**AMENDED AND RESTATED SETTLEMENT AGREEMENT
EASTMAN BUSINESS PARK**

THIS SETTLEMENT AGREEMENT, originally dated as of June 17, 2013 and amended and restated as of August 6, 2013 (as amended and restated, this "Settlement Agreement"), is entered into by and between **Eastman Kodak Company** ("Kodak") and its affiliated debtors and debtors-in-possession (collectively, the "Debtors") in case No. 12-10202 (ALG) (the "Bankruptcy Case") currently pending in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), the **New York State Department of Environmental Conservation** ("DEC"), and the **New York State Urban Development Corporation d/b/a Empire State Development**, a public benefit corporation of the State of New York ("ESD") (collectively, the "Parties").

RECITALS

A. Kodak's principal manufacturing facility in New York State is Eastman Business Park, a 1,200-acre technology center and industrial complex located in Monroe County, New York (the "Park").

B. The Park includes businesses and provides services that are critically important to the economy and general welfare of the City of Rochester, Monroe County, New York, and New York State. It is in the interest of New York State to encourage the continued operation of the Park as a first class technology center and industrial complex.

C. Assuming the implementation of this Settlement Agreement and in consideration of the obligations of the other Parties hereunder, Kodak shall prosecute a chapter 11 plan of reorganization that contemplates Kodak's continued (i) operation at the Park for at least ten years with operations including toner manufacturing, pigment milling and dispersion manufacturing, specialty chemical manufacturing and solvent recovery business lines (the "Kodak Business Lines"), (ii) maintenance at the Park of the research and development functions of the Kodak Technical Center, (iii) utilization of the integrated support systems servicing the Kodak Business Lines and Kodak Technical Center, (iv) operation of built-in and specially installed equipment which cannot be feasibly relocated, and (v) occupancy and use of a minimum square footage of space at the Park, as its owner or as a tenant on the terms and conditions set forth herein.

D. DEC has filed claims numbers 5775 through 5787 in the Bankruptcy Case (the "DEC Claims") and have asserted various hazardous waste permit and corrective permit obligations ("Clean-Up Obligations") against Kodak as owner and operator of the Park, and the United States has filed related claim 5609 with respect to historical Kodak discharges to the Genesee River.

E. In addition, Kodak has entered into the Asset Purchase Agreement, dated as of December 21, 2012 (the "Initial Utility Purchase Agreement"), between Kodak and RED-Rochester LLC ("RED"), pursuant to which Kodak will sell to RED utility operations essential for the continued operation of the Park and RED will acquire such operations and assume certain related liabilities and obligations (the "Utility Purchase"). The consummation of the Utility

Purchase is subject to, among other things, the receipt of certain approvals and/or assurances from DEC and ESD. Each of DEC and ESD has informed Kodak that it is currently unwilling to provide the necessary approvals and/or assurances to satisfy the conditions to the Utility Purchase without the effectiveness of this Settlement Agreement, the establishment of the Trust (as defined below) and the amendment of the Initial Utility Purchase Agreement as contemplated hereby.

F. The parties wish to implement the consensual resolution of the DEC Claims and the Clean-Up Obligations, and to facilitate the receipt of the necessary approvals and/or assurances from DEC and ESD to consummate the Utility Purchase, in accordance with the terms of this Settlement Agreement.

G. Kodak and RED are entering into an amendment agreement with respect to the Initial Utility Purchase Agreement (as amended, the "Amended Utility Purchase Agreement"), pursuant to which RED shall contribute not less than \$8,500,000 of the funds necessary to establish the Trust subject to the consummation of the Utility Purchase and RED shall agree, as a condition of receiving a covenant not to sue from DEC, (i) to Treat Wastewater (as defined below) without cost or expense to the Trust and (ii) that any future transfer of the wastewater treatment center to a party that does not covenant to Treat Wastewater at no cost or expense to the Trust shall be null and void.

H. ESD and RED are entering into the ESD-RED Agreement (the "ESD-RED Agreement"), after which, upon the consummation of the Utility Purchase and the approval of New York Public Service Commission ("PSC") in accordance with the laws of the State of New York, RED shall provide utility and other services at the Park in accordance with the terms and conditions thereof.

NOW, THEREFORE, for and in consideration of the mutual covenants and promises of the parties, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby covenant and agree as follows:

PARTIES' OBLIGATIONS AFTER IMPLEMENTATION

4.1 Minimum Kodak Footprint. Kodak will prosecute a Plan prior to the Effective Date and, subject to Article 4.2, use and occupy the Park after the Implementation Date, consistent with the Minimum Kodak Footprint and the terms and conditions of this Settlement Agreement. In the event that Kodak consummates the previously-announced disposition of its Document Imaging and Personalized Imaging businesses to affiliates of the Kodak Pension Plan,

(a) Kodak shall enter into one or more leases with the new owners and operators of such businesses pursuant to which the tenants will lease at least 300,000 square feet within building 205 for a period of five or more years (with at least three years committed) on such terms as Kodak and the tenants may agree (the "DI/PI Lease") and (b) the Minimum Kodak Footprint shall be reduced accordingly.

4.2 Sale of the Park. After the Implementation Date, with respect to any sale or disposition of all or substantially all of Kodak's ownership interests in the Park:

(a) such sale or disposition shall be subject to the DI/PI Lease, which shall continue to reflect the applicable requirements of Article 4.1;

(b) the purchase contract shall require the purchaser to enter into a lease or leases with Kodak for Kodak's continued occupancy and use of the Park on terms reasonably acceptable to ESD consistent with the Minimum Kodak Footprint (as reduced in accordance with Article 4.1) at the Kodak EBP Lease Rates through 2016, and thereafter, on terms reasonably acceptable to ESD, unless ESD otherwise agrees;

(c) each of ESD and Kodak shall work together in good faith and take such actions as the other may reasonably request to ensure that: (i) the purchaser enjoys the benefit of the Trust, the DEC Covenant and all of the undertakings of ESD set forth in this Settlement Agreement and (ii) in the case of a sale of all or substantially all of Kodak's ownership interests in the Park; (x) the purchaser is creditworthy, responsible and has the competence, commitment and financial ability to maintain and improve the Park to attract and retain leading technological and industrial tenants; and (y) such sale is an arms-length market transaction and shall not result in a material adverse impact on the remaining tenants at the Park;

(d) in the case of a sale of all or substantially all of Kodak's ownership interest in the Park, such sale shall be subject to the reasonable approval of ESD that the purchaser meets the standards described in Articles 4.2(c)(ii) and 4.4; and

(e) ESD and DEC shall be third-party beneficiaries of the purchaser's post-closing obligations under any such sale or disposition agreement.

4.3 Administrative Expense Status. Prior to the Effective Date, all of Kodak's monetary obligations under this Settlement Agreement shall constitute administrative expenses under section 503(b) of the Bankruptcy Code. On the Effective Date, the Parties hereto stipulate and agree that this Settlement Agreement shall be assumed by and vest with Kodak's reorganized successors pursuant to the terms of the Plan automatically upon confirmation of the Plan, without any further action by any person or order of the Bankruptcy Court. In addition, on the Effective Date, Kodak shall deposit the sum of \$17,600,000 in cash in an escrow account on customary terms with a bank reasonably acceptable to both Parties to be held as credit support for the performance by Kodak's reorganized successors on the Implementation Date of its obligation under Section 3.1(b) in accordance with the terms and conditions hereof.

4.4 Ongoing Cooperation. After the Implementation Date, with respect to a sale or disposition of any ownership interest in the Park from Kodak after the date hereof (other than to RED), the purchase contract shall require the purchaser to:

(a) provide all commercially reasonable ongoing cooperation with DEC and the Trustees of the Trust so that the EBP Environmental Response Actions are performed as efficiently and cost effectively as practicable;

(b) solely to the extent the sale or disposition relates to an ownership interest in wastewater utilities at the Park, Treat Wastewater without cost or expense to the Trust and agree that any future transfer of an ownership interest in wastewater utilities at the Park to a party that does not covenant to Treat Wastewater at no cost or expense to the Trust shall be null and void;

(c) (i) retain and maintain for a reasonable period of time all records, files and information in its possession with regard to the implementation of EBP Environmental Response Actions; (ii) promptly, upon request, allow DEC and the Trust reasonable access to such records, files and information (including, without limitation, but subject to applicable privacy rules, any information on file regarding contractors, consultants and prior employees); and (iii) provide DEC and the Trust with reasonable access upon advanced written notice to real property or facilities for the portions of the Park under their control as necessary to implement, manage and perform EBP Environmental Response Actions;

(d) provide DEC with reasonable access to the real property, facilities, information and records reasonably necessary to the conduct of EBP Environmental Response Actions at the Park;

(e) take all commercially reasonable measures to cooperate with any action by DEC in response to conditions giving rise to EBP Environmental Response Actions at the Park;

(f) maintain existing institutional and engineering controls at the Park and, in the event Kodak or such purchaser modifies any surface feature in a manner that adversely affects DEC's actions at the Park or institutional or engineering controls at the Park, cooperate with DEC and, at Kodak or such purchaser's cost and expense, establish any controls reasonably required in connection with such modifications; and

(g) provide, in the case of Kodak or any purchaser that has acquired all or substantially all of Kodak's ownership interests in the Park after the date hereof, (i) ESD with an annual statement indicating Kodak's expected annual occupancy costs and utility usage at the Park for three years following the Implementation Date, with each statement to be provided not later than the anniversary of the Implementation Date, and (ii) ESD and DEC with such other information concerning the Park as they reasonably request, including projected occupancy and utilization needs at the Park in form and substance reasonably acceptable to ESD and DEC.

4.5 Indemnification for Costs to Treat Wastewater. In addition to the obligations set forth in Section 4.4 above, Kodak shall indemnify DEC and the Trust for any and all costs to Treat Wastewater in the event any owner of the utilities at the Park (including, without limitation, RED) does not Treat Wastewater (or alternative arrangements are not arranged by Kodak) without cost to DEC or the Trust.

4.6 Information Sharing. Subject to Article 6.14, Kodak and DEC acknowledge and agree that information related to EBP Environmental Response Actions may be shared, in either party's discretion, and subject to advance written notice and reasonable confidentiality undertakings, with other parties having an interest in the Park or the performance of the EBP Environmental Response Actions, including without limitation, Park purchasers and tenants, the City of Rochester, Monroe County, New York State, and the U.S. Environmental Protection Agency.

4.7 DEC Cooperation. Before undertaking any material modification to projected EBP Environmental Response Actions, DEC shall give notice of such modification to Kodak and any future Park owners and thereby provide the opportunity to review and comment. DEC agrees to review and consider in good faith any comments submitted by Kodak and any future Park owners concerning such proposed modifications.

4.8 Limitation on Trust and DEC's Obligations.

(a) Neither DEC nor the Trust shall be responsible for costs associated with (i) building demolition and/or site redevelopment at the Park (including without limitation, abatement of any asbestos; lead-based paint; urea formaldehyde insulation; polychlorinated biphenyls or mercury above-ground or in structures; construction, including de-watering during construction; soil management or other reconfiguration of surface features); or (ii) operation, maintenance, replacement or retirement of the power plant, the wastewater treatment plant or any other utilities. All such obligations and responsibilities shall be performed by the owner of the applicable portion of the Park (or on its behalf by an operator of the Park), or by RED with respect to its utility operations and their successor and assigns, and Kodak shall assure that such obligations are assigned to and assumed by such owner or by RED, as the case may be, to the extent required by applicable law.

(b) Neither DEC nor the Trust shall be responsible for personal injury claims (i) based upon hazardous substances, hazardous waste, pollutants or petroleum products alleged to have been used or disposed of by Kodak, or otherwise emanating, or which have emanated from, the Park prior to the Implementation Date or (ii) with respect to exposures relating to aboveground structures or activities following the Implementation Date.

(c) The Trust shall not be responsible for any environmental remediation at any location used or alleged to have been used by Kodak other than (i) locations currently or formerly part of the Park or (ii) impacts arising out of historical discharges to the Genesee River for treatment, storage or disposal. Any responsibility under applicable law for such environmental remediation shall be retained by Kodak and Kodak shall indemnify, defend and hold DEC and the Trust harmless from all damages and claims, including reasonable attorneys' fees and expenses, arising out of, or connected with, the foregoing.

4.9 Sterling 2 and 3 Sites. Nothing herein shall alter Kodak's rights or responsibilities concerning implementation of the records of decision in accordance with the applicable consent orders governing the Sterling 2 site (registry site #442010, Order on Consent # A4-0344-9607, dated January 28, 1997 and Record of Decision dated March 28, 1996) or the Sterling 3 site (registry site # 442011, Orders on Consent #A4-0281-9204 and A4-0624-08-09, dated March 29, 1994 and August 5, 2010 and Records of Decision dated March 31, 1992 and March 30, 2009, as well an Explanation of Significant Difference, issued on July 26, 2000).

5.2 Residual Trust Funds. Any funds remaining in the Trust upon completion of all required EBP Environmental Response Actions shall be distributed to DEC to be used for any lawful purpose in DEC's sole discretion.

In order to assure implementation of the purposes of the Trust as set forth in Article 5.1 (Purpose of Trust) above, DEC shall have the right, in its sole discretion, to direct and fund from the Trust EBP Environmental Response Actions or to elect to perform EBP Environmental Response Actions at the Park itself using Trust funds and, if applicable, funds expended in excess of Trust funds up to a total of \$99 million; *provided* that, for amounts in excess of \$99 million, so long as Kodak has not materially breached any of its obligations hereunder, DEC shall consult in advance with Kodak on any material decisions and Kodak shall have the opportunity to request changes and DEC's consent to such changes shall not be arbitrarily and capriciously withheld.

5.4 Trust Accounting. The Trust shall provide Kodak with an annual accounting. Upon reasonable request, but not more frequently than annually, DEC or the Trust shall provide a report to Kodak and any future Park owners which outlines EBP Environmental Response Actions completed in the preceding year and includes a projection of EBP Environmental Response Actions planned for the next year.

Section 3. Establishment of Trust. Any securities in the Trust shall be valued at market value as of no more than 60 days prior to the anniversary date of the establishment of the Trust. Upon reasonable request, but not more frequently than annually, DEC or the Trustee shall provide a report to the Settlers and any future EBP owners which outlines Environmental Response Actions completed in the preceding year and includes a projection of Environmental Response Actions planned for the next year.

Section 11. Advice of Counsel. Trustee may from time to time, and with the written permission of the Commissioner, which permission shall not be unreasonably withheld, consult with counsel approved by DEC with respect to any question arising as to the construction of this Trust Agreement or any action to be taken hereunder. The Trustee shall be fully protected, to the extent permitted by law, in acting upon the advice of counsel, but in no event shall the Trustee assert any attorney-client or other privilege as to the Beneficiary.

Section 12. Trustee Compensation. The Trustee shall be entitled to reasonable compensation for its services and reimbursement of expenses as agreed upon in writing by the Commissioner, and such compensation shall be paid out of the Trust.

In no event shall such resignation be effective until DEC has appointed a successor Trustee, who accepts such appointment and is provided no less than ten (10) business days to confer with the resigning Trustee regarding Trust operations. DEC may terminate and/or replace the Trustee in its sole discretion. Any successor Trustee shall have the same powers and duties as those conferred upon the Trustee pursuant to this Trust Agreement and the Settlement Agreement. Upon a successor Trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over all documents and information to the successor trustee regarding the Trust. If for any reason DEC cannot or does not act in the event of the resignation of the Trustee, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor Trustee or for relief or instruction. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this section shall be paid as provided in this Trust Agreement.

