing and such Event of Default has resulted in the acceleration of the Obligations, which acceleration has not been rescinded or otherwise terminated:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) subject to applicable law, without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Collateral Agent may deem commercially reasonable; (iii) occupy, on a non-exclusive basis, any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including any and all rights of such Grantor to (A) demand or otherwise require payment of any amount under, or performance of any provision of, the Receivables and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Account Collateral, and (C) exercise all other rights and remedies with respect to the Receivables and the other Collateral, including those set forth in Section 9-607 of the UCC. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale, or of the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that (A) the internet shall constitute a "place" for purposes of Section 9-610(b) of the UCC and (B) to the extent notification of sale shall be required by law, notification by mail of the URL where a sale will occur and the time when a sale will commence at least ten (10) days prior to the sale shall constitute a reasonable notification for purposes of Section 9-611(b) of the UCC.

(b) Any cash held by or on behalf of the Collateral Agent and all cash proceeds received by or on behalf of the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral and any proceeds of the guarantee set forth in Section 1 may, in the discretion of the Collateral Agent, be held by the Collateral Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or in part by the Collateral Agent for the benefit of the Secured Parties against, all or any part of the Obligations, in accordance with Section 1.2 of the Notes.

(c) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Collateral Agent in the same form as so received (with any necessary indorsement).

(d) Subject to the provisions of Section 28, the Collateral Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Obligations against any funds held with respect to the Account Collateral or in any other deposit account.

(e) [Reserved].

(f) In each case under this Agreement in which the Collateral Agent takes any action with respect to the Collateral, including proceeds, the Collateral Agent shall provide to the Company such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested in writing by the Company as a basis for the preparation of the company's financial statements in accordance with GAAP.

Section 21. [Reserved]

Section 22. Indemnity and Expenses. (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of its Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

(b) Each Grantor will upon demand pay to the Collateral Agent the amount of any and all reasonable expenses, including the reasonable fees and expenses of its counsel and of any experts and agents, that the Collateral Agent may incur in connection with (i) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (ii) the exercise or enforcement of any of the rights of the Collateral Agent or the other Secured Parties hereunder or (iii) the failure by such Grantor to perform or observe any of the provisions hereof.

(c) The undertakings in this Section 22 shall survive termination of this Agreement, the payment of all Obligations and the resignation of the Collateral Agent.

Section 23. Amendments; Waivers; Additional Grantors; Etc. (a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent and, with respect to any amendment, the Company on behalf of the Grantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Collateral Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Each Subsidiary of the Company that is required to grant security to the ABL Agent pursuant to the terms of the ABL Loan Documents shall become a Grantor for all purposes of this Agreement upon the execution and delivery by such person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "**Security Agreement Supplement**"). Such person shall be referred to as an "**Additional Grantor**" and each reference in this Agreement and the other Transaction Documents to "Grantor" or "Guarantor" shall also mean and be a reference to such Additional Grantor, each reference in this Agreement and the other Transaction Documents to the "Collateral" shall also mean and be a reference to the Collateral granted by such Additional Grantor and each reference in this Agreement to a Schedule shall also mean and be a reference to the schedules attached to such Security Agreement Supplement.

Section 24. Confidentiality; Notices; References. (a) Each of the Collateral Agent and the Secured Parties agree to maintain the confidentiality of the Information (as defined below) except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors, and funding sources on a "**need to know**" basis (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and shall agree to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Transaction Document or the enforcement of rights hereunder or thereunder, (f) subject to a written agreement containing provisions substantially the same as those of this Section 24, to any permitted assignee of, or any permitted prospective assignee of, any of its rights or obligations under this Agreement, (g) with the prior written consent of the Company or (h) to the extent such Information (i) becomes publicly available

other than as a result of a breach of this Section 24 or (ii) becomes available to the Collateral Agent or any Noteholder on a non-confidential basis from a source other than the Company. For the avoidance of doubt, the obligations of any Secured Party under this Section 24(a) shall not be abrogated by such Secured Party's assignment of its Notes under the terms of the Notes. For the purposes of this Section 24, "**Information**" means all information received from the Company relating to the Company or its business, other than any such information that is available to the Collateral Agent or any Noteholder on a non-confidential basis prior to disclosure by the Company. Any person required to maintain the confidentiality of Information as provided in this Section 24 shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

