“**Weighted Average Life to Maturity**” means, when applied to any Indebtedness at any date, the number of years obtained by dividing (a) the sum of the products obtained by multiplying (i) the amount of each then remaining installment, sinking fund, serial maturity or other required payments of principal, including payment at final maturity, in respect thereof, by (ii) the number of years (calculated to the nearest one-twelfth) that will elapse between such date and the making of such payment, by (b) the then outstanding principal amount of such Indebtedness.

“**Withdrawal Liability**” means liability to a Multiemployer Plan as a result of a complete or partial withdrawal by the Borrower, a Restricted Subsidiary or any ERISA Affiliate after the Closing Date from such Multiemployer Plan, as such terms are defined in Part I of Subtitle E of Title IV of ERISA.

Section 1.02 *Classification of Loans and Borrowings*. For purposes of this Agreement, Loans may be classified and referred to by Type (e.g., an “**ABR Loan**” or a “**LIBOR Loan**”). Borrowings also may be classified and referred to by Type (e.g., an “**ABR Borrowing**” or a “**LIBOR Borrowing**”).

Section 1.03 *Terms Generally*. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented, modified, restated, replaced, refinanced, extended, renewed or restructured (subject to any restrictions on such supplements, amendments, modifications, replacements, refinancings, extensions, renewals, restatements or restructurings set forth herein), (b) any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns, (c) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement, (e) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights, (f) all references to “knowledge” or “aware” of any Loan Party or a Subsidiary of the Borrower means the actual knowledge of a Financial Officer or Responsible Officer (provided that the foregoing shall not include any knowledge of a legal officer of a Loan Party or a Subsidiary to the extent such information is, in such legal officer’s sole good faith judgment, subject to attorney client or similar privilege and is not known to any other Financial Officer or Responsible Officer), (g) references to any Applicable Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Applicable Law (including by succession of comparable successor laws), (h) in the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding”; and the word “through” means “to and including” and (i) unless otherwise stated herein, all provisions herein within the discretion or to the satisfaction of a party shall be deemed to include a standard of reasonableness, good faith and fair dealing.

Section 1.04 *Accounting Terms; GAAP*. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that (a) if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Closing Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been affirmatively withdrawn by the Borrower (or, in the case of a request for an amendment under this Section by the Required Lenders, the Administrative Agent) or such provision amended in accordance herewith and (b) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any Subsidiary at “**fair value**”, as defined therein and (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof).

Section 1.05 *Rounding*. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

Section 1.06 *Times of Day*. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

Section 1.07 *Timing of Payment or Performance*. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 *Pro Forma Calculations*.

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA, the Secured Leverage Ratio and the Total Leverage Ratio (except in each case with respect to any transactions consummated pursuant to the UK Pension Settlement Agreement) shall be calculated in the manner prescribed by this Section 1.08.

(b) For purposes of calculating Consolidated EBITDA, the Secured Leverage Ratio, and the Total Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Measurement Period and (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of its Restricted Subsidiaries since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then the Secured Leverage Ratio and the Total Leverage Ratio shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.08.

(c) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and include, for the avoidance of doubt, the amount of cost savings, operating expense reductions, other operating improvements and synergies actually realized as of the date of such *pro forma* calculation (calculated on a *pro forma* basis as though such cost savings, operating expense reductions, other operating improvements and synergies had been realized on the first day of such period as if such cost savings, operating expense reductions, other operating improvements and synergies were realized during the entirety of such period) relating to such Specified Transaction, net of the amount of actual benefits realized during such period from such actions.

(d) In the event that the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Secured Leverage Ratio or the Total Leverage Ratio

(other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period and (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Secured Leverage Ratio or the Total Leverage Ratio, as applicable, shall be calculated giving *pro forma* effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the first day of the applicable Measurement Period.

Section 1.09 *Certifications*. All certifications to be made hereunder or under any other Loan Document by an officer or representative of a Loan Party shall be made by such person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such Person's individual capacity.

ARTICLE II THE CREDITS

Section 2.01 *Loans*. Subject to the terms and conditions set forth herein, each Lender severally agrees to make a Loan to the Borrower on the Closing Date, in a principal amount equal to such Lender's Commitment.

Section 2.02 *Loans and Borrowings*. (a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made by the Lenders ratably in accordance with their respective Applicable Percentages. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Each Borrowing shall be denominated in Dollars and comprised entirely of ABR Loans or LIBOR Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any LIBOR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement; *provided further* that the exercise of such option shall not result in an increase in additional amounts payable by the Borrower pursuant to Section 2.12.

(c) At the commencement of each Interest Period for any LIBOR Borrowing, such Borrowing shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$3,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$3,000,000. Borrowings of more than one Type may be outstanding at the same time; *provided* that there shall not at any time be more than a total of ten (10) LIBOR Borrowings outstanding. For purposes of the foregoing, Loans having different Interest Periods, regardless of whether they commence on the same date, shall be deemed as made under separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.03 *Requests for Borrowings*. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request either in a writing (delivered by hand, telecopy or e-mail) substantially in the form attached hereto as Exhibit E or such other writings approved by the Administrative Agent and, in each case, signed by the Borrower or by telephone (a) in the case of a LIBOR Borrowing, not later than 1:00 p.m. (or such later time as the Administrative Agent may consent

to in its reasonable discretion), New York, New York time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 1:00 p.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, one (1) Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and confirmed promptly by hand delivery, e-mail or telecopy to the Administrative Agent of a written Borrowing Request substantially in the form attached hereto as Exhibit E or such other writings approved by the Administrative Agent and signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of such Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing is to be an ABR Borrowing or a LIBOR Borrowing;
- (iv) in the case of a LIBOR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “**Interest Period**”; and
- (v) the location and number of the Borrower’s account to which funds are to be disbursed, which shall comply with the requirements of Section 2.04.

If no election as to the Type of Borrowing is specified with respect to a Borrowing in Dollars, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested LIBOR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each of the applicable Lenders of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04 *Funding of Borrowings*. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m., New York, New York time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make each such Loan available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request (the “**Loan Account**”).

(b) Each Borrowing of Loans shall be made by the Lenders pro rata in accordance with their respective Applicable Percentage. The failure of any Lender to make any Loan shall neither relieve any other Lender of its obligation to fund its Loan in accordance with the provisions of this Agreement nor increase the obligation of any such other Lender.

(c) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Loan to be made by such Lender on the occasion of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrower jointly and severally agree to pay to the Administrative Agent forthwith on written demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of any Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative

Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.05 *Interest Elections*. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a LIBOR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a LIBOR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing for all purposes hereof.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request substantially in the form attached hereto as Exhibit F or such other form approved by the Administrative Agent and signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02 and Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a LIBOR Borrowing; and

(iv) if the resulting Borrowing is a LIBOR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

(d) If any such Interest Election Request requests a LIBOR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(e) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each affected Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(f) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBOR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and

is continuing and the Administrative Agent or the Required Lenders shall so notify the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a LIBOR Borrowing and (ii) unless repaid, each LIBOR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.06 *Repayment of Loans; Evidence of Debt.* (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender on the Termination Date the aggregate principal amount of all Term Loans outstanding on the Termination Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the respective Lenders and each respective Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay its Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it to the Borrower be evidenced by a promissory note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form attached hereto as Exhibit G. Thereafter, unless otherwise agreed by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.07 *Prepayment of Loans.* (a) *Voluntary.* Subject to the payment of any amounts required under Section 2.12, and as set forth in the following sentence, the Borrower may, upon notice from the Borrower to the Administrative Agent, at any time or from time to time, voluntarily prepay Loans in whole or in part. No voluntary prepayment of Loans pursuant to this Section 2.07(a) or mandatory prepayment of any Loans pursuant to Section 2.07(b)(iii) shall be permitted prior to the first anniversary of the Closing Date. On and after the first anniversary of the Closing Date, each voluntary prepayment of any Loans pursuant to this Section 2.07(a) or a mandatory prepayment of any Loans pursuant to Section 2.07(b)(iii) shall be accompanied by a premium payable by the Borrower equal to (x) if such prepayment is made on or after the first anniversary of the Closing Date but before the second anniversary of the Closing Date, 3% of the principal amount of the Loans so prepaid and (y) if such prepayment is made on or after the second anniversary of the Closing Date but before the third anniversary of the Closing Date, 1% of the principal amount of the Loans so prepaid. No premium will be applicable if such prepayment is made on or after the third anniversary of the Closing Date. Prepayments of Loans pursuant to this Section 2.07 shall be applied as directed by the Borrower.

(b) Mandatory.

(i) Subject to clause (v) below, not later than the fifth Business Day following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Asset Sale (other than in connection with the UK Pension Settlement Agreement), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans.

(ii) Subject to clause (v) below, not later than the fifth Business Day following receipt by the Borrower or any Subsidiary of any Net Proceeds in connection with any Recovery Event, the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans; *provided* that no prepayment pursuant to this clause (ii) shall be required if the Net Proceeds received in connection with any such Recovery Event are less than \$5,000,000.

(iii) Not later than the fifth Business Day following receipt of Net Proceeds by the Borrower or any Subsidiary from the issuance or incurrence of Indebtedness (other than any cash proceeds from the issuance of Indebtedness permitted pursuant to Section 6.01), the Borrower shall apply 100% of the Net Proceeds received with respect thereto to prepay outstanding Loans.

(iv) For each fiscal year of the Borrower, (commencing with the fiscal year ending on December 31, 2014), the Borrower shall, on June 30 of the following fiscal year (or, if June 30 is not a Business Day, on the first Business Day thereafter) (for any such fiscal year, the "**ECF Prepayment Date**"), prepay outstanding Loans in an aggregate principal amount equal to (x) the ECF Percentage of Excess Cash Flow for such fiscal year *minus* (y) optional prepayments of Loans under Section 2.07(a) during such fiscal year (the "**ECF Prepayment**") *minus* (z) optional prepayments of First Lien Loans under Section 2.07(a) of the First Lien Credit Agreement; *provided* that no prepayment shall be required pursuant to this Section 2.07(b)(iv) to the extent that making such prepayment would cause U.S. Liquidity to be less than \$100,000,000 ("**Minimum U.S. Liquidity Requirement**") at the time of making such prepayment; *provided* that (i) the Borrower shall make the maximum portion of any such ECF Prepayment when due to the extent such payment shall not cause the Borrower to violate the foregoing clause and (ii) the Borrower shall make additional portions of such ECF Prepayment within five (5) Business Days from delivery of financial statements pursuant to Section 5.01(a) or Section 5.01(b) thereafter to the extent that making such payment shall not cause the Borrower to violate the foregoing clause.

(v) Notwithstanding the foregoing, the Borrower shall not be required to apply any Net Proceeds that are the subject of clauses (i) or (ii) above to prepay the Loans to the extent reinvested by the Borrower or any of its Restricted Subsidiaries in assets of a kind then used or usable in the business of the Borrower and its Restricted Subsidiaries (which assets shall principally consist of Term Priority Collateral to the extent such Net Proceeds were generated from an Asset Sale or Recovery Event involving Term Priority Collateral) within 12 months of receipt of such Net Proceeds (or, if the Borrower or any Restricted Subsidiary has contractually committed within 12 months following receipt of such Net Proceeds to reinvest such Net Proceeds, then 18 months from the date of the receipt of such Net Proceeds); *provided* that no Event of Default shall have occurred and shall be continuing at the time of the earlier of the (x) application of such proceeds and (y) entry into the contractual commitment to apply such Net Proceeds; *provided, further*, that any such Net Proceeds not actually reinvested in accordance with the foregoing, shall be promptly applied by the Borrower to prepay the Loans.

