(d) With respect to each Type of Common Collateral, (i) each of the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the First Priority Representative and each other First Priority Secured Party, that until the First Priority Obligations Payment Date, they will not take any Enforcement Action with respect to such Common Collateral, except as otherwise permitted under the proviso to the first sentence of Section 3.1(a) or under Section 3.1(b) or Section 3.1(c) and (ii) the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the Second Priority Representative and each other Second Priority Secured Party, that until the Second Priority Obligations Payment Date, they will not take any Enforcement Action with respect to such Common Collateral;

(f) With respect to each Type of Common Collateral, (i) each of the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the First Priority Representative and each other First Priority Secured Party, that until the First Priority Obligations Payment Date, they will not seek, and hereby waive any right, to have such Common Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Common Collateral, except as otherwise permitted under Section 3.1(b) or under Section 3.1(c) and (ii) the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees, for the benefit of the Second Priority Representative and each other Second Priority Secured Party, that until the Second Priority Obligations Payment Date, they will not seek, and hereby waive any right, to have such Common Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Common Collateral.

3.3 Judgment Creditors. In the event that any Second Priority Secured Party or Third Priority Secured Party becomes a judgment lien creditor as a result of its enforcement of its rights as an unsecured creditor in respect of its Second Priority Obligations or Third Priority Obligations, as the case may be (it being understood that any such party may exercise its rights and remedies as an unsecured creditor against the relevant Grantors in accordance with the terms of the Second Priority Documents or Third Priority Documents, as applicable, and applicable law; *provided* that such exercise of rights or remedies is not inconsistent with this Agreement), such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Priority Liens and the First Priority Obligations and the Second Priority Liens and the Second Priority Obligations, as applicable) to the same extent as all other Second Priority Liens (created pursuant to the Second Priority Documents) or all other Third Priority Liens (created pursuant to the Third Priority Documents), as the case may be, subject to this Agreement.

3.4 Cooperation.

(a) With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties agrees, that each of them shall take such actions as the First Priority Representative shall reasonably request in connection with an Enforcement Action by any First Priority Secured Party or the exercise by the First Priority Secured Parties of their rights set forth herein.

(b) With respect to each Type of Common Collateral, on the First Priority Obligations Payment Date the First Priority Representative for such Common Collateral agrees to take all reasonable actions in its power (with all costs and expenses in connection therewith to be for the account of the Grantors) to permit the Second Priority Representative for such Common Collateral to obtain, for the benefit of the Second Priority Secured Parties and the Third Priority Secured Parties for such Common Collateral, a first priority security interest and second priority security interest, respectively, in such Common Collateral, including without limitation in connection with the terms of any collateral access agreement, deposit account control agreement or other third party agreement, whether with a landlord, processor, warehouse or other third party, and with respect to any such agreement delivered on or after the date hereof, the First Priority Representative for such Common Collateral shall notify the other parties thereto that it is no longer the "Secured Party Representative," "Representative," "Lender Representative" or "Notice Agent" or similar term or otherwise entitled to act under such agreement and shall confirm to such parties that the Second Priority Representative for such Common Collateral is thereafter the "Secured Party Representative," "Representative," "Lender Representative" or "Notice Agent" or similar term as any of such terms are used in any such agreement and is otherwise entitled to the rights of the secured party under such agreement.

3.5 No Additional Rights for the Grantors Hereunder. Except as provided in Section 3.6, if any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any Secured Party.

3.6 Actions Upon Breach.

(a) With respect to each Type of Common Collateral, if any Second Priority Secured Party or Third Priority Secured Party commences or participates in any action or proceeding against any Grantor in respect of such Common Collateral contrary to this Agreement, such Grantor, with the prior written consent of the First Priority Representative, may interpose as a defense or dilatory plea the making of this Agreement, and any First Priority Secured Party may intervene and interpose such defense or plea in its or their name or in the name of such Grantor.

(b) With respect to each Type of Common Collateral, if any Second Priority Secured Party (or any agent or other representative thereof) or any Third Priority Secured Party (or any agent or other representative thereof) in any way takes, attempts to take or threatens to take any action with respect to such Common Collateral (including, without limitation, any attempt to enforce any remedy on such Common Collateral) in violation of this Agreement, or fails to take any action required by this Agreement, any First Priority Secured Party (in its or their own name or in the name of any Grantor) may obtain relief against such Second Priority Secured Party (or agent or other representative thereof) or Third Priority Secured Party (or agent or other representative thereof), as the case may be, by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by the Second Priority Representative on behalf of each other Second Priority Secured Party and the Third Priority Representative on behalf of each other Third Priority Secured Party that (i) the damages of the First Priority Secured Parties from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Second Priority Secured Party and each Third Priority Secured Party waives any defense that any Grantor and/or the First Priority Secured Parties cannot demonstrate damage and/or can be made whole by the awarding of damages.

4.1 Application of Proceeds; Turnover Provisions.

(a) All proceeds of ABL Priority Collateral (to the extent such ABL Priority Collateral constitutes Common Collateral) (including any interest earned thereon) resulting from any Enforcement Action, and whether or not pursuant to an Insolvency Proceeding, shall be distributed as follows:

first, to the First Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with the ABL Credit Agreement (or the then-extant First Priority Documents with respect to the ABL Priority Collateral) until the First Priority Obligations Payment Date in respect of the ABL Priority Collateral shall have occurred;

second, to the Second Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with the Senior Term Loan Agreement (or the then-extant Second Priority Documents with respect to the ABL Priority Collateral) until the Second Priority Obligations Payment Date with respect to the ABL Priority Collateral shall have occurred;

third, to the Third Priority Representative with respect to the ABL Priority Collateral to be applied in accordance with the Junior Term Loan Agreement (or the then-extant Third Priority Documents with respect to the ABL Priority Collateral) until the Third Priority Obligations Payment Date with respect to the ABL Priority Collateral shall have occurred;

fourth, to the payment in full in cash of the remaining ABL Secured Obligations;

fifth, to the payment in full in cash of the remaining Senior Term Loan Secured Obligations;

sixth, to the payment in full in cash of the remaining Junior Term Loan Secured Obligations; and

finally, to the relevant Grantor, or as a court of competent jurisdiction may direct.

(b) All proceeds of the Term Loan Priority Collateral (to the extent such Term Loan Priority Collateral constitutes Common Collateral) (including any interest earned thereon) resulting from any Enforcement Action, and whether or not pursuant to an Insolvency Proceeding, shall be distributed as follows:

first, to the First Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with the Senior Term Loan Agreement (or the then-extant First Priority Documents with respect to the Term Loan Priority Collateral) until the First Priority Obligations Payment Date with respect to the Term Loan Priority Collateral shall have occurred;

second, to the Second Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with the Junior Term Loan Agreement (or the then-extant Second Priority Documents with respect to the Term Loan Priority Collateral) until the Second Priority Obligations Payment Date with respect to the Term Loan Priority Collateral shall have occurred;

third, to the Third Priority Representative with respect to the Term Loan Priority Collateral to be applied in accordance with the ABL Credit Agreement (or the then-extant Third Priority Documents with respect to the Term Loan Priority Collateral) until the Third Priority Obligations Payment Date with respect to the Term Loan Priority Collateral shall have occurred;

fourth, to the payment in full in cash of the remaining Senior Term Loan Secured Obligations;

fifth, to the payment in full in cash of the remaining Junior Term Loan Secured Obligations;

sixth, to the payment in full in cash of the remaining ABL Secured Obligations; and

finally, to the relevant Grantor, or as a court of competent jurisdiction may direct.

(c) With respect to each Type of Common Collateral, until the occurrence of the First Priority Obligations Payment Date, no Second Priority Secured Party or Third Priority Secured Party may accept any such Common Collateral, including any such Common Collateral constituting proceeds, in satisfaction, in whole or in part, of the Second Priority Secured Obligations or Third Priority Secured Obligations, as the case may be, in violation of Sections 4.1(a) or 4.1(b). Any Common Collateral, including any Common Collateral constituting proceeds, received by a Second Priority Secured Party or Third Priority Secured Party that is not permitted to be received pursuant to the preceding sentence shall be segregated and held in trust and promptly turned over to the First Priority Representative with respect to such Common Collateral to be applied in accordance with Section 4.1(a) or 4.1(b), as the case may be, in the same form as received, with any necessary endorsements, and each Second Priority Secured Party and each Third Priority Secured Party hereby authorizes the First Priority Representative to make any such endorsements as agent for the Second Priority Representative and the Third Priority Representative (which authorization, being coupled with an interest, is irrevocable). Upon the turnover of such Common Collateral as contemplated by the immediately preceding sentence, the Second Priority Obligations or the Third Priority Obligations purported to be satisfied by the payment of such Common Collateral shall be immediately reinstated in full as though such payment had never occurred.

4.2 Releases of Lien.

(a) With respect to each Type of Common Collateral, upon any release, sale or disposition of such Common Collateral that results in the release of the First Priority Lien on such Common Collateral and that is (i) permitted pursuant to the terms of the First Priority Documents and not prohibited under the Second Priority Documents or Third Priority Documents or (ii) effected pursuant to (A) an Enforcement Action or (B) any release, sale or disposition of all or any portion of such Common Collateral by a Grantor with the consent of the First Priority Representative with respect to such Common Collateral at any time that an Event of Default under the ABL Credit Agreement, Senior Term Loan Agreement, or Junior Term Loan Agreement, as applicable, has occurred and is continuing), the Second Priority Lien and the Third Priority Lien on such Common Collateral (but not on any proceeds of such Common Collateral not required to be paid to the First Priority Secured Parties) shall be automatically and unconditionally released.

(b) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, the Second Priority Representative and the Third Priority Representative shall promptly execute and deliver such release documents and instruments, make such filing (including with any Secretary of State, the United States Patent and Trademark Office or the United States Copyright Office, as applicable) and shall take such further actions as the First Priority Representative shall reasonably request to evidence any release of the Second Priority Lien and Third Priority Lien described in Section 4.2(a). With respect to each Type of Common Collateral, the Second Priority Representative and the Third Priority Representative hereby appoints the First Priority Representative

and any officer or duly authorized person of the First Priority Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of the Second Priority Representative and the Third Priority Representative and in the name of the Second Priority Representative, the Third Priority Representative or in the First Priority Representative's own name; *provided* that such power of attorney may only be exercised if the Second Priority Representative or the Third Priority Representative has not executed and delivered such release documents and instruments in a timely manner following a request from the First Priority Representative, and must be exercised in the First Priority Representative's reasonable discretion, solely for the purposes of carrying out the terms of Section 4.2(a), to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of Section 4.2(a), including any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

4.3 Inspection Rights and Insurance.

(a) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, any First Priority Secured Party and its representatives and invitees may, to the extent expressly permitted by the First Priority Documents, inspect, repossess, remove and otherwise deal with such Common Collateral, and, pursuant to an Enforcement Action, the First Priority Representative may advertise and conduct public auctions or private sales of such Common Collateral, in each case without notice (other than any notice required by law) to, the involvement of or interference by any Second Priority Secured Party or Third Priority Secured Party or liability to any Second Priority Secured Party or Third Priority Secured Party.

(b) Proceeds of Collateral include insurance proceeds and, therefore, the Lien priority shall govern the ultimate disposition of casualty insurance proceeds and business interruption insurance proceeds. To effectuate the foregoing and to the extent provided by the applicable Loan Documents, the ABL Agent, Senior Term Loan Agent and Junior Term Loan Agent shall each receive separate lender's loss payable endorsements naming themselves as loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder. If any insurance claim includes both ABL Priority Collateral and Term Loan Priority Collateral and the insurer will not settle such claim separately with respect to ABL Priority Collateral and Term Loan Priority Collateral, if the ABL Agent, Senior Term Loan Agent and Junior Term Loan Agent are unable after negotiating in good faith to agree on the settlement for such claim, any of them (to the extent they have the right to direct the settlement of such claim under the applicable Loan Documents) may apply to a court of competent jurisdiction to make a determination regarding the allocation of proceeds of such insurance claim. All proceeds of such insurance shall be remitted to the extent required by the applicable Loan Documents to the ABL Agent, the Senior Term Loan Agent or the Junior Term Loan Agent, as the case may be, and each of the ABL Agent, Senior Term Loan Agent and Junior Term Loan Agent shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 4.1 hereof.

4.4 Option to Purchase ABL Secured Obligations.

(a) Without prejudice to the enforcement of remedies by the ABL Agent (whether in its capacity as First Priority Representative or Third Priority Representative) or the ABL Secured Parties, the ABL Secured Parties agree that at any time following (i) acceleration of the ABL Secured Obligations in accordance with the terms of the ABL Credit Agreement, (ii) unless (x) the Senior Term Loan Agent has not delivered an ABL Purchase Notice within the time period set forth in this Section 4.4(a) or (y) the ABL Purchase has been effectuated in accordance with this Section 4.4(a),

the commencement of an Enforcement Action by the ABL Secured Parties after an "Event of Default" under the ABL Credit Agreement or (iii) the commencement of an Insolvency Proceeding by or against any Grantor (each, an "ABL Purchase Event"), the Senior Term Loan Secured Parties (whether one or more) shall have the option to purchase by way of assignment (and, to the extent provided in clause (b) below, cash collateralization), and the ABL Secured Parties, severally and not jointly, hereby offer the Senior Term Loan Secured Parties the option to purchase by way of assignment (and, to the extent provided in clause (b) below, cash collateralization) (and shall thereby also assume all commitments and duties of the ABL Secured Parties, other than in respect of Specified Secured Creditor Agreements and Bank Products Obligations Agreements) all, but not less than all, of the aggregate amount of ABL Secured Obligations outstanding at the time of purchase (such option shall be exercisable by delivery of a written notice from the Senior Term Loan Agent to the ABL Agent and the Borrower (the "ABL Purchase Notice") and received by the ABL Agent and the Borrower no later than fifteen (15) Business Days after the date of the occurrence of such ABL Purchase Event; any such purchase, an "ABL Purchase"; and the persons effecting such purchase, the "ABL Purchasing Parties"); *provided that* (A) at the time of (and as a condition to) any ABL Purchase all commitments pursuant to any then outstanding ABL Credit Agreement shall have terminated, (B) any ABL Purchase shall be effected not later than five (5) Business Days following date on which the ABL Agent received the ABL Purchase Notice, and (C) any ABL Purchase shall not in any way affect any rights of the ABL Secured Parties with respect to indemnification and other obligations of the Grantors under the ABL Loan Documents that are expressly stated to survive the termination of the ABL Documents (the "Surviving ABL Obligations"). Such ABL Purchase Notice from the Senior Term Loan Agent to the ABL Agent and the Borrower shall be irrevocable unless otherwise agreed in writing by the ABL Agent, and such purchase shall occur no later than five (5) Business Days after the ABL Purchase Notice was received by the ABL Agent and the Borrower. The obligations of the ABL Secured Parties hereunder to sell the ABL Obligations owing to them are several and not joint and several.

(b) Without limiting the obligations of the Grantors to the ABL Secured Parties under the ABL Loan Documents with respect to the Surviving ABL Obligations, on the date of an ABL Purchase, the ABL Purchasing Parties shall (i) pay to the ABL Secured Parties as the purchase price (the "ABL Purchase Price") 100% of the amount of all ABL Secured Obligations (other than Unasserted Contingent Obligations) then outstanding and unpaid (including principal, interest, fees, breakage costs, attorneys' and advisors' fees and expenses (in each case, whether or not invoiced or final)), payable in cash, (ii) furnish cash collateral to the ABL Secured Parties in such amounts as the relevant ABL Secured Parties determine is reasonably necessary to secure such ABL Secured Parties in connection with any ABL Secured Obligations in respect of Bank Products Obligations Agreements and Specified Secured Creditor Agreements, without prejudice to the right of such ABL Secured Parties to terminate any such Bank Products Obligations Agreements or Specified Secured Creditor Agreements at any time, (iii) furnish cash collateral to the ABL Secured Parties in such amounts as the relevant ABL Secured Parties determine is reasonably necessary to secure such ABL Secured Parties in connection with any outstanding Letters of Credit (as defined in the ABL Credit Agreement) (not to exceed 105% of the aggregate undrawn face amount of such letters of credit) and (iv) agree to reimburse the ABL Secured Parties for (x) returned payment items relating to any checks or other payments provisionally credited to the ABL Secured Obligations and/or as to which the ABL Secured Parties have not yet received final payment and, in each case, are reflected in the ABL Purchase Price and (y) to the extent that the cash collateral furnished pursuant to clauses (ii) and/or (iii) is insufficient, all amounts thereafter drawn under any outstanding Letters of Credit or thereafter payable by the ABL Secured Parties (or any of them) in respect of Bank Products Obligations Agreements and Specified Secured Creditor Agreements.

(c) The ABL Purchase Price and cash collateral shall be remitted by wire transfer in immediately available funds to such account of the ABL Agent as it shall designate to the ABL Purchasing Parties. The ABL Agent shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the ABL Purchase Price to the ABL Secured Parties in accordance with their holdings of the applicable ABL Secured Obligations. Interest shall be calculated to but excluding the day on which the ABL Purchase occurs if the amounts so paid by the ABL Purchasing Parties to the account designated by the ABL Agent are received in such account prior to 1:00 p.m., New York City time, and interest shall be calculated to and including such day if the amounts so paid by the ABL Purchasing Parties to the account designated by the ABL Agent are received in such account later than 1:00 p.m., New York City time.