(b) Any notice, request or other communication required or permitted hereunder shall be given in writing (unless otherwise specified herein) and shall be deemed effectively given on the earliest of: (i) the date delivered, if delivered by personal delivery as against written receipt therefor or by email to an executive officer named below or such officer's successor, or by facsimile (with successful transmission confirmation which is kept by sending party), (ii) the earlier of the date delivered or the third Business Day after deposit, postage prepaid, in the U.S. Postal Service by certified mail, or (iii) the earlier of the date delivered or the third Business Day after mailing by express courier with delivery costs and fees prepaid, in each case, addressed to each of the other parties thereto entitled at the following addresses (or at such other address as such party may designate by five (5) calendar days' advance written notice similarly given to each of the other parties hereto):

Section 25. Continuing Security Interest; Assignments Under the Notes. This Agreement shall create a continuing guaranty and continuing security interest in the Collateral and shall (a) continue in effect (notwithstanding the fact that from time to time there may be no Obligations outstanding) until (i) the Notes have terminated pursuant to their express terms and (ii) all of the Obligations (other than any contingent indemnification obligations not then due and payable) have been paid in full and no commitments of the Collateral Agent or the Noteholders which would give rise to any Obligations are outstanding, (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Secured Parties and their respective successors, permitted transferees and permitted assigns. Without limiting the generality of the foregoing clause (c), to the extent permitted in Section 17 of the Notes, any Noteholder may assign or otherwise transfer all or any portion of its rights and obligations under the Notes to any permitted transferee, and such permitted transferee shall thereupon become vested with all the benefits in respect thereof granted to such Noteholder herein or otherwise.

Section 26. [Reserved].

Section 27. Release; Termination. (a) Upon any disposition of any item of Collateral of any Grantor as permitted by the Transaction Documents and receipt by the Collateral Agent of a written certification by the Company that such disposition or other event, as applicable, is not permitted under the terms of the Transaction Documents (which written certification the Collateral Agent shall be entitled to rely conclusively without further inquiry), then, in the case of the foregoing clause (i), the security interests granted under this Agreement by such Grantor in such Collateral or in the assets of such Subsidiary, as applicable, shall immediately terminate and

automatically be released and, in the case of the foregoing clause (ii), Collateral Agent will, in each case and subject to the Intercreditor Agreement, promptly deliver at the Grantor's request to such Grantor all notes and other instruments representing any Pledged Debt, Receivables or other Collateral so released, and Collateral Agent will, at such Grantor's expense, promptly execute and deliver to such Grantor such documents as such Grantor shall reasonably request in writing to evidence the release of such item of Collateral from the assignment and security interest granted hereby; provided, that, no such documents shall be required unless such Grantor shall have delivered to the Collateral Agent, at least five Business Days prior to the date such documents are required by Grantor, or such lesser period of time agreed by the Collateral Agent, a written request for release describing the item of Collateral and the consideration to be received in the sale, transfer or other disposition and any expenses in connection therewith, together with a form of release for execution by the Collateral Agent (which form shall be reasonably acceptable to the Collateral Agent) and a certificate of such Grantor to the effect that the transaction will be in compliance with the Transaction Documents.

(b) At such time as the Obligations shall have been paid in full, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Collateral Agent and each Grantor hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Collateral Agent shall promptly deliver to such Grantor any Collateral held by the Collateral Agent hereunder, and promptly execute and deliver to such Grantor such documents as such Grantor shall reasonably request in writing to evidence such termination. At the request and sole expense of the Company, a Guarantor shall be released from its obligations hereunder in the event that all the Capital Stock of such Guarantor shall be sold, transferred or otherwise disposed of.

