PART I

ITEM 1. BUSINESS

Eastman Kodak Company (the "Company" or "Kodak") helps consumers, businesses, and creative professionals unleash the power of pictures and printing to enrich their lives. When used in this report, unless otherwise indicated, "we," "our," "us," the "Company" and "Kodak" refer to Eastman Kodak Company.

Kodak was founded by George Eastman in 1880 and incorporated in 1901 in the State of New Jersey. The Company is headquartered in Rochester, New York.

CHAPTER 11 FILING

On January 19, 2012 (the "Petition Date"), Eastman Kodak Company and its U.S. subsidiaries (together with the Company, the "Debtors") filed voluntary petitions for relief (the "Bankruptcy Filing") under chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") case number 12-10202. The Company's foreign subsidiaries (collectively, the "Non-Filing Entities") were not part of the Bankruptcy Filing. The Debtors will continue to operate their businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court. The Non-Filing Entities will continue to operate in the ordinary course of business.

The Bankruptcy Filing is intended to permit the Company to reorganize and improve liquidity in the U.S. and abroad, monetize non-strategic intellectual property, fairly resolve legacy liabilities, and focus on the most valuable business lines to enable sustainable profitability. The Company's goal is to develop and implement a reorganization plan that meets the standards for confirmation under the Bankruptcy Code. Confirmation of a reorganization plan could materially alter the classifications and amounts reported in the Company's consolidated financial statements, which do not give effect to any adjustments to the carrying values of assets or amounts of liabilities that might be necessary as a consequence of confirmation of a reorganization plan or other arrangement or the effect of any operational changes that may be implemented.

Operation and Implication of the Bankruptcy Filing

Under Section 362 of the Bankruptcy Code, the filing of voluntary bankruptcy petitions by the Debtors automatically stayed most actions against the Debtors, including most actions to collect indebtedness incurred prior to the Petition Date or to exercise control over the Company's property. Accordingly, although the Bankruptcy Filing triggered defaults for certain of the Debtor's debt obligations, creditors are stayed from taking any actions as a result of such defaults. Absent an order of the Bankruptcy Court, substantially all of the Company's pre-petition liabilities are subject to settlement under a reorganization plan. As a result of the Bankruptcy Filing the realization of assets and the satisfaction of liabilities are subject to uncertainty. The Debtors, operating as debtors-in-possession under the Bankruptcy Code, may, subject to approval of the Bankruptcy Court, sell or otherwise dispose of assets and liquidate or settle liabilities for amounts other than those reflected in the consolidated financial statements. Further, a confirmed reorganization plan or other arrangement may materially change the amounts and classifications in the Company's consolidated financial statements.

Subsequent to the Petition Date, the Company received approval from the Bankruptcy Court to pay or otherwise honor certain pre-petition obligations generally designed to stabilize the Company's operations. These obligations related to certain employee wages, salaries and benefits, and the payment of vendors and other providers in the ordinary course for goods and services received after the Petition Date. The Company has retained, pursuant to Bankruptcy Court approval, legal and financial professionals to advise the Company in connection with the Bankruptcy Filing and certain other professionals to provide services and advice in the ordinary course of business. From time to time, the Company may seek Bankruptcy Court approval to retain additional professionals.

The U.S. Trustee for the Southern District of New York (the "U.S. Trustee") has appointed an official committee of unsecured creditors (the "UCC"). The UCC and its legal representatives have a right to be heard on all matters that come before the Bankruptcy Court on all matters affecting the Debtors. There can be no assurance that the UCC will support the Company's positions on matters to be presented to the Bankruptcy Court in the future or on any reorganization plan, once proposed.

Reorganization Plan

In order for the Company to emerge successfully from chapter 11, the Company must obtain the Bankruptcy Court's approval of a reorganization plan, which will enable the Company to transition from chapter 11 into ordinary course operations outside of bankruptcy. In connection with a reorganization plan, the Company also may require a new credit facility, or "exit financing." The Company's ability to obtain such approval and financing will depend on, among other things, the timing and outcome of various ongoing matters related to the

Bankruptcy Filing. A reorganization plan determines the rights and satisfaction of claims of various creditors and security holders, and is subject to the ultimate outcome of negotiations and Bankruptcy Court decisions ongoing through the date on which the reorganization plan is confirmed.

Although the Company's goal is to file a plan of reorganization, the Company may determine that it is in the best interests of the Debtors' estates to seek Bankruptcy Court approval of a sale of all or a portion of the Company's assets pursuant to Section 363 of the Bankruptcy Code or seek confirmation of a reorganization plan providing for such a sale or other arrangement.

The Company intends to propose a reorganization plan on or prior to the applicable date required under the Bankruptcy Code, as the same may be extended with approval of the Bankruptcy Court. The Company presently expects that any proposed reorganization plan will provide, among other things, mechanisms for settlement of claims against the Debtors' estates, treatment of the Company's existing equity and debt holders, and certain corporate governance and administrative matters pertaining to the reorganized Company. Any proposed reorganization plan will be subject to revision prior to submission to the Bankruptcy Court based upon discussions with the Company's creditors and other interested parties, and thereafter in response to creditor claims and objections and the requirements of the Bankruptcy Code or the Bankruptcy Court. There can be no assurance that the Company will be able to secure approval for the Company's proposed reorganization plan from the Bankruptcy Court or that the Company's proposed plan will be accepted by the lenders under the DIP Credit Agreement, as discussed below. In the event the Company does not secure approval of the reorganization plan, the outstanding principal and interest could become immediately due and payable.

Debtor-in-Possession Credit Agreement

In connection with the Bankruptcy Filing, on January 20, 2012, the Company and Kodak Canada Inc. (the "Canadian Borrower" and, together with the Company, the "Borrowers") entered into a Debtor-in-Possession Credit Agreement as amended on January 25, 2012 (the "DIP Credit Agreement"). The DIP Credit Agreement, provides for an aggregate principal amount of up to $950 million, consisting of up to $250 million super-priority senior secured asset-based revolving credit facilities and $700 million super-priority senior secured term loan facility. Up to $25 million of the revolving credit facility will be available to the Canadian Borrower and may be borrowed in Canadian Dollars. Refer to "Liquidity and Capital Resources" in Item 7, "Management's Discussion and Analysis ("MD&A") of Financial Condition and Results of Operations" for further discussion of the terms of the DIP Credit Agreement.

Chief Restructuring Officer

In connection with the Bankruptcy Filing, the Company hired James A. Mesterharm of AlixPartners as Chief Restructuring Officer to assist in the implementation and execution of the Company's reorganization plan.

REPORTABLE SEGMENTS

The Company reports financial information for three reportable segments: Consumer Digital Imaging Group ("CDG"), Graphic Communications Group ("GCG"), and Film, Photofinishing and Entertainment Group ("FPEG"). The balance of the Company's operations, which individually and in the aggregate do not meet the criteria of a reportable segment, are reported in All Other.

The Company's sales, earnings and assets by reportable segment for these three reportable segments and All Other for each of the past three years are shown in Note 25, "Segment Information," in the Notes to Financial Statements.

2012 Reportable Segments

For 2012, the Company will report financial information for two reportable segments; Commercial Group and Consumer Group.

The Commercial Group will be comprised of the following: Graphics, Entertainment & Commercial Film Business, Digital and Functional Printing, and Enterprise Services and Solutions.

The Consumer Group will be comprised of the following: Intellectual Property and the Consumer Business: Retail Systems Solutions, Consumer Inkjet Systems, Traditional Photofinishing, and Digital Capture and Devices.

CONSUMER DIGITAL IMAGING GROUP ("CDG") SEGMENT

CDG's mission is to enhance people's lives and social interactions through the capabilities of digital imaging and printing technology. CDG's strategy is to drive profitable revenue growth by leveraging a powerful brand, a deep knowledge of the consumer, and extensive digital imaging and materials science intellectual property.

Digital Capture and Devices: Digital Capture and Devices includes digital still and pocket video cameras, digital picture frames, accessories, and branded licensed products. These products are sold directly to retailers or distributors, and are also available to customers through the Internet at the KODAK Store (www.kodak.com) and other online providers. Digital Capture and Devices also includes licensing activities related to the Company's intellectual property in digital imaging products. As announced on February 9, 2012, the Company plans to phase out its dedicated capture devices business, including digital cameras, pocket video cameras, and digital picture frames in the first half of 2012.

Net sales of Digital Capture and Devices accounted for 15%, 28%, and 23% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Net revenues from licensing and royalties within *Digital Capture and Devices* in the CDG segment accounted for 1%, 12%, and 6% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Retail Systems Solutions: Retail Systems Solutions' product and service offerings to retailers include kiosks and consumables, Adaptive Picture Exchange ("APEX") drylab systems and consumables, and after sale service and support. Consumers can create a wide variety of photo gifts including photo books, personal greeting cards, prints, posters, and collages. Kodak has the largest installed base of retail photo kiosks in the world.

Consumer Inkjet Systems: Consumer Inkjet Systems encompasses Kodak All-in-One desktop inkjet printers, ink cartridges, and media. These products are sold directly to retailers or distributors, and are also available to customers through the Internet at the KODAK Store (www.kodak.com) and other online providers. Consumer Inkjet Systems is one of Kodak's four digital growth initiative businesses, and in 2011, printer unit shipments grew 35% year-on-year.

Consumer Imaging Services: Kodak Gallery is a leading online merchandise and photo sharing service. The www.kodakgallery.com website provides consumers with a secure and easy way to view, store and share their images with friends and family, and to receive Kodak prints and other creative products from their pictures, such as photo books, frames, calendars, and other personalized merchandise.

Kodak also distributes KODAK EasyShare desktop software at no charge to consumers, which provides easy organization and editing tools, and unifies the experience between digital cameras, printers, and the KodakGallery services.

Marketing and Competition: CDG faces competition from consumer electronics and printer companies, and other online service companies in the markets in which it competes, generally competing on price, features, and technological advances.

The key elements of CDG's marketing strategy emphasize ease of use, quality, total cost of ownership value proposition, and the complete solution offered by Kodak products and services. This is communicated through a combination of in-store presentation, an aggressive social media strategy, online marketing, advertising, customer relationship marketing and public relations. The Company's advertising programs actively promote the segment's products and services in its various markets, and its principal trademarks, trade dress, and corporate symbol are widely used and recognized. Kodak is frequently noted by trade and business publications as one of the most recognized and respected brands in the world.

GRAPHIC COMMUNICATIONS GROUP ("GCG") SEGMENT

GCG is committed to helping its customers grow their businesses by offering innovative, powerful solutions that enhance production efficiency, open new revenue opportunities, and improve return on marketing investment. To this end, the Company has developed a wide-ranging portfolio of digital products - workflow, equipment, media, and services - that combine to create a value-added complete solution to customers. GCG's strategy is to transform large graphics markets with revolutionary technologies and customized services that grow our customers' businesses and Kodak's business with them.

Prepress Solutions: Prepress Solutions is comprised of digital and traditional consumables, including plates, chemistry, and media, prepress output device equipment and related services, and proofing solutions. Prepress solutions also includes flexographic packaging solutions, which is one of Kodak's four digital growth initiative businesses.

Innovative products within Prepress Solutions include high productivity TRILLIAN SP plates and FLEXCEL NX packaging systems.

Net sales of Prepress Solutions accounted for 26%, 22% and 22% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Digital Printing Solutions: Digital Printing Solutions includes high-speed, high-volume commercial inkjet printing equipment, consumables, and related services, as well as color and black-and-white electrophotographic printing equipment, consumables, and related services. Commercial inkjet is one of Kodak's four digital growth initiative businesses.

Innovative product offerings include PROSPER color and black-and-white presses, components and systems. These products utilize Kodak's revolutionary Stream technology to deliver high-speed, high-quality variable data inkjet printing on a broad range of media at a low running cost.

Business Services and Solutions: The Business Services and Solutions group's product and service offerings are composed of high-speed production and workgroup document scanners, related services, and digital controllers for driving digital output devices, and workflow software and solutions. Workflow software and solutions, which includes consulting and professional business process services, can enable new opportunities for our customers to transform from a print service provider to a marketing service provider, and is one of Kodak's four digital growth initiatives.

Net sales of Business Services and Solutions accounted for 10%, 8%, and 8% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Marketing and Competition: Around the world, GCG products and services are sold through a variety of direct and indirect channels. The end users of these products include businesses in the creative, in-plant, data center, commercial printing, packaging, newspaper, and digital prepress market segments.

GCG faces competition from other companies who offer a range of commercial offset and digital printing equipment, consumables and service. The Company also faces competition from document scanning equipment manufacturers, software companies, and other service providers. Competitiveness is generally focused on technology, solutions and price.

FILM, PHOTOFINISHING AND ENTERTAINMENT GROUP ("FPEG") SEGMENT

FPEG provides consumers, professionals, and the entertainment industry with film and paper for imaging and photography. Although the market for consumer and professional films, traditional photofinishing and certain industrial and aerial films are in decline and expected to continue to decline due to digital substitution, FPEG maintains leading market positions for these products. The strategy of FPEG is to provide sustainable cash generation by extending our materials science assets in traditional and new markets.

Entertainment Imaging: Entertaining Imaging includes origination, intermediate, and color print motion picture films, special effects services, and other digital products and services for the entertainment industry.

Net sales of Entertainment Imaging accounted for 9%, 10%, and 12% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Traditional Photofinishing: Traditional Photofinishing includes color negative photographic paper, photochemicals, professional output systems, and event imaging services.

Net sales of Traditional Photofinishing accounted for 12%, 10%, and 11% of total consolidated revenue for the years ended December 31, 2011, 2010, and 2009, respectively.

Industrial Materials: Industrial Materials encompasses aerial and industrial film products, film for the production of printed circuit boards, and specialty chemicals, and represents a key component of FPEG's strategy of extending and repurposing our materials science assets.

Film Capture: Film Capture includes consumer and professional photographic film and one-time-use cameras.

Marketing and Competition: Film products and services for the consumer and professional markets and traditional photofinishing are sold throughout the world, both directly to retailers, and increasingly through distributors. Price competition continues to exist in all marketplaces. To be more cost competitive with its traditional photofinishing and film offerings, and to shift towards a variable cost model, the Company has rationalized capacity and restructured its go-to-market models in many of its traditional market segments.

Throughout the world, most Entertainment Imaging products are sold directly to studios, laboratories, independent filmmakers or production companies. Quality and availability are important factors for these products, which are sold in a price-competitive environment. The distribution of motion pictures to theaters is another important element of the Entertainment Imaging business, one in which the Company continues to be widely recognized as a market leader. Price competition is a bigger factor in this segment of the motion picture market, but the Company continues to maintain leading share position. As the industry continues to move to digital cinema formats, the Company anticipates that it will face new competitors, including some of its current customers and other electronics manufacturers.

FINANCIAL INFORMATION BY GEOGRAPHIC AREA

Financial information by geographic area for the past three years is shown in Note 25, "Segment Information," in the Notes to Financial Statements.

RAW MATERIALS

The raw materials used by the Company are many and varied, and are generally readily available. Lithographic aluminum is the primary material used in the manufacture of offset printing plates. The Company procures lithographic aluminum coils from several suppliers on a spot basis or under contracts generally in place over the next one to two years. Silver is one of the essential materials used in the manufacture of films and photographic papers. The Company purchases silver from numerous suppliers under annual agreements or on a spot basis. Paper base is an essential material in the manufacture of photographic papers. The Company has a contract to acquire paper base from a certified photographic paper supplier through the end of 2012. Electronic components are used in the manufacture of digital cameras and devices, consumer and commercial printers, and other electronic devices. Although most electronic components are generally available from multiple sources, certain key electronic components included in the finished goods manufactured by and purchased from the Company's third party suppliers are obtained from single or limited sources, which may subject the Company to supply risks.

SEASONALITY OF BUSINESS

Sales and earnings of the CDG segment are linked to the timing of holidays, vacations and other leisure or gifting seasons. Digital capture and consumer inkjet printing products have experienced peak sales during the last four months of the year as a result of the December holidays. Sales are normally lowest in the first quarter due to the absence of holidays and fewer picture-taking and gift-giving opportunities during that time.

Sales and earnings of the GCG segment generally exhibit modestly higher levels in the fourth quarter, due to seasonal customer demand linked to commercial year-end advertising processes.

Sales and earnings of the FPEG segment are linked to the timing of holidays, vacations and other leisure activities. Sales and earnings of traditional film and photofinishing products are normally strongest in the second and third quarters as demand is high due to heavy vacation activity and events such as weddings and graduations. Sales of entertainment imaging film are typically strongest in the second quarter reflecting demand due to the summer motion picture season.

RESEARCH AND DEVELOPMENT

Through the years, the Company has engaged in extensive and productive efforts in research and development.

Research and development expenditures for the Company's three reportable segments and All Other were as follows:

(in millions)	For the Year Ended December 31,		
	2011	2010	2009
Consumer Digital Imaging Group	$ 134	$ 176	$ 166
Graphic Communications Group	147	159	173
Film, Photofinishing and Entertainment Group	11	20	33
All Other	-	2	6
Impact of exclusion of certain components of pension and OPEB expenses	(18)	(39)	(27)
Total	$ 274	$ 318	$ 351

Research and development is headquartered in Rochester, New York. Other U.S. groups are located in New Haven, Connecticut; Dayton, Ohio; Oakdale, Minnesota; and Emeryville and San Diego, California. Outside the U.S., groups are located in Canada, England, Israel, Germany, Japan, China, and Singapore. These groups work in close cooperation with manufacturing units and marketing organizations to develop new products and applications to serve both existing and new markets.

It has been the Company's general practice to protect its investment in research and development and its freedom to use its inventions by obtaining patents. The ownership of these patents contributes to the Company's ability to provide leadership products and to generate revenue from licensing. The Company holds portfolios of patents in several areas, including digital cameras; network photo sharing and fulfillment; flexographic and lithographic printing plates and systems; digital printing workflow and color management proofing systems; color and black-and-white electrophotographic printing systems; commercial, and consumer inkjet printers; inkjet inks and media; thermal dye transfer and dye sublimation printing systems; digital cinema; and color negative films, processing and papers.

The Company's major products are not dependent upon one single, material patent. Rather, the technologies that underlie the Company's products are supported by an aggregation of patents having various remaining lives and expiration dates. There is no individual patent expiration or group of patents expirations which are expected to have a material impact on the Company's results of operations.

ENVIRONMENTAL PROTECTION

The Company is subject to various laws and governmental regulations concerning environmental matters. The U.S. federal environmental legislation and state regulatory programs having an impact on the Company include the Toxic Substances Control Act, the Resource Conservation and Recovery Act, the Clean Air Act, the Clean Water Act, the NY State Chemical Bulk Storage Regulations and the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (the “Superfund Law”).

It is the Company’s policy to carry out its business activities in a manner consistent with sound health, safety and environmental management practices, and to comply with applicable health, safety and environmental laws and regulations. The Company continues to engage in programs for environmental, health and safety protection and control.

Based upon information presently available, future costs associated with environmental compliance are not expected to have a material effect on the Company's capital expenditures, results of operations or competitive position, with the possible exception of matters related to the Passaic River, which are described in Note 11, "Commitments and Contingencies," in the Notes to Financial Statements, although costs could be material to a particular quarter or year.

EMPLOYMENT

At the end of 2011, the Company employed the full time equivalent of approximately 17,100 people, of whom approximately 8,350 were employed in the U.S. The actual number of employees may be greater because some individuals work part time.

AVAILABLE INFORMATION

The Company files many reports with the Securities and Exchange Commission ("SEC") (www.sec.gov), including annual reports on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K. These reports, and amendments to these reports, are made available free of charge as soon as reasonably practicable after being electronically filed with or furnished to the SEC. They are available through the Company's website at www.Kodak.com. To reach the SEC filings, follow the links to Investor Center, and then SEC Filings. The Company also makes available its annual report to shareholders and proxy statement free of charge through its website. Additionally, the Company provides information related to the chapter 11 filing and reorganization plan through the Company's www.kodaktransforms.com website.

We have included the CEO and CFO certifications required by Section 302 of the Sarbanes-Oxley Act of 2002 as exhibits to this report. We have also included these certifications with the Form 10-K for the year ended December 31, 2010 filed on February 25, 2011.

ITEM 1A. RISK FACTORS

The Company's filing of voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code and the Company's ability to successfully emerge as a stronger, leaner company may be affected by a number of risks and uncertainties.
The Company is subject to a number of risks and uncertainties associated with the filing of voluntary petitions for relief under chapter 11 of the U.S. Bankruptcy Code, which may lead to potential adverse effects on the Company's liquidity, results of operations, brand or business prospects. We cannot assure you of the outcome of the Company's chapter 11 proceeding. Risks associated with the chapter 11 filing may impact all entities, including the Non-Filing Entities, and include the following:

- the ability of the Company to continue as a going concern;
- the Company's ability to obtain Bankruptcy Court approval with respect to motions in the chapter 11 cases and the outcomes of Bankruptcy Court rulings of the case in general;
- the length of time the Company will operate under the chapter 11 cases and its ability to successfully emerge;
- the ability of the Company and its subsidiaries to develop and consummate one or more plans of reorganization with respect to the chapter 11 cases;
- the Company's ability to obtain Bankruptcy Court and creditor approval of its reorganization plan and the impact of alternative proposals, views and objections of creditor committees and representatives, which may make it difficult to develop and consummate a reorganization plan in a timely manner;
- risks associated with third party motions in the chapter 11 cases, which may interfere with the Company's plans of reorganization;
- the ability to maintain sufficient liquidity throughout the chapter 11 proceedings;
- increased costs related to the bankruptcy filing and other litigation;
- the Company's ability to manage contracts that are critical to its operation, to obtain and maintain appropriate terms with customers, suppliers and service providers;
- whether the Company's non-U.S. subsidiaries continue to operate their businesses in the normal course;
- the Company's ability to fairly resolve legacy liabilities in alignment with the Company's plan of reorganization;
- the outcome of all pre-petition claims against the Company; and the Company's ability to maintain existing customers, vendor relationships and expand sales to new customers.

Continued investment, capital needs, restructuring payments and servicing the Company's debt require a significant amount of cash and the Company's ability to generate cash may be affected by factors beyond the Company's control.
The Company's business may not generate cash flow in an amount sufficient to enable us to pay the principal of, or interest on, the Company's indebtedness, or to fund the Company's other liquidity needs, including working capital, capital expenditures, product development efforts, strategic acquisitions, investments and alliances, and other general corporate requirements.

The Company's ability to generate cash is subject to general economic, financial, competitive, litigation, regulatory and other factors that are beyond the Company's control. We cannot assure you that:

- the Company's businesses will generate sufficient cash flow from operations;
- the Company's plans to generate cash proceeds through the sale of non-core assets will be successful;
- the Company's ability to generate cash proceeds through the execution of the Company's intellectual property licensing strategies, or the potential sale of the Company's digital imaging patent portfolios will generate sufficient cash proceeds;
- we will be able to repatriate or move cash to locations where and when it is needed;

- we will realize cost savings, earnings growth and operating improvements resulting from the execution of the Company's chapter 11 business and restructuring plan; or
- future sources of funding will be available to us in amounts sufficient to enable us to fund the Company's liquidity needs.

If we cannot fund the Company's liquidity needs, we will have to take actions such as reducing or delaying capital expenditures, product development efforts, strategic acquisitions, and investments and alliances; selling additional assets; restructuring or refinancing the Company's debt; or seeking additional equity capital. These actions may be restricted as a result of the Company's chapter 11 filing and the DIP Credit Agreement. Such actions could increase the Company's debt, negatively impact customer confidence in the Company's ability to provide products and services, reduce the Company's ability to raise additional capital, and delay sustained profitability. We cannot assure you that any of these remedies could, if necessary, be affected on commercially reasonable terms, or at all, or that they would permit us to meet the Company's scheduled debt service obligations. The Company's DIP financing agreement requires that we use certain proceeds from asset sales to make payments to secured lenders. In addition, if we incur additional debt, the risks associated with the Company's substantial leverage, including the risk that we will be unable to service the Company's debt or generate enough cash flow to fund the Company's liquidity needs, could intensify.

The Company's plans to raise cash proceeds from the sale of non-core assets and the potential sale of the Company's digital imaging patent portfolio may not be successful in raising sufficient cash, may be negatively impacted by factors beyond the Company's control and may harm the perception of us among customers, suppliers and service providers.
A number of factors could influence the Company's ability to successfully raise cash through asset sales and the sale of the Company's digital imaging patent portfolio, including the approval of the Court and the Unsecured Creditors Committee under chapter 11, the process utilized to sell these assets, the number of potential buyers for these assets, the purchase price such buyers are willing to offer for these assets and their capacity to fund the purchase, the potential impact of an adverse judicial ruling in one of the Company's litigation matters related to one or more of the patents in the digital imaging portfolio, or the ability of potential buyers to conclude transactions and potential issues in the closing of transactions due to regulatory or governmental review processes. One or more of these factors could negatively affect the timing of planned asset sales and the level of cash proceeds derived from the sales which could adversely impact the Company's cash generation and liquidity. Further, there is no assurance that these plans will be successful in raising sufficient cash proceeds or that the sale of certain of the Company's assets, including the digital imaging patent portfolio, will not harm the Company's customers', suppliers' and service providers' perception of us.

If we are unsuccessful with the Company's strategic investment decisions, the Company's financial performance could be adversely affected.
The Company has focused its investments on businesses in large growth markets that are positioned for technology and business model transformation, specifically, consumer inkjet, commercial inkjet (including the Company's Prosper line of products based upon the Company's Stream technology), packaging solutions, and workflow software and services. While we believe each of these businesses has significant growth potential, consumer inkjet, commercial inkjet, and workflow software and services also require additional investment. The introduction of successful innovative products and the achievement of scale are necessary for us to grow these businesses, improve margins and achieve the Company's financial objectives. If we are unsuccessful in growing the Company's investment businesses as planned, the Company's financial performance could be adversely affected.

The Company's failure to implement plans to reduce the Company's cost structure in anticipation of declining demand for certain products or delays in implementing such plans could negatively affect the Company's consolidated results of operations, financial position and liquidity.
We recognize the need to continually rationalize the Company's workforce and streamline the Company's operations to remain competitive in the face of an ever-changing business and economic climate. If we fail to implement cost rationalization plans such as restructuring of manufacturing, supply chain, marketing sales and administrative resources ahead of declining demand for certain of the Company's products and services, the Company's operations results, financial position and liquidity could be negatively impacted. Additionally, if restructuring plans are not effectively managed, we may experience lost customer sales, product delays and other unanticipated effects, causing harm to the Company's business and customer relationships. The business plan associated with the Company's chapter 11 reorganization is subject to a number of assumptions, projections, and analysis. If these assumptions prove to be incorrect, we may be unsuccessful in executing the Company's plan, which could adversely impact our financial results and liquidity. Additionally, the Company's ability to execute restructuring within the entities filing for chapter 11 is subject to the approval by the Unsecured Creditors Committee and Bankruptcy Court. Finally, the timing and implementation of these plans require compliance with numerous laws and regulations, including local labor laws, and the failure to comply with such requirements may result in damages, fines and penalties which could adversely affect the Company's business.

There can be no assurance that the Company will be able to meet the requirements under our Debtor-in-Possession Credit Agreement.
In addition to standard financing covenants and events of default, the Debtor-in-Possession Credit Agreement (the "DIP Credit Agreement") also provides for (i) a periodic delivery by the Company of various financial statements set forth in the DIP Credit Agreement and (ii) specific milestones that the Company must achieve by specific target dates. In addition, the Company and its subsidiaries are required not to

permit consolidated adjusted EBITDA to be less than a specified level for certain periods, and to maintain minimum U.S. Liquidity (as defined in the DIP Credit Agreement).

A breach of any of the covenants contained in the DIP Credit Agreement, or our inability to comply with the required financial covenants in the DIP Credit Agreement, when applicable, could result in an event of default under the DIP Credit agreement, subject, in certain cases, to applicable grace and cure periods. If any event of default occurs and we are not able either to cure it or obtain a waiver from the requisite lenders under the DIP Credit Agreement, the administrative agent of the DIP Credit Agreement may, and at the request of the requisite lenders shall, declare all of our outstanding obligations under the DIP Credit Agreement, together with accrued interest and fees, to be immediately due and payable, and the agent under the DIP Credit Agreement may, and at the request of the requisite lenders shall, terminate the lenders' commitments under the DIP Credit Agreement and cease making further loans, and if applicable, the agent could institute foreclosure proceedings against our pledged assets. This could adversely affect our operations and our ability to satisfy our obligations as they come due.

The Company's future pension and other postretirement benefit plan costs and required level of contributions could be unfavorably impacted by changes in actuarial assumptions, future market performance of plan assets and obligations imposed by legislation or pension authorities which could adversely affect the Company's financial position, results of operations, and cash flow.

We have significant defined benefit pension and other postretirement benefit obligations. The funded status of the Company's U.S. and non U.S. defined benefit pension plans and other postretirement benefit plans, and the related cost reflected in the Company's financial statements, are affected by various factors that are subject to an inherent degree of uncertainty, particularly in the current economic environment. Key assumptions used to value these benefit obligations, funded status and expense recognition include the discount rate for future payment obligations, the long term expected rate of return on plan assets, salary growth, healthcare cost trend rates, and other economic and demographic factors. Significant differences in actual experience, or significant changes in future assumptions or obligations imposed by legislation, pension authorities, or the Bankruptcy Court could lead to a potential future need to contribute cash or assets to the Company's plans in excess of currently estimated contributions and benefit payments and could have an adverse effect on the Company's consolidated results of operations, financial position or liquidity.

If we cannot continue to license or enforce the intellectual property rights on which the Company's business depends, or if third parties assert that we violate their intellectual property rights, the Company's revenue, earnings, expenses and liquidity may be adversely impacted.

We rely upon patent, copyright, trademark and trade secret laws in the United States and similar laws in other countries, and non-disclosure, confidentiality and other types of agreements with the Company's employees, customers, suppliers and other parties, to establish, maintain and enforce the Company's intellectual property rights. Despite these measures, any of the Company's direct or indirect intellectual property rights could, however, be challenged, invalidated, circumvented, infringed or misappropriated, or such intellectual property rights may not be sufficient to permit us to take advantage of current market trends or otherwise to provide competitive advantages, which could result in costly product redesign efforts, discontinuance of certain product offerings or other competitive harm. Further, the laws of certain countries do not protect proprietary rights to the same extent as the laws of the United States. Therefore, in certain jurisdictions, we may be unable to protect the Company's proprietary technology adequately against unauthorized third party copying, infringement or use, which could adversely affect the Company's competitive position. Also, because of the rapid pace of technological change in the information technology industry, much of the Company's business and many of the Company's products rely on key technologies developed or licensed by third parties, and we may not be able to obtain or continue to obtain licenses and technologies from these third parties at all or on reasonable terms.

The execution and enforcement of licensing agreements protects the Company's intellectual property rights and provides a revenue stream in the form of up-front payments and royalties that enables us to further innovate and provide the marketplace with new products and services. The Company's ability to execute the Company's intellectual property licensing strategies, including litigation strategies, such as the Company's legal actions against Apple Inc. and Research in Motion Limited, could affect the Company's revenue, earnings and liquidity. Additionally, the uncertainty around the timing, outcome and magnitude of the Company's intellectual property-related litigation (including the Company's legal action against Apple Inc. and Research in Motion Limited before the International Trade Commission), judgments and settlements could have an adverse effect on the Company's revenues, earnings, and liquidity. A potential sale of the Company's digital imaging patent portfolios could also result in a reduction or the cessation of license revenue related to these patents. The Company's failure to develop and properly manage new intellectual property could adversely affect the Company's market positions and business opportunities.

We have made substantial investments in new, proprietary technologies and have filed patent applications and obtained patents to protect the Company's intellectual property rights in these technologies as well as the interests of the Company's licensees. There can be no assurance that the Company's patent applications will be approved, that any patents issued will adequately protect the Company's intellectual property or that such patents will not be challenged by third parties.

In addition, third parties may claim that the Company's customers, licensees or other parties indemnified by us are infringing upon their intellectual property rights. Such claims may be made by competitors seeking to block or limit the Company's access to digital markets. Additionally, in recent years, individuals and groups have begun purchasing intellectual property assets for the sole purpose of making claims of infringement and attempting to extract settlements from large companies like ours. Even if we believe that the claims are without merit, the claims can be time consuming and costly to defend and distract management's attention and resources. Claims of intellectual property infringement also might require us to redesign affected products, enter into costly settlement or license agreements or pay costly damage awards, or face a temporary or permanent injunction prohibiting us from marketing or selling certain of the Company's products. Even if we have an agreement to indemnify us against such costs, the indemnifying party may be unable to uphold its contractual obligations. If we cannot or do not license the infringed technology at all, license the technology on reasonable terms or substitute similar technology from another source the Company's revenue and earnings could be adversely impacted. Finally, we use open source software in connection with the Company's products and services. Companies that incorporate open source software into their products have, from time to time, faced claims challenging the ownership of open source software and/or compliance with open source license terms. As a result, we could be subject to suits by parties claiming ownership of what we believe to be open source software or noncompliance with open source licensing terms. Some open source software licenses require users who distribute open source software as part of their software to publicly disclose all or part of the source code to such software and/or make available any derivative works of the open source code on unfavorable terms or at no cost. Any requirement to disclose the Company's source code or pay damages for breach of contract could be harmful to the Company's business results of operations and financial condition.

The competitive pressures we face could harm the Company's revenue, gross margins and market share.
The markets in which we do business are highly competitive with large, entrenched, and well financed industry participants. In certain markets where Kodak is a relatively new entrant, we have not achieved the scale of distribution of the Company's competitors. In addition, we encounter aggressive price competition for all the Company's products and services from numerous companies globally. Over the past several years, price competition in the market for digital products, film products and services has been particularly intense as competitors have aggressively cut prices and lowered their profit margins for these products. The Company's results of operations and financial condition may be adversely affected by these and other Industry-wide pricing pressures. If the Company's products, services and pricing are not sufficiently competitive with current and future competitors, we could also lose market share, adversely affecting the Company's revenue and gross margins.

If the Company's commercialization and manufacturing processes fail to prevent product reliability and quality issues, the Company's product launch plans may be delayed, the Company's financial results may be adversely impacted, and the Company's reputation may be harmed.
In developing, commercializing and manufacturing the Company's products and services, we must adequately address reliability and other quality issues, including defects in the Company's engineering, design and manufacturing processes, as well as defects in third-party components included in the Company's products. Because the Company's products are becoming increasingly sophisticated and complicated to develop and commercialize with rapid advances in technologies, the occurrence of defects may increase, particularly with the introduction of new product lines. Unanticipated issues with product performance may delay product launch plans which could result in additional expenses, lost revenue and earnings. Although we have established internal procedures to minimize risks that may arise from product quality issues, there can be no assurance that we will be able to eliminate or mitigate occurrences of these issues and associated liabilities. Product reliability and quality issues can impair the Company's relationships with new or existing customers and adversely affect the Company's brand image, and the Company's reputation as a producer of high quality products could suffer, which could adversely affect the Company's business as well as the Company's financial results. Product quality issues can also result in recalls, warranty, or other service obligations and litigation.

If we cannot effectively anticipate technology trends and develop and market new products to respond to changing customer preferences, the Company's revenue, earnings and cash flow, could be adversely affected.
We must develop and introduce new products and services in a timely manner to keep pace with technological developments and achieve customer acceptance. If we are unable to anticipate new technology trends, for example in consumer electronics, print advertising, and commercial and consumer printing, and develop improvements to the Company's current technology to address changing customer preferences, this could adversely affect the Company's revenue, earnings and cash flow. Due to changes in technology and customer preferences, the market for traditional film and paper products and services is in decline. The Company's success depends in part on the Company's ability to manage the decline of the market for these traditional products by continuing to reduce the Company's cost structure to maintain profitability.

Even if a chapter 11 plan of reorganization is consummated, continued weakness or worsening of economic conditions could continue to adversely affect the Company's financial performance and the Company's liquidity.
The global economic recession and declines in consumption in the Company's end markets have adversely affected sales of both commercial and consumer products and profitability for such products and was a factor leading to the Company filing for voluntary petitions for relief under chapter 11 of the U.S. Bankruptcy Code. Further, global financial markets have been experiencing volatility. Consumer discretionary spending may not return to pre-recession levels in certain geographies. Continued slower sales of consumer digital products due to the uncertain economic environment could lead to reduced sales and earnings while inventory increases. Economic conditions could also accelerate the continuing decline in demand for traditional products, which could also place pressure on the Company's results of operations and liquidity. While the Company is seeking to increase sales in markets that have already experienced an economic recovery such as Asia, there is no guarantee that anticipated economic growth levels in those markets will continue in the future, or that the Company will succeed in expanding sales in these markets. In addition, accounts receivable and past due accounts could increase due to a decline in the Company's customers' ability to pay as a result of the economic downturn, and the Company's liquidity, including the Company's ability to use credit lines, could be negatively impacted by failures of financial instrument counterparties, including banks and other financial institutions. If the global economic weakness and tightness in the credit markets continue for a greater period of time than anticipated or worsen, the Company's profitability and related cash generation capability could be adversely affected and, therefore, affect the Company's ability to meet the Company's anticipated cash needs, impair the Company's liquidity or increase the Company's costs of borrowing.

If we cannot attract, retain and motivate key employees, the Company's revenue and earnings could be harmed.
In order for us to be successful, we must continue to attract, retain and motivate executives and other key employees, including technical, managerial, marketing, sales, research and support positions. Hiring and retaining qualified executives, research and engineering professionals, and qualified sales representatives, particularly in the Company's targeted growth markets, is critical to the Company's future. If we cannot attract qualified individuals, retain key executives and employees or motivate the Company's employees, the Company's business could be harmed. The Company's filing for chapter 11 may create additional distractions and uncertainty for employees, and impact the Company's ability to retain key employees and effectively recruit new employees. The Company's ability to take measures to motivate and retain key employees may be restricted while operating under chapter 11. We may experience increased levels of employee attrition.

Due to the nature of the products we sell and the Company's worldwide distribution, we are subject to changes in currency exchange rates, interest rates and commodity costs that may adversely impact the Company's results of operations and financial position.
As a result of the Company's global operating and financing activities, we are exposed to changes in currency exchange rates and interest rates, which may adversely affect the Company's results of operations and financial position. Exchange rates and interest rates in markets in which we do business tend to be volatile and at times, the Company's sales can be negatively impacted across all of the Company's segments depending upon the value of the U.S. dollar, the Euro and other major currencies. In addition, the Company's products contain silver, aluminum, petroleum based or other commodity-based raw materials, the prices of which have been and may continue to be volatile. If the global economic situation remains uncertain or worsens, there could be further volatility in changes in currency exchange rates, interest rates and commodity prices, which could have negative effects on the Company's revenue and earnings.

If we are unable to provide competitive financing arrangements to the Company's customers or if we extend credit to customers whose creditworthiness deteriorates, this could adversely impact the Company's revenues, profitability and financial position.
The competitive environment in which we operate may require us to provide financing to the Company's customers in order to win a contract. Customer financing arrangements may include all or a portion of the purchase price for the Company's products and services. We may also assist customers in obtaining financing from banks and other sources and may provide financial guarantees on behalf of the Company's customers. The Company's success may be dependent, in part, upon the Company's ability to provide customer financing on competitive terms and on the Company's customers' creditworthiness. The tightening of credit in the global financial markets has adversely affected the ability of the Company's customers to obtain financing for significant purchases, which resulted in a decrease in, or cancellation of, orders for the Company's products and services, and we can provide no assurance that this trend will not continue. If we are unable

to provide competitive financing arrangements to the Company's customers or if we extend credit to customers whose creditworthiness deteriorates, this could adversely impact the Company's revenues, profitability and financial position.

We have outsourced a significant portion of the Company's overall worldwide manufacturing, logistics and back office operations and face the risks associated with reliance on third party suppliers.

We have outsourced a significant portion of the Company's overall worldwide manufacturing, logistics, customer support and administrative operations to third parties. To the extent that we rely on third party service providers, we face the risk that those third parties may not be able to:

- develop manufacturing methods appropriate for the Company's products;
- maintain an adequate control environment;
- quickly respond to changes in customer demand for the Company's products;
- obtain supplies and materials necessary for the manufacturing process; or
- mitigate the impact of labor shortages and/or disruptions.

Further, even if the Company honors its payment and other obligations to the Company's key suppliers of products, components and services, such suppliers may choose to unilaterally withhold products, components or services, or demand changes in payment terms. As a result of such risks, we may be unable to meet the Company's customer commitments, the Company's costs could be higher than planned, and the Company's cash flows and the reliability of the Company's products could be negatively impacted. The Company will vigorously enforce its contractual rights under such circumstances, but there is no guarantee we will be successful in preventing or mitigating the effects of unilateral actions by the Company's suppliers. Other supplier problems that we could face include electronic component shortages, excess supply, risks related to favorable terms, the duration of the Company's contracts with suppliers for components and materials and risks related to dependency on single source suppliers on favorable terms or at all. If any of these risks were to be realized, and assuming alternative third party relationships could not be established, we could experience interruptions in supply or increases in costs that might result in the Company's inability to meet customer demand for the Company's products, damage to the Company's relationships with the Company's customers, and reduced market share, all of which could adversely affect the Company's results of operations and financial condition.

The Company's sales are typically concentrated in the last four months of the fiscal year, therefore, lower than expected demand or increases in costs during that period may have a pronounced negative effect on the Company's results of operations.

The demand for the Company's consumer products is largely discretionary in nature, and sales and earnings of the Company's consumer businesses are linked to the timing of holidays, vacations, and other leisure or gifting seasons. Accordingly, we have typically experienced greater net sales in the fourth fiscal quarter as compared with the other three quarters. Developments, such as lower-than-anticipated demand for the Company's products, an internal systems failure, increases in materials costs, or failure of or performance problems with one of the Company's key logistics, components supply, or manufacturing partners, could have a material adverse impact on the Company's financial condition and operating results, particularly if such developments occur late in the third quarter or during the fourth fiscal quarter. Further, with respect to the Graphic Communications Group segment, equipment and consumable sales in the commercial marketplace peak in the fourth quarter based on increased commercial print demand. Tight credit markets that limit capital investments or a weak economy that decreases print demand could negatively impact equipment or consumable sales. In addition, the Company's inability to achieve intellectual property licensing revenues in the timeframe and amount we anticipate could adversely affect the Company's revenues, earnings and cash flow. These external developments are often unpredictable and may have an adverse impact on the Company's business and results of operations.

If we fail to manage distribution of the Company's products and services properly, the Company's revenue, gross margins and earnings could be adversely impacted.

We use a variety of different distribution methods to sell and deliver the Company's products and services, including third party resellers and distributors and direct and indirect sales to both enterprise accounts and customers. Successfully managing the interaction of direct and indirect channels to various potential customer segments for the Company's products and services is a complex process. Moreover, since each distribution method has distinct risks and costs, the Company's failure to implement the most advantageous balance in the delivery model for the Company's products and services could adversely affect the Company's revenue, gross margins and earnings. Due to changes in the Company's go to market models, we are more reliant on fewer distributors than in past periods. This has concentrated the Company's credit and operational risk and could result in an adverse impact on the Company's financial performance.

We may be required to recognize additional impairments in the value of the Company's goodwill and/or other long-lived assets, which would increase expenses and reduce profitability.
Goodwill represents the excess of the amount we paid to acquire businesses over the fair value of their net assets at the date of the acquisition. We test goodwill for impairment annually or whenever events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit below its carrying amount. Additionally, the Company's other long-lived assets are evaluated for impairments whenever events or changes in circumstances indicate the carrying value may not be recoverable. Either of these situations may occur for various reasons including changes in actual or expected income or cash. We continue to evaluate current conditions to assess whether any impairment exists. Impairments could occur in the future if market or interest rate environments deteriorate, expected future cash flows of the Company's reporting units decline, silver prices increase significantly, or if reporting unit carrying values change materially compared with changes in respective fair values. In the event of a sale of the Company's digital imaging patent portfolios, licensing revenue related to those portfolios could decline significantly and materially impact the fair value of the CDG segment.

The Company's future results could be harmed if we are unsuccessful in the Company's efforts to expand sales in emerging markets.
Because we are seeking to expand the Company's sales and number of customer relationships outside the United States, and specifically in emerging markets in Asia, Latin America and Eastern Europe, the Company's business is subject to risks associated with doing business internationally, such as:

- supporting multiple languages;
- recruiting sales and technical support personnel with the skills to design, manufacture, sell and supply products;
- complying with governmental regulation of imports and exports, including obtaining required import or export approval for the Company's products;
- complexity of managing international operations;
- exposure to foreign currency exchange rate fluctuations;
- commercial laws and business practices that may favor local competition;
- multiple, potentially conflicting, and changing governmental laws, regulations and practices, including differing export, import, tax, anti-corruption, labor, and employment laws;
- difficulties in collecting accounts receivable;
- limitations or restrictions on the repatriation of cash;
- reduced or limited protection of intellectual property rights;
- managing research and development teams in geographically disparate locations, including Canada, Israel, Japan, China, and Singapore;
- complicated logistics and distribution arrangements; and
- political or economic instability.

There can be no assurance that we will be able to market and sell the Company's products in all of the Company's targeted markets. If the Company's efforts are not successful, the Company's business growth and results of operations could be harmed.

We are subject to environmental laws and regulations and failure to comply with such laws and regulations or liabilities imposed as a result of such laws and regulations could have an adverse effect on the Company's business, results of operations and financial condition.
We are subject to environmental laws and regulations in the jurisdictions in which we conduct the Company's business, including laws regarding the discharge of pollutants, including greenhouse gases, into the air and water, the need for environmental permits for certain operations, the management and disposal of hazardous substances and wastes, the cleanup of contaminated sites, the content of the Company's products and the recycling and treatment and disposal of the Company's products. If we do not comply with applicable laws and regulations in connection with the use and management of hazardous substances, then we could be subject to liability and/or could be prohibited from operating certain facilities, which could have a material adverse effect on the Company's business, results of operations and financial condition.

The Company's inability to effectively complete, integrate and manage acquisitions, divestitures and other significant transactions could adversely impact the Company's business performance including the Company's financial results.
As part of the Company's business strategy, we frequently engage in discussions with third parties regarding possible investments, acquisitions, strategic alliances, joint ventures, divestitures, asset sales, and outsourcing transactions and enter into agreements relating to such transactions in order to further the Company's business objectives. In order to pursue this strategy successfully, we must identify suitable candidates and successfully complete transactions, some of which may be large and complex, and manage post closing issues such as the integration of acquired companies or employees and the assessment of such acquired companies' internal controls. Integration and other risks of transactions can be more pronounced for larger and more complicated transactions, or if multiple transactions are pursued simultaneously. If we fail to identify and complete successfully transactions that further the Company's strategic objectives, we may

be required to expend resources to develop products and technology internally, we may be at a competitive disadvantage or we may be adversely affected by negative market perceptions, any of which may have an adverse effect on the Company's revenue, gross margins and profitability. In addition, unpredictability surrounding the timing of such transactions could adversely affect the Company's financial results.

ITEM 3. LEGAL PROCEEDINGS

On January 19, 2012, Eastman Kodak Company (the "Company") and its U.S. subsidiaries (the "Filing Subsidiaries," and together with the Company, the "Debtors") filed voluntary petitions for relief (the "Bankruptcy Filing") under chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") case number 12-10202. The Company's foreign subsidiaries (collectively, the "Non-Filing Entities") were not part of the Bankruptcy Filing. The Debtors will continue to operate their businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court. The Non-Filing Entities will continue to operate in the ordinary course of business. On January 20, 2012, the Company and Kodak Canada Inc. (the "Canadian Borrower" and, together with the Company, the "Borrowers") entered into a Debtor-in-Possession Credit Agreement (the "DIP Credit Agreement"). As a result of the Bankruptcy, much of the pending litigation against the Debtors is stayed. Subject to certain exceptions and approval by the Bankruptcy Court, no party can take further actions to recover pre-petition claims against the Company. Refer to Note 1, "Chapter 11 Filing," in the Notes to the Consolidated Financial Statements for additional information.

Subsequent to the Company's chapter 11 filing, a number of suits were filed in federal court in the Western District of New York, as putative class action suits, against the current and certain former members of the Board of Directors, the Company's Savings and Investment Plan (SIP) Committee and certain former and current executives of the Company. None of these actions are reasonably possible to result in a material loss to the Company. The suits are filed under the Employee Retirement Income Security Act (ERISA). The allegations concern the decline in the Company's stock price and its alleged resulting impact on SIP and on the Company's Employee Stock Ownership Plan. Also following the chapter 11 filing, a suit was filed in federal court in the Southern District of New York against the Chief Executive Officer, the President and Chief Operating Officer and the Chief Financial Officer, as a putative class action suit under the federal securities laws, claiming that certain of the Company statements in early 2011 were too optimistic. Suits of this nature are not uncommon for companies in chapter 11. On behalf of all defendants in these cases, the Company believes that the suits are without merit and will vigorously defend them. Although the nature of litigation is inherently unpredictable, the Company reasonably expects none of these cases, individually or in the aggregate, to have a material impact upon the Company.

The Company has been named by the U.S. Environmental Protection Agency (“EPA”) as a Potentially Responsible Party (“PRP”) with potential liability for the study and remediation of the Lower Passaic River Study Area (“LPRSA”) portion of the Diamond Alkali Superfund Site, based on releases from the former Hilton Davis site in Newark and Lehn & Fink operations in Bloomfield, New Jersey. Based on currently available information, the Company is unable to reasonably estimate a range of loss pertaining to this matter at this time.

The Company has been named as third-party defendant (along with approximately 300 other entities) in an action initially brought by the New Jersey Department of Environmental Protection (“NJDEP”) in the Supreme Court of New Jersey, Essex County against Occidental Chemical Corporation and several other companies that are successors in interest to Diamond Shamrock Corporation. The NJDEP seeks recovery of all costs associated with the investigation, removal, cleanup and damage to natural resources occasioned by Diamond Shamrock's disposal of various forms of chemicals in the Passaic River. The damages are alleged to potentially range "from hundreds of millions to several billions of dollars." Pursuant to New Jersey's Court Rules, the defendants were required to identify all other parties which could be subject to permissive joinder in the litigation based on common questions of law or fact. Third-party complaints seeking contribution from more than 300 entities, which have been identified as potentially contributing to the contamination in the Passaic, were filed on February 5, 2009. Refer to Note 11, “Commitments and Contingencies,” in the Notes to Financial Statements for additional information.