(d) After the date of such ABL Purchase (i) the ABL Agent will promptly provide the Senior Term Loan Agent with written notification of the termination of any Bank Products Obligations Agreements or Specified Secured Creditor Agreements and the cancellation or termination of any Letters of Credit (as defined in the ABL Credit Agreement), in each case, for which the ABL Purchasing Parties have provided cash collateral, and (ii) to the extent any Bank Products Obligations Agreements or Specified Secured Creditor Agreements are terminated or any Letters of Credit are cancelled or terminated without being drawn, the ABL Agent shall return to the ABL Purchasing Parties such portion of the cash collateral furnished to the ABL Agent as collateral therefor and not applied to the satisfaction of the ABL Secured Obligations to which such cash collateral relates.

(e) The ABL Purchase shall be made without representation or warranty of any kind by the ABL Secured Parties as to the ABL Secured Obligations, the ABL Priority Collateral or otherwise and without recourse to the ABL Secured Parties, except that the ABL Secured Parties shall represent and warrant: (i) the amount of the ABL Secured Obligations being purchased, (ii) that the ABL Secured Parties own the ABL Secured Obligations free and clear of any Liens (other than participation interests not prohibited under the ABL Credit Agreement, in which case the ABL Purchase Price shall be appropriately adjusted so that the ABL Purchasing Parties do not pay amounts in respect of any participation interests that remain in effect) and (iii) that the ABL Secured Parties have the right to assign the ABL Secured Obligations and the assignment is duly authorized.

(f) The ABL Purchase shall be made pursuant to assignment documentation in form and substance reasonably satisfactory to the ABL Agent (with the reasonable and documented cost of such documentation to be paid by the Grantors or, if the Grantors do not make such payment, by the respective purchasers, who shall have the right to obtain reimbursement of same from the Grantors).

(g) The obligations of the ABL Secured Parties to sell their respective ABL Secured Obligations under this Section 4.4(g) are several and not joint and several. To the extent any ABL Secured Party breaches its obligation to sell its ABL Secured Obligations under this Section 4.4(g) (a "Defaulting ABL Secured Party"), nothing in this Section 4.4(g) shall be deemed to require the ABL Agent or any other ABL Secured Party to purchase such Defaulting ABL Secured Party's ABL Secured Obligations for resale to any Senior Term Loan Secured Party, and in all cases the ABL Agent and each ABL Secured Party complying with the terms of this Section 4.4(g) shall not be deemed to be in default of this Agreement or otherwise be deemed liable for any action or inaction of any Defaulting ABL Secured Party; *provided* that nothing in this Section 4.4(g) shall require any ABL Purchasing Party to purchase less than all of the ABL Secured Obligations.

(h) Each Grantor irrevocably consents to any assignment effected to one or more Senior Term Loan Secured Parties pursuant to this Section 4.4 for purposes of all ABL Loan Documents and hereby agrees that no further consent to any such assignment pursuant to this Section from such Grantor shall be required.

4.5 Option to Purchase Senior Term Loan Secured Obligations.

(a) Without prejudice to the enforcement of remedies by the Senior Term Loan Agent (whether in its capacity as First Priority Representative or Second Priority Representative) or the Senior Term Loan Secured Parties, the Senior Term Loan Secured Parties agree that at any time following (i) acceleration of the Senior Term Loan Secured Obligations in accordance with the terms of the Senior Term Loan Agreement, (ii) unless (x) the ABL Agent has not delivered a Senior Term Loan Purchase Notice within the time period set forth in this Section 4.5(a) or (y) the Senior Term Loan Purchase has been effectuated in accordance with this Section 4.5(a), the commencement of an Enforcement Action by the Senior Term Loan Secured Parties after an "Event of Default" under the Senior Term Loan Agreement or (iii) the commencement of an Insolvency Proceeding by or against any Grantor (each, a "Senior Term Loan Purchase Event"), the ABL Secured Parties (whether one or more) shall have the option to purchase by way of assignment, and the Senior Term Loan Secured Parties, severally and not jointly, hereby offer the ABL Secured Parties the option to purchase by way of assignment all, but not less than all, of the aggregate amount of Senior Term Loan Secured Obligations outstanding at the time of purchase (such option shall be exercisable by delivery of a written notice from the ABL Agent to the Senior Term Loan Agent and the Borrower (the "Senior Term Loan Purchase Notice") and received by the Senior Term Loan Agent and the Borrower no later than fifteen (15) Business Days after the date of the occurrence of such Senior Term Loan Purchase Event; any such purchase, a "Senior Term Loan Purchase"; and the persons effecting such purchase, the "Senior Term Loan Purchasing Parties"); *provided* that (A) at the time of (and as a condition to) any Senior Term Loan Purchase all commitments pursuant to the Senior Term Loan Agreement shall have terminated, (B) any Senior Term Loan Purchase shall be effected not later than five (5) Business Days following the date on which the Senior Term Loan Agent received the Senior Term Loan Purchase Notice and (C) any Senior Term Loan Purchase shall not in any way affect any rights of the Senior Term Loan Secured Parties with respect to indemnification and other obligations of the Grantors under the Term Loan Documents that are expressly stated to survive the termination of the Term Loan Documents or the repayment of the Senior Term Loans (the "Surviving Senior Term Loan Obligations"). Such Senior Term Loan Purchase Notice from the ABL Agent to the Senior Term Loan Agent and the Borrower shall be irrevocable unless otherwise agreed in writing by the Senior Term Loan Agent, and such purchase shall occur not later than five (5) Business Days after the Senior Term Loan Purchase Notice was received by the Senior Term Loan Agent and the Borrower. The obligations of the Senior Term Loan Secured Parties hereunder to sell the Senior Term Loan Secured Obligations owing to them are several and not joint and several.

(b) Without limiting the obligations of the Grantors to the Senior Term Loan Secured Parties under the Term Loan Documents with respect to the Surviving Senior Term Loan Secured Obligations, on the date of an Senior Term Loan Purchase, the Senior Term Loan Purchasing Parties shall (i) pay to the Senior Term Loan Secured Parties as the purchase price (the "Senior Term Loan Purchase Price") 100% of the amount of all Senior Term Loan Secured Obligations (other than unasserted contingent indemnification obligations) then outstanding and unpaid (including principal, interest, fees, breakage costs, attorneys' and advisors' fees and expenses (in each case, whether or not invoiced or final)), payable in cash and (ii) agree to reimburse the Senior Term Loan Secured Parties for returned payment items relating to any checks or other payments provisionally credited to the Senior Term Loan Secured Obligations and/or as to which the Senior Term Loan Secured Parties have not yet received final payment and, in each case, are reflected in the Senior Term Loan Purchase Price.

(c) The Senior Term Loan Purchase Price shall be remitted by wire transfer in immediately available funds to such account of the Senior Term Loan Agent as it shall designate to the Senior Term Loan Purchasing Parties. The Senior Term Loan Agent shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the Senior Term Loan Purchase Price to the Senior Term Loan Secured Parties in accordance with their holdings of the applicable Senior Term Loan Secured Obligations. Interest shall be calculated to but excluding the day on which the ABL Purchase occurs if the amounts so paid by the Senior Term Loan Purchasing Parties to the account designated by the Senior Term Loan Agent are received in such account prior to 1:00 p.m., New York City time, and interest shall be calculated to and including such day if the amounts so paid by the Senior Term Loan Purchasing Parties to the account designated by the Senior Term Loan Agent are received in such account later than 1:00 p.m., New York City time.

(d) The Senior Term Loan Purchase shall be made without representation or warranty of any kind by the Senior Term Loan Secured Parties as to the Senior Term Loan Secured Obligations, the Term Loan Priority Collateral or otherwise and without recourse to the Senior Term Loan Secured Parties, except that the Senior Term Loan Secured Parties shall represent and warrant: (i) the amount of the Senior Term Loan Secured Obligations being purchased, (ii) that the Senior Term Loan Secured Parties own the Senior Term Loan Secured Obligations free and clear of any Liens (other than participation interests not prohibited under the Senior Term Loan Agreement, in which case the Senior Term Loan Purchase Price shall be appropriately adjusted so that the Senior Term Loan Purchasing Parties do not pay amounts in respect of any participation interests that remain in effect) and (iii) that the Senior Term Loan Secured Parties have the right to assign the Senior Term Loan Secured Obligations and the assignment is duly authorized.

(e) The Senior Term Loan Purchase shall be made pursuant to assignment documentation in form and substance reasonably satisfactory to the Senior Term Loan Agent (with the reasonable and documented cost of such documentation to be paid by the Grantors or, if the Grantors do not make such payment, by the respective purchasers, who shall have the right to obtain reimbursement of same from the Grantors).

(f) The obligations of the Senior Term Loan Secured Parties to sell their respective Senior Term Loan Secured Obligations under this Section 4.5(f) are several and not joint and several. To the extent any Senior Term Loan Secured Party breaches its obligation to sell its Senior Term Loan Secured Obligations under this Section 4.5(f) (a "Defaulting Senior Term Loan Secured Party"), nothing in this Section 4.5(f) shall be deemed to require the Senior Term Loan Agent or any other Senior Term Loan Secured Party to purchase such Defaulting Senior Term Loan Secured Party's Senior Term Loan Secured Obligations for resale to any ABL Secured Party, and in all cases the Senior Term Loan Agent and each Senior Term Loan Secured Party complying with the terms of this Section 4.5(f) shall not be deemed to be in default of this Agreement or otherwise be deemed liable for any action or inaction of any Defaulting Senior Term Loan Secured Party; *provided* that nothing in this Section 4.5(f) shall require any Senior Term Loan Purchasing Party to purchase less than all of the Senior Term Loan Secured Obligations.

(g) Each Grantor irrevocably consents to any assignment effected to one or more ABL Secured Parties pursuant to this Section 4.5 for purposes of all Senior Term Loan Documents and hereby agrees that no further consent to any such assignment pursuant to this Section from such Grantor shall be required.

4.6 Option to Purchase ABL Secured Obligations and Senior Term Loan Secured Obligations. Within 10 days after the occurrence of both an ABL Purchase Event and a Senior Term Loan Purchase Event, one or more of the Junior Term Loan Secured Parties (the "Junior Secured")

Purchasing Parties”) shall have the right to purchase all of the ABL Secured Obligations and all of the Senior Term Loan Obligations pursuant to the terms and conditions set forth in Sections 4.4 and 4.5 as if such Junior Secured Purchasing Parties were the Senior Term Loan Purchasing Parties and the ABL Purchasing Parties. In the event of a conflict between the purchase right afforded to the Junior Secured Purchasing Parties pursuant to this Section 4.6 and the purchase right afforded to the ABL Purchasing Parties pursuant to Section 4.4 or the purchase right afforded to the Senior Term Loan Purchasing Parties pursuant to Section 4.5, the purchase right afforded to the Junior Secured Purchasing Parties pursuant to this Section 4.6 shall prevail.

SECTION 5. *Insolvency Proceedings.*

5.1 Filing of Motions. With respect to each Type of Common Collateral, each of the First Priority Representative, the Second Priority Representative and the Third Priority Representative agrees on behalf of itself and the other First Priority Secured Parties, other Second Priority Secured Parties and other Third Priority Secured Parties, respectively, that it shall not, in or in connection with any Insolvency Proceeding, file any pleadings or motions, take any position at any hearing or proceeding of any nature, or otherwise take any action whatsoever, in each case to challenge, contest or otherwise object to the scope, validity, enforceability, perfection or priority of any Liens in respect of Secured Obligations held by any other Secured Party and no Secured Party shall support any other Person doing any of the foregoing.

5.2 Financing Matters.

(a) If any Grantor becomes subject to any Insolvency Proceeding, and if the First Priority Representative with respect to the ABL Priority Collateral consents (or does not object) to the use of ABL Priority Collateral constituting Common Collateral (for the avoidance of doubt, including but not limited to the use of any such ABL Priority Collateral that is cash collateral) by any Grantor during any Insolvency Proceeding or provides financing to any Grantor under the Bankruptcy Code secured by ABL Priority Collateral or consents (or does not object) to the provision of such financing to any Grantor by any third party (any such financing, whether provided by the First Priority Secured Parties with respect to the ABL Priority Collateral (or any of them) or any third party, being referred to herein as an “ABL Priority DIP Financing”), then the Second Priority Representative with respect to the ABL Priority Collateral agrees, on behalf of itself and the other Second Priority Secured Parties with respect to the ABL Priority Collateral, and the Third Priority Representative with respect to the ABL Priority Collateral agrees, on behalf of itself and the other Third Priority Secured Parties with respect to the ABL Priority Collateral, that each such Second Priority Secured Party and each such Third Priority Secured Party (a) will be deemed to have consented to, will raise no objection to, and will not support any other Person objecting to, the use of such ABL Priority Collateral or to such ABL Priority DIP Financing, (b) shall only request or accept adequate protection in connection with the use of such ABL Priority Collateral or such ABL Priority DIP Financing as permitted by Section 5.4 below, (c) will subordinate (and will be deemed hereunder to have subordinated) the Second Priority Liens or the Third Priority Liens, as applicable, and any Adequate Protection Liens provided in respect thereof (i) to the Liens on such ABL Priority Collateral securing such ABL Priority DIP Financing on the same terms and conditions as the First Priority Liens on such ABL Priority Collateral are subordinated to such Liens on such ABL Priority Collateral securing such ABL Priority DIP Financing (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection with respect to the ABL Priority Collateral provided to the First Priority Secured Parties with respect to the ABL Priority Collateral, including, without limitation, Adequate Protection Liens on the ABL Priority Collateral provided to the First Priority Secured Parties with respect to the ABL Priority Collateral and (iii) to any “carve-out” with respect to the ABL Priority Collateral for professional and United States Trustee fees agreed to by the First Priority Representative with respect to the ABL Priority Collateral or the other First Priority Secured Parties

with respect to the ABL Priority Collateral and (d) agrees that any notice of such events found to be adequate by the bankruptcy court shall be adequate notice; *provided* that, with respect to clauses (a) through (d) above, the aggregate principal amount of (x) any ABL Priority DIP Financing plus (y) the aggregate outstanding principal amount of the ABL Secured Obligations outstanding pursuant to clause (c)(i) of the definition of “Maximum Obligations Amount” as of the date of the commencement of the Insolvency Proceeding shall not exceed \$300,000,000.

(b) If any Grantor becomes subject to any Insolvency Proceeding, and if the First Priority Representative with respect to the Term Loan Priority Collateral consents (or does not object) to the use of Term Loan Priority Collateral constituting Common Collateral by any Grantor during any Insolvency Proceeding or provides financing to any Grantor under the Bankruptcy Code secured by Term Loan Priority Collateral or consents (or does not object) to the provision of such financing to any Grantor by any third party (any such financing, whether provided by the First Priority Secured Parties with respect to the Term Loan Priority Collateral (or any of them) or any third party, being referred to herein as an “Senior Term Loan Priority DIP Financing”), then the Second Priority Representative with respect to the Term Loan Priority Collateral agrees, on behalf of itself and the other Second Priority Secured Parties with respect to the Term Loan Priority Collateral, and the Third Priority Representative with respect to the Term Loan Priority Collateral agrees, on behalf of itself and the other Third Priority Secured Parties with respect to the Term Loan Priority Collateral, that each such Second Priority Secured Party and each such Third Priority Secured Party (a) will be deemed to have consented to, will raise no objection to, and will not support any other Person objecting to, the use of such Term Loan Priority Collateral or to such Senior Term Loan Priority DIP Financing, (b) shall only request or accept adequate protection in connection with the use of such Term Loan Priority Collateral or such Senior Term Loan Priority DIP Financing as permitted by Section 5.4 below, (c) will subordinate (and will be deemed hereunder to have subordinated) the Second Priority Liens or the Third Priority Liens, as applicable, and any Adequate Protection Liens provided in respect thereof (i) to the Liens on such Term Loan Priority Collateral securing such Senior Term Loan Priority DIP Financing on the same terms and conditions as the First Priority Liens on such Term Loan Priority Collateral are subordinated to such Liens on such Term Loan Priority Collateral securing such Senior Term Loan Priority DIP Financing (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection with respect to the Term Loan Priority Collateral provided to the First Priority Secured Parties with respect to the Term Loan Priority Collateral, including, without limitation, Adequate Protection Liens on the Term Loan Priority Collateral provided to the First Priority Secured Parties with respect to the Term Loan Priority Collateral and (iii) to any “carve-out” with respect to the Term Loan Priority Collateral for professional and United States Trustee fees agreed to by the First Priority Representative with respect to the Term Loan Priority Collateral or the other First Priority Secured Parties with respect to the Term Loan Priority Collateral and (d) agrees that any notice of such events found to be adequate by the bankruptcy court shall be adequate notice; *provided* that, with respect to clauses (a) through (d) above, the aggregate principal amount of (x) any Senior Term Loan Priority DIP Financing plus (y) the aggregate outstanding principal amount of the Senior Term Loan Secured Obligations outstanding pursuant to clause (a)(i) of the definition of “Maximum Obligations Amount” as of the date of the commencement of the Insolvency Proceeding shall not exceed \$620,000,000.

