ARTICLE II

PURCHASER'S REPRESENTATIONS AND WARRANTIES

Each of the Purchasers severally and not jointly represents and warrants to the Sellers, as of the date hereof and as of the Closing, that:

Section 2.1 No Sale or Distribution. Such Purchaser is acquiring the Shares for its own account and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the Securities Act. Such Purchaser does not presently have any agreement or understanding, directly or indirectly, with any person to distribute any of the Shares.

Section 2.2 Accredited Investor Status. Such Purchaser is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act ("Regulation D").

Section 2.3 Reliance on Exemptions. Such Purchaser understands that the Shares are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Sellers are relying in part upon the truth and accuracy of, and such Purchaser's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Purchaser set forth herein in order to determine the availability of such exemptions and the eligibility of such Purchaser to acquire the Shares.

Section 2.4 Information. Such Purchaser has not relied on the Sellers, GSO Capital Partners LP ("GSO"), any other funds and accounts managed by GSO, any other affiliates of GSO or any of their respective current or former partners, shareholders, members, managers, officers, directors, employees, representatives and agents of any of the foregoing (collectively, the "GSO Persons") with respect to any legal, accounting or tax matters relating to the purchase of the Shares. Such Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. Such Purchaser has, independently and without reliance on the Sellers or any GSO Person, and based on such information concerning the sale of the Shares and the Company as such Purchaser deemed appropriate, reliable and adequate, made its own investment analysis and decision to consummate the acquisition of the Shares. Such Purchaser understands that its investment in the Shares involves a high degree of risk and is able to afford a complete loss of such investment and such Purchaser believes that, by reason of its business and financial experience, it is capable of evaluating the merits and risks of the acquisition of the Shares and of protecting its own interests in connection with such acquisition.

Section 2.5 No Governmental Review. Such Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

Section 2.6 Transfer or Resale. Such Purchaser understands that: (i) the Shares have not been and are not being registered under the Securities Act, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder or (B) such Purchaser shall have delivered to the Company an opinion of counsel, in a form reasonably acceptable to the Company, to the effect that such Shares to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration; and (ii) neither the Company nor any other person is under any obligation to register the Shares under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder.

Section 2.7 Legends. Such Purchaser understands that the Shares shall bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such Shares):

“THE SECURITIES REPRESENTED BY THIS BOOK-ENTRY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS BOOK-ENTRY MAY BE MADE EXCEPT PURSUANT TO (A) A REGISTRATION STATEMENT EFFECTIVE UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN EXEMPTION FROM REGISTRATION THEREUNDER, IF THE COMPANY HAS BEEN FURNISHED WITH SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS MAY REASONABLY BE REQUIRED BY THE COMPANY THAT SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION IS NOT REQUIRED TO BE REGISTERED UNDER THE SECURITIES ACT.”

Section 2.8 Validity; Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of such Purchaser and shall constitute the legal, valid and binding obligations of such Purchaser enforceable against such Purchaser in accordance with its terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

Section 2.9 No Violation or Conflict; Consent. The execution, delivery and performance by such Purchaser of this Agreement and consummation by such Purchaser of the transactions contemplated hereby do not and will not: (i) violate any decree or judgment of any court or other governmental authority applicable to or binding on such Purchaser or (ii) violate any contract to which such Purchaser is bound, or conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Purchaser is a party, except for any such violation, conflict, default, termination, amendment, acceleration or cancellation that would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, financial condition or operations of such Purchaser.

Section 2.10 Non-Public Information. Such Purchaser acknowledges and agrees that: (A) the Sellers and GSO Persons may now possess and may hereafter possess certain non-public information (the “Non-Public Information”) concerning the Company and/or the Shares that may or may not be independently known to such Purchaser and (B) such Purchaser has entered into this Agreement and agrees to consummate the transactions contemplated hereby notwithstanding that such Purchaser is aware that Non-Public Information may exist and that such Non-Public Information may not have been disclosed by the Company or the Sellers to such Purchaser, and such Purchaser confirms and acknowledges that neither the existence of any Non-Public Information, nor the substance of it, is material to such or to such Purchaser's determination to enter into this Agreement and to consummate the transactions contemplated hereby.