On November 20, 2008, Research in Motion Ltd. and Research in Motion Corp. (collectively “RIM”) filed a declaratory judgment action against the Company in Federal District Court in the Northern District of Texas. The suit, Research in Motion Limited and Research in Motion Corporation v. Eastman Kodak Company, seeks to invalidate certain Company patents related to digital camera technology and software object linking, and seeks a determination that RIM handheld devices do not infringe such patents. On February 17, 2009, the Company filed its answer and counterclaims for infringement of each of these same patents. A pretrial hearing known as a Markman hearing was held on March 23, 2010. The Court has not yet issued its Markman decision. The Court has rescheduled to March 2012 a trial on merits which was originally scheduled for December 2010. On January 19, 2012 the Judge issued an order to stay the case. On February 10, 2012, RIM filed a motion to lift the stay. Kodak and the Unsecured Creditors Committee did not oppose this motion.

On January 14, 2010 the Company filed a complaint with the International Trade Commission (“ITC”) against Apple Inc. and RIM for infringement of a patent related to digital camera technology. In the Matter of Certain Mobile Telephones and Wireless Communication Devices Featuring Digital Cameras and Components Thereof, the Company is seeking a limited exclusion order preventing importation of infringing devices including iPhones and camera-enabled Blackberry devices. On February 16, 2010, the ITC ordered that an investigation be instituted to determine whether importation or sale of the accused Apple and RIM devices constitutes violation of the Tariff Act of 1930. A Markman hearing was held in May 2010. A hearing on the merits occurred in September 2010. In December 2010, as a result of re-examination proceedings initiated by RIM and other parties, the U.S. Patent and Trademark Office affirmed the validity of the same patent claim at issue in the ITC investigation. On January 24, 2011, the Company received notice that the ITC Administrative Law Judge (“ALJ”) had issued an initial determination recommending that the Commission find the patent claim at issue invalid and not infringed. The Company petitioned the Commission to review the initial determination of the ALJ. On March 25, 2011, the ITC issued a notice of its decision to review the ALJ’s initial determination in its entirety. On June 30, 2011, the Commission issued a decision affirming in part, reversing in part and remanding the case to the ALJ for further proceedings. On October 24, 2011 the investigation was permanently reassigned to a newly appointed ALJ, following the retirement of the ALJ to whom the case was previously assigned. On December 15, 2011, the ALJ issued an order setting new dates for the initial determination and target date as May 21, 2012 and September 21, 2012, respectively. On December 27, 2011, the ALJ issued an order setting forth the remand schedule and the scope of discovery on remand.

On January 14, 2010 the Company filed two suits against Apple Inc. in the Federal District Court in the Western District of New York (Eastman Kodak Company v. Apple Inc.) claiming infringement of patents related to digital cameras and certain computer processes. The Company is seeking unspecified damages and other relief. The case related to digital cameras has been stayed pending the ITC action referenced above. On April 15, 2010, Apple Inc. filed a counterclaim against Kodak in the case related to certain computer processes, claiming infringement of patents related to digital cameras and all-in-one printers.

On April 15, 2010, Apple Inc. filed a complaint in the ITC against Kodak asserting infringement of patents related to digital cameras. In the Matter of Certain Digital Imaging Devices and Related Software, Apple is seeking a limited exclusion order preventing importation of infringing devices. A hearing on the merits before an ALJ was concluded on February 2, 2011. The ALJ issued an initial determination on May 18, 2011, finding that Kodak did not infringe Apple’s patents and finding one Apple patent invalid. Apple petitioned to the ITC for a review of the ALJ’s initial determination. On July 18, 2011, the ITC determined not to review the ALJ’s determination. On September 16, 2011, Apple appealed this decision to the Court of Appeals for the Federal Circuit.

On April 15, 2010 Apple also filed in Federal District Court in the Northern District of California (Apple Inc. v. Eastman Kodak Company) a complaint asserting infringement of the same patents asserted in the ITC. This case has been stayed pending the ITC action appealed to the Federal Circuit referenced above.

On August 26, 2010, Apple filed a claim in California State Court (Santa Clara) claiming ownership of the Kodak patent asserted by Kodak against Apple in the ITC action referenced above. This action was removed to Federal District Court in the Northern District of California and subsequently dismissed. Apple has amended its answer in the stayed Western District of New York case pertaining to digital cameras referenced above, to incorporate its ownership claim.

On January 10, 2012 the Company filed a complaint with the ITC against Apple Inc. and HTC Corp., HTC America, Inc. and Exedea, Inc. (collectively "HTC") for infringement of patents related to digital imaging technology. In the Matter of Certain Electronic Devices For Capturing and Transmitting Images, and Components Thereof, the Company is seeking a limited exclusion order preventing importation of infringing devices, including certain of Apple's iPhones, iPads and iPods and certain of HTC's smartphones and tablets. The ITC has not yet instituted the investigation.

On January 10, 2012 the Company filed a lawsuit against Apple Inc. in the Federal District Court in the Western District of New York (Eastman Kodak Company v. Apple Inc.) claiming infringement of patents related to digital imaging technology. The Company is seeking unspecified damages and other relief.

On January 10, 2012 the Company filed a lawsuit against HTC in the Federal District Court in the Western District of New York (Eastman Kodak Company v. HTC Corp., HTC America, Inc. and Exedea, Inc.) claiming infringement of patents related to digital imaging technology. The Company is seeking unspecified damages and other relief.

The Company and its subsidiaries are involved in various lawsuits, claims, investigations and proceedings, including commercial, customs, employment, environmental, and health and safety matters, which are being handled and defended in the ordinary course of business. In addition, the Company is subject to various assertions, claims, proceedings and requests for indemnification concerning intellectual property, including patent infringement suits involving technologies that are incorporated in a broad spectrum of the Company's products. These matters are in various stages of investigation and litigation, and are being vigorously defended. Much of the pending litigation against the Debtors has been stayed as a result of the chapter 11 filing and will be subject to resolution in accordance with the Bankruptcy Code and the orders of the Bankruptcy Court. Although the Company does not expect that the outcome in any of these matters, individually or collectively, will have a material adverse effect on its financial condition or results of operations, litigation is inherently unpredictable. Therefore, judgments could be rendered or settlements entered, that could adversely affect the Company's operating results or cash flows in a particular period. The Company routinely assesses all of its litigation and threatened litigation as to the probability of ultimately incurring a liability, and records its best estimate of the ultimate loss in situations where it assesses the likelihood of loss as probable.

ITEM 6. SELECTED FINANCIAL DATA

Refer to Summary of Operating Data on page 117.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS ("MD&A") OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") is intended to help the reader understand the results of operations and financial condition of Kodak for the three years ended December 31, 2011, 2010 and 2009. All references to Notes relate to Notes to the Financial Statements in Item 8. "Financial Statements and Supplementary Data."

OVERVIEW

In 2011, Kodak had three reportable business segments, which are more fully described later in this discussion in "Kodak Operating Model and Reporting Structure." The three business segments in 2011 were: Consumer Digital Imaging Group, Graphic Communications Group and Film, Photofinishing and Entertainment Group.

The Company's digital growth strategy has centered on exploiting its competitive advantage at the intersection of materials science and digital imaging science. The Company has leading market positions in large markets including digital printing plates, scanners, and kiosks. In addition, the Company has been introducing differentiated value propositions in new growth markets that are in transformation. These digital growth initiatives are: consumer inkjet, within CDG, and commercial inkjet, workflow software and services, and packaging solutions within GCG.

While the digital growth initiatives have largely required investment, the Company's strategy has been to gain scale in these product lines to enable a more significant and profitable contribution from them. Revenue from these growth initiative product lines grew 17% for the year ended December 31, 2011 versus the prior year.

The Company has been using cash received from operations, including intellectual property licensing, and the sale of non-core assets, to fund its investment in the digital growth initiatives and its transformation from a traditional manufacturing company to a digital technology company. In July 2011, the Company announced that it is exploring strategic alternatives related to its digital imaging patent portfolios. As this process proceeds, the Company will continue to pursue its patent licensing program as well as all litigation related to its digital imaging patents. The Company faces short-term uncertainty relating to certain of the Company's intellectual property licensing activities pending the outcome of the infringement litigation against Apple Inc. and Research in Motion Ltd. before the International Trade Commission.

Revenue and profitability for the year ended December 31, 2011 declined from the prior year primarily due to a decrease in non-recurring intellectual property licensing arrangements from the prior year. Revenue and profitability were also negatively impacted by industry-related volume declines and increased commodity costs, particularly silver, in FPEG. The Company has been utilizing price increases and silver-indexed pricing models, as well as its silver hedging program to mitigate the impact of historically high silver prices on FPEG. Revenue declines also resulted from competitive pricing pressures and participation choices made by the Company in digital cameras within CDG. In February 2012 the Company announced plans to phase out its dedicated capture devices business, including digital cameras, pocket video cameras, and digital picture frames in the first half of 2012.

While some of the revenue decline was offset by revenue growth in consumer inkjet and GCG, profitability was also negatively impacted by the ongoing investment in the consumer and commercial inkjet businesses.

The Company's Bankruptcy Filing is intended to permit the Company to reorganize and improve liquidity in the U.S. and abroad, monetize non-strategic intellectual property, fairly resolve legacy liabilities, and focus on the most valuable business lines to enable sustainable profitability. The Company's goal is to develop and implement a reorganization plan that meets the standards for confirmation under the Bankruptcy Code. Confirmation of a reorganization plan could materially alter the classifications and amounts reported in the Company's consolidated financial statements, which do not give effect to any adjustments to the carrying values of assets or amounts of liabilities that might be necessary as a consequence of confirmation of a reorganization plan or other arrangement or the effect of any operational changes that may be implemented.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

The accompanying consolidated financial statements and notes to consolidated financial statements contain information that is pertinent to management's discussion and analysis of the financial condition and results of operations. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses, and the related disclosure of contingent assets and liabilities.

The Company believes that the critical accounting policies and estimates discussed below involve the most complex management judgments due to the sensitivity of the methods and assumptions necessary in determining the related asset, liability, revenue and expense amounts. Specific risks associated with these critical accounting policies are discussed throughout this MD&A, where such policies affect our reported and expected financial results. For a detailed discussion of the application of these and other accounting policies, refer to the Notes to Financial Statements in Item 8.

The consolidated financial statements and related notes have been prepared assuming that the Company will continue as a going concern, although its Bankruptcy Filing raises substantial doubt about the Company's ability to continue as a going concern. The consolidated financial statements do not include any adjustments related to the recoverability and classification of recorded assets

or to the amounts and classification of liabilities or any other adjustments that might be necessary should the Company be unable to continue as a going concern.

Revenue Recognition

The Company's revenue transactions include sales of the following: products, equipment, software, services, integrated solutions, and intellectual property licensing. The Company recognizes revenue when it is realized or realizable and earned. The timing and the amount of revenue recognized from the licensing of intellectual property depend upon a variety of factors, including the specific terms of each agreement and the nature of the deliverables and obligations. For the sale of multiple-element arrangements, including whereby equipment or intellectual property is combined in a revenue generating transaction with other elements, the Company allocates to, and recognizes revenue from, the various elements based on their relative selling price. As of January 1, 2011, the Company allocates to, and recognizes revenue from, the various elements of multiple-element arrangements based on relative selling price of a deliverable, using: vendor-specific objective evidence, third-party evidence, and best estimated selling price in accordance with the selling price hierarchy.

At the time revenue is recognized, the Company also records reductions to revenue for customer incentive programs. Such incentive programs include cash and volume discounts, price protection, promotional, cooperative and other advertising allowances. For those incentives that require the estimation of sales volumes or redemption rates, such as for volume rebates, the Company uses historical experience and both internal and customer data to estimate the sales incentive at the time revenue is recognized. In the event that the actual results of these items differ from the estimates, adjustments to the sales incentive accruals would be recorded.

Valuation of Long-Lived Assets, Including Goodwill and Intangible Assets

The Company tests goodwill for impairment annually on September 30, and whenever events occur or circumstances change that would more likely than not reduce the fair value of the reporting unit below its carrying amount.

The Company tests goodwill for impairment at a level of reporting referred to as a reporting unit. A reporting unit is an operating segment or one level below an operating segment (referred to as a component). A component of an operating segment is a reporting unit if the component constitutes a business for which discrete financial information is available and segment management regularly reviews the operating results of that component. When two or more components of an operating segment have similar economic characteristics, the components are aggregated and deemed a single reporting unit. An operating segment is deemed to be a reporting unit if all of its components are similar, if none of its components is a reporting unit, or if the segment comprises only a single component.

For goodwill testing purposes, the components of the FPEG operating segment are similar and, therefore, the segment meets the requirement of a reporting unit. Likewise, the components of the CDG are similar and, therefore, the segment meets the definition of a reporting unit. The GCG operating segment has two reporting units: the Business Services and Solutions Group (“BSSG”) reporting unit and the Commercial Printing reporting unit (consisting of the Prepress Solutions and Digital Printing Solutions strategic product groups). The Commercial Printing reporting unit consists of components that have similar economic characteristics and, therefore, have been aggregated into a single reporting unit.

Goodwill is tested by initially comparing the fair value of each of the Company’s reporting units to their related carrying values. If the fair value of the reporting unit is less than its carrying value, the Company must determine the implied fair value of the goodwill associated with that reporting unit. The implied fair value of goodwill is determined by first allocating the fair value of the reporting unit to all of its assets and liabilities and then computing the excess of the reporting unit’s fair value over the amounts assigned to the assets and liabilities. If the carrying value of goodwill exceeds the implied fair value of goodwill, such excess represents the amount of goodwill impairment charge that must be recognized.

Determining the fair value of a reporting unit involves the use of significant estimates and assumptions. The Company estimates the fair value of its reporting units utilizing an income approach. To estimate fair value utilizing the income approach, the Company establishes an estimate of future cash flows for each reporting unit and discounts those estimated future cash flows to present value. Key assumptions used in the income approach for the September 30, 2011 goodwill impairment tests were: (a) expected cash flows for the period from October 1, 2011 to December 31, 2018; and (b) discount rates of 19% to 25%, which were based on the Company’s best estimates of the after-tax weighted-average cost of capital of each reporting unit.

Based upon the results of the Company’s September 30, 2011 goodwill impairment tests, the Company concluded that the carrying value of goodwill for its Commercial Printing reporting unit exceeded the implied fair value of goodwill. The Company recorded a pre-tax

impairment charge of $8 million during the three month period ended September 30, 2011. For the Company's other reporting units with remaining goodwill balances (CDG and BSSG), no impairment of goodwill was indicated.

A 20 percent change in estimated future cash flows or a 10 percentage point change in discount rate would not have caused additional goodwill impairment charges to be recognized by the Company as of September 30, 2011. Additional impairment of goodwill could occur in the future if market or interest rate environments deteriorate, expected future cash flows decrease or if reporting unit carrying values change materially compared with changes in respective fair values. In the case of a sale of the Company's digital imaging patent portfolios, licensing revenue related to those portfolios, which are included within the CDG reporting unit, could decline significantly and materially impact the fair value of this reporting unit.

The Company's long-lived assets other than goodwill are evaluated for impairment whenever events or changes in circumstances indicate the carrying value may not be recoverable.

When evaluating long-lived assets for impairment, the Company compares the carrying value of an asset group to its estimated undiscounted future cash flows. An impairment is indicated if the estimated future cash flows are less than the carrying value of the asset group. The impairment is the excess of the carrying value over the fair value of the long-lived asset group.

Income Taxes

The Company recognizes deferred tax liabilities and assets for the expected future tax consequences of operating losses, credit carryforwards and temporary differences between the carrying amounts and tax basis of the Company's assets and liabilities. The Company records a valuation allowance to reduce its net deferred tax assets to the amount that is more likely than not to be realized. The Company has considered forecasted earnings, future taxable income, the geographical mix of earnings in the jurisdictions in which the Company operates and prudent and feasible tax planning strategies in determining the need for these valuation allowances. As of December 31, 2011, the Company has net deferred tax assets before valuation allowances of approximately $3.1 billion and a valuation allowance related to those net deferred tax assets of approximately $2.6 billion, resulting in net deferred tax assets of approximately $0.5 billion. If the Company were to determine that it would not be able to realize a portion of its net deferred tax assets in the future, for which there is currently no valuation allowance, an adjustment to the net deferred tax assets would be charged to earnings in the period such determination was made. Conversely, if the Company were to make a determination that it is more likely than not that deferred tax assets, for which there is currently a valuation allowance, would be realized, the related valuation allowance would be reduced and a benefit to earnings would be recorded. During 2011, the Company determined that it is more likely than not that a portion of the deferred tax assets outside the U.S. would not be realized and accordingly, recorded a provision of $53 million associated with the establishment of a valuation allowance on those deferred tax assets.

During 2011, the Company concluded that the undistributed earnings of its foreign subsidiaries would no longer be considered permanently reinvested. After assessing the assets of the subsidiaries relative to specific opportunities for reinvestment, as well as the forecasted uses of cash for both its domestic and foreign operations, the Company concluded that it was prudent to change its indefinite reinvestment assertion to allow greater flexibility in its cash management.

The Company operates within multiple taxing jurisdictions worldwide and is subject to audit in these jurisdictions. These audits can involve complex issues, which may require an extended period of time for resolution. Management's ongoing assessments of the more-likely-than-not outcomes of these issues and related tax positions require judgment, and although management believes that adequate provisions have been made for such issues, there is the possibility that the ultimate resolution of such issues could have an adverse effect on the earnings of the Company. Conversely, if these issues are resolved favorably in the future, the related provisions would be reduced, thus having a positive impact on earnings.

Pension and Other Postretirement Benefits

The Company's defined benefit pension and other postretirement benefit costs and obligations are estimated using several key assumptions. These assumptions, which are reviewed at least annually by the Company, include the discount rate, long-term expected rate of return on plan assets ("EROA"), salary growth, healthcare cost trend rate and other economic and demographic factors. Actual results that differ from the Company's assumptions are recorded as unrecognized gains and losses and are amortized to earnings over the estimated future service period of the active participants in the plan or, if almost all of a plan's participants are inactive, the average remaining lifetime expectancy of inactive participants, to the extent such total net unrecognized gains and losses exceed 10% of the greater of the plan's projected benefit obligation or the calculated value of plan assets. Significant differences in actual experience or significant changes in future assumptions would affect the Company's pension and other postretirement benefit costs and obligations.

The EROA assumption is based on a combination of formal asset and liability studies that include forward-looking return expectations, given the current asset allocation. The EROA, once set, is applied to the calculated value of plan assets in the determination of the expected return component of the Company's pension income or expense. The Company uses a calculated value of plan assets, which recognizes changes in the fair value of assets over a four-year period, to calculate expected return on assets. At December 31, 2011, the calculated value of the assets of the Company's major U.S. and Non-U.S. defined benefit pension plans was approximately $7.3 billion and the fair value was approximately $7.2 billion. Asset gains and losses that are not yet reflected in the calculated value of plan assets are not included in amortization of unrecognized gains and losses.

The Company reviews its EROA assumption annually. To facilitate this review, every three years, or when market conditions change materially, the Company's larger plans will undertake asset allocation or asset and liability modeling studies. The weighted average EROA for major U.S. and non-U.S. defined benefit pension plans used to determine net pension expense was 8.09% and 7.79%, respectively, for the year ended December 31, 2011.

Generally, the Company bases the discount rate assumption for its significant plans on high quality corporate bond yields in the respective countries as of the measurement date. Specifically, for its U.S. and Canadian plans, the Company determines a discount rate using a cash flow model to incorporate the expected timing of benefit payments and an AA-rated corporate bond yield curve. For the Company's U.S. plans, the Citigroup Above Median Pension Discount Curve is used. For the Company's other non-U.S. plans, the discount rates are determined by comparison to published local high quality bond yields or indices considering estimated plan duration and removing any outlying bonds, as warranted.

The salary growth assumptions are determined based on the Company's long-term actual experience and future and near-term outlook. The healthcare cost trend rate assumptions are based on historical cost and payment data, the near-term outlook and an assessment of the likely long-term trends.

The following table illustrates the sensitivity to a change to certain key assumptions used in the calculation of expense for the year ending December 31, 2012 and the projected benefit obligation ("PBO") at December 31, 2011 for the Company's major U.S. and non-U.S. defined benefit pension plans:

(in millions)	**Impact on 2012 Pre-Tax Pension Expense Increase (Decrease)**		**Impact on PBO December 31, 2011 Increase (Decrease)**	
	U.S.	**Non-U.S.**	**U.S.**	**Non-U.S.**
Change in assumption:				
25 basis point decrease in discount rate	$ 6	$ 3	$ 128	$ 125
25 basis point increase in discount rate	(6)	(3)	(122)	(119)
25 basis point decrease in EROA	11	6	N/A	N/A
25 basis point increase in EROA	(11)	6	N/A	N/A

Total pension cost from continuing operations before special termination benefits, curtailments, and settlements for the major funded and unfunded defined benefit pension plans in the U.S. is expected to change from income of $61 million in 2011 to expense of approximately $45 million in 2012, due primarily to an expected increase in amortization of actuarial losses. Pension expense from continuing operations

before special termination benefits, curtailments and settlements for the major funded and unfunded non-U.S. defined benefit pension plans is projected to increase from $43 million in 2011 to approximately $67 million in 2012.

Additionally, the Company expects the expense, before curtailment and settlement gains and losses of its major other postretirement benefit plans, to be approximately $5 million in 2012 as compared with expense of $20 million for 2011. The decrease is due primarily to an expected decrease in interest expense.

Benefit plans in the U.S. are subject to the bankruptcy proceedings.

Environmental Commitments

Environmental liabilities are accrued based on undiscounted estimates of known environmental remediation responsibilities. The liabilities include accruals for sites owned or leased by the Company, sites formerly owned or leased by the Company, and other third party sites where the Company was designated as a potentially responsible party ("PRP"). The amounts accrued for such sites are based on these estimates, which are determined using the ASTM Standard E 2137-06, "Standard Guide for Estimating Monetary Costs and Liabilities for Environmental Matters." The overall method includes the use of a probabilistic model that forecasts a range of cost estimates for the remediation required at individual sites. The Company's estimate includes equipment and operating costs for investigations, remediation and long-term monitoring of the sites. Such estimates may be affected by changing determinations of what constitutes an environmental liability or an acceptable level of remediation. The Company's estimate of its environmental liabilities may also change if the proposals to regulatory agencies for desired methods and outcomes of remediation are viewed as not acceptable, or additional exposures are identified. The Company has an ongoing monitoring process to assess how activities, with respect to the known exposures, are progressing against the accrued cost estimates.

Additionally, in many of the countries in which the Company operates, environmental regulations exist that require the Company to handle and dispose of asbestos in a special manner if a building undergoes major renovations or is demolished. The Company records a liability equal to the estimated fair value of its obligation to perform asset retirement activities related to the asbestos, computed using an expected present value technique, when sufficient information exists to calculate the fair value.

All Other: This category included the results of the Company's display business, up to the date of sale of assets of this business in the fourth quarter of 2009.

Change in Segment Measure of Profit and Loss

During the first quarter of 2011, the Company changed its segment measure of profit and loss to exclude certain components of pension and other postretirement obligations (OPEB). As a result of this change, the operating segment results exclude the interest cost, expected return on plan assets, amortization of actuarial gains and losses, and special termination benefit, curtailment and settlement components of pension and OPEB expense. The service cost and amortization of prior service cost components continue to be reported as part of operating segment results.

Prior period segment results have been revised to reflect this change.

2012 Reportable Segments

For 2012, the Company will report financial information for two reportable segments; Commercial Group and Consumer Group.

The Commercial Group will be comprised of the following: *Graphics*, *Entertainment & Commercial Film Business*, *Digital and Functional Printing*, and *Enterprise Services and Solutions.*

The Consumer Group will be comprised of the following: *Intellectual Property* and the Consumer Business: *Retail Systems Solutions*, *Consumer Inkjet Systems*, *Traditional Photofinishing*, and *Digital Capture and Devices*.

Revenues

For the year ended December 31, 2011, net sales decreased approximately 16% compared with the same period in 2010 due to a decline in the CDG segment primarily driven by lower revenue from non-recurring intellectual property licensing agreements (-11%), as discussed below. Also contributing to the decrease in net sales were industry-related volume declines within the FPEG segment (-4%), and volume declines in the CDG segment (-2%).

For the year ended December 31, 2010, net sales decreased approximately 6% compared with the same period in 2009 primarily due to volume declines in the FPEG segment (-6%). Favorable price/mix in the CDG segment (+2%) was largely offset by unfavorable price/mix in the GCG segment (-2%).

Included in revenues were non-recurring intellectual property licensing agreements. These licensing agreements contributed $82 million, $838 million, and $435 million to revenues in 2011, 2010, and 2009, respectively. In July 2011, the Company announced that it is exploring strategic alternatives, including a potential sale, related to its digital imaging patent portfolios. As this process proceeds, the Company will continue to pursue its patent licensing program as well as all litigation related to its digital imaging patents.

Gross Profit

The decrease in gross profit margin from 2010 to 2011 was driven by unfavorable price/mix within the CDG segment (-10pp), largely due to the decrease in revenue from the non-recurring intellectual property agreements as discussed below. Also contributing to the decline in gross profit margin were higher commodity-related costs, primarily within the FPEG segment related to silver (-3pp). Higher cost of sales in the GCG segment (-2pp), attributable to continuing start-up costs associated with the stabilization of the PROSPER printing systems, also contributed to the decline. Partially offsetting these declines were cost improvements in the CDG segment (+1pp), due to improved quality and component cost reductions.

The increase in gross profit margin from 2009 to 2010 was primarily driven by manufacturing and other cost reductions within the CDG (+2pp) and GCG (+1pp) segments. Also contributing to the increase in gross profit margin was favorable price/mix in the CDG segment (+2pp), partially offset by unfavorable price/mix in the GCG segment (-1pp).

Included in gross profit were non-recurring intellectual property licensing agreements. These licensing agreements contributed $82 million, $838 million, and $435 million to gross profit for non-recurring agreements in 2011, 2010, and 2009, respectively.

Selling, General and Administrative Expenses

The decreases in consolidated selling, general and administrative (SG&A) expenses from 2010 to 2011 were primarily attributable to reduced advertising expense in the CDG and GCG segments.

The decrease in consolidated SG&A expenses from 2009 to 2010 was attributable to decreases in SG&A in the FPEG segment (-7%) primarily driven by cost reduction actions, partially offset by increases in SG&A in the CDG and GCG segments (5%), primarily due to increased advertising costs.

Research and Development Costs

The decreases in consolidated research and development (R&D) costs were primarily due to the rationalization of investments.

Restructuring Costs, Rationalization and Other

These costs, as well as the restructuring and rationalization-related costs reported in cost of sales, are discussed under the "RESTRUCTURING COSTS, RATIONALIZATION AND OTHER" section.

Other Operating (Income) Expenses, Net

The other operating (income) expenses, net category includes gains and losses on sales of assets and businesses and certain impairment charges. The amount for 2011 primarily reflects a gain of approximately $62 million related to the sale of CMOS image sensor patents and patent applications. The amount for 2010 primarily reflects a $626 million goodwill impairment charge related to the FPEG segment. The amount for 2009 primarily reflects a gain of approximately $100 million on the sale of assets of the Company's organic light emitting diodes (OLED) group, as described further below.

In November 2009, the Company agreed to terminate its patent infringement litigation with LG Electronics, Inc., LG Electronics USA, Inc., and LG Electronics Mobilecomm USA, Inc., entered into a technology cross license agreement with LG Electronics, Inc. and agreed to sell assets of its OLED group to Global OLED Technology LLC, an entity established by LG Electronics, Inc., LG Display Co., Ltd. and LG Chem, Ltd. As the transactions were entered into in contemplation of one another, in order to reflect the asset sale separately from the licensing transaction, the total consideration was allocated between the asset sale and the licensing transaction based on the estimated fair value of the assets sold. Fair value of the assets sold was estimated using other competitive bids received by the Company. Accordingly, $100 million of the proceeds was allocated to the asset sale. The remaining gross proceeds of $414 million were allocated to the licensing transaction and reported in net sales of the CDG segment for the year ended December 31, 2009.

Interest Expense

The increases in interest expense for 2011 as compared with 2010 and 2010 as compared with 2009 were attributable to higher weighted-average effective interest rates on the Company's outstanding debt, resulting from the issuance of new debt in the third quarter of 2009, the first quarter of 2010 and the first quarter of 2011.

Loss on Early Extinguishment of Debt, Net

On March 5, 2010, the Company issued $500 million of aggregate principal amount of 9.75% senior secured notes due March 1, 2018. The net proceeds of this issuance were used to repurchase all of the $300 million of 10.5% senior secured notes due 2017 previously issued to Kohlberg, Kravis, Roberts & Co. L.P. (the "KKR Notes") and $200 million of 7.25% senior notes due 2013 (collectively the "Notes"). The Company recognized a net loss of $102 million on the early extinguishment of the Notes in the first quarter of 2010, representing the difference between the carrying values of the Notes and the costs to repurchase. This difference between the carrying values and costs to repurchase was primarily due to the original allocation of the proceeds received from the issuance of the KKR Notes to Additional paid-in-capital for the value of the detachable warrants issued to the holders of the KKR Notes.

The change in the Company's effective tax rate from continuing operations for 2011 as compared with 2010 is primarily attributable to: (1) a pre-tax goodwill impairment charge of $626 million that resulted in a tax benefit of only $2 million due to the limited amount of tax deductible goodwill that existed as of December 31, 2010, (2) a benefit associated with the release of deferred tax asset valuation allowances in certain jurisdictions outside of the U.S. as of December 31, 2010, (3) incremental withholding taxes related to non-recurring licensing agreements entered into during 2010 as compared with 2011, (4) the mix of earnings from operations in certain jurisdictions outside the U.S. as of December 31, 2010, (5) a provision associated with the establishment of a deferred tax asset valuation allowance outside the U.S.

as of December 31, 2011, (6) a provision associated with legislative tax rate changes in a jurisdiction outside the U.S., (7) a provision related to withholding taxes in undistributed earnings as of December 31, 2011, (8) a benefit as a result of the Company reaching a settlement with a taxing authority in a location outside the U.S. as of December 31, 2011, (9) a benefit associated with the IRS settlement for 2001 – 2005 as of December 31, 2011, (10) a benefit associated with the release of deferred tax asset valuation allowances in certain jurisdictions outside of the U.S. as of December 31, 2011, and (11) losses generated within the U.S. and certain jurisdictions outside the U.S. for which no benefit was recognized due to management's conclusion that it was more likely than not that the tax benefits would not be realized.

The change in the Company's effective tax rate from continuing operations for 2010 as compared with 2009 is primarily attributable to: (1) a pre-tax goodwill impairment charge of $626 million that resulted in a tax benefit of only $2 million due to the limited amount of tax deductible goodwill that existed as of December 31, 2010, (2) a benefit associated with the release of deferred tax asset valuation allowances in certain jurisdictions outside of the U.S. during 2010, (3) incremental withholding taxes related to non-recurring licensing agreements entered into during 2010 as compared with 2009, (4) changes to the geographical mix of earnings from operations outside the U.S., (5) losses generated in the U.S. and in certain jurisdictions outside the U.S. for which no benefit was recognized due to management's conclusion that it was more likely than not that the tax benefits would not be realized, and (6) changes in audit reserves and settlements.

Results of Operations – Discontinued Operations

The loss from discontinued operations in 2010 was primarily due to legal costs related to a 2008 tax refund.

Earnings from discontinued operations in 2009 were primarily driven by the reversal of certain foreign tax reserves which had been recorded in conjunction with the divestiture of the Health Group in 2007.

Extraordinary Gain

The terms of the purchase agreement of the 2004 acquisition of NexPress Solutions LLC called for additional consideration to be paid by the Company if sales of certain products exceeded a stated minimum number of units sold during a five-year period following the close of the transaction. In May 2009, the earn-out period lapsed with no additional consideration required to be paid by the Company. Negative goodwill, representing the contingent consideration obligation of $17 million, was therefore reduced to zero. The reversal of negative goodwill reduced Property, plant and equipment, net by $2 million and Research and development expense by $7 million and resulted in an extraordinary gain of $6 million, net of tax, during the year ended December 31, 2009.

Restructuring Costs, Rationalization and Other

2011

The Company recognizes the need to continually rationalize its workforce and streamline its operations in the face of ongoing business and economic changes. Charges for restructuring and ongoing rationalization initiatives are recorded in the period in which the Company commits to a formalized restructuring or ongoing rationalization plan, or executes the specific actions contemplated by the plans and all criteria for liability recognition under the applicable accounting guidance have been met.

The charges of $133 million recorded in 2011 included $10 million of charges for accelerated depreciation and $2 million for inventory write-downs, which were reported in Cost of sales in the accompanying Consolidated Statement of Operations for the year ended December 31, 2011. The remaining $121 million, including $105 million of severance costs, $15 million of exit costs, and $1 million of long-lived asset impairments, were reported in Restructuring costs, rationalization and other in the accompanying Consolidated Statement of Operations for the year ended December 31, 2011. Severance and exit costs reserves require the outlay of cash, while long-lived asset impairments, accelerated depreciation and inventory write-downs represent non-cash items. The Company expects to utilize the majority of the December 31, 2011 accrual balance in 2012.

During the year ended December 31, 2011, the Company made cash payments related to restructuring and rationalization of approximately $71 million.

The charges of $133 million recorded in the year ended December 31, 2011 included $47 million applicable to FPEG, $34 million applicable to GCG, $9 million applicable to CDG, and $43 million that was applicable to manufacturing/service, research and development, and administrative functions, which are shared across all segments.

The restructuring actions implemented in the year 2011 are expected to generate future annual cash savings of $114 million. These savings are expected to reduce future Cost of sales, SG&A and R&D expenses by $51 million, $55 million, and $8 million, respectively. The Company began realizing these savings in the first quarter of 2011, and expects the majority of the savings to be realized by the second half of 2012 as most of the actions and severance payouts are completed.

2010

During the year ended December 31, 2010, the Company engaged in various initiatives to rationalize its workforce and streamline its operations in the face of ongoing business and economic changes. The Company incurred restructuring and rationalization charges related to these initiatives of $78 million. The charges of $78 million recorded in 2010 included $6 million of charges for accelerated depreciation and $2 million for inventory write-downs, which were reported in Cost of sales in the accompanying Consolidated Statement of Operations for the year ended December 31, 2010. The remaining $70 million, including $49 million of severance costs, $14 million of exit costs, and $7 million of long-lived asset impairments, were reported in Restructuring costs, rationalization and other in the accompanying Consolidated Statement of Operations for the year ended December 31, 2010.

2009

For the year ended December 31, 2009, the Company incurred restructuring and rationalization charges, net of reversals, of $258 million. As announced on February 9, 2012, the Company plans to phase out its dedicated capture devices business, including digital cameras, pocket video cameras, and digital picture frames in the first half of 2012.

Revenues

CDG's 2011 revenue decline , as compared with the same period in 2010, was primarily attributable to unfavorable price/mix, driven by a decrease in non-recurring intellectual property royalty revenues (-28%). Also contributing to the decline were lower volumes in *Digital Capture and Devices* (-10%), largely reflective of the Company's focus on improved profitability versus revenue growth. Partially offsetting these declines were higher volumes within *Consumer Inkjet Systems* (+4%), due to continued positive customer response as noted above. Total revenues for *Consumer Inkjet Systems* grew 39% from the prior year period. The volume increases experienced by the Company outpaced the consumer printing industry, which management believes is reflective of how the Company's value proposition continues to resonate with customers.

CDG's 2010 revenue increase of 4% as compared with the same period in 2009 was primarily due to an increase in revenues from non-recurring intellectual property licensing agreements (+15%), partially offset by unfavorable price/mix in the other components of *Digital Capture and Devices* due to pricing pressures in the industry (-7%). Volume improvements in *Consumer Inkjet Systems* (+3%) also contributed to the revenue increase. Partially offsetting these increases were volume declines in *Retail Systems Solutions* (-4%), primarily due to the expiration of a significant customer contract in 2009. Total revenues for *Consumer Inkjet Systems* grew 29% from the prior year.

Included in revenues were non-recurring intellectual property licensing agreements within *Digital Capture and Devices*. These licensing agreements contributed $64 million, $838 million, and $435 million to revenues in 2011, 2010, and 2009, respectively.

Gross Profit

The decrease in gross profit margin from 2010 to 2011 was primarily attributable to unfavorable price/mix within *Digital Capture and Devices*, driven by lower non-recurring intellectual property royalty revenues (-25pp). Unfavorable price/mix, due to competitive pricing pressures within *Digital Capture and Devices* (-3pp) and *Consumer Inkjet Systems* (-2pp), also contributed to the decline. These declines were partially offset by ongoing cost improvements within *Consumer Inkjet Systems* (+4pp), due to improved quality and component cost reductions.

The increase in gross profit margin from 2009 to 2010 for CDG was primarily attributable to the increase in non-recurring intellectual property licensing revenues (+10pp) included in price/mix within *Digital Capture and Devices.* This was partially offset by unfavorable price/mix in the other components of *Digital Capture and Devices* (-2pp), largely related to competitive pricing pressures, and by price/mix declines within *Retail Systems Solutions* (-1pp), primarily due to the expiration of a significant customer contract in 2009. Cost improvements, primarily within *Digital Capture and Devices* (+4pp) and *Consumer Inkjet Systems* (+2pp), positively impacted gross profit margin as a percent of sales and were largely the result of supplier cost reductions and improved product life cycle management.

Included in gross profit were non-recurring intellectual property licensing agreements within *Digital Capture and Devices*. These licensing agreements contributed $64 million, $838 million, and $435 million to gross profit in 2011, 2010, and 2009, respectively.

Selling, General and Administrative Expenses

The decrease in SG&A expenses from 2010 to 2011 and the increase in SG&A expenses from 2009 to 2010 were primarily attributable to advertising campaigns run in 2010.

Research and Development Costs

The decrease in R&D costs from 2010 to 2011 was primarily due to rationalization of investments.

Revenues

The increase in GCG net sales from 2010 to 2011 was driven by volume increases in *Prepress Solutions* (+2%) and the impact of favorable foreign exchange (+3) across the segment. The volume growth in *Prepress Solutions* was largely due to continued increased print demand in emerging markets and continued growth in Flexcel NX packaging solutions. Partially offsetting these increases was unfavorable price/mix in *Prepress Solutions* (-3%), largely due to continued pricing pressures within the industry.

The decrease in GCG net sales from 2009 to 2010 was primarily due to unfavorable price/mix in *Prepress Solutions* (-4%), partially offset by volume improvements across all SPGs (+3%). The unfavorable price/mix primarily reflects competitive pricing and overcapacity within the printing industry. The volume improvements were largely driven by growth in digital plates and computer-to-plate equipment within *Prepress Solutions*; commercial inkjet equipment, including PROSPER S10 imprinting systems within *Digital Printing Solutions*; and document imaging scanners, including the introduction of the Kodak i4000 Series Scanners within *Business Services and Solutions*.

Three of the Company's four digital growth initiatives are reported in GCG: Packaging, within *Prepress Solutions*; Inkjet, within *Digital Printing Solutions*; and Workflow and Services, within *Business Services and Solutions.* Revenue grew a combined 4% for these businesses from 2010 to 2011, contributing approximately 1% to GCG's overall sales growth year over year.

Gross Profit

The decrease in gross profit margin from 2010 to 2011 for GCG was driven by increased manufacturing and other costs, primarily due to increased costs in *Digital Printing Solutions* (-3pp), attributable to continuing start-up costs associated with the stabilization of the PROSPER printing systems. In addition, unfavorable price/mix in *Prepress Solutions* (-2pp), largely due to pricing pressures within the industry, contributed to the decline.

The increase in gross profit margin from 2009 to 2010 for GCG was primarily due to reduced manufacturing costs, including aluminum costs (+4 pp). Partially offsetting this reduction in cost was unfavorable price/mix within *Prepress Solutions* (-3 pp), due to the reasons outlined in the Revenues discussion above.

Selling, General and Administrative Expenses

The decrease in SG&A expenses from 2010 to 2011 and the increase in SG&A expenses from 2009 to 2010 were primarily attributable to advertising campaigns run in 2010.

Research and Development Costs

The decreases in R&D costs were primarily due to the rationalization of investments.

Revenues

The decrease in net sales from 2010 to 2011 was driven by lower volumes, primarily attributable to industry-related declines. Favorable price/mix partially offset the volume declines, due to pricing actions (+1%) implemented to mitigate rising commodity costs and revenues from a non-recurring intellectual property licensing agreement (+1%).

The decrease in net sales from 2009 to 2010 was primarily driven by volume declines across all SPGs within the segment. These volume declines in *Traditional Photofinishing* (-5%) and *Film Capture* (-3%) were primarily driven by secular declines in the industry. The volume declines for *Entertainment Imaging* (-7%) were also largely attributable to secular declines, including the effects of digital substitution.

Gross Profit

The decrease in FPEG gross profit margin from 2010 to 2011 was driven by higher costs, primarily related to silver. Partially offsetting this decline was favorable price/mix, due to pricing actions implemented to mitigate the rising silver costs (+1pp) and an increase in gross profit from a non-recurring intellectual property licensing agreement (+1pp).

The decrease in FPEG gross profit margin from 2009 to 2010 was primarily driven by increased silver and other commodity costs.

Selling, General and Administrative Expenses

The declines in SG&A expenses were primarily attributable to focused cost reduction actions completed in 2009 and 2010 that continue to result in lower SG&A expenses.

Research and Development Costs

The decreases in R&D costs were due to the rationalization of investments in the segment.

Operating Activities

Net cash used in operating activities increased $779 million for the year ended December 31, 2011 as compared with the prior year. Cash received in 2011 related to non-recurring licensing agreements of $82 million was $515 million lower than cash received in 2010, related to non-recurring licensing agreements, net of applicable withholding taxes, of $597 million. Additionally, the increase in cash used in operating activities was attributable to a greater use of cash from working capital changes and use of cash for the settlement of other liabilities in the current year as compared with the prior year.

Investing Activities

Net cash used in investing activities decreased $87 million for the year ended December 31, 2011 as compared with 2010 due primarily to an increase in proceeds received from sales of assets and businesses and lower capital expenditures. Partially offsetting this was cash used for the acquisition of a business and to fund restricted cash and investments in trust ensuring payment of various obligations.

Financing Activities

Net cash provided by financing activities increased $320 million for the year ended December 31, 2011 as compared with 2010 due to an increase in net borrowings.

Sources of Liquidity

The Company has been using cash received from operations, including intellectual property licensing, and the sale of non-core assets to fund its investment in the consumer and commercial inkjet businesses and its transformation from a traditional film manufacturing company to a digital technology company. The Company faces an uncertain business environment and a number of substantial challenges, including the level of investment necessary to support growth in its consumer and commercial inkjet businesses, historically high commodity costs, aggressive price competition, secular decline in the Company's traditional film businesses, the cost to restructure the Company to enable sustainable profitability, underfunded and unfunded defined benefit and other postretirement benefit plans, and short-term uncertainty relating to certain of the Company's intellectual property licensing activities pending the outcome of the infringement litigation against Apple, Inc. and Research in Motion Ltd. before the International Trade Commission. In July 2011, the Company announced that it is exploring strategic alternatives, including a potential sale, related to its digital imaging patent portfolios. As this process proceeds, the Company will continue to pursue its patent licensing program as well as all litigation related to its digital imaging technology. A sale of the Company's digital imaging patent portfolios, which would accelerate the monetization of the digital imaging patent portfolios that has been implemented largely through licensing transactions, could result in the cessation of license revenue related to these patents.

During the year ended December 31, 2011, the Company has supplemented cash on hand with additional debt to fund operations, while pursuing asset sales, intellectual property licenses, and a sale of, or other strategic alternatives with, its digital imaging patent portfolio. Net cash provided by financing activities was $246 million in 2011.

On January 20, 2012, in connection with the Company's Bankruptcy Filing, the Company entered into, and the Bankruptcy Court approved on an interim basis, the DIP Credit Agreement which provides up to a $700 million super-priority senior secured term loan facility and up to a $250 million super-priority senior secured asset-based revolving credit facilities. On January 20, 2012, the Company borrowed $400 million in term loans and issued $102 million of letters of credit under the revolving credit facilities. In connection with entering into and drawing funds on the DIP Credit Agreement, the Company repaid, refinanced, or transferred all obligations and terminated all commitments under the Second Amended and Restated Credit Agreement. On February 15, 2012, the Company received from the Bankruptcy Court the final DIP Credit Agreement order (the "Final DIP Order") and shortly thereafter borrowed the remaining $300 million super-priority senior secured term loan.

Cash and cash equivalents are held in various locations throughout the world. At December 31, 2011 and December 31, 2010, approximately $170 million and $580 million, respectively, of cash and cash equivalents were held within the U.S. During the twelve month period ended December 31, 2011, approximately $320 million of cash was repatriated, or loaned, from foreign subsidiaries to the U.S., net of loans and repayments of loans to foreign subsidiaries, at an incremental cash tax cost of $4 million. The Company utilizes a variety of tax planning and financing strategies in an effort to ensure that cash is available in locations where it is needed; however, as of December 31, 2011, cash balances held outside of the U.S. are generally required to support local country operations and are therefore not available for operations in other jurisdictions. Additionally, in China, where approximately $340 million in cash and cash equivalents was held as of December 31, 2011, there are limitations related to net asset balances that impact the ability to make cash available to other jurisdictions in the world. The Company plans to meet its current liquidity needs through existing cash balances, operating earnings from foreign subsidiaries, including Chinese subsidiaries, when available, financing available under the DIP Credit Agreement, proceeds from sales of businesses and assets, and through monetization of its digital imaging patent portfolio.

The Company's Bankruptcy Filing is intended to permit the Company to reorganize and improve liquidity in the U.S. and abroad, monetize non-strategic intellectual property, fairly resolve legacy liabilities, and focus on the most valuable business lines to enable sustainable profitability. The Company's goal is to develop and implement a reorganization plan that meets the standards for confirmation under the Bankruptcy Code. If the Company is unable to sell its digital imaging patent portfolio at an appropriate price, it will pursue additional licensing opportunities related to that patent portfolio. Additionally, if liquidity needs require, the Company could slow its rate of investment in its digital growth initiatives and/or pursue the sale of certain of its cash generating businesses that have leading market positions in large markets. The Company believes that it will have sufficient amounts available under the DIP Credit Agreement, plus trade credit extended by vendors, proceeds from sales of assets, intellectual property monetization transactions, and cash generated from operations to fund anticipated cash requirements through the end of 2012.

The Bankruptcy Filing constituted an event of default for certain of the Debtor's debt obligations. However, payment obligations under the debt agreements are stayed as a result of the Bankruptcy Filing and the creditors' rights of enforcement in respect of the debt agreements are subject to the applicable provisions of the Bankruptcy Code.

There can be no assurance that cash on hand, cash generated through operations, and other available funds will be sufficient to meet the Company's reorganization or ongoing cash needs, or that the Company will remain in compliance with all the necessary terms and conditions of the DIP Credit Agreement. As a result, the Company may be required to consider other alternatives to maximize the potential recovery for the various creditor constituencies, including, but not limited to, a possible sale of the Company or certain of the Company's material assets pursuant to Section 363 of the Bankruptcy Code.

Liens on assets under the Company's borrowing arrangements are not expected to affect the Company's strategy of divesting non-core assets.

Refer to Note 9, "Short-Term Borrowings and Long-Term Debt," in the Notes to Financial Statements for further discussion of sources of liquidity, presentation of long-term debt, related maturities and interest rates as of December 31, 2011 and 2010.

Issuance of Senior Secured Notes due 2019

On March 15, 2011, the Company issued $250 million of aggregate principal amount of 10.625% senior secured notes due March 15, 2019 (2019 Senior Secured Notes). The terms call for interest at an annual rate of 10.625% of the principal amount at issuance, payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2011.

Upon issuance of the 2019 Senior Secured Notes, the Company received proceeds of approximately $247 million ($250 million aggregate principal less $3 million stated discount). The proceeds were used to repurchase $50 million of the 7.25% Senior Notes due 2013 with the remaining amount being used for other general corporate purposes.

In connection with the issuance of the 2019 Senior Secured Notes, the Company and the subsidiary guarantors (as defined below) entered into an indenture, dated as of March 15, 2011, with Bank of New York Mellon as trustee and second lien collateral agent (Indenture). On January 26, 2012, Wilmington Trust National Association replaced Bank of New York Mellon as trustee and second lien collateral agent.

At any time prior to March 15, 2015, the Company will be entitled at its option to redeem some or all of the 2019 Senior Secured Notes at a redemption price of 100% of the principal plus accrued and unpaid interest and a "make-whole" premium (as defined in the Indenture). On and after March 15, 2015, the Company may redeem some or all of the 2019 Senior Secured Notes at certain redemption prices expressed as percentages of the principal plus accrued and unpaid interest. In addition, prior to March 15, 2014, the Company may redeem up to 35% of the 2019 Senior Secured Notes at a redemption price of 110.625% of the principal, plus accrued and unpaid interest, using proceeds from certain equity offerings, provided the redemption takes place within 120 days after the closing of the related equity offering and not less than 65% of the original aggregate principal remains outstanding immediately thereafter.

Upon the occurrence of a change of control, each holder of the 2019 Senior Secured Notes has the right to require the Company to repurchase some or all of such holder's 2019 Senior Secured Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

The Indenture contains covenants limiting, among other things, the Company's ability and the ability of the Company's restricted subsidiaries (as defined in the Indenture) to (subject to certain exceptions and qualifications): incur additional debt or issue certain preferred stock; pay dividends or make distributions in respect of capital stock or make other restricted payments; make principal payments on, or purchase or redeem subordinated indebtedness prior to any scheduled principal payment or maturity; make certain investments; sell certain assets; create liens on assets; consolidate, merge, sell or otherwise dispose of all or substantially all of the Company's and its subsidiaries' assets; enter into certain transactions with affiliates; and designate the Company's subsidiaries as unrestricted subsidiaries. The Company was in compliance with these covenants as of December 31, 2011.

The 2019 Senior Secured Notes are fully and unconditionally guaranteed (Guarantees) on a senior secured basis by each of the Company's existing and future direct or indirect 100% owned domestic subsidiaries, subject to certain exceptions (Subsidiary Guarantors). The 2019 Senior Secured Notes and Guarantees are secured by second-priority liens, subject to permitted liens, on substantially all of the Company's domestic assets and substantially all of the domestic assets of the Subsidiary Guarantors pursuant to a supplement, dated March 15, 2011, to the security agreement, dated March 5, 2010, entered into with Bank of New York Mellon as second lien collateral agent. The carrying value of the assets pledged as collateral at December 31, 2011 was approximately $1 billion.

