No amendment, modification, consent, or waiver shall be effective except in accordance with the provisions of Section 9.02.

Section 8.04. *Liability of Agents.* (a) The Agents, when acting on behalf of the Credit Parties, may execute any of their respective duties under this Agreement by or through any of its officers, agents and employees, and no Agent nor its respective directors, officers, agents or employees shall be liable to any other Credit Party for any action taken or omitted to be taken in good faith, or be responsible to any other Credit Party for the consequences of any oversight or error of judgment, or for any loss, except to the extent of any liability imposed by law by reason of such Agent's own gross negligence, bad faith or willful misconduct. No Agent or its respective directors, officers, agents and employees shall in any event be liable to any other Credit Party for any action taken or omitted to be taken by it pursuant to instructions received by it from the requisite percentage of Lenders, or in reliance upon the advice of counsel selected by it. (d) The Agents shall be entitled to rely, and shall be fully protected in relying, upon any notice, consent, certificate, affidavit, or other document or writing believed by them in good faith to be genuine and correct and to have been signed, sent or made by the proper person or persons, and upon the advice and statements of legal counsel (including, without, limitation, counsel to the Loan Parties), independent accountants and other experts selected by any Loan Party or any Credit Party. In the event that an Agent obtains such actual knowledge or receives such a notice, such Agent shall give prompt notice thereof to each of the other Credit Parties. Upon and during the occurrence of an Event of Default, the Administrative Agent shall (subject to the provisions of Section 9.02) take such action with respect to such Event of Default as shall be reasonably directed by the Required Lenders. Unless and until the Administrative Agent shall have received such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to any such Event of Default as it shall deem advisable in the best interest of the Credit Parties. In no event shall the Administrative Agent be required to comply with any such directions to the extent that the Administrative Agent believes that its compliance with such directions would be unlawful.

Section 8.06. *Credit Decisions.* Each Credit Party (other than the Agents) acknowledges that it has, independently and without reliance upon the Agents or any other Credit Party, and based on the financial statements prepared by the Loan Parties and such other documents and information as it has deemed appropriate, made its own credit analysis and investigation into the business, assets, operations, property, and financial and other condition of the Loan Parties and has made its own decision to enter into this Agreement and the other Loan Documents. Each Credit Party (other than the Agents) also acknowledges that it will, independently and without reliance upon the Agents or any other Credit Party, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in determining whether or not conditions precedent to closing any Loan hereunder have been satisfied and in taking or not taking any action under this Agreement and the other Loan Documents.

Section 8.07. *Reimbursement and Indemnification.* Each Credit Party (other than the Agents in such capacity) agrees to (a) reimburse the Agents and their Affiliates for such Credit Party's Applicable Percentage of (i) any expenses and fees incurred by any Agent for the benefit of Credit Parties under this Agreement and any of the other Loan Documents, including counsel fees and compensation of agents and employees paid for services rendered on behalf of the Credit Parties, and any other expense incurred in connection with the operations or enforcement thereof not reimbursed by the Loan Parties and (ii) any expenses of any Agent incurred for the benefit of the Credit Parties that the Loan Parties have agreed to reimburse pursuant to this Agreement or any other Loan Document and have failed to so reimburse and (b) indemnify and hold harmless each Agent and any of its Affiliates, directors, officers, employees, or agents, on demand, in the amount of such Credit Party's Applicable Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against it or any Credit Party in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by it or any of them under this Agreement or any of the

other Loan Documents to the extent not reimbursed by the Loan Parties, including costs of any suit initiated by any Agent against any Credit Party (except such as shall have been determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent); provided, however, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Credit Party in its capacity as such. The provisions of this Section 8.07 shall survive the repayment of the Obligations and the termination of the Commitments.

Section 8.08. *Rights of Agents.* It is understood and agreed that the Agents shall have the same rights and powers hereunder (including the right to give such instructions) as the other Lenders and may exercise such rights and powers, as well as their rights and powers under other agreements and instruments to which they are or may be party, and engage in other transactions with the Loan Parties, as though they were not the Agents. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of commercial or investment banking, trust, advisory or other business with the Loan Parties and their Affiliates as if it were not an Agent hereunder.

Section 8.09. *Notice of Transfer.* The Administrative Agent may deem and treat a Lender party to this Agreement as the owner of such Lender's portion of the Obligations for all purposes, unless and until, and except to the extent, an Assignment and Acceptance shall have become effective as set forth in Section 9.04.

Section 8.10. *Successor Agents.* Any Agent may resign at any time by giving thirty (30) Business Days' prior written notice thereof to the other Credit Parties and the Borrower. Upon any such resignation of an Agent, the Required Lenders shall have the right to appoint a successor Agent, which, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Borrower (whose consent in any event shall not be unreasonably withheld or delayed). If no successor Agent shall have been so appointed by the Required Lenders and/or none shall have accepted such appointment within thirty (30) Business Days after the retiring Agent's giving of notice of resignation, the retiring Agent may, on behalf of the other Credit Parties, appoint a successor Agent which shall be a Person capable of complying with all of the duties of such Agent hereunder (in the opinion of the retiring Agent and as certified to the other Credit Parties in writing by such successor Agent) which, so long as there is no Event of Default continuing, shall be reasonably satisfactory to the Borrower (whose consent shall not in any event be unreasonably withheld or delayed). Upon the acceptance of any appointment as Agent by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Agent shall be discharged from its duties and obligations under this Agreement.

After any retiring Agent's resignation hereunder as such Agent, the provisions of this Article VIII and Section 9.03 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was such Agent under this Agreement.

Section 8.11. *Relation Among the Lenders.* The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of any Agent) authorized to act for, any other Lender.

Section 8.12. *Reports and Financial Statements.* By signing this Agreement, each Lender:

- (1) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of all financial statements required to be delivered by the Borrower hereunder (including those described in Sections 5.01(a) through (d) hereof) and all examinations and appraisals of the Collateral received by the Administrative Agent (collectively, the "**Reports**");

- (2) expressly agrees and acknowledges that the Administrative Agent (i) makes no representation or warranty as to the accuracy of the Reports, and (ii) shall not be liable for any information contained in any Report;
- (3) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;
- (4) agrees to keep all Reports and other Information confidential in accordance with Section 9.12; and
- (5) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Borrowings that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorney costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 8.13. *Agency for Perfection.* Each Lender hereby appoints each other Lender as agent for the purpose of perfecting Liens for the benefit of the Agents and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other Applicable Law of the United States of America can be perfected only by possession or control. Should any Lender (other than an Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor, shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 8.14. *Collateral and Guaranty Matters.* (a) The Lenders irrevocably authorize the Administrative Agent to and the Administrative Agent shall,

(i) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations not then due and owing), (ii) that is sold or otherwise Disposed or to be sold or Disposed of (in each case, other than to the Borrower or any Restricted Subsidiary) as part of or in connection with any sale or Disposition permitted under the Loan Documents or (iii) if approved, authorized or ratified in writing in accordance with Section 9.02;

(ii) release any Loan Party from its obligations under the Loan Documents if such Person (i) ceases to be a Subsidiary or (ii) becomes an Unrestricted Subsidiary, in each case, as a result of a transaction or designation permitted hereunder; *provided* that no such release shall

occur with respect to an entity that becomes an Unrestricted Subsidiary if such Loan Party continues to be a guarantor in respect of the Second Lien Facility or the ABL Facility unless and until each guarantor is (or is being simultaneously) released from its guarantee with respect to the Second Lien Facility and the ABL Facility;