(c) The Noteholders irrevocably authorize the Collateral Agent to and the Collateral Agent shall upon receipt by the Collateral Agent of a written certification by the Company that such release or other event, as applicable, is not prohibited under the terms of the Transaction Documents (which written certification the Collateral Agent shall be entitled to rely conclusively without further inquiry):

(i) release any Lien on any property granted to or held by the Collateral Agent under any Transaction Document if required or otherwise approved, authorized or ratified in writing in accordance with the terms of the Transaction Documents, including pursuant to the Intercreditor Agreement;

(ii) release the Company or any Guarantor from its obligations under the Transaction Documents if such person (i) ceases to be a Subsidiary or (ii) becomes an Unrestricted Subsidiary, in each case, as a result of a transaction or designation permitted under the terms of the Transaction Documents; provided that no such release shall occur with respect to an entity that becomes an Unrestricted Subsidiary if the Company or any Guarantor continues to be a guarantor in respect of the ABL Facility unless and until each guarantor is (or is being simultaneously) released from its guarantee with respect to the ABL Facility;

(iii) release any Lien on any property granted to or held by the Collateral Agent under any Transaction Document on any assets that are excluded from the Collateral; and

(iv) enter into or amend an intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral.

(d) Notwithstanding anything to the contrary contained herein or in any other Transaction Document, the Collateral Agent shall, upon receipt by the Collateral Agent of a written certification by the Company that such disposition or other event, as applicable, is not prohibited under the terms of the Transaction Documents (which written certification the Collateral Agent shall be entitled to rely conclusively without further inquiry), without notice to or vote or consent of, any Noteholder, take such actions as shall be reasonably requested in writing by the Company as necessary or desirable to release, or document the release, by the Collateral Agent, of the security interest in any Collateral being sold, disposed of or transferred in a transaction permitted by the Transaction Documents, in each case to a person other than the Company and its Subsidiaries, and to release any guarantee obligations under any Transaction Documents of any person being sold, disposed of or transferred to a person other than the Company or its Subsidiaries, or no longer required to provide a guaranty hereunder to the extent necessary to permit consummation of such sales or dispositions of assets in accordance with the Transaction Documents.

Section 28. Right of Setoff. If one or more Events of Default shall have occurred and be continuing, each Noteholder shall have the right, in addition to and not in limitation of any right which any such Noteholder may have under Applicable Law or otherwise, to set off and apply any and all deposits (general or special, time or demand, provisional or final), at any time held and other obligations at any time owing by such Noteholder to or for the credit or the account of the Company against any of and all the obligations of the Company now or hereafter existing under this Agreement and the other Transaction Documents held by such Noteholder, irrespective of whether or not such Noteholder shall have made any demand under this Agreement or such other Transaction Document and although such obligations may be unmatured. The rights of each Noteholder under this Section 28 are in addition to other rights and remedies (including other rights of setoff) which such Noteholder may have. No Noteholder will, or will permit any of its successors or permitted assigns to, exercise its rights under this Section 28 without the consent of the Required Noteholders. ANY AND ALL RIGHTS TO REQUIRE THE COLLATERAL AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES ANY OF THE OBLIGATIONS PRIOR TO THE EXERCISE THE SETOFF UNDER THIS SECTION ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

Section 29. Appointment and Administration by Collateral Agent.

(a) Each Noteholder hereby irrevocably designates and appoints Wilmington Trust, National Association as Collateral Agent under this Agreement and the other Transaction Documents and as Second Priority Representative under the Intercreditor Agreement. The general administration of this Agreement and the related security documents and instruments shall be by the Collateral Agent in its capacity as such and, with respect to the Intercreditor Agreement, as Second Priority Representative. By accepting the benefits of this Agreement and the other Transaction Documents, the Noteholders each hereby (a) irrevocably authorize the Collateral Agent (i) to enter into the Transaction Documents to which it is a party, and (ii) at its discretion, to take or refrain from taking such actions as agent on its behalf and to exercise or refrain from exercising such powers under the Transaction Documents as are delegated by the terms hereof or thereof, as appropriate, together with all powers reasonably incidental thereto, and (b) agrees and consents to all of the provisions of this Agreement and the Intercreditor Agreement. All Collateral shall be held or administered by the Collateral Agent (or its duly-appointed agent) for its own benefit and for the ratable benefit of the other Secured Parties in their capacity as such and no Secured Party (other than the Collateral Agent) shall be required to execute this Agreement as a party thereto. The Collateral Agent shall have no duties or responsibilities except as set forth in this Agreement and the other Transaction Documents, nor shall it have any fiduciary relationship with any other Secured Party, and no implied covenants, responsibilities, duties, obligations, or liabilities shall be read into the Transaction Documents or otherwise exist against the Collateral Agent.