Notwithstanding any of the other provisions of this Section 2.07(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of LIBOR Loans is required to be made under this Section 2.07(b) prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made hereunder into a Deposit Account subject to an Account Control Agreement in favor of the Administrative Agent until

the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.07(b). Upon the occurrence and during the continuation of any Specified Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.07(b).

Notwithstanding anything to the contrary contained in this Section 2.07(b), any prepayments required by this Section 2.07(b) shall be reduced on a dollar-for-dollar basis by any mandatory prepayments of the First Lien Loans made by the Borrower under Section 2.07(b) of the First Lien Agreement (as in effect on the date hereof) and any mandatory prepayments of First Lien Incremental Equivalent Debt that is secured by the Collateral on a pari passu basis with the First Lien Loans, made by the Borrower as permitted under Section 2.07(f)(ii) of the First Lien Agreement (as in effect on the date hereof).

(c) The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy) of any prepayment under Section 2.07(a) or (b), (i) in the case of prepayment of a LIBOR Borrowing, not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its reasonable discretion), New York, New York time, on the date of prepayment. Subject to Section 2.07(e), such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing under Section 2.07(a) shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Prepayments under Section 2.07(a) and 2.07(b) shall be accompanied by accrued interest to the extent required by Section 2.09 and shall be subject to Section 2.12.

(d) Each prepayment shall be applied to the applicable Loans of the applicable Lenders in accordance with their respective Applicable Percentages.

(e) Any prepayment of Loans hereunder to be made with the proceeds from the incurrence of any Indebtedness or the closing of another transaction may state that such prepayment is conditioned on the effectiveness of other debt facilities or instruments or the closing of such other transaction, and no Default or Event of Default shall occur if such prepayment is not made because such condition is not satisfied.

(f) Notwithstanding any other provisions of this Section 2.07, (A) with respect to the Net Proceeds described in Section 2.08(b)(i) or (b)(ii), to the extent that applicable law would effectively (1) prohibit the repatriation to the United States of America of any Net Proceeds received by any Subsidiary that is not a Domestic Subsidiary or (2) impose material adverse tax consequences on the Borrower and its Subsidiaries if such Net Proceeds were so repatriated (taking into account any foreign tax credit or benefit actually realized in connection with any such repatriation), as determined by the Borrower in good faith, then, in each case, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.07(b)(i) or (b)(ii) until such prohibition or material adverse tax consequence no longer exists, provided that (x) such obligation to prepay if such prohibition or material adverse tax consequence no longer exists shall only continue until (1) in the case of an Asset Sale or Recovery Event with Net Proceeds of less than \$15,000,000, the first anniversary of such Asset Sale or Recovery Event

and (II) otherwise, the second June 30 following such Asset Sale or Recovery Event and (y) the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences, and (B) with respect only to any ECF Prepayment described in Section 2.07(b)(iv), to the extent that applicable law would effectively prohibit the repatriation to the United States of America of any proceeds received by any Subsidiary that is not a Domestic Subsidiary or result in material adverse tax consequences on the Borrower and its Subsidiaries if such proceeds were so repatriated, as determined by the Borrower in good faith, the Borrower and its Subsidiaries shall not be required to prepay such amounts as required under Section 2.07(b)(iv) until such prohibition or material adverse tax consequence no longer exists, provided that (x) such obligation to prepay if such prohibition or material adverse tax consequence no longer exists shall only continue until the first anniversary of the applicable ECF Prepayment Date and (y) the Borrower and its Subsidiaries shall take commercially reasonable actions to permit repatriation of the proceeds subject to such prepayments in order to effect such prepayments without violating law or incurring material adverse tax consequences.

Section 2.08 *Fees*. The Borrower shall pay to the Administrative Agent, for its own account, the fees and other charges earned, due and payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent. All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for the respective accounts of the Administrative Agent and other Lenders as provided herein. Once due, all fees shall be fully earned and shall not be refundable under any circumstances.

Section 2.09 *Interest*. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each LIBOR Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuation of an Event of Default pursuant to Section 7.01(a) or (b), any such overdue amounts shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, two percent (2.0%) plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.09 and (ii) in the case of any other overdue amounts, two percent (2.0%) plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section 2.09, in each case, from the date of such nonpayment until such amount is paid in full.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; *provided* that (i) interest accrued pursuant to paragraph (c) of this Section 2.09 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan of any Lender (other than a prepayment of an ABR Loan prior to acceleration), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any LIBOR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days (or 365/366 days in the case of ABR Loans the interest rate payable on which is then based on the Prime Rate), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.10 *Alternate Rate of Interest*. If prior to the commencement of any Interest Period for a LIBOR Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by a majority in interest of the affected Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period (each of clause (a) and (b), a "**Market Disruption Event**");

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent thereafter notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBOR Borrowing shall be ineffective and (ii) if any Borrowing Request requests a LIBOR Borrowing, such Borrowing shall be made as an ABR Borrowing. During any period in which a Market Disruption Event is in effect, Borrower may request that the Administrative Agent request the Required Lenders to confirm that the circumstances giving rise to the Market Disruption Event continue to be in effect; *provided* that (A) Borrower shall not be permitted to submit any such request more than once in any 30-day period and (B) nothing contained in this Section 2.10 or the failure to provide confirmation of the continued effectiveness of such Market Disruption Event shall in any way affect the Administrative Agent's or Required Lenders' right to provide any additional notices of a Market Disruption Event as provided in this Section 2.10. If the Required Lenders have not confirmed within ten (10) Business Days after request of such report from the Borrower that a Market Disruption Event has occurred, then such Market Disruption Event shall be deemed to be no longer existing.

Section 2.11 *Increased Costs*. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) impose on any Lender or the London interbank market any other condition (other than Taxes) affecting this Agreement, any Loans made by such Lender; or

(iii) subject any Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered. A Lender may only submit a request for compensation in connection with the Changes in Law described in clauses (a) and (b) of this Section 2.11 if such Lender imposes such increased costs on borrowers similarly situated to the Borrower under syndicated credit facilities comparable to the Loans.

(c) A certificate of a Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.11(b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section 2.11 for any increased costs or reductions incurred more than 120 days prior to the date that such Lender or the Administrative Agent notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 120-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.12 *Break Funding Payments*. In the event of (a) the payment of any principal of any LIBOR Loan other than on the last day of an Interest Period applicable thereto (including as a result of the acceleration of the Obligations upon the occurrence of an Event of Default or in accordance with the provisions of Section 2.07), (b) the conversion of any LIBOR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.07(e) and is revoked in accordance therewith) or (d) the assignment of any LIBOR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.15(b), then, in any such event, the Borrower shall compensate each Lender for the actual loss, cost and expense attributable to such event. In the case of a LIBOR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 2.13 *Taxes*. (a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.13), the amounts received with respect to this agreement equal the sum which would have been received had no such deduction or withholding been made.

(b) In addition, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) The Loan Parties shall jointly and severally indemnify each Credit Party, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so) and (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(e) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.13, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate

of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.13 (f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S.

Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including by the payment of additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Without prejudice to the survival of any other agreement contained herein, the agreements and obligations contained in this Section 2.13 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) Nothing contained in this Section 2.13 shall require the Administrative Agent or any Lender to make available any of its tax returns (or any other information that it deems, in its sole discretion, to be confidential or proprietary).

(j) For purposes of this Section 2.13, the term "Applicable Law" includes FATCA.

Section 2.14 *Payments Generally; Pro Rata Treatment; Sharing of Setoffs.* (a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or of amounts payable under Sections 2.11, 2.12 or 2.13, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York, New York time, on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 745 Seventh Avenue, New York, New York except that payments pursuant to Sections 2.11, 2.12, 2.13 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents or as otherwise expressly provided herein shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Amounts to be applied to the prepayment of Loans shall be applied, as applicable, first to reduce outstanding ABR Loans. Any amounts remaining after each such application shall be applied to prepay LIBOR Loans. Amounts prepaid or repaid on account of the Loans may not be reborrowed. All payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder in respect of Obligations, then such funds shall be applied in the order and manner set forth in Section 7.03.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and

agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower any rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment by the Borrower is due to the Administrative Agent for the account of any of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of such Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Sections 2.04(c), 2.13(d), 2.14(d) or 9.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its reasonable discretion.

Section 2.15 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.11, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or any Governmental Authority for the account of any Lender pursuant to Section 2.13, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 or Section 2.13, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment promptly following written demand (including documentation reasonably supporting such request) from such Lender.

(b) If any Lender (a) shall have become a Defaulting Lender or (b) requests compensation under Section 2.11, or if the Borrower is required to pay any additional amount or indemnification payment to any Lender, the Administrative Agent, or to any Governmental Authority for the account of any Lender pursuant to Section 2.13, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) the Borrower shall have received the prior written consent of the Administrative Agent to the extent required under Section 9.04(b)(iii), for such assignment, which consent shall not be unreasonably withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the

extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or payments required to be made pursuant to Section 2.13, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this Section 2.15(b) may be effected pursuant to an Assignment and Acceptance executed solely by the Borrower, the Administrative Agent and the assignee, and that the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective.

Section 2.16 *Extensions of Loans*. (a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders whose Loans have a like maturity date, in each case on a pro rata basis (based on the Aggregate Outstandings with a like maturity date) and on the same terms to each such Lender, the Borrower is hereby permitted with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender’s Loans, and otherwise modify the terms of such Loans pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Lender’s Loans) (each, an “**Extension**,” and each group of Loans in each case as so extended, as well as the original Loans in each case not so extended, being a “**tranche**”); any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied or waived in accordance with Section 9.02:

(i) except as to amortization payments, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums and final maturity (which shall be set forth in the relevant Extension Offer, the Loans of any Lender that agrees to extend such Loans pursuant to an Extension Offer (an “**Extended Loan**”), shall be Loans with the same terms as the original Loans; *provided* that the Extended Loan may provide for other covenants and terms that apply to any period after the latest maturity date then in effect with respect to the Loans (and may add a financial maintenance covenant prior to the latest maturity date then in effect with respect to the Loans if such financial maintenance covenant is applicable to both the Loans and the Extended Loan); and *provided further* that at no time shall there be Loans hereunder (including Extended Loans and any original Loans) which have more than three different maturity dates;

(ii) if the aggregate principal amount of Loans in respect of those Lenders who shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loan offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders, as the case may be, have accepted such Extension Offer; and

(iii) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.16, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.07 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment; *provided* that the Borrower may at its election specify as a condition to

consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Loans be tendered. The Lenders hereby consent to the transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.07 and 2.13) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16.

(c) No consents shall be required to effectuate any Extension, other than (i) the consent of each Lender agreeing to such Extension with respect to its Loans (or a portion thereof) and (ii) the consent of the Administrative Agent (as set forth in clause (a) above). All Extended Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary or advisable in order to establish new tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches, in each case on terms consistent with this Section 2.16. All such amendments entered into with the Borrower by the Administrative Agent hereunder shall be binding and conclusive on the Lenders. Without limiting the foregoing, in connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to then-latest maturity date so that such maturity date is extended to then-latest maturity date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension Offer, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) prior written notice thereof, and shall agree to such procedures (including those regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.16.

Section 2.17 *Defaulting Lenders*. (a) Anything contained herein to the contrary notwithstanding, in the event that (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after the Borrower's request that it cure such default, the Borrower shall have the right (but not the obligation) to repay such Defaulting Lender in an amount equal to the principal of, and all accrued interest on, all outstanding Loans owing to such Lender, together with all other amounts due and payable (other than any prepayment premium) to such Lender under the Loan Documents.