5.3 Relief From the Automatic Stay. With respect to each Type of Common Collateral, (a) the Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, that none of them will (i) seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in violation thereof, or support any other Person seeking such relief or taking such action, in each case in respect of such Common Collateral, without the prior written consent of the First Priority Representative or (ii) object to, contest, or support any other Person

objecting to or contesting, any relief from the automatic stay or from any other stay in any Insolvency Proceeding requested by any First Priority Secured Party and (b) the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, that none of them will (i) seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in violation thereof, or support any other Person seeking such relief or taking such action, in each case in respect of such Common Collateral, without the prior written consent of the Second Priority Representative or (ii) object to, contest, or support any other Person objecting to or contesting, any relief from the automatic stay or from any other stay in any Insolvency Proceeding requested by any Second Priority Secured Party.

5.4 Adequate Protection.

(a) With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that none of them shall object to, contest, or support any other Person objecting to or contesting, (i) any request by the First Priority Representative or any other First Priority Secured Party for adequate protection with respect to such Common Collateral, including, without limitation, in the form of Adequate Protection Liens, superpriority claims, interest, fees, expenses or other amounts or (ii) any objection by the First Priority Representative or any other First Priority Secured Party to any motion, relief, action or proceeding based on a claim of a lack of adequate protection to the First Priority Secured Parties with respect to such Common Collateral or (iii) the payment of principal, interest, fees, expenses or other amounts to the First Priority Representative or any other First Priority Secured Party under section 506(b) or 506(c) of the Bankruptcy Code or otherwise with respect to such Common Collateral. Notwithstanding anything contained in this Agreement, (1) in any Insolvency Proceeding, the Second Priority Representative and the other Second Priority Secured Parties and the Third Priority Representative and the other Third Priority Secured Parties, in each case with respect to each Type of Common Collateral, may seek, support, accept or retain adequate protection (A) only if the First Priority Secured Parties with respect to such Common Collateral are granted adequate protection that includes Adequate Protection Liens on additional collateral and superpriority claims and such First Priority Secured Parties do not object to the adequate protection being provided to them and (B) solely in the form of (x) Adequate Protection Liens on the same additional collateral, subordinated to the Adequate Protection Liens granted to the First Priority Representative or any other First Priority Secured Party and the Liens securing any DIP Financing provided by, or consented to by (including via non-objection), the First Priority Secured Parties with respect to such Common Collateral on the same basis as the other Second Priority Liens on such Common Collateral and Third Priority Liens on such Common Collateral, as applicable, are so subordinated to the First Priority Liens on such Common Collateral under this Agreement, (y) superpriority claims subordinated (but only to the extent such superpriority claims are satisfied from the proceeds of the Common Collateral on which the First Priority Secured Parties have First Priority Liens) to the superpriority claims granted to the First Priority Secured Parties and (z) non-monetary adequate protection that is customarily provided in an Insolvency Proceeding, including, without limitation, in the form of the provision of information and the ability to monitor such Common Collateral and (2) with respect to each Type of Common Collateral, in the event any Second Priority Secured Party or any Third Priority Secured Party receives adequate protection in the form of Adequate Protection Liens, then the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, or the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, as the case may be, (i) consents to the First Priority Representative having a senior Adequate Protection Lien on such additional collateral as security for the First Priority Obligations and that any Adequate Protection Liens granted to the Second Priority Secured Parties and the Third Priority Secured Parties, on any additional collateral shall be subordinated to the Liens on such collateral securing the First Priority Obligations and any DIP Financing provided by, or consented to

by (including via non-objection), the First Priority Secured Parties with respect to such Common Collateral (and all obligations relating thereto) and any Adequate Protection Liens granted to the First Priority Secured Parties, with such subordination to be on the same terms that the other Second Priority Liens are subordinated to such First Priority Liens under this Agreement or that the other Third Priority Liens are subordinated to such First Priority Liens and the Second Priority Liens under this Agreement, as applicable, and (ii) agrees that, if the bankruptcy court does not grant the First Priority Secured Parties a senior Adequate Protection Lien on such additional collateral, then the Second Priority Secured Parties or Third Priority Secured Parties, as the case may be, shall be deemed to hold and have held their Adequate Protection Lien on such additional collateral for the benefit of the First Priority Secured Parties (and each such Lien so deemed to have been held shall be subject in all respects to the provisions of this Agreement, including without limitation the lien subordination provisions set forth in Section 2.1) and, until the First Priority Obligations Payment Date, any distributions in respect of such additional collateral received by the Second Priority Secured Parties or Third Priority Secured Parties, as applicable, shall be segregated and held in trust and promptly turned over to the First Priority Representative to repay the First Priority Obligations. To the extent so authorized by a court of competent jurisdiction, upon the turnover of such distributions as contemplated by the immediately preceding sentence, the Second Priority Obligations or Third Priority Obligations, as applicable, purported to be satisfied by such distributions shall be immediately reinstated in full as though such payment had never occurred.

(b) With respect to each Type of Common Collateral (but without limiting, and subject in all respects to, Section 5.4(a)), the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that none of them shall object to, contest, or support any other Person objecting to or contesting, (i) any request by the Second Priority Representative or any other Second Priority Secured Party for adequate protection with respect to such Common Collateral, including, without limitation, in the form of Adequate Protection Liens, superpriority claims, interest, fees, expenses or other amounts or (ii) any objection by the Second Priority Representative or any other Second Priority Secured Party to any motion, relief, action or proceeding based on a claim of a lack of adequate protection to the Second Priority Secured Parties with respect to such Common Collateral or (iii) the payment of principal, interest, fees, expenses or other amounts to the Second Priority Representative or any other Second Priority Secured Party under section 506(b) or 506(c) of the Bankruptcy Code or otherwise with respect to such Common Collateral. Notwithstanding anything contained in this Agreement, (1) in any Insolvency Proceeding, the Third Priority Representative and the other Third Priority Secured Parties, with respect to each Type of Common Collateral, may seek, support, accept or retain adequate protection (A) only if the Second Priority Secured Parties with respect to such Common Collateral are granted adequate protection that includes Adequate Protection Liens on additional collateral and superpriority claims and such Second Priority Secured Parties do not object to the adequate protection being provided to them and (B) solely in the form of (x) an Adequate Protection Liens on the same additional collateral, subordinated to the Adequate Protection Liens granted to the Second Priority Representative or any other Second Priority Secured Party and the Liens securing any DIP Financing provided by, or consented to by (including via non-objection), the Second Priority Secured Parties with respect to such Common Collateral on the same basis as the other Third Priority Liens on such Common Collateral are so subordinated to the Second Priority Liens on such Common Collateral under this Agreement, (y) superpriority claims subordinated (but only to the extent such superpriority claims are satisfied from the proceeds of the Common Collateral on which the Second Priority Secured Parties have Second Priority Liens) to the superpriority claims granted to the Second Priority Secured Parties and (z) non-monetary adequate protection that is customarily provided in an Insolvency Proceeding, including, without limitation, the provision of information and the ability to monitor such Common Collateral and (2) with respect to each Type of Common Collateral, in the event any Third Priority Secured Party receives adequate protection in the form of Adequate Protection Liens, then the Third Priority Representative, on behalf

of itself and the other Third Priority Secured Parties, (i) consents to the Second Priority Representative having a senior Adequate Protection Lien on such additional collateral as security for the Second Priority Obligations and that any Adequate Protection Liens granted to the Third Priority Secured Parties on any additional collateral shall be subordinated to the Liens on such collateral securing the Second Priority Obligations and any DIP Financing provided by, or consented to by, the Second Priority Secured Parties with respect to such Common Collateral (and all obligations relating thereto) and any Adequate Protection Liens granted to the Second Priority Secured Parties, with such subordination to be on the same terms that the other Third Priority Liens are subordinated to such Second Priority Liens under this Agreement and (ii) agrees that, if the bankruptcy court does not grant the Second Priority Secured Parties a senior Adequate Protection Lien on such additional collateral, then the Third Priority Secured Parties shall be deemed to hold and have held their Adequate Protection Lien on such additional collateral for the benefit of the Second Priority Secured Parties (and each such Lien so deemed to have been held shall be subject in all respects to the provisions of this Agreement, including without limitation the lien subordination provisions set forth in Section 2.1) and, until the Second Priority Obligations Payment Date, any distributions in respect of such additional collateral received by the Third Priority Secured Parties shall be segregated and held in trust and promptly turned over to the Second Priority Representative to repay the Second Priority Obligations. To the extent so authorized by a court of competent jurisdiction, upon the turnover of such distributions as contemplated by the immediately preceding sentence, the Third Priority Obligations purported to be satisfied by such distributions shall be immediately reinstated in full as though such payment had never occurred.

5.5 Avoidance Issues.

(a) With respect to each Type of Common Collateral, if any First Priority Secured Party is required in any Insolvency Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Grantor, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a fraudulent or preferential transfer, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the First Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred, and the First Priority Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Second Priority Secured Parties and the Third Priority Secured Parties with respect to each Type of Common Collateral agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation with respect to such Common Collateral made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

(b) With respect to each Type of Common Collateral, if any Grantor receives a Recovery from any Second Priority Secured Party, whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the Second Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred, and the Second Priority Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Third Priority Secured Parties with respect to each Type of Common Collateral agree that none of them shall be entitled to benefit from any avoidance action

affecting or otherwise relating to any distribution or allocation with respect to such Common Collateral made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

5.6 Asset Dispositions in an Insolvency Proceeding.

(a) With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that (i) none of them shall, in an Insolvency Proceeding, object to or oppose (or support any Person in objecting to or opposing) any sale or disposition of any such Common Collateral that is supported by the First Priority Secured Parties, and (ii) they will be deemed to have consented under section 363 of the Bankruptcy Code (and otherwise) to any such sale supported by the First Priority Secured Parties free and clear of any Liens or other claims in such Common Collateral; *provided* that (x) if the Second Priority Secured Parties (or the Second Priority Representative on their behalf) or the Third Priority Secured Parties (or the Third Priority Representative on their behalf) have consented (or are deemed to have consented) to such sale or disposition of such assets, the Second Priority Representative or the Second Priority Secured Parties, or the Third Priority Representative or the Third Priority Secured Parties, as the case may be, may assert any objection or opposition that could be asserted by an unsecured creditor in any such Insolvency Proceeding and (y) the Second Priority Representative and the Second Priority Secured Parties or the Third Priority Representative and the Third Priority Secured Parties, as the case may be, shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition so long as the First Priority Obligations Payment Date shall occur upon consummation of such sale or disposition; *provided* that the Second Priority Secured Parties shall not be deemed to have agreed to any credit bid by other Secured Parties in connection with a single sale of both ABL Priority Collateral and Term Loan Priority Collateral.

(b) With respect to each Type of Common Collateral (but without limiting, and subject in all respects to, Section 5.6(a)), the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, agrees that (i) none of them shall, in an Insolvency Proceeding, object to or oppose (or support any Person in objecting to or opposing) any sale or disposition of any such Common Collateral that is supported by the Second Priority Secured Parties, and (ii) they will be deemed to have consented under section 363 of the Bankruptcy Code (and otherwise) to any such sale supported by the Second Priority Secured Parties free and clear of any Liens or other claims in such Common Collateral; *provided* that (x) if the Third Priority Secured Parties (or the Third Priority Representative on their behalf) have consented (or are deemed to have consented) to such sale or disposition of such assets, the Third Priority Secured Parties, as the case may be, may assert any objection or opposition that could be asserted by an unsecured creditor in any such Insolvency Proceeding and (y) the Third Priority Representative and the Third Priority Secured Parties, as the case may be, shall be entitled to seek and exercise credit bid rights in respect of any such sale or disposition so long as the Second Priority Obligations Payment Date shall occur upon consummation of such sale or disposition.

(c) If a single sale or disposition of Collateral in an Insolvency Proceeding includes both ABL Priority Collateral and Term Loan Priority Collateral, the ABL Agent and the Senior Term Loan Agent shall use commercially reasonable efforts in good faith to allocate the proceeds received in connection with such sale or disposition between the ABL Priority Collateral and the Term Loan Priority Collateral. If the ABL Agent and the Senior Term Loan Agent are unable to agree on such allocation within ten (10) Business Days (or such other period of time as ABL Agent and the Senior

Term Loan Agent agree) of the consummation of such sale or disposition, then either of them may apply to a court of competent jurisdiction to make a determination as to the allocation of such proceeds. It is understood and agreed that proceeds of equity interests (other than, for the avoidance of doubt, cash equivalents) shall not be subject to this section and shall constitute Term Loan Priority Collateral.

5.7 Separate Grants of Security and Separate Classification. Each of the ABL Agent, on behalf of itself and the ABL Secured Parties, the Senior Term Loan Agent, on behalf of itself and the Senior Term Loan Secured Parties, and the Junior Term Loan Agent, on behalf of itself and the Junior Term Loan Secured Parties, acknowledges and agrees that (i) the grant of Liens on the Common Collateral securing the ABL Secured Obligations constitutes a separate and distinct grant of Liens from the grant of Liens on such Common Collateral securing the Senior Term Loan Secured Obligations and from the grant of Liens on such Common Collateral securing the Junior Term Loan Secured Obligations, (ii) the grant of Liens on the Common Collateral securing the Senior Term Loan Secured Obligations constitutes a separate and distinct grant of Liens from the grant of Liens on such Common Collateral securing the Junior Term Loan Secured Obligations and (iii) because of, among other things, their differing rights in such Common Collateral, each of the ABL Secured Obligations, Senior Term Loan Secured Obligations and Junior Term Loan Secured Obligations is fundamentally different and must be separately classified in any plan of reorganization proposed or confirmed in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if a court of competent jurisdiction holds that the claims of the First Priority Secured Parties, the claims held by the Second Priority Secured Parties and the claims held by the Third Priority Secured Parties in respect of any Type of Common Collateral constitute more than one secured claim (rather than separate classes of first, second and third priority secured claims), then:

(a) the Second Priority Secured Parties and the Third Priority Secured Parties in respect of such Common Collateral hereby acknowledge and agree that all distributions shall be made as if there were separate classes of first, second and third priority secured claims against the relevant Grantors in respect of such Common Collateral (with the effect being that, to the extent that the aggregate value of such Common Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties and the Third Priority Secured Parties), the First Priority Secured Parties with respect to such Common Collateral shall be entitled to receive, in addition to distributions to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of Post-Petition Interest (at the applicable non-default rate) before any distribution is made in respect of the claims held by the Second Priority Secured Parties and the Third Priority Secured Parties with respect to such Common Collateral), with the Second Priority Secured Parties and the Third Priority Secured Parties with respect to such Common Collateral hereby acknowledging and agreeing to turn over to the First Priority Secured Parties with respect to such Common Collateral distributions otherwise received or receivable by them in respect of such Common Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties and/or the Third Priority Secured Parties with respect to such Common Collateral; and

(b) without limiting, and subject in all respects to, Section 5.7(a), the Third Priority Secured Parties in respect of such Common Collateral hereby acknowledge and agree that all distributions shall be made as if there were separate classes of first, second and third priority secured claims against the relevant Grantors in respect of such Common Collateral (with the effect being that, to the extent that the aggregate value of such Common Collateral is sufficient (for this purpose ignoring all claims held by the Third Priority Secured Parties), the Second Priority Secured Parties with respect to such Common Collateral shall be entitled to receive, in addition to distributions to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of

Post-Petition Interest (at the applicable non-default rate) before any distribution is made in respect of the claims held by the Third Priority Secured Parties with respect to such Common Collateral), with the Third Priority Secured Parties with respect to such Common Collateral hereby acknowledging and agreeing to turn over to the Second Priority Secured Parties with respect to such Common Collateral distributions otherwise received or receivable by them in respect of such Common Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of Third Priority Secured Parties with respect to such Common Collateral.

5.8 Plans of Reorganization.

(a) With respect to each Type of Common Collateral, if the claims of the First Priority Secured Parties, the claims held by the Second Priority Secured Parties and the claims held by the Third Priority Secured Parties constitute only one secured claim pursuant to any plan of reorganization proposed in an Insolvency Proceeding (rather than separate classes of first, second and third priority secured claims), notwithstanding the objection to, and vote against, such plan by such Secured Parties in accordance with Section 5.7:

(i) no Second Priority Secured Party and no Third Priority Secured Party shall support or vote its applicable claims in respect of its Secured Obligations in favor of such plan of reorganization (and each shall vote and shall be deemed to have voted to reject any plan of reorganization) unless such plan (A) pays off, in cash in full, all First Priority Obligations or (B) is supported by the First Priority Representative. If any such Second Priority Secured Party or Third Priority Secured Party with respect to any Type of Common Collateral votes its applicable claims in respect of its Secured Obligations in favor of any plan or reorganization in violation of this Section 5.8(a)(i), such Second Priority Secured Party or Third Priority Secured Party irrevocably agrees that such vote shall be deemed unauthorized, void and of no force and effect and the First Priority Representative shall be, and shall be deemed, such party's "authorized agent" under Bankruptcy Rules 3018(c) and 9010, and that the First Priority Representative shall be authorized and entitled to withdraw such vote and submit a superseding ballot on behalf of such Second Priority Secured Party or such Third Priority Secured Party that is consistent herewith; and

(ii) without limiting, and subject in all respects to, Section 5.8(a)(i), no Third Priority Secured Party shall support or vote its applicable claims in respect of its Secured Obligations in favor of such plan of reorganization (and each shall vote and shall be deemed to have voted its applicable claims in respect of its Secured Obligations to reject any plan of reorganization) unless such plan (A) pays off, in cash in full, all Second Priority Obligations or (B) is supported by the Second Priority Representative. If any such Third Priority Secured Party with respect to any Type of Common Collateral votes its applicable claims in respect of its Secured Obligations in favor of any plan or reorganization in violation of this Section 5.8(a)(ii), such Third Priority Secured Party irrevocably agrees that such vote shall be deemed unauthorized, void and of no force and effect and the Second Priority Representative shall be, and shall be deemed, such party's "authorized agent" under Bankruptcy Rules 3018(c) and 9010, and that the Second Priority Representative shall be authorized and entitled to withdraw such vote and submit a superseding ballot on behalf of such Third Priority Secured Party that is consistent herewith.