(b) Any occasion requiring or permitting an approval, consent, discretion, waiver, election or other action on the part of the Noteholders, shall be taken by the Collateral Agent (upon receipt by the Collateral Agent from the Company of the Note Register, or certification of the Noteholders if the Company fails to provide such Note Register, in accordance with clause (m)), for and on behalf or for the benefit of all Secured Parties upon the direction of the Required Noteholders, and any such action shall be binding on all Secured Parties. The Collateral Agent, when acting on behalf of the Secured Parties, may execute any of its respective duties under this Agreement by or through any of its officers, agents and employees, and neither the Collateral Agent nor its respective directors, officers, agents or employees shall be liable to any other Secured Party for any action taken or omitted to be taken in good faith, or be responsible to any Noteholder for the consequences of any oversight or error of judgment, or for any loss, except to the extent of any liability imposed by law by reason of the Collateral Agent's own gross negligence or willful misconduct. Neither the Collateral Agent nor its directors, officers, agents and employees shall in any event be liable to any Noteholder for any action taken or omitted to be taken by it pursuant to instructions received by it from the Required Noteholders, or in reliance upon the advice of counsel selected by it. Without limiting the foregoing, neither the Collateral Agent nor any of its respective directors, officers, employees, or agents shall be: (i) responsible to any Noteholder for the due execution, validity, genuineness, effectiveness, sufficiency, or enforceability of, or for any recital, statement, warranty or representation in, this Agreement, any other Transaction Document or any related agreement, document or order; (ii) required to ascertain or to make any inquiry concerning the

performance or observance by the Company or any Guarantor of any of the terms, conditions, covenants, or agreements of this Agreement or any of the Transaction Documents; (iii) responsible to any other Secured Party for the state or condition of any properties of the Company, any Guarantor or any other obligor hereunder constituting Collateral for the Obligations or any information contained in the books or records of the Company or any Guarantor; (iv) responsible to any Noteholder for the validity, enforceability, collectability, effectiveness or genuineness of this Agreement or any other Transaction Document or any other certificate, document or instrument furnished in connection therewith; or (v) responsible to any Noteholder for the validity, priority or perfection of any Lien securing or purporting to secure the Obligations or for the value or sufficiency of any of the Collateral.

(c) The Collateral Agent may execute any of its duties under this Agreement or any other Transaction Document by or through its agents or attorneys-in-fact, and shall be entitled to the advice of counsel concerning all matters pertaining to its rights and duties hereunder or under the other Transaction Documents. The Collateral Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(d) Neither the Collateral Agent nor any of its directors, officers, employees, or agents shall have any responsibility to the Company or any Guarantor on account of the failure or delay in performance or breach by any other Secured Party of any of its respective obligations under this Agreement or any of the other Transaction Documents or in connection herewith or therewith.

(e) The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any notice, consent, certificate, affidavit, or other document or writing believed by them in good faith to be genuine and correct and to have been signed, sent or made by the proper person or persons, and upon the advice and statements of legal counsel (including, without, limitation, counsel to the Company or any Guarantor), independent accountants and other experts selected by the Company or any Guarantor or any Secured Party. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Transaction Document unless they shall first receive such advice or concurrence of the Required Noteholders as it deems appropriate or they shall first be indemnified to its satisfaction by the other Secured Parties against any and all liability and expense which may be incurred by them by reason of the taking or failing to take any such action.

(f) The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Event of Default unless the Collateral Agent has actual knowledge of the same or has received notice from the Company or any Guarantor referring to this Agreement, describing such Event of Default and stating that such notice is a "notice of event of default". In the event that the Collateral Agent obtains such actual knowledge or receives such a notice, the Collateral Agent shall give prompt notice thereof to each of the other Secured Parties. Upon and during the occurrence of an Event of Default, the Collateral Agent shall take such action with respect to such Event of Default as shall be reasonably directed by the Required Noteholders.