ARTICLE III REPRESENTATIONS AND WARRANTIES

Until the Commitments have expired or been terminated and the principal of and interest on each Loan, all fees and other Obligations (other than contingent indemnification obligations not then due and owing) payable hereunder shall have been paid in full, the Borrower represents and warrants to the Lenders as of the Closing Date:

Section 3.01 *Organization; Powers*. (a) Each of the Borrower and the Restricted Subsidiaries is duly organized, validly existing and in good standing (as applicable) under the laws of the jurisdiction of its organization, except as to any Restricted Subsidiary other than the Borrower where such failure to be so organized, existing or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (b) (i) each Restricted Subsidiary has all requisite power and authority to carry on its business as now conducted, except to the extent that the failure to have any such power would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (ii) the Borrower has all requisite power and authority to carry on its business as now conducted in all material respects and (c) except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 3.02 *Authorization; Enforceability*. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party and after giving effect to the Plan Confirmation Order, will constitute, a legal, valid and binding obligation of each such Loan Party (as the case may be), enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 *Governmental Approvals; No Conflicts*. After giving effect to the Plan Confirmation Order and the Plan of Reorganization, (a) the Transactions do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority with competent jurisdiction over the Borrower or any Restricted Subsidiary, except (i) such as have been obtained or made and are in full force and effect, (ii) any consent or approval of, registration or filings necessary to perfect Liens created under the Loan Documents (or release existing Liens) and (iii) immaterial consents, approvals, registrations or filings, (b) the Loan Transactions will not violate any Applicable Law or regulation or the charter, by-laws or other organizational documents of the Borrower or any of the Restricted Subsidiaries or any order of any Governmental Authority applicable to the Borrower or any Restricted Subsidiary, (c) the Loan Transactions will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any of the Restricted Subsidiaries, except with respect to any default, conflict, breach or contravention or payment, to the extent that such violation, conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect and (d) the Transactions will not result in the creation or imposition of any Lien on any asset of the Borrower or any of the Restricted Subsidiaries, except Liens created under the Loan Documents and Liens permitted under the Loan Documents.

The Pro Forma Balance Sheet has been prepared in good faith based on the information available as of the date of delivery thereof, and presents fairly on a pro forma basis the estimated financial position of Borrower and its consolidated Subsidiaries as at June 30, 2013, assuming that the events specified in the preceding sentence had actually occurred at such date.

(c) Since December 31, 2012, there has been no change, development or event that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect, other than as a result of (i) events leading up to, resulting from and following the commencement of the Cases or the continuation or prosecution thereof (including the announcement of the filing) and (ii) any circumstances disclosed in the Disclosure Statement.

viewed as facts or as a guarantee of performance or achievement of any particular results and that actual results may vary from projected results (many of which factors are beyond the control of the Borrower and its Subsidiaries and their respective officers, representatives and advisors) and that such variances may be material and that no assurance can be given that the projected results will be realized.

Section 3.12 *Subsidiaries*. Schedule 3.12 sets forth the name of, and the ownership interest of the Borrower (or the Subsidiary of the Borrower that is the direct parent of such other Subsidiary of the Borrower) in, each Subsidiary of the Borrower, in each case as of the Closing Date.

Notwithstanding the foregoing, nothing in this Agreement shall require any Loan Party to make any filings or take any other actions to record or perfect the Administrative Agent's Lien on and security interest in any Intellectual Property outside the United States (or to reimburse any Agent or any Lender for the same).

(c) The Mortgages, when delivered, will create in favor of the Administrative Agent, for the benefit of the Secured Parties referred to therein, a legal, valid, continuing and enforceable Lien in the Mortgaged Property (as defined in the Mortgages), the enforceability of which is subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. Upon the filing of the Mortgages with the appropriate Governmental Authorities (and payment of the applicable fees), the Administrative Agent will have a perfected Lien and security interest in, to and under all right, title and interest of the Grantors thereunder in all Mortgaged Property that may be perfected by such filing (including the proceeds of such Mortgaged Property), in each case prior and superior in right to any other Person (other than the First Lien Agent and the Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Administrative Agent pursuant to any applicable law).

Furthermore, neither the Borrower nor any Subsidiary (x) is a “blocked person” as described in the Executive Order, the Trading With the Enemy Act or the Foreign Assets Control Regulations or (y) knowingly engages in any dealings or transactions, or be otherwise associated, with any such “blocked person” or in any manner violative of any such order.

(b) Each Loan Party is in compliance, in all material respects, with the USA PATRIOT Act. No part of the proceeds of the Loans will be knowingly used by the Borrower, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

No Mortgage, when delivered, will encumber improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, unless the Borrower has complied with clause (d) of the Real Estate Requirements with respect to such real property.

Section 3.20 *Solvency*. On the Closing Date, after giving effect to the consummation of the Transactions, the Borrower and its Subsidiaries, on a consolidated basis, are Solvent.

After giving effect to the consummation of the Transactions, neither the Borrower nor any Restricted Subsidiary will be in default under any indenture, agreement or other instrument binding upon the Borrower or any of the Restricted Subsidiaries or its assets, except with respect to any default to the extent that such default would not reasonably be expected to have a Material Adverse Effect. The Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Loan Parties with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents. Notwithstanding anything to the contrary contained herein or in any other Loan Document, neither Borrower nor any Subsidiary shall be required to provide the Administrative Agent, any Lender or any other party hereto (or any of their advisors or consultants) with access to, or details concerning, any facility or information to the extent that such provision would, in the Borrower's sole good faith judgment, result in a violation of Applicable Law or regulation, including International Traffic in Arms Regulations.

The Borrower will, and will cause each of the Restricted Subsidiaries (other than Immaterial Subsidiaries) to, do or cause to be done all things necessary to preserve, renew and keep in full force and effect its (i) legal existence and (ii) rights, licenses, permits, privileges, franchises and intellectual property rights used in the normal conduct of its business, taken as a whole; except, in the case of (i) (other than with respect to the Borrower) or (ii), (x) to the extent (1) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or (2) pursuant to any merger, consolidation, liquidation or dissolution or Disposition permitted under Section 6.03 or Section 6.05, or (y) neither the Borrower nor any Restricted Subsidiary shall be required to preserve, renew or keep in full force and effect any intellectual property rights if the Borrower or such Restricted Subsidiary determines in its reasonable business judgment that the preservation, renewal or keeping in full force and effect thereof is no longer desirable in the conduct of the business of the Borrower or such Restricted Subsidiary, taken as a whole.

Section 5.05 *Payment of Taxes*. The Borrower will, and will cause each of the Restricted Subsidiaries to, pay all Taxes imposed upon it or any of its properties or assets or in respect of any of its income, businesses or franchises, before any penalty or fine accrues thereon; provided, that no such Tax need be paid if (i) the failure to pay would not be reasonably expected to have a Material Adverse Effect or (ii) it is being contested in good faith by appropriate proceedings and as to which adequate reserve or other appropriate provision, as shall be required in conformity with GAAP shall have been made therefor.

Section 5.06 *Maintenance of Properties*. Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, the Borrower will, and will cause each of the Restricted Subsidiaries to, keep and maintain all tangible property material to the conduct of the business of the Borrower and the Restricted Subsidiaries, taken as a whole, in good working order and condition, ordinary wear and tear, casualty and condemnation excepted; provided that the foregoing shall not prohibit any transactions permitted under Section 6.05.

Section 5.07 *Insurance*. (a) The Borrower will, and will cause each of the Restricted Subsidiaries to: (i) maintain insurance (after giving effect to self-insurance) with financially sound and reputable insurers on such of its property and in at least such amounts and against at least such risks as is customary with companies in the same or similar businesses operating in the same or similar locations; (ii) maintain such other insurance as may be required by law; and (iii) promptly following reasonable request by the Administrative Agent, which request need not be made in writing, furnish the Administrative Agent with certificates evidencing the insurance required by this paragraph. The Loan Parties shall require all property, casualty and liability insurance policies to be endorsed, which endorsement shall be reasonably satisfactory in form and substance to the Administrative Agent, to name the Administrative Agent for the benefit of the Lenders, as additional insured or loss payee, as appropriate; provided that the Borrower shall only be required to use its commercially reasonable efforts to obtain any notification endorsement. The Borrower shall deliver to the Administrative Agent, within

ten (10) Business Days after the cancellation of any such policy of insurance, a certificate of insurance for the replacement policy to the extent such insurance is required to be replaced pursuant to this Section 5.07. In the event of the Borrower's or any other Loan Party's failure to obtain or maintain the insurance required by this paragraph, without waiving any Event of Default occasioned thereby, the Administrative Agent shall have the right following thirty (30) days prior notice to the Borrower to obtain the required coverage and invoice the Borrower for the premium payments therefor.

(b) If at any time the area in which any owned Real Estate on which a Mortgage has been granted is located is designated (i) a "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency) with respect to which flood insurance has been made available under any of the Flood Insurance Laws, the Borrower shall (A) maintain, with a financially sound and reputable insurer, flood insurance (which may be in the form of a blanket policy) in such total amount as is reasonably acceptable to the Administrative Agent and otherwise sufficient to comply with applicable rules and regulations promulgated pursuant to the Flood Insurance Laws, and (B) deliver to the Administrative Agent evidence of such compliance in form and substance reasonably acceptable to the Administrative Agent or (ii) a "Zone 1" area, the Borrower shall obtain earthquake insurance in such total amount as is reasonably required by the Administrative Agent (but in any event not to exceed the replacement cost or fair market value of the property, as reasonably estimated by the Borrower). All premiums on any of the insurance referred to in this Section 5.07(b) shall be paid when due by the Borrower and, if requested by the Administrative Agent, summaries of the policies shall be provided to the Administrative Agent annually or as it may otherwise reasonably request. Without limiting the rights of the Administrative Agent provided for above, if the Borrower fails to obtain or maintain any insurance required under the Flood Insurance Laws within thirty (30) days following written notice to the Borrower (or such shorter period as required by Applicable Law), the Administrative Agent may obtain it at the Borrower's expense. By purchasing any of the insurance referred to in this Section 5.07(b), the Administrative Agent shall not be deemed to have waived any Default or Event of Default arising from the Borrower's failure to maintain such insurance or pay any such premiums in respect thereof.

(c) The Borrower and the other Loan Parties acknowledge and agree that all income, payments and proceeds of a physical damage property insurance claim payable to them and relating to the Term Priority Collateral will be received by the Borrower and the other Loan Parties as agent hereunder for the benefit of the Lenders and, from and after the Cash Control Implementation Date, deposited in an account subject to an Account Control Agreement in favor of the Administrative Agent, the First Lien Agent or the ABL Agent in accordance with the Security Agreement and the Intercreditor Agreement. Unless an Event of Default has occurred and is continuing, the Administrative Agent shall cause any insurance proceeds for which it is loss payee for the benefit of the Secured Parties to be made available to the Borrower as promptly as practicable after receipt thereof by the Administrative Agent for application as required or otherwise permitted by the Loan Documents.

Section 5.08 *Books and Records; Inspection and Audit Rights*. The Borrower will keep proper financial records in accordance with GAAP in all material respects. The Borrower will, and will cause each of the Restricted Subsidiaries to, permit any representatives designated by the Administrative Agent in consultation with the Borrower, upon reasonable prior notice, no more than once in any period of twelve (12) consecutive months commencing on or after the Closing Date (or on an unlimited basis during the continuance of an Event of Default), to visit and inspect its properties, to examine and make extracts from such records, and to discuss its affairs, finances and condition with its officers and independent accountants, all during normal business hours at times mutually agreed by the Borrower and the Administrative Agent and in a commercially reasonable manner; provided that in no event shall the requirements set forth in this Section 5.08 require the Borrower or any of its Restricted Subsidiaries to provide any such information which (i) constitutes non-financial trade secrets or non-financial proprietary

information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Applicable Law or contractual confidentiality obligation owed to a third party or (iii) in the reasonable determination of the Borrower, is subject to attorney client or similar privilege or constitutes attorney work-product; provided, further that the Borrower shall be given the opportunity to be present at any meetings with its independent accountants. Notwithstanding anything to the contrary contained herein or in any other Loan Document, no Loan Party shall be required to provide the Administrative Agent, any Lender or any of their advisors or consultants with access to, or details concerning, any facility, document or information to the extent that such provision would, in such Loan Party's reasonable judgment, result in a violation of Applicable Law or regulation, including International Traffic in Arms Regulations.