(b) If, in any Insolvency Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of ABL Secured Obligations, on account of Senior Term Loan Secured Obligations and on account of Junior Term Loan Secured

Obligations, then, to the extent the debt obligations distributed on account of the ABL Secured Obligations, on account of the Senior Term Loan Secured Obligations and on account of the Junior Term Loan Secured Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

5.9 Other Matters.

(a) With respect to each Type of Common Collateral, to the extent that the Second Priority Representative, any other Second Priority Secured Party, the Third Priority Representative or any other Third Priority Secured Party, has or acquires rights under section 363 or section 364 of the Bankruptcy Code with respect to any of such Common Collateral, the Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, not to assert any of such rights without the prior written consent of the First Priority Representative with respect to such Common Collateral; *provided* that if requested by the First Priority Representative, the Second Priority Representative and/or the Third Priority Representative with respect to such Common Collateral shall timely exercise such rights in the manner requested by such First Priority Representative, including any rights to payments in respect of such rights.

(b) Without limiting, and subject in all respects to, Section 5.9(a), with respect to each Type of Common Collateral, to the extent that the Third Priority Representative or any other Third Priority Secured Party, has or acquires rights under section 363 or section 364 of the Bankruptcy Code with respect to any of such Common Collateral, the Third Priority Representative agrees, on behalf of itself and the other Third Priority Secured Parties, not to assert any of such rights without the prior written consent of the Second Priority Representative with respect to such Common Collateral; *provided* that if requested by the Second Priority Representative, the Third Priority Representative with respect to such Common Collateral shall timely exercise such rights in the manner requested by such Second Priority Representative, including any rights to payments in respect of such rights.

5.10 No Waiver of Rights of First Priority Secured Parties. With respect to each Type of Common Collateral, nothing contained herein shall prohibit or in any way limit the

(a) First Priority Representative or any other First Priority Secured Party from objecting in any Insolvency Proceeding or otherwise to any action taken by any Second Priority Secured Party or Third Priority Secured Party other than any action taken by such Second Priority Secured Party or Third Priority Secured Party, as the case may be, that is expressly permitted by this Agreement and (b) subject to clause (a), Second Priority Representative or any other Second Priority Secured Party from objecting in any Insolvency Proceeding or otherwise to any action taken by any Third Priority Secured Party other than any action taken by such Third Priority Secured Party, as the case may be, that is expressly permitted by this Agreement.

5.11 Effectiveness in Insolvency Proceedings. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under section 510(a) of the Bankruptcy Code, shall be effective before, during and after the commencement of an Insolvency Proceeding. Upon the commencement of an Insolvency Proceeding, all references in this Agreement to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding, and the rights and obligations hereunder of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties with respect to each Type of Collateral shall be fully enforceable as between such parties regardless of the pendency of Insolvency Proceedings or any related limitations on the enforcement of this Agreement against any Grantor.

6.1 General.

(a) Each of the ABL Agent, on behalf of itself and the ABL Secured Parties, the Senior Term Loan Agent, on behalf of itself and the Senior Term Loan Secured Parties, the Junior Term Loan Agent, on behalf of itself and the Junior Term Loan Secured Parties, and each Grantor agrees that it shall not at any time execute or deliver any amendment or other modification to any of the First Priority Documents, the Second Priority Documents or the Third Priority Documents in violation of this Agreement.

(b) With respect to each Type of Common Collateral, until the First Priority Obligations Payment Date, in the event the First Priority Representative enters into any amendment, waiver or consent in respect of any of the First Priority Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Priority Security Document or changing in any manner the rights of any parties thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Second Priority Security Document and to the Comparable Third Priority Security Document without the consent of or action by any Second Priority Secured Party or Third Priority Secured Party (with each First Priority Security Document as so amended, and each Second Priority Security Document as so amended, continuing to be subject to the terms hereof); *provided* that (i) no such amendment, waiver or consent shall have the effect of removing assets subject to the Lien of any Second Priority Security Document or Third Priority Security Document, except to the extent that a release of such Lien is permitted by Section 4.2, (ii) any such amendment, waiver or consent that materially and adversely affects the rights of the Second Priority Secured Parties or the Third Priority Secured Parties and does not affect the First Priority Secured Parties in a like or similar manner shall not apply to the Second Priority Security Documents or the Third Priority Security Documents, as applicable, without the consent of the Second Priority Representative or the Third Priority Representative, as applicable and (iii) notice of such amendment, waiver or consent shall be given to the Second Priority Representative and the Third Priority Representative by the First Priority Representative no later than 30 days after its effectiveness, *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof or cause a default by any Grantor under the Loan Documents.

(c) Each of the Grantors and the Representatives agrees that each First Priority Security Document, Second Priority Security Document and Third Priority Security Document shall contain the applicable provisions set forth on Annex I hereto, or similar provisions approved by the Representatives, which approval shall not be unreasonably withheld or delayed.

6.2 Restrictions on Refinancings.

(a) The indebtedness under the ABL Credit Agreement may be Refinanced, in whole but not in part, with the same or different lenders or Representatives in a Refinancing, without the consent of the (i) Senior Term Loan Agent or the holders of the Senior Term Loan Secured Obligations or (ii) the Junior Term Loan Agent or the holders of the Junior Term Loan Obligations; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7) and (y) no such Refinancing shall have the effect of increasing the principal amount of ABL Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations.

(b) The indebtedness in respect of the Senior Term Loans may be Refinanced, in whole or in part, with the same or different lenders or Representatives in a Refinancing, without the consent of (i) the ABL Agent or the ABL Secured Parties or (ii) the Junior Term Loan Agent or the Junior Term Loan Secured Parties; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7) and (y) no such Refinancing shall have the effect of increasing the principal amount of Senior Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Senior Term Loan Secured Obligations.

(c) The indebtedness in respect of the Junior Term Loans may be Refinanced, in whole or in part, with the same or different lenders or Representatives in a Refinancing, without the consent of (i) the ABL Agent or the ABL Secured Parties or (ii) the Senior Term Loan Agent or the Senior Term Loan Secured Parties; *provided* that (x) the holders of any indebtedness resulting from such Refinancing (or the Representative thereof) shall have become bound in writing to the terms of this Agreement in the manner set forth in Section 10 (and shall have delivered a copy of the Representative Joinder Agreement pursuant to which such holders or such Representative shall have become bound to the terms of this Agreement to each other party to this Agreement in the manner provided for notices set forth in Section 11.7) and (y) no such Refinancing shall have the effect of increasing the principal amount of Junior Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Junior Term Loan Secured Obligations.

6.3 Restrictions on Amendments, Supplements and Modifications.

(a) The ABL Loan Documents may be amended, amended and restated, supplemented or otherwise modified in accordance with their terms; *provided, however*, that no such amendment, supplement or modification shall, without the consent of each of the Senior Term Loan Agent and the Junior Term Loan Agent, have the effect of:

(i) increasing the principal amount of ABL Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations, or

(ii) changing the scheduled date for repayment of the loans outstanding or permitted to be outstanding under the ABL Credit Agreement to an earlier date.

(b) The Senior Term Loan Documents may be amended, amended and restated, supplemented or otherwise modified in accordance with their terms; *provided, however*, that no such amendment, supplement or modification shall, without the consent of each of ABL Agent and the Junior Term Loan Agent, have the effect of:

(c) The Junior Term Loan Documents may be amended, amended and restated, supplemented or otherwise modified in accordance with their terms; *provided, however*, that no such amendment, supplement or modification shall, without the consent of each of ABL Agent and the Senior Term Loan Agent, have the effect of:

(i) increasing the principal amount of Junior Term Loan Secured Obligations then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the Junior Term Loan Secured Obligations, or

(ii) changing the final scheduled date for repayment of any loans (or any tranche or class thereof) outstanding or permitted to be outstanding under the Junior Term Loan Agreement to an earlier date.

For the avoidance of doubt, this Section 6.3 shall not apply to any ABL Priority DIP Financing or Senior Term Loan Priority DIP Financing.

SECTION 7. *Cooperation with Respect to ABL Priority Collateral.*

7.1 Consent to License to Use Intellectual Property. The First Priority Representative with respect to the Term Loan Priority Collateral (and any purchaser, assignee or transferee of assets as provided in Section 7.3) (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Grantor to the ABL Agent of a non-exclusive, royalty-free license (which will be binding on any successor or assignee of the intellectual property) to use during the ABL Priority Collateral Processing and Sale Period any Intellectual Property Collateral of such Grantor that is Term Loan Priority Collateral (or any Intellectual Property Collateral acquired by such purchaser, assignee or transferee from any Grantor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the ABL Agent a non-exclusive royalty-free license (which will be binding on any successor or assignee of the intellectual property) to use during the ABL Priority Collateral Processing and Sale Period, any Intellectual Property Collateral that is Term Loan Priority Collateral (or subject to such purchase, assignment or transfer, as the case may be), in each case in connection with the enforcement of any Lien held by the ABL Agent upon any inventory or other ABL Priority Collateral of any Grantor and to the extent the use of such Intellectual Property Collateral is necessary or appropriate, in the good faith opinion of the ABL Agent, to process, ship, produce, store, complete, supply, lease, sell (by public auction, private sale or “going out of business” or similar sale, whether in bulk, in lots or to customers in the ordinary course of business or otherwise and which sale may include augmented inventory of the same type sold in the Grantors’ business) or otherwise dispose of any such inventory in any lawful manner. In the event that any ABL Secured Party has commenced and is continuing any Enforcement Action with respect to any ABL Priority Collateral or any other sale or liquidation of the ABL Priority Collateral has been commenced by any Grantor (with the consent of the ABL Agent), the First Priority Representative with respect to the Term Loan Priority Collateral may not sell, assign or otherwise transfer the related Term Loan Priority Collateral prior to the expiration of the ABL Priority Collateral Processing and Sale Period, unless the purchaser, assignee or transferee thereof agrees to be bound by the provisions of this Section 7.1.

7.2 Access to Information.

(a) If the First Priority Representative with respect to the Term Loan Priority Collateral, takes actual possession of any documentation that is the property of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the First Priority Representative with respect to the Term Loan Priority Collateral), then upon request of the ABL Agent and reasonable advance notice, the First Priority Representative with respect to the Term Loan Priority Collateral will permit the ABL Agent or its representative to inspect and copy such documentation if and to the extent the ABL Agent certifies to the First Priority Representative with respect to the Term Loan Priority Collateral that:

(i) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the ABL Agent, to the enforcement of the ABL Agent's Liens upon any ABL Priority Collateral; and

(ii) the ABL Agent and the ABL Secured Parties are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

(b) If the ABL Agent, as First Priority Representative with respect to the ABL Priority Collateral, takes actual possession of any documentation that is the property of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the ABL Agent), then upon request of the First Priority Representative with respect to the Term Loan Priority Collateral and reasonable advance notice, the ABL Agent will permit the First Priority Representative with respect to the Term Loan Priority Collateral or its representative to inspect and copy such documentation if and to the extent the First Priority Representative with respect to the Term Loan Priority Collateral certifies to the ABL Agent that:

(i) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the First Priority Representative with respect to the Term Loan Priority Collateral, to the enforcement of the Liens of the First Priority Representative with respect to the Term Loan Priority Collateral upon any Term Loan Priority Collateral; and

(ii) the First Priority Secured Parties with respect to the Term Loan Priority Collateral are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

7.3 Access to Property to Process and Sell Inventory.

(a) (i) In the event of any Enforcement Action taken by the ABL Agent in respect of the ABL Priority Collateral ("ABL Priority Collateral Enforcement Actions") or if the First Priority Representative with respect to the Term Loan Priority Collateral commences any action or proceeding with respect to any of their respective rights or remedies (including, but not limited to, any action of foreclosure), enforcement, collection or execution with respect to the Term Loan Priority Collateral (or a purchaser at a foreclosure sale conducted in foreclosure of a First Priority Lien or Second Priority Lien, as the case may be, on any Term Loan Priority Collateral takes actual or constructive possession of the Term Loan Priority Collateral of any Grantor) ("Term Loan Priority Collateral Enforcement Actions"), then the First Priority Representative with respect to the Term Loan Priority Collateral, the First Priority Secured Parties with respect to the Term Loan Priority Collateral, the Second Priority Representative with respect to the Term Loan Priority Collateral and the Second

Priority Secured Parties with respect to the Term Loan Priority Collateral (subject to, in the case of any Term Loan Priority Collateral Enforcement Action, a prior written request by the ABL Agent to the First Priority Representative with respect to the Term Loan Priority Collateral (the "Term Loan Priority Collateral Enforcement Action Notice") shall (x) cooperate with the ABL Agent (and with its officers, employees, representatives and agents) at the cost and expense of the ABL Secured Parties (subject to the Grantors' reimbursement and indemnity obligations with respect thereto under the Loan Documents) in its efforts to conduct ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral and to finish any work-in-process and process, ship, produce, store, complete, supply, lease, sell or otherwise handle, deal with, assemble or dispose of, in any lawful manner, the ABL Priority Collateral, (y) not hinder or restrict in any respect the ABL Agent from conducting ABL Priority Collateral Enforcement Actions in the ABL Priority Collateral or from finishing any work-in-process or processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral, and (z) permit the ABL Agent, its employees, agents, advisers and representatives, at the cost and expense of the ABL Secured Parties (subject to the Grantors' reimbursement and indemnity obligations with respect thereto under the Loan Documents), to enter upon and use the Term Loan Priority Collateral (including, without limitation, equipment, processors, computers and other machinery related to the storage or processing of records, documents or files and intellectual property), for a period commencing on (I) the date of the initial ABL Priority Collateral Enforcement Action or the date of delivery of the Term Loan Priority Collateral Enforcement Action Notice, as the case may be, and (II) ending on the date occurring 180 days thereafter (such period, as the same may be extended with the written consent of the First Priority Representative with respect to the Term Loan Priority Collateral as contemplated by the final sentence of this Section 7.3(a)(i), the "ABL Priority Collateral Processing and Sale Period"), for purposes of:

- (A) assembling and storing the ABL Priority Collateral and completing the processing of and turning into finished goods any ABL Priority Collateral consisting of work-in-process;
- (B) selling any or all of the ABL Priority Collateral located in or on such Term Loan Priority Collateral, whether in bulk, in lots or to customers in the ordinary course of business or otherwise;
- (C) removing and transporting any or all of the ABL Priority Collateral located in or on such Term Loan Priority Collateral;
- (D) otherwise processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the ABL Priority Collateral; and/or
- (E) taking reasonable actions to protect, secure, and otherwise enforce the rights or remedies of the ABL Secured Parties and/or the ABL Agent (including with respect to any ABL Priority Collateral Enforcement Actions) in and to the ABL Priority Collateral;

provided, however, that nothing contained in this Agreement shall restrict the rights of the First Priority Representative with respect to the Term Loan Priority Collateral from selling, assigning or otherwise transferring any Term Loan Priority Collateral prior to the expiration of such ABL Priority Collateral Processing and Sale Period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the ABL Agent, as First Priority Representative with respect to the ABL Priority Collateral, and the ABL Secured Parties) to be bound by the provisions of this Section 7.3 and Section 7.1. If any stay or other order prohibiting the exercise of remedies with respect to the ABL Priority Collateral has been entered by a court of competent jurisdiction, such ABL Priority Collateral Processing and Sale Period

shall be tolled during the pendency of any such stay or other order. The First Priority Representative with respect to the Term Loan Priority Collateral, upon request by the ABL Agent, may in its sole discretion extend the ABL Priority Collateral Processing and Sale Period for an additional period of time.