Section 14. Instructions to the Trustee. All orders, requests, and instructions by DEC to the Trustee shall be in writing, signed by such persons as are designated in the attached Appendix C or such other designees as the Commissioner may designate in writing to the Trustee. The Trustee shall act and shall be fully protected in acting without inquiry in

accordance with DEC's orders, requests, and instructions. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change or a termination of the authority of any person to act on behalf of the Commissioner hereunder has occurred. The Trustee shall have no duty to act in the absence of such orders, requests, and instructions from the Commissioner except as provided for herein.

Section 15. Amendment of Trust Agreement. This Trust Agreement may be amended in a manner not materially adverse to Kodak or any EBP Party (as defined in the DEC Covenant) by an instrument in writing executed by the Trustee and the Commissioner.

Section 16. Irrevocability and Termination. Subject to the right to amend this Trust Agreement as provided in Section 15 hereof, this Trust shall be irrevocable and shall continue until terminated at the written notice of the Commissioner. EXHIBIT B

DEC Covenant

AGREEMENT WITH COVENANTS NOT TO SUE

INTRODUCTION

THIS AGREEMENT WITH COVENANTS NOT TO SUE (this "Covenant") is made this day of 2013 by and between the **New York State Department of Environmental Conservation** ("DEC") and **Eastman Kodak Company** ("Kodak") (DEC and Kodak are collectively referred to as the "Parties").

BACKGROUND

WHEREAS, Eastman Business Park ("EBP") covers more than 1,100 acres and is located at 1669 Lake Avenue, in the City of Rochester and Town of Greece, New York. EBP includes more than 125 manufacturing buildings, 30 miles of roads, power generation facilities for steam and electricity, an industrial sewer system linked with the Kings Landing Treatment Facility, a sewer system linked to the Monroe County Sewage Treatment Facility, railroad infrastructure, fire department, water treatment facilities, a hazardous waste incinerator, and on-site landfills used for disposal of commercial and industrial wastes, including hazardous wastes.

WHEREAS, portions of EBP are presently owned and/or operated by Kodak as a debtor-in-possession in Bankruptcy Case No. 12-10202 (ALG) (the "Bankruptcy Case") pending in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court").

WHEREAS, Kodak's operations at EBP are subject to regulation by DEC pursuant to, *inter alia*, New York State Environmental Conservation Law ("ECL"); New York State Navigation Law ("NL"); the Federal Resource Conservation and Recovery Act ("RCRA"); the Comprehensive Environmental Responsibility Compensation and Liability Act ("CERCLA"); the Clean Air Act ("CAA") and the Clean Water Act ("CWA").

WHEREAS, There have been permitted and unpermitted air emissions, discharges of wastewater and storm water as well as releases of hazardous substances and hazardous wastes, as those terms are defined by 42 U.S.C. 9601(14), 42 U.S.C. 6903(5) and 6 NYCRR 371.1 which have resulted in contamination of soil and groundwater at EBP as well as sediments and surface waters in areas adjoining EBP. In response to contamination at EBP, DEC issued DEC Permit #8-2614-0205/00/04 (the "RCRA Permit") to Kodak. DEC issued the RCRA Permit pursuant to 6 NYCRR 373. The RCRA Permit sets forth detailed operation, closure and post-closure care and maintenance requirements, as well as corrective action requirements for EBP.

WHEREAS, To address the threat to public health, welfare and the environment posed by the identified contamination at EBP, the RCRA Permit requires that Kodak take corrective action including without limitation operating a wastewater treatment system which collects storm water, contaminated groundwater from Kodak's corrective actions required by the RCRA Permit as well as leachate and contaminated groundwater generated by the Weiland Road Landfill required pursuant to 6 NYCRR Part 360 and Administrative Consent Order R8-1046-95-02 dated February 15, 1996.

WHEREAS, Portions of EBP have been designated as inactive hazardous waste disposal sites by DEC, including sites # 8288071; 828074; 828092 and 828082.

WHEREAS, Pollutants, hazardous substances and hazardous wastes have been discharged from EBP into the adjacent Genesee River. Investigations into conditions in the Genesee River and related dredge spoils are ongoing and response actions may be necessary to address the threat to public health, welfare and the environment posed by the contamination of the Genesee River caused by Kodak.

WHEREAS, Kodak's financial status and bankruptcy may prevent Kodak from complying with all of the corrective action requirements of the RCRA Permit, the order and regulatory obligations governing Weiland Road Landfill, and otherwise responding to contamination at, or which has emanated from, EBP. As a result, Kodak has proposed funding an environmental response trust (the "Environmental Response Trust") to address its obligations to DEC at EBP.

WHEREAS, DEC, the New York State Urban Development Corporation, doing business as Empire State Development ("ESD"), and Kodak entered into a Settlement Agreement, dated _____, 2013 (the "Settlement Agreement"), governing the creation and use of the Environmental Response Trust and entry into this Covenant; and

WHEREAS, On or about _____, the Bankruptcy Court issued an order in the Bankruptcy Case approving the Settlement Agreement pursuant to Section 363 of the Bankruptcy Code and Rule 9019 of the Federal Rules of Bankruptcy Procedure.

NOW THEREFORE, the Parties agree as follows:

ARTICLE I

DEFINITIONS

1.1 Unless otherwise expressly provided herein, terms used in the Covenant that are defined in the ECL or the regulations promulgated thereunder shall have the meanings assigned to them in the ECL or such regulations. Wherever the terms listed below are used in this Covenant they shall have the following meanings:

"Allowed Post-Petition Trust Claim" means the administrative claim against Kodak contemplated by Section 3.1(c) of the Settlement Agreement and defined therein as the "Allowed Post-Petition Trust Claim."

"EBP Parties" means any person or entity, whether or not affiliated with Kodak, that was not an owner or tenant of EBP on the date of the Settlement Agreement but that takes title or any interest in EBP from Kodak after the date of the Settlement Agreement pursuant to Article VII of this Covenant, that has or is alleged to have any present or future liability or responsibility to DEC, New York State, the United States or any agency or instrumentality thereof with respect to any Pre-Existing Environmental Liability or any other environmental subsurface condition in existence prior to the Implementation Date at current and former parcels of the Park and historical discharges from the Park to the Genesee River.

“**Effective Date**” means the date upon which both parties duly execute and deliver copies of this Covenant, the Settlement Agreement has been approved by an order entered by the Bankruptcy Court and all time periods to appeal the order have expired.

“**Laws**” means applicable federal, state or local statutes, common-law, rules, regulations, consent orders or injunctions.

“**Pre-Existing Environmental Liability**” means liabilities for conditions on, at, under or about EBP arising under any Laws for any spill, discharge, escape, release or threatened release of hazardous substances or hazardous wastes which occurred prior to the Effective Date including without limitation liabilities based upon: (i) contamination of soil, surface water, sediments or groundwater at EBP; (ii) contamination of sediments and surface waters in the Genesee River adjoining EBP which originated at EBP, or (iii) contamination due to on-going migration or passive emissions (including soil vapors) from hazardous substances or hazardous wastes which are the result of discharges or other events at EBP which occurred entirely prior to the Effective Date; *provided, however*, that to the extent that any liability is due, in part, to discharges or other events which occurred prior to the Effective Date and, in part, to discharges or other events (including the negligent acts or omissions of Kodak) which occur after the Effective Date, then that portion of the liability which is caused by Kodak’s acts or omissions after the Effective Date shall not constitute a Pre-Existing Environmental Liability; and *provided further* that with regard to any building or equipment at EBP owned or operated by Kodak, the presence of asbestos; lead based paint; urea formaldehyde insulation; polychlorinated biphenyls; mercury; or any other hazardous substance as a component or constituent of any building, building material or equipment which exists prior to the Effective Date shall not render the condition a Pre-Existing Environmental Liability and Kodak shall comply with all Laws governing the management, abatement and/or disposal of such material to the extent triggered by or applicable to Kodak’s operation, demolition, modification or refurbishment of such building or equipment.

ARTICLE II

KODAK’S OPERATIONS

2.1 Kodak shall conduct its activities at EBP in compliance with applicable Laws and nothing contained in this Covenant shall be construed to authorize any unpermitted releases of any hazardous substances, hazardous wastes or pollutants by Kodak or any operation or activity by Kodak in violation of the ECL or any applicable Laws.

ARTICLE III

COVENANT NOT TO SUE

3.1 Upon Kodak’s payment in full of the Allowed Post-Petition Trust Claim, and subject to the reservation of claims and defenses set forth in Article VI hereof, the DEC hereby covenants not to sue, execute judgment, or take any civil, judicial or administrative action under any federal, state, local, or common law or other actions for costs, damages, enforcement costs, interest, contribution or attorney’s fees (other than enforcement of this Covenant) against the EBP Parties for any Pre-Existing Environmental Liabilities at EBP.

3.2 Subject to the reservation of claims and defenses set forth in Article VI hereof, Kodak covenants not to assert any claims or causes of action under any federal, state, local, or common law against the DEC, or its employees, agencies or departments, or to seek against the DEC any costs, damages, contribution or attorneys' fees arising out of or related to conditions at EBP or any Pre-Existing Environmental Liabilities.

ARTICLE IV

CONTRIBUTION PROTECTION

4.1 To the extent authorized under 42 U.S.C. § 9613 and New York General Obligations Law § 15-108, Kodak shall be deemed to have resolved its liability to DEC for purposes of contribution protection provided by CERCLA Section 113(f)(2) for Pre-Existing Environmental Liabilities.

4.2 DEC shall not oppose any motion or application by Kodak in any subsequent proceeding which seeks the contribution protection that this Covenant is intended to provide to Kodak.

4.3 If DEC takes any action in connection with a Pre-Existing Environmental Liability, including without limitation any administrative proceeding, which results in any other third party asserting against Kodak a claim in the nature of contribution, which claim is based, in whole or in part, on the allegation that the claimant and Kodak share a common liability to DEC, then to the extent authorized under the ECL, the New York General Obligations Law § 15-108, and any other applicable law, upon written request by Kodak, DEC agrees to confirm to any administrative agency, court or tribunal that Kodak's funding of the Environmental Response Trust performance of its obligations under the Settlement Agreement and this Covenant represent Kodak's fair share of liability or responsibility to DEC for Pre-Existing Environmental Liabilities and DEC shall take any reasonable action requested by Kodak to modify DEC's pleadings or judgment to ensure that Kodak is not exposed to claims in the nature of contribution; *provided, however*, that nothing in this Covenant shall obligate DEC to initiate any judicial proceeding, or otherwise initiate any action seeking a judicial declaratory ruling, for the benefit of Kodak.

ARTICLE V

DISPUTE RESOLUTION

5.1 Any determination by DEC that Kodak has liability or potential liability for or as a result of a condition on, at, under or about current and former parcels of EBP which DEC alleges is not a Pre-Existing Environmental Liability shall be subject to dispute resolution pursuant to this Article V, provided that (i) within 10 business days of receipt of a notice from DEC that Kodak has liability or potential liability for or as a result of a condition on, at, under or about current and former parcels of EBP which DEC alleges is not a Pre-Existing Environmental Liability (a "Liability Notice"), Kodak requests in writing that the matter in dispute be resolved by the DEC's Deputy Commissioner for Remediation and Materials Management (the "Deputy Commissioner") and, (ii) within 30 calendar days of receipt of the Liability Notice, Kodak submits a written statement of the issues in dispute, which shall include the facts upon which the

dispute is based, the factual data, analysis or opinion(s) supporting Kodak's position, and all supporting documentation on which it relies, including, if applicable, affidavits and/or declarations (a "Statement of Position"). DEC shall serve its Statement of Position, and all supporting documentation, including, if applicable, affidavits and/or declarations no later than 30 calendar days after receipt of Kodak's Statement of Position. Kodak shall have 10 business days after receipt of DEC's Statement of Position within which to serve a reply. If Kodak does not timely comply with the requirements of this paragraph, then the DEC's Liability Notice shall be deemed final and binding on Kodak. The time periods for the exchange of Statements of Position and replies may be modified upon Covenant in writing of the parties. An administrative record of any dispute under this paragraph shall be maintained by DEC. The record shall include the Statement of Position served by each Party and any relevant information submitted by a Party to the dispute. The record shall be available for review by Kodak and the public, consistent with the Freedom of Information Law (New York Public Officers Law Article 6).

5.2 Upon review of the administrative record as developed pursuant to Article 5.1 hereof, the Deputy Commissioner shall promptly issue a final decision resolving the dispute.

5.3 The invocation of formal dispute resolution procedures under this Article V shall not stay or excuse the performance of work required pursuant to the disputed DEC determination, or Liability Notice, except by written agreement of the DEC or by the Deputy Commissioner upon written application from Kodak. Kodak shall have the burden of establishing the necessity and appropriateness of such a stay or excuse based on the likelihood of success on the merits with respect to the matter in dispute and a balancing of the equities. The Deputy Commissioner's decision not to grant an extension is subject to judicial review pursuant to paragraph D of this Article V. The decision of the Deputy Commissioner shall be final and binding upon Kodak unless within 30 calendar days of receipt of the Deputy Commissioner's decision, Kodak petitions for review by a court of competent jurisdiction.

5.4 If Kodak invokes the dispute resolution provisions of this Article V, DEC's Liability Notice shall not be set aside or revised by the court unless Kodak establishes that DEC's position is arbitrary, capricious or not in accordance with law.

5.5 If DEC alleges that any liability is due, in part, to discharges or releases which occurred prior to the Effective Date and, in part, to discharges or releases (including by negligent acts or omissions of Kodak) which occur after the Effective Date, then traditional concepts of divisibility and causation may be used by either Party to apportion the liability which is alleged to have been caused by Kodak's acts or omissions after the Effective Date.

ARTICLE VI

RESERVATIONS

6.1 Nothing in this Covenant, expressed or implied, is intended to confer upon any party other than the EBP Parties any rights, remedies, obligations or liabilities under or by reason of this Covenant or the settlement effectuated hereby.

Re: Employment Agreement

Dear Douglas:

This is your employment agreement (this “*Agreement*”) with Eastman Kodak Company, a New Jersey corporation (the “*Company*”).

1. Terms Schedule

Some of the terms of your employment are in the attached schedule (your “*Schedule*”), which is part of this Agreement.

2. Scheduled Term

Subject to your continued employment with the Company upon the occurrence of the “*Effective Date*” (as defined under the Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code filed by the Company (the “*Plan of Reorganization*”), the term of this Agreement will begin on the Effective Date and end as stated in your Schedule (your “*Scheduled Term*”).

3. Your Position, Performance and Other Activities

(a) *Position*. You will be employed in the position stated in your Schedule.

(b) *Authority, Responsibilities, and Reporting*. Your authority, responsibilities and reporting relationships will correspond to your position and will include any particular authority, responsibilities and reporting relationships that the Company’s Board of Directors (the “*Board*”) or any officer of the Company to whom you report may assign to you from time to time.

(c) *Performance*. You are expected to devote your best efforts and all of your business time to the affairs of the Company. You may, however, engage in any charitable, civic and community activities, provided, however, such activities do not materially interfere with your duties and responsibilities.