Section 5.09 *Compliance with Laws and Contractual Obligations*. The Borrower will, and will cause each of the Restricted Subsidiaries to, comply with all Contractual Obligations and all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 5.10 *Additional Subsidiaries*. If (x) any additional Domestic Subsidiary is formed or acquired after the Closing Date or if a Domestic Subsidiary that was an Excluded Subsidiary no longer meets the applicable criteria to remain an Excluded Subsidiary, or (y) if any additional Foreign Subsidiary that is not an Immaterial Foreign Subsidiary is formed or acquired after the Closing Date or any Foreign Subsidiary ceases to be an Immaterial Foreign Subsidiary, the Borrower will promptly notify the Administrative Agent and the Lenders thereof and (a) the Borrower will cause any such Subsidiary that is a Domestic Subsidiary (other than an Excluded Subsidiary) (i) to become a party to the Security Agreement in the manner provided therein and within thirty (30) days (or such longer period as the Administrative Agent may consent to in its reasonable discretion) after such Subsidiary is formed or acquired or no longer qualifies as an Excluded Subsidiary, (ii) promptly to take such actions to create, grant, establish, preserve and perfect the Liens on such Subsidiary's assets to the extent required under the Security Documents or as the Administrative Agent or the Required Lenders shall reasonably request in accordance with the Loan Documents and (iii) to deliver, if requested by the Administrative Agent, a written opinion of counsel (which counsel shall be reasonably satisfactory to the Administrative Agent) to the Borrower or such Subsidiary, as applicable, with respect to the matters described in clauses (i) and (ii) hereof, in each case in form and substance reasonably satisfactory to the Administrative Agent and (b) if any Equity Interests of any such Subsidiary are owned directly by or on behalf of the Borrower or any Guarantor, the Borrower will cause such Equity Interests to be pledged pursuant to the Security Agreement within thirty (30) days for a Domestic Subsidiary and within sixty (60) days for a Foreign Subsidiary (or, in each case, such longer period as the Administrative Agent may consent to in its reasonable discretion) after such Subsidiary is formed or acquired (provided that in no event shall more than sixty-five percent (65%) of the total outstanding voting Equity Interests in any such Subsidiary that is a Material First-Tier Foreign Subsidiary be required to be so pledged; provided further, that no Foreign Subsidiary will be subject to local pledge perfection if in the applicable foreign jurisdiction such Foreign Subsidiary would have to consult a works council, or other similar entity, in order to perfect the pledge); provided further, that the Agent may agree at the request of the Borrower to exclude additional Foreign Subsidiaries from the pledge requirement if the burden of providing such pledge to the Company outweighs the expected benefit of the pledge to the Lenders.

Section 5.11 *Further Assurances; Post-Closing Mortgages*. (a) Subject to the limitations set forth in the Loan Documents, the Borrower will, and will cause each other Loan Party to, at the expense of the Loan Parties, promptly execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, intellectual property filings, termination statements, fixture filings and other documents),

which may be required under any Applicable Law, or which the Administrative Agent or the Required Lenders may reasonably request, to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien.

(v) take such action on its behalf as may from time to time be authorized under or in accordance with the German Security Agreements; and

(vi) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Secured Parties under the German Security Agreements together with such powers and discretions as are reasonably incidental thereto.

(c) Each of the Secured Parties agrees that, if the courts of Germany do not recognize or give effect to the trust expressed to be created by this Agreement or any Security Document, the relationship of the Secured Parties to the Administrative Agent shall be construed as one of principal and agent but, to the extent permissible under the laws of Germany, all the other provisions of this Agreement shall have full force and effect between the parties hereto.

(d) Each Secured Party hereby ratifies and approves all acts and declarations previously done by the Administrative Agent on such person's behalf (including for the avoidance of doubt the declarations made by the Administrative Agent as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of each Secured Party as future pledgee¹ or otherwise).

¹ S. gesonderten Abschnitt V. dazu

(e) For the purpose of performing its rights and obligations as Administrative Agent and to make use of any authorization granted under the German Security Agreements, each Secured Party hereby authorizes the Administrative Agent to act as its agent (*Stellvertreter*), and releases the Administrative Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*). The Administrative Agent has the power to grant sub-power of attorney, including the release from the restrictions of section 181 of the German Civil Code.

Section 8.18 *German Parallel Debt*

(a) The Borrower hereby irrevocably and unconditionally undertakes (and to the extent necessary undertakes in advance) to pay to the Administrative Agent amounts equal to any amounts owing from time to time by the Borrower to any Secured Party under this Agreement and any other Loan Document pursuant to any Obligations as and when those amounts are due under any Loan Document (such payment undertakings under this Section 8.18 and the obligations and liabilities resulting therefrom being the "Parallel Debt").

(b) The Administrative Agent shall have its own independent right to demand payment of the Parallel Debt by the Borrower. The Borrower and the Administrative Agent acknowledge that the obligations of the Borrower under Section 8.18 are several, separate and independent (*selbständiges Schuldanerkenntnis*) from, and shall not in any way limit or affect, the corresponding obligations of the Borrower to any Secured Party under this Agreement or any other Loan Document (the "Corresponding Debt") nor shall the amounts for which the Borrower is liable under Section 8.18 (*German Parallel Debt*) be limited or affected in any way by its Corresponding Debt provided that:

(i) the Parallel Debt shall be decreased to the extent that the Corresponding Debt has been irrevocably paid or discharged (other than, in each case, contingent obligations);

(ii) the Corresponding Debt shall be decreased to the extent that the Parallel Debt has been irrevocably paid or discharged;

(iii) the amount of the Parallel Debt shall at all times be equal to the amount of the Corresponding Debt; and

(iv) for the avoidance of doubt, the Parallel Debt will become due and payable at the same time when the Corresponding Debt becomes due and payable.

(c) The security granted under any German Security Agreement with respect to the Parallel Debt is granted to the Administrative Agent in its capacity as sole creditor of the Parallel Debt.

(d) Without limiting or affecting the Administrative Agent's rights against the Borrower (whether under this Agreement or any other Loan Document), the Borrower acknowledges that:

(i) Nothing in this Agreement shall impose any obligation on the Administrative Agent to advance any sum to the Borrower or otherwise under any Loan Document; and

(ii) for the purpose of any vote taken under any Loan Document, the Administrative Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a Lender.

(e) The parties to this Agreement acknowledge and confirm that the provisions contained in this Agreement shall not be interpreted so as to increase the maximum total amount of the Obligations.

(f) The Parallel Debt shall remain effective in case a third person should assume or be entitled, partially or in whole, to any rights of any of the Lenders under any of the other Loan Documents, be it by virtue of assignment, novation or otherwise.

(g) All monies received or recovered by the Administrative Agent pursuant to this Agreement and all amounts received or recovered by the Administrative Agent from or by the enforcement of any security granted to secure the Parallel Debt shall be applied in accordance with this Agreement.

(iii) if to a Lender, to it at its mail or e-mail address (or teletcopy number) set forth in its Administrative Questionnaire.

Any e-mail notice to the Administrative Agent shall be in "pdf" format. Any party hereto may change its address, e-mail address or teletcopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient; and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *The Platform*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agents or any of their Related Parties (collectively, the "**Agent Parties**") have any liability to any Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Loan Parties' or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims,

damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party (or its Related Parties); *provided, however*, that in no event shall any Agent Party have any liability to any Loan Party, any Lender or any other Person, nor shall any Loan Party have any liability to any Agent Party, any Lender or any other Person, for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages); *provided further* that this clause (c) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03.

Section 9.02 *Waivers; Amendments*. (a) No failure or delay by the Administrative Agent, or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Agent that is a party thereto and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders (other than an amendment or modification (x) to correct, amend, cure any ambiguity, inconsistency, defect or correct any typographical error or other manifest error in this Agreement or any other Loan Document, (y) to comply with Applicable Law or advice of local counsel in respect of a Security Document or (z) to cause a Security Document to be consistent with this Agreement and the other Loan Documents, which may be amended or modified by the agreement of the Borrower and the Administrative Agent); *provided* that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender;

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender whose principal amount of its Loan or rate of interest or fees payable would be reduced (it being understood and agreed that waivers of any Defaults, Events of Defaults or additional interest payable during the continuation of an Event of Default shall not be deemed to be a reduction in the rate of interest or any fees payable hereunder),

(iii) postpone the scheduled date of payment of the principal amount of any Loan under Section 2.06 or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender whose payment would be so postponed, reduced, waived or excused or each Lender with Commitments for which the scheduled date of expiration would be postponed, as applicable,

(iv) amend or modify Section 2.14(b), 2.14(c) or 7.03, without the written consent of each Lender,

(v) amend or modify any of the provisions of this Section or reduce the percentage set forth in (x) the definition of "Required Lenders" or (y) any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) release all or substantially all of the Guarantors from their Guarantees under the Security Agreement, or limit the liability of all or substantially all of the Guarantors in respect of their Guarantees under the Security Agreement, in each case without the written consent of each Lender, or

(vii) release all or substantially all of the Collateral from the Liens of the Security Documents (except with respect to sales or transfers of, and other transactions relating to, Collateral permitted pursuant to the Loan Documents as of the Closing Date), without the written consent of each Lender;

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent, as the case may be. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.02 and any consent by any Lender pursuant to this Section 9.02 shall bind any successor or assignee of such Lender.

(c) If any Lender refuses to consent to any amendment or modification to or waiver of any Loan Document requested by the Borrower that requires the consent of all Lenders or all affected Lenders in accordance with this Section 9.02, and such amendment, modification or waiver is consented to by the Required Lenders (a "**Non-Consenting Lender**"), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts).

Section 9.03 *Expenses; Indemnity; Damage Waiver.* (a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses (including the reasonable fees and documented expenses of other advisors and professionals engaged by the Administrative Agent or the Lead Arranger in consultation with the Borrower) incurred by any Agent, any Joint Lead Arranger and their respective Affiliates, and in the case of legal fees and expenses, limited to the reasonable fees, charges and disbursements of one primary counsel designated by the Administrative Agent (and appropriate local and/or special counsel for each relevant jurisdiction and/or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law) for the Agents and the Joint Lead Arrangers, in connection with the syndication of the credit facilities provided for herein, the preparation, execution, delivery and administration of the Loan Documents or any amendments, supplements, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all documented out-of-pocket expenses incurred by any Agent or any Lender, including the fees, charges and disbursements of any counsel or

other professional consultants for any Agent or any Lender, in connection with the enforcement or protection of their rights in connection with the Loan Documents, including their rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses (including the fees, charges and disbursements of any counsel or other professional consultants for any Agent or any Lender) incurred during any workout, restructuring or negotiations in respect of such Loans; provided that the Agents and Lenders shall be entitled to reimbursement for no more than one counsel representing all such parties as designated by the Administrative Agent (and appropriate local counsel and/or special counsel for each relevant jurisdiction or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law, as designated by the Administrative Agent) (absent any actual or perceived conflict of interest in which case the Agents and Lenders who are similarly situated may engage and be reimbursed for one additional primary counsel and one additional local and/or special counsel in each relevant jurisdiction or specialized area of law for group members who are similarly situated).