(ii) During the period of actual occupation, use and/or control by the ABL Secured Parties and/or the ABL Agent (or their respective employees, agents, advisers and representatives) of any Term Loan Priority Collateral, the ABL Secured Parties and the ABL Agent shall (A) be responsible for the ordinary course third party expenses related thereto, including costs with respect to heat, light, water and electricity (but not real estate taxes) with respect to that portion of any premises used or occupied, (B) take proper and reasonable care of any Term Loan Priority Collateral that is used by the ABL Agent or any other ABL Secured Parties during the ABL Priority Collateral Processing and Sale Period and, at the sole costs and expense of the ABL Secured Parties, pay the costs, liabilities and expenses incurred by the First Priority Representative with respect to the Term Loan Priority Collateral as a result of any act or omission of the ABL Secured Parties or their respective employees, agents and representatives in respect of their occupation, use and/or control of the Term Loan Priority Collateral pursuant to this Section 7.3, and (C) be obligated to repair at their expense any physical damage to such Term Loan Priority Collateral resulting from such occupancy, use or control or removal of ABL Priority Collateral, and to leave such Term Loan Priority Collateral in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted. Notwithstanding the foregoing, in no event shall the ABL Secured Parties or the ABL Agent have any liability to the First Priority Secured Parties with respect to the Term Loan Priority Collateral pursuant to this Section 7.3(a) as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Loan Priority Collateral existing prior to the date of the exercise by the ABL Secured Parties (or the ABL Agent, as the case may be) of their rights under this Section 7.3(a) and the ABL Secured Parties shall have no duty or liability to maintain the Term Loan Priority Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the ABL Secured Parties, or for any diminution in the value of the Term Loan Priority Collateral that results from ordinary wear and tear resulting from the use of the Term Loan Priority Collateral by the ABL Secured Parties in the manner and for the time periods specified under this Section 7.3(a). Without limiting the rights granted in this Section 7.3(a), the ABL Secured Parties and the ABL Agent shall cooperate with the First Priority Representative with respect to the Term Loan Priority Collateral, and the other First Priority Secured Parties with respect to the Term Loan Priority Collateral in connection with any efforts made by the First Priority Representative with respect to the Term Loan Priority Collateral or such First Priority Secured Parties to sell the Term Loan Priority Collateral.

(b) The First Priority Representative with respect to the Term Loan Priority Collateral, shall be entitled, as a condition of permitting such access and use, to demand and receive assurances reasonably satisfactory to it that the access or use requested and all activities incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law and will be conducted in accordance with prudent manufacturing practices; and

(ii) will be adequately insured for damage to property and liability to persons, including property and liability insurance for the benefit of the First Priority Representative with respect to the Term Loan Priority Collateral, and the other First Priority Secured Parties with respect to the Term Loan Priority Collateral, at no cost to the First Priority Secured Parties with respect to the Term Loan Priority Collateral.

The First Priority Representative with respect to the Term Loan Priority Collateral, (x) shall provide reasonable cooperation to the ABL Agent in connection with the manufacture, production, completion, handling, removal and sale of any ABL Priority Collateral by the ABL Agent as provided above and (y) shall be entitled to receive, from the ABL Agent, fair compensation and reimbursement for their reasonable costs and expenses incurred in connection with such cooperation, support and assistance to the ABL Agent. Notwithstanding the foregoing sentence, the First Priority Representative with respect to the Term Loan Priority Collateral, and/or any such purchaser (or its transferee or successor) shall not otherwise be required to manufacture, produce, complete, remove, insure, protect, store, safeguard, sell or deliver any inventory subject to any First Priority Lien held by the ABL Agent or to provide any support, assistance or cooperation to the ABL Agent in respect thereof.

7.4 First Priority Representative Assurances. The First Priority Representative with respect to the Term Loan Priority Collateral, may condition its performance of any of its obligations set forth in this Section 7 upon its prior receipt (without cost to it) of such assurances as it may reasonably request to confirm that the performance of such obligation and all activities of the ABL Agent or its officers, employees and agents in connection therewith or incidental thereto will not impose upon the First Priority Representative with respect to the Term Loan Priority Collateral (or any First Priority Secured Party with respect to such Collateral) any legal duty, legal liability, the expenses for which the ABL Agent is expressly responsible pursuant to this Section 7 or risk of uninsured loss.

7.5 Grantor Consent. The Borrower and the other Grantors consent to the performance by the First Priority Representative with respect to the Term Loan Collateral, of the obligations set forth in this Section 7 and acknowledge and agree that neither the First Priority Representative with respect to the Term Loan Priority Collateral, nor any other First Priority Secured Party with respect to such Collateral shall ever be accountable or liable (except to the extent resulting from such party's gross negligence, bad faith or willful misconduct) for any action taken or omitted by the ABL Agent or any ABL Secured Party or its or any of their officers, employees, agents successors or assigns in connection therewith or incidental thereto or in consequence thereof by the ABL Agent or any ABL Secured Party or its or any of their officers, employees, agents, successors or assigns or any other damage to or misuse or loss of any property of the Grantors as a result of any action taken or omitted by the ABL Agent or its officers, employees, agents, successors or assigns.

SECTION 8. *Reliance; Waivers; etc.*

8.1 Reliance. The First Priority Documents, the Second Priority Documents and the Third Priority Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. With respect to each Type of Common Collateral, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, expressly waives all notice of the acceptance of and reliance on this Agreement by the other Secured Parties.

8.2 No Warranties or Liability. Each of the First Priority Representative, the Second Priority Representative and the Third Priority Representative with respect to each Type of Common Collateral acknowledge and agree that none of them has made any representation or warranty to each other with respect to the execution, validity, legality, completeness, collectability or enforceability of any First Priority Document, any Second Priority Document or any Third Priority Document. Except as otherwise provided in this Agreement, each of the First Priority Representative, the Second Priority Representative and the Third Priority Representative with respect to each Type of Common Collateral will be entitled to manage and supervise their respective extensions of credit to any Grantor in accordance with law and their usual practices, modified from time to time as they deem appropriate.

8.3 No Waivers. No right or benefit of any party hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of such party or any other party hereto or by any noncompliance by any Grantor with the terms and conditions of any of the First Priority Documents, any of the Second Priority Documents or any of the Third Priority Documents.

SECTION 9. Obligations Unconditional.

All rights, agreements and obligations of the First Priority Representative and First Priority Secured Parties, the Second Priority Representative and the Second Priority Secured Parties, and the Third Priority Representative and the Third Priority Secured Parties, in each case with respect to each Type of Common Collateral, and the Grantors hereunder, to the extent applicable, shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any First Priority Document, Second Priority Document or Third Priority Document;

(ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Priority Obligations, Second Priority Obligations or Third Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any Refinancing, replacement, refunding or restatement of any First Priority Document, Second Priority Document or Third Priority Document;

(iii) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Common Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any Refinancing, replacement, refunding or restatement of all or any portion of the First Priority Obligations, Second Priority Obligations or Third Priority Obligations or any guarantee or guaranty thereof; or

(iv) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of (a) the First Priority Obligations (other than a defense that the First Priority Obligations have been paid in full), (b) the Second Priority Obligations (other than a defense that the Second Priority Obligations have been paid in full) or (c) the Third Priority Obligations (other than a defense that the Third Priority Obligations have been paid in full) or of any of the First Priority Representative, Second Priority Representative, Third Priority Representative or any Grantor, to the extent applicable, in respect of this Agreement.

SECTION 10. Additional ABL Secured Obligations, Senior Term Loan Secured Obligations and Junior Term Loan Secured Obligations.

The Borrower may from time to time, subject to any limitations contained in the ABL Loan Documents, the Senior Term Loan Documents and the Junior Term Loan Documents in effect at such time, designate additional indebtedness and related obligations that are, or are to be, secured by Liens on any assets of the Grantors that would, if such Liens were granted, constitute Common Collateral as ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, by delivering to each Representative party hereto at such time a certificate of a Responsible Officer:

(i) describing the indebtedness and other obligations being designated as ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) and including a statement of the maximum aggregate outstanding principal amount of such indebtedness as of the date of such certificate;

(ii) in the case of ABL Secured Obligations, confirming that such obligations shall be First Priority Obligations with respect to the ABL Priority Collateral and Third Priority Obligations with respect to the Term Loan Priority Collateral;

(iii) in the case of Senior Term Loan Secured Obligations, confirming that such obligations shall be First Priority Obligations with respect to the Term Loan Priority Collateral and Second Priority Obligations with respect to the ABL Priority Collateral;

(iv) in the case of Junior Term Loan Secured Obligations, confirming that such obligations shall be Second Priority Obligations with respect to the Term Loan Priority Collateral and Third Priority Obligations with respect to the ABL Priority Collateral;

(v) identifying the Person that serves as the Representative with respect to such indebtedness and related obligations;

(vi) certifying that the incurrence of such ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be), the creation of the Liens securing such ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) and the designation of such indebtedness and related obligations as ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be) hereunder (x) do not violate or result in a default under any provision of any ABL Loan Document, Senior Term Loan Document or Junior Term Loan Document in effect at such time and (y) would not have the effect of increasing the principal amount of ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as the case may be, then outstanding or permitted to be outstanding to an amount that exceeds the Maximum Obligations Amount with respect to the ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable; and

(vii) attaching a fully completed Representative Joinder Agreement executed and delivered by the Representative with respect to such ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations (as the case may be).

Upon the delivery of such certificate and the related attachments as provided above, the obligations designated in such notice shall become ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable, for all purposes of this Agreement.

In the event of any conflict or inconsistency between the provisions of this Section 10 and the provisions of Section 11.3(b), the provisions of this Section 10 shall govern.

SECTION 11. *Miscellaneous.*

11.1 Conflicts. Except as otherwise provided herein, in the event of any conflict between the provisions of this Agreement and the provisions of any First Priority Document, any Second Priority Document or any Third Priority Document, the provisions of this Agreement shall govern.

11.2 Continuing Nature of Provisions. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the First Priority Obligations Payment Date and the Second

Priority Obligations Payment Date shall have occurred with respect to each Type of Common Collateral. This is a continuing agreement and the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, any Grantor on the faith hereof.

11.3 Amendments; Waivers.

(a) No amendment or modification of any of the provisions of this Agreement (other than pursuant to a Representative Joinder Agreement or a Grantor Joinder Agreement) shall be effective unless the same shall be in writing and signed by the First Priority Representative, the Second Priority Representative and the Third Priority Representative and, in the case of amendments or modifications that could reasonably be expected to affect the rights or interests of any Grantor, the Borrower.

(b) It is understood that the ABL Agent, the Senior Term Loan Agent and the Junior Term Loan Agent, without the consent of any other Secured Party, may in their discretion determine that a supplemental agreement (which may take the form of an amendment and restatement of this Agreement) is necessary or appropriate to facilitate having additional indebtedness or other obligations ("Additional Debt") of any of the Grantors become ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as the case may be, under this Agreement, which supplemental agreement shall specify whether such Additional Debt constitutes ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations; *provided* that such Additional Debt is permitted to be incurred by the ABL Credit Agreement, the Senior Term Loan Agreement and the Junior Term Loan Agreement, and is permitted by said Agreements to be subject to the provisions of this Agreement as ABL Secured Obligations, Senior Term Loan Secured Obligations or Junior Term Loan Secured Obligations, as applicable.

11.4 Information Concerning Financial Condition of the Borrower and the other Grantors. With respect to each Type of Common Collateral, the First Priority Representative, on behalf of itself and the other First Priority Secured Parties, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, hereby agree that each Secured Party assumes responsibility for keeping itself informed of the financial condition of the relevant Grantors and all other circumstances bearing upon the risk of nonpayment of the First Priority Obligations, the Second Priority Obligations or the Third Priority Obligations. With respect to each Type of Common Collateral, the First Priority Representative, on behalf of itself and the other First Priority Secured Parties, the Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, and the Third Priority Representative, on behalf of itself and the other Third Priority Secured Parties, hereby agree that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances. In the event any Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any information to any other Secured Party, it shall be under no obligation (a) to provide any such information to such other party or any other party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, or (c) to disclose any other information.

11.5 Applicable Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

11.6 Jurisdiction; Consent to Service of Process; Process Agent.

(a) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (a) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.7. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.7 Notices.

Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy. For the purposes hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section) shall be as set forth on Schedule 1 to this Agreement or, as to each party, at such other address as may be designated by such party in a written notice to each of the other parties hereto.

11.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Common Collateral or any Type thereof. All references to any Grantor shall include any Grantor as debtor-in-possession and any receiver or trustee for such Grantor in any Insolvency Proceeding.

11.9 Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

11.10 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

11.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Agreement by telecopy or electronic image scan transmission (such as a "pdf" file) shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

11.12 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.13 Additional Grantors. The Borrower and each other Grantor on the date of this Agreement will constitute the original Grantors party hereto. The original Grantors will cause each Person that becomes a Grantor after the date hereof to contemporaneously become a party hereto (as a Grantor) by executing and delivering a Grantor Joinder Agreement to each of the ABL Agent, the Senior Term Loan Agent and the Junior Term Loan Agent. The parties hereto agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person that becomes a Grantor at any time (and any security granted by any such Person) will be subject to the provisions hereof as fully as if it constituted a Grantor party hereto and had complied with the requirements of the immediately preceding sentence.

Section 1.04. *Accounting Terms; GAAP.* Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from

time to time; provided that (a) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been affirmatively withdrawn by the Borrower (or, in the case of a request for an amendment under this Section by the Required Lenders, the Administrative Agent) or such provision amended in accordance herewith and (b) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at “**fair value**”, as defined therein and (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof).

Section 1.05. *Rounding.* Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

Section 1.06. *Times of Day.* Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

Section 1.07. *Timing of Payment or Performance.* When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08. *Pro Forma Calculations.*

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA, the Secured Leverage Ratio and the Total Leverage Ratio (except in each case with respect to any transactions consummated pursuant to the UK Pension Settlement Agreement) shall be calculated in the manner prescribed by this Section 1.08.

(b) For purposes of calculating Consolidated EBITDA, the Secured Leverage Ratio, and the Total Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Measurement Period and (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then the Secured Leverage Ratio and the Total Leverage Ratio shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.08.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and include, for the avoidance of doubt, the amount of cost savings, operating expense reductions, other operating improvements and synergies actually realized as of the date of such *pro forma* calculation (calculated on a *pro forma* basis as though such cost savings, operating expense reductions, other operating improvements and synergies had been realized on the first day of such period as if such cost savings, operating expense reductions, other operating improvements and synergies were realized during the entirety of such period) relating to such Specified Transaction, net of the amount of actual benefits realized during such period from such actions.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Secured Leverage Ratio or the Total Leverage Ratio (other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period and (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Secured Leverage Ratio or the Total Leverage Ratio, as applicable, shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the first day of the applicable Measurement Period.

Section 1.09. *Certifications*. All certifications to be made hereunder or under any other Loan Document by an officer or representative of a Loan Party shall be made by such person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such Person's individual capacity.

ARTICLE II THE CREDITS

Section 2.01. *Loans*. Subject to the terms and conditions set forth herein, each Lender severally agrees to make a Loan to the Borrower on the Closing Date, in a principal amount equal to such Lender's Commitment.

Section 2.02. *Loans and Borrowings*. (a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made by the Lenders ratably in accordance with their respective Applicable Percentages. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Each Borrowing shall be denominated in Dollars and comprised entirely of ABR Loans or LIBOR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any LIBOR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement; *provided further* that the exercise of such option shall not result in an increase in additional amounts payable by the Borrower pursuant to Section 2.12.

(c) At the commencement of each Interest Period for any LIBOR Borrowing, such Borrowing shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not

less than \$3,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$3,000,000. Borrowings of more than one Type may be outstanding at the same time; *provided* that there shall not at any time be more than a total of ten (10) LIBOR Borrowings outstanding. For purposes of the foregoing, Loans having different Interest Periods, regardless of whether they commence on the same date, shall be deemed as made under separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.03. *Requests for Borrowings.* To request a Borrowing, the Borrower shall notify the Administrative Agent of such request either in a writing (delivered by hand, telecopy or e-mail) substantially in the form attached hereto as Exhibit G or such other writings approved by the Administrative Agent and, in each case, signed by the Borrower or by telephone (a) in the case of a LIBOR Borrowing, not later than 1:00 p.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 1:00 p.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, one (1) Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and confirmed promptly by hand delivery, e-mail or telecopy to the Administrative Agent of a written Borrowing Request substantially in the form attached hereto as Exhibit G or such other writings approved by the Administrative Agent and signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of such Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a LIBOR Borrowing;
- (iv) in the case of a LIBOR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “**Interest Period**”; and
- (v) the location and number of the Borrower’s account to which funds are to be disbursed, which shall comply with the requirements of Section 2.04.

If no election as to the Type of Borrowing is specified with respect to a Borrowing in Dollars, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested LIBOR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each of the applicable Lenders of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04. *Funding of Borrowings.* (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., New York, New York time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make each such Loan available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request (the “**Loan Account**”).