- (iii) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e) or 6.02(g) or clause (g), (i), (j) or (k) of the definition of Permitted Encumbrances;
- (iv) release any Lien on any property granted to or held by the Administrative Agent under any Loan Document on any assets that are excluded from the Collateral; and

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority, as applicable, to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Documents pursuant to this Section 8.14. In each case as specified in this Section 8.14, the Administrative Agent will, at the Loan Parties' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the Loan Documents, in each case in accordance with the terms of the Loan Documents and this Section 8.14.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, or any affiliate of any Lender that is a party to any Hedging Agreement) take such actions as shall be reasonably requested by the Borrower as necessary or desirable to release, or document the release, by the Administrative Agent, of the security interest in any Collateral being sold, disposed of or transferred in a transaction permitted by the Loan Documents, in each case to a person other than the Borrower and its Subsidiaries, and to release any guarantee obligations under any Loan Documents of any person being sold, disposed of or transferred to a person other than the Borrower or its Subsidiaries, or no longer required to provide a guaranty hereunder to the extent necessary to permit consummation of such sales or dispositions of assets in accordance with the Loan Documents.

Section 8.15. *Syndication Agents; Documentation Agents.* Notwithstanding the provisions of this Agreement or any of the other Loan Documents, no Person who is or becomes a "syndication agent" or a "documentation agent" shall have any powers, rights, duties, responsibilities or liabilities with respect to this Agreement and the other Loan Documents.

Section 8.16. *Parallel Debt for the Purpose of Creating Dutch Security Rights.* For the purpose of ensuring and preserving the validity and continuity of the security rights to be granted pursuant to Security Documents that are governed by the laws of The Netherlands (including, but not limited to, a Dutch notarial deed of pledge relating to shares in the share capital of Eastman Kodak Holdings B.V.), the parties hereto agree as follows:

- (a) The Borrower hereby irrevocably and unconditionally undertakes to pay to the Administrative Agent, as creditor in its own right and acting on its own behalf, and not as agent or

representative of any other person, amounts equal to and in the currency of the amounts payable by the Borrower to the Lenders in respect of the Obligations of the Borrower (other than under the Parallel Debt (as defined hereafter)) from time to time as and when such amounts fall due for payment (the "Parallel Debt").

(b) Each of the parties hereto acknowledges that:

(i) the Parallel Debt represents the Administrative Agent's own separate and independent claim to receive payment of the Parallel Debt from the Borrower; and

(ii) the Parallel Debt constitutes an undertaking, obligation and liability of the Borrower to the Administrative Agent which is transferable, separate and independent from, and without prejudice to, the Obligations of the Borrower,

it being understood that the amounts owed by the Borrower to the Administrative Agent under this Agreement shall at any time never exceed the aggregate of the amounts owed by the Borrower to the Lenders under the Obligations of the Borrower at any such time.

(c) The Parallel Debt will become due and payable as and to the extent one or more of the Obligations of the Borrower becomes due and payable, without any further notice being required.

(d) To the extent the Administrative Agent irrevocably received any amount in payment of the Parallel Debt (the "Received Amount"), the Obligations of the Borrower shall be reduced by an aggregate amount equal to the Received Amount as if the Received Amount was received as a payment of such Obligations.

Section 8.17. *Certain Matters Relating to German Law*

In relation to the German Security Agreements the following additional provisions shall apply:

(a) The Administrative Agent, with respect to the part of the Collateral secured pursuant to the German Security Agreements or any other Collateral created under German law ("German Collateral"), shall:

(i) hold, administer and realise such German Collateral that is transferred or assigned by way of security (*Sicherungseigentum/Sicherungsabtretung*) or otherwise granted to it and is creating or evidencing a non-accessory security right (*nicht akzessorische Sicherheit*) in its own name as trustee (*Treuhänder*) for the benefit of the Secured Parties;

(ii) hold, administer, and realise any such German Collateral that is pledged (*verpfändet*) or otherwise transferred to the Administrative Agent and is creating or evidencing an accessory security right (*akzessorische Sicherheit*) as agent.

(b) With respect to the German Collateral, each Secured Party hereby authorizes and grants a power of attorney (*Vollmacht*) to the Administrative Agent (whether or not by or through employees or agents) to:

(i) to accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favor of such Secured Party in connection with the German Security Agreements and to agree to and execute on its behalf as its representative (*Stellvertreter*)

any amendments and/or alterations to any German Security Agreements or any other agreement related to such German Collateral which creates a pledge or any other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such security;

(ii) execute on behalf of itself and the Secured Parties where relevant and without the need for any further referral to, or authority from, the Secured Parties or any other person all necessary releases of any such German Collateral secured under the German Security Agreements or any other agreement related to such German Collateral;

(iii) realise such Collateral in accordance with the German Security Agreements or any other agreement securing such German Collateral;

(iv) make, receive all declarations and statements and undertake all other necessary actions and measures which are necessary or desirable in connection with such German Collateral or the German Security Agreements or any other agreement securing the German Collateral;

(v) take such action on its behalf as may from time to time be authorized under or in accordance with the German Security Agreements; and

(vi) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Secured Parties under the German Security Agreements together with such powers and discretions as are reasonably incidental thereto.

(c) Each of the Secured Parties agrees that, if the courts of Germany do not recognize or give effect to the trust expressed to be created by this Agreement or any Security Document, the relationship of the Secured Parties to the Administrative Agent shall be construed as one of principal and agent but, to the extent permissible under the laws of Germany, all the other provisions of this Agreement shall have full force and effect between the parties hereto.

(d) Each Secured Party hereby ratifies and approves all acts and declarations previously done by the Administrative Agent on such person's behalf (including for the avoidance of doubt the declarations made by the Administrative Agent as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of each Secured Party as future pledgee¹ or otherwise).

(e) For the purpose of performing its rights and obligations as Administrative Agent and to make use of any authorization granted under the German Security Agreements, each Secured Party hereby authorizes the Administrative Agent to act as its agent (*Stellvertreter*), and releases the Administrative Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*). The Administrative Agent has the power to grant sub-power of attorney, including the release from the restrictions of section 181 of the German Civil Code.

¹ S. gesonderten Abschnitt V. dazu

Section 8.18. *German Parallel Debt*

(a) The Borrower hereby irrevocably and unconditionally undertakes (and to the extent necessary undertakes in advance) to pay to the Administrative Agent amounts equal to any amounts owing from time to time by the Borrower to any Secured Party under this Agreement and any other Loan Document pursuant to any Obligations as and when those amounts are due under any Loan Document (such payment undertakings under this Section 8.18 and the obligations and liabilities resulting therefrom being the "Parallel Debt").