4. Your Compensation

(a) *Salary.* You will receive an annual base salary (your “*Salary*”). Commencing on the Effective Date, your Salary will be the amount set forth in your Schedule. Your Salary will be paid in accordance with the Company’s normal payroll practices.

(b) *Annual Incentive.* You will be eligible to participate in the Company’s short-term variable pay plan for its management level employees, known as Executive Compensation for Excellence and Leadership (“EXCEL”) (your “*Annual Incentive*”). Your annual target award under EXCEL will be determined in accordance with your Schedule. Any actual award in a given annual performance period will depend upon performance against corporate goals selected by management and approved by the appropriate committee of the Board and will be paid in the discretion of such committee and management. The terms of the EXCEL plan itself govern and control all interpretations of the plan.

(c) *Long-Term Incentive Awards.* You will be eligible to participate in the Company’s Long-Term Incentive (LTI) program under the Eastman Kodak Company 2013 Omnibus Incentive Plan (the “*Omnibus Plan*”). The amount and form of the award (the “*Long-Term Equity Award*”) to be granted to you will be determined by the Company in accordance with the terms of the Omnibus Plan and your Schedule. The specific terms, conditions and restrictions on any Long-Term Equity Award will be contained in the Administrative Guide and Award Notice delivered to you within twenty (20) business days of the grant date.

(d) *Emergence Award.* On or shortly after the Effective Date, you will be granted the emergence equity award stated in your Schedule, which will be subject to the terms and conditions set forth in the Omnibus Plan and the applicable award agreement.

5. Your Benefits

(a) *Employee Benefit Plans.* During your employment, you will be entitled to participate in the Company’s employee benefit plans, including plans that provide retirement and welfare benefits.

(b) *Vacation.* You will be entitled to paid annual vacation on the same basis as immediately prior to the Effective Date.

(c) *Additional Benefits.* During your employment, you will be provided any additional benefits stated in your Schedule.

6. Termination of Your Employment; End of Scheduled Term

(a) *No Reason Required.* Neither you nor the Company is under any obligation to continue your employment beyond the Scheduled Term. In addition, you or the Company may terminate your employment early at any time for any reason, or for no reason, subject to compliance with Section 6(c).

(b) *Related Definitions.*

(1) “*Cause*” means any of the following: (A) your continued failure, for a period of at least 30 calendar days following a written warning, to perform your

duties in a manner deemed satisfactory by your supervisor, in the exercise of his or her sole discretion; (B) your failure to follow a lawful written directive of the Chief Executive Officer, your supervisor or the Board; (C) your willful violation of any material rule, regulation, or policy that may be established from time to time for the conduct of the Company's business; (D) your unlawful possession, use or sale of narcotics or other controlled substances, or performing job duties while illegally used controlled substances are present in your system; (E) any act or omission or commission by you in the scope of your employment (a) which results in the assessment of a civil or criminal penalty against you or the Company, or (b) which in the reasonable judgment of your supervisor could result in a material violation of any foreign or U.S. federal, state or local law or regulation having the force of law; (F) your conviction of or plea of guilty or no contest to any crime involving moral turpitude; (G) any misrepresentation of a material fact to, or concealment of a material fact from, your supervisor or any other person in the Company to whom you have a reporting relationship in any capacity; or (H) your breach of the Company's Business Conduct Guide or the Eastman Kodak Company Employee's Agreement.

(2) "Disability" means disability under the terms of the Company's Long-Term Disability Plan.

(3) "Good Reason" means any of the following: (A) a material diminution in your total target cash compensation, comprised of your Salary and target Annual Incentive; (B) a material diminution in your authority or responsibilities as provided in Section 3(b); (C) the transfer of your primary work site to a new primary work site that increases your one-way commute to work by more than 35 miles; (D) any material breach of this Agreement by the Company; or (E) any purported termination by the Company of your employment other than as expressly permitted by this Agreement.

(c) *Advance Notice Generally Required.*

(1) To terminate your employment before the end of the Scheduled Term, either you or the Company must provide a Termination Notice to the other. A "Termination Notice" is a written notice that states the specific provision of this Agreement on which termination is based, including, if applicable, the specific clause of the definition of Cause or Good Reason and a reasonably detailed description of the facts that permit termination under that clause; *provided*, that the failure to include any fact in a Termination Notice that contributes to a showing of Cause or Good Reason does not preclude either party from asserting that fact in enforcing its rights under this Agreement.

If you do not give a Termination Notice within 90 days after you have knowledge that an event constituting Good Reason has occurred, the event will no longer constitute Good Reason. In addition, you must give the Company 30 days to cure the first event constituting Good Reason.

(2) You and the Company agree to provide at least 30 days' advance Termination Notice of any termination, *unless* your employment is terminated by the Company for Cause or because of your Disability or death. If you die or become Disabled after you provide a valid Termination Notice with Good Reason or the Company provides Termination Notice without Cause, your termination will be treated as a termination with Good Reason or without Cause, effective as of the date of your Disability or death.

Following receipt of such notice, the Company may, at its sole discretion, choose to either (1) waive that notice period (thereby immediately terminating your employment) or (2) place you on paid leave, at your then-current salary for any or all of the notice period.

(d) *With Good Reason or Without Cause.* If, during the Scheduled Term, the Company terminates your employment without Cause or you terminate your employment with Good Reason:

(1) The Company will pay the following as of the end of your employment: (A) accrued but unpaid Salary up to the last day of your employment, (B) your Salary for any accrued but unused vacation, and (C) any accrued expense reimbursements and other cash entitlements (including for accrued expense reimbursement for which supporting documentation is submitted within 30 days after termination of your employment) (together, your "*Accrued Compensation*"). In addition, the Company will timely pay you any amounts and provide you any benefits that are required, or to which you are entitled, under any plan, contract or arrangement of the Company as of the end of your employment (together, the "*Other Benefits*").

(2) The Company will pay you severance ("*Severance Payments*") in an amount equal to (A) the sum of your Salary and your annual target Annual Incentive for the fiscal year in which the Termination Notice is given (or if such target Annual Incentive has not yet been established for such fiscal year, the target Annual Incentive for the fiscal year prior to the year in which the Termination Notice is given) *multiplied by* (B) the severance multiplier provided on your Schedule (your "*Severance Multiplier*").

(3) Your Annual Incentive will be governed by the terms of the EXCEL plan and any applicable Administrative Guide or Award Notice.

(4) Your Emergence Award and Long-Term Equity Awards will continue to vest and remain exercisable according to the terms of the applicable award, in each case without regard to any continued employment condition. The benefits in this Section 6(d)(4) are referred to as "*Continued Vesting*".

(e) *For Cause or without Good Reason.* If the Company terminates your employment for Cause or you terminate your employment without Good Reason, the Company will pay your Accrued Compensation and your Other Benefits; however, in connection with any termination of your employment by you without Good Reason, you will remain eligible for continued vesting and/or payment of your Emergence Award and any other equity-based compensation awarded by the Company or any affiliate, in accordance with the terms of such awards.

(f) *For Your Disability or Death.* If, during the Scheduled Term, your employment terminates as a result of your Disability or death, the Company will pay your Accrued Compensation and will provide Continued Vesting and your Other Benefits.

(g) *Benefits Bearing.* In no event shall any of the severance payments or benefits provided under this Section 6 be “benefits bearing.”

(h) *Clawback.* In the event you breach any of the terms of the Eastman Kodak Company Employees’ Agreement, this Agreement or the release described in Section 6(i) below, in addition to and not in lieu of any other remedies that the Company may pursue against you, no further severance payments will be made to you pursuant to this Section 6 and you agree to immediately repay to the Company all moneys previously paid to you pursuant to this Section 6.

(i) *Timing.* The benefits provided in this Section 6 will begin at the end of your employment, and any cash payments owed to you under this Section 6 will be paid in one lump sum 65 days following your date of termination except for Severance Payments, which will be made consistently with the Company’s normal payroll cycles and begin as soon as administratively practicable after your separation from service subject to Section 6(j). Notwithstanding the foregoing, any Severance Payments and any Continued Vesting will only be provided if, at the time of your termination, you provide a release of any and all claims you may have with respect to the Company (other than the benefits provided in Section 5 and the other rights under this Agreement that continue following your employment) in a form provided by the Company such that you have taken all action necessary for such release to become effective and irrevocable no later than 65 days following your date of termination. The Termination Allowance Plan (“TAP”) provides broad-based severance benefits to eligible Company employees. In accordance with the terms of TAP, you acknowledge that the amount of TAP benefits for which you may become eligible is calculated by reducing the benefit determined under the TAP formula by the Severance Payments under this Agreement. Since the Severance Payments (a minimum of one year’s base salary) exceed the maximum benefit payable under TAP (six month’s base salary), you agree that if you become eligible for Severance Payments under this Agreement you will not be entitled to TAP benefits. Should a court nevertheless award you TAP benefits in such circumstances, you agree that the amount of Severance Payments will be reduced by such award and be immediately repaid to the Company.

(j) *Section 409A.* This Agreement is intended to comply with or be exempt from the requirements of Section 409A of the Code (“*Section 409A*”) with respect to amounts, if any, subject thereto and shall be interpreted, construed and performed consistent with such intent. To the extent you would otherwise be entitled to any payment that under this Agreement, or any plan or arrangement of the Company or its affiliates, constitutes “deferred compensation” subject to Section 409A, and that if paid during the six months beginning on the date of termination of your employment would be subject to the Section 409A additional tax because you are a “specified employee” (within the meaning of Section 409A and as determined by the Company), the payment, together with any earnings on it, will be paid to you on the earlier of the six-month anniversary of your date of termination or your death. Similarly, to the extent you would otherwise be entitled to any benefit (other than a payment) during the six months beginning on termination of your employment that would be subject to the Section 409A additional tax, the benefit will be delayed and will begin being provided (together, if applicable, with an adjustment to compensate you for the delay) on the earlier of the six-month anniversary of your date of termination or your death or change in control (within the meaning of Section 409A). In addition, any payment or benefit due upon a termination of your employment that represents “deferred compensation” subject to Section 409A shall be paid or provided to you only upon a “separation from service” as defined in Treas. Reg. § 1.409A-1(h). Each payment under this Agreement shall be deemed to be a separate payment for purposes of

Section 409A, amounts payable under Sections 6(d)(1) and 6(d)(2) shall be deemed not to be “deferred compensation” subject to Section 409A to the extent provided in the exceptions in Treas. Reg. Sections 1.409A-1(b)(4) (“short-term deferrals”) and (b)(9) (“separation pay plans,” including the exception under subparagraph (iii)) and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6.

Notwithstanding anything to the contrary in this Agreement or elsewhere, any payment or benefit under this Agreement or otherwise that is exempt from Section 409A pursuant to Treas. Reg. Section 1.409A-1(b)(9)(v)(A) or (C) shall be paid or provided to you only to the extent that the expenses are not incurred, or the benefits are not provided, beyond the last day of your second taxable year following your taxable year in which the “separation from service” occurs; and *provided further* that such expenses are reimbursed no later than the last day of your third taxable year following the taxable year in which your “separation from service” occurs. Except as otherwise expressly provided herein, to the extent any expense reimbursement or the provision of any in-kind benefit under this Agreement is determined to be subject to Section 409A, the amount of any such expenses eligible for reimbursement, or the provision of any in-kind benefit, in one calendar year shall not affect the expenses eligible for reimbursement in any other taxable year (except for any lifetime or other aggregate limitation applicable to medical expenses), in no event shall any expenses be reimbursed after the last day of the calendar year following the calendar year in which you incurred such expenses, and in no event shall any right to reimbursement or the provision of any in-kind benefit be subject to liquidation or exchange for another benefit.

(k) *End of Scheduled Term.* If your employment with the Company continues at the end of your Scheduled Term, the provisions of Section 3 through this Section 6 will cease to apply and you will continue as an at-will employee of the Company. The remaining provisions of this Agreement will continue in accordance with their terms.

7. On-going Restrictions on Your Activities

(a) *Employee’s Agreement.* You acknowledge and agree that your Eastman Kodak Company Employee’s Agreement is and will remain in full force and effect, including, without limitation, the provisions therein regarding nondisclosure of confidential information, non-competition with the Company during, and for up to eighteen (18) months following any termination of, your employment and non-solicitation of Company employees, customers and suppliers during, and for up to twelve (12) months following any termination of, your employment.

(b) *Your Importance to the Company and the Effect of this Section 7.* You acknowledge that:

(1) In the course of your involvement in the Company’s activities, you will have access to confidential information and the Company’s client base and will profit from the goodwill associated with the Company. On the other hand, in view of your access to confidential information and your importance to the Company, if you compete with the Company for some time after your employment, the Company will likely suffer significant harm. In return for the benefits you will receive from the Company and to induce the Company to enter into this Agreement, and in light of the potential harm you could cause the Company, you agree to the provisions of this Section 7. The Company would not have entered into this Agreement if you did not agree to this Section 7.

(2) This Section 7 may limit your ability to earn a livelihood. You acknowledge, however, that complying with this Section 7 will not result in severe economic hardship for you or your family.

(c) *Transition Assistance*. During the 90 days after Termination Notice has been given, you will take all actions the Company may reasonably request to maintain for the Company the business, goodwill and business relationships with any Clients.

(d) *Notice to New Employers*. Before you accept employment with any other person or entity while your Employee's Agreement is in effect, you will provide the prospective employer with written notice of the provisions of the Employee's Agreement and will deliver a copy of the notice to the Company.

8. Effect on Other Agreements

(a) *Prior Employment Agreements and Severance Rights*. This Agreement will supersede any earlier employment agreement and any earlier severance, change in control or similar rights you may have with any member of the Company.

(b) *Release of Executive Protection Plan Claims*. The Eastman Kodak Company Executive Protection Plan (the "ExPP") was not assumed pursuant to the Plan of Reorganization. The consideration offered herein is accepted by you as being in full accord, satisfaction, compromise and settlement of any and all claims that you may have against the Company that exist on or prior to the Effective Date arising out of or concerning amounts that are or may have been due and owing to you pursuant to the ExPP, and you expressly agree that you are not entitled to and will not receive any payments, benefits or other compensation or recovery of any kind from the Company with respect to the ExPP.

(c) *Effect on Other Agreements; Entire Agreement*. This Agreement is the entire agreement between you and the Company with respect to the relationship contemplated by this Agreement and supersedes any earlier agreement, written or oral, with respect to the subject matter of this Agreement. In entering into this Agreement, no party has relied on or made any representation, warranty, inducement, promise or understanding that is not in this Agreement.

9. Successors

(a) *Assignment by You*. You may not assign this Agreement without the Company's consent. Also, except as required by law, your right to receive payments or benefits under this Agreement may not be subject to execution, attachment, levy or similar process. Any attempt to effect any of the preceding in violation of this Section 9(a), whether voluntary or involuntary, will be void.

(b) *Assumption by Any Surviving Company*. Before the effectiveness of any merger, consolidation, statutory share exchange or similar transaction (including an exchange offer combined with a merger or consolidation) involving the Company (a "Reorganization") or any sale, lease or other disposition (including by way of a series of transactions or by way of merger, consolidation, stock sale or similar transaction involving one or more subsidiaries) of all or substantially all of the Company's consolidated assets (a "Sale"), the Company will cause (1) the Surviving Company to unconditionally assume this Agreement in writing and (2) a copy of the assumption to be provided to you. After the

Reorganization or Sale, the Surviving Company will be treated for all purposes as the Company under this Agreement. The “*Surviving Company*” means (i) in a Reorganization, the entity resulting from the Reorganization or (ii) in a Sale, the entity that has acquired all or substantially all of the assets of the Company.