The 2019 Senior Secured Notes are the Company's senior secured obligations and rank senior in right of payment to any future subordinated indebtedness; rank equally in right of payment with all of the Company's existing and future senior indebtedness; are effectively senior in right of payment to the Company's existing and future unsecured indebtedness; are effectively subordinated in right of payment to indebtedness under the Company's Second Amended Credit Agreement (as defined below) to the extent of the collateral securing such indebtedness on a first-priority basis; and effectively are subordinated in right of payment to all existing and future indebtedness and other liabilities of the Company's non-guarantor subsidiaries.

Certain events are considered events of default and may result in the acceleration of the maturity of the 2019 Senior Secured Notes, including, but not limited to (subject to applicable grace and cure periods): default in the payment of principal or interest when it becomes due and payable; failure to purchase Senior Secured Notes tendered when and as required; events of bankruptcy; and non-compliance with other provisions and covenants and the acceleration or default in the payment of principal of certain other forms of debt. If an event of default occurs, the aggregate principal amount and accrued and unpaid interest may become due and payable immediately.

The Bankruptcy Filing constituted an event of default with the 2019 Senior Secured Notes. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code.

Second Lien Holders Agreement

On February 14, 2012, the Company reached an adequate protection agreement with a group representing at least 50.1% of the Second Lien Note Holders (2019 Senior Secured Note Holders and 2018 Senior Secured Note Holders) which was reflected in the Final DIP Order. The Company agreed, among other things, to provide all Second Lien Note Holders with a portion of the proceeds received from certain sales and settlements in respect of the Company's digital imaging portfolio subject to the following waterfall and the Company's right to retain a percentage of certain proceeds under the DIP Credit Agreement: first, to repay any outstanding obligations under the DIP Credit Agreement, including cash collateralizing letters of credit (unless the certain parties otherwise agree); second, to pay 50% of accrued second lien interest at the non-default rate; third, the Company retains $250 million; fourth, to pay 50% of accrued second lien interest at the non-default rate; fifth, any remaining proceeds up to $2,250 million to be split 60% to the Company and 40% to repay outstanding second lien debt at par; and sixth, the Company agreed that any proceeds above $2,250 million will be split 50% to the Company and 50% to Second Lien Note Holders until second lien debt is fully paid. The Company also agreed to pay current interest to Second Lien Note Holders upon the receipt of $250 million noted above. Subject to the satisfaction of certain conditions, the Company also agreed to pay reasonable fees of certain advisors to the Second Lien Note Holders.

Repurchase of Senior Notes due 2013

On March 15, 2011, the Company repurchased $50 million aggregate principal amount of Senior Notes due 2013 (2013 Notes) at par using proceeds from the issuance of the 2019 Senior Secured Notes. As of December 31, 2011, $250 million of the 2013 Notes remain outstanding.

Second Amended and Restated Credit Agreement

On April 26, 2011, the Company and its subsidiary, Kodak Canada, Inc. (together the "Borrowers"), together with the Company's U.S. subsidiaries as guarantors (Guarantors), entered into a Second Amended and Restated Credit Agreement (Second Amended Credit Agreement), with the named lenders (Lenders) and Bank of America, N.A. as administrative agent, in order to amend and extend its Amended and Restated Credit Agreement dated as of March 31, 2009, as amended (Amended Credit Agreement).

The Second Amended Credit Agreement provides for an asset-based Canadian and U.S. revolving credit facility (Credit Facility) of $400 million ($370 million in the U.S. and $30 million in Canada), as further described below, with the ability to increase the aggregate amount. Additionally, up to $125 million of the Company's and its subsidiaries' obligations to Lenders under treasury management services, hedge or other agreements or arrangements can be secured by the collateral under the Credit Facility. The Credit Facility can be used for ongoing working capital and other general corporate purposes. The termination date of the Credit Facility is the earlier of (a) April 26, 2016 or (b) August 17, 2013, to the extent that the 2013 Notes have not been redeemed, defeased, or otherwise satisfied by that date.

On September 23, 2011, the Company initiated a draw of $160 million under the Second Amended Credit Agreement for general corporate purposes. During the fourth quarter of 2011, the Company repaid $60 million under the Second Amended Credit Agreement. The revolving credit advance bears interest at applicable margins over the Base Rate, as defined in the Second Amended Credit Agreement. The borrowing will bear interest initially at 1.5% (the applicable margin) plus the Base Rate, which fluctuates daily based on the highest of the following reference rates: the Federal Funds Rate plus 0.5%, Bank of America's prime rate, and a one-month Eurodollar rate plus 1.0%. The Company

may repay the advances at any time without penalty, subject to certain conditions if the advances have been converted to a Eurodollar rate.

Advances under the Second Amended Credit Agreement are available based on the Borrowers' respective borrowing base from time to time. The borrowing base is calculated based on designated percentages of eligible accounts receivable, inventory, and machinery and equipment, subject to applicable reserves. As of December 31, 2011, based on this borrowing base calculation and after deducting $100 million of outstanding borrowings under the agreement, the face amount of letters of credit outstanding of $96 million and $63 million of collateral to secure other banking arrangements, the Company had $71 million available to borrow under the Second Amended Credit Agreement.

Under the terms of the Credit Facility, the Company has agreed to certain affirmative and negative covenants customary in similar asset-based lending facilities. In the event the Company's excess availability under the Credit Facility borrowing base formula falls below the greater of (a) $40 million or (b) 12.5% of the commitments under the Credit Facility at any time (Trigger), among other things, the Company must maintain a fixed charge coverage ratio of not less than 1.1 to 1.0 until the excess availability is greater than the Trigger for 30 consecutive days. As of December 31, 2011, the Company's fixed charge coverage ratio was less than 1.1 to 1.0; however, as of December 31, 2011, excess availability was greater than the Trigger. The $100 million principal outstanding as of December 31, 2011 is recorded within short-term borrowings and current portion of long-term debt within the Company's Consolidated Statement of Financial Position. The negative covenants limit, under certain circumstances, among other things, the Company's ability to incur additional debt or liens, make certain investments, make shareholder distributions or prepay debt, except as permitted under the terms of the Second Amended Credit Agreement. The Company was in compliance with all covenants under the Credit Facility as of December 31, 2011.

In addition to the Second Amended Credit Agreement, the Company has other committed and uncommitted lines of credit as of December 31, 2011 totaling $17 million and $65 million, respectively. These lines primarily support operational and borrowing needs of the Company's subsidiaries, which include term loans, overdraft coverage, revolving credit lines, letters of credit, bank guarantees and vendor financing programs. Interest rates and other terms of borrowing under these lines of credit vary from country to country, depending on local market conditions. As of December 31, 2011, usage under these lines was approximately $24 million, all of which were supporting non-debt related obligations.

The Credit Facility contains events of default customary in similar asset based lending facilities. If an event of default occurs and is continuing, the Lenders may decline to provide additional advances, impose a default rate of interest, declare all amounts outstanding under the Credit Facility immediately due and payable, and require cash collateralization or similar arrangements for outstanding letters of credit.

The Bankruptcy Filing constituted an event of default with the Second Amended and Restated Credit Agreement. On January 20, 2012, the Company repaid, refinanced, or transferred all obligations and terminated all commitments under the Second Amended and Restated Credit Agreement in connection with entering into and drawing funds from the Debtor-in-Possession Revolving Credit Agreement.

Debtor-in-Possession Credit Agreement

In connection with the Bankruptcy Filing, on January 20, 2012, the Company and Kodak Canada Inc. (the "Canadian Borrower" and, together with the Company, the "Borrowers") entered into a Debtor-in-Possession Credit Agreement (the "DIP Credit Agreement") with certain subsidiaries of the Company and the Canadian Borrower signatory thereto ("Subsidiary Guarantors"), the lenders signatory thereto (the "Lenders"), Citigroup Global Markets Inc., as sole lead arranger and bookrunner, and Citicorp North America, Inc., as syndication agent, administration agent and collateral agent (the "Agent"). Pursuant to the terms of the DIP Credit Agreement, the Lenders agreed to lend in an aggregate principal amount of up to $950 million, consisting of up to $250 million super-priority senior secured asset-based revolving credit facilities and an up to $700 million super-priority senior secured term loan facility (collectively, the "Loans"). Up to $25 million of the revolving credit facilities will be available to the Canadian Borrower and may be borrowed in Canadian Dollars. The Company and each existing and future direct or indirect U.S. subsidiary of the Company (other than indirect U.S. subsidiaries held through foreign subsidiaries and certain immaterial subsidiaries (if any)) (the "U.S. Guarantors") have agreed to provide unconditional guarantees of the obligations of the Borrowers under the DIP Credit Agreement. In addition, the U.S. Guarantors, the Canadian Borrower and each existing and future direct and indirect Canadian subsidiary of the Canadian Borrower (other than certain immaterial subsidiaries (if any)) (the "Canadian Guarantors" and, together with the U.S. Guarantors, the "Guarantors") have agreed to provide unconditional guarantees of the obligations of the Canadian Borrower under the DIP Credit Agreement. Under the terms of the DIP Credit Agreement, the Company will have the option to have interest on the loans provided thereunder accrue at a base rate or the then applicable LIBOR Rate (subject to certain adjustments and, in the case of the term loan facility, a floor of 1.00%), plus a margin, (x) in the case of the revolving loan facility, of 2.25% for a base rate revolving loan or 3.25% for a LIBOR rate revolving loan, and (y) in the case of the term loan facility, of 6.50% for a base rate loan and 7.50% for a LIBOR Rate loan. The

obligations of the Borrowers and the Guarantors under the DIP Credit Agreement are secured by a super-priority security interest in and lien upon all of the existing and after-acquired personal property of the Company and the U.S. Guarantors, including pledges of all stock or other equity interest in direct subsidiaries owned by the Company or the U.S. Guarantors (but only up to 65% of the voting stock of each direct foreign subsidiary owned by the Company or any U.S. Guarantor in the case of pledges securing the Company's and the U.S. Guarantors' obligations under the DIP Credit Agreement). Assets of the type described in the preceding sentence of the Canadian Borrower or any Canadian subsidiary of the Canadian Borrower are similarly pledged to secure the obligations of the Canadian Borrower and Canadian Guarantor under the DIP Credit Agreement. The security and pledges are subject to certain exceptions. The Credit Agreement terminates and all outstanding commitments must be repaid on the earliest to occur of (i) July 20, 2013, (ii) date of the substantial consummation of certain reorganization plans and (iii) certain other events, including Events of Default and repayment in full of the obligations pursuant to a mandatory prepayment.

The DIP Credit Agreement limits, among other things, the Borrowers' and the Subsidiary Guarantors' ability to (i) incur indebtedness, (ii) incur or create liens, (iii) dispose of assets, (iv) prepay subordinated indebtedness and make other restricted payments, (v) enter into sale and leaseback transactions and (vi) modify the terms of any organizational documents and certain material contracts of the Borrowers and the Subsidiary Guarantors. In addition to standard obligations, the DIP Credit Agreement provides for specific milestones that the Company must achieve by specific target dates. In addition, the Company and its subsidiaries are required to maintain consolidated Adjusted EBITDA (as defined in the DIP Credit Agreement) of not less than a specified level for certain periods, with the specified levels ranging from $(130) million to $175 million depending on the applicable period. The Company and its subsidiaries must also maintain minimum U.S. Liquidity (as defined in the DIP Credit Agreement) ranging from $100 million to $250 million depending on the applicable period.

The Borrowers drew approximately $400 million in term loans under the DIP Credit Agreement on January 20, 2012 and issued approximately $102 million of letters of credit under the revolving credit facility. After the initial drawdown under the DIP Credit Agreement and based on the current borrowing base calculation, as of January 20, 2012, the Borrowers had approximately $98 million available under the revolving credit facility and $300 million committed under the term loan facility. Availability under the DIP Credit Agreement may be further subject to borrowing base availability, reserves and other limitations. Following the Final DIP Order issued on February 15, 2012, the Company borrowed the remaining $300 million of term loans.

The Company paid approximately $36 million to the Agent for arrangement, incentive, and customary agency administration fees in connection with the DIP Credit Agreement and will pay to the Lenders participation fees and an unused amount fee and commitment fee as set forth in the DIP Credit Agreement.

In connection with entering into the DIP Credit Agreement described above, on January 20, 2012, the Company repaid all obligations (other than reimbursement obligations in respect of undrawn amounts, fees and interest in respect of certain letters of credit and secured agreements that remain outstanding) and terminated all commitments under the Second Amended and Restated Credit Agreement (the "Prior Credit Agreement"), dated as of April 26, 2011. In addition, the Company obtained the release of the liens granted to the agents for the benefit of the secured parties in connection with the Prior Credit Agreement.

Contractual Obligations *

The impact that contractual obligations are expected to have on the Company's cash flow in future periods is as follows:

		As of December 31, 2011					
(in millions)	**Total**	**2012**	**2013**	**2014**	**2015**	**2016**	**2017+**
Long-term debt (1)	$ 1,618	$ 52	$ 402	$ -	$ -	$ -	$ 1,164
Interest payments on debt (1)	684	123	120	105	105	105	126
Operating lease obligations	241	68	51	33	25	21	43
Purchase obligations (2)	310	109	69	47	41	18	26
Total (3) (4) (5) (6)	$ 2,853	$ 352	$ 642	$ 185	$ 171	$ 144	$ 1,359

***** Pre-petition obligations are being administered by the Bankruptcy Court. A portion of the contractual obligations relate to non-U.S. entities and, therefore, are not subject to the bankruptcy proceedings.

(1) Long-term debt represents the maturity values of the Company's long-term debt obligations as of December 31, 2011 (pre-petition debt). Interest payments on debt represent payments related to pre-petition debt. See Note 9, "Short-Term Borrowings and Long-Term Debt", in the Notes to Financial Statements.

(2) Purchase obligations include agreements related to raw materials, supplies, production and administrative services, as well as marketing and advertising, that are enforceable and legally binding on the Company and that specify all significant terms, including: fixed or minimum quantities to be purchased; fixed, minimum or variable price provisions; and the approximate timing of the transaction. Purchase obligations exclude agreements that are cancelable without penalty. The terms of these agreements cover the next one to eleven years.

(3) Due to uncertainty regarding the completion of tax audits and possible outcomes, the remaining estimate of the timing of payments related to uncertain tax positions and interest cannot be made. See Note 16, "Income Taxes," in the Notes to Financial Statements for additional information regarding the Company's uncertain tax positions.

(4) Kodak Limited, a wholly owned subsidiary of the Company, has agreed with the Trustees of the Kodak Pension Plan of the United Kingdom (the "Plan" or "KPP") to make certain contributions to the Plan. Under the terms of this agreement, Kodak Limited is obligated to pay a minimum amount of $50 million to the KPP in each of the years 2012 through 2014, and a minimum amount of $90 million to the KPP in each of the years 2015 through 2022. The payment amounts for the years 2015 through 2022 could be lower, and the payment amounts for 2012 through 2022 could be higher by up to $5 million per year, based on the exchange rate between the U.S. dollar and British pound. The minimum amounts do not include certain potential contributions which could be required if Kodak Limited received a cash tax benefit as a result of the minimum contributed amount. These amounts of future contributions have not been included in the table above, as in total they are dependent on the funded status of the KPP as it fluctuates over the term of the agreement. A funding valuation and funding plan is required to be submitted to and approved by the United Kingdom Pension Regulator every three years. The 2010 valuation is currently ongoing.

(5) In addition to the pension contributions related to the KPP noted in (4) above, funding requirements for the Company's other major defined benefit retirement plans and other postretirement benefit plans have not been determined, therefore, they have not been included. In 2011, the Company made contributions to its major defined benefit retirement plans and benefit payments for its other postretirement benefit plans including the KPP of $103 million ($25 million relating to its U.S. defined benefit plans) and $115 million ($110 million relating to its U.S. other postretirement benefits plan), respectively. The Company expects to contribute approximately $97 million ($15 million relating to its U.S. defined benefit plans) and $119 million ($118 million relating to its U.S. other postretirement benefits plan), respectively, to its defined benefit plans and other postretirement benefit plans in 2012, including KPP contributions noted in (4) above.

(6) Because their future cash outflows are uncertain, the other long-term liabilities presented in Note 10, "Other Long-Term Liabilities," in the Notes to Financial Statements are excluded from this table.

Off-Balance Sheet Arrangements

The Company guarantees debt and other obligations of certain customers. The debt and other obligations are primarily due to banks and leasing companies in connection with financing of customers' purchases of equipment and product from the Company. At December 31, 2011, the maximum potential amount of future payments (undiscounted) that the Company could be required to make under these customer-related guarantees was $25 million and the carrying amount of the liability related to these customer guarantees was not material.

The customer financing agreements and related guarantees, which mature between 2012 and 2016, typically have a term of 90 days for product and short-term equipment financing arrangements, and up to five years for long-term equipment financing arrangements. These guarantees would require payment from the Company only in the event of default on payment by the respective debtor. In some cases, particularly for guarantees related to equipment financing, the Company has collateral or recourse provisions to recover and sell the equipment to reduce any losses that might be incurred in connection with the guarantees. However, any proceeds received from the liquidation of these assets may not cover the maximum potential loss under these guarantees.

Eastman Kodak Company (“EKC”) also guarantees potential indebtedness to banks and other third parties for some of its consolidated subsidiaries. The maximum amount guaranteed is $185 million, and the outstanding amount for those guarantees is $161 million. Of this outstanding amount, $75 million is recorded within Short-term borrowings and current portion of long-term debt, and Long-term debt, net of current portion. Additionally $12 million is recorded within Other current liabilities and Other long-term liabilities. The remaining $74 million of outstanding guarantees represent parent guarantees providing financial assurance to third parties that the Company’s subsidiaries will fulfill their future performance or financial obligations under various contracts, and do not represent recorded liabilities. These guarantees expire in 2012 through 2019. Pursuant to the terms of the Company's Amended Credit Agreement, obligations of the Borrowers to the Lenders under the Amended Credit Agreement, as well as secured agreements in an amount not to exceed $125 million, are guaranteed by the Company and the Company’s U.S. subsidiaries and included in the above amounts. As of December 31, 2011, these secured agreements totaled $63 million.

EKC has issued a guarantee to Kodak Limited (the “Subsidiary”) and the Trustees (the “Trustees”) of the Kodak Pension Plan of the United Kingdom (the “Plan”). Under that arrangement, EKC guaranteed to the Subsidiary and the Trustees the ability of the Subsidiary, only to the extent it becomes necessary to do so, to (1) make contributions to the Plan to ensure sufficient assets exist to make plan benefit payments, and (2) make contributions to the Plan such that it will achieve full funded status by the funding valuation for the period ending December 31, 2022. The guarantee expires (a) upon the conclusion of the funding valuation for the period ending December 31, 2022 if the Plan achieves full funded status or on payment of the balance if the Plan is underfunded by no more than 60 million British pounds by that date, (b) earlier in the event that the Plan achieves full funded status for two consecutive funding valuation cycles which are typically performed at least every three years, or (c) June 30, 2024 on payment of the balance in the event that the Plan is underfunded by more than 60 million British pounds upon conclusion of the funding valuation for the period ending December 31, 2022. The amount of potential future contributions is dependent on the funding status of the Plan as it fluctuates over the term of the guarantee. The funded status of the plan may be materially impacted by future changes in key assumptions used in the valuation of the plan, particularly the discount rate and expected rate of return on plan assets. The funded status of the Plan (calculated in accordance with U.S. GAAP) is included in Pension and other postretirement liabilities presented in the Consolidated Statement of Financial Position.

The Company issues indemnifications in certain instances when it sells businesses and real estate, and in the ordinary course of business with its customers, suppliers, service providers and business partners. Further, the Company indemnifies its directors and officers who are, or were, serving at the Company's request in such capacities. Historically, costs incurred to settle claims related to these indemnifications have not been material to the Company’s financial position, results of operations or cash flows. Additionally, the fair value of the indemnifications that the Company issued during the year ended December 31, 2011 was not material to the Company’s financial position, results of operations or cash flows.

2010

Cash Flow Activity

Cash flows from investing activities:

Net decrease in cash and cash equivalents	$ (400)	$ (121)	$ (279)

Operating Activities

Net cash used in operating activities increased $83 million for the year ended December 31, 2010 as compared with the prior year due to the combination of working capital changes and use of cash for settlement of other liabilities in the current year using more cash than those factors in the prior year.

Cash received in 2010 related to non-recurring licensing agreements, net of applicable withholding taxes, of $597 million, was $25 million lower than cash received in 2009 related to non-recurring licensing agreements of $622 million.

Investing Activities

Net cash used in investing activities increased $90 million for the year ended December 31, 2010 as compared with 2009 due primarily to a decline of $124 million in proceeds received from sales of assets and businesses. Approximately $100 million of this decline is due to proceeds received from the sale of assets of the Company's OLED group in the prior year. Partially offsetting this decline were a decrease in cash used for acquisitions of $17 million and a reduction in funding of restricted cash of $13 million.

Financing Activities

Net cash used in financing activities increased $107 million for the year ended December 31, 2010 as compared with 2009 due to lower proceeds received from borrowings in the current year, primarily due to the Company's debt refinancing in 2009 for which it received approximately $100 million of net proceeds. Partially offsetting this decrease was a reduction of debt issuance costs of $18 million, also primarily related to the 2009 debt refinancing.

SUMMARY OF OPERATING DATA

A summary of operating data for 2011 and for the four years prior is shown on page 117.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company, as a result of its global operating and financing activities, is exposed to changes in foreign currency exchange rates, commodity prices, and interest rates, which may adversely affect its results of operations and financial position. In seeking to minimize the risks associated with such activities, the Company may enter into derivative contracts. The Company does not utilize financial instruments for trading or other speculative purposes.

Foreign currency forward contracts are used to hedge existing foreign currency denominated assets and liabilities, especially those of the Company's International Treasury Center, as well as forecasted foreign currency denominated intercompany sales. Silver forward contracts are used to mitigate the Company's risk to fluctuating silver prices.

The Company's exposure to changes in interest rates results from its investing and borrowing activities used to meet its liquidity needs. Long-term debt is generally used to finance long-term investments, while short-term debt is used to meet working capital requirements.

Using a sensitivity analysis based on estimated fair value of open foreign currency forward contracts using available forward rates, if the U.S. dollar had been 10% stronger at December 31, 2011 and 2010, the fair value of open forward contracts would have decreased $30 million and $35 million, respectively. Such changes in fair value would be substantially offset by the revaluation or settlement of the underlying positions hedged.

Using a sensitivity analysis based on estimated fair value of open silver forward contracts using available forward prices, if available forward silver prices had been 10% lower at December 31, 2011 and 2010, the fair value of open forward contracts would have decreased $2 million and $1 million, respectively. Such changes in fair value, if realized, would be offset by lower costs of manufacturing silver-containing products.

The Company is exposed to interest rate risk primarily through its borrowing activities and, to a lesser extent, through investments in marketable securities. The Company may utilize borrowings to fund its working capital and investment needs. The majority of short-term and long-term borrowings are in fixed-rate instruments. There is inherent roll-over risk for borrowings and marketable securities as they mature and are renewed at current market rates. The extent of this risk is not predictable because of the variability of future interest rates and business financing requirements.

Using a sensitivity analysis based on estimated fair value of short-term and long-term borrowings, if available market interest rates had been 10% (about 301 basis points) lower at December 31, 2011, the fair value of short-term and long-term borrowings would have increased $3 million and $66 million, respectively. Using a sensitivity analysis based on estimated fair value of short-term and long-term borrowings, if available market interest rates had been 10% (about 76 basis points) lower at December 31, 2010, the fair value of short-term and long-term borrowings would have increased less than $1 million and $50 million, respectively.

The Company's financial instrument counterparties are high-quality investment or commercial banks with significant experience with such instruments. The Company manages exposure to counterparty credit risk by requiring specific minimum credit standards and diversification of counterparties. The Company has procedures to monitor the credit exposure amounts. The maximum credit exposure at December 31, 2011 was not significant to the Company.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of Eastman Kodak Company:

In our opinion, the consolidated financial statements listed in the index appearing under Item 15(a)(1) present fairly, in all material respects, the financial position of Eastman Kodak Company and its subsidiaries at December 31, 2011 and 2010, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 2011 in conformity with accounting principles generally accepted in the United States of America. In addition, in our opinion, the financial statement schedule listed in the index appearing under Item 15(a)(2) presents fairly, in all material respects, the information set forth therein when read in conjunction with the related consolidated financial statements. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2011, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). The Company's management is responsible for these financial statements and financial statement schedule, for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in Management's Report on Internal Control over Financial Reporting appearing under Item 9A. Our responsibility is to express opinions on these financial statements, on the financial statement schedule, and on the Company's internal control over financial reporting based on our integrated audits. We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement and whether effective internal control over financial reporting was maintained in all material respects. Our audits of the financial statements included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As more fully discussed in Note 1 to the financial statements, on January 19, 2012, the Company and its U.S. subsidiaries filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code. Uncertainties inherent in the bankruptcy process raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 1. The accompanying financial statements do not include any adjustments that might result from the outcome of this uncertainty.

A company’s internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTE 1: CHAPTER 11 FILING

On January 19, 2012 (the "Petition Date"), Eastman Kodak Company (the "Company") and its U.S. subsidiaries (together with the Company, the "Debtors") filed voluntary petitions for relief (the "Bankruptcy Filing") under chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") case number 12-10202. The Company's foreign subsidiaries (collectively, the "Non-Filing Entities") were not part of the Bankruptcy Filing. The Debtors will continue to operate their businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court. The Non-Filing Entities will continue to operate in the ordinary course of business.

The Bankruptcy Filing is intended to permit the Company to reorganize and increase liquidity in the U.S. and abroad, monetize non-strategic intellectual property, fairly resolve legacy liabilities, and focus on the most valuable business lines to enable sustainable profitability. The Company's goal is to develop and implement a reorganization plan that meets the standards for confirmation under the Bankruptcy Code. Confirmation of a reorganization plan could materially alter the classifications and amounts reported in the Company's consolidated financial statements, which do not give effect to any adjustments to the carrying values of assets or amounts of liabilities that might be necessary as a consequence of a confirmation of a reorganization plan or other arrangement or the effect of any operational changes that may be implemented.

Operation and Implication of the Bankruptcy Filing

Under Section 362 of the Bankruptcy Code, the filing of voluntary bankruptcy petitions by the Debtors automatically stayed most actions against the Debtors, including most actions to collect indebtedness incurred prior to the Petition Date or to exercise control over the Company's property. Accordingly, although the Bankruptcy Filing triggered defaults for certain of the Debtor's debt obligations, creditors are stayed from taking any actions as a result of such defaults. Absent an order of the Bankruptcy Court, substantially all of the Company's pre-petition liabilities are subject to settlement under a reorganization plan. As a result of the Bankruptcy Filing the realization of assets and the satisfaction of liabilities are subject to uncertainty. The Debtors, operating as debtors-in-possession under the Bankruptcy Code, may, subject to approval of the Bankruptcy Court, sell or otherwise dispose of assets and liquidate or settle liabilities for amounts other than those reflected in the consolidated financial statements. Further, a confirmed reorganization plan or other arrangement may materially change the amounts and classifications in the Company's consolidated financial statements.

Subsequent to the Petition Date, the Company received approval from the Bankruptcy Court to pay or otherwise honor certain pre-petition obligations generally designed to stabilize the Company's operations. These obligations related to certain employee wages, salaries and benefits, and the payment of vendors and other providers in the ordinary course for goods and services received after the Petition Date. The Company has retained, pursuant to Bankruptcy Court approval, legal and financial professionals to advise the Company in connection with the Bankruptcy Filing and certain other professionals to provide services and advice in the ordinary course of business. From time to time, the Company may seek Bankruptcy Court approval to retain additional professionals.

The U.S. Trustee for the Southern District of New York (the "U.S. Trustee") has appointed an official committee of unsecured creditors (the "UCC"). The UCC and its legal representatives have a right to be heard on all matters that come before the Bankruptcy Court on all matters affecting the Debtors. There can be no assurance that the UCC will support the Company's positions on matters to be presented to the Bankruptcy Court in the future or on any reorganization plan, once proposed.

Reorganization Plan

In order for the Company to emerge successfully from chapter 11, the Company must obtain the Bankruptcy Court's approval of a reorganization plan, which will enable the Company to transition from chapter 11 into ordinary course operations outside of bankruptcy. In connection with a reorganization plan, the Company also may require a new credit facility, or "exit financing." The Company's ability to obtain such approval and financing will depend on, among other things, the timing and outcome of various ongoing matters related to the Bankruptcy Filing. A reorganization plan determines the rights and satisfaction of claims of various creditors and security holders, and is subject to the ultimate outcome of negotiations and Bankruptcy Court decisions ongoing through the date on which the reorganization plan is confirmed.

Although the Company's goal is to file a plan of reorganization, the Company may determine that it is in the best interests of the Debtors' estates to seek Bankruptcy Court approval of a sale of all or a portion of the Company's assets pursuant to Section 363 of the Bankruptcy Code or seek confirmation of a reorganization plan providing for such a sale or other arrangement.

The Company intends to propose a reorganization plan on or prior to the applicable date required under the Bankruptcy Code, as the same may be extended with approval of the Bankruptcy Court. The Company presently expects that any proposed reorganization plan will provide, among other things, mechanisms for settlement of claims against the Debtors' estates, treatment of the Company's existing equity and debt holders, and certain corporate governance and administrative matters pertaining to the reorganized Company. Any proposed reorganization plan will be subject to revision prior to submission to the Bankruptcy Court based upon discussions with the Company's creditors and other interested parties, and thereafter in response to creditor claims and objections and the requirements of the Bankruptcy Code or the Bankruptcy Court. There can be no assurance that the Company will be able to secure approval for the Company's proposed reorganization plan from the Bankruptcy Court or that the Company's proposed plan will be accepted by the lenders under a Debtor-in-Possession Revolving Credit Agreement (the "DIP Credit Agreement"). In the event the Company does not secure approval of the reorganization plan, the outstanding principal and interest could become immediately due and payable.

Going Concern

The Company incurred a net loss for the years ended 2009, 2010 and, 2011 and had a shareholders' deficit as of December 31, 2011 and 2010. To improve the Company's performance and address competitive challenges, the Company is developing a strategic plan for the ongoing operation of the Company's business. Successful implementation of the Company's plan, however, is subject to numerous risks and uncertainties. In addition, the increasingly competitive industry conditions under which the Company operates have negatively impacted the Company's results of operations and cash flows and may continue to do so in the future. These factors raise substantial doubt about the Company's ability to continue as a going concern.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern and contemplate the realization of assets and the satisfaction of liabilities in the normal course of business. The Company's ability to continue as a going concern is contingent upon the Company's ability to comply with the financial and other covenants contained in the DIP Credit Agreement, the Bankruptcy Court's approval of the Company's reorganization plan and the Company's ability to successfully implement the Company's plan and obtain exit financing, among other factors. As a result of the Bankruptcy Filing, the realization of assets and the satisfaction of liabilities are subject to uncertainty. While operating as debtors-in-possession under chapter 11, the Company may sell or otherwise dispose of or liquidate assets or settle liabilities, subject to the approval of the Bankruptcy Court or as otherwise permitted in the ordinary course of business (and subject to restrictions contained in the DIP Credit Agreement), for amounts other than those reflected in the accompanying consolidated financial statements. Further, the reorganization plan could materially change the amounts and classifications of assets and liabilities reported in the consolidated financial statements. The accompanying consolidated financial statements do not include any adjustments related to the recoverability and classification of assets or the amounts and classification of liabilities or any other adjustments that might be necessary should the Company be unable to continue as a going concern or as a consequence of the Bankruptcy Filing.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING PRINCIPLES

The consolidated financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America. The following is a description of the significant accounting policies of Eastman Kodak Company.

BASIS OF CONSOLIDATION

The consolidated financial statements include the accounts of Eastman Kodak Company, its wholly owned subsidiaries, and its majority owned subsidiaries (collectively "the Company"). The Company consolidates variable interest entities if the Company has a controlling financial interest and is determined to be the primary beneficiary of the entity. The Company accounts for investments in companies over which it has the ability to exercise significant influence, but does not hold a controlling interest, under the equity method of accounting, and the Company records its proportionate share of income or losses in Other income (charges), net in the accompanying Consolidated Statements of Operations. The Company accounts for investments in companies over which it does not have the ability to exercise significant influence under the cost method of accounting. These investments are carried at cost and are adjusted only for other-than-temporary declines in fair value. The Company has eliminated all significant intercompany accounts and transactions, and net earnings are reduced by the portion of the net earnings of subsidiaries applicable to noncontrolling interests.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at year end, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CHANGE IN ESTIMATE

In conjunction with the Company's goodwill impairment analysis in the fourth quarter of 2010, the Company reviewed its estimates of the remaining useful lives of its Film, Photofinishing and Entertainment Group segment's long-lived assets. This analysis indicated that overall these assets will continue to be used in these businesses for a longer period than anticipated in 2008, the last time that depreciable lives were adjusted for these assets. As a result, the Company revised the useful lives of certain existing production machinery and equipment, and manufacturing-related buildings effective January 1, 2011. These assets, many of which were previously set to fully depreciate by 2012 to 2013, were changed to depreciate with estimated useful lives ending from 2012 to 2017. This change in useful lives reflects the Company's current estimate of future periods to be benefited from the use of the property, plant, and equipment.

The effect of this change in estimate for the year ended December 31, 2011 was a reduction in depreciation expense of $38 million, $32 million of which would have been recognized in Cost of sales, and $6 million of which would have been capitalized as inventories at December 31, 2011. The net impact of this change is an increase in earnings from continuing operations for the year ended December 31, 2011 of $32 million, or $.12 on a fully-diluted earnings per share basis.

FOREIGN CURRENCY

For most subsidiaries and branches outside the U.S., the local currency is the functional currency. The financial statements of these subsidiaries and branches are translated into U.S. dollars as follows: assets and liabilities at year-end exchange rates; income, expenses and cash flows at average exchange rates; and shareholders' equity at historical exchange rates. For those subsidiaries for which the local currency is the functional currency, the resulting translation adjustment is recorded as a component of Accumulated other comprehensive (loss) income in the accompanying Consolidated Statement of Financial Position. Translation adjustments related to investments that are permanent in nature are not tax-effected.

For certain other subsidiaries and branches, operations are conducted primarily in U.S. dollars, which is therefore the functional currency. Monetary assets and liabilities of these foreign subsidiaries and branches, which are recorded in local currency, are remeasured at year-end exchange rates, while the related revenue, expense, and gain and loss accounts, which are recorded in local currency, are remeasured at average exchange rates. Non-monetary assets and liabilities, and the related revenue, expense, and gain and loss accounts, are remeasured at historical rates. Adjustments that result from the remeasurement of the assets and liabilities of these subsidiaries are included in Net (loss) earnings in the accompanying Consolidated Statement of Operations.

The effects of foreign currency transactions, including related hedging activities, are included in Other income (charges), net, in the accompanying Consolidated Statement of Operations.

CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist principally of cash and cash equivalents, receivables, and derivative instruments. The Company places its cash and cash equivalents with high-quality financial institutions and limits the amount of credit exposure to any one institution. With respect to receivables, such receivables arise from sales to numerous customers in a variety of industries, markets, and geographies around the world. Receivables arising from these sales are generally not collateralized. The Company performs ongoing credit evaluations of its customers' financial conditions, and maintains reserves for potential credit losses and such losses, in the aggregate, have not exceeded management's expectations. With respect to the derivative instruments, the counterparties to these contracts are major financial institutions. The Company has not experienced non-performance by any of its derivative instruments counterparties.

DERIVATIVE FINANCIAL INSTRUMENTS

All derivative instruments are recognized as either assets or liabilities and are measured at fair value. Certain derivatives are designated and accounted for as hedges. The Company does not use derivatives for trading or other speculative purposes. See Note 13, “Financial Instruments.”

CASH EQUIVALENTS

All highly liquid investments with a remaining maturity of three months or less at date of purchase are considered to be cash equivalents.

INVENTORIES

Inventories are stated at the lower of cost or market. The cost of all of the Company’s inventories is determined by either the “first in, first out” (“FIFO”) or average cost method, which approximates current cost. The Company provides inventory reserves for excess, obsolete or slow-moving inventory based on changes in customer demand, technology developments or other economic factors.

PROPERTIES

Properties are recorded at cost, net of accumulated depreciation. The Company capitalizes additions and improvements. Maintenance and repairs are charged to expense as incurred. The Company calculates depreciation expense using the straight-line method over the assets’ estimated useful lives, which are as follows:

	Years
Buildings and building improvements	5-40
Land improvements	20
Leasehold improvements	3-20
Equipment	3-15
Tooling	1-3
Furniture and fixtures	5-10

The Company depreciates leasehold improvements over the shorter of the lease term or the asset’s estimated useful life. Upon sale or other disposition, the applicable amounts of asset cost and accumulated depreciation are removed from the accounts and the net amount, less proceeds from disposal, is charged or credited to net (loss) earnings.

GOODWILL

Goodwill represents the excess of purchase price of an acquisition over the fair value of net assets acquired. Goodwill is not amortized, but is required to be assessed for impairment at least annually. The Company has elected September 30 as the annual impairment assessment date for all of its reporting units, and will perform additional impairment tests when events or changes in circumstances occur that would more likely than not reduce the fair value of the reporting unit below its carrying amount. A reporting unit is defined as an operating segment or one level below an operating segment. During 2011, the Company estimated the fair value of its reporting units utilizing an income approach through the application of a discounted cash flow method. During 2010, the Company estimated the fair value of its reporting units utilizing income and market approaches through the application of discounted cash flow and market comparable methods, respectively. The assessment is performed in two steps, step one to test for a potential impairment of goodwill and, if potential losses are identified, step two to measure the impairment loss. Determining the fair value of a reporting unit involves the use of significant estimates and assumptions.

The Company recorded pre-tax goodwill impairment charges of $8 million and $626 million in 2011 and 2010, respectively. See Note 6, “Goodwill and Other Intangible Assets.”

REVENUE

The Company’s revenue transactions include sales of the following: products; equipment; software; services; integrated solutions; and intellectual property licensing. The Company recognizes revenue when realized or realizable and earned, which is when the following criteria are met: (1) persuasive evidence of an arrangement exists; (2) delivery has occurred; (3) the sales price is fixed or determinable;

and (4) collectability is reasonably assured. If the Company determines that collection of a fee is not reasonably assured, the fee is deferred and revenue is recognized at the time collection becomes reasonably assured, which is generally upon receipt of payment. At the time revenue is recognized, the Company provides for the estimated costs of customer incentive programs and estimated returns and reduces revenue accordingly. The Company accrues the estimated cost of post-sale obligations, including basic product warranties, based on historical experience at the time the Company recognizes revenue.

For product sales, the revenue recognition criteria are generally met when title and risk of loss have transferred from the Company to the buyer, which may be upon shipment or upon delivery to the customer site, based on contract terms or legal requirements in certain jurisdictions. Service revenues are recognized as such services are rendered.

For equipment sales, the recognition criteria are generally met when the equipment is delivered and installed at the customer site. Revenue is recognized for equipment upon delivery as opposed to upon installation when the equipment has stand-alone value to the customer, and the amount of revenue allocable to the equipment is not legally contingent upon the completion of the installation. In instances in which the agreement with the customer contains a customer acceptance clause, revenue is deferred until customer acceptance is obtained, provided the customer acceptance clause is considered to be substantive. For certain agreements, the Company does not consider these customer acceptance clauses to be substantive because the Company can and does replicate the customer acceptance test environment and performs the agreed upon product testing prior to shipment. In these instances, revenue is recognized upon installation of the equipment.

Revenue from the sale of software licenses is recognized when; (1) the Company enters into a legally binding arrangement with a customer for the license of software; (2) the Company delivers the software; (3) customer payment is deemed fixed or determinable and free of contingencies or significant uncertainties; and (4) collection from the customer is reasonably assured. Software maintenance and support revenue is recognized ratably over the term of the related maintenance contract.

Revenue from services includes extended warranty, customer support and maintenance agreements, consulting, business process services, training and education. Service revenue is recognized over the contractual period or as services are performed. In service arrangements where final acceptance of a system or solution by the customer is required, revenue is deferred until all acceptance criteria have been met.

The timing and the amount of revenue recognized from the licensing of intellectual property depend upon a variety of factors, including the specific terms of each agreement and the nature of the deliverables and obligations. Revenue is only recognized after all of the following criteria are met: (1) the Company enters into a legally binding arrangement with a licensee of Kodak’s intellectual property, (2) the Company delivers the technology or intellectual property rights, (3) licensee payment is deemed fixed or determinable and free of contingencies or significant uncertainties, and (4) collection from the licensee is reasonably assured.
When the Company has continuing obligations related to a licensing arrangement, including extending the rights to currently undeveloped intellectual property, the Company applies the multiple element revenue guidance described below to determine the separation, allocation and recognition of revenue.

The Company's transactions may involve the sale of equipment, software, and related services under multiple element arrangements. The Company allocates revenue to the various elements based on available vendor specific objective evidence (“VSOE”), third party evidence, or best estimated selling price. Revenue allocated to an individual element is recognized when all other revenue recognition criteria are met for that element. Kodak limits the amount of revenue recognition for delivered elements to the amount that is not contingent on the future delivery of products or services, future performance obligations or subject to customer-specified return or refund privileges.

The Company evaluates each deliverable in an arrangement to determine whether they represent separate units of accounting. A deliverable constitutes a separate unit of accounting when it has stand-alone value to the customer, and if the arrangement includes a general right of return relative to the delivered item(s), delivery or performance of the undelivered item(s) is considered probable and substantially in our control. If these criteria are not met, the arrangement is accounted for as one unit of accounting and the recognition of revenue generally occurs upon delivery/completion or ratably as a single unit of accounting over the contractual service period.

Consideration in a multiple element arrangement is allocated at the inception of the arrangement to all deliverables on the basis of the relative selling price. When applying the relative selling price method, the selling price for each deliverable is based on its VSOE if available, third party evidence (“TPE”) if VSOE is not available, or best estimated selling price (“BESP”) if neither VSOE nor TPE is available. The Company establishes VSOE of selling price using the price charged for a deliverable when sold separately. TPE of selling price is established by evaluating largely similar and interchangeable competitor products or services in standalone sales to similarly

situated customers. The best estimate of selling price is established by considering internal factors such as margin objectives, pricing practices and controls, customer segment pricing strategies and the product life cycle. Consideration is also given to geographies, market conditions such as competitor pricing strategies and industry technology life cycles. The Company regularly reviews VSOE, TPE and BESP and maintains internal controls over the establishment and updates of these estimates.

Most of the Company's equipment has both software and non-software components that function together to deliver the equipment's essential functionality and therefore they are accounted for together as non-software deliverables. Non-essential software sold in connection with the Company's equipment sales is off-the-shelf and accounted for as separate deliverables or elements. In most cases these software products sold as part of a multiple element arrangement include software maintenance agreements as well as unspecified upgrades or enhancements on a when-and-if-available basis. In those multiple element arrangements where non-essential software deliverables are included, revenue is allocated to non-software and to software deliverables each as a group based on relative selling prices of each of the deliverables in the arrangement. The software deliverables are subject to software accounting whereby revenue is allocated based on relative VSOE or based on the residual method when VSOE exists for all undelivered software elements such as post-contract support. Revenue allocated to the software deliverables is deferred and amortized over the contract period if VSOE does not exist for the undelivered elements. Revenue allocated to software licenses is recognized when all other revenue criteria have been met. Revenue generated from maintenance and unspecified upgrades or updates on a when-and-if-available basis is recognized over the contract period.

At the time revenue is recognized, the Company also records reductions to revenue for customer incentive programs. Such incentive programs include cash and volume discounts, price protection, promotional, cooperative and other advertising allowances, and coupons. For those incentives that require the estimation of sales volumes or redemption rates, such as for volume rebates or coupons, the Company uses historical experience and internal and customer data to estimate the sales incentive at the time revenue is recognized.

In instances where the Company provides slotting fees or similar arrangements, this incentive is recognized as a reduction in revenue when payment is made to the customer (or at the time the Company has incurred the obligation, if earlier) unless the Company receives a benefit over a period of time, in which case the incentive is recorded as an asset and is amortized as a reduction of revenue over the period in which the benefit is realized. Arrangements in which the Company receives an identifiable benefit include arrangements that have enforceable exclusivity provisions and include clawback provisions entitling the Company to a pro rata reimbursement if the customer does not fulfill its obligations under the contract.

The Company may offer customer financing to assist customers in their acquisition of Kodak's products. At the time a financing transaction is consummated, which qualifies as a sales-type lease, the Company records equipment revenue equal to the total lease receivable net of unearned income. Unearned income is recognized as finance income using the effective interest method over the term of the lease. Leases not qualifying as sales-type leases are accounted for as operating leases. The Company recognizes revenue from operating leases as earned.

RESEARCH AND DEVELOPMENT COSTS

Research and development ("R&D") costs, which include costs incurred in connection with new product development, fundamental and exploratory research, process improvement, product use technology and product accreditation, are expensed in the period in which they are incurred. The acquisition-date fair value of research and development assets acquired in a business combination is capitalized.

ADVERTISING

Advertising costs are expensed as incurred and included in selling, general and administrative expenses in the accompanying Consolidated Statement of Operations. Advertising expenses amounted to $206 million, $301 million, and $271 million for the years ended December 31, 2011, 2010, and 2009, respectively.

SHIPPING AND HANDLING COSTS

Amounts charged to customers and costs incurred by the Company related to shipping and handling are included in net sales and cost of sales, respectively.

IMPAIRMENT OF LONG-LIVED ASSETS

The Company reviews the carrying values of its long-lived assets, other than goodwill and purchased intangible assets with indefinite useful lives, for impairment whenever events or changes in circumstances indicate that the carrying values may not be recoverable. The Company assesses the recoverability of the carrying values of long-lived assets by first grouping its long-lived assets with other assets and liabilities at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities (the asset group) and, secondly, by estimating the undiscounted future cash flows that are directly associated with and that are expected to arise from the use of and eventual disposition of such asset group. The Company estimates the undiscounted cash flows over the remaining useful life of the primary asset within the asset group. If the carrying value of the asset group exceeds the estimated undiscounted cash flows, the Company records an impairment charge to the extent the carrying value of the long-lived assets exceed their fair value. The Company determines fair value through quoted market prices in active markets or, if quoted market prices are unavailable, through the performance of internal analyses of discounted cash flows.

In connection with its assessment of recoverability of its long-lived assets and its ongoing strategic review of the business and its operations, the Company continually reviews the remaining useful lives of its long-lived assets. If this review indicates that the remaining useful life of the long-lived asset has changed significantly, the Company adjusts the depreciation on that asset to facilitate full cost recovery over its revised estimated remaining useful life.

INCOME TAXES

The Company recognizes deferred tax liabilities and assets for the expected future tax consequences of operating losses, credit carryforwards and temporary differences between the carrying amounts and tax basis of the Company's assets and liabilities. The Company records a valuation allowance to reduce its net deferred tax assets to the amount that is more likely than not to be realized. For discussion of the amounts and components of the valuation allowances as of December 31, 2011 and 2010, see Note 16, "Income Taxes."

EARNINGS PER SHARE

Basic earnings per share computations are based on the weighted-average number of shares of common stock outstanding during the year. As a result of the net loss from continuing operations presented for the years ended December 31, 2011, 2010, and 2009, the Company calculated diluted earnings per share using weighted-average basic shares outstanding for each period, as utilizing diluted shares would be anti-dilutive to loss per share. Weighted-average basic shares outstanding for the years ended December 31, 2011, 2010, and 2009 were 269.1 million, 268.5 million, and 268.0 million shares, respectively.

If the Company had reported earnings from continuing operations for the years ended December 31, 2011, 2010, and 2009, the following potential shares of the Company's common stock would have been dilutive in the computation of diluted earnings per share:

(in millions of shares)	For the Year Ended December 31,		
	2011	2010	2009
Unvested share-based awards	0.4	2.7	0.5

The computation of diluted earnings per share for the years ended December 31, 2011, 2010, and 2009 also excluded the assumed conversion of outstanding employee stock options and detachable warrants to purchase common shares, because the effects would be anti-dilutive. The following table sets forth the total amount of outstanding employee stock options and detachable warrants to purchase common shares as of December 31 for each reporting period:

(in millions of shares)	For the Year Ended December 31,		
	2011	2010	2009
Employee stock options	13.6	18.0	23.5
Detachable warrants to purchase common shares	40.0	40.0	40.0
Total	53.6	58.0	63.5

Diluted earnings per share calculations could also reflect shares related to the assumed conversion of approximately $315 million of convertible senior notes due 2017, if dilutive. The Company's diluted (loss) earnings per share excludes the effect of these convertible securities, as they were anti-dilutive for all periods presented. Refer to Note 9, "Short-Term Borrowings and Long-Term Debt."

RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

In December 2010, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2010-28, "When to Perform Step 2 of the Goodwill Impairment Test for Reporting Units with Zero or Negative Carrying Amounts," which amends Accounting Standards Codification (ASC) Topic 350, "Intangibles – Goodwill and Other." ASU No. 2010-28 amends the ASC to require entities that have a reporting unit with a zero or negative carrying value to assess whether qualitative factors indicate that it is more likely than not that an impairment of goodwill exists, and if an entity concludes that it is more likely than not that an impairment exists, the entity must measure the goodwill impairment. The changes to the ASC as a result of this update were effective for annual and interim reporting periods beginning after December 15, 2010 (January 1, 2011 for the Company). The adoption of this guidance did not impact the Company's Consolidated Financial Statements.

In October 2009, the FASB issued ASU No. 2009-13, "Multiple-Deliverable Revenue Arrangements," which amends ASC Topic 605, "Revenue Recognition." ASU No. 2009-13 amends the ASC to eliminate the residual method of allocation for multiple-deliverable revenue arrangements, and requires that arrangement consideration be allocated at the inception of an arrangement to all deliverables using the relative selling price method. The ASU also establishes a selling price hierarchy for determining the selling price of a deliverable, which includes: (1) vendor-specific objective evidence if available, (2) third-party evidence if vendor-specific objective evidence is not available, and (3) estimated selling price if neither vendor-specific nor third-party evidence is available. Additionally, ASU No. 2009-13 expands the disclosure requirements related to a vendor's multiple-deliverable revenue arrangements. The changes to the ASC as a result of this update were effective prospectively for revenue arrangements entered into or materially modified in fiscal years beginning on or after June 15, 2010 (January 1, 2011 for the Company). The adoption of this guidance did not have a material impact on the Company's Consolidated Financial Statements.