(b) Each Borrowing of Loans shall be made by the Lenders pro rata in accordance with their respective Applicable Percentage. The failure of any Lender to make any Loan shall neither relieve any other Lender of its obligation to fund its Loan in accordance with the provisions of this Agreement nor increase the obligation of any such other Lender.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Loan to be made by such Lender on the occasion of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrower jointly and severally agree to pay to the Administrative Agent forthwith on written demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of any Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.05. *Interest Elections.* (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a LIBOR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a LIBOR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing for all purposes hereof.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request substantially in the form attached hereto as Exhibit H or such other form approved by the Administrative Agent and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02 and Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a LIBOR Borrowing; and

(iv) if the resulting Borrowing is a LIBOR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

(d) If any such Interest Election Request requests a LIBOR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(e) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each affected Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(f) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBOR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders shall so notify the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a LIBOR Borrowing and (ii) unless repaid, each LIBOR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.06. *Repayment of Loans; Evidence of Debt.* (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the aggregate principal amount of all Term Loans outstanding in consecutive fiscal quarterly installments (commencing with the first Fiscal Quarter ending after the Closing Date), each of which installments shall be in an aggregate principal amount equal to 0.25% of the original aggregate principal amount of the Term Loans on the Closing Date (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.07); *provided*, however, that the final principal repayment installment of the Loans shall be repaid on the Termination Date and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the respective Lenders and each respective Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay its Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it to the Borrower be evidenced by a promissory note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender

a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form attached hereto as Exhibit I. Thereafter, unless otherwise agreed by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.07. *Prepayment of Loans.* (a) Voluntary. Subject to the payment of any amounts required under Section 2.12, and as set forth in the following sentence, the Borrower may, upon notice from the Borrower to the Administrative Agent, at any time or from time to time, voluntarily prepay Loans in whole or in part. Each voluntary prepayment of any Loans pursuant to this Section 2.07(a) or a mandatory prepayment of any Loans pursuant to Section 2.07(b)(iii) shall be accompanied by a premium payable by the Borrower equal to (x) if such prepayment is made on or after the Closing Date but prior to the first anniversary of the Closing Date, 2% of the principal amount of the Loans so prepaid and (y) if such prepayment is made on or after the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date, 1% of the principal amount of the Loans so prepaid. No premium will be applicable if such prepayment is made on or after the second anniversary of the Closing Date. Prepayments of Loans pursuant to this Section 2.07 shall be applied as directed by the Borrower.

(b) *Mandatory.*

(i) Subject to clause (v) below, not later than the fifth Business Day following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Asset Sale (other than in connection with the UK Pension Settlement Agreement), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.07(b)(vi).

(ii) Subject to clause (v) below, not later than the fifth Business Day following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Recovery Event, the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.07(b)(vi); *provided* that no prepayment pursuant to this clause (ii) shall be required if the Net Proceeds received in connection with any such Recovery Event are less than \$5,000,000.

(iii) Not later than the fifth Business Day following receipt of Net Proceeds by the Borrower or any Subsidiary from the issuance or incurrence of Indebtedness (other than any cash proceeds from the issuance of Indebtedness permitted pursuant to Section 6.01), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans in accordance with Section 2.07(b)(vi).

(iv) For each fiscal year of the Borrower, (commencing with the fiscal year ending on December 31, 2014), the Borrower shall, on June 30 of the following fiscal year (or, if June 30 is not a Business Day, on the first Business Day thereafter) (for any such fiscal year, the “**ECF Prepayment Date**”), prepay outstanding Loans in accordance with Section 2.07(b)(vi) in an aggregate principal amount equal to (x) the ECF Percentage of Excess Cash Flow for such fiscal year *minus* (y) optional prepayments of Loans under Section 2.07(a) during such fiscal year (the “**ECF Prepayment**”); *provided* that no prepayment shall be required pursuant to this Section 2.07(b)(iv) to the extent that making such prepayment would cause U.S. Liquidity to be less than \$100,000,000 (“**Minimum U.S. Liquidity Requirement**”) at the time of making such prepayment; *provided* that (i) the Borrower shall make the maximum portion of any such ECF Prepayment when due to the extent such payment shall not cause the Borrower to violate the

foregoing clause and (ii) the Borrower shall make additional portions of such ECF Prepayment within five (5) Business Days from delivery of financial statements pursuant to Section 5.01(a) or Section 5.01(b) thereafter to the extent that making such payment shall not cause the Borrower to violate the foregoing clause.

(v) Notwithstanding the foregoing, the Borrower shall not be required to apply any Net Proceeds that are the subject of clauses (i) or (ii) above to prepay the Loans to the extent reinvested by the Borrower or any of its Restricted Subsidiaries in assets of a kind then used or usable in the business of the Borrower and its Restricted Subsidiaries (which assets shall principally consist of Term Priority Collateral to the extent such Net Proceeds were generated from an Asset Sale or Recovery Event involving Term Priority Collateral) within 12 months of receipt of such Net Proceeds (or, if the Borrower or any Restricted Subsidiary has contractually committed within 12 months following receipt of such Net Proceeds to reinvest such Net Proceeds, then 18 months from the date of the receipt of such Net Proceeds); *provided* that no Event of Default shall have occurred and shall be continuing at the time of the earlier of the (x) application of such proceeds and (y) entry into the contractual commitment to apply such Net Proceeds; *provided, further*, that any such Net Proceeds not actually reinvested in accordance with the foregoing, shall be promptly applied by the Borrower to prepay the Loans in accordance with Section 2.07(b)(vi).

(vi) Prepayments of outstanding Loans pursuant to this Section 2.07(b) shall be applied *first*, in direct order of maturity against the remaining scheduled installments of principal due in respect of the Loans under Section 2.06 occurring within the next 12 months and *second*, ratably to the remaining scheduled installments thereof under Section 2.06.

Notwithstanding any of the other provisions of this Section 2.07(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of LIBOR Loans is required to be made under this Section 2.07(b) prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made hereunder into a Deposit Account subject to an Account Control Agreement in favor of the Administrative Agent until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.07(b). Upon the occurrence and during the continuation of any Specified Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.07(b).

(c) The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy) of any prepayment under Section 2.07(a) or (b), (i) in the case of prepayment of a LIBOR Borrowing, not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, on the date of prepayment. Subject to Section 2.07(e), such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing under Section 2.07(a) shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Prepayments under Section 2.07(a) and 2.07(b) shall be accompanied by accrued interest to the extent required by Section 2.09 and shall be subject to Section 2.12.

(d) Each prepayment shall be applied to the applicable Loans of the applicable Lenders in accordance with their respective Applicable Percentages.

(e) Any prepayment of Loans hereunder to be made with the proceeds from the incurrence of any Indebtedness or the closing of another transaction may state that such prepayment is conditioned on the effectiveness of other debt facilities or instruments or the closing of such other transaction, and no Default or Event of Default shall occur if such prepayment is not made because such condition is not satisfied.

(f)

(i) Notwithstanding any other provisions of this Section 2.07, (A) with respect to the Net Proceeds described in 2.08(b)(i) or (b)(ii), to the extent that applicable law would effectively (1) prohibit the repatriation to the United States of America of any Net Proceeds received by any Subsidiary that is not a Domestic Subsidiary or (2) impose material adverse tax consequences on the Borrower and its Subsidiaries if such Net Proceeds were so repatriated (taking into account any foreign tax credit or benefit actually realized in connection with any such repatriation), as determined by the Borrower in good faith, then, in each case, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.07(b)(i) or (b)(ii) until such prohibition or material adverse tax consequence no longer exists, provided that (x) such obligation to prepay if such prohibition or material adverse tax consequence no longer exists shall only continue until (I) in the case of an Asset Sale or Recovery Event with Net Proceeds of less than \$15,000,000, the first anniversary of such Asset Sale or Recovery Event and (II) otherwise, the second June 30 following such Asset Sale or Recovery Event and (y) the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences, and (B) with respect only to any ECF Prepayment described in Section 2.07(b)(iv), to the extent that applicable law would effectively prohibit the repatriation to the United States of America of any proceeds received by any Subsidiary that is not a Domestic Subsidiary or result in material adverse tax consequences on the Borrower and its Subsidiaries if such proceeds were so repatriated, as determined by the Borrower in good faith, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.07(b)(iv) until such prohibition or material adverse tax consequence no longer exists, provided that (x) such obligation to prepay if such prohibition or material adverse tax consequence no longer exists shall only continue until the first anniversary of the applicable ECF Prepayment Date and (y) the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences.

(ii) Notwithstanding any other provisions of this Section 2.07, to the extent the Borrower or any Restricted Subsidiary is required by any outstanding Incremental Equivalent Debt (to the extent secured by the Collateral on a pari passu basis with (and is pari passu in right of payment with) the Obligations under this Agreement and the Loan Documents) to make a mandatory prepayment of such Incremental Equivalent Debt with cash that would otherwise constitute Net Proceeds described in Section 2.07(b)(i) or (b)(ii), the Borrower may apply a portion of such Net Proceeds to make a such mandatory prepayment and the Net Proceeds required to make a mandatory prepayment pursuant Section 2.07(b)(i) or (b)(ii) shall be reduced

by an equivalent amount, provided that any such Net Proceeds may be applied to Incremental Equivalent Debt only to (and not in excess of) the extent to which a mandatory prepayment in respect of such Asset Sale or Recovery Event is required under the terms of such Incremental Equivalent Debt (with any remaining Net Proceeds applied to prepay outstanding Loans in accordance with the terms hereof) unless such application would result in the holders of Incremental Equivalent Debt receiving in excess of their pro rata share (determined on the basis of the aggregate outstanding principal amount of Loans and Incremental Equivalent Debt at such time) of such Net Cash Proceeds relative to Lenders, in which case such Net Proceeds may only be applied to such Incremental Equivalent Debt on a pro rata basis with outstanding Loans; provided further that to the extent the holders of Incremental Equivalent Debt decline to have such indebtedness repurchased, repaid or prepaid with any such Net Proceeds, the declined amount of such Net Proceeds shall promptly (and, in any event, within ten (10) Business Days after the date of such rejection) be applied to prepay Loans in accordance with the terms hereof (to the extent such Net Proceeds would otherwise have been required to be applied if such Incremental Equivalent Debt was not then outstanding).

Section 2.08. *Fees.* The Borrower shall pay to the Administrative Agent, for its own account, the fees and other charges earned, due and payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent. All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the respective accounts of the Administrative Agent and other Lenders as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances.

Section 2.09. *Interest.* (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each LIBOR Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuation of an Event of Default pursuant to Section 7.01(a) or (a), any such overdue amounts shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, two percent (2.0%) plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.09 and (ii) in the case of any other overdue amounts, two percent (2.0%) plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.09, in each case, from the date of such nonpayment until such amount is paid in full.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; *provided* that (i) interest accrued pursuant to paragraph (c) of this Section 2.09 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan of any Lender (other than a prepayment of an ABR Loan prior to acceleration), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any LIBOR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days (or 365/366 days in the case of ABR Loans the interest rate payable on which is then based on the Prime Rate), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.10. *Alternate Rate of Interest.* If prior to the commencement of any Interest Period for a LIBOR Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by a majority in interest of the affected Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (each of clause (a) and (b), a “**Market Disruption Event**”);

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent thereafter notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBOR Borrowing shall be ineffective and (ii) if any Borrowing Request requests a LIBOR Borrowing, such Borrowing shall be made as an ABR Borrowing. During any period in which a Market Disruption Event is in effect, Borrower may request that the Administrative Agent request the Required Lenders to confirm that the circumstances giving rise to the Market Disruption Event continue to be in effect; *provided* that (A) Borrower shall not be permitted to submit any such request more than once in any 30-day period and (B) nothing contained in this Section 2.10 or the failure to provide confirmation of the continued effectiveness of such Market Disruption Event shall in any way affect the Administrative Agent’s or Required Lenders’ right to provide any additional notices of a Market Disruption Event as provided in this Section 2.10. If the Required Lenders have not confirmed within ten (10) Business Days after request of such report from the Borrower that a Market Disruption Event has occurred, then such Market Disruption Event shall be deemed to be no longer existing.

Section 2.11. *Increased Costs.* (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or the London interbank market any other condition (other than Taxes) affecting this Agreement, any Loans made by such Lender; or

(iii) subject any Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the

capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered. A Lender may only submit a request for compensation in connection with the Changes in Law described in clauses (a) and (b) of this Section 2.11 if such Lender imposes such increased costs on borrowers similarly situated to the Borrower under syndicated credit facilities comparable to the Loans.

(c) A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.11(b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section 2.11 for any increased costs or reductions incurred more than 120 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 120-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.12. *Break Funding Payments.* In the event of (a) the payment of any principal of any LIBOR Loan other than on the last day of an Interest Period applicable thereto (including as a result of the acceleration of the Obligations upon the occurrence of an Event of Default or in accordance with the provisions of Section 2.07), (b) the conversion of any LIBOR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.07(e) and is revoked in accordance therewith) or (d) the assignment of any LIBOR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.15(b), then, in any such event, the Borrower shall compensate each Lender for the actual loss, cost and expense attributable to such event. In the case of a LIBOR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 2.13. *Taxes.* (a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as

required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.13), the amounts received with respect to this agreement equal the sum which would have been received had no such deduction or withholding been made.

(b) In addition, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.13, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by

the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13 (f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-2 or Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one

or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including by the payment of additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Without prejudice to the survival of any other agreement contained herein, the agreements and obligations contained in this Section 2.13 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) Nothing contained in this Section 2.13 shall require the Administrative Agent or any Lender to make available any of its tax returns (or any other information that it deems, in its sole discretion, to be confidential or proprietary).

(j) For purposes of this Section 2.13, the term "Applicable Law" includes FATCA.

Section 2.14. *Payments Generally; Pro Rata Treatment; Sharing of Setoffs.* (a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or of amounts payable under Sections 2.11, 2.12 or 2.13, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York, New York time, on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 383 Madison Avenue, New York, New York except that payments pursuant to Sections 2.11, 2.12, 2.13 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents or as otherwise expressly provided herein shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Amounts to be applied to the prepayment of Loans shall be applied, as applicable, first to reduce outstanding ABR Loans. Any amounts remaining after each such application shall be applied to prepay LIBOR Loans. Amounts prepaid or repaid on account of the Loans may not be reborrowed. All payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder in respect of Obligations, then such funds shall be applied in the order and manner set forth in Section 7.03.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and

agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower any rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment by the Borrower is due to the Administrative Agent for the account of any of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of such Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Sections 2.04(c), 2.13(d), 2.14(d) or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its reasonable discretion.

Section 2.15. *Mitigation Obligations; Replacement of Lenders.* (a) If any Lender requests compensation under Section 2.11, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or any Governmental Authority for the account of any Lender pursuant to Section 2.13, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 or Section 2.13, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment promptly following written demand (including documentation reasonably supporting such request) from such Lender.

(b) If any Lender (a) shall have become a Defaulting Lender or (b) requests compensation under Section 2.11, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or to any Governmental Authority for the account of any Lender pursuant to Section 2.13, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) the Borrower shall have received the prior written consent of the Administrative Agent to the extent required under Section 9.04(b)(iii), for such assignment, which consent shall not be unreasonably withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the

extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or payments required to be made pursuant to Section 2.13, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this Section 2.15(b) may be effected pursuant to an Assignment and Acceptance executed solely by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

Section 2.16. *Extensions of Loans.* (a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders whose Loans have a like maturity date, in each case on a pro rata basis (based on the Aggregate Outstandings with a like maturity date) and on the same terms to each such Lender, the Borrower is hereby permitted with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender’s Loans, and otherwise modify the terms of such Loans pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Lender’s Loans) (each, an “**Extension**,” and each group of Loans in each case as so extended, as well as the original Loans in each case not so extended, being a “**tranche**”); any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied or waived in accordance with Section 9.02:

(i) except as to amortization payments, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums and final maturity (which shall be set forth in the relevant Extension Offer, the Loans of any Lender that agrees to extend such Loans pursuant to an Extension Offer (an “**Extended Loan**”), shall be Loans with the same terms as the original Loans; *provided* that the Extended Loan may provide for other covenants and terms that apply to any period after the latest maturity date then in effect with respect to the Loans (and may add a financial maintenance covenant prior to the latest maturity date then in effect with respect to the Loans if such financial maintenance covenant is applicable to both the Loans and the Extended Loan); and *provided further* that at no time shall there be Loans hereunder (including Extended Loans and any original Loans) which have more than three different maturity dates;

(ii) if the aggregate principal amount of Loans in respect of those Lenders who shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loan offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders, as the case may be, have accepted such Extension Offer; and

(iii) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.16, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.07 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment; *provided* that the Borrower may at its election specify as a condition to

consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Loans be tendered. The Lenders hereby consent to the transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.07 and 2.13) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16.

(c) No consents shall be required to effectuate any Extension, other than (i) the consent of each Lender agreeing to such Extension with respect to its Loans (or a portion thereof) and (ii) the consent of the Administrative Agent (as set forth in clause (a) above). All Extended Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary or advisable in order to establish new tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches, in each case on terms consistent with this Section 2.16. All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. Without limiting the foregoing, in connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to then-latest maturity date so that such maturity date is extended to then-latest maturity date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension Offer, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior written notice thereof, and shall agree to such procedures (including those regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16.