(b) The Administrative Agent shall have its own independent right to demand payment of the Parallel Debt by the Borrower. The Borrower and the Administrative Agent acknowledge that the obligations of the Borrower under Section 8.18 are several, separate and independent (*selbständiges Schuldanerkenntnis*) from, and shall not in any way limit or affect, the corresponding obligations of the Borrower to any Secured Party under this Agreement or any other Loan Document (the "Corresponding Debt") nor shall the amounts for which the Borrower is liable under Section 8.18 (*German Parallel Debt*) be limited or affected in any way by its Corresponding Debt provided that:

(i) the Parallel Debt shall be decreased to the extent that the Corresponding Debt has been irrevocably paid or discharged (other than, in each case, contingent obligations);

(ii) the Corresponding Debt shall be decreased to the extent that the Parallel Debt has been irrevocably paid or discharged;

(iii) the amount of the Parallel Debt shall at all times be equal to the amount of the Corresponding Debt; and

(iv) for the avoidance of doubt, the Parallel Debt will become due and payable at the same time when the Corresponding Debt becomes due and payable.

(c) The security granted under any German Security Agreement with respect to the Parallel Debt is granted to the Administrative Agent in its capacity as sole creditor of the Parallel Debt.

(d) Without limiting or affecting the Administrative Agent's rights against the Borrower (whether under this Agreement or any other Loan Document), the Borrower acknowledges that:

(i) Nothing in this Agreement shall impose any obligation on the Administrative Agent to advance any sum to the Borrower or otherwise under any Loan Document; and

(ii) for the purpose of any vote taken under any Loan Document, the Administrative Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a Lender.

(e) The parties to this Agreement acknowledge and confirm that the provisions contained in this Agreement shall not be interpreted so as to increase the maximum total amount of the Obligations.

(f) The Parallel Debt shall remain effective in case a third person should assume or be entitled, partially or in whole, to any rights of any of the Lenders under any of the other Loan Documents, be it by virtue of assignment, novation or otherwise.

(g) All monies received or recovered by the Administrative Agent pursuant to this Agreement and all amounts received or recovered by the Administrative Agent from or by the enforcement of any security granted to secure the Parallel Debt shall be applied in accordance with this Agreement.

Any e-mail notice to the Administrative Agent shall be in "pdf" format. Any party hereto may change its address, e-mail address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient; and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *The Platform*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agents or any of their Related Parties (collectively, the "**Agent Parties**") have any liability to any Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Loan Parties' or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party (or its Related Parties); *provided, however*, that in no event shall any Agent Party have any liability to any Loan Party, any Lender or any other Person, nor shall any Loan Party have any liability to any Agent Party, any Lender or any other Person, for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages); *provided further* that this clause (c) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03.

Section 9.02. *Waivers; Amendments*. (a) No failure or delay by the Administrative Agent, or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the

generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Agent that is a party thereto and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders (other than an amendment or modification (x) to correct, amend, cure any ambiguity, inconsistency, defect or correct any typographical error or other manifest error in this Agreement or any other Loan Document, (y) to comply with Applicable Law or advice of local counsel in respect of a Security Document or (z) to cause a Security Document to be consistent with this Agreement and the other Loan Documents, which may be amended or modified by the agreement of the Borrower and the Administrative Agent); *provided* that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender whose principal amount of its Loan or rate of interest or fees payable would be reduced (it being understood and agreed that waivers of any Defaults, Events of Defaults or additional interest payable during the continuation of an Event of Default shall not be deemed to be a reduction in the rate of interest or any fees payable hereunder),

(iii) postpone the scheduled date of payment of the principal amount of any Loan under Section 2.06 or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender whose payment would be so postponed, reduced, waived or excused or each Lender with Commitments for which the scheduled date of expiration would be postponed, as applicable,

(iv) amend or modify Section 2.14(b), 2.14(c) or 7.03, without the written consent of each Lender,

(v) amend or modify any of the provisions of this Section or reduce the percentage set forth in (x) the definition of "Required Lenders" or (y) any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender,

(vi) release all or substantially all of the Guarantors from their Guarantees under the Security Agreement, or limit the liability of all or substantially all of the Guarantors in respect of their Guarantees under the Security Agreement, in each case without the written consent of each Lender, or

(vii) release all or substantially all of the Collateral from the Liens of the Security Documents (except with respect to sales or transfers of, and other transactions relating to, Collateral permitted pursuant to the Loan Documents as of the Closing Date), without the written consent of each Lender;

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent without the prior written consent of the Administrative Agent, as the case may be. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.02 and any consent by any Lender pursuant to this Section 9.02 shall bind any successor or assignee of such Lender.

(c) If any Lender refuses to consent to any amendment or modification to or waiver of any Loan Document requested by the Borrower that requires the consent of all Lenders or all affected Lenders in accordance with this Section 9.02, and such amendment, modification or waiver is consented to by the Required Lenders (a “**Non-Consenting Lender**”), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts).

Section 9.03. *Expenses; Indemnity; Damage Waiver.* (a) The Borrower agrees to pay (i) all reasonable and documented out-of-pocket expenses (including the reasonable fees and documented expenses of other advisors and professionals engaged by the Administrative Agent or the Lead Arranger in consultation with the Borrower) incurred by any Agent, any Joint Lead Arranger and their respective Affiliates, and in the case of legal fees and expenses, limited to the reasonable fees, charges and disbursements of one primary counsel designated by the Administrative Agent (and appropriate local and/or special counsel for each relevant jurisdiction and/or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law) for the Agents and the Joint Lead Arrangers, in connection with the syndication of the credit facilities provided for herein, the preparation, execution, delivery and administration of the Loan Documents or any amendments, supplements, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all documented out-of-pocket expenses incurred by any Agent or any Lender, including the fees, charges and disbursements of any counsel or other professional consultants for any Agent or any Lender, in connection with the enforcement or protection of their rights in connection with the Loan Documents, including their rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses (including the fees, charges and disbursements of any counsel or other professional consultants for any Agent or any Lender) incurred during any workout, restructuring or negotiations in respect of such Loans; *provided* that the Agents and Lenders shall be entitled to reimbursement for no more than one counsel representing all such parties as designated by the Administrative Agent (and appropriate local counsel and/or special counsel for each relevant jurisdiction or specialized area of law, but limited to one local and/or special counsel in each such jurisdiction or specialized area of law, as designated by the Administrative Agent) (absent any actual or perceived conflict of interest in which case the Agents and Lenders who are similarly situated may engage and be reimbursed for one additional primary counsel and one additional local and/or special counsel in each relevant jurisdiction or specialized area of law for group members who are similarly situated).

(b) The Borrower agrees to indemnify the Agents, the Joint Lead Arrangers and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless (on an after-tax basis) from, any and all losses, claims, causes of action, damages, liabilities, settlement payments, costs and related expenses, including the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of:

(i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby,

(ii) any Loan or the use of the proceeds therefrom,

(iii) any actual or alleged presence or release of or exposure to Hazardous Materials on or from any property currently or formerly owned, leased or operated by the Borrower or any Subsidiary (including any predecessor for whom the Borrower or any such Subsidiary bears liability contractually or by operation of law), or any Environmental Liability, or

(iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto;

provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, costs or related expenses (A) are determined by a court of competent jurisdiction by final non-appealable judgment to have resulted from the gross negligence, bad faith, or willful misconduct of such Indemnitee (or its affiliates, officers, directors, employees, advisors and agents), (B) relate to Hazardous Materials that are first placed at any property owned by the Borrower or any Subsidiary after such property is transferred to any Indemnitee or its successors and assigns by foreclosure, deed in lieu of foreclosure or similar transfer or (C) arise from a dispute solely among Indemnitees not involving any act or omission on the part of the Borrower or its Subsidiaries or Affiliates, other than any losses, claims, damages, liabilities or costs incurred by or asserted against the Administrative Agent or the Joint Lead Arrangers acting in such capacity under this Agreement or any Loan Document; *provided further* that the Indemnitees shall be entitled to reimbursement for no more than one counsel representing all such parties (and appropriate local counsel and special counsel in each applicable local jurisdictions and/or for each specialized area of law, but limited to one local counsel in each such jurisdiction and one special counsel in each such area of law and solely in the case of a conflict of interest, one additional primary counsel and one additional counsel in each relevant jurisdiction and/or specialized area of law to the affected Indemnitees who are similarly situated).