10. General Provisions

(a) *Administrator*. All compensation and benefits provided under this Agreement will be administered by the Chief Human Resources Officer for the Company (the “*Administrator*”). The Administrator will have total and exclusive responsibility to control, operate, manage and administer such compensation and benefits in accordance with their terms and all the authority that may be necessary or helpful to enable him to discharge his responsibilities with respect to them. Without limiting the generality of the preceding sentence, the Administrator will have the exclusive right to: interpret this Agreement, decide all questions concerning eligibility for and the amount of compensation and benefits payable, construe any ambiguous provision, correct any default, supply any omission, reconcile any inconsistency, and decide all questions arising in the administration, interpretation and application of this Agreement. The Administrator will have full discretionary authority in all matters related to the discharge of his responsibilities and the exercise of his authority, including, without limitation, his construction of the terms of this Agreement and his determination of eligibility for compensation and benefits. It is the intent of the parties hereto, that the decisions of the Administrator and his actions with respect to this Agreement will be final and binding upon all persons having or claiming to have any right or interest in or under this Agreement and that no such decision or actions shall be modified upon judicial review unless such decision or action is proven to be arbitrary or capricious.

(b) *Withholding*. You and the Company will treat all payments to you under this Agreement as compensation for services. Accordingly, the Company may withhold from any payment any taxes that are required to be withheld under any law, rule or regulation.

(c) *Confidentiality*. You agree to keep the existence of this letter confidential except that you may review it with your financial advisor, attorney or spouse/partner and with the Administrator.

(d) *Severability*. If any provision of this Agreement is found by any court of competent jurisdiction (or legally empowered agency) to be illegal, invalid or unenforceable for any reason, then (1) the provision will be amended automatically to the minimum extent necessary to cure the illegality or invalidity and permit enforcement and (2) the remainder of this Agreement will not be affected. In particular, if any provision of Section 7 is so found to violate law or be unenforceable because it applies for longer than a maximum permitted period or to greater than a maximum permitted area, it will be automatically amended to apply for the maximum permitted period and maximum permitted area.

(e) *No Set-Off*. Your and the Company’s respective obligations under this Agreement will not be affected by any set-off, counterclaim, recoupment or other right you or any member of the Company may have against each other or anyone else (except as this Agreement specifically states). You do not need to seek other employment or take any other action to mitigate any amounts owed to you under this Agreement, and those amounts will not be reduced if you do obtain other employment.

(f) *Notices.* All notices, requests, demands and other communications under this Agreement must be in writing and will be deemed given (1) on the business day sent, when delivered by hand or facsimile transmission (with confirmation) during normal business hours, (2) on the business day after the business day sent, if delivered by a nationally recognized overnight courier or (3) on the third business day after the business day sent if delivered by registered or certified mail, return receipt requested, in each case to the following address or number (or to such other addresses or numbers as may be specified by notice that conforms to this Section 10(g)):

If to you, to the address stated in your Schedule.

If to the Company or any other member of the Company, to:

Eastman Kodak Company
343 State Street
Rochester, New York 14650
Attention: General Counsel
Facsimile: 585-724-9448

(g) *Amendments and Waivers.* Any provision of this Agreement may be amended or waived but only if the amendment or waiver is in writing and signed, in the case of an amendment, by you and the Company or, in the case of a waiver, by the party that would have benefited from the provision waived. Except as this Agreement otherwise provides, no failure or delay by you or the Company to exercise any right or remedy under this Agreement will operate as a waiver, and no partial exercise of any right or remedy will preclude any further exercise.

(h) *Jurisdiction; Choice of Forum; Costs.* You and the Company irrevocably submit to the exclusive jurisdiction of any state or federal court located in the County of New York over any controversy or claim arising out of or relating to or concerning this Agreement or any aspect of your employment with the Company (together, an “*Employment Matter*”). Both you and the Company (1) acknowledge that the forum stated in this Section 10(i) has a reasonable relation to this Agreement and to the relationship between you and the Company and that the submission to the forum will apply even if the forum chooses to apply non-forum law, (2) waive, to the extent permitted by law, any objection to personal jurisdiction or to the laying of venue of any action or proceeding covered by this Section 10(i) in the forum stated in this Section, (3) agree not to commence any such action or proceeding in any forum other than the forum stated in this Section 10(i) and (4) agree that, to the extent permitted by law, a final and non-appealable judgment in any such action or proceeding in any such court will be conclusive and binding on you and the Company. However, nothing in this Agreement precludes you or the Company from bringing any action or proceeding in any court for the purpose of enforcing the provisions of this Section 10(i). To the extent permitted by law, the Company will pay or reimburse any reasonable expenses, including reasonable attorney’s fees, you incur as a result of any Employment Matter.

(i) ***Governing Law.*** This Agreement will be governed by and construed in accordance with the law of the State of New York applicable to contracts made and to be performed entirely within that state.

(j) *Counterparts*. This Agreement may be executed in counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

Very truly yours,

Eastman Kodak Company

Re: Employment Agreement

Dear Antonio:

In connection with the chapter 11 reorganization of Eastman Kodak Company (the "*EKC Debtor*") and its chapter 11 debtor affiliates (collectively with the EKC Debtor, the "*Debtors*") and in anticipation of confirmation of the Debtors' Chapter 11 Plan of Reorganization, as may be amended, (the "*Chapter 11 Plan*") and emergence from bankruptcy, we have prepared this form of employment agreement to memorialize your agreement to continue your employment following the Debtors' emergence from chapter 11. This mutually agreeable form of employment agreement (this "*Agreement*"), which is supported by each of the Backstop Parties (as defined in the Chapter 11 Plan) on behalf of various managed funds, will be your employment agreement and will be adopted immediately prior to the Effective Date (as defined below) by the EKC Debtor and the EKC Debtor shall assign this Agreement to the Reorganized Kodak (as defined in the Chapter 11 Plan) on the Effective Date. For purposes of this Agreement, the term "*Company*" shall refer to the EKC Debtor at any time prior to the Effective Date, and shall refer to the Reorganized Kodak upon and after the Effective Date.

1. Terms Schedule

Some of the terms of your employment are in the attached schedule (your "*Schedule*"), which is part of this Agreement.

2. Scheduled Term

The term of this Agreement will begin on the date of the Company's emergence from Chapter 11 bankruptcy proceedings (the "*Effective Date*") and end as stated in the Schedule (your "*Scheduled Term*").

3. Your Position, Performance and Other Activities

(a) *Position.* You will be employed in the position stated in your Schedule.

(b) *Authority, Responsibilities, and Reporting.* Your authority, responsibilities and reporting relationships are stated in your Schedule.

(c) *Performance.* You will devote substantially all of your business time and attention to the Company and will use good faith efforts to discharge your responsibilities under this Agreement to the best of your ability.

(d) *Other Activities.* During your Scheduled Term and subject to the terms of the Schedule, you may (1) serve on corporate, civic or charitable boards or committees, (2) manage personal investments, or (3) engage in any other permitted activity stated in your Schedule, so long as these activities, whether individually or in the aggregate, do not materially interfere with your performance of your responsibilities under this Agreement.

(e) *Incorporation of Employee's Agreement.* Sections 2, 5, 6 and 7 of the Eastman Kodak Company Employee's Agreement, attached hereto as Exhibit 1, are incorporated by reference and you agree to abide by such sections.

4. Your Compensation

(a) *Salary.* You will receive an annual base salary (your "Salary"). The starting amount of your Salary is in your Schedule. The Company will review your Salary at least annually and may increase it at any time for any reason. However, your Salary may not be decreased at any time (including after any increase) absent your prior written consent, and any increase in your Salary will not reduce or limit any other obligation to you under this Agreement. Your Salary will be paid in accordance with the Company's normal practices for similarly situated executives.

(b) *Annual Incentive.* You will be eligible to participate in the Company's short-term variable pay plan for its management level employees, known as Executive Compensation for Excellence and Leadership ("EXCEL") (your "Annual Incentive"). Your annual target award under EXCEL will be determined in accordance with your Schedule. Any actual award in a given annual performance period will depend upon performance against corporate goals selected by management and approved by the appropriate committee of the Board and will be paid in the discretion of such committee and management. The terms of the EXCEL plan itself govern and control all interpretations of the plan.

(c) *Emergence Award.* On or shortly after the Effective Date, you will be granted the equity award stated in your Schedule, which will be subject to the terms and conditions set forth in the applicable award agreement.

(d) *Compensation in Respect of Service Prior to Effective Date.* Compensation in respect of your service prior to the Effective Date shall be paid in accordance with the Chapter 11 Plan and such compensation shall not offset the compensation described in this Agreement.

5. Your Benefits

(a) *Employee Benefit Plans.* During the Scheduled Term, you will be entitled to participate in each of the Company's employee benefit and welfare plans, including plans providing retirement benefits and medical, dental, hospitalization, life and disability insurance, on a basis that is at least as favorable as that provided to similarly situated executives of the Company.

(b) *Vacation.* You will be entitled to paid annual vacation on a basis that is at least as favorable as that provided to you under your employment agreement with Eastman Kodak Company, as amended, prior to the Effective Time.

(c) *Business Expenses.* You will be reimbursed for all reasonable business expenses incurred by you in performing your responsibilities under this Agreement, subject to the terms of applicable Company reimbursement policies as in effect from time to time.

(d) *Indemnification; Advancement of Expenses.* Pursuant to the Company's articles of incorporation and bylaws, which shall be substantively the same as the forms filed with the United States Bankruptcy Court Southern District of New York on July 30, 2013, the Company will indemnify you and advance or reimburse expenses to the same extent as the most favorable indemnification and advancement or reimbursement of expenses provisions applicable to any member of the Board of Directors of the Company (the "Board"). In addition, the same level of rights regarding indemnification and advancement or reimbursement of expenses shall be extended to you during your service as Special Advisor to the Board and to the extent you provide consulting services during the Non-Competition Period. If the Company's ability to make any payment contemplated by your applicable indemnification and advancement or reimbursement of expenses provisions depends on an investigation or determination by the Board or any member of the Company, at your request the Company will use its best efforts to cause the investigation to be made (at the Company's expense) and to have the relevant Board reach a determination as soon as reasonably possible.

(e) *Additional Benefits.* During your employment, you will be provided any additional benefits stated in your Schedule.

6. Termination of Your Employment; End of Scheduled Term

(a) *No Reason Required.* Neither you nor the Company is under any obligation to continue your employment beyond the Scheduled Term. In addition, you or the Company may terminate your employment early at any time for any reason, or for no reason, subject to compliance with Section 6(c).

(b) *Related Definitions.*

(1) "Cause" means (A) your Willful and continued failure or refusal for a period of at least 60 days following delivery to you of a written notification from the Board to attempt to perform the usual, customary or reasonable functions of your positions other than due to a disability or approved leave; or (B) your gross negligence or Willful misconduct in the performance of your duties or obligations to the Company that is, or is likely to be or is intended to be, materially detrimental to the Company; or (C) your conviction of any felony

(other than a felony predicated on your vicarious liability or involving a traffic violation) or crime involving moral turpitude; or (D) your unlawful possession, use or sale of narcotics or other controlled substances, or performing job duties while illegally used controlled substances are present in your system; or (E) your material breach of this Agreement which, if correctable, remains uncorrected for 20 days after written notice to you by the Company of the breach; (F) your material breach of a requirement of the Kodak Business Conduct Guide which requirement has consistently resulted in the termination of employment by employees who have committed similar breaches and which, if correctable, remains uncorrected for 20 days after written notice to you by the Company of the breach; or (G) your breach of Sections 2, 5, 6 or 7 of the Eastman Kodak Company Employee's Agreement.

(2) "Good Reason" means the occurrence or failure to cause the occurrence, as the case may be, without your express written consent, of any of the following circumstances:

(A) any adverse change in your titles; or

(B) a material diminution of your duties, responsibilities or authority; or

(C) your assignment of duties or responsibilities which are materially inconsistent with your then position(s) which if correctable, remain uncorrected for 20 days following written notice to the Company by you of the assignment (your nonperformance of those duties or responsibilities you consider materially inconsistent solely during such 20 day notice period will not be considered a breach of this Agreement); or

(D) any material breach by the Company of any material provision of this Agreement that is not cured within 20 days of written notice by you to the Company's General Counsel specifying the nature of the material breach; or

(E) failure of any successor to the Company (whether direct or indirect and whether by merger, acquisition, consolidation, or otherwise) to assume in a writing delivered to you upon the assignee becoming such, the obligations of the Company hereunder;

provided that any adverse change in your titles or material diminution of your duties, responsibilities or authority associated with your transition from Chief Executive Officer to Special Advisor to the Board will not constitute Good Reason.

(3) "Disability" means meeting the definition of disability under the terms of the Kodak Long-Term Disability Plan and receiving benefits under such plan.

(4) "Willful" means any act done or omitted to be done not in good faith and without reasonable belief that such action or omission was in the best interest of the Company.

(c) *Advance Notice Generally Required.*

(1) To terminate your employment before the end of the Scheduled Term, either you or the Company must provide a Termination Notice to the other. A “*Termination Notice*” is a written notice that states the specific provision of this Agreement on which termination is based, including, if applicable, the specific clause of the definition of Cause or Good Reason and a reasonably detailed description of the facts that permit termination under that clause; *provided*, that the failure to include any fact in a Termination Notice that contributes to a showing of Cause or Good Reason does not preclude either party from asserting that fact in enforcing its rights under this Agreement.

(2) You and the Company agree to provide 30 days’ advance Termination Notice of any termination, *unless* your employment is terminated by the Company for Cause or because of your Disability or death. If you die or become Disabled after you provide a valid Termination Notice with Good Reason or the Company provides Termination Notice without Cause, your termination will be treated as a termination with Good Reason or without Cause, effective as of the date of your Disability or death.

(3) Following receipt of such notice, the Company may, at its sole discretion, choose to either (1) waive that notice period (thereby immediately terminating your employment) or (2) place you on paid leave, at your then-current salary for any or all of the notice period.

(d) *With Good Reason or Without Cause.* If, during the Scheduled Term, the Company terminates your employment without Cause or you terminate your employment for Good Reason:

(1) The Company will pay you the following at the end of your employment: (A) your accrued but unpaid Salary through the last day of your employment, (B) your Salary for any accrued but unused vacation, and (C) any accrued expense reimbursements and other cash entitlements (including for accrued expense reimbursement for which supporting documentation is submitted within 30 days after termination of your employment) (together, your “*Accrued Compensation*”). In addition, the Company will timely pay you any amounts and provide you any benefits that are required, or to which you are entitled, under any plan, contract or arrangement of the Company as of the end of your employment (together, the “*Other Benefits*”).

(2) The Company will pay any earned but unpaid Annual Incentive for the fiscal year ending immediately before the end of your employment (your “*Earned Annual Incentive*”).

(3) The Company will provide you (A) continuation of your Salary for the remainder of the Scheduled Term, payable in accordance with the Company’s regular payroll cycles and (B) at the same time annual incentives are paid to similarly situated executives (but in no event later than 2 ½ months following the fiscal year in which your termination occurs), your Annual Incentive in respect of the fiscal year in which such termination occurred, based on actual achievement of applicable performance targets.