Section 2.17. *Incremental Loans.*

(a) The Borrower and any one or more Lenders (including New Lenders but without the consent of any other Lender or Agent) may from time to time agree that such Lenders shall make, obtain or increase the amount of their Incremental Term Loan by executing and delivering to the Administrative Agent an Increased Facility Activation Notice specifying (i) the amount of such increase, (ii) the applicable Increased Facility Closing Date, (iii) the applicable Incremental Term Maturity Date, (iv) the amortization schedule for such Incremental Term Loan (*provided* such amortization shall be no more frequently than quarterly with respect to any amortization payment prior to the latest maturity date then in effect of any existing Loan) and (v) the applicable margin for such Incremental Term Loan; *provided* that (t) immediately prior to and immediately after giving effect to the making of the Incremental Term Loans, (A) no Default or Event of Default shall have occurred and be continuing and (B) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or in all respects, if qualified by materiality) as of such date (unless a representation or warranty is made as of a specific date or for a given period, in which case such representation or warranty shall be true and correct in all material respects as of such specified date or for such given period, as applicable), (u) the final scheduled maturity date and Weighted Average Life to Maturity of any Incremental Term

Loan shall be no earlier than the Maturity Date and Weighted Average Life to Maturity of the Loans, respectively, (v) no Incremental Term Loan may be made unless the Secured Leverage Ratio of the Borrower, computed on a Pro Forma Basis as of the most recently computed Measurement Period ending on or prior to the making of such Incremental Term Loan is no greater than 2.50:1.00, (w) the effective interest rate (with the determination of "effective interest rate", for all purposes of this clause, to be consistent with generally accepted financial practices, after giving effect to, among other factors, margin, LIBOR floor, ABR floor, upfront or similar fees or "original issue discount", in each case, shared with all lenders or holders of such Indebtedness, but excluding the effect of any arrangement, structuring, syndication or other fees payable in connection therewith that are not shared with all lenders or holders of such Indebtedness, and without taking into account any fluctuations in LIBOR or ABR) with respect to any Incremental Term Loans shall not be greater than the effective interest rate with respect to any Loans plus 0.50% per annum unless the effective interest rate applicable to all Loans is increased so that the effective interest rate applicable to the Incremental Term Loans does not exceed the effective interest rate applicable to all Loans by more than 0.50% per annum, (x) the Incremental Term Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral, and guaranteed, on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents and (y) to the extent the terms of any Incremental Term Loan are not consistent with the terms of the Loans (except to the extent permitted by clauses (u) or (w) above, such terms shall be no less favorable taken as a whole to the Borrower than the terms of the Loans (provided that any financial maintenance covenant may be added for the benefit of any new Loan to the extent that such financial maintenance covenant is (1) also added for the benefit of the existing Loans or (2) only applicable after the latest maturity of any existing Loan) or otherwise reasonably satisfactory to the Administrative Agent. Notwithstanding the foregoing, (i) the aggregate amount of Incremental Term Loans obtained after the Closing Date pursuant to this Section 2.17(a), together with the aggregate amount of Incremental Equivalent Debt obtained after the Closing Date pursuant to Section 6.01(a)(xxvii), shall not exceed \$50,000,000 and (ii) without the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), (x) each increase effected pursuant to this paragraph shall be in a minimum amount of at least \$10,000,000 and (y) no more than five (5) Increased Facility Closing Dates may be selected by the Borrower after the Closing Date. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(b) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent (each such consent not to be unreasonably withheld or delayed), elects to become a "Lender" under this Agreement in connection with any transaction described in Section 2.17(a) shall execute a New Lender Supplement (each, a "**New Lender Supplement**"), substantially in the form of Exhibit D, whereupon such bank, financial institution or other entity (a "**New Lender**") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(c) Notwithstanding anything to the contrary in this Agreement, each of the parties hereto hereby agrees that, on each Increased Facility Closing Date, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loans evidenced thereby. Any such deemed amendment may be effected in writing by the Administrative Agent and the Borrower and furnished to the other parties hereto.

Section 2.18. *Defaulting Lenders.* (a) Anything contained herein to the contrary notwithstanding, in the event that (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after the Borrower's request that it cure such default, the Borrower shall have the right (but not the obligation) to repay such Defaulting Lender in an amount equal to the principal of, and all accrued interest on, all outstanding Loans owing to such Lender, together with all other amounts due and payable (other than any prepayment premium) to such Lender under the Loan Documents.

ARTICLE III
REPRESENTATIONS AND WARRANTIES

Until the Commitments have expired or been terminated and the principal of and interest on each Loan, all fees and other Obligations (other than contingent indemnification obligations not then due and owing) payable hereunder shall have been paid in full, the Borrower represents and warrants to the Lenders as of the Closing Date:

Section 3.01. *Organization; Powers.* (a) Each of the Borrower and the Restricted Subsidiaries is duly organized, validly existing and in good standing (as applicable) under the laws of the jurisdiction of its organization, except as to any Restricted Subsidiary other than the Borrower where such failure to be so organized, existing or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (b) (i) each Restricted Subsidiary has all requisite power and authority to carry on its business as now conducted, except to the extent that the failure to have any such power would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (ii) the Borrower has all requisite power and authority to carry on its business as now conducted in all material respects and (c) except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 3.02. *Authorization; Enforceability.* After giving effect to the Plan Confirmation Order and the Plan of Reorganization, the Transactions to be entered into by each Loan Party are within such Loan Party's corporate, limited liability or partnership powers, as applicable, and have been duly authorized by all necessary corporate, limited liability or partnership action, as applicable, and, if required, equityholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party and after giving effect to the Plan Confirmation Order, will constitute, a legal, valid and binding obligation of each such Loan Party (as the case may be), enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03. *Governmental Approvals; No Conflicts.* After giving effect to the Plan Confirmation Order and the Plan of Reorganization, (a) the Transactions do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority with competent jurisdiction over the Borrower or any Restricted Subsidiary, except (i) such as have been obtained or made and are in full force and effect, (ii) any consent or approval of, registration or filings necessary to perfect Liens created under the Loan Documents (or release existing Liens) and (iii) immaterial consents, approvals, registrations or filings, (b) the Loan Transactions will not violate any Applicable Law or regulation or the charter, by-laws or other organizational documents of the Borrower or any of the Restricted Subsidiaries or any order of any Governmental Authority applicable to the Borrower or any Restricted Subsidiary, (c) the Loan Transactions will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Restricted Subsidiaries, except with respect to any default, conflict, breach or contravention or payment, to the extent that such violation, conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (d) the Transactions will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Restricted Subsidiaries, except Liens created under the Loan Documents and Liens permitted under the Loan Documents.

Section 3.04. *Financial Condition; No Material Adverse Effect.* (a) The Borrower has heretofore furnished to the Administrative Agent the financial statements required under Section 4.01(f)(1) and (2), which financial statements present fairly, in all material respects, the consolidated financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in Section 4.01(f)(2). As of the Closing Date, neither the Borrower nor any of its Restricted Subsidiaries has any material Guarantees, contingent liabilities and liabilities for taxes, or any long term leases or unusual forward or long term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this paragraph.

(b) The unaudited pro forma consolidated balance sheet of the Borrower as at June 30, 2013 (including the notes thereto) (the “**Pro Forma Balance Sheet**”), copies of which have heretofore been furnished to each Lender, has been prepared giving effect (as if such events had occurred on such date) to the Transactions. The Pro Forma Balance Sheet has been prepared in good faith based on the information available as of the date of delivery thereof, and presents fairly on a pro forma basis the estimated financial position of Borrower and its consolidated Subsidiaries as at June 30, 2013, assuming that the events specified in the preceding sentence had actually occurred at such date.

(c) Since December 31, 2012, there has been no change, development or event that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect, other than as a result of (i) events leading up to, resulting from and following the commencement of the Cases or the continuation or prosecution thereof (including the announcement of the filing) and (ii) any circumstances disclosed in the Disclosure Statement.

Section 3.05. *Properties.* (a) Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, each of the Borrower and its Restricted Subsidiaries has good title to, or valid leasehold interests in or rights to use, all its real and personal property (excluding, for the avoidance of doubt, intellectual property, which is the subject of Section 3.06(b)(i)) material to its business taken as a whole, except for Liens permitted by Section 6.02 or other Liens reasonably acceptable to the Administrative Agent.

(b) (i) Each of the Borrower and its Restricted Subsidiaries owns, or is licensed or otherwise has a right to use, all trademarks, tradenames, copyrights, patents and other intellectual property used in its business; *provided, that*, this Section 3.05(b)(i) shall not be deemed to be or construed as a representation or warranty regarding the infringement, misappropriation or violation of the intellectual property rights of any other Person, and (ii) to the knowledge of the Borrower, the use thereof by the Borrower and its Restricted Subsidiaries and the conduct of their businesses does not infringe, misappropriate or violate the intellectual property rights of any other Person, in each case except (x) where the failure to own, be licensed or have the right to use and (y) for any such infringements, misappropriations or violations that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.06. *Litigation and Environmental Matters.* (a) After giving effect to the Plan Confirmation Order and the Plan of Reorganization, there are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending and unstayed against or, to the knowledge of the Borrower, threatened against or relating to the Borrower or any of the Subsidiaries (i) that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Loan Transactions.

(b) Except for matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of its Restricted Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) is or has become subject to, or to the knowledge of the Borrower is threatened with, any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability or written notice of violation with respect to any Environmental Law.

Section 3.07. *Compliance with Laws and Agreements.* After giving effect to the Plan Confirmation Order, each of the Borrower and its Restricted Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.08. *Investment Company Status.* Neither the Borrower nor any of its Restricted Subsidiaries is (or is required to be) an “investment company” as defined in the Investment Company Act of 1940.

Section 3.09. *Taxes.* Each of the Borrower and its Restricted Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) any Taxes that are being contested in good faith by appropriate proceedings and for which the Borrower or such Restricted Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with GAAP or (b) in each case, to the extent that the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

Section 3.10. *Employee Benefit Plans.* Except as could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect: (a) each of the Borrower, each Restricted Subsidiary and each of their respective ERISA Affiliates (and in the case of a Pension Plan or a Multiemployer Plan, each of their respective ERISA Affiliates) are in compliance with all applicable provisions and requirements of ERISA and the Code and other federal and state laws and the regulations and published interpretations thereunder with respect to each Plan and Pension Plan and have performed all their obligations under each Plan and Pension Plan; (b) no ERISA Event or Foreign Plan Event has occurred or is reasonably expected to occur; (c) each Plan or Pension Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the IRS covering such plan’s most recently completed five-year remedial amendment cycle in accordance with Revenue Procedure 2007-44, I.R.B. 2007-28, indicating that such Plan or Pension Plan is so qualified and the trust related thereto has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(a) of the Code or an application for such a determination is currently pending before the Internal Revenue Service and, to the knowledge of Borrower, nothing has occurred subsequent to the issuance of the most recent determination letter which would cause such Plan or Pension Plan to lose its qualified status; (d) no liability to the PBGC (other than required premium payments), any Plan or Pension Plan or any trust established under Title IV of ERISA has been or is expected to be incurred by the Borrower, any Restricted Subsidiary or any of their ERISA Affiliates; (e) no ERISA Event has occurred and neither the Borrower, a Restricted Subsidiary nor any ERISA Affiliate is aware of any fact, event or circumstance that could reasonably be expected to constitute or result in an ERISA Event; (f) each of the Borrower’s and the Restricted Subsidiaries’ ERISA Affiliates have complied with the requirements of Section 515 of ERISA with respect to each Multiemployer Plan and are not in “default” (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan; (g) all

(a) Except as would not reasonably be expected to result in a Material Adverse Effect, no event comprising (A) the commencement of winding up of the UK Pension Scheme, except pursuant to the UK Pension Settlement Agreement, (B) the cessation of participation in the UK Pension Scheme by any Affiliate of the Borrower, except pursuant to the UK Pension Settlement Agreement, or (C) the issue of a warning notice by the UK Pensions Regulator that it is considering issuing a financial support direction or contribution notice in relation to the UK Pension Scheme, has occurred, and (to the knowledge of the Borrower or Kodak Limited) the UK Pensions Regulator has not stated any intention to do so.

(b) No Loan Party nor any Affiliate of any Loan Party has incurred any liability to the UK Pension Scheme as a result of ceasing to participate in the UK Pension Scheme and (to the knowledge of the Borrower or Kodak Limited) no Affiliate of any Loan Party has stated any intention to cease to participate in the UK Pension Scheme, except pursuant to the UK Pension Settlement Agreement.

Section 3.11. *Disclosure*. None of the reports, financial statements, certificates or other written information (other than projections, pro forma financial information, estimates, budgets, other forward-looking information and information of a general economic or industry nature) furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (giving effect to all supplements thereto and other public filings with the Bankruptcy Court and the U.S. Securities and Exchange Commission) in connection with the Loan Documents contains, taken as a whole, any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions by the Borrower believed to be reasonable at the time such projected financial information was furnished, it being understood that such projections are not to be viewed as facts or as a guarantee of performance or achievement of any particular results and that actual results may vary from projected results (many of which factors are beyond the control of the Borrower and its Subsidiaries and their respective officers, representatives and advisors) and that such variances may be material and that no assurance can be given that the projected results will be realized.

Section 3.12. *Subsidiaries*. Schedule 3.12 sets forth the name of, and the ownership interest of the Borrower (or the Subsidiary of the Borrower that is the direct parent of such other Subsidiary of the Borrower) in, each Subsidiary of the Borrower, in each case as of the Closing Date.

Section 3.13. *Use of Proceeds*. The proceeds of the Loans shall be used to (i) refinance the New Money Loans and the Junior Loans (each as defined in the DIP Term Loan Credit Agreement) and (ii) for general corporate purposes and working capital needs of the Borrower and its subsidiaries.

Section 3.14. *Labor Matters*. As of the Closing Date and except as set forth on Schedule 3.14, there are no strikes, lockouts or slowdowns against the Borrower or any Restricted Subsidiary pending or, to the knowledge of the Borrower, threatened. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (a) the Borrower and its Restricted Subsidiaries are in compliance with the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with hours worked by or payments made to employees or any similar matters (including but not limited to the appropriate classification of employees as exempt or non-exempt), (b) the Borrower and its Restricted Subsidiaries have properly classified all individuals engaged as contractors as such under all applicable Federal, state, local or foreign law, (c) the Borrower and its Restricted Subsidiaries are in compliance with the Worker Adjustment and Retraining Notification Act and all other state, local or foreign laws relating to plant closings or mass layoffs and (d) all payments due from the Borrower or any Restricted Subsidiary, or for which any claim may be made against the Borrower or any Restricted Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the Borrower or such Subsidiary. Neither the Borrower nor any Subsidiary is subject to any claims arising out of any employment matter, whether pending as of the Closing Date or to its knowledge threatened, which would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect. Except as does not, or would not reasonably be expected to, have a Material Adverse Effect, the consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Restricted Subsidiary is bound.

Section 3.15. *Security Documents*. (a) The Security Agreement creates in favor of the Administrative Agent, for the benefit of the Secured Parties referred to therein, a legal, valid, continuing and enforceable security interest in the Collateral (as defined in the Security Agreement) in accordance with and subject to the terms thereof, the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to

general principles of equity, regardless of whether considered in a proceeding in equity or at law, and the Pledged Collateral (as defined in the Security Agreement), (together with stock powers or other appropriate instruments of transfer executed in blank form), have been delivered to the Administrative Agent. The financing statements, releases and other filings set forth on Schedule 3.15(a) are in appropriate form and have been or will be filed on the Closing Date in the offices reasonably acceptable to the Administrative Agent. Upon such filings (and payment of applicable fees) and/or the obtaining of "control," the Administrative Agent will have a perfected Lien on, and security interest in, to and under all right, title and interest of the grantors thereunder in all such Collateral (as defined in the Security Agreement) to the extent that it may be perfected by filing, recording or registering a financing statement or analogous document (including the proceeds of such Collateral subject to the limitations relating to such proceeds in the UCC) or by obtaining control, under the UCC (in effect on the date this representation is made) in each case prior and superior in right to any other Person (other than, in the case of (i) the ABL Priority Collateral, the ABL Agent and (ii) Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law).

(b) When the Security Agreement (or a short form thereof) is filed in the United States Patent and Trademark Office and the United States Copyright Office and when financing statements, releases and other filings set forth on Schedule 3.15(b) in appropriate form are filed (which filings shall occur on or prior to the Closing Date) in the offices reasonably acceptable to the Administrative Agent, (and the applicable fees are paid), the Security Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the applicable Loan Parties in the Intellectual Property (as defined in the Security Agreement) in accordance with and subject to the terms thereof to the extent a security interest may be perfected by filing, recording or registering a security agreement, financing statement or analogous document in the United States Patent and Trademark Office or the United States Copyright Office, as applicable, in each case prior and superior in right to any other Person (other than Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law) (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a Lien on patents, patent applications, registered trademarks, trademark applications and copyrights (whether or not registered) acquired by the Loan Parties after the date hereof). Notwithstanding the foregoing, nothing in this Agreement shall require any Loan Party to make any filings or take any other actions to record or perfect the Administrative Agent's Lien on and security interest in any Intellectual Property outside the United States (or to reimburse any Agent or any Lender for the same).

(c) The Mortgages, when delivered, will create in favor of the Administrative Agent, for the benefit of the Secured Parties referred to therein, a legal, valid, continuing and enforceable Lien in the Mortgaged Property (as defined in the Mortgages), the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. Upon the filing of the Mortgages with the appropriate Governmental Authorities (and payment of the applicable fees), the Administrative Agent will have a first priority perfected Lien and security interest in, to and under all right, title and interest of the Grantors thereunder in all Mortgaged Property that may be perfected by such filing (including the proceeds of such Mortgaged Property), in each case prior and superior in right to any other Person (other than the Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law).