(b) The Borrower agrees to indemnify the Agents, the Joint Lead Arrangers and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless (on an after-tax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs and related expenses, including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of:

(i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby,

(ii) any Loan or the use of the proceeds therefrom,

(iii) any actual or alleged presence or release of or exposure to Hazardous Materials on or from any property currently or formerly owned, leased or operated by the Borrower or any Subsidiary (including any predecessor for whom the Borrower or any such Subsidiary bears liability contractually or by operation of law), or any Environmental Liability, or

(iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto;

provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (A) are determined by a court of competent jurisdiction by final non-appealable judgment to have resulted from the gross negligence, bad faith, or willful misconduct of such Indemnitee (or its affiliates, officers, directors, employees, advisors and agents), (B) relate to Hazardous Materials that are first placed at any property owned by the Borrower or any Subsidiary after such property is transferred to any Indemnitee or its successors and assigns by foreclosure, deed in lieu of foreclosure or similar transfer or (C) arise from a dispute solely among Indemnitees not involving any act or omission on the part of the Borrower or its Subsidiaries or Affiliates, other than any losses, claims, damages, liabilities or costs incurred by or asserted against the Administrative Agent or the Joint Lead Arrangers acting in such capacity under this Agreement or any Loan Document, ; *provided further* that the Indemnitees shall be entitled to reimbursement for no more than one counsel representing all such parties (and appropriate local counsel and special counsel in each applicable local jurisdictions and/or for each specialized area of law, but limited to one local counsel in each such jurisdiction and one special counsel in each such area of law and solely in the case of a conflict of interest, one additional primary counsel and one additional counsel in each relevant jurisdiction and/or specialized area of law to the affected Indemnitees who are similarly situated).

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent or any Joint Lead Arranger under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or the applicable Joint Lead Arranger, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or any Joint Lead Arranger in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its Applicable Percentage.

(d) To the extent permitted by Applicable Law, no party to this Agreement shall assert, and each party to this Agreement hereby waives, any claim against any other party to this Agreement, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; *provided* that this clause (d) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03(a) through (c).

(e) All amounts due under this Section shall be payable within thirty (30) days after written demand therefor (including documentation reasonably supporting such request).

For the avoidance of doubt, this Section 9.03 shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

Section 9.04 *Successors and Assigns*. (a) *Successors and Assigns Generally*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document except to the extent otherwise permitted as a result of mergers or consolidations permitted hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower shall be null and void) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 9.04(b), (ii) by way of participation in accordance with the provisions of Section 9.04(d) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 9.04(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders*. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts*:

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of the Trade Date, shall not be less than \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) *Proportionate Amounts*. Each partial assignment by a Lender shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to such Lender's Loan;

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (i) an Event of Default has occurred and is continuing at the time of such assignment or (ii) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund of such Lender; *provided* that the Borrower shall be deemed to have consented to any such assignment (other than to a Disqualified Institution) if it shall not have responded to a consent request with respect thereto within ten (10) Business Days of written receipt thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments except if such assignment is to a Person that is a Lender, an Affiliate of such Lender or an Approved Fund of such Lender.

(iv) *Assignment and Acceptance*. The parties to each assignment (other than (i) assignments by a Lender to its Affiliate or an Approved Fund of such Lender or pursuant to Section 2.15 or 9.04(f) and (ii) the Borrower) shall execute and deliver to the Administrative Agent an *Assignment and Acceptance*, together with a processing and recordation fee of \$3,500, *provided, however*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) *Assignments to Borrower*. Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, so long as no Default or Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Term Loans, owing to it to Borrower or any of its Subsidiaries on a non-*pro rata* basis, subject to the following limitations:

(A) To effectuate such repurchase the Borrower or such Subsidiary of the Borrower must effectuate such repurchase (for all or any portion of the Term Loans) pursuant to one or more modified Dutch auctions (each, an “**Auction**”), *provided* that, (x) notice of the Auction shall be made to Administrative Agent (for distribution to the Lenders) and (y) the Auction shall be conducted pursuant to reasonable and customary procedures as the Auction Manager may establish which are consistent with this Section 9.04(b)(v) and the Auction procedures set forth on Exhibit J and are otherwise reasonably acceptable to Borrower, the Auction Manager, and Administrative Agent;

(B) With respect to all repurchases made by Borrower or such Subsidiary of the Borrower pursuant to this Section 9.04(b)(v), (x) Borrower shall deliver to the Auction Manager a certificate of a Responsible Officer stating that (1) no Default or Event of Default has occurred and is continuing or would result from such repurchase and (2) as of the launch date of the related Auction and the effective date of any Affiliate Assignment Agreement, the Borrower is not in possession of any material non-public information regarding Borrower or its Subsidiaries, or their assets, that has not previously been disclosed to the Auction Manager, Administrative Agent and any Lenders (taken into account all public information available about Borrower and its Subsidiaries) and (z) the assigning Lender, Borrower and any Subsidiary of the Borrower making such repurchase shall execute and deliver to the Auction Manager an Affiliate Assignment Agreement; and

(C) Following repurchase pursuant to this Section 9.04(b)(v), the Term Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by Borrower (or its Subsidiaries, as applicable)), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (x) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (y) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (z) the determination of Required Lenders, or for any similar or related purpose, including calculation of Excess Cash Flow, under this Agreement or any other Loan Document. In connection with any Term Loans repurchased and cancelled pursuant to this Section 9.04(b)(v), Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation.

(vi) *Assignment with regards to Defaulting Lenders*. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.12, 2.13 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Promptly following request, the Borrower (at its expense) shall execute and deliver a promissory note to the assignee Lender (provided that such assignee Lender shall use its commercially reasonable efforts to cause the assignor Lender to deliver to the Borrower any promissory notes delivered to it by the Borrower hereunder). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(d).

(c) *Register.* (i) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Loan Party and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(ii) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Assignment unless it has been recorded in the Register as provided in this paragraph.

(d) *Participations.* Any Lender may at any time, without the consent of, or notice to, the Loan Parties or the Administrative Agent, sell participations to any Person (other than a natural person, the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries or to any Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (x) such Lender's obligations under this Agreement shall remain unchanged, (y) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (z) the Loan Parties, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, supplement, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, supplement, modification or waiver described in the first proviso to Section 9.02(b) that requires the consent of each Lender or each affected Lender. Subject to Section 9.04(e), the Borrower

agrees that each Participant shall be entitled to the benefits of Sections 2.11, 2.12 and 2.13 (subject to the requirements and limitations of such Sections, including the requirements under Section 2.13(f) (it being understood that the documentation required under Section 2.13(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14(c) as though it were a Lender.

(e) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under Section 2.11 or 2.13 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which shall not be unreasonably withheld or delayed, and except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Non-U.S. Lender if it were a Lender shall not be entitled to the benefits of Section 2.13 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.13(f) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) *Certain Pledges.* Any Lender may at any time grant, pledge, hypothecate or assign a security interest in all or any portion of its rights under this Agreement (including under its promissory note, if any) to secure obligations of such Lender, including any grant, pledge, hypothecation or assignment to secure obligations to a Federal Reserve Bank or other central bank, and none of the restrictions or conditions set forth in this Section 9.04 related to any grant, pledge, hypothecation or assignment shall apply to any such grant, pledge, hypothecation or assignment of a security interest; *provided* that no such grant, pledge, hypothecation or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such grantee, pledgee, hypothecatee or assignee for such Lender as a party hereto.

(g) *Electronic Execution of Assignments.* The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) The Administrative Agent may conclusively rely on the list of Disqualified Institutions provided by the Borrower (or any supplement thereto) for all purposes of this Agreement and the other

Loan Documents, including in approving or declining to approve a Person as an Eligible Assignee, executing and delivering any Assignment and Assumption, making any recording in the Register in respect of such Assignment and Assumption or otherwise, and shall have no liability of any kind to any Loan Party or any Affiliate thereof, any Lender or any other Person if such list of Disqualified Institutions (or any supplement thereto) is incorrect or if any Person is incorrectly identified in such list of Disqualified Institutions (or any supplement thereto) as a Person to whom no assignment is to be made.

(i) Notwithstanding any provision to the contrary, any Lender may assign to one or more special purpose funding vehicles that are not Disqualified Institutions (each, an “SPV”) all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such Lender and such SPV, and may grant any such SPV the option, in such SPV’s sole discretion, to provide the Borrower all or any part of any Loans that such Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement (subject to the requirements and limitations to which the Lender would subject under this Agreement) but no obligations; *provided* that the Lender shall make all determinations on behalf of the SPV with respect to any matters requiring the consent or approval of the SPV hereunder and the Agents and the Borrower shall be entitled to rely on such determination by the Lender, without further inquiry and notwithstanding any communication to the contrary by the SPV; *provided further* an SPV shall not be entitled to receive any greater payment under Section 2.11 or 2.13 than the applicable granting Lender would have been entitled to receive absent such grant, without the consent of the Borrower (such consent not to be unreasonably withheld or delayed). The Lender making such assignment shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Agents and Borrower may deliver notices to the Lender making such assignment (as agent for the SPV) and not separately to the SPV.

Section 9.05 *Survival*. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid (other than any contingent indemnification obligations not then due and payable) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.11, 2.12, 2.13 and 9.03 and ARTICLE VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

Section 9.06 *Counterparts; Integration; Effectiveness*. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective

successors and permitted assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 *Severability*. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08 *Right of Setoff*. If one or more Events of Default shall have occurred and be continuing, each Lender shall have the right, in addition to and not in limitation of any right which any such Lender may have under Applicable Law or otherwise, to set off and apply any and all deposits (general or special, time or demand, provisional or final), at any time held and other obligations at any time owing by such Lender or its Affiliates to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and the other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmaturred. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. No Credit Party will, or will permit its Participant to, exercise its rights under this Section 9.08 without the consent of the Administrative Agent or the Required Lenders. ANY AND ALL RIGHTS TO REQUIRE THE ADMINISTRATIVE AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES ANY OF THE OBLIGATIONS PRIOR TO THE EXERCISE THE SETOFF UNDER THIS SECTION ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

Section 9.09 *GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS*. (a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (EXCEPT FOR THE CONFLICT OF LAWS RULES THEREOF, BUT INCLUDING GENERAL OBLIGATIONS LAW SECTIONS 5-1401 AND 5-1402).

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof (and, to the extent necessary to enforce the Administrative Agent's or the Lenders' rights under the Loan Documents, courts where Collateral may be located or deemed to be located and any appellate court thereof), in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment relating to any Loan Document, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10 *WAIVER OF JURY TRIAL*. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11 *Headings*. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 *Confidentiality*. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below) except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors, and funding sources on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and shall agree to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to a written agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in (other than, in each case, any Disqualified Institution), any of its rights or obligations under this Agreement, (g) with the prior written consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the avoidance of doubt, the obligations of any Lender under this Section 9.12 shall not be abrogated by such Lender's assignment of all of its Loans under this Agreement. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.13 *Interest Rate Limitation*. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under Applicable Law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with Applicable Law, the rate of interest payable

in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.14 *Patriot Act*. Each Lender hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name and address of the Borrower and the other Loan Parties and other information that will allow such Lender to identify the Borrower and the other Loan Parties in accordance with the USA PATRIOT Act.

Section 9.15 *Additional Waivers*. (a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by Applicable Law, the obligations of each Loan Party hereunder shall not be affected by (i) the failure of the Administrative Agent or any Lender to assert any claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release of any Loan Party from, any of the terms or provisions of, this Agreement or any other Loan Document, (other than as expressly contemplated by such waiver, amendment or modification), (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Administrative Agent or any Lender or (iv) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any other Loan Party or its assets or any resulting release or discharge of any obligation of any other Loan Party under any Loan Documents.