Unless and until the Collateral Agent shall have received such direction, the Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Event of Default as it shall deem advisable in the best interest of the Secured Parties. In no event shall the Collateral Agent be required to comply with any such directions to the extent that the Collateral Agent believes that its compliance with such directions would be unlawful.

(g) Each Secured Party (other than the Collateral Agent) acknowledges that it has, independently and without reliance upon the Collateral Agent or any other Secured Party, and based on the financial statements prepared by the Company and the Guarantors and such other documents and information as it has deemed appropriate, made its own credit analysis and investigation into the business, assets, operations, property, and financial and other condition of the Company and the Guarantors and has made its own decision to enter into this Agreement and the other Transaction Documents.

(h) Each of the Noteholders agrees to (a) reimburse the Collateral Agent and its Affiliates for such Secured Party's Applicable Percentage of (i) any expenses and fees incurred by the Collateral Agent for the benefit of Secured Parties under this Agreement and any of the other Transaction Documents, including counsel fees and compensation of agents and employees paid for services rendered on behalf of the Secured Parties, and any other expense incurred in connection with the operations or enforcement thereof not reimbursed by the Secured Parties and (ii) any expenses of any Collateral Agent incurred for the benefit of the Secured Parties that the Company or the Guarantors have agreed to reimburse pursuant to this Agreement or any other Transaction Document and have failed to so reimburse and (b) indemnify and hold harmless each Collateral Agent and any of its Affiliates, directors, officers, employees, or agents, on demand, in the amount of such Secured Party's Applicable Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against it or any Secured Party in any way relating to or arising out of this Agreement or any of the other Transaction Documents or any action taken or omitted by it or any of them under this Agreement or any of the other Transaction Documents to the extent not reimbursed by the Company or any Guarantor, including costs of any suit initiated by any Collateral Agent against any Secured Party (except such as shall have been determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of the Collateral Agent); provided, however, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Secured Party in its capacity as such. The provisions of this Section 29(h) shall survive the repayment of the Obligations.

(i) It is understood and agreed that the Collateral Agent shall have the same rights and powers hereunder (including the right to give such instructions) as the other Noteholders and may exercise such rights and powers, as well as their rights and powers under other agreements and instruments to which they are or may be party, and engage in other transactions with the Company or any Guarantor, as though they were not the Collateral Agent.

The Collateral Agent and its Affiliates may engage in any kind of commercial or investment banking, trust, advisory or other business with the Company and its Affiliates as if it were not an Agent hereunder.

(j) The Collateral Agent may deem and treat a Noteholder party to this Agreement as Noteholder unless and until the Collateral Agent shall have received a notice of transfer of the Note held by such Noteholder.

(k) The Collateral Agent may resign at any time by giving thirty (30) Business Days' prior written notice thereof to the other Secured Parties and the Company. Upon any such resignation of the Collateral Agent, the Required Noteholders shall have the right to appoint a successor Collateral Agent, which, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Company (whose consent in any event shall not be unreasonably withheld or delayed). If no successor Collateral Agent shall have been so appointed by the Required Noteholders and/or none shall have accepted such appointment within thirty (30) Business Days after the retiring Collateral Agent's giving of notice of resignation, the retiring Agent may, on behalf of the other Secured Parties, appoint a successor Collateral Agent which shall be a person capable of complying with all of the duties of the Collateral Agent hereunder (in the opinion of the retiring Collateral Agent and as certified to the other Secured Parties in writing by such successor Collateral Agent) which, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Company (whose consent shall not in any event be unreasonably withheld or delayed). Upon the acceptance of any appointment as Collateral Agent by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent and the retiring Collateral Agent shall be discharged from its duties and obligations under this Agreement.

After any retiring Collateral Agent's resignation hereunder as Collateral Agent, the provisions of Section 22 of this Agreement and this Sections 29 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was such Collateral Agent under this Agreement.