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to any Agent or any Joint Lead Arranger under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or the applicable Joint Lead Arranger, as the case may be, such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or any Joint Lead Arranger in its capacity as such. For purposes hereof, a Lender’s “**pro rata share**” shall be determined based upon its Applicable Percentage.

(d) To the extent permitted by Applicable Law, no party to this Agreement shall assert, and each party to this Agreement hereby waives, any claim against any other party to this Agreement, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; *provided* that this clause (d) shall not limit the indemnity obligations of the Borrower or any Subsidiary to the extent otherwise set forth in Section 9.03(a) through (c).

(e) All amounts due under this Section shall be payable within thirty (30) days after written demand therefor (including documentation reasonably supporting such request).

For the avoidance of doubt, this Section 9.03 shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

Section 9.04. *Successors and Assigns.* (a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder or under any other Loan Document except to the extent otherwise permitted as a result of mergers or consolidations permitted hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower shall be null and void) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 9.04(b), (ii) by way of participation in accordance with the provisions of Section 9.04(d) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 9.04(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 9.04(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Credit Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts:*

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of the Trade Date, shall not be less than \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however,* that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) *Proportionate Amounts*. Each partial assignment by a Lender shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to such Lender's Loan;

(iii) *Required Consents*. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (i) an Event of Default has occurred and is continuing at the time of such assignment or (ii) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund of such Lender; *provided* that the Borrower shall be deemed to have consented to any such assignment (other than to a Disqualified Institution) if it shall not have responded to a consent request with respect thereto within ten (10) Business Days of written receipt thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments except if such assignment is to a Person that is a Lender, an Affiliate of such Lender or an Approved Fund of such Lender.

(iv) *Assignment and Acceptance*. The parties to each assignment (other than (i) assignments by a Lender to its Affiliate or an Approved Fund of such Lender or pursuant to Section 2.15 or 9.04(f) and (ii) the Borrower) shall execute and deliver to the Administrative Agent an *Assignment and Acceptance*, together with a processing and recordation fee of \$3,500, *provided, however*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) *Assignments to Borrower*. Notwithstanding anything to the contrary contained in this Section 9.04 or any other provision of this Agreement, so long as no Default or Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Term Loans, owing to it to Borrower or any of its Subsidiaries on a non-*pro rata* basis, subject to the following limitations:

(A) To effectuate such repurchase the Borrower or such Subsidiary of the Borrower must effectuate such repurchase (for all or any portion of the Term Loans) pursuant to one or more modified Dutch auctions (each, an "**Auction**"), *provided* that, (x) notice of the Auction shall be made to Administrative Agent (for distribution to the Lenders) and (y) the Auction shall be conducted pursuant to reasonable and customary procedures as the Auction Manager may establish which are consistent with this Section 9.04(b)(v) and the Auction procedures set forth on Exhibit L and are otherwise reasonably acceptable to Borrower, the Auction Manager, and Administrative Agent;

(B) With respect to all repurchases made by Borrower or such Subsidiary of the Borrower pursuant to this Section 9.04(b)(v), (x) Borrower shall deliver to the Auction Manager a certificate of a Responsible Officer stating that (1) no Default or Event of Default has occurred and is continuing or would result from such repurchase and (2) as of the launch date of the related Auction and the effective date of any Affiliate Assignment Agreement, the Borrower is not in possession of any material non-public information regarding Borrower or its Subsidiaries, or their assets, that has not previously been disclosed to the Auction Manager, Administrative Agent and any Lenders (taken

into account all public information available about Borrower and its Subsidiaries) and (z) the assigning Lender, Borrower and any Subsidiary of the Borrower making such repurchase shall execute and deliver to the Auction Manager an Affiliate Assignment Agreement; and

(C) Following repurchase pursuant to this Section 9.04(b)(v), the Term Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by Borrower (or its Subsidiaries, as applicable)), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (x) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (y) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (z) the determination of Required Lenders, or for any similar or related purpose, including calculation of Excess Cash Flow, under this Agreement or any other Loan Document. In connection with any Term Loans repurchased and cancelled pursuant to this Section 9.04(b)(v), Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation.

(vi) *Assignment with regards to Defaulting Lenders.* In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.12, 2.13 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Promptly following request, the Borrower (at its expense) shall execute and deliver a promissory note to the assignee Lender (provided that such assignee Lender shall use its commercially reasonable efforts to cause the assignor Lender to deliver to the Borrower any promissory notes delivered to it by the Borrower hereunder). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(d).

(c) *Register.* (i) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Loan Parties, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Loan Party and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(ii) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 9.04(b) and any written consent to such assignment required by Section 9.04(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Assignment unless it has been recorded in the Register as provided in this paragraph.

(d) *Participations.* Any Lender may at any time, without the consent of, or notice to, the Loan Parties or the Administrative Agent, sell participations to any Person (other than a natural person, the Loan Parties or any of the Loan Parties' Affiliates or Subsidiaries or to any Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (x) such Lender's obligations under this Agreement shall remain unchanged, (y) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (z) the Loan Parties, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, supplement, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, supplement, modification or waiver described in the first proviso to Section 9.02(b) that requires the consent of each Lender or each affected Lender. Subject to Section 9.04(e), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.11, 2.12 and 2.13 (subject to the requirements and limitations of such Sections, including the requirements under Section 2.13(f) (it being understood that the documentation required under Section 2.13(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14(c) as though it were a Lender.

(e) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under Section 2.11 or 2.13 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent, which shall not be unreasonably withheld or delayed, and except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Non-U.S. Lender if it were a Lender shall not be entitled to the benefits of Section 2.13 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.13(f) as though it were a Lender. Each Lender that sells

a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) *Certain Pledges.* Any Lender may at any time grant, pledge, hypothecate or assign a security interest in all or any portion of its rights under this Agreement (including under its promissory note, if any) to secure obligations of such Lender, including any grant, pledge, hypothecation or assignment to secure obligations to a Federal Reserve Bank or other central bank, and none of the restrictions or conditions set forth in this Section 9.04 related to any grant, pledge, hypothecation or assignment shall apply to any such grant, pledge, hypothecation or assignment of a security interest; *provided* that no such grant, pledge, hypothecation or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such grantee, pledgee, hypothecatee or assignee for such Lender as a party hereto.