(b) The obligations of each Loan Party to pay the Obligations in full hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of all Obligations and termination of the Commitments), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Loan Party hereunder shall not be discharged or impaired or otherwise affected by the failure of any Agent or any Lender to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof (other than to the extent such waiver or modification so expressly waives or modifies such obligations or remedies), any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full in cash of all Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments).

(c) To the fullest extent permitted by Applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments. The Administrative Agent and the Lenders may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure,

compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all the Obligations have been paid in full in cash (other than contingent indemnification obligations not then due and payable) and the Commitments terminated. Pursuant to Applicable Law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(d) Each Loan Party (except for the Borrower) is a direct or indirect subsidiary of the Borrower, and each Loan Party acknowledges that (x) together with the other Loan Parties, it makes up a related organization of various entities constituting a single economic and business enterprise such that the Loan Parties share a common identity of interests and any benefit received by any one Loan Party benefits the other Loan Parties and (y) it will derive substantial benefit from the making of the Loans by the Lenders. Each Loan Party hereby agrees to keep each other Loan Party fully apprised at all times as to the status of its business, affairs, finances, and financial condition, and its ability to perform its Obligations under the Loan Documents and in particular as to any adverse developments with respect thereto. Each Loan Party hereby agrees to undertake to keep itself apprised at all times as to the status of the business, affairs, finances, and financial condition of each other Loan Party, and of the ability of each other Loan Party to perform its Obligations under the Loan Documents, and in particular as to any adverse developments with respect to any thereof. Each Loan Party hereby agrees, in light of the foregoing mutual covenants to inform each other, and to keep themselves and each other informed as to such matters, that the none of the Administrative Agent or any Lender shall have any duty to inform any Loan Party of any information pertaining to the business, affairs, finances, or financial condition of any other Loan Party, or pertaining to the ability of any other Loan Party to perform its Obligations under the Loan Documents, even if such information is adverse, and even if such information might influence the decision of one or more of the Loan Parties to continue to be jointly and severally liable for, or to provide Collateral for, Obligations of one or more of the other Loan Parties. To the fullest extent permitted by Applicable Law, each Loan Party hereby expressly waives any duty of the Administrative Agent or any Lender to inform any Loan Party of any such information.

Section 9.16 *No Advisory or Fiduciary Responsibility*. In connection with all aspects of each transaction contemplated hereby, the Loan Parties each acknowledge and agree that: (a) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, each Agent and Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (c) none of the Administrative Agent or Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any of the Agents or Lenders has advised or is currently advising any Loan Party or any of its Affiliates on other matters) and none of the Administrative Agent or Lenders has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (d) the Administrative Agent and Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their

respective Affiliates, and none of the Administrative Agent or Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) none of the Administrative Agent and Lenders have provided or will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Agents and Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.17 *Intercreditor Agreement*. (a) Notwithstanding any provisions in the Agreement or any other Loan Document to the contrary, the terms, conditions and provisions of this Agreement and the other Loan Documents are subject to the term of the Intercreditor Agreement. To the extent there is a conflict between the Loan Documents and the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall control.

(b) Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Administrative Agent (and the Lenders) shall be subject to the terms of the Intercreditor Agreement, and (i) until the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (as defined in the Intercreditor Agreement) shall have occurred, any obligation of the Borrower and any Guarantor hereunder or under any other Loan Document with respect to the delivery or control of any Collateral constituting ABL Priority Collateral, the novation of any lien on any certificate of title, bill of lading or other document, the giving of any notice to any bailee or other Person or the obtaining of any consent of any Person, in each case to the extent relating to ABL Priority Collateral, shall be deemed to be satisfied if the Borrower or such Guarantor, as applicable, complies with the requirements of the similar provision of the applicable ABL Loan Document and (ii) if the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (as defined in the Intercreditor Agreement) shall have occurred, until the Second Priority Obligations Payment Date in respect of the ABL Priority Collateral (as defined in the Intercreditor Agreement) shall have occurred, any obligation of the Borrower and any Guarantor hereunder or under any other Loan Document with respect to the delivery or control of any Collateral constituting ABL Priority Collateral, the novation of any lien on any certificate of title, bill of lading or other document, the giving of any notice to any bailee or other Person or the obtaining of any consent of any Person, in each case to the extent relating to ABL Priority Collateral, shall be deemed to be satisfied if the Borrower or such Guarantor, as applicable, complies with the requirements of the similar provision of the applicable First Lien Loan Document. Until the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (each as defined in the Intercreditor Agreement) shall have occurred, the delivery of any Collateral constituting ABL Priority Collateral to the ABL Agent pursuant to the ABL Loan Documents shall satisfy any delivery requirement hereunder or under any other Loan Document. If the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (each as defined in the Intercreditor Agreement) shall have occurred, until the Second Priority Obligations Payment Date in respect of the ABL Priority Collateral (each as defined in the Intercreditor Agreement) shall have occurred, the delivery of any Collateral constituting ABL Priority Collateral to the First Lien Agent pursuant to the First Lien Loan Documents shall satisfy any delivery requirement hereunder or under any other Loan Document.

(c) Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Administrative Agent (and the Lenders) shall be subject to the terms of the Intercreditor Agreement, and until the First Priority Obligations Payment Date in respect of the Term Loan Priority Collateral (as defined in the Intercreditor Agreement) shall have occurred, any obligation of the Borrower and any Guarantor hereunder or under any other Loan Document with respect to the delivery or control of any Collateral constituting Term Loan Priority Collateral, the novation of any

lien on any certificate of title, bill of lading or other document, the giving of any notice to any bailee or other Person, the provision of voting rights or the obtaining of any consent of any Person, in each case to the extent relating to Term Loan Priority Collateral, shall be deemed to be satisfied if the Borrower or such Guarantor, as applicable, complies with the requirements of the similar provision of the applicable First Lien Loan Document. Until the First Priority Obligations Payment Date in respect of the Term Loan Priority Collateral (each as defined in the Intercreditor Agreement) shall have occurred, the delivery of any Collateral constituting Term Loan Priority Collateral to the First Lien Agent pursuant to the First Lien Loan Documents shall satisfy any delivery requirement hereunder or under any other Loan Document.

(a) Guarantee

(i) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations. “**Guarantors**” shall mean each Grantor other than the Borrower. “**Borrower Obligations**” shall mean the unpaid principal of and interest on (including interest accruing after the maturity of the Loans and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) the Loans and all other obligations and liabilities of the Borrower to the Administrative Agent or to any Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement, any other Loan Document,

or any other document made, delivered or given in connection herewith or therewith, whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses (including all fees, charges and disbursements of counsel to the Administrative Agent or to any Lender that are required to be paid by the Borrower pursuant to Section 9.03 of the Credit Agreement) or otherwise.

(ii) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 1(b)).

(iii) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of the Administrative Agent or any Lender hereunder.

(iv) The guarantee contained in this Section 1 shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due and payable) shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations. "**Obligations**" shall mean (i) in the case of the Borrower, the Borrower Obligations, and (ii) in the case of each Guarantor, its Guarantor Obligations. "**Guarantor Obligations**" shall mean with respect to any Guarantor, all obligations and liabilities of such Guarantor which may arise under or in connection with this Agreement (including, without limitation, this Section 1) or any other Loan Document, in each case whether on account of guarantee obligations, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without limitation, all fees and disbursements of counsel to the Administrative Agent or to the Lenders that are required to be paid by such Guarantor pursuant to Section 9.3 of the Credit Agreement or Section 22 hereof).

(v) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Administrative Agent or any Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full (other than any contingent indemnification obligations not then due and payable) and the Commitments are terminated.

(b) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder,

such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 1(c). The provisions of this Section 1(b) shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

(c) No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Administrative Agent or any Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the Lenders by the Borrower on account of the Borrower Obligations (other than contingent indemnification obligations not then due and payable) are paid in full and the Commitments shall have terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

(d) Amendments, etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, waived, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or such requisite Lenders as required pursuant to Section 9.02 of the Credit Agreement, as the case may be) may reasonably deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 1 or any property subject thereto.

(e) Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon the guarantee contained in this Section 1 or acceptance of the guarantee contained in this Section 1; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Administrative Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 1, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(f) Reinstatement. The guarantee contained in this Section 1 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a

receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

provided, that, notwithstanding any of the other provisions set forth in this Section 2 or in any Loan Document, no Excluded Property shall constitute Collateral under this Agreement. For purposes of this Agreement and the other Loan Documents, "**Excluded Property**" shall mean (1) any property to the extent that such grant of a security interest (x) is prohibited by any applicable Requirements of Law, (y) requires a consent not obtained of any Governmental Authority pursuant to such applicable Requirement of Law or (z) is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, license, agreement, instrument or other document evidencing or giving rise to such property or, in the case of any Security Collateral (other than any of the foregoing issued by a Grantor), any applicable shareholder or similar agreement, except to the extent that such Requirement of Law or the term in such contract, license, agreement, instrument or other document or shareholder or similar agreement providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable law, (2) any lease, license or other agreement or any property that is subject to a purchase money Lien or capital lease or similar arrangement (in each case permitted by the Credit Agreement and for so long as subject to such purchase money Lien, capital lease or similar arrangement), in each case to the extent that a grant of a Lien therein would violate or invalidate such lease, license or agreement or such purchase money, capital lease or similar arrangement or create a right of termination in favor of any party thereto (other than a Loan Party), except to the extent that such lease, license or other agreement or other document providing for such violation or invalidation or termination right is ineffective under applicable law (it being understood that Excluded Property shall not include proceeds and Receivables in respect of the foregoing), (3) any United States trademark or service mark application filed on the basis of a Grantor's "intent-to-use" such trademark or service mark pursuant to Section 1(b) the Lanham Act, 15 U.S.C. § 1051, in each case, to the extent the inclusion in the Collateral of any such application would void, impair or invalidate any such

application or any resulting registration, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of said Act is filed with and accepted by the United States Patent and Trademark Office, (4) any property to the extent a security interest in such property would result in material adverse tax consequences as reasonably determined by the Borrower and the Administrative Agent, including any of the equity interests of any domestic Subsidiary of the Borrower that is a direct or indirect Subsidiary of a CFC, (5) any fee-owned real property with a fair market value of less than \$15,000,000 or that is located in the State of New York or in a jurisdiction other than the United States and all leasehold interests in real property, (6) any Excluded Account, (7) any of the equity interests of any Foreign Subsidiary of the Borrower that is not a Material First-Tier Foreign Subsidiary, each of which, as of the date hereof, is indicated on Part III of Schedule I hereto, (8) any of the equity interests of any Subsidiary of the Borrower that is a Material First-Tier Foreign Subsidiary in excess of 65% of all of the issued and outstanding shares of capital stock of such Material First-Tier Foreign Subsidiary entitled to vote (within the meaning of Treasury Regulation Section 1.956-2), and (9) any assets of Borrower, Qualex, Inc. or Kodak (Near East), Inc. which have been Disposed of on or before the date hereof pursuant to the UK Pension Settlement Agreement. Notwithstanding anything herein or in any other Loan Document, the Grantors shall not be required to perfect the Administrative Agent's security interest in (i) motor vehicles and other assets subject to certificates of title to the extent a Lien thereon cannot be perfected by the filing of a UCC financing statement, (ii) Letter-of-Credit Rights, (iii) Disbursement Accounts and (iv) any property as to which the Administrative Agent shall agree in writing that the cost of obtaining a security interest or perfection thereof would be excessive in relation to the value of the security to be afforded thereby. For purposes of this Agreement, "**Requirements of Law**" shall mean, as to any Person, the certificate of incorporation and by-laws or other organizational or governing documents of such Person, and any law, treaty, rule or regulation or determination of an arbitrator or a court or other Governmental Authority, in each case applicable to or binding upon such Person or any of its property or to which such Person or any of its property is subject.