(4) Any unvested portion of your Emergence Award will vest immediately upon your termination of employment.

(e) *For Cause or without Good Reason.* If the Company terminates your employment for Cause or you terminate your employment without Good Reason, the Company will pay your Accrued Compensation and your Other Benefits; however, in connection with any termination of your employment without Good Reason, you will remain eligible for continued vesting and/or payment of your Emergence Award and any other equity-based compensation awarded by the Company or any affiliate, in accordance with the terms of such awards.

(f) *For Your Disability or Death.* If, during the Scheduled Term, your employment terminates as a result of your Disability or death, the Company will pay your Accrued Compensation, Earned Annual Incentive and will provide continued vesting of your Emergence Award in accordance with the terms of the applicable award, without regard to any continued employment condition, and your Other Benefits.

(g) *For End of Scheduled Term.* At the end of your Scheduled Term, the Company will (i) pay your (x) Accrued Compensation, (y) Earned Annual Incentive and (z) Annual Incentive in respect of the fiscal year in which the end of your Scheduled Term occurs, based on actual achievement of applicable performance targets (which such amount shall not be prorated) and (b) provide continued vesting of your Emergence Award in accordance with the terms of the applicable award, without regard to any continued employment condition, and your Other Benefits.

(h) *Benefits Bearing.* In no event shall any of the severance payments or benefits provided under this Section 6 be “benefits bearing.”

(i) *Clawback.* In the event you breach any of the terms in Sections 2, 5, 6 or 7 of the Eastman Kodak Company Employee’s Agreement, this Agreement or the release described in Section 6(j) below, in addition to and not in lieu of any other remedies that the Company may pursue against you, no further severance payments will be made to you pursuant to this Section 6 and you agree to immediately repay to the Company all moneys previously paid to you pursuant to this Section 6.

(j) *Timing.* The benefits provided in this Section 6 will begin at the end of your employment, and any cash payments owed to you under this Section 6 will be paid in one lump sum 65 days following your date of termination, except as otherwise provided herein. Notwithstanding the foregoing, any amounts owed pursuant to Section 6(d)(3) and any continued vesting of your Emergence Award will only be provided if, at the time of your termination, you provide a release of any and all claims you may have against the Company (other than the rights and benefits provided in Section 5 and the other rights under this Agreement that continue following your employment) in a form reasonably provided by the Company such that you have taken all action necessary for such release to become effective and irrevocable no later than 65 days following your date of termination. The Termination Allowance Plan (“TAP”) provides broad-based severance benefits to eligible Company employees. You agree that if you become eligible for severance payments under this Agreement you will not be entitled to TAP benefits. Should a court nonetheless award you TAP benefits in such circumstances, you agree that the amount of severance payments will be reduced by such award and be immediately repaid to the Company.

(k) *Section 409A.* This Agreement is intended to comply with or be exempt from the requirements of Section 409A of the Code (“Section 409A”) with respect to amounts, if any, subject thereto and shall be interpreted, construed and performed

consistent with such intent. To the extent you would otherwise be entitled to any payment that under this Agreement, or any plan or arrangement of the Company or its affiliates, constitutes "deferred compensation" subject to Section 409A, and that if paid during the six months beginning on the date of termination of your employment would be subject to the Section 409A additional tax because you are a "specified employee" (within the meaning of Section 409A and as determined by the Company), the payment, together with any earnings on it, will be paid to you on the earlier of the six-month anniversary of your date of termination or your death. Similarly, to the extent you would otherwise be entitled to any benefit (other than a payment) during the six months beginning on termination of your employment that would be subject to the Section 409A additional tax, the benefit will be delayed and will begin being provided (together, if applicable, with an adjustment to compensate you for the delay) on the earlier of the six-month anniversary of your date of termination or your death or change in control (within the meaning of Section 409A). In addition, any payment or benefit due upon a termination of your employment that represents "deferred compensation" subject to Section 409A shall be paid or provided to you only upon a "separation from service" as defined in Treas. Reg. § 1.409A-1(h). Each payment under this Agreement shall be deemed to be a separate payment for purposes of Section 409A, amounts payable under Sections 6(d)(1), 6(d)(2), 6(d)(3) and 6(d)(4) of this Agreement shall be deemed not to be "deferred compensation" subject to Section 409A to the extent provided in the exceptions in Treas. Reg. Sections 1.409A-1(b)(4) ("short-term deferrals") and (b)(9) ("separation pay plans," including the exception under subparagraph (iii)) and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6.

Notwithstanding anything to the contrary in this Agreement or elsewhere, any payment or benefit under this Agreement or otherwise that is exempt from Section 409A pursuant to Treas. Reg. Section 1.409A-1(b)(9)(v)(A) or (C) shall be paid or provided to you only to the extent that the expenses are not incurred, or the benefits are not provided, beyond the last day of your second taxable year following your taxable year in which the "separation from service" occurs; and *provided further* that such expenses are reimbursed no later than the last day of your third taxable year following the taxable year in which your "separation from service" occurs. Except as otherwise expressly provided herein, to the extent any expense reimbursement or the provision of any in-kind benefit under this Agreement is determined to be subject to Section 409A, the amount of any such expenses eligible for reimbursement, or the provision of any in-kind benefit, in one calendar year shall not affect the expenses eligible for reimbursement in any other taxable year (except for any lifetime or other aggregate limitation applicable to medical expenses), in no event shall any expenses be reimbursed after the last day of the calendar year following the calendar year in which you incurred such expenses, and in no event shall any right to reimbursement or the provision of any in-kind benefit be subject to liquidation or exchange for another benefit.

7. Confidential Information

You acknowledge and agree that confidential information, including, without limitation, Company intellectual property, customer lists and other proprietary business information, obtained by you while employed by the Company or any of its subsidiaries concerning the business affairs of the Company or any subsidiary of the Company are the property of the Company or such subsidiary (hereinafter, "*Confidential Information*"). Consequently, you agree that, except to the extent required by applicable law, statute, ordinance, rule, regulation or orders of courts or regulatory authorities, you shall not at any time (whether during or after your employment) disclose to any unauthorized person

or use for your own account any Confidential Information without the prior written consent of the Company, unless and to the extent that the aforementioned matters are or become generally known to and available for use by the public other than as a result of your acts or omissions to act or as required by law. You shall deliver to the Company at the termination of your employment, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) containing or constituting Confidential Information which you may then possess or have under your control.

8. On-going Restrictions on Your Activities

(a) Related Definitions.

(1) “*Competitive Enterprise*” means any business enterprise that derives more than 20% of its revenue from any activity that competes anywhere with any activity that the Company is then engaged in and which activity generates more than 10% of the Company’s revenue.

(2) “*Client*” means any client or prospective client of the Company to whom you provided services, or for whom you transacted business, or whose identity became known to you in connection with your relationship with or employment by the Company.

(3) “*Non-Competition Period*” means the period provided in the Schedule.

(4) “*Solicit*” means any direct or indirect communication of any kind, regardless of who initiates it, that in any way invites, advises, encourages or requests any person to take or refrain from taking any action.

(b) *Your Importance to the Company and the Effect of this Section 8.* You acknowledge that:

(1) In the course of your involvement in the Company’s activities, you will have access to Confidential Information and the Company’s client base and will profit from the goodwill associated with the Company. On the other hand, in view of your access to Confidential Information and your importance to the Company, if you compete with the Company for some time after your employment, the Company will likely suffer significant harm. In return for the benefits you will receive from the Company and to induce the Company to enter into this Agreement, and in light of the potential harm you could cause the Company, you agree to the provisions of this Section 8. The Company would not have entered into this Agreement if you did not agree to this Section 8.

(2) This Section 8 may limit your ability to earn a livelihood in a Competitive Enterprise and your relationship with Clients. You acknowledge, however, that complying with this Section 8 will not result in severe economic hardship for you or your family.

(c) *Transition Assistance.* During the 90 days after a Termination Notice has been given, you will take all actions the Company may reasonably request to maintain for the Company the business, goodwill and business relationships with any Clients.

(d) *Non-Competition*. During your Scheduled Term, and, in consideration of the Company's payment to you of the amounts set forth in your Schedule, the Non-Competition Period, you agree that you will not directly or indirectly engage in (whether as an employee, consultant, agent, proprietor, principal, partner, stockholder, corporate officer, director or otherwise), nor have any material ownership interest in or participate in the financing, operation, management or control of a Competitive Enterprise.

(e) *Non-Solicitation of Clients*. Until the end of the period stated in your Schedule, you will not attempt to Solicit any Client to transact business with a Competitive Enterprise or to reduce or refrain from doing any business with the Company or interfere with or damage any relationship between the Company and a Client.

(f) *Non-Solicitation of Company Employees*. Until the end of the period stated in your Schedule, you will not attempt to Solicit anyone who is then an employee or consultant of the Company (or who was an employee or consultant of the Company within the prior six months) to resign from or cease to provide services to the Company or to apply for or accept employment with any Competitive Enterprise.

(g) *Notice to New Employers*. Before you accept employment with any other person or entity while this Section 8 is in effect, you will provide the prospective employer with written notice of the provisions of this Section 8 and will deliver a copy of the notice to the Company.

9. Effect on Other Agreements

(a) *Prior Employment Agreements and Severance Rights*. This Agreement will supersede any earlier employment agreement and any earlier severance, change in control or similar rights you may have with any member of the Company.

(b) *Release of Executive Protection Plan*. The Eastman Kodak Company Executive Protection Plan (the "ExPP") was not assumed pursuant to the Chapter 11 Plan. The consideration offered herein is accepted by you as being in full accord, satisfaction, compromise and settlement of any and all claims that you may have against the Company that exist on or prior to the Effective Date arising out of or concerning amounts that are or may have been due and owing to you pursuant to the ExPP, and you expressly agree that you are not entitled to and will not receive any payments, benefits or other compensation or recovery of any kind from the Company with respect to the ExPP.

(c) *Effect on Other Agreements; Entire Agreement*. This Agreement is the entire agreement between you and the Company with respect to the relationship contemplated by this Agreement and supersedes any earlier agreement, written or oral, with respect to the subject matter of this Agreement. In entering into this Agreement, no party has relied on or made any representation, warranty, inducement, promise or understanding that is not in this Agreement.

10. Successors

(a) *Assignment by You*. You may not assign this Agreement without the Company's consent. Also, except as required by law, your right to receive payments or benefits under this Agreement may not be subject to execution, attachment, levy or similar process. Any attempt to effect any of the preceding in violation of this Section 10, whether voluntary or involuntary, will be void.

(b) *Assumption by any Surviving Company.* Before the effectiveness of any merger, consolidation, statutory share exchange or similar transaction (including an exchange offer combined with a merger or consolidation) involving the Company (a “*Reorganization*”) or any sale, lease or other disposition (including by way of a series of transactions or by way of merger, consolidation, stock sale or similar transaction involving one or more subsidiaries) of all or substantially all of the Company’s consolidated assets (a “*Sale*”), the Company will cause (1) the Surviving Company to unconditionally assume this Agreement in writing and (2) a copy of the assumption to be provided to you. After the Reorganization or Sale, the Surviving Company will be treated for all purposes as the Company under this Agreement. The “*Surviving Company*” means (A) in a Reorganization, the entity resulting from the Reorganization or (B) in a Sale, the entity that has acquired all or substantially all of the assets of the Company.

11. General Provisions

(a) *Withholding.* You and the Company will treat all payments to you under this Agreement as compensation for services. Accordingly, the Company may withhold from any payment any taxes that are required to be withheld under any law, rule or regulation.

(b) *Severability.* If any provision of this Agreement is found by any court of competent jurisdiction (or legally empowered agency) to be illegal, invalid or unenforceable for any reason, then (1) the provision will be amended automatically to the minimum extent necessary to cure the illegality or invalidity and permit enforcement and (2) the remainder of this Agreement will not be affected. In particular, if any provision of Section 8 is so found to violate law or be unenforceable because it applies for longer than a maximum permitted period or to greater than a maximum permitted area, it will be automatically amended to apply for the maximum permitted period and maximum permitted area.

(c) *No Set-off or Mitigation.* Your and the Company’s respective obligations under this Agreement will not be affected by any set-off, counterclaim, recoupment or other right you or any member of the Company may have against each other or anyone else (except as this Agreement specifically states). You do not need to seek other employment or take any other action to mitigate any amounts owed to you under this Agreement, and those amounts will not be reduced if you do obtain other employment.

(d) *Notices.* All notices, requests, demands and other communications under this Agreement must be in writing and will be deemed given (1) on the business day sent, when delivered by hand or facsimile transmission (with confirmation) during normal business hours, (2) on the business day after the business day sent, if delivered by a nationally recognized overnight courier or (3) on the third business day after the business day sent if delivered by registered or certified mail, return receipt requested, in each case to the following address or number (or to such other addresses or numbers as may be specified by notice that conforms to this Section 11(d)):

If to you, to the address stated in the Schedule.

If to the Company or any other member of the Company, to:

Eastman Kodak Company
343 State Street
Rochester, New York 14650
Attention: [Name]
Facsimile: [Number]

(e) *Amendments and Waivers.* Any provision of this Agreement may be amended or waived but only if the amendment or waiver is in writing and signed, in the case of an amendment, by you and the Company or, in the case of a waiver, by the party that would have benefited from the provision waived. Except as this Agreement otherwise provides, no failure or delay by you or the Company to exercise any right or remedy under this Agreement will operate as a waiver, and no partial exercise of any right or remedy will preclude any further exercise.

(f) *Jurisdiction; Choice of Forum; Costs.* You and the Company irrevocably submit to the exclusive jurisdiction of any state or federal court located in the County of New York over any controversy or claim arising out of or relating to or concerning this Agreement or any aspect of your employment with the Company (together, an “*Employment Matter*”). Both you and the Company (1) acknowledge that the forum stated in this Section 11(f) has a reasonable relation to this Agreement and to the relationship between you and the Company and that the submission to the forum will apply even if the forum chooses to apply non-forum law, (2) waive, to the extent permitted by law, any objection to personal jurisdiction or to the laying of venue of any action or proceeding covered by this Section 11(f) in the forum stated in this Section, (3) agree not to commence any such action or proceeding in any forum other than the forum stated in this Section 11(f) and (4) agree that, to the extent permitted by law, a final and non-appealable judgment in any such action or proceeding in any such court will be conclusive and binding on you and the Company. However, nothing in this Agreement precludes you or the Company from bringing any action or proceeding in any court for the purpose of enforcing the provisions of this Section 11(f). To the extent permitted by law, the Company will pay or reimburse any reasonable expenses, including reasonable attorney’s fees, you incur as a result of any Employment Matter.

(g) *Governing Law.* This Agreement will be governed by and construed in accordance with the law of the State of New York applicable to contracts made and to be performed entirely within that State.

(h) *Counterparts.* This Agreement may be executed in counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

(i) *Effectiveness.* Notwithstanding anything to the contrary set forth herein, this Agreement is subject to approval under the Chapter 11 Plan and will not become effective absent such approval.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Agreement as of the date first above written.