Section 3.16. *Federal Reserve Regulations.* (a) No Loan Party is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(b) No part of the proceeds of any Loan will be used to buy or carry Margin Stock or to extend credit to others for the purpose of buying or carrying Margin Stock in violation of the Regulations of the Board, including Regulation U or X.

Section 3.17. *Anti-Terrorism Laws.* (a) Neither the advance of the Loans to the Borrower nor the use of the proceeds of any thereof will violate the Trading With the Enemy Act (50 U.S.C. Section 1 et seq., as amended) (the “**Trading With the Enemy Act**”) or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) (the “**Foreign Assets Control Regulations**”) or any enabling legislation or executive order relating thereto (which for the avoidance of doubt shall include, but shall not be limited to (a) Executive Order 13224 of September 21, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)) (the “**Executive Order**”) and (b) the USA PATRIOT Act. Furthermore, neither the Borrower nor any Subsidiary (x) is a “blocked person” as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (y) knowingly engages in any dealings or transactions, or be otherwise associated, with any such “blocked person” or in any manner violative of any such order.

(b) Each Loan Party is in compliance, in all material respects, with the USA PATRIOT Act. No part of the proceeds of the Loans will be knowingly used by the Borrower, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

Section 3.18. *Senior Indebtedness.* The Obligations are secured by a Lien in favor of the Administrative Agent for the benefit of the Secured Parties that is senior and prior to the Liens securing the Second Lien Loans, and rank and shall continue to rank at least senior in priority of payment to all Subordinated Indebtedness and all senior unsecured Indebtedness of Borrower and each of its Restricted Subsidiaries and constitute “Senior Term Loan Obligations” and “First Priority Obligations” with respect to the Term Priority Collateral (each as defined under the Intercreditor Agreement) under the Intercreditor Agreement and “Senior Indebtedness”, “Designated Senior Indebtedness”, “Guarantor Senior Indebtedness” or any comparable term for all Indebtedness that is subordinated in right of payment to the Obligations (if applicable).

Section 3.19. *Regulation H. No Mortgage.* when delivered, will encumber improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, unless the Borrower has complied with clause (d) of the Real Estate Requirements with respect to such real property.

Section 3.20. *Solvency.* On the Closing Date, after giving effect to the consummation of the Transactions, the Borrower and its Subsidiaries, on a consolidated basis, are Solvent.

Section 3.21. *No Default.* After giving effect to the consummation of the Transactions, neither the Borrower nor any Restricted Subsidiary will be in default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, except with respect to any default to the extent that such default would not reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

Section 3.22. *Real Estate*. Schedule 1.01(b) is an accurate and complete list of all Real Estate owned in fee simple by a Loan Party on the Closing Date that has an estimated fair market value in excess of \$15,000,000 and is located other than in the state of New York.

any other party hereto (or any of their advisors or consultants) with access to, or details concerning, any facility or information to the extent that such provision would, in the Borrower's sole good faith judgment, result in a violation of Applicable Law or regulation, including International Traffic in Arms Regulations.

Section 5.05. *Payment of Taxes.* The Borrower will, and will cause each of the Restricted Subsidiaries to, pay all Taxes imposed upon it or any of its properties or assets or in respect of any of its income, businesses or franchises, before any penalty or fine accrues thereon; provided, that no such Tax need be paid if (i) the failure to pay would not be reasonably expected to have a Material Adverse Effect or (ii) it is being contested in good faith by appropriate proceedings and as to which adequate reserve or other appropriate provision, as shall be required in conformity with GAAP shall have been made therefor.

Section 5.06. *Maintenance of Properties.* Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, the Borrower will, and will cause each of the Restricted Subsidiaries to, keep and maintain all tangible property material to the conduct of the business of the Borrower and the Restricted Subsidiaries, taken as a whole, in good working order and condition, ordinary wear and tear, casualty and condemnation excepted; provided that the foregoing shall not prohibit any transactions permitted under Section 6.05.

In the event of the Borrower's or any other Loan Party's failure to obtain or maintain the insurance required by this paragraph, without waiving any Event of Default occasioned thereby, the Administrative Agent shall have the right following thirty (30) days prior notice to the Borrower to obtain the required coverage and invoice the Borrower for the premium payments therefor.

(b) If at any time the area in which any owned Real Estate on which a Mortgage has been granted is located is designated (i) a "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency) with respect to which flood insurance has been made available under any of the Flood Insurance Laws, the Borrower shall (A) maintain, with a financially sound and reputable insurer, flood insurance (which may be in the form of a blanket policy) in such total amount as is reasonably acceptable to the Administrative Agent and otherwise sufficient to comply with applicable rules and regulations promulgated pursuant to the Flood Insurance Laws, and (B) deliver to the Administrative Agent evidence of such compliance in form and substance reasonably acceptable to the Administrative Agent or (ii) a "Zone 1" area, the Borrower shall obtain earthquake insurance in such total amount as is reasonably required by the Administrative Agent (but in any event not to exceed the replacement cost or fair market value of the property, as reasonably estimated by the Borrower). Without limiting the rights of the Administrative Agent provided for above, if the Borrower fails to obtain or maintain any insurance required under the Flood Insurance Laws within thirty (30) days following written notice to the Borrower (or such shorter period as required by Applicable Law), the Administrative Agent may obtain it at the Borrower's expense. By purchasing any of the insurance referred to in this Section 5.07(b), the Administrative Agent shall not be deemed to have waived any Default or Event of Default arising from the Borrower's failure to maintain such insurance or pay any such premiums in respect thereof.

(c) The Borrower and the other Loan Parties acknowledge and agree that all income, payments and proceeds of a physical damage property insurance claim payable to them and relating to the Term Priority Collateral will be received by the Borrower and the other Loan Parties as agent hereunder for the benefit of the Lenders and, from and after the Cash Control Implementation Date, deposited in an account subject to an Account Control Agreement in favor of the Administrative Agent or the ABL Agent in accordance with the Security Agreement and the Intercreditor Agreement. Unless an Event of Default has occurred and is continuing, the Administrative Agent shall cause any insurance proceeds for which it

is loss payee for the benefit of the Secured Parties to be made available to the Borrower as promptly as practicable after receipt thereof by the Administrative Agent for application as required or otherwise permitted by the Loan Documents.

Section 5.08. *Books and Records; Inspection and Audit Rights.* The Borrower will keep proper financial records in accordance with GAAP in all material respects. The Borrower will, and will cause each of the Restricted Subsidiaries to, permit any representatives designated by the Administrative Agent in consultation with the Borrower, upon reasonable prior notice, no more than once in any period of twelve (12) consecutive months commencing on or after the Closing Date (or on an unlimited basis during the continuance of an Event of Default), to visit and inspect its properties, to examine and make extracts from such records, and to discuss its affairs, finances and condition with its officers and independent accountants, all during normal business hours at times mutually agreed by the Borrower and the Administrative Agent and in a commercially reasonable manner; provided that in no event shall the requirements set forth in this Section 5.08 require the Borrower or any of its Restricted Subsidiaries to provide any such information which (i) constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Applicable Law or contractual confidentiality obligation owed to a third party or (iii) in the reasonable determination of the Borrower, is subject to attorney client or similar privilege or constitutes attorney work-product; provided, further that the Borrower shall be given the opportunity to be present at any meetings with its independent accountants. Notwithstanding anything to the contrary contained herein or in any other Loan Document, no Loan Party shall be required to provide the Administrative Agent, any Lender or any of their advisors or consultants with access to, or details concerning, any facility, document or information to the extent that such provision would, in such Loan Party's reasonable judgment, result in a violation of Applicable Law or regulation, including International Traffic in Arms Regulations.

Section 5.09. *Compliance with Laws and Contractual Obligations.* The Borrower will, and will cause each of the Restricted Subsidiaries to, comply with all Contractual Obligations and all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 5.10. *Additional Subsidiaries.* If (x) any additional Domestic Subsidiary is formed or acquired after the Closing Date or if a Domestic Subsidiary that was an Excluded Subsidiary no longer meets the applicable criteria to remain an Excluded Subsidiary, or (y) if any additional Foreign Subsidiary that is not an Immaterial Foreign Subsidiary is formed or acquired after the Closing Date or any Foreign Subsidiary ceases to be an Immaterial Foreign Subsidiary, the Borrower will promptly notify the Administrative Agent and the Lenders thereof and (a) the Borrower will cause any such Subsidiary that is a Domestic Subsidiary (other than an Excluded Subsidiary) (i) to become a party to the Security Agreement in the manner provided therein and within thirty (30) days (or such longer period as the Administrative Agent may consent to in its reasonable discretion) after such Subsidiary is formed or acquired or no longer qualifies as an Excluded Subsidiary, (ii) promptly to take such actions to create, grant, establish, preserve and perfect the Liens on such Subsidiary's assets to the extent required under the Security Documents or as the Administrative Agent or the Required Lenders shall reasonably request in accordance with the Loan Documents and (iii) to deliver, if requested by the Administrative Agent, a written opinion of counsel (which counsel shall be reasonably satisfactory to the Administrative Agent) to the Borrower or such Subsidiary, as applicable, with respect to the matters described in clauses (i) and (ii) hereof, in each case in form and substance reasonably satisfactory to the Administrative Agent and (b) if any Equity Interests of any such Subsidiary are owned directly by or on behalf of the Borrower or any Guarantor, the Borrower will cause such Equity Interests to be pledged pursuant to the Security Agreement within thirty (30) days for a Domestic Subsidiary and within sixty (60) days for a Foreign

Subsidiary (or, in each case, such longer period as the Administrative Agent may consent to in its reasonable discretion) after such Subsidiary is formed or acquired (provided that in no event shall more than sixty-five percent (65%) of the total outstanding voting Equity Interests in any such Subsidiary that is a Material First-Tier Foreign Subsidiary be required to be so pledged; provided further, that no Foreign Subsidiary will be subject to local pledge perfection if in the applicable foreign jurisdiction such Foreign Subsidiary would have to consult a works council, or other similar entity, in order to perfect the pledge); provided further, that the Agent may agree at the request of the Borrower to exclude additional Foreign Subsidiaries from the pledge requirement if the burden of providing such pledge to the Company outweighs the expected benefit of the pledge to the Lenders.

Section 5.11. *Further Assurances; Post-Closing Mortgages.* (a) Subject to the limitations set forth in the Loan Documents, the Borrower will, and will cause each other Loan Party to, at the expense of the Loan Parties, promptly execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, intellectual property filings, termination statements, fixture filings and other documents), which may be required under any Applicable Law, or which the Administrative Agent or the Required Lenders may reasonably request, to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien.

(b) The Borrower will deliver an executed Mortgage on, and satisfy the Real Estate Requirements with respect to, all Real Estate owned in fee simple by a Loan Party and acquired after the Closing Date that has an estimated fair market value in excess of \$15,000,000 and is located other than in the state of New York, within ninety (90) days of such acquisition (or such later period as agreed in writing by the Administrative Agent in its sole discretion), together with all documents and instruments required under the law of the jurisdiction in which such Mortgage is to be recorded to perfect the security interest of the Administrative Agent in the Collateral free of any other pledges, security interests or mortgages, except Liens expressly permitted hereunder.

(c) The Borrower will deliver an executed Mortgage on, and satisfy the Real Estate Requirements with respect to, all Mortgaged Property listed on Schedule 1.01(b) within ninety (90) days of the Closing Date (or such later period as agreed in writing by the Administrative Agent in its sole discretion), together with all documents and instruments required under the law of the jurisdiction in which such Mortgage is to be recorded to perfect the security interest of the Administrative Agent in the Collateral free of any other pledges, security interests or mortgages, except Liens expressly permitted hereunder.

Section 5.12. *Cash Management.* (a) Annexed hereto as Schedule 5.12(a)(i) is a schedule of all DDAs that are maintained by the Loan Parties as of the Closing Date, which schedule shall include, with respect to each depository as of the Closing Date (i) the name and address of such depository; (ii) the account number(s) maintained with such depository; and (iii) a contact person at such depository. Attached hereto as Schedule 5.12(a)(ii) is a schedule of all lock boxes that are maintained by the Loan Parties as of the Closing Date (the “**Lock Boxes**”).

(b) As soon as practicable and in no event more than sixty (60) days following the Closing Date (which period may be extended by the ABL Agent under the ABL Agreement) (the “**Cash Control Implementation Date**”), the Loan Parties shall enter into (i) an Account Control Agreement with the banks with which any Loan Party maintains DDAs and securities accounts, with respect to each DDA and securities account (other than any Excluded Accounts or Disbursement Accounts) (collectively, the “**Controlled DDA Accounts**”) and (ii) a Lock Box Agreement with the banks with which any Loan Party maintains a Lock Box, with respect to each Lock Box (collectively, the “**Controlled Lock Box Accounts**”).

(c) If, at any time from and after Cash Control Implementation Date, any cash or cash equivalents owned by any Loan Party that constitutes Collateral are deposited to any DDA, securities account or Lock Box Account, or held or invested in any manner, other than in a Controlled Account (or a Disbursement Account or an Excluded Account), the Administrative Agent (with the consent of the ABL Agent) may require the applicable Loan Party to close such account and have all funds therein transferred to a Controlled Account, and all future deposits made to a Controlled Account (other than with respect to cash on deposit in an Excluded Account or Disbursement Account).

(d) The Loan Parties may close DDAs or Controlled Accounts and/or open new DDAs or Controlled Accounts, subject to the execution and delivery to the ABL Agent and the Administrative Agent of appropriate Account Control Agreements or Lock Box Agreements, as applicable, consistent with the provisions of this Section 5.12 and otherwise reasonably satisfactory to the ABL Agent and the Administrative Agent.

(e) The only Disbursement Accounts as of the Closing Date are as described in Schedule 5.12(e).

Section 5.13. *Designation of Subsidiaries.* The board of directors of the Borrower may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (a) immediately before and after such designation, no Default shall have occurred and be continuing, (b) Unrestricted Subsidiaries, when taken together with all Immaterial Subsidiaries, at the time of designation shall not have net sales for any Fiscal Quarter or total assets as of the last day of any Fiscal Quarter in an amount that is equal to or greater than 7.5% of the net sales or total assets, as applicable, of the Borrower and its Restricted Subsidiaries for, or as of the last day of, such Fiscal Quarter determined as of the date of the most recent financial statements required to be delivered pursuant to Section 5.01(a) or 5.01(b), as the case may be; provided that if for any subsequent Fiscal Quarter the conditions above would not be met if the Borrower were designating such Subsidiary as an Unrestricted Subsidiary at such time, the Borrower will promptly designate in writing to the Administrative Agent, pursuant to this Section 5.13, the Subsidiaries which will cease to be Unrestricted Subsidiaries in order to comply with the foregoing conditions and (c) no Subsidiary may be designated as an Unrestricted Subsidiary if it is a "Restricted Subsidiary" for the purpose of the Second Lien Facility or the ABL Facility. The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Borrower or the relevant Restricted Subsidiary (as applicable) therein at the date of designation in an amount equal to the fair market value of such Person's (as applicable) investment therein and the Investment resulting from such designation must otherwise be in compliance with Section 6.04. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time. As of the date hereof, there are no Unrestricted Subsidiaries.

Section 5.14. *Benefit Plans Payments.* The Borrower, the Restricted Subsidiaries and all ERISA Affiliates shall make all required contributions to any Plans, Pension Plans or Multiemployer Plans which, if not made, would reasonably be expected to result in a Material Adverse Effect, unless such payment is being contested pursuant to Section 5.05.

(b) Promptly upon obtaining knowledge of the occurrence thereof, the Borrower shall deliver to the Administrative Agent written notice describing in reasonable detail (i) any Release that would reasonably be expected to require a Remedial Action or give rise to Environmental Liability, in each case that would reasonably be expected to result in a Material Adverse Effect, (ii) any Remedial Action by any Loan Party, its Restricted Subsidiaries or any other Person in response to the presence or Release of Hazardous Materials that would reasonably be expected to result in Environmental Liability of any Loan Party or its Restricted Subsidiaries that would be reasonably expected to result in a Material Adverse Effect, (iii) any claim, demand, suit or proceeding (including any request for information by a Governmental Authority) that would reasonably be expected to result in Environmental Liability of any Loan Party or its Restricted Subsidiaries that would reasonably be expected to result in a Material Adverse Effect, (iv) any Loan Party or its Restricted Subsidiaries' discovery of any occurrence or condition at any of its owned or leased Real Estate, or on any adjoining Real Estate, that would reasonably be expected to cause such owned or leased Real Estate or any part thereof to be subject to any material restrictions on the ownership, occupancy, transferability or use thereof or any lien in favor of any Governmental Authority to secure the satisfaction of any liability under any Environmental Laws that, in each case, would reasonably be expected to result in a Material Adverse Effect, (v) any proposed acquisition of Equity Interests, assets or property by any Loan Party or any of its Restricted Subsidiaries that would reasonably be expected to expose any Loan Party or any of its Restricted Subsidiaries to, or result in, Environmental Liability that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and (vi) any proposed action to be taken by any Loan Party or any of its Restricted Subsidiaries to modify current operations in a manner that would reasonably be expected to subject any Loan Party or any of its Restricted Subsidiaries to additional obligations or requirements under Environmental Laws that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.