**Eastman Kodak Announces Issuance of \$100 million 5.00% Secured Convertible
Notes to Clients of Southeastern Asset Management**

Proceeds to be used to repay the outstanding first lien term loans in full

ROCHESTER, N.Y.—May 21, 2019 — Eastman Kodak Company (NYSE:KODK) today announced that it has entered into an agreement for the issue and sale of \$100 million aggregate principal amount of its 5.00% Secured Convertible Notes due 2021 (the “Convertible Notes”) to funds managed by Southeastern Asset Management, Inc., an employee-owned, global investment management firm (“Southeastern”).

Kodak intends to use the net proceeds of the issuance and sale of the Convertible Notes to prepay in full its outstanding first lien term loans, and the remainder for general corporate purposes. To facilitate the Convertible Notes issuance, Kodak expects to enter into an amendment to its asset based revolving credit facility to permit the incurrence of the Convertible Notes.

“Over the last few months, the Company has worked diligently to improve its capital structure. This refinancing is a major milestone for the Company and supplements the proceeds from the recent packaging sale to completely repay the Company’s first lien term debt of approximately \$395 million,” said James Continenza, Kodak’s Executive Chairman. “It improves the Company’s balance sheet, provides additional capital and lowers debt service costs, which will support the realignment of our business and our emphasis on meeting our customer needs.”

The transaction has been approved by a special committee of Kodak’s board of directors comprised of independent directors who are not affiliated with Southeastern and by Kodak’s board of directors.

The transaction is expected to close during the second quarter of 2019. The closing conditions in the purchase agreement include entry by the shareholders who are not affiliated with Southeastern holding a majority of the outstanding shares of common stock into support agreements pursuant to which such shareholders agree to execute a written consent approving the issuance of the Convertible Notes, the conversion feature of the Convertible Notes and the issuance of the shares of common stock issuable upon conversion of the Convertible Notes, and related matters.

Summary of Key Terms

The Convertible Notes will be issued in an aggregate principal amount of \$100 million. The maturity date of the Convertible Notes will initially be November 1, 2021, which may be extended at Kodak's option by up to three years in the event that the Series A preferred stock is refinanced with debt or equity or the mandatory redemption date of the Series A preferred stock is extended. The Convertible Notes will accrue interest at a rate of 5.00% per annum, payable to holders on conversion (as to the portion of the outstanding balance being converted) and on maturity.

At any time while the Convertible Notes are outstanding, the holders may convert the Convertible Notes to shares of common stock at a conversion rate equal to 314.9785 shares of common stock per each \$1,000 principal amount of Convertible Notes (based on a conversion price equal to \$3.17482 per share of common stock (the "Conversion Price"), which represents a 10% premium to the volume weighted average price of the shares of common stock for the five day trading period ended on April 9, 2019) (the "Conversion Rate"). On an as-converted basis, the Convertible Notes will represent approximately 31,497,850 shares of Common Stock, or 42.28% of the shares of Common Stock outstanding after giving effect to the issuance and conversion. The Conversion Rate and Conversion Price will be subject to certain customary anti-dilution adjustments.

Kodak may elect to convert all outstanding Convertible Notes to shares of common stock at the Conversion Price in the event that its shares of common stock trade at or above 150% of the Conversion Price for 45 trading days in any period of 60 consecutive trading days.

Kodak may also elect to repay all outstanding Convertible Notes at par plus accrued and unpaid interest during a specified period following certain fundamental transactions.

The rights of the holders to convert the Convertible Notes into shares of common stock will not be effective until the Company has obtained approval of the issuance of the Convertible Notes, the conversion feature of the Convertible Notes and the issuance of the shares of common stock issuable upon conversion of the Convertible Notes, from the holders of a majority of the outstanding shares of common stock not beneficially owned by Southeastern.

The Convertible Notes will be guaranteed by certain domestic subsidiaries of Kodak (the "Subsidiary Guarantors") and will be secured by a second priority lien on certain receivables, inventory and other assets of Kodak and the Subsidiary Guarantors, in which the lenders under Kodak's asset based revolving credit facility have a first priority security interest.