Eastman Kodak Company Employee's Agreement

**EASTMAN KODAK COMPANY
EMPLOYEE'S AGREEMENT**

PREAMBLE

Eastman Kodak Company and its affiliates and subsidiaries (hereinafter collectively called "Kodak") operate in very competitive environments around the world. As part of your employment, you may from time to time have access to confidential and proprietary company information. This Employee's Agreement governs certain understandings between Kodak and you regarding your work for Kodak, its confidential and proprietary information, and your responsibilities to Kodak including, but not limited to, nondisclosure of Kodak's confidential and proprietary information (as defined in paragraph 1 below), assignment of rights, improper competition (as applicable), and nonsolicitation.

BACKGROUND

I understand that Kodak is engaged in the research, development, manufacture, use, marketing and sale of and services related to equipment, materials (including, but not limited to, photographic and other imaging media), software, firmware, components, web applications, multimedia data including, but not limited to, audio information, hardcopy information, digital information (including but not limited to metadata), chemicals, and systems including any of the foregoing (collectively, "Kodak Business"). I also understand that, in connection with the Kodak Business, I will be exposed to and may generate information including, but not limited to, technical, marketing, accounting, cost, sales, medical, personnel data, customer lists, vendor lists, production procedures, administrative and service information (hereinafter collectively "Kodak Proprietary Information"). I further understand that Kodak requires its employees to assign to it all right, title and interest in and to all worldwide inventions, discoveries, improvements, patents, trade secrets, trademarks, mask works, any and all other copyrightable subject matter, and any application for any of the foregoing (hereinafter separately and collectively called "Rights") within or arising out of any field of employment in which they work during their employment by Kodak and for a period of time after termination of employment from Kodak as described more fully below, and that this Agreement is essential for the full protection of the Kodak Business.

Therefore, in consideration of my employment by Kodak and of certain other benefits to be received by me in connection with such employment, it is understood and agreed as follows:

1. Nondisclosure

During my employment by Kodak, and thereafter, I will not disclose to any person or entity or make use of any Kodak Proprietary Information, trade secret, or other information of a confidential nature regarding the Kodak Business or the commercial, financial, technical or business affairs of Kodak, including such trade secret, proprietary or confidential information of any customer or other entity to which Kodak owes an obligation not to disclose such information, which I acquire during my employment by Kodak, including but not limited to records kept in the ordinary course of business (hereinafter collectively called "Kodak Confidential Information"), except as such disclosure or use may be required in connection with my work as an employee of Kodak. I understand that this restriction prohibits disclosure to Kodak affiliates and subsidiaries in which Kodak owns less than 80% of the stock, unless I receive written authorization for specific disclosures from my management.

2. Assignment of Rights

2.1 I hereby sell, assign and transfer to Kodak all of my right, title and interest in and to all Rights that, during my employment by Kodak and within two (2) years following termination of my employment from Kodak, are made or conceived by me, alone or with others, that (i) are within or arise out of

any general field of the Kodak Business in which I have been employed or have worked during my employment by Kodak; or (ii) arise out of any work I perform or information I received regarding the Kodak Business which I received while employed by Kodak; or (iii) arise from work that Kodak authorizes me to perform for or on behalf of any person or entity affiliated with Kodak.

- 2.2 While employed in California, no employee will be required to make an assignment of any invention to the extent prohibited by California Labor Code §2870(a) (a copy of which will be made available to any employee upon request).
- 2.3 I will fully disclose to Kodak as promptly as available all information known or possessed by me concerning the Rights referred to in the preceding section 2.1, and upon request by Kodak and without any further remuneration in any form to me by Kodak, but at the expense of Kodak, execute all applications for patents and for copyright registrations, assignments thereof and other instruments and do all things which Kodak deems necessary to vest and maintain in it the entire right, title and interest in and to all such Rights.

3. Improper Competition

- 3.1 The restrictions contained in this section 3 will apply during my employment by Kodak and continue after the termination of my employment for any reason (whether voluntary or involuntary or with or without cause) for a period equal to the total number of months I was employed by Kodak, whether continuously or not, but not for fewer than six (6) months nor more than eighteen (18) months after such termination (the "Post Employment Period").
- 3.2 During the period described in section 3.1 following termination of my employment by Kodak, I will, prior to accepting employment with a Competing Business (as defined in section 3.3), inform that Competing Business of the existence of this Agreement and provide a copy to that Competing Business.
- 3.3 While employed by Kodak and during the Post-Employment Period, I will not work, be employed by, consult, advise, assist or engage in any business or activity that: (a) competes with any area of the Kodak Business in or with which I worked at Kodak (a "Competing Business") during the two (2) years immediately preceding termination of my Kodak employment; and (b) involves subject matter(s) about which I gained Kodak Confidential Information during the two (2) years immediately preceding termination of my Kodak employment. Prior to accepting employment, working, consulting, advising or assisting in or with any Competing Business, I agree to: (a) provide such Competing Business with a copy of this Agreement; (b) advise my Kodak supervisor or an appropriate Kodak Human Resources representative of my intent to accept such position; and (c) at Kodak's request, to provide information and/or facilitate Kodak's communication with such Competing Business concerning the nature, scope and responsibilities of such position.
- 3.4 During the Post-Employment Period, the restrictions of section 3.3 will apply only to my work or activities within the relevant geographic area(s) or with the accounts, as defined in this section.
 - 3.4.1 If I was employed by Kodak in a sales or service job immediately prior to the termination of my employment, and if my responsibilities were confined to specific territories, accounts, or regions, then the restrictions will apply to: (a) any and all sales or service territories, or regions in which I worked within the two (2) years prior to termination of my employment and, (b) the then existing accounts and prospective accounts of Kodak with which I worked within the two (2) years immediately preceding termination of my employment with Kodak.

- 3.4.2 If, immediately prior to the termination of my Kodak employment: (a) I was employed by Kodak in a sales or service job and my responsibilities were not confined to specific territories, accounts or regions, or (b) if I was employed by Kodak in any other capacity, then the relevant geographic area(s) will consist of the United States and any other country to which my responsibilities extended, unless a narrower geographic area would be sufficient to protect from disclosure the Kodak Confidential Information of which I have knowledge.
- 3.4.3 I understand and agree that the foregoing geographic restrictions are necessary in light of the international scope of the Kodak Business and the business of Kodak's competitors, and that the disclosure or use anywhere of Kodak Confidential Information to or for the benefit of a Competing Business would irreparably harm Kodak.
- 3.4.4 If during the Post-Employment Period, this Agreement prohibits me from accepting an offer of full-time employment consistent with my skills, abilities, and education solely because of the provisions of this section 3, and if I provide to Kodak proof of such offer and rejection, the provisions of this section 3 shall thereafter continue to bind me only as long as Kodak pays me, for each month in which I am unable to secure a position consistent with my skills, abilities, and education, an amount equal to 1/12th of my annual total target compensation at the time of termination (exclusive of employee benefits, non-recurring bonuses, vacation pay and/or other special compensation), less any severance, separation or termination benefits or the like that I am entitled to receive from Kodak for the same pay period, and less any compensation I receive during the same period in the form of unemployment insurance or in exchange for any employment, consulting or other work I have undertaken. Any such payments will also be less all amounts that Kodak is required by law to withhold. Notwithstanding anything in this Agreement to the contrary, I understand that if Kodak declines or ceases to make one or more payments to me due to my failure to comply with the restrictions and obligations I have agreed to under the terms of this Agreement, or for any of the reasons enumerated in Section 3.4.6 below, I will not be excused from, and will continue to be subject to, all of the restrictions and obligations set forth in this section 3.
- 3.4.5 In return for any payments made by Kodak under section 3.4.4, I agree to make conscientious, aggressive and continuing efforts to find other employment or income consistent with my skills, abilities and education but not prohibited by this section 3. Within seven (7) days of Kodak's request, I will provide documentation satisfactory to Kodak of my efforts to obtain employment or income, all employment, contracting, or consulting offers I have received during the Post-Employment Period, the amount of any income received from employment (including self-employment), contracting, consulting, or any other work performed by me, and the identity of the employer offering employment, or other entity requesting contracting or consulting services or other work, and any other information or documents reasonably necessary for Kodak to verify my income and employment status.
- 3.4.6 Kodak, at its option and sole discretion, may decline to make post-employment compensation payments:
- (1) for any month during which I, in the reasonable determination of Kodak, have not conscientiously sought employment, or

- (2) for any month during which I have failed to provide documentation requested by Kodak, as provided for above, or
- (3) if I breach this Agreement or any other post-employment obligations I may owe Kodak; or
- (4) if I reject an offer of employment that Kodak does not deem to be in violation of section 3.3 above; or
- (5) by giving me written permission to accept available employment or by giving me a written release from some or all of the obligations of section 3 of this Agreement (in which case, the terms of such release shall govern my obligations for the remainder of the Post-Employment Period); or
- (6) if I am terminated from Kodak or any subsequent employment, contracting, or consulting engagement "for cause," which as defined herein includes, but is not limited to, the following:
 - neglect of duties, failure to follow policies or supervisor's directives, or insubordination;
 - dishonesty, deception, fraud, or breach of trust or loyalty in connection with the affairs of an employer;
 - conviction of any felony, gross misdemeanor, or misdemeanor, other than a minor traffic offense;
 - any act or omission in the scope of employment that places an employer in violation of any applicable law or regulation; or
 - breach of any of the material terms or conditions contained in this Agreement.

3.5 I understand that this section 3 will not be effective at any time during which I am employed by Kodak in the State of California.

4. Nonsolicitation

During my Kodak employment and for a period of one (1) year after termination of my employment for any reason (whether voluntarily or involuntarily or with or without cause), I will not, directly or indirectly, either for myself or for the benefit of any other person or entity: (i) induce or attempt to induce any employee of Kodak to leave the employ of Kodak, (ii) in any way interfere with the relationships between Kodak and any employee of Kodak, (iii) employ or otherwise engage as an employee, independent contractor or otherwise, any person who has been an employee of Kodak during the six months immediately preceding such employment or (iv) solicit, entice, call upon or in any way for the purpose of diverting or taking away or attempting to divert or take away any of Kodak's customers and suppliers to do business with a Competing Business.

5. Return of Property

I agree that, upon termination of my employment for any reason (whether voluntary or involuntary or with or without cause), I will immediately return to Kodak, (i) all Kodak Confidential Information in any form (including without limitation printed, handwritten, and electronically-stored materials or information), together with all copies, thereof, within my possession, custody or control and; (ii) all other Kodak property in my possession, custody or control, including, but not limited to, office keys, identification badges or passes, Kodak credit cards, automobiles, computer equipment and software ("Kodak Property"). Under no circumstances will I deliver or give such Kodak Confidential Information or Kodak Property to any person or entity without Kodak management's advance written permission and, upon Kodak's request, I will verify that I have not done so.

6. At-Will Employment

I understand that, regardless of any statement made to me or contained in any handbook, policy statement, or other document, my employment will be "at-will". That is, I will be free to terminate my employment at any time, for any reason, and Kodak is free to do the same. No other agreement relating to this issue will be effective unless it is contained in a written agreement which: (1) mentions me by name; (2) references this Agreement by name and date; (3) specifically acknowledges that it is intended to amend this Agreement; and (4) is signed by a Kodak corporate officer and me.

7. Business Conduct

I understand that Kodak is an ethical company and that I am required to adhere to Kodak's policies and procedures regarding ethical business practices, including but not limited to, Kodak's conflict of interest policy and policies concerning the protection of Kodak Confidential Information. I understand that my failure to do so constitutes a breach of this Agreement.

8. Miscellaneous.

- 8.1 I agree that Kodak has provided me with valuable consideration for accepting the terms and conditions set forth in this Agreement, including those set forth in section 3. Among other things, that consideration includes my employment and/or continued employment and certain benefits to be received by me in connection with such employment, some of which may be conditioned upon a validly executed Employee's Agreement.
- 8.2 This Agreement replaces any and all previous agreements relating to the same or similar matters that I may have entered into with Kodak with respect to my present or any future period of employment by Kodak. Further, the terms of this Agreement shall inure to the benefit of the successors and assigns of Kodak and shall be binding upon my heirs, assigns, administrators and representatives. No oral agreement, statement or representation shall be effective to alter the terms of this Agreement.
- 8.3 I understand and agree that a breach of the provisions of this Agreement will cause Kodak irreparable injury that may not be compensable by receipt of money damages. I, therefore, expressly agree that Kodak shall be entitled, in addition to any other remedies legally available, to injunctive and/or other equitable relief, including but not limited to temporary, preliminary and/or permanent injunctive relief, to prevent or remedy a breach of this Agreement, or any part hereof, and to payment of reasonable attorneys fees it incurs in enforcing this Agreement.

8.5 All titles or headings in this agreement are for convenience only and shall not affect the meaning of any provision herein.

8.6 THIS AGREEMENT IS ENTERED INTO IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO PRINCIPALS OF CONFLICT OF LAWS. I UNDERSTAND AND AGREE THAT ANY ACTION OR PROCEEDING UNDER, IN CONNECTION WITH OR RELATING TO, THIS AGREEMENT SHALL BE BROUGHT IN AND ADJUDICATED BY THE UNITED STATES DISTRICT COURT, WESTERN DISTRICT OF NEW YORK IN ROCHESTER, NEW YORK, UNLESS THERE IS NO BASIS FOR FEDERAL JURISDICTION, IN WHICH CASE SUCH ACTION OR PROCEEDING SHALL BE BROUGHT IN AND ADJUDICATED BY THE STATE OF NEW YORK, SUPREME COURT, COUNTY OF MONROE.

2. Scheduled Term

Subject to your continued employment with the Company upon the occurrence of the “*Effective Date*” (as defined under the Joint Plan of Reorganization under Chapter 11 of the Bankruptcy Code filed by the Company (the “*Plan of Reorganization*”)), the term of this Agreement will begin on the Effective Date and end as stated in your Schedule (your “*Scheduled Term*”).

3. Your Position, Performance and Other Activities

(a) *Position.* You will be employed in the position stated in your Schedule.

(b) *Authority, Responsibilities, and Reporting.* Your authority, responsibilities and reporting relationships will correspond to your position and will include any particular authority, responsibilities and reporting relationships that the Company’s Board of Directors (the “*Board*”) or any officer of the Company to whom you report may assign to you from time to time.

(c) *Performance.* You are expected to devote your best efforts and all of your business time to the affairs of the Company. You may, however, engage in any charitable, civic and community activities, provided, however, such activities do not materially interfere with your duties and responsibilities.

4. Your Compensation

(a) *Salary*. You will receive an annual base salary (your “*Salary*”). Commencing on the Effective Date, your Salary will be the amount set forth in your Schedule. Your Salary will be paid in accordance with the Company’s normal payroll practices.

(b) *Annual Incentive*. You will be eligible to participate in the Company’s short-term variable pay plan for its management level employees, known as Executive Compensation for Excellence and Leadership (“EXCEL”) (your “*Annual Incentive*”). Your annual target award under EXCEL will be determined in accordance with your Schedule. Any actual award in a given annual performance period will depend upon performance against corporate goals selected by management and approved by the appropriate committee of the Board and will be paid in the discretion of such committee and management. The terms of the EXCEL plan itself govern and control all interpretations of the plan.

(c) *Transition Incentive Award*. You will be eligible to receive a cash incentive award based on the achievement of key transition goals established by the Company in its sole discretion prior to or promptly following the Effective Date, relating to the Personalized Imaging business. The amount and form of the award (the “*Transition Incentive Award*”) to be granted to you will be determined by the Company in accordance with the terms of your Schedule.