(g) *Electronic Execution of Assignments.* The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) The Administrative Agent may conclusively rely on the list of Disqualified Institutions provided by the Borrower (or any supplement thereto) for all purposes of this Agreement and the other Loan Documents, including in approving or declining to approve a Person as an Eligible Assignee, executing and delivering any Assignment and Assumption, making any recording in the Register in respect of such Assignment and Assumption or otherwise, and shall have no liability of any kind to any Loan Party or any Affiliate thereof, any Lender or any other Person if such list of Disqualified Institutions (or any supplement thereto) is incorrect or if any Person is incorrectly identified in such list of Disqualified Institutions (or any supplement thereto) as a Person to whom no assignment is to be made.

(i) Notwithstanding any provision to the contrary, any Lender may assign to one or more special purpose funding vehicles that are not Disqualified Institutions (each, an "**SPV**") all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such Lender and such SPV, and may grant any such SPV the option, in such SPV's sole discretion, to provide the Borrower all or any part of any Loans that such Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement (subject to the requirements and limitations to which the Lender would subject under this Agreement) but no obligations; *provided* that the Lender shall make all determinations on behalf of the SPV with respect to any matters requiring the consent or approval of the SPV hereunder and

the Agents and the Borrower shall be entitled to rely on such determination by the Lender, without further inquiry and notwithstanding any communication to the contrary by the SPV; *provided further* an SPV shall not be entitled to receive any greater payment under Section 2.11 or 2.13 than the applicable granting Lender would have been entitled to receive absent such grant, without the consent of the Borrower (such consent not to be unreasonably withheld or delayed). The Lender making such assignment shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Agents and Borrower may deliver notices to the Lender making such assignment (as agent for the SPV) and not separately to the SPV.

Section 9.05. *Survival*. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid (other than any contingent indemnification obligations not then due and payable) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.11, 2.12, 2.13 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

Section 9.06. *Counterparts; Integration; Effectiveness*. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07. *Severability*. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.08. *Right of Setoff*. If one or more Events of Default shall have occurred and be continuing, each Lender shall have the right, in addition to and not in limitation of any right which any such Lender may have under Applicable Law or otherwise, to set off and apply any and all deposits (general or special, time or demand, provisional or final), at any time held and other obligations at any time owing by such Lender or its Affiliates to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and the other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any

demand under this Agreement or such other Loan Document and although such obligations may be unmaturred. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. No Credit Party will, or will permit its Participant to, exercise its rights under this Section 9.08 without the consent of the Administrative Agent or the Required Lenders. ANY AND ALL RIGHTS TO REQUIRE THE ADMINISTRATIVE AGENT TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES ANY OF THE OBLIGATIONS PRIOR TO THE EXERCISE THE SETOFF UNDER THIS SECTION ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

Section 9.09. *GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.* (a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (EXCEPT FOR THE CONFLICT OF LAWS RULES THEREOF, BUT INCLUDING GENERAL OBLIGATIONS LAW SECTIONS 5-1401 AND 5-1402).

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof (and, to the extent necessary to enforce the Administrative Agent's or the Lenders' rights under the Loan Documents, courts where Collateral may be located or deemed to be located and any appellate court thereof), in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment relating to any Loan Document, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.10. *WAIVER OF JURY TRIAL.* EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.11. *Headings.* Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12. *Confidentiality.* Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below) except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors, and funding sources on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and shall agree to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by Applicable Law or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to a written agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in (other than, in each case, any Disqualified Institution), any of its rights or obligations under this Agreement, (g) with the prior written consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower. For the avoidance of doubt, the obligations of any Lender under this Section 9.12 shall not be abrogated by such Lender's assignment of all of its Loans under this Agreement. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.13. *Interest Rate Limitation.* Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under Applicable Law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with Applicable Law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.14. *Patriot Act.* Each Lender hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name and address of the Borrower and the other Loan Parties and other information that will allow such Lender to identify the Borrower and the other Loan Parties in accordance with the USA PATRIOT Act.

Section 9.15. *Additional Waivers.* (a) The Obligations are the joint and several obligation of each Loan Party. To the fullest extent permitted by Applicable Law, the obligations of each Loan Party hereunder shall not be affected by (i) the failure of the Administrative Agent or any Lender to assert any

claim or demand or to enforce or exercise any right or remedy against any other Loan Party under the provisions of this Agreement, any other Loan Document or otherwise, (ii) any rescission, waiver, amendment or modification of, or any release of any Loan Party from, any of the terms or provisions of, this Agreement or any other Loan Document, (other than as expressly contemplated by such waiver, amendment or modification), (iii) the failure to perfect any security interest in, or the release of, any of the Collateral or other security held by or on behalf of the Administrative Agent or any Lender or (iv) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any other Loan Party or its assets or any resulting release or discharge of any obligation of any other Loan Party under any Loan Documents.

(b) The obligations of each Loan Party to pay the Obligations in full hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of all Obligations and termination of the Commitments), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Loan Party hereunder shall not be discharged or impaired or otherwise affected by the failure of any Agent or any Lender to assert any claim or demand or to enforce any remedy under this Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof (other than to the extent such waiver or modification so expressly waives or modifies such obligations or remedies), any default, failure or delay, willful or otherwise, in the performance of any of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the payment in full in cash of all Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments).

(c) To the fullest extent permitted by Applicable Law, each Loan Party waives any defense based on or arising out of any defense of any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any other Loan Party, other than the payment in full in cash of all the Obligations (other than contingent indemnification obligations not then due and payable) and termination of the Commitments. The Administrative Agent and the Lenders may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with any other Loan Party, or exercise any other right or remedy available to them against any other Loan Party, without affecting or impairing in any way the liability of any Loan Party hereunder except to the extent that all the Obligations have been paid in full in cash (other than contingent indemnification obligations not then due and payable) and the Commitments terminated. Pursuant to Applicable Law, each Loan Party waives any defense arising out of any such election even though such election operates, pursuant to Applicable Law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Loan Party against any other Loan Party, as the case may be, or any security.

(d) Each Loan Party (except for the Borrower) is a direct or indirect subsidiary of the Borrower, and each Loan Party acknowledges that (x) together with the other Loan Parties, it makes up a related organization of various entities constituting a single economic and business enterprise such that the Loan Parties share a common identity of interests and any benefit received by any one Loan Party benefits the other Loan Parties and (y) it will derive substantial benefit from the making of the Loans by the Lenders. Each Loan Party hereby agrees to keep each other Loan Party fully apprised at all times as to the status of its business, affairs, finances, and financial condition, and its ability to perform its Obligations under the Loan Documents and in particular as to any adverse developments with respect

thereto. Each Loan Party hereby agrees to undertake to keep itself apprised at all times as to the status of the business, affairs, finances, and financial condition of each other Loan Party, and of the ability of each other Loan Party to perform its Obligations under the Loan Documents, and in particular as to any adverse developments with respect to any thereof. Each Loan Party hereby agrees, in light of the foregoing mutual covenants to inform each other, and to keep themselves and each other informed as to such matters, that the none of the Administrative Agent or any Lender shall have any duty to inform any Loan Party of any information pertaining to the business, affairs, finances, or financial condition of any other Loan Party, or pertaining to the ability of any other Loan Party to perform its Obligations under the Loan Documents, even if such information is adverse, and even if such information might influence the decision of one or more of the Loan Parties to continue to be jointly and severally liable for, or to provide Collateral for, Obligations of one or more of the other Loan Parties. To the fullest extent permitted by Applicable Law, each Loan Party hereby expressly waives any duty of the Administrative Agent or any Lender to inform any Loan Party of any such information.