In October 2009, the FASB issued ASU No. 2009-14, "Certain Revenue Arrangements That Include Software Elements," which amends ASC Topic 985, "Software." ASU No. 2009-14 amends the ASC to change the accounting model for revenue arrangements that include both tangible products and software elements, such that tangible products containing both software and non-software components that function together to deliver the tangible product's essential functionality are no longer within the scope of software revenue guidance. The changes to the ASC as a result of this update were effective prospectively for revenue arrangements entered into or materially modified in fiscal years beginning on or after June 15, 2010 (January 1, 2011 for the Company). The adoption of this guidance did not have a material impact on the Company's Consolidated Financial Statements.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In December 2011, the FASB issued ASU No. 2011-10, "Derecognition of in Substance Real Estate – a Scope Clarification," which amends ASC Topic 360, "Property, Plant and Equipment." ASU No. 2011-10 states that when an investor ceases to have a controlling financial interest in an entity that is in-substance real estate as a result of a default on the entity's nonrecourse debt, the investor should apply the guidance under ASC Subtopic 360-20, Property, Plant and Equipment – Real Estate Sales (formerly FAS 66) to determine whether to derecognize the entity's assets (including real estate) and liabilities (including the nonrecourse debt). The changes to the ASC as a result of this update are effective prospectively for deconsolidation events occurring during fiscal years, and interim periods within those years, beginning on or after June, 15, 2012 (January 1, 2013 for the Company). Adoption of this guidance will not impact the Company's Consolidated Financial Statements.

In December 2011, the FASB issued ASU No. 2011-11, "Balance Sheet (ASC Topic 210): Disclosures about Offsetting Assets and Liabilities." ASU No. 2011-11 creates new disclosure requirements about the nature of an entity's rights of setoff and related arrangements

associated with its financial instruments and derivative instruments. The changes to the ASC as a result of this update are effective for periods beginning on or after January 1, 2013 (January 1, 2013 for the Company) and must be shown retrospectively for all comparative periods presented. This guidance requires new disclosures only, and will have no impact on the Company's Consolidated Financial Statements.

In September 2011, the FASB issued ASU No. 2011-08, "Intangibles-Goodwill and Other (ASC Topic 350) – Testing Goodwill for Impairment." ASU No. 2011-08 amends the impairment test for goodwill by allowing companies to first assess qualitative factors to determine if it is more likely than not that goodwill might be impaired and whether it is necessary to perform the current two-step goodwill impairment test. The changes to the ASC as a result of this update are effective prospectively for interim and annual periods beginning after December 15, 2011 (January 1, 2012 for the Company). Adoption of this guidance will not impact the Company's Consolidated Financial Statements.

In June 2011, the FASB issued ASU No. 2011-05, "Comprehensive Income (ASC Topic 220) - Presentation of Comprehensive Income." ASU No. 2011-05 eliminates the option to present the components of other comprehensive income as part of the statement of equity and requires an entity to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements. Subsequently, the FASB issued ASU No. 2011-12, "Comprehensive Income (ASC Topic 220) – Deferral of the Effective Date for Amendments to the Presentation of Reclassifications of Items Out of Accumulated Other Comprehensive Income in Accounting Standards Update No. 2011-05." ASU 2011-12 defers indefinitely the provision within ASU 2011-05 requiring entities to present reclassification adjustments out of accumulated other comprehensive income (AOCI) by component in both the income statement and the statement in which other comprehensive income (OCI) is presented. ASU 2011-12 does not change the other provisions instituted within ASU 2011-05. The amendments of both ASUs are effective retrospectively for fiscal years, and interim periods within those years, beginning after December 15, 2011 (January 1, 2012 for the Company). The guidance requires changes in presentation only and will have no impact on the Company's Consolidated Financial Statements.

In May 2011, the FASB issued ASU No. 2011-04, "Fair Value Measurement (ASC Topic 820) - Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs." ASU No. 2011-04 amends current fair value measurement and disclosure guidance to include increased transparency around valuation inputs and investment categorization. The changes to the ASC as a result of this update are effective prospectively for interim and annual periods beginning after December 15, 2011 (January 1, 2012 for the Company). The adoption of this guidance will not have a significant impact on the Company's Consolidated Financial Statements.

NOTE 6: GOODWILL AND OTHER INTANGIBLE ASSETS

Goodwill was $277 million and $294 million as of December 31, 2011 and 2010, respectively. The changes in the carrying amount of goodwill by reportable segment for 2011 and 2010 were as follows:

During 2010, due to continuing challenging business conditions driven, in part, by rising commodity prices and a continuation of significant declines in the FPEG business caused by digital substitution, the Company concluded there was an indication of a possible goodwill impairment related to the FPEG segment. Based on its analysis, the Company concluded that there was an impairment of goodwill related to the FPEG segment. The Company recorded a pre-tax impairment charge of $626 million in the fourth quarter of 2010 that was included in Other operating expenses (income), net in the Consolidated Statement of Operations.

During 2011, due to the impact of continued pricing pressures and higher commodity costs within Prepress Solutions, as well as higher start-up costs associated with the commercialization and placement of Prosper Printing Systems, the Company concluded that the carrying value of goodwill for its Commercial Printing reporting unit exceeded the implied fair value of goodwill. The Company recorded a pre-tax impairment charge of $8 million in 2011 that was included in Other operating expenses (income), net in the Consolidated Statement of Operations.

Issuance of Senior Secured Notes due 2019

On March 15, 2011, the Company issued $250 million of aggregate principal amount of 10.625% senior secured notes due March 15, 2019 (2019 Senior Secured Notes). Terms of the notes require interest at an annual rate of 10.625% of the principal amount at issuance, payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2011.

Upon issuance of the 2019 Senior Secured Notes, the Company received proceeds of approximately $247 million ($250 million aggregate principal less $3 million stated discount). The proceeds were used to repurchase $50 million of the 7.25% Senior Notes due 2013 with the remaining amount being used for other general corporate purposes.

In connection with the issuance of the 2019 Senior Secured Notes, the Company and the subsidiary guarantors (as defined below) entered into an indenture, dated as of March 15, 2011, with Bank of New York Mellon as trustee and second lien collateral agent (Indenture).

At any time prior to March 15, 2015, the Company will be entitled at its option to redeem some or all of the 2019 Senior Secured Notes at a redemption price of 100% of the principal plus accrued and unpaid interest and a “make-whole” premium (as defined in the Indenture). On and after March 15, 2015, the Company may redeem some or all of the 2019 Senior Secured Notes at certain redemption prices expressed as percentages of the principal plus accrued and unpaid interest. In addition, prior to March 15, 2014, the Company may redeem up to 35% of the 2019 Senior Secured Notes at a redemption price of 110.625% of the principal, plus accrued and unpaid interest, using proceeds from certain equity offerings, provided the redemption takes place within 120 days after the closing of the related equity offering and not less than 65% of the original aggregate principal remains outstanding immediately thereafter.

Upon the occurrence of a change of control, each holder of the 2019 Senior Secured Notes has the right to require the Company to repurchase some or all of such holder’s 2019 Senior Secured Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

The Indenture contains covenants limiting, among other things, the Company’s ability and the ability of the Company’s restricted subsidiaries (as defined in the Indenture) to (subject to certain exceptions and qualifications): incur additional debt or issue certain preferred stock; pay dividends or make distributions in respect of capital stock or make other restricted payments; make principal payments on, or purchase or redeem subordinated indebtedness prior to any scheduled principal payment or maturity; make certain investments; sell certain assets; create liens on assets; consolidate, merge, sell or otherwise dispose of all or substantially all of the Company’s and its subsidiaries’ assets; enter into certain transactions with affiliates; and designate the Company’s subsidiaries as unrestricted subsidiaries. The Company was in compliance with these covenants as of December 31, 2011.

The 2019 Senior Secured Notes are fully and unconditionally guaranteed (Guarantees) on a senior secured basis by each of the Company’s existing and future direct or indirect 100% owned domestic subsidiaries, subject to certain exceptions (Subsidiary Guarantors). The 2019 Senior Secured Notes and Guarantees are secured by second-priority liens, subject to permitted liens, on substantially all of the Company’s domestic assets and substantially all of the domestic assets of the Subsidiary Guarantors pursuant to a supplement, dated March 15, 2011, to the security agreement, dated March 5, 2010, entered into with Bank of New York Mellon as second lien collateral agent. The carrying value of the assets pledged as collateral at December 31, 2011 was approximately $1 billion.

The 2019 Senior Secured Notes are the Company’s senior secured obligations and rank senior in right of payment to any future subordinated indebtedness; rank equally in right of payment with all of the Company’s existing and future senior indebtedness; are

effectively senior in right of payment to the Company's existing and future unsecured indebtedness, are effectively subordinated in right of payment to indebtedness under the Company's Second Amended Credit Agreement (as defined below) to the extent of the collateral securing such indebtedness on a first-priority basis; and effectively are subordinated in right of payment to all existing and future indebtedness and other liabilities of the Company's non-guarantor subsidiaries.

Certain events are considered events of default and may result in the acceleration of the maturity of the 2019 Senior Secured Notes, including, but not limited to (subject to applicable grace and cure periods): default in the payment of principal or interest when it becomes due and payable; failure to purchase Senior Secured Notes tendered when and as required; certain events of bankruptcy; and non-compliance with other provisions and covenants and the acceleration or default in the payment of principal of certain other forms of debt. If an event of default occurs, the aggregate principal amount and accrued and unpaid interest may become due and payable immediately.

The Bankruptcy Filing constituted an event of default with the 2019 Senior Secured Notes. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code. See discussion below regarding the Second Lien Holders Agreement.

Senior Secured Notes due 2018

On March 5, 2010, the Company issued $500 million of aggregate principal amount of 9.75% senior secured notes due March 1, 2018 (the "2018 Senior Secured Notes"). The Company will pay interest at an annual rate of 9.75% of the principal amount at issuance, payable semi-annually in arrears on March 1 and September 1 of each year, beginning on September 1, 2010.

Upon issuance of the 2018 Senior Secured Notes, the Company received net proceeds of approximately $490 million ($500 million aggregate principal less $10 million stated discount). The proceeds were used to repurchase all of the Senior Secured Notes due 2017 and to fund the tender of $200 million of the 7.25% Senior Notes due 2013.

In connection with the 2018 Senior Secured Notes, the Company and the subsidiary guarantors (as defined below) entered into an indenture, dated as of March 5, 2010, with Bank of New York Mellon as trustee and collateral agent (the "Indenture").

At any time prior to March 1, 2014, the Company will be entitled at its option to redeem some or all of the 2018 Senior Secured Notes at a redemption price of 100% of the principal plus accrued and unpaid interest and a "make-whole" premium (as defined in the Indenture). On and after March 1, 2014, the Company may redeem some or all of the 2018 Senior Secured Notes at certain redemption prices expressed as percentages of the principal plus accrued and unpaid interest. In addition, prior to March 31, 2013, the Company may redeem up to 35% of the 2018 Senior Secured Notes at a redemption price of 109.75% of the principal, plus accrued and unpaid interest, using proceeds from certain equity offerings, provided the redemption takes place within 120 days after the closing of the related equity offering and not less than 65% of the original aggregate principal remains outstanding immediately thereafter.

Upon the occurrence of a change of control, each holder of the 2018 Senior Secured Notes has the right to require the Company to repurchase some or all of such holder's 2018 Senior Secured Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

The Indenture contains covenants limiting, among other things, the Company's ability and the ability of the Company's restricted subsidiaries (as defined in the Indenture) to (subject to certain exceptions and qualifications): incur additional debt or issue certain preferred stock; pay dividends or make distributions in respect of capital stock or make other restricted payments; make principal payments on, or purchase or redeem subordinated indebtedness prior to any scheduled principal payment or maturity; make certain investments; sell certain assets; create liens on assets; consolidate, merge, sell or otherwise dispose of all or substantially all of the Company's and its subsidiaries' assets; enter into certain transactions with affiliates; and designate the Company's subsidiaries as unrestricted subsidiaries. The Company was in compliance with these covenants as of December 31, 2011.

The 2018 Senior Secured Notes are fully and unconditionally guaranteed (the "guarantees") on a senior secured basis by each of the Company's existing and future direct or indirect 100% owned domestic subsidiaries, subject to certain exceptions (the "Subsidiary Guarantors"). The 2018 Senior Secured Notes and guarantees are secured by second-priority liens, subject to permitted liens, on substantially all of the Company's domestic assets and substantially all of the domestic assets of the Subsidiary Guarantors pursuant to a security agreement entered into with Bank of New York Mellon as second lien collateral agent on March 5, 2010. The carrying value of the assets pledged as collateral at December 31, 2011 was approximately $1 billion.

The 2018 Senior Secured Notes are the Company's senior secured obligations and rank senior in right of payment to any future subordinated indebtedness; rank equally in right of payment with all of the Company's existing and future senior indebtedness; are effectively senior in right of payment to the Company's existing and future unsecured indebtedness, are effectively subordinated in

right of payment to indebtedness under the Company's Amended Credit Agreement (as defined below) to the extent of the collateral securing such indebtedness on a first-priority basis; and effectively are subordinated in right of payment to all existing and future indebtedness and other liabilities of the Company's non-guarantor subsidiaries.

Certain events are considered events of default and may result in the acceleration of the maturity of the 2018 Senior Secured Notes including, but not limited to: default in the payment of principal or interest when it becomes due and payable; subject to applicable grace periods, failure to purchase Senior Secured Notes tendered when and as required; events of bankruptcy; and non-compliance with other provisions and covenants and the acceleration or default in the payment of principal of other forms of debt. If an event of default occurs, the aggregate principal amount and accrued and unpaid interest may become due and payable immediately.

The Bankruptcy Filing constituted an event of default with the 2018 Senior Secured Notes. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code.

Second Lien Holders Agreement

On February 14**,** 2012, the Company reached an adequate protection agreement with a group representing at least 50.1% of the Second Lien Note Holders (2019 Senior Secured Note Holders and 2018 Senior Secured Note Holders), which was reflected in the Final DIP Order. The Company agreed, among other things, to provide all Second Lien Note Holders with a portion of the proceeds received from certain sales and settlements in respect of the Company's digital imaging portfolio subject to the following waterfall and the Company's right to retain a percentage of certain proceeds under the DIP Credit Agreement: first, to repay any outstanding obligations under the DIP Credit Agreement, including cash collateralizing letters of credit (unless the certain parties otherwise agree); second, to pay 50% of accrued second lien interest at the non-default rate; third, the Company retains $250 million; fourth, to pay 50% of accrued second lien interest at the non-default rate; fifth, any remaining proceeds up to $2,250 million to be split 60% to the Company and 40% to repay outstanding second lien debt at par; and sixth, the Company agreed that any proceeds above $2,250 million will be split 50% to the Company and 50% to Second Lien Note Holders until second lien debt is fully paid. The Company also agreed to pay current interest to Second Lien Note Holders upon the receipt of $250 million noted above. Subject to the satisfaction of certain conditions, the Company also agreed to pay reasonable fees of certain advisors to the Second Lien Note Holders.

2017 Convertible Senior Notes

On September 23, 2009, the Company issued $400 million of aggregate principal amount of 7% convertible senior notes due April 1, 2017 (the "2017 Convertible Notes"). The Company will pay interest at an annual rate of 7% of the principal amount at issuance, payable semi-annually in arrears on April 1 and October 1 of each year, beginning on April 1, 2010.

The 2017 Convertible Notes are convertible at an initial conversion rate of 134.9528 shares of the Company's common stock per $1,000 principal amount of convertible notes (representing an initial conversion price of approximately $7.41 per share of common stock) subject to adjustment in certain circumstances. Holders may surrender their 2017 Convertible Notes for conversion at any time prior to the close of business on the business day immediately preceding the maturity date for the notes. Upon conversion, the Company shall deliver or pay, at its election, solely shares of its common stock or solely cash. Holders of the 2017 Convertible Notes may require the Company to purchase all or a portion of the convertible notes at a price equal to 100% of the principal amount of the convertible notes to be purchased, plus accrued and unpaid interest, in cash, upon occurrence of certain fundamental changes involving the Company including, but not limited to, a change in ownership, consolidation or merger, plan of dissolution, or common stock delisting from a U.S. national securities exchange.

The Company may redeem the 2017 Convertible Notes in whole or in part for cash at any time on or after October 1, 2014 and before October 1, 2016 if the closing sale price of the common stock for at least 20 of the 30 consecutive trading days ending within three trading days prior to the date the Company provides notice of redemption exceeds 130% of the conversion price in effect on each such trading day, or at any time on or after October 1, 2016 and prior to maturity regardless of the sale price of the Company's common stock. The redemption price will equal 100% of the principal amount of the Notes to be redeemed, plus any accrued and unpaid interest.

In accordance with U.S. GAAP, the principal amount of the 2017 Convertible Notes was allocated to debt at the estimated fair value of the debt component of the notes at the time of issuance, with the residual amount allocated to the equity component. Approximately $293 million and $107 million of the principal amount were initially allocated to the debt and equity components respectively, and reported as Long-term debt, net of current portion and Additional paid-in capital, respectively. The initial carrying value of the debt of $293 million will be accreted up to the $400 million stated principal amount using the effective interest method over the 7.5 year term of the notes. Accretion of the principal will be reported as a component of interest expense. Accordingly, the Company will recognize annual interest expense on the debt at an effective interest rate of 12.75%.

The 2017 Convertible Notes are the Company's senior unsecured obligations and rank: (i) senior in right of payment to the Company's existing and future indebtedness that is expressly subordinated in right of payment to the 2017 Convertible Notes; (ii) equal in right of payment to the Company's existing and future unsecured indebtedness that is not so subordinated; (iii) effectively subordinated in right of payment to any of the Company's secured indebtedness to the extent of the value of the assets securing such indebtedness; and (iv) structurally subordinated to all existing and future indebtedness and obligations incurred by the Company's subsidiaries including guarantees of the Company's obligations by such subsidiaries.

Certain events are considered events of default and may result in the acceleration of the maturity of the 2017 Convertible Notes including, but not limited to: default in the payment of principal or interest when it becomes due and payable; failure to comply with an obligation to convert the 2017 Convertible Notes; not timely reporting a fundamental change; events of bankruptcy; and non-compliance with other provisions and covenants and other forms of indebtedness for borrowed money. If an event of default occurs, the aggregate principal amount and accrued and unpaid interest may become due and payable immediately.

The Bankruptcy Filing constituted an event of default with the 2017 Convertible Notes. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code.

Senior Notes due 2013

On October 10, 2003, the Company completed the offering and sale of $500 million aggregate principal amount of Senior Notes due 2013 (the "2013 Notes"), which was made pursuant to the Company's shelf registration statement on Form S-3 effective September 19, 2003. Interest on the 2013 Notes will accrue at the rate of 7.25% per annum and is payable semiannually. The 2013 Notes are not redeemable at the Company's option or repayable at the option of any holder prior to maturity. The 2013 Notes are unsecured and unsubordinated obligations, and rank equally with all of the Company's other unsecured and unsubordinated indebtedness.

On March 10, 2010, the Company accepted for purchase $200 million aggregate principal amount of the Senior Notes due 2013 (2013 Notes) pursuant to the terms of a tender offer that commenced on February 3, 2010.

On March 15, 2011, the Company repurchased $50 million aggregate principal amount of the 2013 Notes at par using proceeds from the issuance of the 2019 Senior Secured Notes. As of December 31, 2011, $250 million of the 2013 Notes remain outstanding.

The Bankruptcy Filing constituted an event of default with the 2013 Senior Notes. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code.

Second Amended and Restated Credit Agreement

On April 26, 2011, the Company and its subsidiary, Kodak Canada, Inc. (together the "Borrowers"), together with the Company's U.S. subsidiaries as guarantors (Guarantors), entered into a Second Amended and Restated Credit Agreement (Second Amended Credit Agreement), with the named lenders (Lenders) and Bank of America, N.A. as administrative agent, in order to amend and extend its Amended and Restated Credit Agreement dated as of March 31, 2009, as amended (Amended Credit Agreement).

The Second Amended Credit Agreement provides for an asset-based Canadian and U.S. revolving credit facility (Credit Facility) of $400 million ($370 million in the U.S. and $30 million in Canada), as further described below, with the ability to increase the aggregate amount. Additionally, up to $125 million of the Company's and its subsidiaries' obligations to Lenders under treasury management services, hedge or other agreements or arrangements can be secured by the collateral under the Credit Facility. The Credit Facility can be used for ongoing working capital and other general corporate purposes. The termination date of the Credit Facility is the earlier of (a) April 26, 2016 or (b) August 17, 2013, to the extent that the 2013 Notes have not been redeemed, defeased, or otherwise satisfied by that date.

On September 23, 2011, the Company initiated a draw of $160 million under the Second Amended Credit Agreement for general corporate purposes. During the fourth quarter of 2011, the Company repaid $60 million under the Second Amended Credit Agreement. The revolving credit advance bears interest at applicable margins over the Base Rate, as defined in the Second Amended Credit Agreement. The borrowing will bear interest initially at 1.5% (the applicable margin) plus the Base Rate, which fluctuates daily based on the highest of the following reference rates: the Federal Funds Rate plus 0.5%, Bank of America's prime rate, and a one-month Eurodollar rate plus 1.0%. The Company may repay the advances at any time without penalty, subject to certain conditions if the advances have been converted to a Eurodollar rate.

Advances under the Second Amended Credit Agreement are available based on the Borrowers' respective borrowing base from time to time. The borrowing base is calculated based on designated percentages of eligible accounts receivable, inventory, and machinery and

equipment, subject to applicable reserves. As of December 31, 2011, based on this borrowing base calculation and after deducting $100 million of outstanding borrowings under the agreement, the face amount of letters of credit outstanding of $96 million and $63 million of collateral to secure other banking arrangements, the Company had $71 million available to borrow under the Second Amended Credit Agreement.

Under the terms of the Credit Facility, the Company has agreed to certain affirmative and negative covenants customary in similar asset-based lending facilities. In the event the Company's excess availability under the Credit Facility borrowing base formula falls below the greater of (a) $40 million or (b) 12.5% of the commitments under the Credit Facility at any time (Trigger), among other things, the Company must maintain a fixed charge coverage ratio of not less than 1.1 to 1.0 until the excess availability is greater than the Trigger for 30 consecutive days. As of December 31, 2011, the Company's fixed charge coverage ratio was less than 1.1 to 1.0; however, as of December 31, 2011, excess availability was greater than the Trigger. It is the Company's intent to repay its borrowings as necessary to avoid falling below the required threshold. The $100 million principal outstanding as of December 31, 2011 is recorded within short-term borrowings and current portion of long-term debt within the Company's Consolidated Statement of Financial Position. The negative covenants limit, under certain circumstances, among other things, the Company's ability to incur additional debt or liens, make certain investments, make shareholder distributions or prepay debt, except as permitted under the terms of the Second Amended Credit Agreement. The Company was in compliance with all covenants under the Credit Facility as of December 31, 2011.

In addition to the Second Amended Credit Agreement, the Company has other committed and uncommitted lines of credit as of December 31, 2011 totaling $17 million and $65 million, respectively. These lines primarily support operational and borrowing needs of the Company's subsidiaries, which include term loans, overdraft coverage, revolving credit lines, letters of credit, bank guarantees and vendor financing programs. Interest rates and other terms of borrowing under these lines of credit vary from country to country, depending on local market conditions. As of December 31, 2011, usage under these lines was approximately $24 million all of which were supporting non-debt related obligations.

The Credit Facility contains events of default customary in similar asset based lending facilities. If an event of default occurs and is continuing, the Lenders may decline to provide additional advances, impose a default rate of interest, declare all amounts outstanding under the Credit Facility immediately due and payable, and require cash collateralization or similar arrangements for outstanding letters of credit.

The Bankruptcy Filing constituted an event of default with the Second Amended and Restated Credit Agreement. The creditors are, however, stayed from taking any action as a result of the default under Section 362 of the Bankruptcy Code. On January 20, 2012, the Company repaid all obligations and terminated all commitments under the Second Amended and Restated Credit Agreement in connection with entering into and drawing funds from the Debtor-in-Possession Revolving Credit Agreement.

Debtor-in-Possession Credit Agreement

In connection with the Bankruptcy Filing, on January 20, 2012, the Company and Kodak Canada Inc. (the "Canadian Borrower" and, together with the Company, the "Borrowers") entered into a Debtor-in-Possession Credit Agreement as amended on January 25, 2012 (the "DIP Credit Agreement"), with certain subsidiaries of the Company and the Canadian Borrower signatory thereto ("Subsidiary Guarantors"), the lenders signatory thereto (the "Lenders"), Citigroup Global Markets Inc., as sole lead arranger and bookrunner, and Citicorp North America, Inc., as syndication agent, administration agent and collateral agent (the "Agent"). Pursuant to the terms of the DIP Credit Agreement, the Lenders agreed to lend in an aggregate principal amount of up to $950 million, consisting of an up to $250 million super-priority senior secured asset-based revolving credit facility and an up to $700 million super-priority senior secured term loan facility (collectively, the "Loans"). A portion of the revolving credit facility will be available to the Canadian Borrower and may be borrowed in Canadian Dollars. The DIP Credit Agreement was approved on February 15, 2012 by the Bankruptcy Court.

The Company and each existing and future direct or indirect U.S. subsidiary of the Company (other than indirect U.S. subsidiaries held through foreign subsidiaries and certain immaterial subsidiaries (if any)) (the "U.S. Guarantors") have agreed to provide unconditional guarantees of the obligations of the Borrowers under the DIP Credit Agreement. In addition, the U.S. Guarantors, the Canadian Borrower and each existing and future direct and indirect Canadian subsidiary of the Canadian Borrower (other than certain immaterial subsidiaries (if any)) (the "Canadian Guarantors" and, together with the U.S. Guarantors, the "Guarantors") have agreed to provide unconditional guarantees of the obligations of the Canadian Borrower under the DIP Credit Agreement. Under the terms of the DIP Credit Agreement, the Company will have the option to have interest on the loans provided thereunder accrue at a base rate or the then applicable LIBOR Rate (subject to certain adjustments and, in the case of the term loan facility, a floor of 1.00%), plus a margin, (x) in the case of the revolving loan facility, of 2.25% for a base rate revolving loan or 3.25% for a LIBOR rate revolving loan, and (y) in the case of the term loan facility, of 6.50% for a base rate loan and 7.50% for a LIBOR Rate loan. The obligations of the Borrowers and the Guarantors under the DIP Credit Agreement are secured by a first-priority security interest in and lien upon all of the existing and after-acquired personal property of the Company and the U.S. Guarantors, including pledges of all stock or other equity interest in direct subsidiaries owned by the Company or the U.S. Guarantors (but only up to 65% of the voting stock of each direct foreign subsidiary owned by the Company or any U.S. Guarantor in the case of pledges securing the

Company's and the U.S. Guarantors' obligations under the DIP Credit Agreement). Assets of the type described in the preceding sentence of the Canadian Borrower or any Canadian subsidiary of the Canadian Borrower are similarly pledged to secure the obligations of the Canadian Borrower and Canadian Guarantor under the DIP Credit Agreement. The security and pledges are subject to certain exceptions.

The DIP Credit Agreement limits, among other things, the Borrowers' and the Subsidiary Guarantors' ability to (i) incur indebtedness, (ii) incur or create liens, (iii) dispose of assets, (iv) prepay subordinated indebtedness and make other restricted payments, (v) enter into sale and leaseback transactions and (vi) modify the terms of any organizational documents and certain material contracts of the Borrowers and the Subsidiary Guarantors. In addition to standard obligations, the DIP Credit Agreement provides for specific milestones that the Company must achieve by specific target dates. In addition, the Company and its subsidiaries are required to maintain consolidated Adjusted EBITDA (as defined in the DIP Credit Agreement) of not less than a specified level for certain periods, with the specified levels ranging from $(130) million to $175 million depending on the applicable period. The Company and its subsidiaries must also maintain minimum U.S. Liquidity (as defined in the DIP Credit Agreement) ranging from $100 million to $250 million depending on the applicable period.

The Borrowers drew approximately $400 million in term loans under the DIP Credit Agreement on January 20, 2012 and issued approximately $102 million of letters of credit under the revolving credit facility. After the initial drawdown under the DIP Credit Agreement and based on the current borrowing base calculation, as of January 20, 2012, the Borrowers had approximately $98 million available under the revolving credit facility and $300 million committed under the term loan facility. Availability under the DIP Credit Agreement may be further subject to borrowing base availability, reserves and other limitations, and in the case of the additional term loans the entry of a final order by the Bankruptcy Court approving incurrence of the additional term loans.

The Company paid approximately $36 million to the Agent for arrangement, incentive, and customary agency administration fees in connection with the DIP Credit Agreement and will pay to the Lenders participation fees and an unused amount fee and commitment fee as set forth in the DIP Credit Agreement.

In connection with entering into the DIP Credit Agreement described above, on January 20, 2012, the Company repaid all obligations (other than reimbursement obligations in respect of undrawn amounts, fees and interest in respect of certain letters of credit and secured agreements that remain outstanding) and terminated all commitments under the Second Amended and Restated Credit Agreement (the "Prior Credit Agreement"), dated as of April 26, 2011. In addition, the Company obtained the release of the liens granted to the agents for the benefit of the secured parties in connection with the Prior Credit Agreement.

NOTE 10: OTHER LONG-TERM LIABILITIES

(in millions)	As of December 31, 2011	2010
Non-current tax-related liabilities	$ 57	$ 160
Environmental liabilities	96	103
Asset retirement obligations	66	57
Other	243	305
Total	$ 462	$ 625

The Other component above consists of other miscellaneous long-term liabilities that, individually, were less than 5% of the total liabilities component in the accompanying Consolidated Statement of Financial Position, and therefore, have been aggregated in accordance with Regulation S-X.

NOTE 11: COMMITMENTS AND CONTINGENCIES

Environmental

Cash expenditures for pollution prevention and waste treatment for the Company's current facilities were as follows:

(in millions)	For the Year Ended December 31, 2011	2010	2009
Recurring costs for pollution prevention and waste treatment	$ 33	$ 34	$ 37
Capital expenditures for pollution prevention and waste treatment	1	1	3
Site remediation costs	2	2	2
Total	$ 36	$ 37	$ 42

Environmental expenditures that relate to an existing condition caused by past operations and that do not provide future benefits are expensed as incurred. Costs that are capital in nature and that provide future benefits are capitalized. Liabilities are recorded when environmental assessments are made or the requirement for remedial efforts is probable, and the costs can be reasonably estimated. The timing of accruing for these remediation liabilities is generally no later than the completion of feasibility studies. The Company has an ongoing monitoring process to assess how the activities, with respect to the known exposures, are progressing against the accrued cost estimates.

At December 31, 2011 and 2010, the Company’s undiscounted accrued liabilities for environmental remediation costs amounted to $96 million and $103 million, respectively. These amounts were reported in Other long-term liabilities in the accompanying Consolidated Statement of Financial Position.

The Company is currently implementing a Corrective Action Program required by the Resource Conservation and Recovery Act (“RCRA”) at Eastman Business Park (formerly known as Kodak Park) in Rochester, NY. The Company is currently in the process of completing, and in many cases has completed, RCRA Facility Investigations (“RFI”), Corrective Measures Studies (CMS) and Corrective Measures Implementation (“CMI”) for areas at the site. At December 31, 2011, estimated future investigation and remediation costs of $49 million were accrued for this site, the majority of which relates to long-term operation, maintenance of remediation systems and monitoring costs.

In addition, the Company has accrued for obligations with estimated future investigation, remediation and monitoring costs of $9 million relating to other operating sites, $19 million at sites associated with former operations, and $19 million of retained obligations for environmental remediation and Superfund matters related to certain sites associated with the non-imaging health businesses sold in 1994.

Cash expenditures for the aforementioned investigation, remediation and monitoring activities are expected to be incurred over the next thirty years for most of the sites. For these known environmental liabilities, the accrual reflects the Company’s best estimate of the amount it will incur under the agreed-upon or proposed work plans. The Company’s cost estimates were determined using the ASTM Standard E 2137-06, "Standard Guide for Estimating Monetary Costs and Liabilities for Environmental Matters," and have not been reduced by possible recoveries from third parties. The overall method includes the use of a probabilistic model which forecasts a range of cost estimates for the remediation required at individual sites. The projects are closely monitored and the models are reviewed as significant events occur or at least once per year. The Company’s estimate includes investigations, equipment and operating costs for remediation and long-term monitoring of the sites.

The Company is presently designated as a potentially responsible party (“PRP”) under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (the “Superfund Law”), or under similar state laws, for environmental assessment and cleanup costs as the result of the Company’s alleged arrangements for disposal of hazardous substances at six Superfund sites. In addition, the Company has been identified as a PRP in connection with the non-imaging health businesses in two active Superfund sites. Numerous other PRPs have also been designated at these sites. Although the law imposes joint and several liability on PRPs, the Company’s historical experience demonstrates that these costs are shared with other PRPs. Settlements and costs paid by the Company in Superfund matters to date have not been material.

Among these matters is a case in which the Company has been named by the U.S. Environmental Protection Agency as a PRP with potential liability for the study and remediation of the Lower Passaic River Study Area portion of the Diamond Alkali Superfund Site. Additionally, the Company has been named as a third-party defendant (along with approximately 300 other entities) in an action initially brought by the New Jersey Department of Environmental Protection in the Supreme Court of New Jersey, Essex County seeking recovery of all costs associated with the investigation, removal, cleanup and damage to natural resources resulting from the disposal of

various forms of chemicals in the Passaic River. The total costs (for all parties involved) to clean up the Passaic River could potentially be as high as several billions of dollars. Based on currently available information, the Company is unable to reasonably estimate a range of loss pertaining to this matter at this time.

Estimates of the amount and timing of future costs of environmental remediation requirements are by their nature imprecise because of the continuing evolution of environmental laws and regulatory requirements, the availability and application of technology, the identification of presently unknown remediation sites and the allocation of costs among the potentially responsible parties. Based on information presently available, the Company does not believe it is reasonably possible that losses for known exposures could exceed current accruals by material amounts, although costs could be material to a particular quarter or year, with the possible exception of matters related to the Passaic River which are described above.

Asset Retirement Obligations

As of December 31, 2011 and 2010, the Company has recorded approximately $66 million and $57 million, respectively, of asset retirement obligations within Other long-term liabilities in the accompanying Consolidated Statement of Financial Position. The Company's asset retirement obligations primarily relate to asbestos contained in buildings that the Company owns. In many of the countries in which the Company operates, environmental regulations exist that require the Company to handle and dispose of asbestos in a special manner if a building undergoes major renovations or is demolished. Otherwise, the Company is not required to remove the asbestos from its buildings. The Company records a liability equal to the estimated fair value of its obligation to perform asset retirement activities related to the asbestos, computed using an expected present value technique, when sufficient information exists to calculate the fair value. The Company does not have a liability recorded related to every building that contains asbestos because the Company cannot estimate the fair value of its obligation for certain buildings due to a lack of sufficient information about the range of time over which the obligation may be settled through demolition, renovation or sale of the building.

The following table provides asset retirement obligation activity:

(in millions)	For the Year Ended December 31, 2011	2010	2009
Asset retirement obligations as of January 1	$ 57	$ 62	$ 67
Liabilities incurred in the current period	15	-	4
Liabilities settled in the current period	(9)	(8)	(13)
Accretion expense	4	3	3
Other	(1)	-	1
Asset retirement obligations as of December 31	$ 66	$ 57	$ 62

Other Commitments and Contingencies

The Company has entered into noncancelable agreements with several companies, which provide Kodak with products and services to be used in its normal operations. These agreements are related to raw materials, supplies, production and administrative services, as well as marketing and advertising. The terms of these agreements cover the next one to eleven years. The minimum payments for obligations under these agreements are approximately $109 million in 2012, $69 million in 2013, $47 million in 2014, $41 million in 2015, $18 million in 2016 and $26 million in 2017 and thereafter.

Rental expense, net of minor sublease income, amounted to $87 million, $96 million, and $108 million in 2011, 2010, and 2009, respectively. The amounts of noncancelable lease commitments with terms of more than one year, principally for the rental of real property, reduced by minor sublease income, are $68 million in 2012, $51 million in 2013, $33 million in 2014, $25 million in 2015, $21 million in 2016 and $43 million in 2017 and thereafter.

In December 2003, the Company sold a property in France for approximately $65 million, net of direct selling costs, and then leased back a portion of this property for a nine-year term. The entire gain on the property sale of approximately $57 million was deferred and no gain was recognizable upon the closing of the sale as the Company's continuing involvement in the property is deemed to be significant. As a result, the Company is accounting for the transaction as a financing transaction. Minimum lease payments under this noncancelable lease commitment are approximately $5 million through the end of 2012.

The Company's Brazilian operations are involved in governmental assessments of indirect and other taxes in various stages of litigation, primarily related to federal and state value-added taxes. The Company is disputing these matters and intends to vigorously defend its position. Based on the opinion of legal counsel and current reserves already recorded for those matters deemed probable of loss, management does not believe that the ultimate resolution of these matters will materially impact the Company's results of operations or financial position. The Company routinely assesses all these matters as to the probability of ultimately incurring a liability in its Brazilian operations and records its best estimate of the ultimate loss in situations where it assesses the likelihood of loss as probable. As of December 31, 2011, the unreserved portion of these contingencies, inclusive of any related interest and penalties, for which there was at least a reasonable possibility that a loss may be incurred, amounted to approximately $70 million.

The Company and its subsidiaries are involved in various lawsuits, claims, investigations and proceedings, including commercial, customs, employment, environmental, and health and safety matters, which are being handled and defended in the ordinary course of business. In addition, the Company is subject to various assertions, claims, proceedings and requests for indemnification concerning intellectual property, including patent infringement suits involving technologies that are incorporated in a broad spectrum of the Company's products. These matters are in various stages of investigation and litigation and are being vigorously defended. Although the Company does not expect that the outcome in any of these matters, individually or collectively, will have a material adverse effect on its financial condition or results of operations, litigation is inherently unpredictable. Therefore, judgments could be rendered or settlements entered that could adversely affect the Company's operating results or cash flow in a particular period. The Company routinely assesses all its litigation and threatened litigation as to the probability of ultimately incurring a liability, and records its best estimate of the ultimate loss in situations where it assesses the likelihood of loss as probable.

NOTE 12: GUARANTEES

The Company guarantees debt and other obligations of certain customers. The debt and other obligations are primarily due to banks and leasing companies in connection with financing of customers' purchases of equipment and product from the Company. At December 31, 2011, the maximum potential amount of future payments (undiscounted) that the Company could be required to make under these customer-related guarantees was $25 million. At December 31, 2011, the carrying amount of any liability related to these customer guarantees was not material.

The customer financing agreements and related guarantees, which mature between 2012 and 2016, typically have a term of 90 days for product and short-term equipment financing arrangements, and up to five years for long-term equipment financing arrangements. These guarantees would require payment from the Company only in the event of default on payment by the respective debtor. In some cases, particularly for guarantees related to equipment financing, the Company has collateral or recourse provisions to recover and sell the equipment to reduce any losses that might be incurred in connection with the guarantees. However, any proceeds received from the liquidation of these assets may not cover the maximum potential loss under these guarantees.

Eastman Kodak Company ("EKC") also guarantees potential indebtedness to banks and other third parties for some of its consolidated subsidiaries. The maximum amount guaranteed is $185 million, and the outstanding amount for those guarantees is $161 million with $75 million recorded within the Short-term borrowings and current portion of long-term debt, and Long-term debt, net of current portion components in the accompanying Consolidated Statement of Financial Position. These guarantees expire in 2012 through 2019. Pursuant to the terms of the Company's Amended Credit Agreement, obligations of the Borrowers to the Lenders under the Amended Credit Agreement, as well as secured agreements in an amount not to exceed $125 million, are guaranteed by the Company and the Company's U.S. subsidiaries and included in the above amounts. These secured agreements totaled $63 million as of December 31, 2011.

EKC has issued a guarantee to Kodak Limited (the "Subsidiary") and the Trustee (the "Trustee") of the Kodak Pension Plan of the United Kingdom (the "Plan"). Under that arrangement, EKC guaranteed to the Subsidiary and the Trustee the ability of the Subsidiary, only to the extent it becomes necessary to do so, to (1) make contributions to the Plan to ensure sufficient assets exist to make Plan benefit payments, and (2) make contributions to the Plan such that it will achieve full funded status by the funding valuation for the period ending December 31, 2022. The guarantee expires (a) upon the conclusion of the funding valuation for the period ending December 31, 2022 if the Plan achieves full funded status or on payment of the balance if the Plan is underfunded by no more than 60 million British pounds by that date, (b) earlier in the event that the Plan achieves full funded status for two consecutive funding valuation cycles which are typically performed at least every three years, or (c) June 30, 2024 on payment of the balance in the event that the Plan is underfunded by more than 60 million British pounds upon conclusion of the funding valuation for the period ending December 31, 2022. The amount of potential future contributions is dependent on the funding status of the Plan as it fluctuates over the term of the guarantee. The funded status of the Plan may be materially impacted by

future changes in key assumptions used in the valuation of the Plan, particularly the discount rate and expected rate of return on Plan assets. A funding valuation and funding plan is required to be submitted to and approved by the United Kingdom Pension Regulator. The 2010 valuation is currently ongoing. The funded status of the Plan (calculated in accordance with U.S. GAAP) is included in Pension and other postretirement liabilities presented in the Consolidated Statement of Financial Position.

Indemnifications

The Company issues indemnifications in certain instances when it sells businesses and real estate, and in the ordinary course of business with its customers, suppliers, service providers and business partners. Further, the Company indemnifies its directors and officers who are, or were, serving at the Company's request in such capacities. Historically, costs incurred to settle claims related to these indemnifications have not been material to the Company's financial position, results of operations or cash flows. Additionally, the fair value of the indemnifications that the Company issued during the year ended December 31, 2011 was not material to the Company's financial position, results of operations or cash flows.

Warranty Costs

The Company has warranty obligations in connection with the sale of its products and equipment. The original warranty period is generally one year or less. The costs incurred to provide for these warranty obligations are estimated and recorded as an accrued liability at the time of sale. The Company estimates its warranty cost at the point of sale for a given product based on historical failure rates and related costs to repair. The change in the Company's accrued warranty obligations balance, which is reflected in Other current liabilities in the accompanying Consolidated Statement of Financial Position, was as follows:

(in millions)

Accrued warranty obligations as of December 31, 2009	$	61
Actual warranty experience during 2010		(78)
2010 warranty provisions		60
Accrued warranty obligations as of December 31, 2010	$	43
Actual warranty experience during 2011		(92)
2011 warranty provisions		95
Accrued warranty obligations as of December 31, 2011	$	46

The Company also offers its customers extended warranty arrangements that are generally one year, but may range from three months to three years after the original warranty period. The Company provides repair services and routine maintenance under these arrangements. The Company has not separated the extended warranty revenues and costs from the routine maintenance service revenues and costs, as it is not practicable to do so. Therefore, these revenues and costs have been aggregated in the discussion that follows. The change in the Company's deferred revenue balance in relation to these extended warranty and maintenance arrangements, which is reflected in Other current liabilities in the accompanying Consolidated Statement of Financial Position, was as follows:

(in millions)

Deferred revenue as of December 31, 2009	$	130
New extended warranty and maintenance arrangements in 2010		438
Recognition of extended warranty and maintenance arrangement revenue in 2010		(438)
Deferred revenue as of December 31, 2010	$	130
New extended warranty and maintenance arrangements in 2011		428
Recognition of extended warranty and maintenance arrangement revenue in 2011		(438)
Deferred revenue as of December 31, 2011	$	120

Costs incurred under these extended warranty and maintenance arrangements for the years ended December 31, 2011 and 2010 amounted to $305 million and $363 million, respectively.

The Company does not utilize financial instruments for trading or other speculative purposes.

Fair value

The fair values of marketable securities are determined using quoted prices in active markets for identical assets (Level 1 fair value measurements). Fair values of the Company's forward contracts are determined using other observable inputs (Level 2 fair value measurements), and are based on the present value of expected future cash flows (an income approach valuation technique) considering the risks involved and using discount rates appropriate for the duration of the contracts. Transfers between levels of the fair value hierarchy are recognized based on the actual date of the event or change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during the year 2011.

Fair values of long-term borrowings are determined by reference to quoted market prices, if available, or by pricing models based on the value of related cash flows discounted at current market interest rates. The carrying values of cash and cash equivalents, trade receivables, and payables (which are not shown in the table above) approximate their fair values.

Foreign exchange

Foreign exchange gains and losses arising from transactions denominated in a currency other than the functional currency of the entity involved are included in Other income (charges), net in the accompanying Consolidated Statement of Operations. The net effects of foreign currency transactions, including changes in the fair value of foreign exchange contracts, are shown below:

	2011	**2010**	**2009**

Derivative financial instruments

The Company, as a result of its global operating and financing activities, is exposed to changes in foreign currency exchange rates, commodity prices, and interest rates, which may adversely affect its results of operations and financial position. The Company manages such exposures, in part, with derivative financial instruments.

Foreign currency forward contracts are used to mitigate currency risk related to foreign currency denominated assets and liabilities, especially those of the Company's International Treasury Center. Silver forward contracts are used to mitigate the Company's risk to fluctuating silver prices. The Company's exposure to changes in interest rates results from its investing and borrowing activities used to meet its liquidity needs.

The Company's financial instrument counterparties are high-quality investment or commercial banks with significant experience with such instruments. The Company manages exposure to counterparty credit risk by requiring specific minimum credit standards and diversification of counterparties. The Company has procedures to monitor the credit exposure amounts. The maximum credit exposure at December 31, 2011 was not significant to the Company.

In the event of a default under the Company's Amended Credit Agreement, or a default under any derivative contract or similar obligation of the Company, the derivative counterparties would have the right, although not the obligation, to require immediate settlement of some or all open derivative contracts at their then-current fair value, but with liability positions netted against asset positions with the same counterparty. At December 31, 2011 and 2010, the Company had open derivative contracts in liability positions with a total fair value of $10 million and $8 million, respectively.

The location and amounts of gains and losses related to derivatives reported in the Consolidated Statement of Operations are shown in the following tables:

Foreign currency forward contracts

Certain of the Company's foreign currency forward contracts used to mitigate currency risk related to existing foreign currency denominated assets and liabilities are not designated as hedges, and are marked to market through net (loss) earnings at the same time that the exposed assets and liabilities are remeasured through net (loss) earnings (both in Other income (charges), net). The notional amount of such contracts open at December 31, 2011 was approximately $945 million. The majority of the contracts of this type held by the Company are denominated in euros and British pounds.

Silver forward contracts

The Company enters into silver forward contracts that are designated as cash flow hedges of commodity price risk related to forecasted purchases of silver. The value of the notional amounts of such contracts open at December 31, 2011 was $23 million. Hedge gains and losses related to these silver forward contracts are reclassified into cost of sales as the related silver-containing products are sold to third parties. These gains or losses transferred to cost of sales are generally offset by increased or decreased costs of silver purchased in the open market. The amount of existing gains and losses at December 31, 2011 to be reclassified into earnings within the next 12 months is a net loss of $7 million. At December 31, 2011, the Company had hedges of forecasted purchases through May 2012.

In January 2012, the Company terminated all its existing hedges at a loss of $5 million. These hedges were designated as secured agreements under the Revolving Credit Facility and needed to be settled prior to the termination of that facility in conjunction with the Company's DIP Credit Agreement. Since the hedged transactions are still expected to occur in the originally specified time frame, this loss will remain in Accumulated other comprehensive loss until the related silver-containing products are sold to third parties.

(2) On March 31, 2011, the Company sold patents and patent applications related to CMOS image sensors to OmniVision Technologies Inc. for $65 million. The Company recognized a gain, net of transaction costs, of $62 million from this transaction.

In November 2009, the Company agreed to terminate its patent infringement litigation with LG Electronics, Inc., LG Electronics USA, Inc., and LG Electronics Mobilecomm USA, Inc., entered into a technology cross license agreement with LG Electronics, Inc. and agreed to sell assets of its OLED group to Global OLED Technology LLC, an entity established by LG Electronics, Inc., LG Display Co., Ltd. and LG Chem, Ltd. As the transactions were entered into in contemplation of one another, in order to reflect the asset sale separately from the licensing transaction, the total consideration was allocated between the asset sale and the licensing transaction based on the estimated fair value of the assets sold. Fair value of the assets sold was estimated using other competitive bids received by the Company. Accordingly, $100 million of the proceeds was allocated to the asset sale. The remaining gross proceeds of $414 million were allocated to the licensing transaction and reported in net sales of the CDG segment.

During 2011, the Company determined that it is more likely than not that a portion of the deferred tax assets outside the U.S. would not be realized and accordingly, recorded a provision of $53 million associated with the establishment of a valuation allowance on those deferred tax assets.

During 2010, based on additional positive evidence regarding past earnings and projected future taxable income from operating activities, the Company determined that it is more likely than not that a portion of the deferred tax assets outside the U.S. would be

realized and accordingly, recorded a tax benefit of $154 million associated with the release of the valuation allowance on those deferred tax assets.

Deferred tax assets (liabilities) are reported in the following components within the Consolidated Statement of Financial Position:

(in millions)	As of December 31, 2011	2010
Deferred income taxes (current)	$ 58	$ 120
Other long-term assets	452	695

As of December 31, 2011, the Company had available domestic and foreign net operating loss carryforwards for income tax purposes of approximately $3,806 million, of which approximately $592 million have an indefinite carryforward period. The remaining $3,214 million expire between the years 2012 and 2031. Utilization of these net operating losses may be subject to limitations in the event of significant changes in stock ownership of the Company. As of December 31, 2011, the Company had unused foreign tax credits and investment tax credits of

$661 million and $172 million, respectively, with various expiration dates through 2031.

The Company has been granted a tax holiday in certain jurisdictions in China. The Company is eligible for a 50% reduction of the income tax rate as a tax holiday incentive. The tax rate currently varies by jurisdiction, due to the tax holiday, and will be 25% in all jurisdictions within China in 2013.

During 2011, the Company concluded that the undistributed earnings of its foreign subsidiaries would no longer be considered permanently reinvested. After assessing the assets of the subsidiaries relative to specific opportunities for reinvestment, as well as the forecasted uses of cash for both its domestic and foreign operations, the Company concluded that it was prudent to changes its indefinite reinvestment assertion to allow greater flexibility in its cash management. As a result of the change in its assertion the Company recorded a deferred tax liability (net of related foreign tax credits) of $396 million on the foreign subsidiaries' undistributed earnings. This deferred tax liability was fully offset by a corresponding decrease in the Company's U.S. valuation allowance, which resulted in no net tax provision. The Company also recorded a provision of $34 million for the potential foreign withholding taxes on the undistributed earnings.

The Company's valuation allowance as of December 31, 2011 was $2,560 million. Of this amount, $417 million was attributable to the Company's net deferred tax assets outside the U.S. of $964 million, and $2,143 million related to the Company's net deferred tax assets in the U.S. of $2,096 million, for which the Company believes it is not more likely than not that the assets will be realized. The net deferred tax assets in excess of the valuation allowance of $500 million relate primarily to net operating loss carryforwards, certain tax credits, and pension related tax benefits for which the Company believes it is more likely than not that the assets will be realized.