5. Your Benefits

(a) *Employee Benefit Plans*. During your employment, you will be entitled to participate in the Company’s employee benefit plans, including plans that provide retirement and welfare benefits.

(b) *Vacation*. You will be entitled to paid annual vacation on the same basis as immediately prior to the Effective Date.

(c) *Additional Benefits*. During your employment, you will be provided any additional benefits stated in your Schedule.

6. Termination of Your Employment; End of Scheduled Term

(a) *No Reason Required*. Your employment with Kodak is “at will,” and you or the Company may terminate your employment at any time for any reason, including prior to the end of your Scheduled Term. If your employment with the Company continues at the end of your Scheduled Term, the provisions of Section 3 through this Section 6 will cease to apply, and you will continue as an at-will employee of the Company. The remaining provisions of this Agreement will continue in accordance with their terms.

(b) *Related Definition*.

(1) “*Cause*” means any of the following: (A) your continued failure, for a period of at least 30 calendar days following a written warning, to perform your duties in a manner deemed satisfactory by your supervisor, in the exercise of his or her sole discretion; (B) your failure to follow a lawful written directive of the Chief Executive Officer, your supervisor or the Board; (C) your willful violation of any material rule, regulation, or policy that may be established from time to time

for the conduct of the Company's business; (D) your unlawful possession, use or sale of narcotics or other controlled substances, or performing job duties while illegally used controlled substances are present in your system; (E) any act or omission or commission by you in the scope of your employment (a) which results in the assessment of a civil or criminal penalty against you or the Company, or (b) which in the reasonable judgment of your supervisor could result in a material violation of any foreign or U.S. federal, state or local law or regulation having the force of law; (F) your conviction of or plea of guilty or no contest to any crime involving moral turpitude; (G) any misrepresentation of a material fact to, or concealment of a material fact from, your supervisor or any other person in the Company to whom you have a reporting relationship in any capacity; or (H) your breach of the Company's Business Conduct Guide or the Eastman Kodak Company Employee's Agreement.

(c) *Severance*. You will be eligible to participate in the Termination Allowance Plan ("TAP"), the Company's broad-based severance plan that provides termination allowance benefits in the event of certain qualifying terminations as set forth in TAP. For the avoidance of doubt, TAP benefits will not be provided if the Company terminates your employment for Cause.

7. On-going Restrictions on Your Activities

(a) *Employee's Agreement*. You acknowledge and agree that your Eastman Kodak Company Employee's Agreement is and will remain in full force and effect, including, without limitation, the provisions therein regarding nondisclosure of confidential information, non-competition with the Company during, and for up to eighteen (18) months following any termination of, your employment and non-solicitation of Company employees, customers and suppliers during, and for up to twelve (12) months following any termination of, your employment.

(b) *Your Importance to the Company and the Effect of this Section 7*. You acknowledge that:

(1) In the course of your involvement in the Company's activities, you will have access to confidential information and the Company's client base and will profit from the goodwill associated with the Company. On the other hand, in view of your access to confidential information and your importance to the Company, if you compete with the Company for some time after your employment, the Company will likely suffer significant harm. In return for the benefits you will receive from the Company and to induce the Company to enter into this Agreement, and in light of the potential harm you could cause the Company, you agree to the provisions of this Section 7. The Company would not have entered into this Agreement if you did not agree to this Section 7.

(2) This Section 7 may limit your ability to earn a livelihood. You acknowledge, however, that complying with this Section 7 will not result in severe economic hardship for you or your family.

(c) *Transition Assistance*. During the 90 days after Termination Notice has been given, you will take all actions the Company may reasonably request to maintain for the Company the business, goodwill and business relationships with any Clients.

(d) *Notice to New Employers.* Before you accept employment with any other person or entity while your Employee's Agreement is in effect, you will provide the prospective employer with written notice of the provisions of the Employee's Agreement and will deliver a copy of the notice to the Company.

8. Effect on Other Agreements

(a) *Prior Employment Agreements and Severance Rights.* This Agreement will supersede any earlier employment agreement and any earlier severance, change in control or similar rights you may have with any member of the Company.

(b) *Release of Executive Protection Plan Claims.* The Eastman Kodak Company Executive Protection Plan (the "ExPP") was not assumed pursuant to the Plan of Reorganization. The consideration offered herein is accepted by you as being in full accord, satisfaction, compromise and settlement of any and all claims that you may have against the Company that exist on or prior to the Effective Date arising out of or concerning amounts that are or may have been due and owing to you pursuant to the ExPP, and you expressly agree that you are not entitled to and will not receive any payments, benefits or other compensation or recovery of any kind from the Company with respect to the ExPP.

(c) *Effect on Other Agreements; Entire Agreement.* This Agreement is the entire agreement between you and the Company with respect to the relationship contemplated by this Agreement and supersedes any earlier agreement, written or oral, with respect to the subject matter of this Agreement. In entering into this Agreement, no party has relied on or made any representation, warranty, inducement, promise or understanding that is not in this Agreement.

9. Successors

(a) *Assignment by You.* You may not assign this Agreement without the Company's consent. Also, except as required by law, your right to receive payments or benefits under this Agreement may not be subject to execution, attachment, levy or similar process. Any attempt to effect any of the preceding in violation of this Section 9(a), whether voluntary or involuntary, will be void.

(b) *Assumption by Any Surviving Company.* Before the effectiveness of any merger, consolidation, statutory share exchange or similar transaction (including an exchange offer combined with a merger or consolidation) involving the Company (a "Reorganization") or any sale, lease or other disposition (including by way of a series of transactions or by way of merger, consolidation, stock sale or similar transaction involving one or more subsidiaries) of all or substantially all of the Company's consolidated assets (a "Sale"), the Company will cause (1) the Surviving Company to unconditionally assume this Agreement in writing and (2) a copy of the assumption to be provided to you. After the Reorganization or Sale, the Surviving Company will be treated for all purposes as the Company under this Agreement. The "Surviving Company" means (i) in a Reorganization, the entity resulting from the Reorganization or (ii) in a Sale, the entity that has acquired all or substantially all of the assets of the Company.

10. General Provisions

(a) *Administrator.* All compensation and benefits provided under this Agreement will be administered by the Chief Human Resources Officer for the Company (the "Administrator"). The Administrator will have total and exclusive responsibility to control, operate, manage and administer such compensation and benefits in accordance with their terms and all the authority that may be necessary or helpful to enable him to discharge his responsibilities with respect to them. Without limiting the generality of the preceding sentence, the Administrator will have the exclusive right to: interpret this Agreement, decide all questions concerning eligibility for and the amount of compensation and benefits payable, construe any ambiguous provision, correct any default, supply any omission, reconcile any inconsistency, and decide all questions arising in the administration, interpretation and application of this Agreement. The Administrator will have full discretionary authority in all matters related to the discharge of his responsibilities and the exercise of his authority, including, without limitation, his construction of the terms of this Agreement and his determination of eligibility for compensation and benefits. It is the intent of the parties hereto, that the decisions of the Administrator and his actions with respect to this Agreement will be final and binding upon all persons having or claiming to have any right or interest in or under this Agreement and that no such decision or actions shall be modified upon judicial review unless such decision or action is proven to be arbitrary or capricious.

(b) *Withholding.* You and the Company will treat all payments to you under this Agreement as compensation for services. Accordingly, the Company may withhold from any payment any taxes that are required to be withheld under any law, rule or regulation.

(c) *Confidentiality.* You agree to keep the existence of this letter confidential except that you may review it with your financial advisor, attorney or spouse/partner and with the Administrator.

(d) *Severability.* If any provision of this Agreement is found by any court of competent jurisdiction (or legally empowered agency) to be illegal, invalid or unenforceable for any reason, then (1) the provision will be amended automatically to the minimum extent necessary to cure the illegality or invalidity and permit enforcement and (2) the remainder of this Agreement will not be affected. In particular, if any provision of Section 7 is so found to violate law or be unenforceable because it applies for longer than a maximum permitted period or to greater than a maximum permitted area, it will be automatically amended to apply for the maximum permitted period and maximum permitted area.

(e) *No Set-Off.* Your and the Company's respective obligations under this Agreement will not be affected by any set-off, counterclaim, recoupment or other right you or any member of the Company may have against each other or anyone else (except as this Agreement specifically states). You do not need to seek other employment or take any other action to mitigate any amounts owed to you under this Agreement, and those amounts will not be reduced if you do obtain other employment.

(f) *Notices.* All notices, requests, demands and other communications under this Agreement must be in writing and will be deemed given (1) on the business day sent, when delivered by hand or facsimile transmission (with confirmation) during normal business hours, (2) on the business day after the business day sent, if delivered by a nationally recognized overnight courier or (3) on the third business day after the business day sent if

delivered by registered or certified mail, return receipt requested, in each case to the following address or number (or to such other addresses or numbers as may be specified by notice that conforms to this Section 10(f)):

If to you, to the address stated in your Schedule.

If to the Company or any other member of the Company, to:

Eastman Kodak Company
343 State Street
Rochester, New York 14650
Attention: General Counsel
Facsimile: 585-724-9448

(g) *Amendments and Waivers.* Any provision of this Agreement may be amended or waived but only if the amendment or waiver is in writing and signed, in the case of an amendment, by you and the Company or, in the case of a waiver, by the party that would have benefited from the provision waived. Except as this Agreement otherwise provides, no failure or delay by you or the Company to exercise any right or remedy under this Agreement will operate as a waiver, and no partial exercise of any right or remedy will preclude any further exercise.

(h) *Jurisdiction; Choice of Forum; Costs.* You and the Company irrevocably submit to the exclusive jurisdiction of any state or federal court located in the County of New York over any controversy or claim arising out of or relating to or concerning this Agreement or any aspect of your employment with the Company (together, an “*Employment Matter*”). Both you and the Company (1) acknowledge that the forum stated in this Section 10(h) has a reasonable relation to this Agreement and to the relationship between you and the Company and that the submission to the forum will apply even if the forum chooses to apply non-forum law, (2) waive, to the extent permitted by law, any objection to personal jurisdiction or to the laying of venue of any action or proceeding covered by this Section 10(h) in the forum stated in this Section, (3) agree not to commence any such action or proceeding in any forum other than the forum stated in this Section 10(h) and (4) agree that, to the extent permitted by law, a final and non-appealable judgment in any such action or proceeding in any such court will be conclusive and binding on you and the Company. However, nothing in this Agreement precludes you or the Company from bringing any action or proceeding in any court for the purpose of enforcing the provisions of this Section 10(h). To the extent permitted by law, the Company will pay or reimburse any reasonable expenses, including reasonable attorney’s fees, you incur as a result of any Employment Matter.

(i) *Governing Law.* This Agreement will be governed by and construed in accordance with the law of the State of New York applicable to contracts made and to be performed entirely within that state.

(j) *Counterparts*. This Agreement may be executed in counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

Very truly yours,

Eastman Kodak Company

Your annual target award under EXCEL will be determined in accordance with your Schedule. The terms of the EXCEL plan itself govern and control all interpretations of the plan.

(c) *Long-Term Incentive Awards*. You will be eligible to participate in the Company’s Long-Term Incentive (LTI) program under the Eastman Kodak Company 2013 Omnibus Incentive Plan (the “*Omnibus Plan*”). The amount and form of the award (the “*Long-Term Equity Award*”) to be granted to you will be determined by the Company in accordance with the terms of the Omnibus Plan and your Schedule. The specific terms, conditions and restrictions on any Long-Term Equity Award will be contained in the Administrative Guide and Award Notice delivered to you within twenty (20) business days of the grant date.

(d) *Emergence Award*. On or shortly after the Effective Date, you will be granted the emergence equity award stated in your Schedule, which will be subject to the terms and conditions set forth in the Omnibus Plan and the applicable award agreement.

5. Your Benefits

(a) *Employee Benefit Plans*. During your employment, you will be entitled to participate in the Company’s employee benefit plans, including plans that provide retirement and welfare benefits.

(b) *Vacation*. You will be entitled to paid annual vacation on the same basis as immediately prior to the Effective Date.

(c) *Additional Benefits*. During your employment, you will be provided any additional benefits stated in your Schedule.

6. Termination of Your Employment; End of Scheduled Term

(a) *No Reason Required*. Neither you nor the Company is under any obligation to continue your employment beyond the Scheduled Term. In addition, you or the Company may terminate your employment early at any time for any reason, or for no reason, subject to compliance with Section 6(c).

(b) *Related Definitions*.

(1) “*Cause*” means any of the following: (A) your continued failure, for a period of at least 30 calendar days following a written warning, to perform your

duties in a manner deemed satisfactory by your supervisor, in the exercise of his or her sole discretion; (B) your failure to follow a lawful written directive of the Chief Executive Officer, your supervisor or the Board; (C) your willful violation of any material rule, regulation, or policy that may be established from time to time for the conduct of the Company's business; (D) your unlawful possession, use or sale of narcotics or other controlled substances, or performing job duties while illegally used controlled substances are present in your system; (E) any act or omission or commission by you in the scope of your employment (a) which results in the assessment of a civil or criminal penalty against you or the Company, or (b) which in the reasonable judgment of your supervisor could result in a material violation of any foreign or U.S. federal, state or local law or regulation having the force of law; (F) your conviction of or plea of guilty or no contest to any crime involving moral turpitude; (G) any misrepresentation of a material fact to, or concealment of a material fact from, your supervisor or any other person in the Company to whom you have a reporting relationship in any capacity; or (H) your breach of the Company's Business Conduct Guide or the Eastman Kodak Company Employee's Agreement.

(2) "Disability" means disability under the terms of the Company's Long-Term Disability Plan.

(3) "Good Reason" means any of the following: (A) a material diminution in your total target cash compensation, comprised of your Salary and target Annual Incentive; (B) a material diminution in your authority or responsibilities as provided in Section 3(b); (C) the transfer of your primary work site to a new primary work site that increases your one-way commute to work by more than 35 miles; (D) any material breach of this Agreement by the Company; or (E) any purported termination by the Company of your employment other than as expressly permitted by this Agreement.

(c) *Advance Notice Generally Required.*

(1) To terminate your employment before the end of the Scheduled Term, either you or the Company must provide a Termination Notice to the other. A "Termination Notice" is a written notice that states the specific provision of this Agreement on which termination is based, including, if applicable, the specific clause of the definition of Cause or Good Reason and a reasonably detailed description of the facts that permit termination under that clause; *provided*, that the failure to include any fact in a Termination Notice that contributes to a showing of Cause or Good Reason does not preclude either party from asserting that fact in enforcing its rights under this Agreement.

If you do not give a Termination Notice within 90 days after you have knowledge that an event constituting Good Reason has occurred, the event will no longer constitute Good Reason. In addition, you must give the Company 30 days to cure the first event constituting Good Reason.

(2) You and the Company agree to provide at least 30 days' advance Termination Notice of any termination, *unless* your employment is terminated by the Company for Cause or because of your Disability or death. If you die or become Disabled after you provide a valid Termination Notice with Good Reason or the Company provides Termination Notice without Cause, your termination will be treated as a termination with Good Reason or without Cause, effective as of the date of your Disability or death.

Following receipt of such notice, the Company may, at its sole discretion, choose to either (1) waive that notice period (thereby immediately terminating your employment) or (2) place you on paid leave, at your then-current salary for any or all of the notice period.