Section 9.16. *No Advisory or Fiduciary Responsibility.* In connection with all aspects of each transaction contemplated hereby, the Loan Parties each acknowledge and agree that: (a) the credit facility provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, and each of the Loan Parties is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, each Agent and Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Loan Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (c) none of the Administrative Agent or Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Loan Parties with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any of the Agents or Lenders has advised or is currently advising any Loan Party or any of its Affiliates on other matters) and none of the Administrative Agent or Lenders has any obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (d) the Administrative Agent and Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Administrative Agent or Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) none of the Administrative Agent and Lenders have provided or will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Loan Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Agents and Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.17. *Intercreditor Agreement.* (a) Notwithstanding any provisions in the Agreement or any other Loan Document to the contrary, the terms, conditions and provisions of this Agreement and the other Loan Documents are subject to the term of the Intercreditor Agreement. To the extent there is a conflict between the Loan Documents and the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall control.

(b) Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Administrative Agent (and the Lenders) shall be subject to the terms of the Intercreditor Agreement, and until the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (as defined in the Intercreditor Agreement), any obligation of the Borrower and any Guarantor hereunder or under any other Loan Document with respect to the delivery or control of any Collateral constituting ABL Priority Collateral, the novation of any lien on any certificate of title, bill of lading or other document, the giving of any notice to any bailee or other Person or the obtaining of any consent of any Person, in each case to the extent relating to ABL Priority Collateral, shall be deemed to be satisfied if the Borrower or such Guarantor, as applicable, complies with the requirements of the similar provision of the applicable ABL Loan Document. Until the First Priority Obligations Payment Date in respect of the ABL Priority Collateral (each as defined in the Intercreditor Agreement), the delivery of any Collateral constituting ABL Priority Collateral to the ABL Agent pursuant to the ABL Loan Documents shall satisfy any delivery requirement hereunder or under any other Loan Document.

PRELIMINARY STATEMENTS.

(1) Borrower and the other Grantors have entered into a senior secured first lien term credit agreement with Administrative Agent and certain other parties as set forth in the Credit Agreement, dated of even date herewith, by and among the Borrower, the lenders party thereto from time to time (the "**Lenders**") and Administrative Agent (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**");

(5) Each Grantor is the owner of the deposit accounts set forth opposite such Grantor's name on Schedule II hereto (together with all deposit accounts now owned or hereafter acquired by the Grantors, the "**Pledged Deposit Accounts**").

(6) Company is the owner of an L/C Cash Deposit Account (as defined in the ABL Agreement, the "**L/C Cash Deposit Account**") created in accordance with the ABL Agreement and subject to the security interest granted under this Agreement.

(10) Each Grantor will derive substantial direct or indirect benefit from the transactions contemplated by this Agreement, the Credit Agreement and the other Loan Documents.

The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in Article 8 or 9 of the UCC (as defined below) are used in this Agreement (whether or not capitalized) as such terms are defined in such Article 8 or 9. “UCC” means the Uniform Commercial Code as in effect from time to time in the State of New York; provided, that, if perfection or the effect of perfection or non-perfection or the priority of the security interest in any Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, “UCC” means the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection, effect of perfection or non-perfection or priority.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement, each Grantor hereby agrees with the Administrative Agent for the benefit of the Secured Parties as follows:

Section 1. Guarantee.

(a) Guarantee

(i) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations. “**Guarantors**” shall mean each Grantor other than the Borrower. “**Borrower Obligations**” shall mean the unpaid principal of and interest on (including interest accruing after the maturity of the Loans and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) the Loans and all other obligations and liabilities of the Borrower to the Administrative Agent or to any Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement, any other Loan Document,

or any other document made, delivered or given in connection herewith or therewith, whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses (including all fees, charges and disbursements of counsel to the Administrative Agent or to any Lender that are required to be paid by the Borrower pursuant to Section 9.03 of the Credit Agreement) or otherwise.

(ii) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 1(b)).

(iii) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of the Administrative Agent or any Lender hereunder.

(iv) The guarantee contained in this Section 1 shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due and payable) shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations. "**Obligations**" shall mean (i) in the case of the Borrower, the Borrower Obligations, and (ii) in the case of each Guarantor, its Guarantor Obligations. "**Guarantor Obligations**" shall mean with respect to any Guarantor, all obligations and liabilities of such Guarantor which may arise under or in connection with this Agreement (including, without limitation, this Section 1) or any other Loan Document, in each case whether on account of guarantee obligations, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without limitation, all fees and disbursements of counsel to the Administrative Agent or to the Lenders that are required to be paid by such Guarantor pursuant to Section 9.3 of the Credit Agreement or Section 22 hereof).

(v) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Administrative Agent or any Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full (other than any contingent indemnification obligations not then due and payable) and the Commitments are terminated.

(b) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder,

such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 1(c). The provisions of this Section 1(b) shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

(c) No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Administrative Agent or any Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the Lenders by the Borrower on account of the Borrower Obligations (other than contingent indemnification obligations not then due and payable) are paid in full and the Commitments shall have terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

(d) Amendments, etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, waived, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or such requisite Lenders as required pursuant to Section 9.02 of the Credit Agreement, as the case may be) may reasonably deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 1 or any property subject thereto.

(e) Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon the guarantee contained in this Section 1 or acceptance of the guarantee contained in this Section 1; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Administrative Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 1, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(f) Reinstatement. The guarantee contained in this Section 1 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a

receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 2. Grant of Security. Each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in such Grantor's right, title and interest in and to the following, in each case, as to each type of property described below, whether now owned or hereafter acquired by such Grantor, wherever located, and whether now or hereafter existing or arising (collectively, the "**Collateral**"):

AUCTION PROCEDURES

*This outline is intended to summarize certain basic terms of procedures with respect to Dutch auctions (each, an “**Auction**”) pursuant to and in accordance with the terms and conditions of Section 9.04(b)(v) of the Credit Agreement to which this Exhibit L is attached. It is not intended to be a definitive list of all of the terms and conditions of an Auction and all such terms and conditions shall be set forth in the applicable auction procedures documentation set for each Auction (the “**Offer Documents**”), which shall be reasonably acceptable to the Borrower, the Auction Manager and the Administrative Agent and shall otherwise comply with Section 9.04(b)(v) of the Credit Agreement. None of the Administrative Agent, any Auction Manager or any of their respective Affiliates makes any recommendation pursuant to the Offer Documents as to whether or not any Lender should sell by assignment any of its Term Loans pursuant to the Offer Documents (including, for the avoidance of doubt, by participating in the Auction as a Term Lender) or whether or not the Borrower or any of its Subsidiaries should purchase by assignment any Term Loans from any Lender pursuant to any Auction. Each Lender should make its own decision as to whether to sell by assignment any of its Term Loans and, if so, the principal amount of and price to be sought for such Term Loans. In addition, each Lender should consult its own attorney, business advisor or tax advisor as to legal, business, tax and related matters concerning any Auction and the Offer Documents. Capitalized terms used but not otherwise defined herein have the meanings assigned to them in the Credit Agreement.*

Summary. The Borrower or any of its Subsidiaries may purchase (by assignment) Term Loans on a non-pro rata basis by conducting one or more Auctions pursuant to the procedures described herein and otherwise in compliance with Section 9.04(b)(v) of the Credit Agreement; *provided* that no more than one Auction may be ongoing at any one time and no more than five Auctions may be made in any period of four consecutive fiscal quarters of the Company.