Section 2.11 No Additional Seller Representations. Such Purchaser acknowledges and agrees that none of the Sellers or any GSO Persons has made and none of them does make any representation or warranty, whether express or implied, of any kind or character except as expressly set forth in this Agreement and none of the Sellers or any GSO Persons has any obligations to such Purchaser, whether express or implied, including fiduciary obligations, with respect to the transactions contemplated hereby.

Such Seller, and no person that has been or will be paid (directly or indirectly) remuneration or a commission for their participation in the offer or sale of the Shares to Purchasers, including solicitation of purchasers for such Seller, is subject to: (i) an event that would disqualify an issuer or other covered person under Rule 506(d)(1) under Regulation D; or (ii) a statutory disqualification under Section 3(a)(39) of the Exchange Act.

Section 3.5 No Violation or Conflict; Consent. The execution, delivery and performance by such Seller of this Agreement and consummation by such Seller of the transactions contemplated hereby do not and will not: (i) violate any decree or judgment of any court or other governmental authority applicable to or binding on such Seller or (ii) violate any contract to which such Seller is bound, or conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Seller is a party, except for any such violation, conflict, default, termination, amendment, acceleration or cancellation that would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, financial condition or operations of such Seller.

Section 3.6 Title. (i) such Seller is the sole direct owner of the Shares, free and clear of any taxes and liens, security interests, adverse claims or other encumbrances of any character whatsoever (“Encumbrances”), other than restrictions on resales of the Shares or other restrictions that may exist under applicable securities laws; (ii) the Shares to be delivered are not and will not be as of the Closing Date subject to any transfer restriction, other than the restriction that the Shares have not been registered under the Securities Act and, therefore, cannot be resold unless it is registered under the Securities Act or in a transaction exempt from or not subject to the registration requirements of the Securities Act and whatever restrictions that may exist against either Purchaser or are otherwise disclosed in the Company’s public filings (“Permitted Transfer Restriction”); (iii) upon the transfer of the Shares to each Purchaser, such Purchaser will acquire good and marketable title thereto, and will be the legal and beneficial owner of such the Shares, free and clear of any Encumbrances or transfer restrictions, other than the Permitted Transfer Restriction; and (iv) such Seller has not granted any person rights, options, subscriptions or other agreements or commitments obligating such Seller with respect to the Shares, and such Seller has not granted any person a proxy that has not expired or been validly withdrawn.

Section 3.7 Authorization; Enforcement; Validity. Such Seller has the requisite power and authority to enter into and perform its obligations under this Agreement and to transfer its Shares to the Purchasers in accordance with the terms hereof. This Agreement has been duly executed and delivered by such Seller, and constitutes the legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors’ rights and remedies.

Section 3.8 Accredited Investor Status. Such Seller is an “accredited investor” as that term is defined in Regulation D.

Section 3.9 Reliance on Exemptions. Such Seller understands that the Shares are being acquired from it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Purchasers are relying in part upon the truth and accuracy of, and such Seller’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Seller set forth herein in order to determine the availability of such exemptions and the eligibility of such Seller to sell the Shares.

Section 3.10 Information. Such Seller has not relied on either Purchaser, any other affiliates of thereof or any of their respective current or former partners, shareholders, members, managers, officers, directors, employees, representatives and agents of any of the foregoing (collectively, the “Purchaser Persons”) with respect to any legal, accounting or tax matters relating to the sale of the Shares. Such Seller has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its sale of the Shares. Such Seller, independently and without reliance on the Purchasers or any Purchaser Persons, and based on such information concerning the sale of the Shares and the Company as such Seller deemed appropriate, reliable and adequate, made its own investment analysis and decision to consummate the sale of the Shares. Such Seller believes that, by reason of its business and financial experience, it is capable of evaluating the merits and risks of the sale of the Shares and of protecting its own interests in connection with such sale.

Section 3.11 Non-Public Information. Such Seller acknowledges and agrees that: (A) the Purchasers and Purchaser Persons may now possess and may hereafter possess Non-Public Information concerning the Company and/or the Shares that may or may not be independently known to such Seller and (B) such Seller has entered into this Agreement and agrees to consummate the transactions contemplated hereby notwithstanding that such Seller is aware that Non-Public Information may exist and that such Non-Public Information may not have been disclosed by the Company or the Purchasers to such Seller, and such Seller confirms and acknowledges that neither the existence of any Non-Public Information, nor the substance of it, is material to such Seller or to such Seller's determination to enter into this Agreement and to consummate the transactions contemplated hereby.