(d) *With Good Reason or Without Cause.* If, during the Scheduled Term, the Company terminates your employment without Cause or you terminate your employment with Good Reason:

(1) The Company will pay the following as of the end of your employment: (A) accrued but unpaid Salary up to the last day of your employment, (B) your Salary for any accrued but unused vacation, and (C) any accrued expense reimbursements and other cash entitlements (including for accrued expense reimbursement for which supporting documentation is submitted within 30 days after termination of your employment) (together, your "*Accrued Compensation*"). In addition, the Company will timely pay you any amounts and provide you any benefits that are required, or to which you are entitled, under any plan, contract or arrangement of the Company as of the end of your employment (together, the "*Other Benefits*").

(2) The Company will pay you severance ("*Severance Payments*") in an amount equal to (A) the sum of your Salary and your annual target Annual Incentive for the fiscal year in which the Termination Notice is given (or if such target Annual Incentive has not yet been established for such fiscal year, the target Annual Incentive for the fiscal year prior to the year in which the Termination Notice is given) *multiplied by* (B) the severance multiplier provided on your Schedule (your "*Severance Multiplier*").

(3) Your Annual Incentive will be governed by the terms of the EXCEL plan and any applicable Administrative Guide or Award Notice.

(4) Your Emergence Award and Long-Term Equity Awards will continue to vest and remain exercisable according to the terms of the applicable award, in each case without regard to any continued employment condition. The benefits in this Section 6(d)(4) are referred to as "*Continued Vesting*".

(e) *For Cause or without Good Reason.* If the Company terminates your employment for Cause or you terminate your employment without Good Reason, the Company will pay your Accrued Compensation and your Other Benefits; however, in connection with any termination of your employment by you without Good Reason, you will remain eligible for continued vesting and/or payment of your Emergence Award and any other equity-based compensation awarded by the Company or any affiliate, in accordance with the terms of such awards.

(f) *For Your Disability or Death.* If, during the Scheduled Term, your employment terminates as a result of your Disability or death, the Company will pay your Accrued Compensation and will provide Continued Vesting and your Other Benefits.

(g) *Benefits Bearing.* In no event shall any of the severance payments or benefits provided under this Section 6 be “benefits bearing.”

(h) *Clawback.* In the event you breach any of the terms of the Eastman Kodak Company Employees’ Agreement, this Agreement or the release described in Section 6(i) below, in addition to and not in lieu of any other remedies that the Company may pursue against you, no further severance payments will be made to you pursuant to this Section 6 and you agree to immediately repay to the Company all moneys previously paid to you pursuant to this Section 6.

(i) *Timing.* The benefits provided in this Section 6 will begin at the end of your employment, and any cash payments owed to you under this Section 6 will be paid in one lump sum 65 days following your date of termination except for Severance Payments, which will be made consistently with the Company’s normal payroll cycles and begin as soon as administratively practicable after your separation from service subject to Section 6(j). Notwithstanding the foregoing, any Severance Payments and any Continued Vesting will only be provided if, at the time of your termination, you provide a release of any and all claims you may have with respect to the Company (other than the benefits provided in Section 5 and the other rights under this Agreement that continue following your employment) in a form provided by the Company such that you have taken all action necessary for such release to become effective and irrevocable no later than 65 days following your date of termination. The Termination Allowance Plan (“TAP”) provides broad-based severance benefits to eligible Company employees. In accordance with the terms of TAP, you acknowledge that the amount of TAP benefits for which you may become eligible is calculated by reducing the benefit determined under the TAP formula by the Severance Payments under this Agreement. Since the Severance Payments (a minimum of one year’s base salary) exceed the maximum benefit payable under TAP (six month’s base salary), you agree that if you become eligible for Severance Payments under this Agreement you will not be entitled to TAP benefits. Should a court nevertheless award you TAP benefits in such circumstances, you agree that the amount of Severance Payments will be reduced by such award and be immediately repaid to the Company.

(j) *Section 409A.* This Agreement is intended to comply with or be exempt from the requirements of Section 409A of the Code (“*Section 409A*”) with respect to amounts, if any, subject thereto and shall be interpreted, construed and performed consistent with such intent. To the extent you would otherwise be entitled to any payment that under this Agreement, or any plan or arrangement of the Company or its affiliates, constitutes “deferred compensation” subject to Section 409A, and that if paid during the six months beginning on the date of termination of your employment would be subject to the Section 409A additional tax because you are a “specified employee” (within the meaning of Section 409A and as determined by the Company), the payment, together with any earnings on it, will be paid to you on the earlier of the six-month anniversary of your date of termination or your death. Similarly, to the extent you would otherwise be entitled to any benefit (other than a payment) during the six months beginning on termination of your employment that would be subject to the Section 409A additional tax, the benefit will be delayed and will begin being provided (together, if applicable, with an adjustment to compensate you for the delay) on the earlier of the six-month anniversary of your date of termination or your death or change in control (within the meaning of Section 409A). In addition, any payment or benefit due upon a termination of your employment that represents “deferred compensation” subject to Section 409A shall be paid or provided to you only upon a “separation from service” as defined in Treas. Reg. § 1.409A-1(h). Each payment under this Agreement shall be deemed to be a separate payment for purposes of

Section 409A, amounts payable under Sections 6(d)(1) and 6(d)(2) shall be deemed not to be “deferred compensation” subject to Section 409A to the extent provided in the exceptions in Treas. Reg. Sections 1.409A-1(b)(4) (“short-term deferrals”) and (b)(9) (“separation pay plans,” including the exception under subparagraph (iii)) and other applicable provisions of Treas. Reg. Section 1.409A-1 through A-6.

Notwithstanding anything to the contrary in this Agreement or elsewhere, any payment or benefit under this Agreement or otherwise that is exempt from Section 409A pursuant to Treas. Reg. Section 1.409A-1(b)(9)(v)(A) or (C) shall be paid or provided to you only to the extent that the expenses are not incurred, or the benefits are not provided, beyond the last day of your second taxable year following your taxable year in which the “separation from service” occurs; and *provided further* that such expenses are reimbursed no later than the last day of your third taxable year following the taxable year in which your “separation from service” occurs. Except as otherwise expressly provided herein, to the extent any expense reimbursement or the provision of any in-kind benefit under this Agreement is determined to be subject to Section 409A, the amount of any such expenses eligible for reimbursement, or the provision of any in-kind benefit, in one calendar year shall not affect the expenses eligible for reimbursement in any other taxable year (except for any lifetime or other aggregate limitation applicable to medical expenses), in no event shall any expenses be reimbursed after the last day of the calendar year following the calendar year in which you incurred such expenses, and in no event shall any right to reimbursement or the provision of any in-kind benefit be subject to liquidation or exchange for another benefit.

(k) *End of Scheduled Term.* If your employment with the Company continues at the end of your Scheduled Term, the provisions of Section 3 through this Section 6 will cease to apply and you will continue as an at-will employee of the Company. The remaining provisions of this Agreement will continue in accordance with their terms.

7. On-going Restrictions on Your Activities

(a) *Employee’s Agreement.* You acknowledge and agree that your Eastman Kodak Company Employee’s Agreement is and will remain in full force and effect, including, without limitation, the provisions therein regarding nondisclosure of confidential information, non-competition with the Company during, and for up to eighteen (18) months following any termination of, your employment and non-solicitation of Company employees, customers and suppliers during, and for up to twelve (12) months following any termination of, your employment.

(b) *Your Importance to the Company and the Effect of this Section 7.* You acknowledge that:

(1) In the course of your involvement in the Company’s activities, you will have access to confidential information and the Company’s client base and will profit from the goodwill associated with the Company. On the other hand, in view of your access to confidential information and your importance to the Company, if you compete with the Company for some time after your employment, the Company will likely suffer significant harm. In return for the benefits you will receive from the Company and to induce the Company to enter into this Agreement, and in light of the potential harm you could cause the Company, you agree to the provisions of this Section 7. The Company would not have entered into this Agreement if you did not agree to this Section 7.

(2) This Section 7 may limit your ability to earn a livelihood. You acknowledge, however, that complying with this Section 7 will not result in severe economic hardship for you or your family.

(c) *Transition Assistance*. During the 90 days after Termination Notice has been given, you will take all actions the Company may reasonably request to maintain for the Company the business, goodwill and business relationships with any Clients.

(d) *Notice to New Employers*. Before you accept employment with any other person or entity while your Employee's Agreement is in effect, you will provide the prospective employer with written notice of the provisions of the Employee's Agreement and will deliver a copy of the notice to the Company.

8. Effect on Other Agreements

(a) *Prior Employment Agreements and Severance Rights*. This Agreement will supersede any earlier employment agreement and any earlier severance, change in control or similar rights you may have with any member of the Company.

(b) *Release of Executive Protection Plan Claims*. The Eastman Kodak Company Executive Protection Plan (the "ExPP") was not assumed pursuant to the Plan of Reorganization. The consideration offered herein is accepted by you as being in full accord, satisfaction, compromise and settlement of any and all claims that you may have against the Company that exist on or prior to the Effective Date arising out of or concerning amounts that are or may have been due and owing to you pursuant to the ExPP, and you expressly agree that you are not entitled to and will not receive any payments, benefits or other compensation or recovery of any kind from the Company with respect to the ExPP.

(c) *Effect on Other Agreements; Entire Agreement*. This Agreement is the entire agreement between you and the Company with respect to the relationship contemplated by this Agreement and supersedes any earlier agreement, written or oral, with respect to the subject matter of this Agreement. In entering into this Agreement, no party has relied on or made any representation, warranty, inducement, promise or understanding that is not in this Agreement.

9. Successors

(a) *Assignment by You*. You may not assign this Agreement without the Company's consent. Also, except as required by law, your right to receive payments or benefits under this Agreement may not be subject to execution, attachment, levy or similar process. Any attempt to effect any of the preceding in violation of this Section 9(a), whether voluntary or involuntary, will be void.

(b) *Assumption by Any Surviving Company*. Before the effectiveness of any merger, consolidation, statutory share exchange or similar transaction (including an exchange offer combined with a merger or consolidation) involving the Company (a "Reorganization") or any sale, lease or other disposition (including by way of a series of transactions or by way of merger, consolidation, stock sale or similar transaction involving one or more subsidiaries) of all or substantially all of the Company's consolidated assets (a "Sale"), the Company will cause (1) the Surviving Company to unconditionally assume this Agreement in writing and (2) a copy of the assumption to be provided to you. After the

Reorganization or Sale, the Surviving Company will be treated for all purposes as the Company under this Agreement. The “*Surviving Company*” means (i) in a Reorganization, the entity resulting from the Reorganization or (ii) in a Sale, the entity that has acquired all or substantially all of the assets of the Company.

10. General Provisions

(a) *Administrator*. All compensation and benefits provided under this Agreement will be administered by the Chief Human Resources Officer for the Company (the “*Administrator*”). The Administrator will have total and exclusive responsibility to control, operate, manage and administer such compensation and benefits in accordance with their terms and all the authority that may be necessary or helpful to enable him to discharge his responsibilities with respect to them. Without limiting the generality of the preceding sentence, the Administrator will have the exclusive right to: interpret this Agreement, decide all questions concerning eligibility for and the amount of compensation and benefits payable, construe any ambiguous provision, correct any default, supply any omission, reconcile any inconsistency, and decide all questions arising in the administration, interpretation and application of this Agreement. The Administrator will have full discretionary authority in all matters related to the discharge of his responsibilities and the exercise of his authority, including, without limitation, his construction of the terms of this Agreement and his determination of eligibility for compensation and benefits. It is the intent of the parties hereto, that the decisions of the Administrator and his actions with respect to this Agreement will be final and binding upon all persons having or claiming to have any right or interest in or under this Agreement and that no such decision or actions shall be modified upon judicial review unless such decision or action is proven to be arbitrary or capricious.

(b) *Withholding*. You and the Company will treat all payments to you under this Agreement as compensation for services. Accordingly, the Company may withhold from any payment any taxes that are required to be withheld under any law, rule or regulation.

(c) *Confidentiality*. You agree to keep the existence of this letter confidential except that you may review it with your financial advisor, attorney or spouse/partner and with the Administrator.

(d) *Severability*. If any provision of this Agreement is found by any court of competent jurisdiction (or legally empowered agency) to be illegal, invalid or unenforceable for any reason, then (1) the provision will be amended automatically to the minimum extent necessary to cure the illegality or invalidity and permit enforcement and (2) the remainder of this Agreement will not be affected. In particular, if any provision of Section 7 is so found to violate law or be unenforceable because it applies for longer than a maximum permitted period or to greater than a maximum permitted area, it will be automatically amended to apply for the maximum permitted period and maximum permitted area.

(e) *No Set-Off*. Your and the Company’s respective obligations under this Agreement will not be affected by any set-off, counterclaim, recoupment or other right you or any member of the Company may have against each other or anyone else (except as this Agreement specifically states). You do not need to seek other employment or take any other action to mitigate any amounts owed to you under this Agreement, and those amounts will not be reduced if you do obtain other employment.

(f) *Notices.* All notices, requests, demands and other communications under this Agreement must be in writing and will be deemed given (1) on the business day sent, when delivered by hand or facsimile transmission (with confirmation) during normal business hours, (2) on the business day after the business day sent, if delivered by a nationally recognized overnight courier or (3) on the third business day after the business day sent if delivered by registered or certified mail, return receipt requested, in each case to the following address or number (or to such other addresses or numbers as may be specified by notice that conforms to this Section 10(g)):

If to you, to the address stated in your Schedule.

If to the Company or any other member of the Company, to:

Eastman Kodak Company
343 State Street
Rochester, New York 14650
Attention: General Counsel
Facsimile: 585-724-9448

(g) *Amendments and Waivers.* Any provision of this Agreement may be amended or waived but only if the amendment or waiver is in writing and signed, in the case of an amendment, by you and the Company or, in the case of a waiver, by the party that would have benefited from the provision waived. Except as this Agreement otherwise provides, no failure or delay by you or the Company to exercise any right or remedy under this Agreement will operate as a waiver, and no partial exercise of any right or remedy will preclude any further exercise.

(h) *Jurisdiction; Choice of Forum; Costs.* You and the Company irrevocably submit to the exclusive jurisdiction of any state or federal court located in the County of New York over any controversy or claim arising out of or relating to or concerning this Agreement or any aspect of your employment with the Company (together, an "*Employment Matter*"). Both you and the Company (1) acknowledge that the forum stated in this Section 10(i) has a reasonable relation to this Agreement and to the relationship between you and the Company and that the submission to the forum will apply even if the forum chooses to apply non-forum law, (2) waive, to the extent permitted by law, any objection to personal jurisdiction or to the laying of venue of any action or proceeding covered by this Section 10(i) in the forum stated in this Section, (3) agree not to commence any such action or proceeding in any forum other than the forum stated in this Section 10(i) and (4) agree that, to the extent permitted by law, a final and non-appealable judgment in any such action or proceeding in any such court will be conclusive and binding on you and the Company. However, nothing in this Agreement precludes you or the Company from bringing any action or proceeding in any court for the purpose of enforcing the provisions of this Section 10(i). To the extent permitted by law, the Company will pay or reimburse any reasonable expenses, including reasonable attorney's fees, you incur as a result of any Employment Matter.

(i) ***Governing Law.*** This Agreement will be governed by and construed in accordance with the law of the State of New York applicable to contracts made and to be performed entirely within that state.

(j) *Counterparts*. This Agreement may be executed in counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

Very truly yours,

Eastman Kodak Company