The Company's valuation allowance as of December 31, 2010 was $2,335 million. Of this amount, $280 million was attributable to the Company's net deferred tax assets outside the U.S. of $849 million, and $2,055 million related to the Company's net deferred tax assets in the U.S. of $2,286 million, for which the Company believes it is not more likely than not that the assets will be realized. The net deferred tax assets in excess of the valuation allowance of $800 million relate primarily to net operating loss carryforwards, certain tax credits, and pension related tax benefits for which the Company believes it is more likely than not that the assets will be realized.

Accounting for Uncertainty in Income Taxes

A reconciliation of the beginning and ending amount of the Company's liability for income taxes associated with unrecognized tax benefits is as follows:

(in millions)

	2011	2010	2009
Balance as of January 1	**$ 245**	**$ 256**	**$ 296**
Tax positions related to the current year:			
Additions	12	1	10
Tax positions related to prior years:			
Additions	2	-	8
Reductions	(183)	(11)	(58)
Lapses in statutes of limitations	-	(1)	-
Balance as of December 31	**$ 76**	**$ 245**	**$ 256**

The Company's policy regarding interest and/or penalties related to income tax matters is to recognize such items as a component of income tax (benefit) expense. During the years ended December 31, 2011, 2010 and 2009, the Company recognized interest and penalties of approximately $(60) million, $5 million and $8 million, respectively, in income tax (benefit) expense. Additionally, the Company had approximately $14 million and $74 million of interest and penalties associated with uncertain tax benefits accrued as of December 31, 2011 and 2010, respectively.

If the unrecognized tax benefits were recognized, they would favorably affect the effective income tax rate in the period recognized. The Company has classified certain income tax liabilities as current or noncurrent based on management's estimate of when these liabilities will be settled. These current liabilities are recorded in Accrued income and other taxes in the Consolidated Statement of Financial

Position. Noncurrent income tax liabilities are recorded in Other long-term liabilities in the Consolidated Statement of Financial Position.

It is reasonably possible that the liability associated with the Company's unrecognized tax benefits will increase or decrease within the next twelve months. These changes may be the result of settling ongoing audits or the expiration of statutes of limitations. Such changes to the unrecognized tax benefits could range from $0 to $30 million based on current estimates. Audit outcomes and the timing of audit settlements are subject to significant uncertainty. Although management believes that adequate provision has been made for such issues, there is the possibility that the ultimate resolution of such issues could have an adverse effect on the earnings of the Company. Conversely, if these issues are resolved favorably in the future, the related provision would be reduced, thus having a positive impact on earnings.

During 2011, the Company agreed to terms with the U.S. Internal Revenue Service and settled the federal audits for calendar years 2001 through 2005. For these years, the Company originally recorded federal and related state liabilities for uncertain tax positions ("UTPs") totaling $115 million (plus interest of approximately $25 million). The settlement resulted in a reduction in Accrued income and other taxes (including the UTP previously noted) of $296 million, the recognition of a $50 million tax benefit, and a reduction in net deferred tax assets of $246 million.

During 2011, the Company agreed to terms with a tax authority outside of the U.S. and settled audits for calendar years 2001 and 2002. For these years, the Company originally recorded liabilities for UTPs totaling $56 million (plus interest of approximately $43 million). The settlement resulted in a reduction in Accrued income taxes and the recognition of a $94 million tax benefit.

The Company files numerous consolidated and separate income tax returns in the U.S. federal jurisdiction and in many state and foreign jurisdictions. The Company has substantially concluded all U.S. federal income tax matters for years through 2006. The Company's U.S. tax matters for the years 2007 through 2011 remain subject to examination by the IRS. Substantially all material state, local, and foreign income tax matters have been concluded for years through 2006. The Company's tax matters for the years 2007 through 2011 remain subject to examination by the respective state, local, and foreign tax jurisdiction authorities.

Net Operating Loss Rights Agreement

On August 1, 2011, the Company entered into a Net Operating Loss (NOL) Rights Agreement (NOL Rights Agreement) designed to preserve stockholder value and tax assets. The Company's ability to use its tax attributes to offset tax on U.S. taxable income would be substantially limited if there were an "ownership change" as defined under Section 382 of the U.S. Internal Revenue Code. In general, an ownership change would occur if "5-percent shareholders," as defined under Section 382, collectively increase their ownership in the Company by more than 50 percentage points over a rolling three-year period.

In connection with the adoption of the NOL Rights Agreement, the Company's Board of Directors declared a dividend of one preferred share purchase right for each outstanding share of the Company's common stock. The preferred share purchase rights were distributed to stockholders of record as of August 11, 2011, but would only be activated if triggered by the NOL Rights Agreement.

Under the NOL Rights Agreement, preferred share purchase rights will work to impose significant dilution upon any person or group which acquires beneficial ownership of 4.9% or more of the outstanding common stock, without the approval of the Company's Board of Directors, from and after August 1, 2011. Stockholders that own 4.9% or more of the outstanding common stock as of the opening of business on August 1, 2011, will not trigger the preferred share purchase rights so long as they do not (i) acquire additional shares of common stock representing one one-thousandth of one percent (0.001%) or more of the shares of common stock then outstanding or (ii) fall under 4.9% ownership of common stock and then re-acquire shares that in the aggregate equal 4.9% or more of the common stock.

The NOL Rights Agreement has a three-year term, although the Company's Board of Directors will review the plan periodically.

NOTE 17: RESTRUCTURING AND RATIONALIZATION LIABILITIES

The Company recognizes the need to continually rationalize its workforce and streamline its operations in the face of ongoing business and economic changes. Charges for restructuring and ongoing rationalization initiatives are recorded in the period in which the Company commits to a formalized restructuring or ongoing rationalization plan, or executes the specific actions contemplated by the plans and all criteria for liability recognition under the applicable accounting guidance have been met.

The activity in the accrued balances and the non-cash charges and credits incurred in relation to restructuring programs and ongoing rationalization activities during the three years ended December 31, 2011 were as follows:

2009 Activity

On December 17, 2008, the Company committed to a plan to implement a targeted cost reduction program (the 2009 Program) to more appropriately size the organization as a result of economic conditions. The program involved rationalizing selling, administrative, research and development, supply chain and other business resources in certain areas and consolidating certain facilities.

The Company recorded $258 million of charges, including $22 million of charges for accelerated depreciation and $10 million of charges for inventory write-downs, which were reported in Cost of sales in the accompanying Consolidated Statement of Operations for the year ended December 31, 2009. The remaining costs incurred of $226 million were reported as Restructuring costs, rationalization and other in the accompanying Consolidated Statement of Operations for the year ended December 31, 2009. The severance and exit costs reserves require the outlay of cash, while long-lived asset impairments, accelerated depreciation and inventory write-downs represent non-cash items.

The severance costs related to the elimination of approximately 3,225 positions, including approximately 1,475 manufacturing, 750 research and development, and 1,000 administrative positions. The geographic composition of the positions eliminated includes approximately 1,950 in the United States and Canada, and 1,275 throughout the rest of the world.

The charges of $258 million recorded in 2009 included $69 million applicable to the FPEG segment, $34 million applicable to the CDG segment, $112 million applicable to the GCG segment, and $43 million that was applicable to manufacturing, research and development, and administrative functions, which are shared across all segments.

As a result of these initiatives, severance payments will be paid during periods through 2010 since, in many instances, the employees whose positions were eliminated can elect or are required to receive their payments over an extended period of time. In addition, certain exit costs, such as long-term lease payments, will be paid over periods throughout 2010 and beyond.

The severance and exit costs reserves require the outlay of cash, while long-lived asset impairments, accelerated depreciation and inventory write-downs represent non-cash items.

The 2010 severance costs related to the elimination of approximately 800 positions, including approximately 550 manufacturing/service, 225 administrative, and 25 research and development positions. The geographic composition of these positions includes approximately 475 in the United States and Canada, and 325 throughout the rest of the world.

The charges of $78 million recorded in 2010 included $38 million applicable to FPEG, $15 million applicable to GCG, $3 million applicable to CDG, and $22 million that was applicable to manufacturing/service, research and development, and administrative functions, which are shared across all segments.

NOTE 18: RETIREMENT PLANS

Substantially all U.S. employees are covered by a noncontributory defined benefit plan, the Kodak Retirement Income Plan (“KRIP”), which is funded by Company contributions to an irrevocable trust fund. The funding policy for KRIP is to contribute amounts sufficient to meet minimum funding requirements as determined by employee benefit and tax laws plus any additional amounts the Company determines to be appropriate. Generally, benefits are based on a formula recognizing length of service and final average earnings. Assets in the trust fund are held for the sole benefit of participating employees and retirees. They are comprised of corporate equity and debt securities, U.S. government securities, partnership investments, interests in pooled funds, commodities, real estate, and various types of interest rate, foreign currency, debt, and equity market financial instruments.

In March 1999, the Company amended the KRIP to include a separate cash balance formula for all U.S. employees hired after February 1999. All U.S. employees hired prior to that date were granted the option to choose the traditional KRIP plan or the Cash Balance plan. Written elections were made by employees in 1999, and were effective January 1, 2000. The Cash Balance plan credits employees' accounts with an amount equal to 4% of their pay, plus interest based on the 30-year treasury-bond rate. In addition, for employees participating in the Cash Balance plan and the Company's defined contribution plan, the Savings and Investment Plan (“SIP”), the Company matches dollar-for-dollar on the first 1% contributed to SIP and $.50 for each dollar on the next 4% contributed. Company contributions to SIP were $10 million and $11 million for 2011 and 2010, respectively.

The Company also sponsors unfunded defined benefit plans for certain U.S. employees, primarily executives. The benefits of these plans are obtained by applying KRIP provisions to all compensation, including amounts being deferred, and without regard to the legislated qualified plan maximums, reduced by benefits under KRIP. Employees covered by the Cash Balance plan also receive an additional benefit equal to 3% of their annual pensionable earnings.

Many subsidiaries and branches operating outside the U.S. have defined benefit retirement plans covering substantially all employees. Contributions by the Company for these plans are typically deposited under government or other fiduciary-type arrangements. Retirement benefits are generally based on contractual agreements that provide for benefit formulas using years of service and/or compensation prior to retirement. The actuarial assumptions used for these plans reflect the diverse economic environments within the various countries in which the Company operates.

The measurement date used to determine the pension obligation for all funded and unfunded U.S. and Non-U.S. defined benefit plans is December 31.

As a result of a legislative change in November 2010, a French defined benefit pension plan was amended to reflect a change in the Social Security retirement age. The legislative change requires the minimum retirement age be extended up to 2 years, phasing in at a rate of 4 months per year until 2018. This amendment increased the projected benefit obligation in 2010 by $33 million, which is reflected in the plan amendments line in the table above.

Plan Asset Investment Strategy

The investment strategy underlying the asset allocation for the pension assets is to achieve an optimal return on assets with an acceptable level of risk while providing for the long-term liabilities, and maintaining sufficient liquidity to pay current benefits and other cash obligations of the plans. This is primarily achieved by investing in a broad portfolio constructed of various asset classes including equity and equity-like investments, debt and debt-like investments, real estate, private equity and other assets and instruments. Long duration bonds are used to partially match the long-term nature of plan liabilities. Other investment objectives include maintaining broad diversification between and within asset classes and fund managers, and managing asset volatility relative to plan liabilities.

Every three years, or when market conditions have changed materially, each of the Company's major pension plans will undertake an asset allocation or asset and liability modeling study. The asset allocation and expected return on the plans' assets are individually set to provide for benefits and other cash obligations and within each country's legal investment constraints.

Actual allocations may vary from the target asset allocations due to market value fluctuations, the length of time it takes to implement changes in strategy, and the timing of cash contributions and cash requirements of the plans. The asset allocations are monitored, and are rebalanced in accordance with the policy set forth for each plan.

Of the total plan assets attributable to the major U.S. defined benefit plans at December 31, 2011 and 2010, 97% relate to KRIP. The expected long-term rate of return on plan assets assumption ("EROA") is based on a combination of formal asset and liability studies that include forward-looking return expectations given the current asset allocation. During 2010, an asset and liability study was completed and resulted in an 8.50% EROA for KRIP. A review of the EROA as of December 2011 based upon the current asset allocation and forward-looking expected returns for the various asset classes in which KRIP invests resulted in an EROA of 8.60%.

The annual expected return on plan assets for the major non-U.S. pension plans range from 3.70% to 7.80% for 2011. EROA assumptions for 2010 for those plans were based on their respective asset allocations as of the end of the year. As with the KRIP, the EROA assumptions for certain of the Company's other pension plans were reassessed as of December 2011. EROA assumptions for those plans were updated accordingly.

Plan Asset Risk Management

The Company evaluates its defined benefit plans' asset portfolios for the existence of significant concentrations of risk. Types of concentrations that are evaluated include, but are not limited to, investment concentrations in a single entity, type of industry, foreign country, and individual fund. As of December 31, 2011 and 2010, there were no significant concentrations (defined as greater than 10 percent of plan assets) of risk in the Company's defined benefit plan assets.

The Company's weighted-average asset allocations for its major U.S. defined benefit pension plans, by asset category, are as follows:

Private equity investments are primarily comprised of limited partnerships and fund-of-fund investments that invest in distressed investments, venture capital, leveraged buyout and special situation funds. Natural resource investments in oil and gas partnerships and timber funds are also included in this category. Absolute return investments are comprised of hedge funds that use equity long-short strategies.

For the Company's major non-U.S. defined benefit pension plans, equity investments are invested broadly in local equity, developed international and emerging markets. Fixed income investments are comprised primarily of long duration government and corporate bonds with some emerging market debt. Real estate investments include investments in primarily office, industrial, and retail properties. Other investments include private equity, hedge funds, and insurance contracts. Private equity investments are comprised of limited partnerships and fund-of-fund investments that invest in distressed investments, venture capital and leveraged buyout funds. Absolute return investments are comprised of hedge funds that use equity long-short strategies.

Cash and cash equivalents are valued utilizing cost approach valuation techniques. Equity securities and debt securities are valued using a market approach based on the closing price on the last business day of the year (if the securities are traded on an active market), or based on the proportionate share of the estimated fair value of the underlying assets (net asset value). Other investments are valued using a combination of market, income, and cost approaches, based on the nature of the investment. Absolute return investments are primarily valued based on net asset value derived from observable market inputs. Real estate investments are valued primarily based on independent appraisals and discounted cash flow models, taking into consideration discount rates and local market conditions. Private equity investments are valued primarily based on independent appraisals, discounted cash flow models, cost, and comparable market transactions, which include inputs such as discount rates and pricing data from the most recent equity financing. Insurance contracts are primarily valued based on contract values, which approximate fair value.

Some of the plans' assets, primarily absolute return, real estate, and private equity, do not have readily determinable market values due to the nature of these investments. For these investments, fund manager or general partner estimates were used where available. The estimates for the absolute return assets are derived from observable inputs, based on the fair value of the underlying positions, which have readily available market prices. For investments with lagged pricing, the Company used the available net asset values, and also considered expected return, subsequent cash flows and material events.

For all of the Company's major defined benefit pension plans, investment managers are selected that are expected to provide best-in-class asset management for their particular asset class, and expected returns greater than those expected from existing salable assets,

especially if this would maintain the aggregate volatility desired for each plan's portfolio. Investment managers are retained for the purpose of managing specific investment strategies within contractual investment guidelines. Certain investment managers are authorized to invest in derivatives such as futures, swaps, and currency forward contracts. Investments in futures and swaps are used to obtain targeted exposure to a particular asset, index or bond duration and only require a portion of the cash to gain exposure to the notional value of the underlying investment. The remaining cash is available to be deployed and in some cases is invested in a diversified portfolio of various uncorrelated hedge fund strategies that provide added returns at a lower level of risk. Of the investments shown in the major U.S. plans table as of December 31, 2011 above, 9% and 16% of the total U.S. assets reported within equity securities and government bonds, respectively, are reflective of the exposures gained from the use of derivatives, and are invested in a diversified portfolio of hedge funds using equity, debt, commodity, and currency strategies. Of the investments shown in the major Non-U.S. plans table as of December 31, 2011 above, 1% and 3% of the total Non-U.S. assets reported within equity securities and government bonds, respectively, are reflective of the exposures gained from the use of derivatives, and are invested in a diversified portfolio of hedge funds using equity, debt, commodity, and currency strategies. Foreign currency contracts and swaps are used to partially hedge foreign currency risk. Additionally, the Company's major defined benefit pension plans invest in government bond futures or local government bonds to partially hedge the liability risk of the plans.

NOTE 19: OTHER POSTRETIREMENT BENEFITS

The Company provides healthcare, dental and life insurance benefits to U.S. eligible retirees and eligible survivors of retirees. Generally, to be eligible for the plan, individuals retiring prior to January 1, 1996 were required to be 55 years of age with ten years of service or their age plus years of service must have equaled or exceeded 75. For those retiring after December 31, 1995, the individuals must be 55 years of age with ten years of service or have been eligible as of December 31, 1995. Based on the eligibility requirements, these benefits are provided to U.S. retirees who are covered by the Company's KRIP plan and are funded from the general assets of the Company as they are incurred. However, those under the Cash Balance portion of the KRIP plan would be required to pay the full cost of their benefits under the plan.

The Company's subsidiaries in the United Kingdom and Canada offer similar postretirement benefits.

On November 30, 2010, the Company adopted and announced certain changes to its U.S. postretirement benefit plans effective January 1, 2011. Modifications were made to dependent subsidy levels and prescription drug coverage. These changes resulted in the remeasurement of the plan’s obligations as of November 30, 2010.

On March 30, 2011, the Company adopted and announced certain changes to its UK postretirement benefit plan effective May 1, 2011. Modifications were made regarding contributions for certain retirees. These changes resulted in the remeasurement of the plan’s obligations as of March 31, 2011.

The measurement date used to determine the net benefit obligation for the Company's other postretirement benefit plans is December 31.

Changes in the Company's benefit obligation and funded status for the U.S., United Kingdom and Canada other postretirement benefit plans were as follows:

The U.S. plan represents approximately 94% of the total other postretirement net benefit obligation as of December 31, 2011 and 93% as of December 31, 2010 and, therefore, the weighted-average assumptions used to compute the other postretirement benefit amounts approximate the U.S. assumptions.

The weighted-average assumptions used to determine the net benefit obligations were as follows:

	As of December 31, 2011	2010
Discount rate	4.25%	5.03%
Salary increase rate	3.45%	3.84%

The weighted-average assumptions used to determine the net postretirement benefit cost were as follows:

	For the Year Ended December 31, 2011	2010	2009
Discount rate	5.00%	5.93%	6.59%
Salary increase rate	4.10%	3.90%	3.96%

The weighted-average assumed healthcare cost trend rates used to compute the other postretirement amounts were as follows:

Rate to which the cost trend rate is assumed to decline (the ultimate trend rate)	5.00%	5.00%
Year that the rate reaches the ultimate trend rate	2017	2016

A one-percentage point change in assumed healthcare cost trend rates would have the following effects:

(in millions)	1% increase	1% decrease
Effect on total service and interest cost	$ 1	$ (1)
Effect on postretirement benefit obligation	21	(18)

The following other postretirement benefits, which reflect expected future service, are expected to be paid:

2013	112
2014	108
2015	103
2016	99
2017-2021	443

Benefit plans in the U.S. are subject to the bankruptcy proceedings. On February 27, 2012, the Company made a motion to the Bankruptcy Court requesting approval to terminate certain retiree Medicare supplemental benefits. As of December 31, 2011 those benefits represent approximately $220 million of the Company's other postretirement benefit plans' net benefit obligation. If the motion is approved by the Court, expected cash payments reflected in the table above would be reduced.

NOTE 20: ACCUMULATED OTHER COMPREHENSIVE LOSS

The components of Accumulated other comprehensive loss, net of tax, were as follows:

	As of December 31,		
(in millions)	2011	2010	2009

See Note 18, "Retirement Plans," and Note 19, "Other Postretirement Benefits," regarding the pension and other postretirement plan obligation activity.

NOTE 21: STOCK OPTION AND COMPENSATION PLANS

The Company recognized stock-based compensation expense in the amount of $20 million, $21 million and $20 million for the years ended December 31, 2011, 2010 and 2009, respectively. There were no proceeds from the issuance of common stock through stock option plans for the years ended December 31, 2011, 2010, or 2009.

Of the expense amounts noted above, compensation expense related to stock options during the years ended December 31, 2011, 2010 and 2009 was $3 million, $4 million and $5 million, respectively. Compensation expense related to unvested stock and performance awards during the years ended December 31, 2011, 2010 and 2009 was $17 million, $17 million and $15 million, respectively.

The Company's stock incentive plans consist of the 2005 Omnibus Long-Term Compensation Plan (the "2005 Plan"), the 2000 Omnibus Long-Term Compensation Plan (the "2000 Plan"), and the 1995 Omnibus Long-Term Compensation Plan (the "1995 Plan"). The Plans are administered by the Executive Compensation and Development Committee of the Board of Directors. Stock options are generally non-qualified and are at exercise prices not less than 100% of the per share fair market value on the date of grant. Stock-based compensation

awards granted under the Company's stock incentive plans are generally subject to a three-year vesting period from the date of grant.

Under the 2005 Plan, 11 million shares of the Company's common stock may be granted to employees between January 1, 2005 and December 31, 2014. This share reserve may be increased by shares that are forfeited pursuant to awards made under the 1995, 2000, and 2005 Plans; shares retained for payment of tax withholding; shares delivered for payment or satisfaction of tax withholding; shares reacquired on the open market using cash proceeds from option exercises; and awards that otherwise do not result in the issuance of shares. The 2005 Plan is substantially similar to and is intended to replace the 2000 Plan, which expired on January 18, 2005. Options granted under the 2005 Plan generally expire seven years from the date of grant, but may be forfeited or canceled earlier if the optionee's employment terminates prior to the end of the contractual term. The 2005 Plan provides for, but is not limited to, grants of unvested stock, performance awards, and Stock Appreciation Rights ("SARs"), either in tandem with options or freestanding. SARs allow optionees to receive payment equal to the increase in the market price of the Company's stock from the grant date to the exercise date. As of December 31, 2011, 10,000 freestanding SARs were outstanding under the 2005 Plan at an option price of $7.50. Compensation expense recognized for the years ended December 31, 2011, 2010, and 2009 on those freestanding SARs was not material.

Under the 2000 Plan, 22 million shares of the Company's common stock were eligible for grant to a variety of employees between January 1, 2000 and December 31, 2004. The 2000 Plan was substantially similar to, and was intended to replace, the 1995 Plan, which expired on December 31, 1999. The options generally expire ten years from the date of grant, but may expire sooner if the optionee's employment terminates. The 2000 Plan provided for, but was not limited to, grants of unvested stock, performance awards, and SARs, either in tandem with options or freestanding. As of December 31, 2011, 4,500 freestanding SARs were outstanding under the 2000 Plan at option prices ranging from $23.25 to $27.55. Compensation expense recognized for the years ended December 31, 2011, 2010, and 2009 on those freestanding SARs was not material.

Under the 1995 Plan, 22 million shares of the Company's common stock were eligible for grant to a variety of employees between February 1, 1995 and December 31, 1999. The options generally expire ten years from the date of grant, but may expire sooner if the optionee's employment terminates. The 1995 Plan provided for, but was not limited to, grants of unvested stock, performance awards, and SARs, either in tandem with options or freestanding. As of December 31, 2011, no freestanding SARs were outstanding under the 1995 Plan.

The following table summarizes information about stock options as of December 31, 2011:

(Number of options in thousands)

Range of Exercise Prices At Least	Less Than	Options Outstanding: Options	Options Outstanding: Weighted-Average Remaining Contractual Life (Years)	Options Outstanding: Weighted-Average Exercise Price	Options Exercisable: Options	Options Exercisable: Weighted-Average Exercise Price
$2	$10	6,033	4.70	$ 5.27	2,991	$ 6.83
$10	$30	4,042	1.51	$ 24.63	4,042	$ 24.63
$30	$40	3,535	0.93	$ 35.57	3,535	$ 35.57
		13,610			10,568	

At December 31, 2011, the weighted-average remaining contractual term of all options outstanding and exercisable was 2.78 years and 1.92 years respectively. There was no intrinsic value of options outstanding and exercisable due to the fact that the market price of the Company's common stock as of December 31, 2011 was below the weighted-average exercise price of options. There were no option exercises during 2009, 2010, or 2011.

The fair value of each option award is estimated on the date of grant using the Black-Scholes option valuation model that uses the assumptions noted in the following table. Expected volatilities are based on historical volatility of the Company's stock, management's estimate of implied volatility of the Company's stock, and other factors. The expected term of options granted is derived from the vesting period of the award, as well as historical exercise behavior, and represents the period of time that options granted are expected to be outstanding. The risk-free rate is calculated using the U.S. Treasury yield curve, and is based on the expected term of the option. The Company uses historical data to estimate forfeitures.

The Black-Scholes option pricing model was used with the following weighted-average assumptions for options issued in each year:

	For the Year Ended 2011	2010	2009
Weighted-average risk-free interest rate	2.48%	1.50%	2.63%
Risk-free interest rates	2.2% - 2.5%	1.5% - 2.9%	1.9% - 2.7%
Weighted-average expected option lives	6 years	6 years	6 years
Expected option lives	6 years	6 years	6 years
Weighted-average volatility	59%	57%	45%
Expected volatilities	59% - 60%	45% - 58%	45%
Weighted-average expected dividend yield	0.0%	0.0%	0.4%
Expected dividend yields	0.0%	0.0%	0.0% - 7.1%

The weighted-average fair value per option granted in 2011, 2010, and 2009 was $1.92, $2.16, and $2.06, respectively.

As of December 31, 2011, there was $3 million of total unrecognized compensation cost related to unvested options. The cost is expected to be recognized over a weighted-average period of 1.7 years.

NOTE 22: ACQUISITIONS

2011

On March 1, 2011, the Company completed the acquisition of substantially all of the assets of the relief plates business of Tokyo Ohka Kogyo Co., Ltd. for a purchase price of approximately $27 million, net of cash acquired. The acquisition expands and enhances the Company’s capabilities to serve customers, particularly in the packaging industry. The acquired relief plates business is part of the Company’s Prepress Solutions group within the GCG segment. This acquisition was immaterial to the Company's financial position

as of December 31, 2011, and its results of operations and cash flows for the year ended December 31, 2011.

The Company's estimated fair value of the assets acquired and liabilities assumed at the date of acquisition exceeded the purchase price by $5 million. This amount was recorded as a gain from a bargain purchase within Other income (charges), net in the Consolidated Statement of Operations for the year ended December 31, 2011.

2010

There were no significant acquisitions in 2010.

2009

In the third quarter of 2009, the Company acquired the scanner division of BÖWE BELL + HOWELL, which markets a portfolio of production document scanners that complements the products currently offered within the GCG segment. Through this acquisition, Kodak expects to expand customer value by providing a wider choice of production scanners. Since Kodak has provided field service to BÖWE BELL + HOWELL scanners since 2001, this acquisition is also expected to enhance global access to service and support for channel partners and end-user customers worldwide. This acquisition was immaterial to the Company's financial position as of December 31, 2009, and its results of operations and cash flows for the year ended December 31, 2009.

NOTE 23: DISCONTINUED OPERATIONS

The components of earnings (loss) from discontinued operations, net of income taxes, are as follows:

(in millions)	For the Year Ended December 31, 2011	2010	2009
Benefit (provision) for income taxes related to discontinued operations	$ 4	$ (10)	$ 8
All other items, net	(1)	(2)	9
Earnings (loss) from discontinued operations, net of income taxes	$ 3	$ (12)	$ 17

NOTE 24: EXTRAORDINARY ITEM

The terms of the purchase agreement of the 2004 acquisition of NexPress Solutions LLC called for additional consideration to be paid by the Company if sales of certain products exceeded a stated minimum number of units sold during a five-year period following the close of the transaction. In May 2009, the earn-out period lapsed with no additional consideration required to be paid by the Company. Negative goodwill, representing the contingent consideration obligation of $17 million, was therefore reduced to zero. The reversal of negative goodwill reduced Property, plant and equipment, net by $2 million and Research and development expense by $7 million and resulted in an extraordinary gain of $6 million, net of tax, during the year ended December 31, 2009.

NOTE 25: SEGMENT INFORMATION

Segment Reporting Structure

For 2011, the Company had three reportable segments: Consumer Digital Imaging Group, Graphic Communications Group, and Film, Photofinishing and Entertainment Group. The balance of the Company's continuing operations, which individually and in the aggregate do not meet the criteria of a reportable segment, are reported in All Other. A description of the segments is as follows:

Consumer Digital Imaging Group Segment ("CDG"): CDG encompasses digital still and video cameras, digital devices such as picture frames, kiosks, APEX drylab systems, and related consumables and services, consumer inkjet printing systems, Kodak Gallery products and services, and imaging sensors. CDG also includes the licensing activities related to the Company's intellectual property in digital imaging products. As announced on February 9, 2012, the Company plans to phase out its dedicated capture devices business, including digital cameras, pocket video cameras, and digital picture frames in the first half of 2012.

Graphic Communications Group Segment ("GCG"): GCG encompasses workflow software and digital controllers; digital printing, which includes commercial inkjet and electrophotographic products, including equipment, consumables and service; prepress consumables; prepress equipment and packaging solutions; business solutions and consulting services; and document scanners.

Film, Photofinishing and Entertainment Group Segment ("FPEG"): FPEG encompasses consumer and professional film, one-time-use cameras, aerial and industrial materials, and entertainment imaging products and services. In addition, this segment also includes paper and output systems, and photofinishing services.

All Other: This category includes the results of the Company's display business, up to the date of sale of assets of this business in the fourth quarter of 2009.

Transactions between segments, which are immaterial, are made on a basis intended to reflect the market value of the products, recognizing prevailing market prices and distributor discounts. Differences between the reportable segments' operating results and assets and the Company's consolidated financial statements relate primarily to items held at the corporate level, and to other items excluded from segment operating measurements.

Change in Segment Measure of Profit and Loss

During the first quarter of 2011, the Company changed its segment measure of profit and loss to exclude certain components of pension and other postretirement obligations (OPEB). As a result of this change, the operating segment results exclude the interest cost, expected return on plan assets, amortization of actuarial gains and losses, and special termination benefit, curtailment and settlement components of pension and OPEB expense. The service cost and amortization of prior service cost components will continue to be reported as part of operating segment results.

Prior period segment results have been revised to reflect this change.

2012 Reportable Segments

For 2012, the Company will report financial information for two reportable segments; Commercial Group and Consumer Group.

The Commercial Group will be comprised of the following: Graphics, Entertainment & Commercial Film Business, Digital and Functional Printing, and Enterprise Services and Solutions.

The Consumer Group will be comprised of the following: Intellectual Property and the Consumer Business: Retail Systems Solutions, Consumer Inkjet Systems, Traditional Photofinishing, and Digital Capture and Devices.

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

The Company maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in the Company's reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including the Company's Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. The Company's management, with participation of the Company's Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of the Company's disclosure controls and procedures as of the end of the fiscal year covered by this Annual Report on Form 10-K. The Company's Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of the period covered by this Annual Report on Form 10-K, the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) were effective.

Management's Report on Internal Control Over Financial Reporting

The management of the Company is responsible for establishing and maintaining adequate internal control over financial reporting. The Company's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles in the United States of America. The Company's internal control over financial reporting includes those policies and procedures that: (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles in the United States of America, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Internal control over financial reporting cannot provide absolute assurance of achieving financial reporting objectives because of its inherent limitations. Internal control over financial reporting is a process that involves human diligence and compliance and is subject to lapses in judgment or breakdowns resulting from human failures. Internal control over financial reporting also can be circumvented by collusion or improper management override.

Because of such limitations, there is a risk that material misstatements may not be prevented or detected on a timely basis by internal control over financial reporting. However, these inherent limitations are known features of the financial reporting process. Therefore, it is possible to design into the process safeguards to reduce, though not eliminate, this risk. Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2010. In making this assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") in "Internal Control-Integrated Framework." Based on management's assessment using the COSO criteria, management has concluded that the Company's internal control over financial reporting was effective as of December 31, 2011. The effectiveness of the Company's internal control over financial reporting as of December 31, 2011 has been audited by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, as stated in their report which appears on page 54 of this Annual Report on Form 10-K.

Changes in Internal Control over Financial Reporting

In connection with the evaluation of disclosure controls and procedures described above, there was no change identified in the Company's internal control over financial reporting that occurred during the Company's fourth fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

"Stock Options and SARs Outstanding under Shareholder and Non-Shareholder Approved Plans" is shown below:

STOCK OPTIONS AND SARS OUTSTANDING UNDER SHAREHOLDER AND NON-SHAREHOLDER APPROVED PLANS

As required by Item 201(d) of Regulation S-K, the Company's total options outstanding of 13,631,469, including total SARs outstanding of 21,082, have been granted under equity compensation plans that have been approved by security holders and that have not been approved by security holders as follows:

Plan Category	Number of Securities to be issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a))
	(a)	(b)	(c)
Equity compensation plans approved by security holders (1)	13,624,887	$18.88	13,083,409
Equity compensation plans not approved by security holders (2)	6,582	36.72	-
Total	13,631,469	$18.89	13,083,409

(1) The Company's equity compensation plans approved by security holders include the 2005 Omnibus Long-Term Compensation Plan, the 2000 Omnibus Long-Term Compensation Plan, and the Eastman Kodak Company 1995 Omnibus Long-Term Compensation Plan.

(2) The Company's equity compensation plans not approved by security holders include the Eastman Kodak Company 1997 Stock Option Plan and the Kodak Stock Option Plan.

The 1997 Stock Option Plan, a plan formerly maintained by the Company for the purpose of attracting and retaining senior executive officers, became effective on February 13, 1997, and expired on December 31, 2003. The Compensation Committee administered this plan and continues to administer these plan awards that remain outstanding. The plan permitted awards to be granted in the form of stock options, shares of common stock and restricted shares of common stock. The maximum number of shares that were available for grant under the plan was 3,380,000. The plan required all stock option awards to be non-qualified, have an exercise price not less than 100% of fair market value of the Company’s stock on the date of the option's grant and expire on the tenth anniversary of the date of grant. Awards issued in the form of shares of common stock or restricted shares of common stock were subject to such terms, conditions and restrictions as the Compensation Committee deemed appropriate.

The Kodak Stock Option Plan, an "all employee stock option plan" which the Company formerly maintained, became effective on March 13, 1998, and terminated on March 12, 2003. The plan was used in 1998 to grant an award of 100 non-qualified stock options or, in those countries where the grant of stock options was not possible, 100 freestanding stock appreciation rights, to almost all full-time and part-time employees of the Company and many of its domestic and foreign subsidiaries. In March of 2000, the Company made essentially an identical grant under the plan to generally the same category of employees. The Compensation Committee administered this plan and continues to administer these plan awards that remain outstanding. A total of 16,600,000 shares were available for grant under the plan. All awards granted under the plan generally contained the following features: 1) a grant price equal to the fair market value of the Company's common stock on the date of grant; 2) a two-year vesting period; and 3) a term of 10 years.

On December 31, 2011, the equity overhang, or the percentage of outstanding shares (plus shares that could be issued pursuant to plans represented by all stock incentives granted and available for future grant under all plans) was 11.5%.

The remainder of the information required by Item 12 will be provided to this Form 10-K when finalized.

The information required by Item 13 will be provided to this Form 10-K when finalized.

(New York City time) on the third Business Day prior to the date of the proposed Borrowing in the case of a Borrowing consisting of Eurodollar Rate Loans or (y) 11:00 A.M. (New York City time) on the date of the proposed Borrowing in the case of a Borrowing consisting of Base Rate Loans, by the applicable Borrower to the Agent, which shall give to each applicable Lender prompt notice thereof by telecopier or any other electronic means agreed to by the Agent. Each such notice of a Borrowing (a "Notice of Borrowing") shall be by telephone, confirmed promptly in writing, or by telecopier (or any other electronic means agreed to by the Agent), in substantially the form of Exhibit B hereto, specifying therein the requested (i) date of such Borrowing, (ii) whether such Borrowing is a US Revolving Borrowing, a Canadian Revolving Borrowing or a Term Borrowing, (iii) Type of Loans comprising such Borrowing, (iv) aggregate amount of such Borrowing and (v) in the case of a Borrowing consisting of Eurodollar Rate Loans, the initial Interest Period for each such Loan. Each applicable Lender shall, before 1:00 P.M. (New York City time) on the date of such Borrowing make available for the account of its Applicable Lending Office to the Agent at the Agent's Account, in same day funds, such Lender's Ratable Share of such Borrowing. After the Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, the Agent will make such funds available to the applicable Borrower at the Agent's address referred to in Section 8.02(a).

(b) Anything in subsection (a) above to the contrary notwithstanding, (i) the Borrowers may not select Eurodollar Rate Loans for any Borrowing if the aggregate amount of such Borrowing is less than $10,000,000 (or $5,000,000, in the case of Canadian Revolving Borrowings) or if the obligation of the Lenders to make Eurodollar Rate Loans shall then be suspended pursuant to Section 2.08 or 2.12 and (ii) the Eurodollar Rate Loans may not be outstanding as part of more than eighteen separate Borrowings.

(c) Each Notice of Borrowing shall be irrevocable and binding on the Borrower delivering such notice. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of Eurodollar Rate Loans, the applicable Borrower shall indemnify each applicable Lender against any loss, cost or expense incurred by such Lender as a result of any failure of such Borrower to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan to be made by such Lender as part of such Borrowing when such Loan, as a result of such failure, is not made on such date.

(d) Unless the Agent shall have received notice from a Lender prior to the time of any Borrowing that such Lender will not make available to the Agent such Lender's ratable portion of such Borrowing, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Borrowing in accordance with subsection (a) of this Section 2.02, as applicable, and the Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender and the applicable Borrower severally agree to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Agent, at (i) in the case of a Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(e) Each Revolving Lender may, at its option, make any Revolving Loan available to Kodak Canada by causing any foreign or domestic branch or Affiliate of such Lender to make such Revolving Loan; provided that any exercise of such option shall not affect the obligation of Kodak Canada to repay such Revolving Loan in accordance with the terms of this Agreement.

SECTION 2.03. Issuance of and Drawings and Reimbursement Under Letters of Credit

(a) Request for Issuance. (i) Each Letter of Credit shall be issued upon notice, given not later than 11:00 A.M. (New York City time) on the fifth Business Day prior to the date of the proposed Issuance of such Letter of Credit (or on such shorter notice as the applicable Issuing Bank may agree), by the Company to any Issuing Bank, and such Issuing Bank shall give the Agent, prompt notice thereof. Each such notice by the Company of Issuance of a Letter of Credit (a "Notice of Issuance") shall be by telephone, confirmed promptly in writing, or by telecopier (or any other electronic means agreed to by the Agent), specifying therein the requested (A) date of such Issuance (which shall be a Business Day), (B) Available Amount of such Letter of Credit, (C) expiration date of such Letter of Credit (which shall not be later than 10 Business Days before the Termination Date), (D) name and address of the beneficiary of such Letter of Credit, (E) form of such Letter of Credit, such Letter of Credit shall be issued pursuant to such application and agreement for letter of credit as such Issuing Bank and the Company shall agree for use in connection with such requested Letter of Credit (a "Letter of Credit Agreement") and (F) such other matters as the applicable Issuing Bank may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Notice of Issuance shall specify in form and detail satisfactory to the applicable Issuing Bank, (A) the Letter of Credit to be amended, (B) the proposed date of amendment thereof (which shall be a Business Day), (C) the nature of the proposed amendment and (D) such other matters as the applicable Issuing Bank may require. Additionally, the Company shall furnish to the applicable Issuing Bank and the Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, as such Issuing Bank or the Agent may require. If the requested form of such Letter of Credit is acceptable to the applicable Issuing Bank in its reasonable discretion (it being understood that any such form shall have only explicit documentary conditions to draw and shall not include discretionary conditions), such Issuing Bank will, upon fulfillment of the applicable conditions set forth in Section 8.02, make such Letter of Credit available to the Company at its office referred to in Section 9.02 or as otherwise agreed with the Company in connection with such Issuance. In the event and to the extent that the provisions of any Letter of Credit Agreement shall conflict with this Agreement, the provisions of this Agreement shall govern.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if: (A) any order, judgment or decree of any governmental authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it; (B) except as otherwise agreed by the Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount less than $100,000, in the case of a commercial Letter of Credit, or $500,000, in the case of a standby

Letter of Credit; (C) the Letter of Credit is to be denominated in a currency other than Dollars; (D) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Company or such Lender to eliminate such Issuing Bank's actual or potential fronting exposure (after giving effect to Section 2.19(f)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other Letter of Credit Obligations as to which such Issuing Bank has actual or potential fronting exposure, as it may elect in its sole discretion; or (E) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(iii) No Issuing Bank shall amend or continue any Letter of Credit if such Issuing Bank would not be permitted at such time to issue the Letter of Credit in its amended or continued form under the terms hereof.

(iv) Each Issuing Bank shall act on behalf of the Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (A) provided to the Agent in Article VIII with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Article VIII included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to such Issuing Bank.

(v) No Issuing Bank shall have any obligation to issue any Letter of Credit hereunder if the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension thereof (it being understood that any such Letter of Credit so issued shall be on such terms and conditions as may be specified by the applicable Issuing Bank in its discretion, including with respect to expiry date and any automatic renewal features).

(b) Participations. By the Issuance of a US Letter of Credit (or an amendment to a US Letter of Credit increasing or decreasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, such Issuing Bank hereby grants to each US Revolving Lender, and each US Revolving Lender hereby acquires from such Issuing Bank, a participation in such US Letter of Credit equal to such US Revolving Lender's Ratable Share of the Available Amount of such US Letter of Credit. The Company hereby agrees to each such participation. In consideration and in furtherance of the foregoing, each US Revolving Lender hereby absolutely and unconditionally agrees to pay to the Agent, for the account of such Issuing Bank, such US Revolving Lender's Ratable Share of each drawing made under a US Letter of Credit funded by such Issuing Bank and not reimbursed by the Company on the date funded, or of any reimbursement payment required to be refunded to the Company for any reason, which amount will be advanced, and deemed to be a US Revolving Loan hereunder, regardless of the satisfaction of the conditions set forth in Section 3.02. Each US Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of US Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any US Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the US Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each US Revolving Lender further acknowledges and agrees that its participation in each US Letter of Credit will be automatically adjusted to reflect such Lender's Ratable Share of the Available Amount of such US Letter of Credit at each time such Lender's US Revolving Credit Commitment is amended pursuant to an assignment in accordance with Section 8.07 or otherwise pursuant to this Agreement.

Drawing and Reimbursement. The payment by an Issuing Bank of a draft drawn under any Letter of Credit which is not reimbursed by the Company on the date funded shall constitute for all purposes of this Agreement the making by any such Issuing Bank of a Revolving Loan under the US Revolving Credit Facility which shall be a Base Rate Revolving Loan, in the amount of such draft, without regard to whether the making of such a Revolving Loan would exceed such Issuing Bank's US Unused Revolving Credit Commitment. Each Issuing Bank shall give prompt notice to the Company and the Agent of each drawing under any Letter of Credit issued by it. Upon written demand by such Issuing Bank, with a copy of such demand to the Agent and the Company, each applicable Revolving Lender shall pay to the Agent such Lender's Ratable Share of such outstanding Revolving Loan pursuant to Section 2.03(b). Each applicable Revolving Lender acknowledges and agrees that its obligation to make Revolving Loans pursuant to this paragraph (c) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Promptly after receipt thereof, the Agent shall transfer such funds to such Issuing Bank. Each Revolving Lender agrees to fund its Ratable Share of an outstanding Revolving Loan on (i) the Business Day on which demand therefor is made by such Issuing Bank, provided that notice of such demand is given not later than 11:00 A.M. (New York City time) on such Business Day, or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. If and to the extent that any Lender shall not have so made the amount of such Revolving Loan available to the Agent, such Lender agrees to pay to the Agent forthwith on demand such amount together with interest thereon, for each day from the date of demand by any such Issuing Bank until the date such amount is paid to the Agent, at the Federal Funds Rate for its account or the account of such Issuing Bank, as applicable. If such Lender shall pay to the Agent such amount for the account of any such Issuing Bank on any Business Day, such amount so paid in respect of principal shall constitute a Revolving Loan made by such Lender on such Business Day for purposes of this Agreement, and the outstanding principal amount of the Revolving Loan made by such Issuing Bank shall be reduced by such amount on such Business Day.

(c) Letter of Credit Reports. Each Issuing Bank shall furnish (i) to the Agent (with a copy to the Company) on the first Business Day of each month a written report summarizing Issuance and expiration dates of Letters of Credit issued by such Issuing Bank during the preceding month and drawings during such month under all Letters of Credit and (ii) to the Agent (with a copy to the Company) on the first Business Day of each calendar quarter a written report setting forth the average daily aggregate Available Amount during the preceding calendar quarter of all Letters of Credit issued by such Issuing Bank.

(d) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Company when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(e) Failure to Make Revolving Loans. The failure of any Lender to make the Revolving Loan to be made by it on the date specified in Section 2.03(c) shall not relieve any other Lender of its obligation hereunder to make its Revolving Loan on such date, but no Lender shall be responsible for the failure of any other Lender to make the Revolving Loan to be made by such other Lender on such date. No failure by any Lender to make such Revolving Loans shall limit or restrict the availability of any Letter of Credit to the Company.

Letters of Credit Issued for Subsidiaries

. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Company shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Company hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Company, and that the Company's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.04. Fees. (a) Commitment Fee. The Borrowers agree to pay to the Agent for the account of each applicable Revolving Lender a commitment fee on the aggregate amount of such Lender's Unused Revolving Credit Commitment from the Effective Date until the Termination Date calculated by multiplying such Lender's Unused Revolving Credit Commitment by the Applicable Percentage, payable in arrears quarterly on the last day of each January, April, July and October and on the Termination Date; provided, however, that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) Letter of Credit Fees. (i) The Company shall pay to the Agent for the account of each applicable Revolving Lender (other than a Defaulting Lender) a commission on such Lender's Ratable Share of the average daily aggregate Available Amount of all Letters of Credit issued and outstanding from time to time at a rate per annum equal to the Applicable Margin for Eurodollar Rate Revolving Loans in effect from time to time during such calendar quarter, payable in arrears quarterly on the last day of each January, April, July and October, and on the Termination Date; provided that the Applicable Margin shall be 2% above the Applicable Margin in effect if the Company is required to pay default interest pursuant to Section 2.07(b).

(ii) The Company shall pay to each Issuing Bank, for its own account, a fronting fee (which shall accrue at a rate of 0.25% per annum on the daily amount available to be drawn on each Letter of Credit issued by such Issuing Bank) and such other commissions, issuance fees, transfer fees and other fees and charges in connection with the Issuance or administration of each Letter of Credit issued by such Issuing Bank as the Company and such Issuing Bank shall agree.

(c) Other Fees. The Company shall pay to the Agent (or to the Affiliate(s) of the Agent so designated by the Agent) the fees set forth in the fee letter dated January 17, 2012 between the Company and Citigroup Global Markets Inc. ("CGMI"), as such fee letter may from time to time be amended by the Company and CGMI, as and when such fees are due and payable pursuant to the terms thereof.

SECTION 2.05. Termination or Reduction of the Commitments. (a) Optional. The Borrowers shall have the right, upon at least three Business Days' notice to the Agent, to terminate in whole or permanently reduce in part the Unissued Letter of Credit Commitments and the Unused Revolving Credit Commitments; provided, however, that each partial reduction of a Facility (i) shall be in an aggregate amount of $5,000,000 and an integral multiple of $1,000,000 in excess thereof and (ii) if made under any Revolving Credit Facility, shall be made ratably among the Lenders in accordance with their Revolving Credit Commitments in respect of such Revolving Credit Facility.

(b) Mandatory. The US Letter of Credit Facility shall be permanently reduced from time to time on the date of each reduction in the US Revolving Credit Facility by the amount, if any, by which the amount of such Letter of Credit Facility exceeds the US Revolving Credit Facility after giving effect to such reduction of the US Revolving Credit Facility.

SECTION 2.06. Repayment of Loans. (a) Revolving Credit Facility. The applicable Borrower shall repay to the Agent for the ratable account of each applicable Lender on the Termination

Date the aggregate principal amount of the Revolving Loans made by such Lender to such Borrower then outstanding.

(b) Letter of Credit Drawings. The obligations of the Company under any Letter of Credit Agreement and any other agreement or instrument relating to any Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement, such Letter of Credit Agreement and such other agreement or instrument under all circumstances, including, without limitation, the following circumstances (it being understood that any such payment by the Company is without prejudice to, and does not constitute a waiver of, any rights the Company might have or might acquire as a result of the payment by any Lender of any draft or the reimbursement by the Company thereof, including, without limitation, pursuant to Section 8.13):

(i) any lack of validity or enforceability of this Agreement or any Note, or of any Letter of Credit Agreement, any Letter of Credit or any other agreement or instrument relating thereto (such Letter of Credit Agreement, Letter of Credit and related instruments or instruments being, collectively, the "L/C Related Documents");

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of such Borrower in respect of any L/C Related Document or any other amendment or waiver of or any consent to departure from all or any of the L/C Related Documents;

(iii) the existence of any claim, set-off, defense or other right that such Borrower may have at any time against any beneficiary or any transferee of a Letter of Credit (or any Persons for which any such beneficiary or any such transferee may be acting), any Issuing Bank, the Agent, any Lender or any other Person, whether in connection with the transactions contemplated by the L/C Related Documents or any unrelated transaction;

(iv) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(v) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit;

(vi) any exchange, release or non-perfection of any Collateral or other collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the obligations of the Company in respect of the L/C Related Documents; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including, without limitation, any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Company or a Guarantor.

(c) Term Facility. The Company shall repay to the Agent for the ratable account of each applicable Lender on the Termination Date the aggregate principal amount of the Term Loans made by such Lender to the Company then outstanding.

SECTION 2.07. Interest on Loans. (a) Scheduled Interest. Each Borrower shall pay interest on the unpaid principal amount of each Loan owing by such Borrower to the Agent for the account of each applicable Lender from the date of such Loan until such principal amount shall be paid in full, at the following rates per annum:

Base Rate Revolving Loans. During such periods as such Loan is a Base Rate Revolving Loan, a rate per annum equal at all times to the sum of (x) the Base Rate in effect from time to time plus (y) the Applicable Margin, payable in arrears quarterly on the last day of each January, April, July and October during such periods and on the date such Base Rate Revolving Loan shall be Converted or paid in full.