Notice Procedures. In connection with each Auction, the Borrower or any of its Subsidiaries (the “**Offeror**”) will provide notification to the Administrative Agent and Auction Manager (for distribution to the Lenders) of the Term Loans that will be the subject of the Auction by delivering to the Administrative Agent and Auction Manager a written notice in form and substance reasonably satisfactory to the Administrative Agent and Auction Manager (an “**Auction Notice**”). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Offeror is willing to purchase (by assignment) in the Auction (the “**Auction Amount**”), which shall be no less than \$5,000,000 or an integral multiple of \$1,000,000 in excess of thereof, (ii) the range of discounts to par (the “**Discount Range**”), expressed as a range of prices per \$1,000, at which the Offeror would be willing to purchase Term Loans in the Auction, (iii) the first date on which Return Bids (as defined below) may be submitted and (iv) the date on which the Auction will conclude, on which date Return Bids will be due at the time provided in the Auction Notice (such time, the “**Expiration Time**”), as such date and time may be extended upon notice by the Offeror to the Auction Manager not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the Offer Documents to each Lender promptly following completion thereof.

Reply Procedures. In connection with any Auction, each Lender holding Term Loans wishing to participate in such Auction shall, prior to the Expiration Time, provide the Auction Manager with an irrevocable notice of participation in form and substance reasonably satisfactory to the Auction Manager (the “**Return Bid**”, to be included in the Offer Documents) which shall specify (i) a discount to par that must be expressed as a price per \$1,000 of Term Loans (the “**Reply Price**”) within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than \$1,000,000, that such Lender is willing to offer for sale at its Reply Price (the “**Reply Amount**”); *provided*, that each Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount comprises the entire amount of the Term Loans held by such Lender at such time. A Lender may only submit one Return Bid per Auction, but each Return Bid may contain up to three component bids, each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager and the Administrative Agent (the “**Affiliate Assignment Agreement**”). The Offeror will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Offeror, will calculate the lowest purchase price (the “**Applicable Threshold Price**”) for the Auction within the Discount Range for the Auction that will allow the Offeror to complete the Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Offeror has received Qualifying Bids). The Offeror shall purchase (by assignment) Term Loans from each Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a “**Qualifying Bid**”). The principal amount of all Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased (to the extent the Auction is consummated) at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

Allocation Procedures. All Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; *provided* that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans purchased below the Applicable Threshold Price), the Offeror shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount

necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

Notification Procedures. The Auction Manager, in consultation with the Offeror, will calculate the Applicable Threshold Price no later than the next Business Day after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Offeror onto each applicable Affiliate Assignment Agreement received in connection with a Qualifying Bid. Upon written request of the submitting Lender, the Auction Manager will promptly return any Affiliate Assignment Agreement received in connection with a Return Bid that is not a Qualifying Bid.

Additional Procedures. Once initiated by an Auction Notice, the Offeror may withdraw an Auction by written notice to the Auction Manager so long as no Qualifying Bids have been received by the Auction Manager at or prior to the time the Auction Manager receives such written notice; *provided* that that the Offeror's obligation to purchase Term Loans from any Lender shall be conditioned on (i) such Lender making the representations and warranties set forth in the Affiliate Assignment Agreement and (ii) there being no pending actions, suits or proceedings pending or threatened, in each case brought by a third party, in writing that seek to enjoin such Auction. Furthermore, in connection with any Auction, upon submission by a Lender of a Return Bid, such Lender will not have any withdrawal rights. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; *provided* that a Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, an Auction shall become void if the Offeror fails to satisfy one or more of the conditions to the purchase of Term Loans set forth in Section 9.04(b) of the Credit Agreement, as applicable, or to otherwise comply with any of the provisions of such Section 9.04(b). The purchase price for all Term Loans purchased in an Auction shall be paid in cash by the Offeror directly to the respective assigning Lender on a settlement date as determined by the Auction Manager in consultation with the Offeror (which shall be no later than ten (10) Business Days after the date Return Bids are due). The Offeror shall execute each applicable Affiliate Assignment Agreement received in connection with a Qualifying Bid.

All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of an Auction will be determined by the Auction Manager in accordance with the terms of the Loan Documents, in consultation with the Offeror, and the Auction Manager's determination will be conclusive, absent manifest error.

None of the Administrative Agent, the Auction Manager, any other agent or any of their respective affiliates assumes any responsibility for the accuracy or completeness of the information concerning the Borrower or its Subsidiaries contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Auction Manager acting in its capacity as such under an Auction shall be entitled to the benefits of the provisions of Article 8 and Section 9.03 of the Credit Agreement to the same extent as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

This Exhibit L shall not require the Borrower or any of its Subsidiaries to initiate any Auction, nor shall any Lender be obligated to participate in any Auction.

GUARANTEE AND COLLATERAL AGREEMENT

GUARANTEE AND COLLATERAL AGREEMENT dated September 3, 2013 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "**Agreement**"), made by Eastman Kodak Company, a New Jersey corporation ("**Borrower**" or "**Company**"), and the other Persons listed on the signature pages hereof, or which at any time execute and deliver a Security Agreement Supplement in substantially the form attached hereto as Exhibit C (the Borrower and such Persons so listed or joined being, collectively, the "**Grantors**"), to JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, together with any successor Administrative Agent appointed pursuant to Article VIII of the Credit Agreement (as hereinafter defined) and assigns, the "**Administrative Agent**") for the Secured Parties (as defined in the Credit Agreement).

PRELIMINARY STATEMENTS.

(1) Borrower and the other Grantors have entered into a senior secured first lien term credit agreement with Administrative Agent and certain other parties as set forth in the Credit Agreement, dated of even date herewith, by and among the Borrower, the lenders party thereto from time to time (the "**Lenders**") and Administrative Agent (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**");

(2) Borrower is a member of an affiliated group of companies that includes each other Grantor;

(3) The proceeds of the extensions of credit under the Credit Agreement will be used in part to enable the Borrower to make valuable transfers to one or more of the other Grantors in connection with the operation of their respective businesses;

(4) Part I of Schedule I hereto lists all Equity Interests (other than Excluded Property) directly owned by such Grantor as of the date hereof (the "**Initial Pledged Equity**"). Each Grantor is the holder of the indebtedness owed to such Grantor as of the date hereof (the "**Initial Pledged Debt**") set forth opposite such Grantor's name on and as otherwise described in Part II of Schedule I hereto and issued by the obligors named therein.

(5) Each Grantor is the owner of the deposit accounts set forth opposite such Grantor's name on Schedule II hereto (together with all deposit accounts now owned or hereafter acquired by the Grantors, the "**Pledged Deposit Accounts**").

(6) Company is the owner of an L/C Cash Deposit Account (as defined in the ABL Agreement, the "**L/C Cash Deposit Account**") created in accordance with the ABL Agreement and subject to the security interest granted under this Agreement.

(7) Company is the owner of the Pledged Cash Account (Eligible Cash) (as defined in the ABL Agreement, the "**Pledged Cash Account (Eligible Cash)**") created in accordance with the ABL Agreement and subject to the security interest granted under this Agreement.