Section 3. Security for Obligations. This Agreement secures, in the case of each Grantor, the payment of all Obligations of such Grantor or Subsidiary of the Company owing to the Secured Parties. Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and would be owed by such Grantor or Subsidiary of the Company, as applicable, to any Secured Party but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any of the Loan Parties and other Subsidiaries of the Company.

Section 4. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under the contracts and agreements included in such Grantor's Collateral to perform all of its duties and obligations thereunder to the extent set forth therein to the same extent as if this Agreement had not been executed, (b) the exercise by the Administrative Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement or any other Loan Document, nor shall any Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

Section 5. Delivery and Control of Security Collateral. (a) Subject to the Intercreditor Agreement, all certificates or instruments representing or evidencing Pledged Equity or Pledged Debt shall be promptly delivered to and held by or on behalf of the Administrative Agent pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Administrative Agent except to the extent that such transfer or assignment is prohibited by applicable law. With respect to any Pledged Equity existing on the Closing Date, the transfer or assignment of which is subject to (x) certain corporate actions by the holders of or issuers of Initial Pledged Equity issued by Foreign Subsidiaries which have not occurred as of the Closing Date despite the Grantors' use of commercially reasonable efforts to cause such corporate actions to occur prior to the Closing Date or (y) governmental approvals or consents which have not been obtained as of the Closing Date despite the Grantors' use of commercially reasonable efforts to cause such approvals or consents to be obtained prior to the Closing Date, the Grantors shall cause such corporate actions to occur or shall obtain such approvals or consents within 45 days after the Closing Date (or such later date as the Administrative Agent shall reasonably agree).

(b) With respect to any Security Collateral representing interests in which any Grantor has any right, title or interest and that constitutes an uncertificated security, such Grantor will use commercially reasonable efforts (or in the case of a wholly-owned Subsidiary, take all actions necessary) to cause (i) the issuers of such Security Collateral and (ii) any securities intermediary which is the holder of any such Security Collateral, to cause the Administrative Agent to have and retain, subject to the Intercreditor Agreement, Control over such Security Collateral. Without limiting the foregoing, such Grantor will, with respect to any such Security Collateral held with a securities intermediary, use commercially reasonable efforts to cause such securities intermediary to enter into a control agreement with the Administrative Agent, in form and substance reasonably satisfactory to the Administrative Agent, giving the Administrative Agent Control, subject to the Intercreditor Agreement.

(c) With respect to any securities or commodity account and any Security Collateral that constitutes a security entitlement (other than a security entitlement which is an uncertificated security, which for the avoidance of doubt shall be subject to the preceding Section 5(b)), within 60 days after the Closing Date (or such later date as the Administrative Agent shall reasonably agree), the relevant Grantor will cause the securities intermediary with respect to such security or commodity account or security entitlement to identify in its records the Administrative Agent as the entitlement holder thereof or enter into a control agreement with the Administrative Agent, in form and substance reasonably satisfactory to the Administrative Agent, giving the Administrative Agent Control, subject to the Intercreditor Agreement.

(d) Subject to the Intercreditor Agreement and upon the occurrence and during the continuance of an Event of Default, each Grantor shall cause the Security Collateral to be registered in the name of the Administrative Agent or such of its nominees as the Administrative Agent shall direct, subject only to the revocable rights specified in Section 13(a). In addition, the Administrative Agent shall have the right upon the occurrence and during the continuance of an Event of Default to convert Security Collateral consisting of financial assets credited to any securities account or the L/C Cash Deposit Account to Security Collateral consisting of financial assets held directly by the Administrative Agent, and to convert Security

Collateral consisting of financial assets held directly by the Administrative Agent to Security Collateral consisting of financial assets credited to any securities or commodity account or the L/C Cash Deposit Account.

(e) Upon the occurrence and during the continuance of an Event of Default, each Grantor will notify each issuer of Security Collateral granted by it hereunder that such Security Collateral is subject to the security interest granted hereunder.

Section 6. **Term Proceeds Accounts.** As soon as practicable and in no event more than thirty (30) days following the Closing Date (which period may be extended in the reasonable discretion the Administrative Agent), the Borrower shall establish a deposit account (the "**Term Proceeds Deposit Account**") and a securities account (the "**Term Proceeds Securities Account**") with JPMorgan Chase Bank, N.A. which accounts shall be maintained exclusively for identifiable proceeds of Term Loan Priority Collateral (as defined in the Intercreditor Agreement). The Borrower shall enter into an Account Control Agreement with respect to each of the Term Proceeds Deposit Account and the Term Proceeds Securities Account within the time period set forth in Section 5.12(b) of the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, each Grantor shall cause all proceeds of Term Loan Priority Collateral (as defined in the Intercreditor Agreement) to be deposited in either the Term Proceeds Deposit Account or the Term Proceeds Securities Account, as applicable.

Section 7. **Representations and Warranties.** Each Grantor represents and warrants as follows:

(a) Such Grantor's exact legal name, chief executive office, type of organization, jurisdiction of organization, organizational identification number and Federal Employer Identification Number as of the date hereof is set forth in Schedule V hereto. Within the five years preceding the date hereof, such Grantor has not changed its legal name, chief executive office, type of organization, jurisdiction of organization, organizational identification number or Federal Employer Identification Number from those set forth in Schedule V hereto except as set forth in Schedule VI hereto. Each of the trade names owned and used by the any Grantor in the operation of its business (e.g. billing, advertising, etc.) are set forth in Schedule V hereto.

(b) Since the date of four (4) months prior to the date hereof, each Grantor has made or entered into only the mergers and acquisitions set forth on Schedule XI hereto.

(c) The books and records of each Grantor pertaining to accounts, contract rights, inventory, and other assets are located at the addresses indicated for each Grantor on Schedule XII hereto.

(d) Such Grantor is the legal and beneficial owner of the Collateral and has rights in, the power to transfer, or a valid right to use, the Collateral with respect to which it has purported to grant a security interest hereunder, free and clear of any Lien, claim, option or right of others, except for the security interest created under this Agreement or Liens permitted under the Credit Agreement, and has full power and authority to grant to the Administrative Agent the

security interest in such Collateral granted hereunder pursuant to the terms hereof. No effective financing statement or other instrument similar in effect covering all or any part of such Collateral or listing such Grantor or any trade name of such Grantor as debtor is on file in any recording office, except such as may exist on the date of this Agreement, have been filed in favor of the Administrative Agent relating to the Loan Documents or are otherwise permitted under the Credit Agreement.

(e) When financing statements naming such Grantor as debtor and the Administrative Agent as secured party and providing a description of the Collateral with respect to which such Grantor has purported to grant a security interest hereunder have been filed in the appropriate offices against such Grantor in the locations listed on Schedule XIII, the Administrative Agent will have a fully perfected and, subject to the Intercreditor Agreement, first priority security interest (except as enforceability may be affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditor's rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing), subject only to Liens permitted under the Credit Agreement, in that Collateral of the Grantor in which a security interest may be perfected by filing of an initial financing statement in the appropriate office against such Grantor; provided that (i) the filing of Intellectual Property security agreements with the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect the security interest of the Administrative Agent in respect of any registered U.S. Patents, U.S. Patent applications, registered or applied for U.S. Trademarks and registered or applied for U.S. Copyrights, (ii) additional filings may be necessary to perfect the Administrative Agent's security interest in any registered U.S. Patents, U.S. Patent applications, registered or applied for U.S. Trademarks and registered or applied for U.S. Copyrights acquired by such Grantor after the date hereof, and (iii) upon completion of the filings referred to in this Section 7(e) and the other actions specified on Schedule XIV, the security interests granted pursuant to this Agreement will constitute valid perfected security interests in all of the Collateral (other than Excluded Property) in favor of the Administrative Agent as collateral security for the Obligations. Notwithstanding the foregoing, nothing in this Agreement shall require any Grantor to make any filings or take any other actions to record or perfect the Administrative Agent's Lien on and security interest in any Intellectual Property outside the United States (or to reimburse the Administrative Agent for the same). When used in this Agreement, "**Intellectual Property**" shall mean the collective reference to all rights in intellectual property, whether arising under United States laws, including, without limitation, the Copyrights, the Patents and the Trademarks, and all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom.

(c) upon the occurrence and during the continuance of an Event of Default, to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) or (b) above,

(d) upon the occurrence and during the continuation of any Event of Default to file any claims or take any action or institute any proceedings that the Administrative Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Administrative Agent with respect to any of the Collateral;

(f) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including actions to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Administrative Agent in its sole discretion, any such payments made by Administrative Agent to become obligations of such Grantor to Administrative Agent, due and payable immediately without demand;

(g) (i) upon the occurrence and during the continuation of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Administrative Agent were the absolute owner thereof for all purposes, and (ii) to do, at Administrative Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that Administrative Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and Administrative Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do;

(h) upon the occurrence and during the continuation of any Event of Default, to repair, alter, or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to the Borrower or such other Grantor in respect of any Account of the Borrower or such other Grantor; and

Section 18. Administrative Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Administrative Agent may, but without any obligation to do so,

upon notice to the Company of at least five Business Days in advance and if the Company fails to cure within such period, itself perform, or cause performance of, such agreement, and the expenses of the Administrative Agent incurred in connection therewith shall be payable by such Grantor under Section 22.

Section 19. The Administrative Agent's Duties. (a) The powers conferred on the Administrative Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Administrative Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Administrative Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

(b) Anything contained herein to the contrary notwithstanding, the Administrative Agent may from time to time, when the Administrative Agent deems it to be necessary, appoint one or more of its Affiliates (or, with the consent of the Company, any other Persons) subagents (each a "**Subagent**") for the Administrative Agent hereunder with respect to all or any part of the Collateral. In the event that the Administrative Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Administrative Agent, for the benefit of the Secured Parties, as security for the Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Administrative Agent, with all rights, powers, privileges, interests and remedies of the Administrative Agent hereunder with respect to such Collateral, and (iii) the term "Administrative Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Administrative Agent with respect to such Collateral, shall include such Subagent; *provided, however*, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent.

Section 20. Remedies. If any Event of Default shall have occurred and be continuing and such Event of Default has resulted in the acceleration of the Obligations, which acceleration has not been rescinded or otherwise terminated:

(a) The Administrative Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Administrative Agent and make it available to the Administrative Agent at a place and time to be designated by the Administrative Agent that is reasonably convenient to both parties; (ii) subject to applicable law, without notice

except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Administrative Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Administrative Agent may deem commercially reasonable; (iii) occupy, consistent with Section 5.08 of the Credit Agreement, on a non-exclusive basis any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Receivables and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Account Collateral, and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Receivables and the other Collateral, including those set forth in Section 9-607 of the UCC. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Grantor of the time and place of any public sale, or of the time after which any private sale is to be made shall constitute reasonable notification. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that (A) the internet shall constitute a "place" for purposes of Section 9-610(b) of the UCC and (B) to the extent notification of sale shall be required by law, notification by mail of the URL where a sale will occur and the time when a sale will commence at least ten (10) days prior to the sale shall constitute a reasonable notification for purposes of Section 9-611(b) of the UCC.

(b) Any cash held by or on behalf of the Administrative Agent and all cash proceeds received by or on behalf of the Administrative Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral and any proceeds of the guarantee set forth in Section 1 may, in the discretion of the Administrative Agent, be held by the Administrative Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or in part by the Administrative Agent for the benefit of the Secured Parties against, all or any part of the Obligations, in accordance with Section 7.03 of the Credit Agreement.

(c) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Administrative Agent in the same form as so received (with any necessary indorsement).

(d) Subject to the provisions of Section 9.08 of the Credit Agreement, the Administrative Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Obligations against any funds held with respect to the Account Collateral or in any other deposit account.