(i) Eurodollar Rate Revolving Loans. During such periods as such Loan is a Eurodollar Rate Revolving Loan, a rate per annum equal at all times during each Interest Period for such Revolving Loan to the sum of (x) the Eurodollar Rate for such Interest Period for such Revolving Loan plus (y) the Applicable Margin, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on the day of every third month during such Interest Period corresponding to the first day of such Interest Period and on the date such Eurodollar Rate Revolving Loan shall be Converted or paid in full.

(ii) Base Rate Term Loans. During such periods as such Loan is a Base Rate Term Loan, a rate per annum equal at all times to the sum of (x) the Base Rate in effect from time to time plus (y) the Applicable Margin, payable in arrears quarterly on the last day of each January, April, July and October during such periods and on the date such Base Rate Term Loan shall be Converted or paid in full.

(iii) Eurodollar Rate Term Loans. During such periods as such Loan is a Eurodollar Rate Term Loan, a rate per annum equal at all times during each Interest Period for such Term Loan to the sum of (x) the Eurodollar Rate for such Interest Period for such Term Loan plus (y) the Applicable Margin, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on the day of every third month during such Interest Period corresponding to the first day of such Interest Period and on the date such Eurodollar Rate Term Loan shall be Converted or paid in full.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 6.02(a), the Agent may, and upon the request of the Required Lenders shall, require and notify the Borrowers to pay interest ("Default Interest") on (i) the unpaid principal amount of each Loan owing to each Lender, payable in arrears on the dates referred to in clause (a)(i), (a)(ii), or (a)(iii) above, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on such Loan pursuant to clause (a)(i), (a)(ii), or (a)(iii) above and (ii) to the fullest extent permitted by law, the amount of any interest, fee or other amount payable hereunder in respect of the Loans of any Class that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on Base Rate Loans of such Class pursuant to clause (a)(i) or (a)(ii) above, as applicable, provided, however, that following acceleration of the Loans of any Class pursuant to Section 6.01, Default Interest on the Loans of such Class shall accrue and be payable hereunder whether or not previously required by the Agent.

SECTION 2.08. Interest Rate Determination. (a) The Agent shall give prompt notice to the Company and the applicable Lenders of the applicable interest rates determined by the Agent for purposes of each clause of Section 2.07(a).

(b) If, with respect to any Eurodollar Rate Loans of any Class, Lenders owed at least 50% of the then aggregate principal amount thereof notify the Agent that the Eurodollar Rate for any Interest Period for such Loans will not adequately reflect the cost to such Lenders of making, funding or maintaining their respective Eurodollar Rate Loans for such Interest Period, the Agent shall forthwith so notify the Company and the applicable Lenders, whereupon (i) each Eurodollar Rate Loan of such Class will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Loan of such Class, and (ii) the obligation of the applicable Lenders to make, or to Convert Loans of such

Class into, Eurodollar Rate Loans of such Class shall be suspended until the Agent shall notify the Borrowers and such Lenders that the circumstances causing such suspension no longer exist.

(c) If any Borrower shall fail to select the duration of any Interest Period for any Eurodollar Rate Loans in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01, the Agent will forthwith so notify such Borrower and the Appropriate Lenders and such Loans will automatically, on the last day of the then existing Interest Period therefor, Convert into Base Rate Loans.

(d) On the date on which the aggregate unpaid principal amount of Eurodollar Rate Revolving Loans comprising any Borrowing shall be reduced, by payment or prepayment or otherwise, to less than $10,000,000 (or $5,000,000 in the case of Canadian Revolving Loans), such Revolving Loans shall automatically Convert into Base Rate Revolving Loans.

(e) Upon the occurrence and during the continuance of any Event of Default under Section 6.02(a) or, in the case of and with respect to Revolving Loans, any Borrowing Base Deficiency, (i) each applicable Eurodollar Rate Loan will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Loan and (ii) the obligation of the applicable Lenders to make, or to Convert Loans into, Eurodollar Rate Loans shall be suspended.

(f) If Reuter Screen LIBOR01 is unavailable for determining the Eurodollar Rate for any Eurodollar Rate Loans,

(i) the Agent shall forthwith notify the Borrowers and the Lenders that the interest rate cannot be determined for such Eurodollar Rate Loans,

(ii) with respect to Eurodollar Rate Loans, each such Loan will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Loan (or if such Revolving Loan is then a Base Rate Loan, will continue as a Base Rate Loan), and

(iii) the obligation of the Lenders to make Eurodollar Rate Loans or to Convert Base Rate Loans into Eurodollar Rate Loans shall be suspended until the Agent shall notify the Company and the Lenders that the circumstances causing such suspension no longer exist.

(g) With respect to Revolving Loans made to Kodak Canada, whenever a rate of interest hereunder is calculated on the basis of a year (the "deemed year") which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the Interest Act (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.

(h) With respect to Revolving Loans made to Kodak Canada, the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement; all interest payments to be made hereunder shall be paid without allowance or deduction for reinvestment or otherwise, before and after maturity, default and judgment. The rates of interest specified in this Agreement are intended to be nominal rates and not effective rates. Interest calculated hereunder shall be calculated using the nominal rate method and not the effective rate method of calculation.

(i) Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If the Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the applicable Loans or, if it exceeds such unpaid principal, refunded to the Borrowers, as applicable. In determining whether the interest contracted for, charged, or received by the Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or

premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

(j) Notwithstanding any provision of this Agreement, in no event shall the aggregate "interest" (as defined in Section 347 of the Criminal Code (Canada)) payable by Kodak Canada under this Agreement exceed the effective annual rate of interest on the "credit advanced" (as defined in the Section) under this Agreement lawfully permitted by that Section and, if any payment, collection or demand pursuant to this Agreement in respect of "interest" (as defined in that Section) is determined to be contrary to the provisions of that Section, such payment, collection or demand shall be deemed to have been made by mutual mistake of Kodak Canada and the Lenders and the amount of such payment or collection shall be refunded to Kodak Canada. For the purposes of this Agreement, the effective annual rate of interest shall be determined in accordance with generally accepted actuarial practices and principles over the relevant term and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Lenders will be prima facie evidence of such rate.

SECTION 2.09. Optional Conversion of Loans. The applicable Borrower may on any Business Day, upon notice given to the Agent not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.08 and 2.12, Convert all or any portion of the Revolving Loans or Term Loans made to it of one Type comprising the same Borrowing into Revolving Loans or Term Loans, respectively, of the other Type; provided, however, that any Conversion of Eurodollar Rate Loans into Base Rate Loans shall be made only on the last day of an Interest Period for such Eurodollar Rate Loans, any Conversion of Base Rate Loans into Eurodollar Rate Loans shall be in an amount not less than the minimum amount specified in Section 2.02(b), no Conversion of any Loans shall result in more separate Borrowings than permitted under Section 2.02(b) and each Conversion of Loans comprising part of the same Borrowing shall be made ratably among the applicable Lenders in accordance with their Revolving Credit Commitments (or, in the case of a Conversion of Term Loans, in accordance with the outstanding Term Loans of the applicable Lenders). Each such notice of a Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Loans to be Converted, and (iii) if such Conversion is into Eurodollar Rate Loans, the duration of the initial Interest Period for each such Loan. Each notice of Conversion shall be irrevocable and binding on the Borrower giving such notice.

SECTION 2.10. Prepayments of Loans. (a) Optional. The applicable Borrower may, upon notice at least three Business Days' prior to the date of such prepayment, in the case of Eurodollar Rate Loans, and not later than 11:00 A.M. (New York City time) on the Business Day prior to such prepayment, in the case of Base Rate Loans, to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given such Borrower shall, prepay the outstanding principal amount of the Loans of a Class comprising part of the same Borrowing made to it in whole or in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment of the Loans of such Class shall be in an aggregate principal amount of $10,000,000 (or $5,000,000, in the case of the Canadian Revolving Credit Facility), or an integral multiple of $1,000,000 (or $5,000,000 in the case of the Term Facility) in excess thereof and (y) in the event of any such prepayment of a Eurodollar Rate Loan, such Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 8.04(c).

(b) Mandatory. (i) Each Borrower shall, on each Business Day, if applicable, prepay (with no corresponding commitment reduction) an aggregate principal amount of the Revolving Loans owed by such Borrower and comprising part of the same Borrowings in an amount equal to the amount by which (A) the sum of (x) the aggregate principal amount of the Revolving Loans owed by such Borrower and then outstanding plus (y) the aggregate applicable Letter of Credit Obligations then outstanding exceeds (B) the applicable Line Cap (except as a result of Protective Revolving Loans made under Section 2.01(c) and not outstanding for more than 90 consecutive days); provided that in respect of any prepayment under this subsection directly attributable to any adjustment of Reserves, such

prepayment shall be made not later than the Business Day immediately following the date such adjusted Reserves became effective.

(ii) Within three (3) Business Days of receipt by the Company or any of its Subsidiaries of the Net Cash Proceeds of any Asset Sale or Casualty Event that results from the sale or other disposition of Accounts, Inventory, Equipment or machinery that in each case constitutes Collateral, the Company shall apply an amount equal to 100% of such Net Cash Proceeds to prepay the Loans and, unless the conditions set forth in Section 3.02 are at the time satisfied and a Responsible Officer of the Company shall have delivered to the Agent a certificate to such effect (in which case such amounts may be transferred by the Company to a Collection Account and used by the Company and its Subsidiaries for general corporate purposes), to Cash Collateralize the Letter of Credit Obligations in the following order: first to the ratable prepayment of the outstanding Revolving Loans until all such Loans have been prepaid in full, second to Cash Collateralize the Letter of Credit Obligations (if required) and third to the ratable prepayment of the outstanding Term Loans until all such Loans have been prepaid in full.

(iii) On each Business Day, all amounts collected in the Digital Imaging Patent Portfolio Disposition Cash Collateral Account, will be applied to prepay the Loans and, unless the conditions set forth in Section 3.02 are at the time satisfied and a Responsible Officer of the Company shall have delivered to the Agent a certificate to such effect (in which case such amounts may be transferred by the Company to a Collection Account and used by the Company and its Subsidiaries for general corporate purposes), to Cash Collateralize the Letter of Credit Obligations in the following order: first to the ratable prepayment to the outstanding Term Loans until all such Loans have been prepaid in full, second to the ratable prepayment of the outstanding Revolving Loans until all such Loans have been prepaid in full and third to Cash Collateralize the Letter of Credit Obligations (if required).

(iv) Subject to Section 2.10(b)(viii), within three (3) Business Days after the day of receipt by the Company or any of its Subsidiaries of Other Proceeds, the Company shall apply an amount equal to the Applicable Prepayment Percentage of such Other Proceeds to prepay the Loans and to Cash Collateralize the Letter of Credit Obligations in the order set forth in (and, in the case of the Letter of Credit Obligations, to the extent required by) Section 2.10(b)(iii).

(v) Each prepayment of principal pursuant to this Section 2.10(b) shall be applied first to outstanding Base Rate Loans of each applicable Class up to the full amount thereof and then to outstanding Eurodollar Rate Loans of each applicable Class up to the full amount thereof. Each prepayment made pursuant to this Section 2.10(b) shall be made together with any interest accrued to the date of such prepayment on the principal amounts prepaid and, in the case of any prepayment of a Eurodollar Rate Loan on a date other than the last day of an Interest Period or at its maturity, any additional amounts which the applicable Borrower shall be obligated to reimburse to the Lenders in respect thereof pursuant to Section 8.04(c).

(vi) The Agent shall give prompt notice of any prepayment required under this Section 2.10(b) to Lenders.

(vii) No prepayment of Revolving Loans or Cash Collateralization made pursuant to this Section 2.10(b) shall reduce the Revolving Credit Commitments or the Letter of Credit Commitments.

(viii) Notwithstanding any other provisions of this Section 2.10(b) and except with respect to any Digital Imaging Patent Portfolio Disposition or IP Settlement Agreement, and with respect only to any Asset Sale, IP License or Casualty Event described in Section 2.10(b)(iv), to

the extent that applicable law would (x) prohibit or delay the repatriation to the United States of America or Canada of any Net Cash Proceeds received by any Subsidiary that is not a US Subsidiary or a Canadian Subsidiary or (y) impose material adverse tax or legal consequences on the Company and its Subsidiaries if such Net Cash Proceeds were so repatriated, in each case as determined by the Company in good faith, the portion of such Net Cash Proceeds so affected shall be disregarded for purposes of determining the amount of any mandatory prepayment required to be made under Section 2.10(b) so long, but only so long, as applicable local law would prohibit such repatriation (the Company hereby agreeing to promptly take or to cause the applicable Subsidiary to promptly take (as the case may be) all actions required by the applicable local law to permit such repatriation) or impose such material adverse tax consequences, and at such time as such repatriation of any such Net Cash Proceeds becomes permitted under the applicable local law and/or such material adverse tax consequences would no longer exist (and in any event within three Business Days thereafter) (and whether or not any of such Net Cash Proceeds are actually repatriated), the Company shall prepay the Loans and Cash Collateralize the Letter of Credit Obligations pursuant to Section 2.10(b)(iv).

SECTION 2.11. Increased Costs. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or making, funding or maintaining Eurodollar Rate Loans (or, in the case of any change in or in the interpretation of any law or regulations with respect to taxes, any Loans) or of agreeing to issue or of issuing or maintaining or participating in Letters of Credit (excluding for purposes of this Section 2.11 any such increased costs resulting from (x) Taxes, Excluded Taxes or Other Taxes (as to which Section 2.14 shall govern) and (y) changes in the basis of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Applicable Lending Office or any political subdivision thereof), then the applicable Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost; provided, however, that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender. A certificate as to the amount of such increased cost, submitted to the Borrowers and the Agent by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

Notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a “change in law”, regardless of the date enacted, adopted or issued.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender’s commitment to lend or to issue or participate in Letters of Credit hereunder and other commitments of such type or the issuance or maintenance of or participation in the Letters of Credit (or similar contingent obligations), then, upon demand by such Lender (with a copy of such demand to the Agent), the Borrowers shall pay to the Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender or such corporation in the light of such circumstances, to the extent that such Lender reasonably

determines such increase in capital to be allocable to the existence of such Lender's commitment to lend or to issue or participate in Letters of Credit hereunder or to the issuance or maintenance of or participation in any Letters of Credit. A certificate as to such amounts submitted to the Borrowers and the Agent by such Lender shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.12. Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for any Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Rate Loans or to fund or maintain Eurodollar Rate Loans hereunder, (a) each Eurodollar Rate Loan will automatically, upon such demand, Convert into a Base Rate Loan and (ii) the obligation of the Lenders to make, or to Convert Loans into, Eurodollar Rate Loans shall be suspended until the Agent shall notify the Borrowers and the Lenders that the circumstances causing such suspension no longer exist; provided, however, that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Eurodollar Lending Office if the making of such a designation would allow such Lender or its Eurodollar Lending Office to continue to perform its obligations to make Eurodollar Rate Loans or to continue to fund or maintain Eurodollar Rate Loans and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

SECTION 2.13. Payments and Computations. (a) The Borrowers shall make each payment hereunder without condition or deduction for any right of counterclaim, defense, recoupment or set-off, not later than 11:00 A.M. (New York City time) on the day when due in Dollars to the Agent at the Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal, interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.04, 2.11, 2.14 or 8.04(c)) to the applicable Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 8.07(c), from and after the effective date specified in such Assignment and Acceptance, the Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) Each Borrower hereby authorizes each Lender, if and to the extent payment owed to such Lender is not made when due hereunder or under the Note held by such Lender but subject to the Carve-Out, to charge from time to time against any or all of such Borrower's accounts with such Lender any amount so due.

(c) Except as otherwise required by Section 2.08(g), all computations of interest and of fees and Letter of Credit commissions shall be made by the Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurodollar Rate Loans to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

Unless the Agent shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Lenders hereunder that such Borrower will not make such payment in full, the Agent may assume that such Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent any Borrower shall not have so made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at the Federal Funds Rate.

(e) Subject to Section 6.04 and to the Intercreditor Agreement, if the Agent receives funds for application to the Obligations of the Borrowers under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify, or the applicable Borrower does not direct, the Loans to which, or the manner in which, such funds are to be applied, the Agent may, but shall not be obligated to, elect to distribute such funds ratably to the outstanding Obligations under the US Revolving Credit Facility, the Canadian Revolving Credit Facility and the Term Facility, in the case of funds received from a Borrower, as applicable to such Borrower, and within each such Facility, first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and, in the case of the US Revolving Credit Facility, unreimbursed amounts drawn under Letters of Credit then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and such Letter of Credit obligations then due to such parties.

SECTION 2.14. Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party to or for the account of any Lender or the Agent hereunder or under the Notes shall be made, in accordance with Section 2.13 or the applicable provisions of such other documents, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, remittances, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender and the Agent (i) taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction under the laws of which such Lender or the Agent (as the case may be) is organized or in which its principal executive office is located, or any political subdivision thereof and, in the case of each Lender, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof, and (ii) any U.S. federal withholding taxes imposed under FATCA that would not have been imposed but for the failure of the Agent or Lender, as applicable, to satisfy the applicable requirements of FATCA (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under the Notes being hereinafter referred to as "Taxes" and all such excluded taxes being referred to as "Excluded Taxes"). If any Loan Party or the Agent shall be required by law to deduct, remit or withhold any Taxes from or in respect of any sum payable hereunder or under any Note to any Lender or the Agent, (i) the sum payable by the applicable Loan Party shall be increased as may be necessary so that after all required deductions, remittances or withholdings are made (including deductions applicable to additional sums payable under this Section 2.14), such Lender or the Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party or the Agent shall make such deductions and (iii) such Loan Party or the Agent shall pay the full amount deducted, remitted or withheld to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution,

delivery or registration of, performing under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "Other Taxes").

(c) The Loan Parties shall indemnify each Lender and the Agent for and hold it harmless against the full amount of Taxes or Other Taxes (including, without limitation, taxes of any kind imposed or asserted by any jurisdiction on amounts payable under this Section 2.14) imposed on or paid or remitted by such Lender or the Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or the Agent (as the case may be) makes written demand therefor with appropriate supporting documentation.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Agent, at its address referred to in Section 8.02, the original or a certified copy of a receipt evidencing such payment to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent. In the case of any payment hereunder or under the Notes or any other documents to be delivered hereunder by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Agent, at such address, an opinion of counsel reasonably acceptable to the Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms "United States" and "United States person" shall have the meanings specified in Section 7701 of the Code.

(e) Each Lender or Agent organized under the laws of a jurisdiction outside the United States, on or prior to the date of its execution and delivery of this Agreement, on or prior to the designation of any different Applicable Lending Office, on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each Lender that becomes a party hereto pursuant to Section 8.07, on the date such Agent is appointed pursuant to Section 7.07(a) in the case of a successor Agent, and from time to time thereafter as reasonably requested in writing by the Company or the Agent (but only so long as such Lender or the Agent remains lawfully able to do so), shall provide each of the Agent and the Company with two original Internal Revenue Service Forms W-8BEN or (in the case of a Lender or the Agent that is claiming (A) an exemption from, or reduction in the rates of, United States federal withholding tax under an applicable income tax treaty or (B) an exemption from United States federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest" and, in the case of this clause (B), that has certified in writing to the Agent and the Company that it is not (i) a "bank" as defined in Section 881(c)(3)(A) of the Code), (ii) a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of any Loan Party or (iii) a controlled foreign corporation related to any Loan Party (within the meaning of Section 864(d)(4) of the Code (a "Compliance Certificate")) or Internal Revenue Service Forms W-8ECI, Internal Revenue Service Forms W-8IMY, accompanied by Internal Revenue Service Forms W-8ECI, W-8BEN (together with a withholding statement and Compliance Certificates, as appropriate), W-9, and/or other certification documents from each beneficial owner, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender or the Agent is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any other Loan Document or Internal Revenue Service Forms W-8BEN certifying that such Lender or the Agent is a foreign corporation, partnership, estate or trust. If the form provided by a Lender at the time such Lender first becomes a party to this Agreement indicates a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered Excluded Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered Excluded Taxes for periods governed by such form; provided, however, that, if at the date of the Assignment and Acceptance pursuant to which a Lender assignee

becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If a payment made to a Lender hereunder or under the Notes would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Agent as may be necessary for the Company and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.14(e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement. If any form or document referred to in this subsection (e) (other than FATCA documentation) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the Effective Date by Internal Revenue Service Form W-8BEN or W-8ECI or the related certificate described above, that the Lender reasonably considers to be confidential, the Lender shall give notice thereof to the Company and shall not be obligated to include in such form or document such confidential information, except directly to a governmental authority or other Person subject to a reasonable confidentiality agreement. In addition, upon the written request of the Company or the Agent, each Lender or the Agent shall provide any other certification, identification, information, documentation or other reporting requirement if (i) delivery thereof is required by a change in the law, regulation, administrative practice or any applicable tax treaty as a precondition to exemption from or a reduction in the rate of deduction or withholding; (ii) the Agent or Lender, as the case may be, is legally entitled to make delivery of such item; and (iii) delivery of such item will not result in material additional costs unless Borrower shall have agreed in writing to indemnify Lender or the Agent for such costs.

(f) For any period with respect to which a Lender has failed to provide the Company with the appropriate form, certificate or other document described in Section 2.14(e) (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring subsequent to the date on which a form, certificate or other document originally was required to be provided, or if such form, certificate or other document otherwise is not required under subsection (e) above), taxes imposed by the United States of America or Canada by reason of such failure shall be treated as Excluded Taxes; provided, however, that should a Lender become subject to taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties, at such Lender's expense, shall take such steps as the Lender shall reasonably request to assist the Lender to recover such taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Applicable Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(h) If any Lender or the Agent determines, in its sole discretion, that it has actually and finally realized, by reason of a refund, deduction or credit of any Taxes paid or reimbursed by a Loan Party pursuant to subsection (a) or (c) above in respect of payments under this Agreement or the other Loan Documents, a current monetary benefit that it would otherwise not have obtained, and that would result in the total payments under this Section 2.14 exceeding the amount needed to make such Lender or the Agent whole, such Lender or the Agent, as the case may be, shall pay to the applicable Loan Party, with reasonable promptness following the date on which it actually realizes such benefit, an amount equal to the lesser of the amount of such benefit or the amount of such excess, in each case net of all out-of-pocket expenses in securing such refund, deduction or credit; provided, that the Borrowers, upon the request of the Agent or such Lender, agree to repay the amount paid (with interest and penalties) over to

any Loan Party to the Agent or such Lender in the event the Agent or such Lender is required to repay such amount to such governmental authority.

(i) If any Loan Party determines in good faith that a reasonable basis exists for contesting the applicability of any Tax or Other Tax, the Agent or the relevant Lender shall cooperate with such Loan Party, upon the request and at the expense of such Loan Party, in challenging such Tax or Other Tax. Nothing in this Section 2.14(i) or in Section 2.14(h) shall require the Agent or any Lender to disclose the contents of its tax returns or other confidential information to any Person.

(j) Each Lender shall severally indemnify the Agent, within 10 days after demand therefor, for (i) any Taxes or Other Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Agent for such Taxes and Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any taxes attributable to such Lender's failure to comply with the provisions of Section 8.07(i) relating to the maintenance of a Participant Register and (iii) any taxes excluded from the definition of "Taxes" attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this Section 2.14(j). For the avoidance of doubt, except as otherwise provided in Sections 2.14(a), 2.14(b) and 2.14(c), nothing in this Section 2.14(j) shall result in any increase in the liability of any Loan Party to any Lender or the Agent for Taxes or Other Taxes.

SECTION 2.15. Sharing of Payments, Etc. Without expanding the rights of any Lender under this Agreement, if any Appropriate Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Loans owing to it (other than (x) as payment of a Loan made by an Issuing Bank pursuant to the first sentence of Section 2.03(c) or (y) pursuant to Section 2.11, 2.14 or 8.04(c)) in excess of its ratable share (according to the proportion of (i) the amount of such Loans due and payable to such Lender at such time to (ii) the aggregate amount of the Loans due and payable at such time to all Appropriate Lenders hereunder) of payments on account of the Loans obtained by all the Appropriate Lenders, such Lender shall forthwith purchase from the other Appropriate Lenders such participations in the Loans owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Appropriate Lender shall be rescinded and such Appropriate Lender shall repay to the purchasing Lender the purchase price to the extent of such Appropriate Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Appropriate Lenders) of such recovery together with an amount equal to such Appropriate Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered; providedfurther that, so long as the applicable Loans shall not have become due and payable pursuant to Section 6.01, any excess payment received by any Appropriate Lender shall be shared on a pro rata basis only with other Appropriate Lenders. The Borrowers agree that any Appropriate Lender so purchasing a participation from another Appropriate Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Loan Parties in the amount of such participation; providedfurther that each Lender shall only purchase participations in Loans (and Letter of

Credit Obligations, if applicable) under the Facilities with respect to which they hold a Commitment or an outstanding Loan.

SECTION 2.16. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of the Loans. Each Borrower agrees that upon notice by any Lender to such Borrower (with a copy of such notice to the Agent) to the effect that a Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Loans owing to, or to be made by, such Lender, such Borrower shall promptly execute and deliver to such Lender a Note, as applicable, properly completed, payable to such Lender and its registered assigns in a principal amount up to the Revolving Credit Commitment of such Lender (in the case of a Revolving Lender), or in an amount equal to the outstanding principal amount of the Term Loans of such Lender (in the case of a Term Lender).

(b) The Register maintained by the Agent pursuant to Section 8.07(e) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Loans comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from each Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by each Lender in its account or accounts pursuant to subsection (a) above, shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from each Borrower to such Lender under this Agreement, absent manifest error; provided, however, that the failure of such Lender to make an entry, or any finding that an entry is incorrect, in such account or accounts shall not limit or otherwise affect the obligations of any Borrower under this Agreement with respect to Loans made and not repaid.

SECTION 2.17. Use of Proceeds. The proceeds of the Loans and the Letters of Credit shall be available (and each Borrower agrees that it shall use such proceeds) solely for general corporate purposes of the Company and its Subsidiaries (including to refinance obligations outstanding under the Existing Credit Agreement).

SECTION 2.18. Cash Management

(a) Within 30 days (or, in the case of Deposit Accounts of the Canadian Loan Parties, 60 days) after the Effective Date (or such later date as the Agent may specify in its sole discretion), and at all times thereafter, the Loan Parties shall enter into and maintain blocked account agreements (each, a "Blocked Account Agreement"), satisfactory in form and substance to the Agent in its reasonable discretion, with respect to each Deposit Account into which payments in respect of Accounts of the Loan Parties are remitted (each such Deposit Account, a "Collection Account"), other than any Collection Account maintained with the Agent. Except as expressly provided herein, no deposits that constitute Term Facility Collateral (or the identifiable cash proceeds thereof) will be made to the Collection Accounts.

(b) Each Blocked Account Agreement shall require, during the continuance of an Event of Default (and delivery of notice thereof to the applicable depositary bank from the Agent) (and the Agent agrees to provide a copy of such notice to the Company), the ACH or wire transfer on each Business Day of all ledger or available, as applicable, cash receipts held in the applicable Collection Account to a concentration account maintained by the Agent (or at an Affiliate of the Agent, if so

specified by the Agent) (an "Agent Sweep Account") located in the United States (in respect of Deposit Accounts of the Company and the US Subsidiary Guarantors) or in Canada (in respect of Deposit Accounts of Kodak Canada and the Canadian Subsidiary Guarantors).

(c) If (i) at any time during the continuance of an Event of Default, any cash or Cash Equivalents owned by a Loan Party are deposited in any account (other than an Excluded Account), or held or invested in any manner (other than (x) in a Collection Account that is subject to the Blocked Account Agreement, (y) in a Collection Account that is maintained with the Agent or (z) a Deposit Account which is swept daily to a Collection Account subject to a Blocked Account Agreement or maintained with the Agent), or (ii) at any time, a Collection Account shall cease to be subject to a Blocked Account Agreement or maintained with the Agent, the applicable Loan Party shall immediately furnish the Agent with written notice thereof and the Agent may require such Loan Party to close such account and have any such funds transferred to a Collection Account which is subject to a Blocked Account Agreement or maintained with the Agent.

(d) A Loan Party may close any Deposit Account or a Collection Account, maintain existing Deposit Accounts or Collection Accounts and/or open new Deposit Accounts or Collection Accounts, subject to the execution and delivery to the Agent of appropriate Blocked Account Agreements with respect to each Collection Account (except with respect to any Collection Account maintained with the Agent) consistent with the provisions of this Section 2.18 and otherwise reasonably satisfactory to the Agent. The applicable Loan Party shall furnish the Agent with prior written notice of its intention to open or close a Collection Account and the Agent shall promptly notify such Loan Party as to whether the Agent shall require a Blocked Account Agreement with the Person with whom such account will be maintained.

(e) Each Agent Sweep Account shall at all times be under the sole dominion and control of the Agent. Each Loan Party hereby acknowledges and agrees that (i) it has no right of withdrawal from the Agent Sweep Account, (ii) the funds on deposit in an Agent Sweep Account shall at all times continue to be collateral security for all of the Secured Obligations, and (iii) the funds on deposit in an Agent Sweep Account shall be applied as provided in Section 2.18(h) of this Agreement and in the US Security Agreement. In the event that, notwithstanding the provisions of this Section 2.18, during the continuance of an Event of Default, a Loan Party receives or otherwise has dominion and control of any such proceeds or collections, such proceeds and collections shall be held in trust by such Loan Party for the Agent, shall not be commingled with any of such Loan Party's other funds or deposited in any account of such Loan Party and shall promptly be deposited into a Collection Account or dealt with in such other fashion as such Loan Party may be instructed by the Agent.

(f) Any amounts remaining in an Agent Sweep Account (i) at any time when an Event of Default is no longer continuing for purposes of this Agreement or (ii) after application of amounts received in such Agent Sweep Account as set forth in subsection (h) below, shall be remitted to the primary Collection Account of the applicable Borrower designated by the Company in a written notice to the Agent.

(g) The Agent shall promptly (but in any event within two (2) Business Days) furnish written notice to each Person with whom a Collection Account is maintained when an Event of Default is no longer continuing for purposes of this Agreement.

(h) (i) Any amounts received in an Agent Sweep Account in the United States shall be applied to the payment (without a corresponding reduction of Revolving Credit Commitments) of all of the Revolving Loans made to the Company (whether then due or not) and to the payment of all of the other Obligations under the Loan Documents of the Company and the US Subsidiary Guarantors (other than contingent obligations) (whether then due or not) in accordance with Section 6.04 (with all

Revolving Loans deemed due for purposes thereof); (ii) any amounts received in an Agent Sweep Account in Canada shall be applied to the payment (without a corresponding reduction of Revolving Credit Commitments) of all of the Revolving Loans made to Kodak Canada (whether then due or not) and to the payment of all of the other Obligations under the Loan Documents of Kodak Canada and the Canadian Subsidiary Guarantors (other than contingent obligations) (whether then due or not) in accordance with Section 6.04 (with all Revolving Loans deemed due for purposes thereof); and (iii) all payments to be made in accordance with this subsection (h) in respect of Eurodollar Rate Revolving Loans shall be made on the last day of the applicable Interest Period therefor, and shall be held in the applicable Agent Sweep Account pending such payment.

(i) The following shall apply to deposits and payments under and pursuant to this Agreement:

(i) funds shall be deemed to have been deposited to an Agent Sweep Account on the Business Day on which deposited, provided that such deposit is available to the Agent by 2:00 p.m. on that Business Day (except that if the Obligations are being paid in full, by 2:00 p.m. on that Business Day);

(ii) funds paid to the Agent, other than by deposit to an Agent Sweep Account, shall be deemed to have been received on the Business Day when they are good and collected funds, provided that such payment is available to the Agent by 2:00 p.m. on that Business Day (except that if the Obligations are being paid in full, by 2:00 p.m. on that Business Day); and

(iii) if a deposit to an Agent Sweep Account or payment is not available to the Agent until after 2:00 p.m. on a Business Day, such deposit or payment shall be deemed to have been made at 9:00 a.m. on the then next Business Day.

SECTION 2.19. Defaulting Lenders. (a) In the event that, at any time, (1) any Lender shall be a Defaulting Lender, (2) such Defaulting Lender shall owe a Defaulted Loan to a Borrower and (3) such Borrower shall be required to make any payment hereunder or under any other Loan Document to or for the account of such Defaulting Lender, then such Borrower may, to the fullest extent permitted by applicable law, set off and otherwise apply the Obligation of such Borrower to make such payment to or for the account of such Defaulting Lender against the obligation of such Defaulting Lender to make such Defaulted Loan. In the event that, on any date, a Borrower shall so set off and otherwise apply its obligation to make any such payment against the obligation of such Defaulting Lender to make any such Defaulted Loan on or prior to such date, the amount so set off and otherwise applied by such Borrower shall constitute for all purposes of this Agreement and the other Loan Documents a Loan of the applicable Class by such Defaulting Lender made on the date under the applicable Facility pursuant to which such Defaulted Loan was originally required to have been made pursuant to Section 2.01. Such Loan shall be considered, for all purposes of this Agreement, to comprise part of the Borrowing in connection with which such Defaulted Loan was originally required to have been made pursuant to Section 2.01, even if the other Loans comprising such Borrowing shall be Eurodollar Rate Loans on the date such Revolving Loan is deemed to be made pursuant to this subsection (a). A Borrower shall notify the Agent at any time such Borrower exercises its right of set-off pursuant to this subsection (a) and shall set forth in such notice (A) the name of the Defaulting Lender and the Defaulted Loan required to be made by such Defaulting Lender and (B) the amount set off and otherwise applied in respect of such Defaulted Loan pursuant to this subsection (a). Any portion of such payment otherwise required to be made by a Borrower to or for the account of such Defaulting Lender which is paid by such Borrower, after giving effect to the amount set off and otherwise applied by such Borrower pursuant to this subsection (a), shall be applied by the Agent as specified in subsection (b) or (c) of this Section 2.19.

(b) In the event that, at any time, (1) any Lender with respect to a Class of Loans shall be a Defaulting Lender, (2) such Defaulting Lender shall owe a Defaulted Amount to the Agent or other applicable Lenders with respect to such Class and (3) a Borrower shall make any payment

hereunder or under any other Loan Document to the Agent for the account of such Defaulting Lender, then the Agent may, on its behalf or on behalf of such other Lenders and to the fullest extent permitted by applicable law, apply at such time the amount so paid by such Borrower to or for the account of such Defaulting Lender to the payment of each such Defaulted Amount to the extent required to pay such Defaulted Amount. In the event that the Agent shall so apply any such amount to the payment of any such Defaulted Amount on any date, the amount so applied by the Agent shall constitute for all purposes of this Agreement and the other Loan Documents payment, to such extent, of such Defaulted Amount on such date. Any such amount so applied by the Agent shall be retained by the Agent or distributed by the Agent to such other Lenders, ratably in accordance with the respective portions of such Defaulted Amounts payable at such time to the Agent and such other Lenders and, if the amount of such payment made by a Borrower shall at such time be insufficient to pay all Defaulted Amounts owing at such time to the Agent and the other Lenders, in the following order of priority:

(i) *first*, to the Agent for any Defaulted Amount then owing to the Agent in its capacity as Agent; and

(ii) *second*, if such Defaulting Lender is a Revolving Lender, to the Issuing Banks for any Defaulted Amounts then owing to them, in their capacities as such, ratably in accordance with such respective Defaulted Amounts then owing to the Issuing Banks; and

(iii) *third*, to any other applicable Lenders of the applicable Class for any Defaulted Amounts then owing to such other Lenders, ratably in accordance with such respective Defaulted Amounts then owing to such other Lenders.

Any portion of such amount paid by a Borrower for the account of such Defaulting Lender remaining, after giving effect to the amount applied by the Agent pursuant to this subsection (b), shall be applied by the Agent as specified in subsection (c) of this Section 2.19.

(c) In the event that, at any time, (1) any Lender shall be a Defaulting Lender, (2) such Defaulting Lender shall not owe a Defaulted Loan or a Defaulted Amount and (3) a Borrower, the Agent or any other Lender shall be required to pay or distribute any amount hereunder or under any other Loan Document to or for the account of such Defaulting Lender, then such Borrower or such other Lender shall pay such amount to the Agent to be held by the Agent, to the fullest extent permitted by applicable law, in escrow or the Agent shall, to the fullest extent permitted by applicable law, hold in escrow such amount otherwise held by it. Any funds held by the Agent in escrow under this subsection (c) shall be deposited by the Agent in an account with the Agent, in the name and under the control of the Agent, but subject to the provisions of this subsection (c). The terms applicable to such account, including the rate of interest payable with respect to the credit balance of such account from time to time, shall be the Agent's standard terms applicable to escrow accounts maintained with it. Any interest credited to such account from time to time shall be held by the Agent in escrow under, and applied by the Agent from time to time in accordance with the provisions of, this subsection (c). The Agent shall, to the fullest extent permitted by applicable law, apply all funds so held in escrow from time to time to the extent necessary to make any Loans required to be made by such Defaulting Lender and to pay any amount payable by such Defaulting Lender hereunder and under the other Loan Documents to the Agent or any other Lender, as and when such Loans or amounts are required to be made or paid and, if the amount so held in escrow shall at any time be insufficient to make and pay all such Loans and amounts required to be made or paid at such time, in the following order of priority:

(i) *first*, to the Agent for any amount then due and payable by such Defaulting Lender to the Agent hereunder in its capacity as Agent;

(ii) *second*, if such Defaulting Lender is a Revolving Lender, to the Issuing Banks for any amounts then due and payable to them hereunder, in their capacities as such, by such

Defaulting Lender, ratably in accordance with such respective amounts then due and payable to the Issuing Banks;

(iii) *third*, to any other Lenders for any amount then due and payable by such Defaulting Lender to such other Lenders hereunder, ratably in accordance with such respective amounts then due and payable to such other Lenders; and

(iv) *fourth*, to the Company or Kodak Canada, as applicable for any Loan then required to be made by such Defaulting Lender pursuant to a Commitment of such Defaulting Lender.

In the event that any Lender that is a Defaulting Lender shall, at any time, cease to be a Defaulting Lender, any funds held by the Agent in escrow at such time with respect to such Lender shall be distributed by the Agent to such Lender and applied by such Lender to the Obligations owing to such Lender at such time under this Agreement and the other Loan Documents ratably in accordance with the respective amounts of such Obligations outstanding at such time.

(d) The rights and remedies against a Defaulting Lender under this Section 2.19 are in addition to other rights and remedies that such Borrowers may have against such Defaulting Lender with respect to any Defaulted Loan and that the Agent or any Lender may have against such Defaulting Lender with respect to any Defaulted Amount.

(e) Anything contained herein to the contrary notwithstanding, in the event that (i) any Lender shall become a Defaulting Lender and (ii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after the Company's request that it cure such default, the Company or Kodak Canada, as applicable shall have the right (but not the obligation) to repay such Defaulting Lender in an amount equal to the principal of, and all accrued interest on, all outstanding Loans owing to such Lender, together with all other amounts due and payable to such Lender under the Loan Documents, and such Lender's Commitment hereunder shall be terminated immediately thereafter.

(f) If any Revolving Lender becomes, and during the period it remains, a Defaulting Lender or a Potential Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the "Ratable Share" of each non-Defaulting Lender under the applicable Revolving Credit Facility shall be computed without giving effect to the Letter of Credit Commitment of that Defaulting Lender; provided, that: (i) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit under the applicable Revolving Credit Facility shall not exceed the positive difference, if any, of (1) the applicable Revolving Credit Commitment of that non-Defaulting Lender minus (2) the aggregate Revolving Loans of that Lender under such Revolving Credit Facility.

(g) Each Issuing Bank, may, by notice to the Company and such Defaulting Lender or Potential Defaulting Lender through the Agent, require the applicable Borrower to Cash Collateralize the obligations of such Borrower to such Issuing Bank in respect of such Letter of Credit in amount at least equal to the aggregate amount of the unreallocated obligations (contingent or otherwise) of such Defaulting Lender or such Potential Defaulting Lender in respect thereof, or to make other arrangements satisfactory to the Agent, and to the applicable Issuing Bank, in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender or Potential Defaulting Lender.

(h) If either Borrower Cash Collateralizes any portion of a Defaulting Lender's or a Potential Defaulting Lender's exposure with respect to an outstanding Letter of Credit, no Borrower shall

be required to pay any fees under Section 2.04(b)(i) to any Defaulting Lender or Potential Defaulting Lender that is a Lender at any time when the Letter of Credit is so Cash Collateralized.

SECTION 2.20. Replacement of Certain Lenders. In the event a Lender ("Affected Lender") shall have (a) become a Defaulting Lender under Section 2.19, (b) requested compensation from the Borrowers under Section 2.14 with respect to Taxes or Other Taxes or with respect to increased costs or capital or under Section 2.11 or other additional costs incurred by such Lender which, in any case, are not being incurred generally by the other Lenders, (c) has not agreed to any consent, waiver or amendment that requires the agreement of all Lenders or all affected Lenders in accordance with the terms of Section 8.01 and as to which the Required Lenders have agreed, or (d) delivered a notice pursuant to Section 2.12 claiming that such Lender is unable to extend Eurodollar Rate Loans for reasons not generally applicable to the other Lenders, then, in any case, the Company or the Agent may make written demand on such Affected Lender (with a copy to the Agent in the case of a demand by the Company and a copy to the Company in the case of a demand by the Agent) for the Affected Lender to assign at par, and such Affected Lender shall use commercially reasonable efforts to assign pursuant to one or more duly executed Assignments and Acceptances five Business Days after the date of such demand, to one or more financial institutions that comply with the provisions of Section 8.07 which the Company or the Agent, as the case may be, shall have engaged for such purpose ("Replacement Lender"), all of such Affected Lender's rights and obligations under this Agreement and the other Loan Documents (including, without limitation, its Commitment (if any), all Loans owing to it, all of its participation interests (if any) in existing Letters of Credit, and its obligation (if any) to participate in additional Letters of Credit hereunder) in accordance with Section 8.07. The Agent is authorized to execute one or more of such Assignments and Acceptances as attorney-in-fact for any Affected Lender failing to execute and deliver the same within 5 Business Days after the date of such demand. Further, with respect to such assignment, the Affected Lender shall have concurrently received, in cash, all amounts due and owing to the Affected Lender hereunder or under any other Loan Document; provided that upon such Affected Lender's replacement, such Affected Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections , 2.14 and 8.04, as well as to any fees accrued for its account hereunder and not yet paid, and shall continue to be obligated under Section 7.05 with respect to losses, obligations, liabilities, damages, penalties, actions, judgments, costs, expenses or disbursements for matters which occurred prior to the date the Affected Lender is replaced.

SECTION 2.21. Reserved.

SECTION 2.22. Failure to Satisfy Conditions Precedent. If any Lender makes available to the Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Agent because the conditions to the applicable Loan set forth in Article III are not satisfied or waived in accordance with the terms hereof, the Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

SECTION 2.23. Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and to make payments are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment hereunder under.

SECTION 2.24. Priority and Liens. (a) Each of the Loan Parties (other than any Loan Party that is not a Debtor) hereby covenants and agrees that upon the entry of an Interim Order (and when applicable, the Final Order) its obligations hereunder and under the Loan Documents and under the US

(a) The Effective Date shall have occurred.

(b) The Interim Order shall be in full force and effect and shall not have been vacated or reversed, shall not be subject to a stay, and shall not have been modified or amended in any respect without the written consent of the Agent, provided, that at the time of the making of any Loan or the issuance of any Letter of Credit the aggregate amount of either of which, when added to the Total Outstandings, would exceed the amount under the applicable Facility authorized by the Interim Order (collectively, the "Additional Credit"), the Agent and each of the Lenders shall have received a final copy of an order of the Bankruptcy Court in substantially the form of the Interim Order (with only such modifications thereto as are satisfactory in form and substance to the Agent) and authorizing such Additional Credit (the "Final Order") (provided, that any such final order that limits the aggregate amount of the DIP Facilities to an amount that is less than $900,000,000 shall not be satisfactory to the Administrative Agent), and at the time of the extension of any Additional Credit the Final Order shall be in full force and effect, and shall not have been vacated or reversed, shall not be subject to a stay, and shall not have been modified or amended in any respect without the written consent of the Agent.

The representations and warranties of each Borrower and each Loan Party contained in each Loan Document to which it is a party shall be true and correct in all material respects (except to the extent qualified by materiality, "Material Adverse Effect" or like qualification, in which case such representations and warranties shall be true and correct in all respects) on and as of such date, before and after giving effect to such Borrowing or such Issuance and to the application of the proceeds therefrom, as though made on and as of such date.

(d) The making of such Loan (or the issuance of such Letter of Credit) shall not violate any requirement of law and shall not be enjoined, temporarily, preliminarily or permanently.

(e) In the case of any Revolving Loan or Issuance, no Borrowing Base Deficiency will exist after giving effect to such Borrowing, issuance or renewal and to the application of the proceeds therefrom.

Each of the giving of the applicable Notice of Borrowing, Notice of Issuance and the acceptance by the applicable Borrower of the proceeds of such Borrowing or such Issuance shall constitute a representation and warranty by the Company that on the date of such Borrowing or such Issuance the conditions set forth in Sections 3.02(c), 3.02(d), and, if applicable, 3.02(e) are satisfied.

SECTION 3.03. Additional Conditions to Issuances. In addition to the other conditions precedent herein set forth, if any Revolving Lender becomes, and during the period it remains, a Defaulting Lender or a Potential Defaulting Lender, no Issuing Bank will be required to issue any Letter of Credit or to amend any outstanding Letter of Credit to increase the face amount thereof, alter the drawing terms thereunder or extend the expiry date thereof, unless such Issuing Bank is satisfied that any exposure that would result from a Defaulted Revolving Loan of such Defaulting Lender or Potential Defaulting Lender is eliminated or fully covered by the Revolving Credit Commitments of the Revolving Lenders that are Non-Defaulting Lenders or by Cash Collateralization or a combination thereof satisfactory to such Issuing Bank.

SECTION 3.04. Determinations Under this Agreement. For purposes of determining compliance with the conditions specified in this Agreement, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to the Lenders unless an officer of the Agent responsible for the transactions contemplated by this Agreement shall have received notice from such Lender prior to the date that the Company, by notice to the Lenders, designates as the proposed Effective Date, specifying its objection thereto. The Agent shall promptly notify the Lenders of the occurrence of the Effective Date.

then, and in any such event, the Agent shall at the request, or may with the consent, of the Class Required Lenders of any Class (i) by notice to the Company, declare the obligation of each Lender of the applicable Class to make Loans of the applicable Class (other than Revolving Loans to be made by an Issuing Bank or a Lender pursuant to Section 2.03(c)) to be terminated and, in the case of the Required US Revolving Lenders, declare the obligation of the Issuing Banks to issue Letters of Credit to be terminated, whereupon the same shall forthwith terminate, (ii) by notice to the Company, declare the Loans of the applicable Class, all interest thereon and all other amounts payable in respect thereof under this Agreement to be forthwith due and payable, whereupon such Loans, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by each Borrower; and (iii) subject to the provisions of the Intercreditor Agreement and the Orders, exercise rights and remedies in respect of the Collateral in accordance with Section 19 of the US Security Agreement, Section 19 of the Canadian Security Agreement and/or the comparable provisions of any other Collateral Document; provided, that (x) with respect to a Single Class Default, only Lenders of the applicable Class shall be entitled to request that the Agent exercise remedies pursuant to this Section 6.01 (or to consent thereto) and (y) with respect to the enforcement of Liens or other remedies with respect to the Collateral of the US Loan Parties under the preceding clause (iii), the Agent shall provide the Company (with a copy to counsel for the Official Creditors' Committee in the Cases and to the United States Trustee for the Southern District of New York) with seven (7) days' prior written notice prior to taking the action contemplated thereby; in any hearing after the giving of the aforementioned notice, the only issue that may be raised by any party in opposition thereto being whether, in fact, an Event of Default has occurred and is continuing.

SECTION 6.03. Actions in Respect of the Letters of Credit upon Default. If any Event of Default (other than a Single Class Default of the type described in clause (i) of the definition thereof) shall have occurred and be continuing, the Agent may with the consent, or shall at the request, of the Required US Revolving Lenders, irrespective of whether it is taking any of the actions described in Section 6.01, make demand upon the Company to, and forthwith upon such demand the Company will, (a) pay to the Agent on behalf of the Revolving Lenders in same day funds at the Agent's office designated in such demand, for deposit in the L/C Cash Deposit Account, an amount equal to the aggregate Available Amount of all Letters of Credit then outstanding or (b) make such other arrangements in respect of the outstanding Letters of Credit as shall be acceptable to the Agent and not more disadvantageous to the Company than clause (a). If at any time any such Event of Default is continuing the Agent determines that any funds held in the L/C Cash Deposit Account are subject to any right or claim of any Person other than the Agent and the US Revolving Lenders or that the total amount of such funds is less than the aggregate Available Amount of all Letters of Credit, then the Company will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited and held in the L/C Cash Deposit Account, an amount equal to the excess of (i) such aggregate Available Amount over (ii) the total amount of funds, if any, then held in the L/C Cash Deposit Account that the Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit, to the extent funds are on deposit in the L/C Cash Deposit Account, such funds shall be applied to reimburse the Issuing Banks to the extent permitted by applicable law; provided, that the Agent shall provide the Company (with a copy to counsel for the Official Creditors' Committee in the Cases and to the United States Trustee for the Southern District of New York) with seven (7) days' prior written notice prior to applying any such funds; in any hearing after the giving of the aforementioned notice, the only issue that may be raised by any party in opposition thereto being whether, in fact, an Event of Default has occurred and is continuing. After all such Letters of Credit shall have expired or been fully drawn upon, if at such time (x) no Event of Default is continuing or (y) all other obligations of the Company hereunder and under the Notes shall have been paid in full, the balance, if any, in such L/C Cash Deposit Account shall be returned to the Borrowers.

SECTION 6.04. Reserved.