(8) Company is the owner of the Pledged Cash Account (Qualified Cash) (as defined in the ABL Agreement, the “**Pledged Cash Account (Qualified Cash)**”) created in accordance with the ABL Agreement and subject to the security interest granted under this Agreement.

(9) It is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement that the Grantors shall have granted the security interest contemplated by this Agreement.

(10) Each Grantor will derive substantial direct or indirect benefit from the transactions contemplated by this Agreement, the Credit Agreement and the other Loan Documents.

(11) Terms defined in the Credit Agreement and not otherwise defined in this Agreement are used in this Agreement as defined in the Credit Agreement. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in Article 8 or 9 of the UCC (as defined below) are used in this Agreement (whether or not capitalized) as such terms are defined in such Article 8 or 9. “UCC” means the Uniform Commercial Code as in effect from time to time in the State of New York; provided, that, if perfection or the effect of perfection or non-perfection or the priority of the security interest in any Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, “UCC” means the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection, effect of perfection or non-perfection or priority.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement, each Grantor hereby agrees with the Administrative Agent for the benefit of the Secured Parties as follows:

Section 1. Guarantee.

(a) Guarantee

(i) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations. “**Guarantors**” shall mean each Grantor other than the Borrower. “**Borrower Obligations**” shall mean the unpaid principal of and interest on (including interest accruing after the maturity of the Loans and interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) the Loans and all other obligations and liabilities of the Borrower to the Administrative Agent or to any Lender, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred, which may arise under, out of, or in connection with, this Agreement, any other Loan Document,

or any other document made, delivered or given in connection herewith or therewith, whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses (including all fees, charges and disbursements of counsel to the Administrative Agent or to any Lender that are required to be paid by the Borrower pursuant to Section 9.03 of the Credit Agreement) or otherwise.

(ii) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 1(b)).

(iii) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 1 or affecting the rights and remedies of the Administrative Agent or any Lender hereunder.

(iv) The guarantee contained in this Section 1 shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due and payable) shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations. "**Obligations**" shall mean (i) in the case of the Borrower, the Borrower Obligations, and (ii) in the case of each Guarantor, its Guarantor Obligations. "**Guarantor Obligations**" shall mean with respect to any Guarantor, all obligations and liabilities of such Guarantor which may arise under or in connection with this Agreement (including, without limitation, this Section 1) or any other Loan Document, in each case whether on account of guarantee obligations, reimbursement obligations, fees, indemnities, costs, expenses or otherwise (including, without limitation, all fees and disbursements of counsel to the Administrative Agent or to the Lenders that are required to be paid by such Guarantor pursuant to Section 9.3 of the Credit Agreement or Section 22 hereof).

(v) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Administrative Agent or any Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Obligations are paid in full (other than any contingent indemnification obligations not then due and payable) and the Commitments are terminated.

(b) Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder,

such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 1(c). The provisions of this Section 1(b) shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Lenders, and each Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

(c) No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Administrative Agent or any Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Administrative Agent and the Lenders by the Borrower on account of the Borrower Obligations (other than contingent indemnification obligations not then due and payable) are paid in full and the Commitments shall have terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Administrative Agent and the Lenders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

(d) Amendments, etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, waived, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or such requisite Lenders as required pursuant to Section 9.02 of the Credit Agreement, as the case may be) may reasonably deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 1 or any property subject thereto.

(e) Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon the guarantee contained in this Section 1 or acceptance of the guarantee contained in this Section 1; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 1. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 1 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Administrative Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 1, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(f) Reinstatement. The guarantee contained in this Section 1 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a

receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 2. Grant of Security. Each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in such Grantor's right, title and interest in and to the following, in each case, as to each type of property described below, whether now owned or hereafter acquired by such Grantor, wherever located, and whether now or hereafter existing or arising (collectively, the "**Collateral**"):

(d) the following (the "**Security Collateral**"):

(i) the Initial Pledged Equity and the certificates, if any, representing the Initial Pledged Equity, and all dividends, distributions, return of capital, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Initial Pledged Equity and all warrants, rights or options issued thereon or with respect thereto;

(iv) all additional indebtedness from time to time owed to such Grantor (such indebtedness, together with the Initial Pledged Debt, being the "**Pledged Debt**") and the instruments, if any, evidencing such indebtedness, and all interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such indebtedness;

(v) all security entitlements or commodity contracts carried in, or from time to time credited to, as applicable, a securities account or commodity account (including the Term Proceeds Securities Account), all financial assets, and all dividends, distributions, return of capital, interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such security entitlements or financial assets and all warrants, rights or options issued thereon with respect thereto; and

(vi) all other investment property (including all (A) securities, whether certificated or uncertificated, (B) security entitlements, (C) securities accounts, (D) commodity contracts and (E) commodity accounts, but excluding any equity interest excluded from the Pledged Equity) in which such Grantor has now, or acquires from time to time hereafter, any right, title or interest in any manner, and the certificates or instruments, if any, representing or evidencing such investment property, and all dividends, distributions, return of capital, interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such investment property and all warrants, rights or options issued thereon or with respect thereto ("**Investment Property**");

Section 10. Insurance. Each Grantor will, and will cause each Restricted Subsidiary to, at its own expense, maintain, insurance with responsible and reputable insurance companies or associations in such amounts and covering such risks as is usually carried by companies

engaged in similar businesses and owning similar properties in the same general areas in which the Company or such Restricted Subsidiary operates; provided, that, the Company and its Restricted Subsidiaries may self-insure to the extent consistent with prudent business practice. business hours and at times to be mutually agreed). Except as otherwise provided in this subsection (b), each Grantor, at its own expense and in the ordinary course of business undertaken in a commercially reasonable manner and consistent with applicable law, will continue to collect, adjust, settle, compromise the amount or payment of, all amounts due or to become due such Grantor under the Assigned Agreements and Receivables. In connection with such collections, adjustments, settlements, compromises and other exercises of rights, such Grantor may take (and, at the Administrative Agent's direction upon the occurrence and during the continuance of an Event of Default, will take) such action as such Grantor (or, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent) may deem necessary or advisable; provided, that, the Administrative Agent shall have the right at any time, upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Assigned Agreements and Receivables of the assignment of such Assigned Agreements to the Administrative Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Administrative Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Assigned Agreements and Receivables, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Assigned Agreements and Receivables, including those set forth in Section 9-607 of the UCC. No Grantor shall, without the written consent of the Administrative Agent, which shall not be unreasonably withheld or delayed, discontinue use of any material Trademark or otherwise abandon any such material Intellectual Property Collateral unless such Grantor shall have determined that such use or the pursuit or maintenance of such Intellectual Property Collateral is no longer material to the conduct of such Grantor's business.

(e) With respect to its Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit A hereto or otherwise in form and substance satisfactory to the Administrative Agent (an "**Intellectual Property Security Agreement**"), for recording the security interest granted hereunder to the Administrative Agent in such Intellectual Property Collateral with the U.S. Patent and Trademark Office, the U.S. Copyright Office, and any other Governmental Authorities necessary to perfect the security interest hereunder in such Intellectual Property Collateral.

(b) Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 5.10 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon the execution and delivery by such Person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "**Security Agreement Supplement**").