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such

sale or other disposition shall be included therein, and such Grantor shall supply to the Administrative Agent or its designee, documents and things relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) In each case under this Agreement in which the Administrative Agent takes any action with respect to the Collateral, including proceeds, the Administrative Agent shall provide to the Company such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested by the Company as a basis for the preparation of the company's financial statements in accordance with GAAP.

Section 21. Grant of Intellectual Property License. For the purpose of enabling Administrative Agent, upon the occurrence and during the continuance of an Event of Default, to exercise rights and remedies under Section 20 hereof at such time as Administrative Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to Administrative Agent, to the extent assignable, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of such Trademarks, to use, assign, license or sublicense any of the Intellectual Property, including any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights, and advertising matter, now owned or hereafter acquired, developed or created by such Grantor, wherever the same may be located. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof, solely to the extent such Grantor has all rights necessary to provide such access.

Section 22. Indemnity and Expenses. (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

(b) Each Grantor will upon demand pay to the Administrative Agent the amount of any and all reasonable expenses, including the reasonable fees and expenses of its counsel and of any experts and agents, that the Administrative Agent may incur in connection with (i) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (ii) the exercise or enforcement of any of the rights of the Administrative Agent or the other Secured Parties hereunder or (iii) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 23. Amendments; Waivers; Additional Grantors; Etc. (a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Administrative Agent and, with respect to any amendment, the Company on behalf of the Grantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Administrative Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 5.10 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon the execution and delivery by such Person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "**Security Agreement Supplement**"). AUCTION PROCEDURES

*This outline is intended to summarize certain basic terms of procedures with respect to Dutch auctions (each, an “**Auction**”) pursuant to and in accordance with the terms and conditions of Section 9.04(b)(v) of the Credit Agreement to which this Exhibit J is attached. It is not intended to be a definitive list of all of the terms and conditions of an Auction and all such terms and conditions shall be set forth in the applicable auction procedures documentation set for each Auction (the “**Offer Documents**”), which shall be reasonably acceptable to the Borrower, the Auction Manager and the Administrative Agent and shall otherwise comply with Section 9.04(b)(v) of the Credit Agreement. None of the Administrative Agent, any Auction Manager or any of their respective Affiliates makes any recommendation pursuant to the Offer Documents as to whether or not any Lender should sell by assignment any of its Term Loans pursuant to the Offer Documents (including, for the avoidance of doubt, by participating in the Auction as a Term Lender) or whether or not the Borrower or any of its Subsidiaries should purchase by assignment any Term Loans from any Lender pursuant to any Auction. Each Lender should make its own decision as to whether to sell by assignment any of its Term Loans and, if so, the principal amount of and price to be sought for such Term Loans. In addition, each Lender should consult its own attorney, business advisor or tax advisor as to legal, business, tax and related matters concerning any Auction and the Offer Documents. Capitalized terms used but not otherwise defined herein have the meanings assigned to them in the Credit Agreement.*

Summary. The Borrower or any of its Subsidiaries may purchase (by assignment) Term Loans on a non-pro rata basis by conducting one or more Auctions pursuant to the procedures described herein and otherwise in compliance with Section 9.04(b)(v) of the Credit Agreement; *provided* that no more than one Auction may be ongoing at any one time and no more than five Auctions may be made in any period of four consecutive fiscal quarters of the Company.

Notice Procedures. In connection with each Auction, the Borrower or any of its Subsidiaries (the “**Offeror**”) will provide notification to the Administrative Agent and Auction Manager (for distribution to the Lenders) of the Term Loans that will be the subject of the Auction by delivering to the Administrative Agent and Auction Manager a written notice in form and substance reasonably satisfactory to the Administrative Agent and Auction Manager (an “**Auction Notice**”). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Offeror is willing to purchase (by assignment) in the Auction (the “**Auction Amount**”), which shall be no less than \$5,000,000 or an integral multiple of \$1,000,000 in excess of thereof, (ii) the range of discounts to par (the “**Discount Range**”), expressed as a range of prices per \$1,000, at which the Offeror would be willing to purchase Term Loans in the Auction, (iii) the first date on which Return Bids (as defined below) may be submitted and (iv) the date on which the Auction will conclude, on which date Return Bids will be due at the time provided in the Auction Notice (such time, the “**Expiration Time**”), as such date and time may be extended upon notice by the Offeror to the Auction Manager not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the Offer Documents to each Lender promptly following completion thereof.

Reply Procedures. In connection with any Auction, each Lender holding Term Loans wishing to participate in such Auction shall, prior to the Expiration Time, provide the Auction Manager with an irrevocable notice of participation in form and substance reasonably satisfactory to the Auction Manager (the “**Return Bid**”, to be included in the Offer Documents) which shall specify (i) a discount to par that must be expressed as a price per \$1,000 of Term Loans (the “**Reply Price**”) within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than \$1,000,000, that such Lender is willing to offer for sale at its Reply Price (the “**Reply Amount**”); *provided*, that each Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount comprises the entire amount of the Term Loans held by such Lender at such time. A Lender may only submit one Return Bid per Auction, but each Return Bid may contain up to three component bids, each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager and the Administrative Agent (the “**Affiliate Assignment Agreement**”). The Offeror will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Offeror, will calculate the lowest purchase price (the “**Applicable Threshold Price**”) for the Auction within the Discount Range for the Auction that will allow the Offeror to complete the Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Offeror has received Qualifying Bids). The Offeror shall purchase (by assignment) Term Loans from each Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a “**Qualifying Bid**”). The principal amount of all Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased (to the extent the Auction is consummated) at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

Allocation Procedures. All Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; *provided* that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Offeror shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount

necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

Notification Procedures. The Auction Manager, in consultation with the Offeror, will calculate the Applicable Threshold Price no later than the next Business Day after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Offeror onto each applicable Affiliate Assignment Agreement received in connection with a Qualifying Bid. Upon written request of the submitting Lender, the Auction Manager will promptly return any Affiliate Assignment Agreement received in connection with a Return Bid that is not a Qualifying Bid.

Additional Procedures. Once initiated by an Auction Notice, the Offeror may withdraw an Auction by written notice to the Auction Manager so long as no Qualifying Bids have been received by the Auction Manager at or prior to the time the Auction Manager receives such written notice; *provided* that that the Offeror's obligation to purchase Term Loans from any Lender shall be conditioned on (i) such Lender making the representations and warranties set forth in the Affiliate Assignment Agreement and (ii) there being no pending actions, suits or proceedings pending or threatened, in each case brought by a third party, in writing that seek to enjoin such Auction. Furthermore, in connection with any Auction, upon submission by a Lender of a Return Bid, such Lender will not have any withdrawal rights. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; *provided* that a Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, an Auction shall become void if the Offeror fails to satisfy one or more of the conditions to the purchase of Term Loans set forth in Section 9.04(b) of the Credit Agreement, as applicable, or to otherwise comply with any of the provisions of such Section 9.04(b). The purchase price for all Term Loans purchased in an Auction shall be paid in cash by the Offeror directly to the respective assigning Lender on a settlement date as determined by the Auction Manager in consultation with the Offeror (which shall be no later than ten (10) Business Days after the date Return Bids are due). The Offeror shall execute each applicable Affiliate Assignment Agreement received in connection with a Qualifying Bid.

All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of an Auction will be determined by the Auction Manager in accordance with the terms of the Loan Documents, in consultation with the Offeror, and the Auction Manager's determination will be conclusive, absent manifest error.

None of the Administrative Agent, the Auction Manager, any other agent or any of their respective affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Borrower or its Subsidiaries contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Auction Manager acting in its capacity as such under an Auction shall be entitled to the benefits of the provisions of Article 8 and Section 9.03 of the Credit Agreement to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

This Exhibit L shall not require the Borrower or any of its Subsidiaries to initiate any Auction, nor shall any Lender be obligated to participate in any Auction.

(5) Each Grantor is the owner of the deposit accounts set forth opposite such Grantor's name on Schedule II hereto (together with all deposit accounts now owned or hereafter acquired by the Grantors, the "**Pledged Deposit Accounts**").

(6) Company is the owner of an L/C Cash Deposit Account (as defined in the ABL Agreement, the "**L/C Cash Deposit Account**") created in accordance with the ABL Agreement and subject to the security interest granted under this Agreement.

(10) Each Grantor will derive substantial direct or indirect benefit from the transactions contemplated by this Agreement, the Credit Agreement and the other Loan Documents.

(11) Terms defined in the Credit Agreement and not otherwise defined in this Agreement are used in this Agreement as defined in the Credit Agreement. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in Article 8 or 9 of the UCC (as defined below) are used in this Agreement (whether or not capitalized) as such terms are defined in such Article 8 or 9. “UCC” means the Uniform Commercial Code as in effect from time to time in the State of New York; provided, that, if perfection or the effect of perfection or non-perfection or the priority of the security interest in any Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, “UCC” means the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection, effect of perfection or non-perfection or priority.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement, each Grantor hereby agrees with the Administrative Agent for the benefit of the Secured Parties as follows:

Section 1. Guarantee.

(a) Guarantee

(i) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations. “**Guarantors**” shall mean each Grantor other than the Borrower. “**Borrower Obligations**” shall mean the unpaid principal of and interest on (including interest accruing after the maturity of the Loans and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) the Loans and all other obligations and liabilities of the Borrower to the Administrative Agent or to any Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement, any other Loan Document,

or any other document made, delivered or given in connection herewith or therewith, whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses (including all fees, charges and disbursements of counsel to the Administrative Agent or to any Lender that are required to be paid by the Borrower pursuant to Section 9.03 of the Credit Agreement) or otherwise.

(ii) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 1(b)).

(iii) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of the Administrative Agent or any Lender hereunder.

(iv) The guarantee contained in this Section 1 shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due and payable) shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations. "**Obligations**" shall mean (i) in the case of the Borrower, the Borrower Obligations, and (ii) in the case of each Guarantor, its Guarantor Obligations. "**Guarantor Obligations**" shall mean with respect to any Guarantor, all obligations and liabilities of such Guarantor which may arise under or in connection with this Agreement (including, without limitation, this Section 1) or any other Loan Document, in each case whether on account of guarantee obligations, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without limitation, all fees and disbursements of counsel to the Administrative Agent or to the Lenders that are required to be paid by such Guarantor pursuant to Section 9.3 of the Credit Agreement or Section 22 hereof).

(v) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Administrative Agent or any Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full (other than any contingent indemnification obligations not then due and payable) and the Commitments are terminated.

(b) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder,

such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 1(c). The provisions of this Section 1(b) shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

(c) No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Administrative Agent or any Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the Lenders by the Borrower on account of the Borrower Obligations (other than contingent indemnification obligations not then due and payable) are paid in full and the Commitments shall have terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

(d) Amendments, etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, waived, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or such requisite Lenders as required pursuant to Section 9.02 of the Credit Agreement, as the case may be) may reasonably deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 1 or any property subject thereto.

(e) Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon the guarantee contained in this Section 1 or acceptance of the guarantee contained in this Section 1; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Administrative Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 1, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(f) Reinstatement. The guarantee contained in this Section 1 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a

receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 2. Grant of Security. Each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in such Grantor's right, title and interest in and to the following, in each case, as to each type of property described below, whether now owned or hereafter acquired by such Grantor, wherever located, and whether now or hereafter existing or arising (collectively, the "**Collateral**"):

(d) the following (the "**Security Collateral**"):

(i) the Initial Pledged Equity and the certificates, if any, representing the Initial Pledged Equity, and all dividends, distributions, return of capital, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Initial Pledged Equity and all warrants, rights or options issued thereon or with respect thereto;

(ii) the Initial Pledged Debt and the instruments, if any, evidencing the Initial Pledged Debt, and all interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Initial Pledged Debt;