Application of Funds. After the exercise of remedies provided for in Section 6.01 (or after the Loans have become immediately due and payable and the Letters of Credit have been required to be cash collateralized as set forth in Section 6.02), any amounts received by the Agent on account of the Obligations shall be applied by the Agent in the following order:

(a) With respect to amounts received from or on account of the Company, or in respect of any US Collateral (subject to the proviso at the end of this Section 6.04(a)):

First, to payment of that portion of the US Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Agent and amounts payable under Article II) payable to the Agent in its capacity as such;

Second, to payment of that portion of the US Obligations constituting fees, indemnities and other amounts (other than principal, interest, US Letter of Credit fees and commitment fees) payable to the US Revolving Lenders, the US Issuing Banks and the Term Lenders (including fees, charges and disbursements of counsel to the respective US Revolving Lenders, the US Issuing Banks and the Term Lenders payable under the Loan Documents and amounts payable under Article II) (in each case, other than fees, indemnities and other amounts arising under US Secured Agreements), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the US Obligations constituting accrued and unpaid US Letter of Credit fees, commitment fees and interest on the US Revolving Loans, on the Term Loans and on unreimbursed amounts under US Letters of Credit, ratably among the US Revolving Lenders, the US Issuing Banks and the Term Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, (i) to payment of that portion of the US Obligations constituting unpaid principal of the US Revolving Loans and the Term Loans, unreimbursed amounts under US Letters of Credit and amounts payable under US Secured Agreements and (ii) to the Agent for the account of the US Issuing Banks, to cash collateralize that portion of US Letter of Credit Obligations comprising the aggregate undrawn amount of US Letters of Credit, ratably among the US Revolving Lenders, the Term Lenders, the US Issuing Banks and the other US Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Canadian Obligations in the order set forth in Section 6.04(b); and

Last, the balance, if any, after all of the US Obligations have been paid in full in cash, to the Borrowers or as otherwise required by law;

provided, that the application to the US Obligations pursuant to this Section 6.04(a) of amounts received in respect of US Collateral that is Revolving Credit Facility Collateral and in respect of US Collateral that is Term Facility Collateral is expressly subject to the priorities set forth in the Intercreditor Agreement and in the Interim Order (and, when entered, the Final Order), and all such amounts shall first be allocated in accordance with such priorities before being applied to the US Obligations pursuant to this Section 6.04(a).

(b) With respect to amounts received from or on account of any Canadian Loan Party or in respect of any Canadian Collateral or, as contemplated by clause Fifth of Section 6.04(a), in respect of any US Collateral,

First, to payment of that portion of the Canadian Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Agent and amounts payable under Article II) payable to the Agent in its capacity as such;

Second, to payment of that portion of the Canadian Obligations constituting fees, indemnities and other amounts (other than principal, interest and commitment fees) payable to the Canadian Revolving Lenders (including fees, charges and disbursements of counsel to the respective Canadian Revolving Lenders arising under the Loan Documents and amounts payable under Article II) (in each case, other than fees, indemnities and other amounts arising under Canadian Secured Agreements), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Canadian Obligations constituting accrued and unpaid commitment fees and interest on the Canadian Revolving Loans, ratably among the Canadian Revolving Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Canadian Obligations constituting unpaid principal of the Canadian Revolving Loans and amounts payable under Canadian Secured Agreements, ratably among the Canadian Revolving Lenders and the other Canadian Secured Parties in proportion to the respective amounts described in this clause Fourth held by them; and

Last, the balance, if any, after all of the Canadian Obligations have been paid in full in cash, to the Canadian Loan Parties or as otherwise required by law.

Subject to Section 6.03, amounts used to cash collateralize the aggregate undrawn amount of Letters of Credit pursuant to Section 6.04(a), clause Fourth above, shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

Any amounts received by the Collateral Agent on account of the Obligations (including pursuant to any exercise of remedies by the Collateral Agent) shall be promptly remitted to the Agent for application to the Obligations in accordance with this Section 6.04.

Notwithstanding the foregoing, Obligations arising under Secured Agreements shall be excluded from the application described above if the Agent has not received written notice thereof, together with such supporting documentation as the Agent may reasonably request, from the applicable holder of such Obligations. Each holder of Obligations under a Secured Agreement not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Agent pursuant to the terms of Article VII hereof for itself and its Affiliates as if a "Lender" party hereto.

SECTION 6.05. Guaranty; Limitation of Liability. (a) (i) Each of the Company and each US Subsidiary Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all obligations of each other Loan Party and each other Subsidiary of the Company now or hereafter existing under or in respect of the Loan Documents or any Secured Agreement (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such obligations being the "Comprehensive Guaranteed Obligations"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document or Secured Agreement. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Comprehensive Guaranteed Obligations and would be owed by any other Loan Party or Subsidiary of the Company, as applicable, to the Agent or any Lender under or in respect of the Loan Documents or any Secured Agreement but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party or Subsidiary, as the case may be.

(ii) Each of the Company and each Canadian Subsidiary Guarantor, jointly and severally, hereby absolutely, unconditionally and irrevocably guarantees the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all obligations of each Canadian Loan Party now or hereafter existing under or in respect of the Loan Documents or any Secured Agreement (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such obligations being the "Canadian Guaranteed Obligations"), and agrees to pay any and all expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by the Agent or any other Lender in enforcing any rights under this Guaranty or any other Loan Document against such Guarantor. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Canadian Guaranteed Obligations and would be owed by any other Loan Party to the Agent or any Lender under or in respect of the Loan Documents by a Canadian Loan Party but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such other Loan Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Agent and each other Lender, hereby confirms that it is the intention of all such Persons that this Guaranty and the obligations of each US Subsidiary Guarantor and each Canadian Subsidiary Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the obligations of such Guarantor hereunder. To effectuate the foregoing intention, the Agent, the Lenders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(i) Each US Subsidiary Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to the Agent or any Lender under this Guaranty or any guaranty supplement of the Comprehensive Guaranteed Obligations, such US Subsidiary Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other US Subsidiary Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Agent and the Lenders under or in respect of the Loan Documents.

(ii) Each Canadian Subsidiary Guarantor hereby unconditionally and irrevocably agrees that in the event any payment shall be required to be made to the Agent or any Lender under this Guaranty or any guaranty supplement of the Canadian Guaranteed Obligations, such Canadian Subsidiary Guarantor will contribute, to the maximum extent permitted by law, such amounts to each other Canadian Subsidiary Guarantor and each other guarantor so as to maximize the aggregate amount paid to the Agent and the Lenders under or in respect of the Loan Documents.

SECTION 6.06. Guaranty Absolute. Each Guarantor guarantees that the applicable Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Agent or any Lender with respect thereto. The obligations of each Guarantor under or in respect of this Guaranty are independent of the applicable Guaranteed Obligations or any other obligations of any other Loan Party under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Guaranty, irrespective of whether any action is brought against any Borrower or any other Loan Party or whether any Borrower or any other Loan Party is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the applicable Guaranteed Obligations or any other obligations of any other Loan Party under or in respect of the Loan Documents, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the applicable Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral or any other collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the applicable Guaranteed Obligations;

(d) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the applicable Guaranteed Obligations or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the applicable Guaranteed Obligations or any other obligations of any Loan Party under the Loan Documents or any other assets of any Loan Party or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Loan Party or any of its Subsidiaries;

any failure of the Agent or any Lender to disclose to any Loan Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party now or hereafter known to the Agent or such Lender (each Guarantor waiving any duty on the part of the Agent and the Lenders to disclose such information);

(f) the failure of any other Person to execute or deliver this Agreement, any Guaranty Supplement or any other guaranty or agreement or the release or reduction of liability of any Guarantor or other guarantor or surety with respect to the applicable Guaranteed Obligations; or

(g) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Agent or any Lender that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the applicable Guaranteed Obligations is rescinded or must otherwise be returned by the Agent or any Lender or any other Person upon the insolvency, bankruptcy or reorganization of the applicable Borrower or any other Loan Party or otherwise, all as though such payment had not been made.

SECTION 6.07. Waivers and Acknowledgments. (a) Each Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the applicable Guaranteed Obligations and this Guaranty and any requirement that the Agent or any Lender protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Loan Party or any other Person or any Collateral.

(b) Each Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to all applicable Guaranteed Obligations whether existing now or in the future.

(c) Each Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by the Agent or any Lender that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Loan Parties, any other guarantor or any other Person or any Collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of such Guarantor hereunder.

(d) Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of the Agent or any Lender to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Loan Party or any of its Subsidiaries now or hereafter known by the Agent or such Lender.

(e) Each Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in Section 6.06 and this Section 6.07 are knowingly made in contemplation of such benefits.

SECTION 6.08. Subrogation. Each Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower, any other Loan Party or any other insider guarantor that arise from the existence, payment, performance or

enforcement of such Guarantor's obligations under or in respect of this Guaranty or any other Loan Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Agent or any Lender against any Borrower, any other Loan Party or any other guarantor of some or all of the Guaranteed Obligations or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower, any other Loan Party or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash, all Letters of Credit shall have expired or been terminated and the Commitments shall have expired or been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the latest of (a) the payment in full in cash of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty, (b) the Termination Date and (c) the latest date of expiration or termination of all Letters of Credit, such amount shall be received and held in trust for the benefit of the Agent and the Lenders, shall be segregated from other property and funds of such Guarantor and shall forthwith be paid or delivered to the Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the applicable Guaranteed Obligations and all other amounts payable under this Guaranty by such Guarantor, whether matured or unmatured, in accordance with the terms of the Loan Documents, or to be held as Collateral for any applicable Guaranteed Obligations or other amounts payable under this Guaranty by such Guarantor thereafter arising. If (i) any Guarantor shall make payment to the Agent or any Lender of all or any part of the applicable Guaranteed Obligations, (ii) all of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty by such Guarantor shall have been paid in full in cash, (iii) the Termination Date shall have occurred and (iv), all Letters of Credit shall have expired or been terminated, the Agent and the Lenders will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the applicable Guaranteed Obligations resulting from such payment made by such Guarantor pursuant to this Guaranty.

SECTION 6.09. Guaranty Supplements. Upon the execution and delivery by any Person of a guaranty supplement in substantially the form of Exhibit F hereto (each, a "Guaranty Supplement"), (a) such Person shall be referred to as an "Additional Guarantor" and shall become and be a Guarantor hereunder, and each reference in this Guaranty to a "Guarantor" shall also mean and be a reference to such Additional Guarantor, and each reference in any other Loan Document to a "US Subsidiary Guarantor" or a "Canadian Subsidiary Guarantor", as applicable, shall also mean and be a reference to such Additional Guarantor, and (b) each reference herein to "this Guaranty," "hereunder," "hereof" or words of like import referring to this Guaranty, and each reference in any other Loan Document to the "Guaranty," "thereunder," "thereof" or words of like import referring to this Guaranty, shall mean and be a reference to this Guaranty as supplemented by such Guaranty Supplement.

SECTION 6.10. Subordination. (a) Each Guarantor hereby subordinates any and all debts, liabilities and other obligations owed to such Guarantor by each other Loan Party (the "Subordinated Obligations") to the applicable Guaranteed Obligations to the extent and in the manner hereinafter set forth in this Section 6.10:

(b) Prohibited Payments, Etc. Except during the continuance of an Event of Default, each Guarantor may receive regularly scheduled payments from any other Loan Party on account of the Subordinated Obligations. After the occurrence and during the continuance of any Event of Default, however, unless the Required Lenders otherwise agree, no Guarantor shall demand, accept or take any action to collect any payment on account of the Subordinated Obligations.

(c) Prior Payment of Guaranteed Obligations. In any proceeding under any Bankruptcy Law relating to any other Loan Party, each Guarantor agrees that the Lenders shall be entitled to receive payment in full in cash of all applicable Guaranteed Obligations (including all interest and expenses accruing after the commencement of a proceeding under any Bankruptcy Law, whether or not

constituting an allowed claim in such proceeding ("Post-Petition Interest")) before such Guarantor receives payment of any Subordinated Obligations.

(d) Turn-Over. After the occurrence and during the continuance of any Event of Default, each Guarantor shall, if the Agent (with the consent or at the direction of the Required Lenders) so requests, collect, enforce and receive payments on account of the Subordinated Obligations as trustee for the Agent and the Lenders and deliver such payments to the Agent on account of the applicable Guaranteed Obligations (including all Post-Petition Interest), together with any necessary endorsements or other instruments of transfer, but without reducing or affecting in any manner the liability of such Guarantor under the other provisions of this Guaranty.

(e) Agent Authorization. After the occurrence and during the continuance of any Event of Default, the Agent is authorized and empowered (but without any obligation to so do), in its discretion, (i) in the name of each Guarantor, to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and to apply any amounts received thereon to the applicable Guaranteed Obligations (including any and all Post-Petition Interest), and (ii) to require each Guarantor (A) to collect and enforce, and to submit claims in respect of, the Subordinated Obligations and (B) to pay any amounts received on such obligations to the Agent for application to the applicable Guaranteed Obligations (including any and all Post-Petition Interest).

SECTION 6.11. Continuing Guaranty; Assignments. This Guaranty is a continuing guaranty and shall (a) except as provided in the next succeeding sentence, remain in full force and effect until the latest of (i) the payment in full in cash of the applicable Guaranteed Obligations and all other amounts payable under this Guaranty, (ii) the Termination Date and (iii) the latest date of expiration or termination of all Letters of Credit, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Agent and the Lenders and their successors, permitted transferees and permitted assigns. Upon the sale of a Guarantor or any or all of the assets of any Guarantor to the extent permitted in accordance with the terms of the Loan Documents or upon such Guarantor otherwise ceasing to be a Subsidiary of the Company organized under the laws of a state of the United States of America or Canada (or a province thereof) without violation of the terms of this Agreement, such Guarantor (and its Subsidiaries) or such assets shall be automatically released from this Guaranty or any Guaranty Supplement, and all pledges and security interests of the equity of such Guarantor or any Subsidiary of such Guarantor and all other pledges and security interests in the assets of such Guarantor and any of its Subsidiaries shall be released as provided in Section 8.13. Without limiting the generality of clause (c) above, the Agent or any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Revolving Loans owing to it and any Note or Notes held by it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 8.07. No Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

ARTICLE VII

THE AGENT

SECTION 7.01. Authorization and Action. (a) Each Lender hereby irrevocably appoints Citicorp North America, Inc. to act on its behalf as the Agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

Each Lender hereby further irrevocably appoints Citicorp North America, Inc. to act on its behalf as Collateral Agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The Collateral Agent shall act on behalf of the Lenders and shall have all of the benefits and immunities (i) provided to the Agent in this Article VII with respect to any acts taken or omissions suffered by the Collateral Agent in connection with its activities in such capacity as fully as if the term "Agent" as used in this Article VII included the Collateral Agent with respect to such acts or omissions, and (ii) as additionally provided herein with respect to the Collateral Agent.

(b) The provisions of this Article are solely for the benefit of the Agent, the Issuing Banks, the Collateral Agent and the Lenders, and neither any Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

SECTION 7.02. Agent Individually. (a) The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any of their Subsidiaries or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

(b) Each Lender understands that the Person serving as Agent, acting in its individual capacity, and its Affiliates (collectively, the "Agent's Group") are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 7.02 as "Activities") and may engage in the Activities with or on behalf of one or more of the Loan Parties or their respective Affiliates. Furthermore, the Agent's Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Loan Parties and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Borrowers, another Loan Party or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Loan Parties or their Affiliates. Each Lender understands and agrees that in engaging in the Activities, the Agent's Group may receive or otherwise obtain information concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) which information may not be available to any of the Lenders that are not members of the Agent's Group. None of the Agent nor any member of the Agent's Group shall have any duty to disclose to any Lender or use on behalf of the Lenders, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any Affiliate of any Loan Party) or to account for any revenue or profits obtained in connection with the Activities, except that the Agent shall deliver or otherwise make available to each Lender such documents as are expressly required by any Loan Document to be transmitted by the Agent to the Lenders.

(c) Each Lender further understands that there may be situations where members of the Agent's Group or their respective customers (including the Loan Parties and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders (including the interests of the Lenders hereunder and under the other Loan

Documents). Each Lender agrees that no member of the Agent's Group is or shall be required to restrict its activities as a result of the Person serving as Agent being a member of the Agent's Group, and that each member of the Agent's Group may undertake any Activities without further consultation with or notification to any Lender. None of (d) this Agreement nor any other Loan Document, (e) the receipt by the Agent's Group of information (including Borrower Information) concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) nor (f) any other matter shall give rise to any fiduciary, equitable or contractual duties (including without limitation any duty of trust or confidence) owing by the Agent or any member of the Agent's Group to any Lender including any such duty that would prevent or restrict the Agent's Group from acting on behalf of customers (including the Loan Parties or their Affiliates) or for its own account.

SECTION 7.03. Duties of Agent; Exculpatory Provisions. (a) The Agent's duties hereunder and under the other Loan Documents are solely ministerial and administrative in nature and the Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (i) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (ii) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent or any of its Affiliates to liability or that is contrary to any Loan Document or applicable law and (iii) the Agent shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Agent or any of its Affiliates in any capacity.

(b) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.01 or 8.03) or (ii) in the absence of its own gross negligence or willful misconduct. The Agent shall be deemed not to have knowledge of any Default or the event or events that give or may give rise to any Default unless and until the Company or any Lender shall have given notice to the Agent describing such Default and such event or events.

(c) Neither the Agent nor any member of the Agent's Group shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement, any other Loan Document or the information presented to the other Lenders by the Company, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created by the Collateral Documents or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Agent.

(d) Nothing in this Agreement or any other Loan Document shall require the Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any Person on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any

such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or any of its Related Parties.

SECTION 7.04. Reliance by Agent. The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless an officer of the Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the making of such Loan or the issuance of such Letter of Credit, and in the case of a Borrowing, such Lender shall not have made available to the Agent such Lender's ratable portion of such Borrowing. The Agent may consult with legal counsel (who may be counsel for the Company or any other Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 7.05. Indemnification. (a) Each Lender severally agrees to indemnify the Agent (to the extent not promptly reimbursed by the Company) from and against such Lender's pro rata share (based on the Loans and unused Commitments held by such Lender relative to the total Loans and unused Commitments then outstanding) of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Agent under this Agreement (collectively, the "Indemnified Costs"), provided that no Lender shall be liable for any portion of the Indemnified Costs resulting from the Agent's gross negligence or willful misconduct as found in a non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its ratable share of any reasonable out-of-pocket expenses (including reasonable counsel fees) incurred by the Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that the Agent is not promptly reimbursed for such expenses by the Company. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by the Agent, any Lender or a third party.

(b) Each Revolving Lender severally agrees to indemnify the Issuing Banks (to the extent not promptly reimbursed by the Company) from and against such Lender's Ratable Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against any such Issuing Bank in any way relating to or arising out of the L/C Related Documents or any action taken or omitted by such Issuing Bank hereunder or in connection herewith; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Issuing Bank's gross negligence or willful misconduct as found in a non-appealable judgment by a court of competent jurisdiction. Without limitation of the foregoing, each Revolving Lender agrees to reimburse any such Issuing Bank promptly upon demand for its Ratable Share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Company under Section 8.04, to the extent that such Issuing Bank is not promptly reimbursed for such costs and expenses by the Company.

The failure of any Lender to reimburse the Agent or any Issuing Bank promptly upon demand for its ratable share of any amount required to be paid by the Lenders to the Agent as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse the Agent or any Issuing Bank for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse the Agent or any Issuing Bank for such other Lender's ratable share of such amount. Without prejudice to the survival of any other agreement of any Lender hereunder, the agreement and obligations of each Lender contained in this Section 7.05 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes. Each of the Agent and each Issuing Bank agrees to return to the Lenders their respective ratable shares of any amounts paid under this Section 7.05 that are subsequently reimbursed by the Company.

SECTION 7.06. Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more co-agents or sub-agents appointed by the Agent. The Agent and any such co-agent or sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. Each such co-agent and sub-agent and the Related Parties of the Agent and each such co-agent and sub-agent (including their respective Affiliates in connection with the syndication of the Revolving Credit Facility) shall be entitled to the benefits of all provisions of this Article VII and Article VIII (as though such co-agents and sub-agents were the "Agent" under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 7.07. Resignation of Agent. (a) The Agent may at any time give notice to the Lenders and the Company of its resignation in respect of (x) each of the Facilities, (y) the Term Facility, but not the Revolving Credit Facility or the Letter of Credit Facility or (z) the Revolving Credit Facility and the Letter of Credit Facility, but not the Term Facility. Upon receipt of any such notice of resignation, the Required Lenders (or in the case of a resignation (x) in respect of the Term Facility, but not the Revolving Credit Facility or the Letter of Credit Facility, the Required Term Lenders, or (y) in respect of the Revolving Credit Facility and the Letter of Credit Facility, but not the Term Facility, the Required Revolving Lenders) shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders (or the Required Term Lenders or the Required Revolving Lenders, if applicable) and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (such 30-day period, the "Lender Appointment Period"), then the retiring Agent may on behalf of the applicable Lenders, appoint a successor Agent meeting the qualifications set forth above. In addition and without any obligation on the part of the retiring Agent to appoint, on behalf of the Lenders, a successor Agent, the retiring Agent may at any time upon or after the end of the Lender Appointment Period notify the Company and the Lenders that no qualifying Person has accepted appointment as successor Agent and the effective date of such retiring Agent's resignation. Upon the resignation effective date established in such notice and regardless of whether a successor Agent has been appointed and accepted such appointment, the retiring Agent's resignation shall nonetheless become effective and (i) the retiring Agent shall be discharged from its duties and obligations as Agent hereunder and under the other Loan Documents in respect of the Facilities as to which it has resigned and (ii) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each applicable Lender directly, until such time as the Required Lenders (or the Required Term Lenders or the Required Revolving Lenders, if applicable) appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties as Agent of the retiring (or retired) Agent in respect of the Facilities as to which it has resigned, and the retiring Agent shall be discharged from all of its duties and obligations as Agent hereunder or under the other Loan Documents in respect of the Facilities as to which it has resigned (if not already discharged

therefrom as provided above in this paragraph). The fees payable by the Company to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Section 7.05 and Section 8.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

(b) Any resignation pursuant to this Section by a Person acting as Agent shall, unless such Person shall notify the Company and the Lenders otherwise, also act to relieve such Person and its Affiliates of any obligation to issue new, or extend existing, Letters of Credit where such issuance or extension is to occur on or after the effective date of such resignation. Upon the acceptance of a successor's appointment as Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (ii) the retiring Issuing Bank shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents arising on or after the effective date of such successor's appointment, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

(c) If at any time the Person acting as "Agent" in respect of the Term Facility is not the Person acting as "Agent" in respect of the Revolving Facility and the Letter of Credit Facility, the term "Agent" as used herein shall be deemed a collective reference to each such Person, the applicable provisions of this Agreement and the other Loan Documents shall be construed accordingly, *mutatis mutandis*, and such Persons shall cooperate in the administration of this Agreement and the other Loan Documents to the extent necessary or appropriate.

SECTION 7.08. Non-Reliance on Agent and Other Lenders. (a) Each Lender confirms to the Agent, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Agent, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making Loans and other extensions of credit hereunder and under the other Loan Documents and (z) in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making Loans and other extensions of credit hereunder and under the other Loan Documents is suitable and appropriate for it.

(b) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Loan Documents, (ii) that it has, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Loan Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(iv) the financial condition, status and capitalization of the Company and each other Loan Party;

the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Loan Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document;

(v) determining compliance or non-compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition;

(vi) the adequacy, accuracy and/or completeness of any information delivered by the Agent, any other Lender or by any of their respective Related Parties under or in connection with this Agreement or any other Loan Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document.

SECTION 7.09. No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the Persons acting as, Arranger or Syndication Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent, Collateral Agent or as a Lender hereunder.

SECTION 7.10. Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Bankruptcy Law or any other judicial proceeding relative to any Loan Party, the Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks and the Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, interim receiver, monitor, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Agent and, if the Agent shall consent to the making of such payments directly to the Lenders and Issuing Bank, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent hereunder.

SECTION 7.11. Intercreditor Agreement. Each of the Lenders hereby authorizes and directs the Agent to enter into the Intercreditor Agreement on behalf of such Lender and agrees that the Agent in its various capacities thereunder may take such actions on its behalf as is contemplated by the terms of the Intercreditor Agreement. Each Lender hereunder (a) consents to any subordination of Liens provided for in the Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement, (c) authorizes and instructs the Agent to enter into the Intercreditor Agreement as Agent and on behalf of such Lender and (d) agrees that the Agent may

take such actions on behalf of such Lender as is contemplated by the terms of such Intercreditor Agreement.

SECTION 7.12. Reserved.

SECTION 7.13. Secured Agreements. (a) The Company, any Lender and any Affiliate of a Lender may from time to time designate a qualifying agreement as a Secured Agreement upon written notice (a "Designation Notice") to the Agent from the Company and such Lender or such Affiliate, in form reasonably acceptable to the Agent, which Designation Notice shall include a description of such Secured Agreement and the maximum amount of obligations thereunder which are to constitute Obligations (each, a "Designated Amount"); provided that (x) no such Designated Amount with respect to any Secured Agreement shall constitute US Obligations or Canadian Obligations, as applicable, to the extent that, at the time of delivery of the applicable Designation Notice and after giving effect to such Designated Amount (including to the reserve for Secured Agreements to be established by the Agent in connection therewith), the US Excess Availability (in the case of a Designation Notice with respect to a US Secured Agreement) or the Canadian Excess Availability (in the case of a Designation Notice with respect to a Canadian Secured Agreement) would be less than zero and (y) any such Designated Amount shall constitute Obligations only to the extent that such Designated Amount, together with all other Designated Amounts under Secured Agreements theretofore designated hereunder and constituting Obligations, does not exceed $75,000,000.

(b) The Company and any counterparty to a Secured Agreement may increase, decrease or terminate any Designated Amount in respect of such Secured Agreement upon written notice to the Agent; provided that any increase in a Designated Amount shall be deemed to be a new designation of a Designated Amount pursuant to a new Designation Notice and shall be subject to the limitations set forth in Section 7.13(a). No obligations under any Secured Agreement in excess of the applicable Designated Amount shall constitute Obligations hereunder or the other Loan Documents.

(c) No counterparty to a Secured Agreement that obtains the benefits of Section 6.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VII to the contrary, the Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Agreements unless the Agent has received written notice of such Obligations, together with such supporting documentation as the Agent may request, from the applicable counterparty to a Secured Agreement.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. Amendments, Waivers. No amendment or waiver of any provision of this Agreement or the Notes, nor consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (a) no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following: (i) waive any of the conditions specified in Section 3.01, (ii) release all or substantially all of the Collateral in any transaction or series of related transactions, (iii) release one or more Guarantors (or otherwise limit such Guarantors' liability with respect to the obligations owing to the Agent, the Collateral Agent and the Lenders under the Guaranties) if such release or limitation is in

respect of all or substantially all of the value of the Guaranties, taken as a whole, to the Lenders, or (iv) amend this Section 8.01; (b) no amendment, waiver or consent shall, unless in writing and signed by each Lender affected thereby, do any of the following: (i) increase the Commitment of such Lender, (ii) reduce or forgive the principal of, or interest on, the Loans or any fees or other amounts payable hereunder, (iii) postpone any date fixed for any payment of principal of, or interest on, the Loans or any fees or other amounts payable hereunder, (iv) change the order of application of any reduction in the Commitments or any prepayment of Loans among the Facilities from the application thereof set forth in Section 6.04, (v) change Section 2.05(a) in a manner that would alter the pro rata reduction or termination of commitments required thereby or (vi) amend or modify the Superpriority Claim status of the Lenders under the Orders or under any other Loan Document; (c) no amendment, waiver or consent shall, unless in writing and signed by each Lender adversely affected thereby, amend or modify the definition of "Required Lenders", "Class Required Lenders", "Required Revolving Lenders", "Required US Revolving Lenders", "Required Canadian Revolving Lenders" or "Required Term Lenders"; (d) no amendment, waiver or consent shall, unless in writing and signed by the Supermajority Revolving Lenders, increase the advance rates set forth in the definition of the term "Loan Value", add new asset categories to the Borrowing Base or otherwise cause the Borrowing Base or availability under the Revolving Credit Facility provided for herein to be increased (other than changes in Reserves implemented by the Agent in its reasonable discretion), provided that any such amendment, waiver or consent described in this clause (d) shall be effective without the consent of any Lenders other than the Supermajority Revolving Credit Lenders; and (e) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of one Class of Lenders (but not of any other Class of Lenders), including (i) any waiver of conditions set forth in Section 3.02 with respect to a Borrowing of Loans or an Issuance of a Letter of Credit of such Class and (ii) any amendment, waiver or modification relating to a Single Class Default applicable to such Class, in each case, shall be effective with the consent of the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time; provided further that (x) no amendment, waiver or consent shall, unless in writing and signed by the Agent or the Collateral Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Agent or the Collateral Agent, as applicable, under this Agreement or any Note, (y) no amendment, waiver or consent shall, unless in writing and signed by any Issuing Bank in addition to the Lenders required above to take such action, adversely affect the rights or obligations of such Issuing Bank in its capacity as such under this Agreement and (z) any waiver or amendment with respect to the terms governing the Canadian Revolving Credit Facility, the Canadian Collateral and the Canadian Loan Parties in connection with an Approved Canadian Case (including any amendments to the representations or covenants that relate to the Canadian Loan Parties and the conditions to additional Canadian Revolving Borrowings) shall be effective with the consent of the Required Canadian Revolving Lenders (and shall not require the consent of any other Lenders), provided, however, notwithstanding clauses (ii) and (iii) of clause (a) above, no consent or waiver or other approval of any Lender shall be required for any release of a Guaranty or Guaranty Supplement as provided in Section 6.11 or any release of Collateral as provided in Section 8.13 or in any Collateral Document.

SECTION 8.02. Notices, Etc.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Borrower, the Agent, the Collateral Agent or any Issuing Bank, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 9.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to any Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Agent that it is incapable of receiving notices under such Article by electronic communication. The Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Each Lender agrees that notice to it specifying that any Borrower Materials or other notices or communications have been posted to the Platform shall constitute effective delivery of such information, documents or other materials to such Lender for purposes of this Agreement; provided that if requested by any Lender, the Agent shall deliver a copy of the Borrower Materials, notices or other communications to such Lender by email or fax.

(c) Electronic Communications. Unless the Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Agent, the Collateral Agent or any of their respective Related Parties (collectively, the "Agent Parties") have any liability to the Borrowers, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or the Agent's or Collateral Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party

have any liability to the Borrowers, any Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) Change of Address, Etc. Each of the Borrowers, the Agent, the Collateral Agent and each Issuing Bank may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers and the Agent. In addition, each Lender agrees to notify the Agent from time to time to ensure that the Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States Federal or state securities laws.

(f) Reliance by Agent, Collateral Agent, Issuing Banks and Lenders. The Agent, the Collateral Agent, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notices of Borrowing) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Agent, the Collateral Agent, each Issuing Bank, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers. All telephonic notices to and other telephonic communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

SECTION 8.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agent in accordance with Section 6.01 for the benefit of all the Lenders and the Issuing Banks; provided, however, that the foregoing shall not prohibit (a) the Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (b) each Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Bank, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 9.06 (subject to the terms of Section 2.15), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Bankruptcy Law; and provided, further, that if at any time there is no Person acting as Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Agent pursuant to Article VI and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.15, any Lender may, with the consent of the Required Lenders (or, if applicable, the Required Term

Lenders or the Required Revolving Lenders), enforce any rights and remedies available to it and as authorized by the Required Lenders (or, if applicable, the Required Term Lenders or the Required Revolving Lenders).

SECTION 8.04. Costs and Expenses. (a) The Company agrees to pay on demand all reasonable costs and expenses of the Agent, the Collateral Agent and each Issuing Bank in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, the Notes and the other documents to be delivered hereunder, including, without limitation, (i) all due diligence, syndication (including printing, distribution and bank meetings), transportation, computer, duplication, appraisal, consultant, and audit expenses, (ii) the reasonable fees and expenses of counsel for the Agent, the Collateral Agent and each Issuing Bank with respect thereto, (iii) fees and expenses incurred in connection with the creation, perfection or protection of the liens under the Loan Documents (including all reasonable search, filing and recording fees) and (iv) costs associated with insurance reviews, Collateral audits, field exams, collateral valuations and collateral reviews to the extent provided herein, provided, however, the Company shall not be required to pay fees or expenses of more than one counsel in any jurisdiction where the Collateral is located, with respect to advising such Agent, the Collateral Agent and each Issuing Bank as to its rights and responsibilities, or the perfection, protection or preservation of rights or interests, under the Loan Documents, with respect to negotiations with any Loan Party or with other creditors of any Loan Party or any of its Subsidiaries arising out of any Default or any events or circumstances that may give rise to a Default and with respect to presenting claims in or otherwise participating in or monitoring any bankruptcy, insolvency or other similar proceeding involving creditors' rights generally and any proceeding ancillary thereto. The Company further agrees to pay on demand all costs and expenses of the Agent, the Collateral Agent, each Issuing Bank and each Lender, if any (including, without limitation, reasonable counsel fees and expenses), in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of the Loan Documents, whether in any action, suit or litigation, or any bankruptcy, insolvency or other similar proceeding affecting creditors' rights generally, including, without limitation, reasonable fees and expenses of counsel for the Agent, the Collateral Agent, each Issuing Bank and each Lender in connection with the enforcement of rights under this Agreement and the other Loan Documents.

(b) The Company agrees to indemnify and hold harmless the Agent, the Collateral Agent, each Issuing Bank and each Lender and each of their Related Parties (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Loans or Letters of Credit (which, for the avoidance of doubt does not include Taxes, Excluded Taxes and Other Taxes which shall be governed by Section 2.14) or (ii) the actual or alleged presence of Hazardous Materials on any property of the Company or any of its Subsidiaries or any Environmental Action relating in any way to the Company or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense resulted from such Indemnified Party's gross negligence, bad faith or willful misconduct as found in a final and non-appealable judgment by a court of competent jurisdiction. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 8.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, equityholders or creditors or an Indemnified Party or any other Person, whether or not any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. The Company and each Indemnified Party agrees not to assert any claim for special, indirect, consequential or punitive damages against the Company, the Agent, any Lender, any of their Affiliates, or any of their respective directors, officers, employees, attorneys and agents, on any theory of liability, arising out of or otherwise

relating to the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Loans.

(c) If any payment of principal of, or Conversion of, any Eurodollar Rate Loan is made by any Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Loan, as a result of a payment or Conversion pursuant to Section 2.08(d) or (e), 2.10 or 2.12, acceleration of the maturity of the Notes pursuant to Section 6.01 or for any other reason, or by an Eligible Assignee to a Lender other than on the last day of the Interest Period for such Loan upon an assignment of rights and obligations under this Agreement pursuant to Section 8.07 as a result of a demand by the Company pursuant to Section 8.07(a), the applicable Borrower shall, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or Conversion, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Loan.

(d) Without prejudice to the survival of any other agreement of any Loan Party hereunder or under any other Loan Document, the agreements and obligations of the Borrowers contained in Sections 2.11, 2.14 and 8.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes.

(e) No Indemnified Party referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnified Party through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence, bad faith or willful misconduct of such Indemnified Party as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(f) All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(g) The agreements in this Section shall survive the resignation of the Agent, the Collateral Agent and any Issuing Bank, the replacement of any Lender, the termination of the aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 8.05. Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to the Agent, the Collateral Agent, any Issuing Bank or any Lender, or the Agent, the Collateral Agent, any Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Agent, the Collateral Agent, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Bankruptcy Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each Issuing Bank severally agrees to pay to the Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the Issuing Banks under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Right of Set-off. Subject to the Orders, the final proviso to Section 6.01 and the proviso to Section 6.02, upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Agent to declare the Loans (or any Class thereof) due and payable pursuant to the provisions of Section 6.01, the Agent, each Issuing Bank (if applicable), the Collateral Agent and each applicable Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Agent, such Issuing Bank, the Collateral Agent or such Lender or such Affiliate to or for the credit or the account of any Borrower against any and all of the obligations of such Borrower now or hereafter existing under this Agreement and any Note held by the Agent, such Issuing Bank, the Collateral Agent or such Lender, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmatured, provided, however, that no such right shall exist against any deposit designated as being for the benefit of any governmental authority, provided, further, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the applicable Borrower after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender, the Agent, each Issuing Bank, the Collateral Agent and each such Affiliate under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that the Agent, the Issuing Banks, the Collateral Agent, the Lenders or such Affiliates may have.

SECTION 8.06. Binding Effect. This Agreement shall become effective in accordance with Section 3.01 and thereafter shall be binding upon and inure to the benefit of the Borrowers, the Agent, the Collateral Agent and each Lender and their respective successors and assigns, except that no Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of all of the Lenders.

SECTION 8.07. Assignments and Participations. (a) Each Lender may, with the consent of the Agent (not to be unreasonably withheld or delayed) in the case of an assignment to a Person who is not an Affiliate of such Lender and, if demanded by the Company so long as no Default shall have occurred and be continuing and only with respect to any Affected Lender, upon at least five Business Days' notice to such Lender and the Agent, shall, assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments of a Class, the Loans of a Class owing to it, its participations in Letters of Credit, if any, and the Note or Notes held by it); provided, however, that (i) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement with respect to one or more Facilities, (ii) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender, or an assignment of all of a Lender's rights and obligations under this Agreement, the amount of (x) the Revolving Credit Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $5,000,000 or an integral multiple of $1,000,000 in excess thereof, (y) the Unissued Letter of Credit Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than $1,000,000 or an integral multiple of $1,000,000 in excess thereof and (z) the Term Commitment or the Term Loans of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the

Assignment and Acceptance with respect to such assignment) shall in no event be less than $5,000,000 or an integral multiple of $1,000,000 in excess thereof, in each case, unless the Company and the Agent otherwise agrees, (iii) each such assignment shall be to an Eligible Assignee, (iv) each such assignment made as a result of a demand by the Company pursuant to this Section 8.07(a) shall be arranged by the Company after consultation with the Agent and shall be either an assignment of all of the rights and obligations of the assigning Lender under this Agreement or an assignment of a portion of such rights and obligations made concurrently with another such assignment or other such assignments that together cover all of the rights and obligations of the assigning Lender under this Agreement, (v) no Lender shall be obligated to make any such assignment as a result of a demand by the Company pursuant to this Section 8.07(a) unless and until such Lender shall have received one or more payments from either the Borrowers or one or more Eligible Assignees in an aggregate amount at least equal to the aggregate outstanding principal amount of the Loans owing to such Lender, together with accrued interest thereon to the date of payment of such principal amount and all other amounts payable to such Lender under this Agreement, and (vi) unless waived by the Agent in its sole discretion, the parties to each such assignment shall execute and deliver to the Agent, for its acceptance and recording in the Register, an Assignment and Acceptance (and the assignee, if it is not a Lender, shall deliver to the Agent an Administrative Questionnaire), together with any Note subject to such assignment and a processing and recordation fee of $3,500 payable by the parties to each such assignment; provided, however, that (x) only one such fee shall be payable in connection with simultaneous assignments to or by two or more Approved Funds with respect to a Lender and (y) in the case of each assignment made as a result of a demand by the Company, such recordation fee shall be payable by the Company except that no such recordation fee shall be payable in the case of an assignment made at the request of the Company to an Eligible Assignee that is an existing Lender. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.11, 2.14 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations (other than its obligations under Section 8.04 to the extent any claim thereunder relates to an event arising prior to such assignment) under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement as are delegated to the Agent by the terms hereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, together with any Note or Notes subject to such assignment, the Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (c) accept such Assignment and Acceptance, (d) record the information contained therein in the Register and (e) give prompt notice thereof to the Company

(f) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrowers and the Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Ratable Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(g) The Agent shall maintain at its address referred to in Section 8.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Revolving Loans owing to, each Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrowers, the Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by any Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(h) Each Lender may sell participations to one or more banks or other entities (other than the Company or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Loans owing to it and any Note or Notes held by it); provided, however, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrowers hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrowers, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, provided, however, that any agreement between a Lender and such participant may provide that the Lender will not, without the consent of participant, agree to any such amendment, waiver or consent which would reduce the principal of, or interest on, the Loans or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or postpone any date fixed for any payment of principal of, or interest on, the Loans or any fees or other amounts payable hereunder, in each case to the extent subject to such participation.

(i) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 8.07, disclose to the assignee or participant or

proposed assignee or participant, any information relating to the Borrowers furnished to such Lender by or on behalf of the Borrowers; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Borrower Information relating to the Borrowers received by it from such Lender.

(j) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

(k) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register in the United States on which it enters the name and address of each participant and the principal amounts and stated interest of each participant's interest in the Loans, Commitments or other obligations under this Agreement (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that the Loans are in registered form under Treas. Reg. § 5f.103-1(c). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as owner of such participation for all purposes of this Agreement.

SECTION 8.08. Confidentiality. Neither the Agent nor any Lender may disclose to any Person any confidential, proprietary or non-public information of any Loan Party furnished to the Agent or the Lenders by any Loan Party, including, without limitation (1) earnings and other financial information and forecasts, budgets, projections, plans, (including, without limitation, any confirmations of publicly disclosed advice regarding any material matter); (2) mergers, acquisitions, tender offers, joint ventures, disposition or changes in assets; (3) new products or discoveries or developments regarding the Company's customers or suppliers; (4) changes in control or in management; (5) changes in auditors or auditor notifications to the Company; (6) securities redemptions, splits, repurchase plans, changes in dividends, changes in rights of holders or sales of additional securities; and (7) negative news relating to such matters as physical damage to properties from significant events, loss of significant contractual relationship, material litigation, defaults under contracts or securities, bankruptcy (including the Cases) or receivership (such information being referred to collectively herein as the "Borrower Information"), except that each of the Agent, the Collateral Agent and each of the Lenders may disclose Borrower Information (i) to its Affiliates and to its and its Affiliates' managers, administrators, partners, employees, trustees, officers, directors, agents, advisors and other representatives solely for purposes of this Agreement, any Notes and the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Borrower Information and instructed to keep such Borrower Information confidential on terms substantially no less restrictive than those provided herein), (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulating authority, such as the National Association of Insurance Commissioners), provided, to the extent permitted by law and practicable under the circumstances, the Agent or such Lender shall provide the Company with prompt notice of such requested disclosure so that the Company may seek a protective order prior to the time when the Agent or such Lender is required to make such disclosure (except in the case of any disclosure made in the course of any examination conducted by bank regulatory authority), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided, to the extent permitted by law and practicable under the circumstances, the Agent or such Lender shall provide the Company with prompt notice of such requested disclosure so that the Company may seek a protective order prior to the time when the Agent or such Lender is required to make such disclosure, (iv) subject to this Section 8.08, to any other Lender to

this Agreement which has requested such information, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions no less restrictive than those of this Section 8.08, to any assignee or participant or prospective assignee or participant or any pledge referred to in Section 8.07(i), (vii) to the extent such Borrower Information (A) is or becomes generally available to the public on a non-confidential basis other than as a result of a breach of this Section 8.08 by the Agent or such Lender, or (B) is or becomes legally available to the Agent or such Lender on a nonconfidential basis from a source other than a Loan Party, provided that the source of such information was not known by the Agent or such Lender to be bound by a confidentiality agreement with or other contractual, legal or fiduciary obligations of confidentiality to a Loan Party or any other party with respect to such information, (viii) with the consent of the Company, (ix) to any party hereto and (x) subject to the Agent's or the applicable Lender's receipt of an agreement containing provisions no less restrictive than those of this Section, to any actual or prospective party (or its managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives) to any swap, derivative or other transaction under which payments are to be made by reference to the Company and its Obligations, this Agreement or payments hereunder. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information

SECTION 8.09. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or in .pdf (or similar electronic format) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 8.10. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Agent, the Collateral Agent and each Lender, regardless of any investigation made by the Agent, the Collateral Agent or any Lender or on their behalf and notwithstanding that the Agent, the Collateral Agent or any Lender may have had notice or knowledge of any Default at the time of any Loan, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

SECTION 8.11. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 8.11, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Bankruptcy Laws, as determined in good faith by the Agent or the Issuing Banks, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited

SECTION 8.12. Jurisdiction. (a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

(b) SUBMISSION TO JURISDICTION. EACH BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF

AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE AGENT, ANY LENDER OR ANY ISSUING BANK MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWERS OR ANY OTHER LOAN PARTIES OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 8.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 8.13. No Liability of the Issuing Banks. Each Revolving Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no Issuing Bank shall have any responsibility to obtain any document, other than any sight draft, certificates and documents expressly required by the Letter of Credit, or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. Each Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither an Issuing Bank nor any of its officers or directors shall

be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrowers shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrowers, to the extent of any direct, but not consequential, damages suffered by the Company that the Company proves were caused by such Issuing Bank's willful misconduct or gross negligence as found in a final non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; provided that nothing herein shall be deemed to excuse such Issuing Bank if it acts with gross negligence or willful misconduct in accepting such documents as found in a final non-appealable judgment by a court of competent jurisdiction.

SECTION 8.14. PATRIOT Act Notice. Each Lender, the Collateral Agent and the Agent (for itself and not on behalf of any Lender) hereby notifies each Borrower that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies such Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender, the Collateral Agent or the Agent, as applicable, to identify such Borrower in accordance with the PATRIOT Act. Each Borrower shall provide such information and take such actions as are reasonably requested by the Agent or any Lenders in order to assist the Agent and the Lenders in maintaining compliance with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

SECTION 8.15. Release of Collateral; Termination of Loan Documents. (a) (i) Upon the sale, lease, transfer or other disposition of any item of Collateral of any Loan Party (other than to any Person that is not, and that is not required to be, a Loan Party) in accordance with the terms of the Loan Documents, including, without limitation, as a result of the sale, in accordance with the terms of the Loan Documents, of the Loan Party that owns such Collateral, (ii) upon a Subsidiary ceasing to be a Subsidiary, and (iii) at any time a Loan Party's guarantee of the obligations under the Loan Documents ceases as provided in Section 6.11, the security interests granted by the Loan Documents with respect to such items of Collateral and/or Loan Party shall immediately terminate and automatically be released, and the Agent and/or the Collateral Agent will, at the Company's expense, execute and deliver to such Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents.

(b) Upon the latest of (i) the payment in full in cash of all Obligations (or in the case of Obligations under Secured Agreements, the making of arrangements reasonably satisfactory to the relevant counterparties with respect thereto) (other than contingent indemnification obligations for which no claim has been asserted), (ii) the termination in full of the Commitments and (iii) the latest date of expiration or termination of all Letters of Credit (or receipt by the Agent of an irrevocable notice from each Issuing Bank with a Letter of Credit outstanding that it will not seek to enforce any rights that it has or may have in accordance with Section 2.03 against the Agent or the Lenders), (x) except as otherwise specifically stated in this Agreement or the other Loan Documents, this Agreement and the other Loan Documents shall terminate and be of no further force or effect, (y) the Agent shall release or cause the release of all Collateral from the Liens of the Loan Documents and the Guarantors of all Obligations under each Guaranty, and will, at the Company's expense, execute and deliver such documents as the Company may reasonably request to evidence the release of Collateral from the assignment and security interest granted under the Collateral Documents and the obligations of the Guarantors and (z) each Lender

that has requested and received a Note shall return such Note to the Company marked "cancelled" or "paid in full"; provided, however, that the Lender's obligations under this Section 8.15 shall survive until satisfied. Upon the termination in full of the Canadian Revolving Credit Commitments and the payment in full in cash of all Canadian Obligations (other than (x) contingent indemnification obligations for which no claim has been asserted and (y) obligations under Canadian Secured Agreements as to which arrangements satisfactory to the applicable Canadian Secured Party have been made): (A) except as otherwise specifically stated in this Agreement or the other Loan Documents, Kodak Canada shall cease to be a Borrower under this Agreement and the other Loan Documents and its Subsidiaries, if any, shall cease to be Canadian Subsidiary Guarantors, and the obligations of Kodak Canada and any Canadian Subsidiary Guarantors hereunder and thereunder shall terminate and be of no further force or effect, (B) the Agent shall release or cause the release of all Canadian Collateral from the Liens of the Loan Documents and any Canadian Subsidiary Guarantors of all Obligations under each Guaranty, and will, at the Company's expense, execute and deliver such documents as the Company may reasonably request to evidence the release of Canadian Collateral from the assignment and security interest granted under the Collateral Documents and the obligations of the Guarantors, (C) any representation or warranty or covenant with respect to Kodak Canada and any Canadian Subsidiary Guarantor as a Borrower or other Loan Party set forth in this Agreement shall terminate and be of no further force or effect, (D) any reference to any Canadian Pension Plan or Termination Event shall be deemed deleted, and (E) each Lender that has requested and received a Note from Kodak Canada shall return such Note to the Company marked "cancelled" or "paid in full".

SECTION 8.16. Judgment Currency. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars with such other currency at the Exchange Rate on the Business Day preceding that on which final judgment is given.

(b) The obligation of each Borrower in respect of any sum due from it in any currency (the "Primary Currency") to any Lender or the Agent hereunder shall, notwithstanding any judgment in any other currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Agent (as the case may be), of any sum adjudged to be so due in such other currency, such Lender or the Agent (as the case may be) may in accordance with normal banking procedures purchase the applicable Primary Currency with such other currency; if the amount of the applicable Primary Currency so purchased is less than such sum due to such Lender or the Agent (as the case may be) in the applicable Primary Currency, each Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Agent (as the case may be) against such loss, and if the amount of the applicable Primary Currency so purchased exceeds such sum due to any Lender or the Agent (as the case may be) in the applicable Primary Currency, such Lender or the Agent (as the case may be) agrees to remit to such Borrower such excess.

SECTION 8.17. No Fiduciary Duty. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower and each other Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agent, the Collateral Agent, the Arranger and the Lenders are arm's-length commercial transactions between the Loan Parties and their respective Affiliates, on the one hand, and the Agent, the Collateral Agent, the Arranger and the Lenders, on the other hand, (B) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Loan Parties are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agent, the Collateral Agent, the Arranger and the Lender each are and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, have not been, are not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties or any of their respective Affiliates, or any other Person and (B) neither the Agent, the Collateral Agent, the Arranger nor the Lenders have any obligation to the Loan Parties or any of their respective Affiliates with respect to the

transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agent, the Collateral Agent, the Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and neither the Agent, the Collateral Agent, the Arranger nor the Lenders have any obligation to disclose any of such interests to the Loan Parties or their respective Affiliates. To the fullest extent permitted by law, each Borrower and each of the other Loan Parties hereby waives and releases any claims that it may have against the Agent, the Collateral Agent, the Arranger and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 8.18. Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act or similar foreign laws.

US SECURITY AGREEMENT dated January [ ], 2012 (this "***Agreement***"), made by Eastman Kodak Company, a New Jersey corporation, a debtor and debtor-in-possession in a case pending under Chapter 11 of the Bankruptcy Code (as defined in the Credit Agreement, defined herein) (the "***Company***"), and the Subsidiaries of the Company listed on the signature pages hereof, each of which is a debtor and debtor-in-possession, or which at any time execute and deliver a Security Agreement Supplement in substantially the form attached hereto as Exhibit C (the Company and such Subsidiaries, collectively, the "***Grantors***"), to Citicorp North America, Inc., as Agent (in such capacity, together with any successor Agent appointed pursuant to Article VIII of the Credit Agreement, the "***Agent***") for the Secured Parties (as hereinafter defined).

(2) Each Grantor is the owner of the shares of stock or other equity interests in its Subsidiaries set forth on Part I of Schedule I hereto and issued by the Persons named therein (such shares of stock or other equity interests, the "***Initial Pledged Equity***"). (b) Except as otherwise provided in this subsection (b), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Assigned Agreements and Receivables. In connection with such collections, such Grantor may take (and, at the Agent's direction, will take) such action as such Grantor or the Agent may deem necessary or advisable to enforce collection of the Assigned Agreements and Receivables; *provided*, *however*, that the Agent shall have the right at any time, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Assigned Agreements and Receivables of the assignment of such Assigned Agreements to the Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Assigned Agreements and Receivables, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Assigned Agreements and Receivables, including, without limitation, those set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Assigned Agreements and Receivables of such Grantor shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary indorsement) to be deposited in the Agent Sweep Account in the United States and either (A) released to such Grantor so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(b) of this Agreement or as provided in Section 2.18(h) of the Credit Agreement, and (ii) such Grantor will not adjust, settle or compromise the amount or payment of any Receivable or amount due on any Assigned Agreement, release wholly or partly any Obligor thereof or allow any credit or discount thereon other than credits or discounts given in the ordinary course of business.

Section 11. As to Intellectual Property Collateral. (a) With respect to each item of its Intellectual Property Collateral material to the business of the Company and its Subsidiaries, each Grantor agrees to take, at its expense, all commercially reasonable steps as determined in Grantor's reasonable discretion, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance (in accordance with the exercise of such Grantor's reasonable business discretion) of each patent, trademark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings initiated by third parties, in each case except where the failure to so file, register, maintain or participate is

not reasonably likely to have a Material Adverse Effect. No Grantor shall, without the written consent of the Agent, which shall not be unreasonably withheld or delayed, discontinue use of or otherwise abandon any such material Intellectual Property Collateral, or abandon any right to file an application for patent, trademark, or copyright, unless such Grantor shall have reasonably determined that such use or the pursuit or maintenance of such Intellectual Property Collateral is no longer reasonably necessary or desirable in the conduct of such Grantor's business and that the loss thereof would not be reasonably likely to have a Material Adverse Effect.

(b) Until the termination of the Credit Agreement, each Grantor agrees to provide, annually to the Agent an updated Schedule of its Patents, Trademarks and registered Copyrights.

(c) In the event that any Grantor becomes aware that any item of the Intellectual Property Collateral is being infringed, misappropriated or otherwise violated by a third party in any material respect, such Grantor shall take such commercially reasonable actions determined in its reasonable discretion, at its expense, to protect or enforce such Intellectual Property Collateral, including, without limitation, suing for infringement, misappropriation or other violation and for an injunction against such infringement, misappropriation or other violation.

(d) Each Grantor shall take all reasonable steps which it deems appropriate under the circumstances to preserve and protect each item of its material Trademarks included in the Intellectual Property Collateral, including, without limitation, taking all reasonable steps which it deems appropriate under the circumstances to maintain substantially the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the general quality of the products and services as of the date hereof, and taking all reasonable steps which it deems appropriate under the circumstances to ensure that all licensed users of any of the Trademarks use such consistent standards of quality.

(e) With respect to its Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit A hereto or otherwise in form and substance satisfactory to the Agent (an "***Intellectual Property Security Agreement***"), for recording the security interest granted hereunder to the Agent in such Intellectual Property Collateral with the U.S. Patent and Trademark Office, the U.S. Copyright Office, and any other governmental authorities necessary to perfect the security interest hereunder in such Intellectual Property Collateral.

(e) Each entity which executes a Security Agreement Supplement as Grantor shall execute and deliver to the Agent with such written notice, or otherwise authenticate, an agreement substantially in the form of Exhibit B hereto or otherwise in form and substance satisfactory to the Agent (an "***IP Security Agreement Supplement***") identifying the Intellectual Property Collateral pledged by such Grantor, which IP Security Agreement Supplement shall be recorded with the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authorities necessary to perfect the security interest hereunder in such Intellectual Property Collateral.

(iii) The Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of a Default under Section 6.01(a) or (e) of the Credit Agreement:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 12(a)(i) shall, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, upon notice to such Grantor by the Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 12(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Agent for the benefit of the Secured Parties, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 12(b) shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such

Grantor and shall be promptly paid over to the Agent as Security Collateral in the same form as so received (with any necessary indorsement).

Section 13. As to the Assigned Agreements. (a) Each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, at its expense:

(i) perform and observe all terms and provisions of the Assigned Agreements to be performed or observed by it to the extent consistent with its past practice or reasonable business judgment, maintain the Assigned Agreements to which it is a party in full force and effect, enforce the Assigned Agreements to which it is a party in accordance with the terms thereof and take all such action to such end as may be requested from time to time by the Agent; and

(ii) furnish to the Agent promptly upon receipt thereof copies of all notices of defaults in excess of $25,000,000 received by such Grantor under or pursuant to the Assigned Agreements to which it is a party, and from time to time (A) furnish to the Agent such information and reports regarding the Assigned Agreements and such other Collateral of such Grantor as the Agent may reasonably request and (B) upon request of the Agent, make to each other party to any Assigned Agreement to which it is a party such demands and requests for information and reports or for action as such Grantor is entitled to make thereunder.

(b) Each Grantor hereby consents on its behalf and on behalf of its Subsidiaries to the assignment and pledge to the Agent for benefit of the Secured Parties of each Assigned Agreement to which it is a party by any other Grantor hereunder.

(c) Each Grantor agrees, upon the reasonable request of Agent, to instruct each other party to each Assigned Agreement to which it is a party, that all payments due or to become due under or in connection with such Assigned Agreement will be made directly to a Deposit Account.

(d) All moneys received or collected pursuant to subsection (c) above shall be (i) released to the applicable Grantor on the terms set forth in Section 5 so long as no Event of Default shall have occurred and be continuing or (ii) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(b).

Section 14. As to Letter-of-Credit Rights and Commercial Tort Claims. (a) Except as otherwise permitted by the Credit Agreement, this Agreement and the Interim Order (and when applicable, the Final Order), each Grantor, by granting a security interest in its Receivables consisting of letter-of-credit rights to the Agent, hereby assigns to the Agent such rights (including its contingent rights) to the proceeds of all Related Contracts consisting of letters of credit of which it is or hereafter becomes a beneficiary or assignee. Upon request of the Agent, each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, promptly use commercially reasonable efforts to cause the issuer of each letter-of-credit with a stated amount in excess of $5,000,000 and each nominated person (as defined in Section 5-102

of the UCC) (if any) with respect thereto to consent to such assignment of the proceeds thereof pursuant to a consent in form and substance reasonably satisfactory to the Agent and deliver written evidence of such consent to the Agent.

(b) Upon the occurrence and during the continuance of an Event of Default, each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, promptly upon request by the Agent, (i) notify (and such Grantor hereby authorizes the Agent to notify) the issuer and each nominated person with respect to each of the Related Contracts consisting of letters of credit that the proceeds thereof have been assigned to the Agent hereunder and any payments due or to become due in respect thereof are to be made directly to the Agent or its designee and (ii) arrange for the Agent to become the transferee beneficiary of letter of credit.

(c) In the event that any Grantor hereafter acquires or has any commercial tort claim that has been filed with any court in excess of $20,000,000 in the aggregate, it shall, promptly after such claim has been filed with such court, deliver a supplement to Schedule X hereto, identifying such new commercial tort claim; *provided*, *however*, that, with respect to any commercial tort claim in respect of Intellectual Property Collateral, the obligation set forth in this Section 14(c) shall only be applicable with respect to any such commercial tort claims to the extent relating to Intellectual Property Collateral with respect to which the applicable Grantors have executed or otherwise authenticated (or have an obligation pursuant to Section 11(e) to execute or otherwise authenticate) an Intellectual Property Security Agreement.

Section 15. Transfers and Other Liens; Additional Shares. (a) Each Grantor agrees that it will not (i) sell, assign or otherwise dispose of, or grant any option with respect to, any of the Collateral, other than sales, assignments and other dispositions of Collateral, and options relating to Collateral, permitted under the terms of the Credit Agreement or (ii) create or suffer to exist any Lien upon or with respect to any of the Collateral of such Grantor except for the pledge, assignment and security interest created under this Agreement and Liens permitted under the Credit Agreement.

(b) Subject to the terms of the Credit Agreement and this Agreement, each Grantor agrees that it will (i) cause each issuer of the Pledged Equity pledged by such Grantor not to issue any equity interests or other securities in addition to or in substitution for the Pledged Equity issued by such issuer except to such Grantor or its Affiliates, and (ii) pledge hereunder, promptly upon its acquisition (directly or indirectly) thereof, any and all additional equity interests or other securities as required by Section 5.01(i) of the Credit Agreement from time to time acquired by such Grantor in any manner.

Section 16. Agent Appointed Attorney in Fact. Each Grantor hereby irrevocably appoints the Agent such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Agent's discretion, to take any action and to execute any instrument, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, that the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Agent pursuant to Section 9,

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral,

(c) to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) or (b) above, and

(d) to file any claims or take any action or institute any proceedings that the Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Assigned Agreement or the rights of the Agent with respect to any of the Collateral.

Section 17. Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Agent may, but without any obligation to do so, upon notice to the Company of at least five Business Days in advance and if the Company fails to cure within such period, itself perform, or cause performance of, such agreement, and the expenses of the Agent incurred in connection therewith shall be payable by such Grantor under Section 20.

Section 18. The Agent's Duties. (a) The powers conferred on the Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

(b) Anything contained herein to the contrary notwithstanding, the Agent may from time to time, when the Agent deems it to be necessary, appoint one or more of its Affiliates (or, with the consent of the Company, any other Persons) subagents (each a "***Subagent***") for the Agent hereunder with respect to all or any part of the Collateral. In the event that the Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Agent, with all rights, powers, privileges, interests and remedies of the Agent hereunder with respect to such Collateral, and (iii) the term "Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Agent with respect to such Collateral, shall include such Subagent; *provided*, *however*, that no such Subagent shall be authorized to take any action with

respect to any such Collateral unless and except to the extent expressly authorized in writing by the Agent.

Section 19. Remedies. Subject to the Orders, if any Event of Default shall have occurred and be continuing:

(a) The Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Agent forthwith, assemble all or part of the Collateral as directed by the Agent and make it available to the Agent at a place and time to be designated by the Agent that is reasonably convenient to both parties; (ii) subject to applicable law (including the Bankruptcy Code or any Order of the Bankruptcy Court entered in connection with the Cases), without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Agent may deem commercially reasonable; (iii) occupy, consistent with Section 5.01(e) of the Credit Agreement, on a non-exclusive basis any premises owned or leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; and (iv) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral, including, without limitation, (A) any and all rights of such Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, the Assigned Agreements, the Receivables and the other Collateral, (B) withdraw, or cause or direct the withdrawal, of all funds with respect to the Account Collateral, and (C) exercise all other rights and remedies with respect to the Assigned Agreements, the Receivables and the other Collateral, including, without limitation, those set forth in Section 9-607 of the UCC. Each Grantor agrees that, to the extent notice of sale shall be required by law, including the Bankruptcy Code or any Order entered in connection with the Cases, at least ten days' notice to such Grantor of the time and place of any public sale, or of the time after which any private sale is to be made shall constitute reasonable notification. The Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by or on behalf of the Agent and all cash proceeds received by or on behalf of the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Agent, be held by the Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or in part by the Agent for the ratable benefit of the Secured Parties against, all or any part of the Secured Obligations, in accordance with Section 6.04 of the Credit Agreement.

(c) All payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary indorsement).

(d) Subject to the provisions of Section 9.06 of the Credit Agreement, the Agent may, without notice to any Grantor except as required by law (including the Bankruptcy Code or any Order of the Bankruptcy Court entered in connection with the Cases) and at any time or from time to time, charge, set off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to the Account Collateral or in any other deposit account.

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Agent or its designee, to the extent practicable, tangible embodiments of such Grantor's know-how and expertise, and documents relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) In each case under this Agreement in which the Agent takes any action with respect to the Collateral, including proceeds, the Agent shall provide to the Company such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested by the Company as a basis for the preparation of the company's financial statements in accordance with GAAP.

With respect to the foregoing, the Agent shall provide the Company (with a copy to counsel for the Official Creditors' Committee in the Cases and to the United States Trustee for the Southern District of New York) with seven (7) days' written notice prior to taking the actions contemplated by this Section 19; *provided*, that the Agent may take the actions contemplated by this Section 19 without further order from the Bankruptcy Court.

Section 20. Indemnity and Expenses. (a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

(b) Each Grantor will upon demand pay to the Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel and of any experts and agents, that the Agent may incur in connection with (i) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (ii) the exercise or enforcement of any of the rights of the Agent or the other Secured Parties hereunder or (iii) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 21. Amendments; Waivers; Additional Grantors; Etc. (a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Agent and, with respect to any amendment, the Company on behalf of the Grantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery by any Person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "***Security Agreement Supplement***"), such Person shall be referred to as an "***Additional Grantor***" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Loan Documents to "Grantor" shall also mean and be a reference to such Additional Grantor, each reference in this Agreement and the other Loan Documents to the "Collateral" shall also mean and be a reference to the Collateral granted by such Additional Grantor and each reference in this Agreement to a Schedule shall also mean and be a reference to the schedules attached to such Security Agreement Supplement.

Without limiting the generality of the foregoing, this Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations and would be owed by such Grantor or Subsidiary of the Company, as applicable, to any Secured Party under the Loan Documents or Canadian Secured Agreements but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, insolvency, reorganization or similar proceeding involving any of the Loan Parties and other Subsidiaries of the Company.

SECTION 3 GRANTORS REMAIN LIABLE

(a) Anything herein to the contrary notwithstanding, (a) each Grantor shall remain liable under the contracts and agreements included in such Grantor's Collateral to perform all of its duties and obligations thereunder to the extent set forth therein to the same extent as if this Agreement had not been executed, (b) the exercise by the Agent of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral and (c) no Secured Party shall have any obligation or liability under the contracts and agreements included in the Collateral by reason of this Agreement

(b) With respect to any Contractual Rights of any Grantor not subject to the security interest granted herein as provided in Section 1(c), such Grantor shall hold its interest in such Contractual Rights in trust for the Agent and will assign such Contractual Rights to the Agent on behalf of the Secured Parties forthwith upon obtaining the consent of the other party thereto. Each Grantor agrees that it will, upon the request of the Agent, following the occurrence and during the continuance of an Event of Default, use its reasonable best efforts to obtain any consent required to permit any Contractual Rights to be subjected to the security interest granted herein.

institution acting as Agent hereunder is not the securities intermediary, upon the request of the Agent upon the occurrence and during the continuance of an Event of Default the relevant Grantor will use its commercially reasonable efforts to cause the securities intermediary with respect to such security or commodity or futures account or security entitlement to identify in its records the Agent as the entitlement holder thereof.

(d) Upon the request of the Agent upon the occurrence and during the continuance of an Event of Default, each Grantor shall cause the Security Collateral to be registered in the name of the Agent or such of its nominees as the Agent shall direct, subject only to the revocable rights specified in Section 12(a). In addition, the Agent shall have the right upon the occurrence and during the continuance of an Event of Default to convert Security Collateral consisting of financial assets credited to any securities account to Security Collateral consisting of financial assets held directly by the Agent, and to convert Security Collateral consisting of financial assets held directly by the Agent to Security Collateral consisting of financial assets credited to any securities or commodity or futures account.

Each Grantor ratifies its authorization for the Agent to have filed such financing statements or amendments filed prior to the date hereof.

(c) Each Grantor will furnish to the Agent from time to time statements and schedules further identifying and describing the Collateral of such Grantor and such other reports in connection with such Collateral as the Agent may reasonably request, all in reasonable detail.

(b) Except as otherwise provided in this subsection (b), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Assigned Agreements and Receivables. In connection with such collections, such Grantor may take (and, at the Agent's direction, will take) such action as such Grantor or the Agent may deem necessary or advisable to enforce collection of the Assigned Agreements and Receivables; *provided*, *however*, that the Agent shall have the right at any time, upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Assigned Agreements and Receivables of

the assignment of such Assigned Agreements to the Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Assigned Agreements and Receivables, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Assigned Agreements and Receivables. After receipt by any Grantor of the notice from the Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Assigned Agreements and Receivables of such Grantor shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary endorsement) to be deposited in the Agent Sweep Account in Canada and either (A) released to such Grantor so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(o) of this Agreement or as provided in Section 2.18(h) of the Credit Agreement and (ii) such Grantor will not adjust, settle or compromise the amount or payment of any Receivable or amount due on any Assigned Agreement, release wholly or partly any Obligor thereof or allow any credit or discount thereon other than credits or discounts given in the ordinary course of business.

No Grantor shall, without the written consent of the Agent, which shall not be unreasonably withheld or delayed, discontinue use of or otherwise abandon any such material Intellectual Property Collateral, or abandon any right to file an application for patent, trademark, or copyright, unless

such Grantor shall have reasonably determined that such use or the pursuit or maintenance of such Intellectual Property Collateral is no longer reasonably necessary or desirable in the conduct of such Grantor's business and that the loss thereof would not be reasonably likely to have a Material Adverse Effect.

(b) Until the termination of the Credit Agreement, each Grantor agrees to provide, annually to the Agent an updated Schedule of its Patents, Trademarks and registered Copyrights.

(c) In the event that any Grantor becomes aware that any item of the Intellectual Property Collateral is being infringed, misappropriated or otherwise violated by a third party in any material respect, such Grantor shall take such commercially reasonable actions determined in its reasonable discretion, at its expense, to protect or enforce such Intellectual Property Collateral, including, without limitation, suing for infringement, misappropriation or other violation and for an injunction against such infringement, misappropriation or other violation.

(d) Each Grantor shall take all reasonable steps which it deems appropriate under the circumstances to preserve and protect each item of its material Trademarks included in the Intellectual Property Collateral, including, without limitation, taking all reasonable steps which it deems appropriate under the circumstances to maintain substantially the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the general quality of the products and services as of the date hereof, and taking all reasonable steps which it deems appropriate under the circumstances to ensure that all licensed users of any of the Trademarks use such consistent standards of quality.

(e) With respect to its Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit A hereto or otherwise in form and substance satisfactory to the Agent (an "**Intellectual Property Security Agreement**"), for recording the security interest granted hereunder to the Agent in such Intellectual Property Collateral with the Canadian Intellectual Property Office and any other governmental authorities necessary to register, file or record the security interest hereunder in such Intellectual Property Collateral.

(f) Each entity which executes a Canadian Security Agreement Supplement (as hereinafter defined) as Grantor shall execute and deliver to the Agent with such written notice, or otherwise authenticate, an agreement substantially in the form of Exhibit B hereto or otherwise in form and substance satisfactory to the Agent (an "**IP Security Agreement Supplement**") identifying the Intellectual Property Collateral pledged by such Grantor, which IP Security Agreement Supplement shall be recorded with the Canadian Intellectual Property Office and any other governmental authorities necessary to register, file or record the security interest hereunder in such Intellectual Property Collateral.

SECTION 12 VOTING RIGHTS; DIVIDENDS; ETC.

(i) Each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral of such Grantor or any part thereof for any purpose.

(ii) Each Grantor shall be entitled to receive and retain any and all dividends, interest and other distributions paid in respect of the Security Collateral of such Grantor if and to the extent that the payment thereof is not otherwise prohibited by the terms of the Loan Documents; provided, however, that any and all dividends, interest and other distributions paid or payable in the form of instruments or certificates in respect of, or in exchange for, any Security Collateral, shall be promptly delivered to the Agent to hold as Security Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Secured Parties, be segregated from the other property or funds of such Grantor and be promptly delivered to the Agent as Security Collateral in the same form as so received (with any necessary endorsement).

(iii) The Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of a Default under Section 6.01(a) or (e) of the Credit Agreement:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 12(a)(i) shall, upon notice to such Grantor by the Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 12(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Agent for the benefit of the Secured Parties, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 12(b) shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be promptly paid over to the Agent as Security Collateral in the same form as so received (with any necessary endorsement).

SECTION 13 AS TO THE ASSIGNED AGREEMENTS

(a) Each Grantor will at its expense:

(i) perform and observe all terms and provisions of the Assigned Agreements to be performed or observed by it to the extent consistent with its past practice or reasonable business judgement, maintain the Assigned Agreements to which it is a party in full force and effect, enforce the Assigned Agreements to which it is a party in accordance with the terms thereof and take all such action to such end as may be requested from time to time by the Agent; and

(ii) furnish to the Agent promptly upon receipt thereof copies of all notices of defaults in excess of $25,000,000 received by such Grantor under or pursuant to the Assigned Agreements to which it is a party, and from time to time (A) furnish to the Agent such information and reports regarding the Assigned Agreements and such other Collateral of such Grantor as the Agent may reasonably request and (B) upon request of the Agent, make to each other party to any Assigned Agreement to which it is a party such demands and requests for information and reports or for action as such Grantor is entitled to make thereunder.

(b) Anything contained herein to the contrary notwithstanding, the Agent may from time to time, when the Agent deems it to be necessary, appoint one or more of its Affiliates or branches (or, with the consent of the Borrower, any other Persons) subagents (each a "**Subagent**") for the Agent hereunder with respect to all or any part of the Collateral. In the event that the Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Agent, with all rights, powers, privileges, interests and remedies of the Agent hereunder with respect to such Collateral, and (iii) the term "Agent", when used herein in relation to any rights, powers, privileges, interests and remedies of the Agent with respect to such Collateral, shall include such Subagent; *provided*, *however*, that no such Subagent shall be authorized to take

(a) the Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the PPSA, Civil Code of Quebec or UCC (whether or not any of the PPSA, the Civil Code of Quebec or UCC applies to the affected Collateral);

(h) the Agent may carry on, or concur in the carrying on of, all or any part of the business or undertaking of any Grantor, may, to the exclusion of all others, including such Grantor, enter upon, occupy and use all or any of the premises, buildings, plant and undertaking of or occupied or used by such Grantor and may use all or any of the tools, machinery, equipment and intangibles of such Grantor for such time as the Agent sees fit, free of charge, to carry on the business of such Grantor and, if applicable, to manufacture or complete the manufacture of any Inventory and to pack and ship the finished product;

(i) the Agent may accept the Collateral in satisfaction of the Secured Obligations upon notice to the Grantors of its intention to do so in the manner required by applicable law;

(j) the Agent may, on a non-exclusive basis, occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor for rent in respect of such occupation;

(k) the Agent may charge on its own behalf and pay to others all reasonable amounts for expenses incurred and for services rendered in connection with the exercise of the rights and remedies of the Agent hereunder, including, without limiting the generality of the foregoing, reasonable legal, Receiver and accounting fees and expenses, and in every such case the amounts so paid together with all costs, charges and expenses incurred in connection therewith, including interest thereon at such rate as the Agent deems reasonable, will be added to and form part of the Secured Obligations hereby secured;

(n) the Agent will not be liable or responsible for any failure to seize, collect, realize, or obtain payment with respect to the Collateral and is not bound to institute proceedings or to take other steps for the purpose of seizing, collecting, realizing or obtaining possession or payment with respect to the Collateral or for the

purpose of preserving any rights of the Agent, the Grantors or any other person, in respect of the Collateral;

(o) any cash held by or on behalf of the Agent and all cash proceeds received by or on behalf of the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Agent, be held by the Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or in part by the Agent for the ratable benefit of the Secured Parties against, all or any part of the Secured Obligations, in accordance with Section 6.04 of the Credit Agreement;

(p) all payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary endorsement);

(q) subject to the provisions of Section 9.06 of the Credit Agreement, the Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to the Account Collateral or in any other deposit account;

(r) in the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Agent or its designee, to the extent practicable, tangible embodiments of such Grantor's know-how and expertise, and documents relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor; and

(s) in each case under this Agreement in which the Agent takes any action with respect to the Collateral, including proceeds, the Agent shall provide to the Borrower such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested by the Borrower as a basis for the preparation of the Borrower's financial statements in accordance with GAAP.

(a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and

expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgement by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

Section 2 *Priorities*.

2.1 *Lien Priorities*. Each of the Secured Parties hereby covenants and agrees that:

(a) Any and all Liens securing Junior Obligations with respect to Collateral of the applicable Type now existing or hereafter created or arising, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, are expressly junior to any and all Liens securing Senior Obligations with respect to such Collateral now existing or hereafter created or arising, notwithstanding (1) anything to the contrary contained in any agreement or filing to which any Secured Party may now or hereafter be a party, and regardless of the time, order or method of grant, attachment, recording or perfection of any financing statements or other security interests, assignments, pledges, deeds, mortgages and other liens, charges or encumbrances and (2) any provision of the UCC or any applicable law or any other circumstance whatsoever.

(b) Each Junior Secured Party, and the Agent in its capacity as administrative agent for any Junior Secured Parties (i) shall be deemed to have consented to any sale by the Agent for the Senior Secured Parties, upon exercise of its Default Remedies, of any Collateral of the Type as to which the selling Agent represents the holders of Senior Obligations and (ii) agrees that without the consent of the Agent for the Senior Secured Parties, it will not use or apply all or any part of the Junior Obligations to bidding on, or making settlement or payment for any Collateral of the Type as to which it is holder of Junior Obligations, unless the Senior Obligations are paid in full in cash. It is understood that nothing in this clause (b) is intended to prohibit any Junior Secured Party from exercising any rights expressly granted to it under this Agreement.

(c) (i) Each Revolver Secured Party agrees that until the Term Discharge Date shall have occurred, it shall not exercise any Default Remedy, direct or indirect, against any Term Facility Collateral without the prior written consent of the Term Agent and (ii) each Term Secured Party agrees that until the Revolver Discharge Date shall have occurred, it shall not exercise any Default Remedy, direct or indirect, against any Revolver Collateral without the prior written consent of the Revolver Agent.

(d) It is understood that Sections 2.1(c) and (d) do not restrict the following:

(i) in any Insolvency or Liquidation Proceeding commenced by or against any Grantor, the Agent for the Junior Secured Parties may file a claim or statement of interest with respect to the Collateral of the Type which it holds on their behalf;

(ii) the Agent for the Junior Secured Parties may take any action (not adverse to the prior Liens securing the Senior Obligations, or the rights of the Agent for the Senior Secured Parties or the Senior Secured Parties to exercise remedies in respect thereof) in order to preserve, perfect or protect its Lien on the Collateral which it holds on behalf of the Junior Secured Parties;

(iii) the Junior Secured Parties shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Junior Secured Parties, including without limitation any claims on account of Senior Obligations secured by the applicable Type of Collateral, if any, in each case in accordance with the terms of this Agreement; and

(iv) the Junior Secured Parties shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any bankruptcy, insolvency or similar law or applicable non-bankruptcy law, in each case in accordance with the terms of this Agreement.

2.2 *Prohibition on Contesting Liens*. Each of the Revolver Agent, for itself and on behalf of the Revolver Secured Parties, and the Term Agent, for itself and on behalf of the Term Secured Parties, agrees that it will not, and hereby waives any right to, contest or support any other person in contesting, in any proceeding, the priority, validity or enforceability of any Lien securing Term Obligations or any Lien securing Revolver Obligations, as the case may be; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Agent or any other Secured Party to enforce this Agreement.

2.3 *No New Liens.* The parties hereto agree that, so long as the repayment in full in cash of the Senior Obligations has not occurred (and, in the case of Senior Obligations in respect of letters of credit and US Secured Agreements, the lack of arrangements with respect thereto reasonably satisfactory to the applicable issuing bank or holder thereof, as appropriate), none of the Grantors shall, nor shall permit any of its subsidiaries to, (a) grant or permit any additional Liens on any asset to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset to secure the Senior Obligations or (b) grant or permit any additional Liens on any asset to secure any Senior Obligations unless it has granted, or concurrently therewith

grants, a Lien on such asset to secure the Junior Obligations, with each such Lien to be subject to the provisions of this Agreement. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to the Secured Parties, the Secured Party to whom such Lien shall have been granted shall, without the need for any further consent of any party to any Loan Document and notwithstanding anything to the contrary in any other Loan Document, be deemed to hold and have held such Lien for the benefit of all Secured Parties as security for all Secured Obligations, subject to the priorities set forth in Section 2.1.

2.4 *Automatic Release of Liens Securing Junior Obligations*. If, in connection with the enforcement or exercise of any Default Remedies with respect to the Collateral, including any Disposition of Collateral, the Agent for the Senior Secured Parties, for itself and on behalf of the Senior Secured Parties, releases any of the Liens securing Senior Obligations, the Liens securing Junior Obligations on such Collateral (but not in any proceeds thereof), shall be automatically, unconditionally and simultaneously released, and the Agent for the Junior Secured Parties shall, for itself and on behalf of the other Junior Secured Parties, promptly execute and deliver to the Agent for the Senior Secured Parties (or to another Person upon the instruction of such Agent) such termination statements, releases and other documents as the Agent for the Senior Secured Parties may reasonably request to effectively confirm such release.

2.5 *Nature of Revolver Obligations; Priority Not Affected*. The Term Agent, on behalf of itself and the Term Secured Parties, acknowledges that the Revolver Obligations are revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be repaid and reborrowed without affecting the provisions hereof. The priorities provided in Section 2.1 shall not be altered or otherwise affected by any amendment, modification, supplement or extension of any Secured Obligation, in each case that is permitted under this Agreement, or by repayment and reborrowing under the Revolver Facility.

2.6 *Agreements Regarding Actions to Perfect Liens; Turnover of Collateral*. The Agent hereby acknowledges that, to the extent that it holds, or a third party holds on its behalf, physical possession of or "control" (as defined in the UCC) over Collateral, such possession or control is for the benefit of all of the Secured Parties. Upon the applicable Discharge Date, the Revolver Agent (in the case of the Revolver Discharge Date) or the Term Agent (in the case of the Term Discharge Date) shall take such steps, and execute such documents, agreements and instruments, as the Agent representing the Junior Secured Parties may reasonably request to deliver physical possession or control of the applicable Collateral to such Agent.

2.7 *Reinstatement*. If, in any Insolvency or Liquidation Proceeding or otherwise, all or part of any payment with respect to the Senior Obligations or Junior Obligations previously made shall be rescinded for any reason whatsoever,

then the Senior Obligations or Junior Obligations, as applicable, shall be reinstated to the extent of the amount so rescinded and, if theretofore terminated, this Agreement shall be reinstated in full force and effect and such prior termination shall not diminish, release, discharge, impair or otherwise affect the Lien priorities and the relative rights and obligations of the Senior Secured Parties and the Junior Secured Parties provided for herein.

Section 3 *Enforcement Rights*.

3.1 *No Additional Rights for the Grantors Hereunder*. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against such Secured Party; *provided*, *however*, that no Grantor shall have any liability to any Secured Party or the Agent as a result of any such violation of the terms of this Agreement by any Secured Party or Agent. Except to the extent expressly set forth in this Agreement, each Grantor shall retain all of its rights and remedies under the Loan Documents and any defense otherwise available to it in any action by any Secured Party.

3.2 *Cooperation*. Subject to Section 2.1(d), the Agent, on behalf of itself and in its capacity as administrative agent for each applicable Junior Secured Party, agrees that, unless and until the Discharge Date with respect to the Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Agent for the Senior Secured Parties upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Collateral or any other collateral under any of the applicable Collateral Documents or otherwise in respect of the applicable Junior Obligations relating to the Collateral.

3.3 *Actions Upon Breach*.

(a) If any Junior Secured Party with respect to a certain Type of Collateral (or any agent or other representative thereof) commences or participates in any action or proceeding with respect to the Collateral in violation of this Agreement, any Senior Secured Party with respect to that same Type of Collateral may intervene and interpose as a defense or dilatory plea, in its name or in the name of one or more of the Grantors, the making of this Agreement.

(b) Should any Junior Secured Party with respect to a certain Type of Collateral (or any agent or other representative thereof) in any way take, attempt to or threaten to take any action with respect to the Collateral (including any attempt to enforce any remedy on the Collateral) in violation of this Agreement, or fail to take any action required by this Agreement, any Senior Secured Party with respect to that same Type of Collateral (in its or their own name or in the name of one or more of the Grantors) may obtain relief against such Junior

Secured Party or agent or other representative thereof, by injunction, specific performance and/or other appropriate equitable relief.

Section 4 *Cooperation with Respect to Revolver Collateral*

4.1 *Consent to License to Use Intellectual Property*. The Term Agent (and any purchaser, assignee or transferee of assets as provided in Section 4.3) (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Grantor to the Revolver Agent of a non-exclusive royalty-free license to use during the Revolver Collateral Processing and Sale Period any Patent, Trademark or proprietary information of such Grantor that is subject to a Lien held by the Term Agent (or any Patent, Trademark or proprietary information acquired by such purchaser, assignee or transferee from any Grantor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the Revolver Agent a non-exclusive royalty-free license to use during the Revolver Collateral Processing and Sale Period any Patent, Trademark or proprietary information that is subject to a Lien held by the Term Agent (or subject to such purchase, assignment or transfer, as the case may be), in each case in connection with the enforcement of any Lien held by the Revolver Agent upon any inventory or other Revolver Collateral of any Grantor and to the extent the use of such Patent, Trademark or proprietary information is necessary or appropriate, in the good faith opinion of the Revolver Agent, to process, ship, produce, store, complete, supply, lease, sell or otherwise dispose of any such inventory in any lawful manner.

4.2 *Access to Information*. If the Term Agent takes actual possession of any documentation of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the Term Agent), then upon request of the Revolver Agent and reasonable advance notice, the Term Agent will permit the Revolver Agent or its representative to inspect and copy such documentation if and to the extent the Revolver Agent certifies to the Term Agents that:

(a) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the Revolver Agent, to the enforcement of the Revolver Agent's Liens upon any Revolver Collateral; and

(b) the Revolver Agent and the Revolver Secured Parties are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

4.3 *Access to Property to Process and Sell Inventory*.

(a) (i) If the Revolver Agent commences any action or proceeding with respect to any of its rights or remedies (including, but not limited to, any

action of foreclosure), enforcement, collection or execution with respect to the Revolver Collateral ("Revolver Collateral Enforcement Actions") or if the Term Agent commence any action or proceeding with respect to any of its rights or remedies (including any action of foreclosure), enforcement, collection or execution with respect to the Term Facility Collateral and the Term Agent (or a purchaser at a foreclosure sale conducted in foreclosure of the Term Agent's Liens) takes actual or constructive possession of Term Facility Collateral of any Grantor ("Term Facility Collateral Enforcement Actions"), then the Term Secured Parties and the Term Agent shall (subject to, in the case of any Term Facility Collateral Enforcement Action, a prior written request by the Revolver Agent to the Term Agent (the "Term Facility Collateral Enforcement Action Notice")) (x) cooperate with the Revolver Agent (and with its officers, employees, representatives and agents) in its efforts to conduct Revolver Collateral Enforcement Actions in the Revolver Collateral and to finish any work-in-process and process, ship, produce, store, complete, supply, lease, sell or otherwise handle, deal with, assemble or dispose of, in any lawful manner, the Revolver Collateral, (y) not hinder or restrict in any respect the Revolver Agent from conducting Revolver Collateral Enforcement Actions in the Revolver Collateral or from finishing any work-in-process or processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the Revolver Collateral, and (z) permit the Revolver Agent, its employees, agents, advisers and representatives, at the cost and expense of the Revolver Secured Parties (but with the Grantors' reimbursement and indemnity obligation with respect thereto, which shall not be limited), to enter upon and use the Term Facility Collateral (including, without limitation, equipment, processors, computers and other machinery related to the storage or processing of records, documents or files and intellectual property), for a period commencing on (I) the date of the initial Revolver Facility Collateral Enforcement Action or the date of delivery of the Term Facility Collateral Enforcement Action Notice, as the case may be, and (II) ending on the earlier of the date occurring 180 days thereafter and the date on which all Revolver Collateral (other than Revolver Collateral abandoned by the Revolver Agent in writing) has been removed from the Term Facility Collateral (such period, as the same may be extended with the written consent of the Term Agent as contemplated by the final sentence of this Section 4.3(a)(i), the "Revolver Collateral Processing and Sale Period"), for purposes of:

(a) assembling and storing the Revolver Collateral and completing the processing of and turning into finished goods any Revolver Collateral consisting of work-in-process;

(b) selling any or all of the Revolver Collateral located in or on such Term Facility Collateral, whether in bulk, in lots or to customers in the ordinary course of business or otherwise;

(c) removing and transporting any or all of the Revolver Collateral located in or on such Term Facility Collateral;

(d) otherwise processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the Term Facility Collateral; and/or

(e) taking reasonable actions to protect, secure, and otherwise enforce the rights or remedies of the Revolver Secured Parties and/or the Revolver Agent (including with respect to any Revolver Collateral Enforcement Actions) in and to the Revolver Collateral;

provided, *however*, that nothing contained in this Agreement shall restrict the rights of the Term Agent from selling, assigning or otherwise transferring any Term Facility Collateral prior to the expiration of such Revolver Collateral Processing and Sale Period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the Revolver Agent and the Revolver Secured Parties) to be bound by the provisions of this Section 4.3 and Section 4.1. If any stay or other order prohibiting the exercise of remedies with respect to the Revolver Collateral has been entered by a court of competent jurisdiction, such Revolver Collateral Processing and Sale Period shall be tolled during the pendency of any such stay or other order. The Term Agent, upon request by the Revolver Agent, may in their sole discretion extend the Revolver Collateral Processing and Sale Period for an additional period of time.

(ii) During the period of actual occupation, use and/or control by the Revolver Secured Parties and/or the Revolver Agent (or their respective employees, agents, advisers and representatives) of any Term Facility Collateral, the Revolver Secured Parties and the Revolver Agent shall be obligated to repair at their expense any physical damage to such Term Facility Collateral resulting from such occupancy, use or control, and to leave such Term Facility Collateral in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted. Notwithstanding the foregoing, in no event shall the Revolver Secured Parties or the Revolver Agent have any liability to the Term Secured Parties and/or to the Term Agent pursuant to this Section 4.3(a) as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Facility Collateral existing prior to the date of the exercise by the Revolver Secured Parties (or the Revolver Agent, as the case may be) of their rights under this Section 4.3(a) and the Revolver Secured Parties shall have no duty or liability to maintain the Term Facility Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the Revolver Secured Parties, or for any diminution in the value of the Term Facility Collateral that results from ordinary wear and tear resulting from the use of the Term Facility Collateral by the Revolver Secured Parties in the manner and for the time periods specified under this Section 4.3(a). Without limiting the rights granted in this Section 4.3(a), the Revolver Secured Parties and the Revolver Agent shall cooperate with the Term

Secured Parties and/or the Term Agent in connection with any efforts made by the Term Secured Parties and/or the Term Agent to sell the Term Facility Collateral.

(b) The Term Agent shall be entitled, as a condition of permitting such access and use, to demand and receive assurances reasonably satisfactory to it that the access or use requested and all activities incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law and will be conducted in accordance with prudent manufacturing practices; and

(ii) will be adequately insured for damage to property and liability to persons, including property and liability insurance for the benefit of the Term Agent and the holders of the Term Obligations, at no cost to the Term Agent or such holders.

The Term Agent (x) shall provide reasonable cooperation to the Revolver Agent in connection with the manufacture, production, completion, handling, removal and sale of any Revolver Collateral by the Revolver Agent as provided above and (y) shall be entitled to receive, from the Revolver Agent, fair compensation and reimbursement for their reasonable costs and expenses incurred in connection with such cooperation, support and assistance to the Revolver Agent. Notwithstanding the foregoing sentence, the Term Agent and/or any such purchaser (or its transferee or successor) shall not otherwise be required to manufacture, produce, complete, remove, insure, protect, store, safeguard, sell or deliver any inventory subject to any Lien held by the Revolver Agent or to provide any support, assistance or cooperation to the Revolver Agent in respect thereof.

4.4 *Term Agent's Assurances*. The Term Agent may condition its performance of any obligations set forth in this Section 4 upon its prior receipt (without cost to it) of:

(a) such assurances as it may reasonably request to confirm that the performance of such obligation and all activities of the Revolver Agent or its officers, employees and agents in connection therewith or incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law; and

(ii) will not impose upon the Term Agent (or any Term Secured Party) any legal duty, legal liability, expense or risk of uninsured loss; and

(b) such indemnity, security and insurance as the Term Agent may reasonably request in connection therewith.

4.5 *Grantor Consent*. The Company and the other Grantors consent to the performance by the Term Agent of its obligations set forth in this Section 4

and acknowledge and agree that neither the Term Agent (nor any holder of Term Obligations) shall ever be accountable or liable for any action taken or omitted by the Revolver Agent or any Revolver Secured Party or its or any of their officers, employees, agents successors or assigns in connection therewith or incidental thereto or in consequence thereof, including any improper use or disclosure of any proprietary information or other intellectual property by the Revolver Agent or any Revolver Secured Party or its or any of their officers, employees, agents, successors or assigns or any other damage to or misuse or loss of any property of the Grantors as a result of any action taken or omitted by the Revolver Agent or its officers, employees, agents, successors or assigns.

Section 5 *Application of Proceeds of Collateral*. All cash proceeds received by the Agent in respect of any exercise of Default Remedies with respect to all or any part of the Collateral shall promptly be applied to the Secured Obligations in accordance with the following order of priority:

First: to the Agent for the Senior Secured Parties with respect to such Collateral, to be applied to the expenses of such sale or other realization of Collateral, including reasonable compensation to agents of and counsel for such Agent, and all expenses, liabilities and advances incurred or made by such Agent in connection therewith;

Second: to such Agent to be applied to the repayment of Senior Obligations then outstanding with respect to such Collateral whether or not then due and payable (including without limitation amounts required to cash collateralize undrawn letters of credit and other contingent obligations then outstanding that are Senior Obligations, if any, in accordance with the terms of the DIP Credit Agreement) until the Senior Obligations with respect to such Collateral are repaid in full;

Third: to such Agent to be applied to the repayment of the Junior Obligations then outstanding with respect to such Collateral whether or not then due and payable (including without limitation amounts required to cash collateralize undrawn letters of credit and other contingent obligations then outstanding that are Junior Obligations, in accordance with the terms of the DIP Credit Agreement) until the Junior Obligations with respect to such Collateral are repaid in full;

Fourth: any surplus then remaining shall be paid to the applicable Grantor or its successors or assigns or to whomsoever may be lawfully entitled to receive the same.

Any proceeds of Collateral that may be received by any Junior Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the Agent for the Senior Secured Parties for the benefit of the Senior Secured Parties, in the same form as received,

with any necessary endorsements and each Junior Secured Party hereby authorizes the Agent to make such endorsements as agent for such Junior Secured Party (which authorization, being coupled with an interest, is irrevocable).

Section 6 *Access to Information; No Warranties or Liability*.

6.1 *Access to Information*. If either Agent takes actual possession of any documentation of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of either Agent) identifying or pertaining to the Collateral, then upon request of the other Agent and reasonable advance notice, the Agent in possession thereof will permit the other Agent or its representative to inspect and copy such documentation if and to the extent it certifies that in its reasonable belief:

(a) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of that other Agent, to the enforcement of the Liens upon any Collateral of the Type held by that other Agent; and

(b) the other Agent and the applicable Secured Parties on whose behalf it holds Liens are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

6.2 *No Warranties or Liability*.

(a) The Term Agent and the Revolver Agent acknowledge and agree that neither has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any Loan Document.

(b) The Revolver Agent agrees that Term Agent shall have no liability to the Revolver Agent or any Revolver Secured Party, and hereby waives any claim against the Term Agent, arising out of any and all actions which the Term Agent or the Loan Secured Parties may take or permit or omit to take with respect to (i) the Loan Documents (other than this Agreement), (ii) the collection of the Term Obligations or (iii) the maintenance of, the preservation of, the foreclosure upon or the Disposition of any Term Loan Collateral.

(c) The Term Agent agrees that the Revolver Agent shall have no liability to the Term Agent or any Term Secured Party, and hereby waives any claim against the Revolver Agent, arising out of any and all actions which the Revolver Agent or the Revolver Secured Parties may take or permit or omit to take with respect to (i) the Loan Documents (other than this Agreement), (ii) the collection of the Revolver Obligations or (iii) the maintenance of, the preservation of, the foreclosure upon or the Disposition of any Revolver Collateral.

Section 7 *Miscellaneous*.

7.1 *Matters Relating to Loan Documents*. The Loan Documents may be amended, supplemented, waived or otherwise modified in accordance with their terms; *provided*, *however*, that, without the consent of the Agent, no such amendment, supplement, modification or waiver shall (i) contravene any provision of this Agreement, (ii) increase the aggregate committed amount under the Revolver Facility to an amount greater than the full amount of Revolving Commitments authorized by the Bankruptcy Court in the Final Order plus $50,000,000, or (iii) increase the aggregate principal amount of the Term Loans under the Term Facility to an amount greater than the full amount of Term Loans authorized by the Bankruptcy Court in the Final Order, or permit any Term Loans repaid or prepaid in accordance with the DIP Credit Agreement to be reborrowed.

7.2 *Conflicts*. In the event of any conflict between the provisions of this Agreement and the provisions of any Loan Document, the provisions of this Agreement shall govern.

7.3 *Continuing Nature of Provisions*. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the later of the Revolver Discharge Date and the Term Discharge Date; *provided* the provisions of Section 2.6 hereof shall continue to be effective until all of the obligations to take action on and after the applicable Discharge Date shall be complete. This is a continuing agreement and the Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, Grantors or any other grantors on the faith hereof.

7.4 *Amendments; Waivers*. No amendment or modification of any of the provisions of this Agreement shall be effective unless the same shall be in writing and signed by the Agent on behalf of the Secured Parties and to the extent any such amendment or modification shall alter the rights or obligations of any Grantor, the Company.

7.5 *Governing Law*.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

(b) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT

COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(c) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.02 OF THE DIP CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

7.6 *Waiver of Jury Trial*. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

7.7 *Notices*. Unless otherwise specifically provided herein, all notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by facsimile or electronic communication equipment of the sender, or on the date five (5) business days after dispatch by certified or registered mail if mailed.

7.8 *Successors and Assigns*. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral.

7.9 *Headings*. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

7.10 *Severability*. If any provision of this Agreement is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of this Agreement shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Agent and the Secured Parties in order to carry out the intentions of the parties thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.

7.11 *Counterparts; Integration; Effectiveness.* This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

7.12 *Provisions Solely to Define Relative Rights*. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Secured Parties. None of the Grantors or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement. Nothing in this Agreement is intended to or shall impair the obligations of the Grantors, which are absolute and unconditional, to pay the Revolver Obligations and the Term Loan Obligations as and when the same shall become due and payable in accordance with their terms.

US SECURITY AGREEMENT

US SECURITY AGREEMENT dated January 20, 2012 (this "***Agreement***"), made by Eastman Kodak Company, a New Jersey corporation, a debtor and debtor-in-possession in a case pending under Chapter 11 of the Bankruptcy Code (as defined in the Credit Agreement, defined herein) (the "***Company***"), and the Subsidiaries of the Company listed on the signature pages hereof, each of which is a debtor and debtor-in-possession, or which at any time execute and deliver a Security Agreement Supplement in substantially the form attached hereto as Exhibit C (the Company and such Subsidiaries, collectively, the "***Grantors***"), to Citicorp North America, Inc., as Agent (in such capacity, together with any successor Agent appointed pursuant to Article VIII of the Credit Agreement, the "***Agent***") for the Secured Parties (as hereinafter defined).

PRELIMINARY STATEMENTS.

(1) Reference is made to the Debtor-in-Possession Credit Agreement, dated as of January 20, 2012, among the Company, Kodak Canada, Inc., the Subsidiaries of the Company party thereto, the Agent and Lenders from time to time party thereto (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***").

(2) Each Grantor is the owner of the shares of stock or other equity interests in its Subsidiaries set forth on Part I of Schedule I hereto and issued by the Persons named therein (such shares of stock or other equity interests, the "***Initial Pledged Equity***"). Each Grantor is the holder of the indebtedness owed to such Grantor (the "***Initial Pledged Debt***") set forth opposite such Grantor's name on and as otherwise described in Part II of Schedule I hereto and issued by the obligors named therein.

(3) Each Grantor is the owner of the deposit accounts set forth opposite such Grantor's name on Schedule II hereto (together with all deposit accounts now owned or hereafter acquired by the Grantors, the "***Deposit Accounts***").

(4) The Company is the owner of an L/C Cash Deposit Account (as defined in the Credit Agreement) created in accordance with the Credit Agreement and subject to the security interest granted under this Agreement on terms and conditions acceptable to the Agent.

(5) It is a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement that the Grantors shall supplement the Orders, without in any way diminishing or limiting the effect of the Orders or the security interest, pledge and Lien granted thereunder, by more fully setting forth in this Agreement their respective rights in connection with such security interest, pledge and Lien. Each Grantor will derive substantial direct or indirect benefit from the transactions contemplated by this Agreement, the Credit Agreement and the other Loan Documents.

(6) Terms defined in the Credit Agreement and not otherwise defined in this Agreement are used in this Agreement as defined in the Credit Agreement. Further, unless otherwise defined in this Agreement or in the Credit Agreement, terms defined in Article 8 or 9 of the UCC (as defined below) are used in this Agreement as such terms are defined in such Article 8 or 9. "***UCC***" means the Uniform Commercial Code as in effect from time to time in the

(7) State of New York; *provided* that, if perfection or the effect of perfection or non perfection or the priority of the security interest in any Collateral is governed (or would be governed, absent the Orders) by the Uniform Commercial Code as in effect in a jurisdiction other than the State of New York, "***UCC***" means the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection, effect of perfection or non perfection or priority.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to make Loans and issue Letters of Credit under the Credit Agreement, each Grantor hereby agrees with the Agent for the ratable benefit of the Secured Parties as follows:

Section 1. Grant of Security

(b) Reimbursement under any liability insurance maintained by any Grantor pursuant to this Section 9 may be paid directly to the Person who shall have incurred damages covered by such insurance. In case of any loss involving damage to Equipment or Inventory when subsection (c) of this Section 9 is not applicable, the applicable Grantor, to the extent determined to be in the business interest of such Grantor, will make or cause to be made the necessary repairs to or replacements of such Equipment or Inventory, and any proceeds of insurance properly received by or released to such Grantor shall be used by such Grantor, except as otherwise required hereunder, by the Credit Agreement or the Interim Order (and when applicable, the Final Order), to pay or as reimbursement for the costs of such repairs or replacements or, if such Grantor determines not to repair or replace such Equipment or Inventory, treat the loss or damage as a disposition under Section 5.02(e)(v) of the Credit Agreement.

(c) So long as no Event of Default shall have occurred and be continuing, all insurance payments received by the Agent in connection with any loss, damage or destruction of any Inventory or Equipment will be released by the Agent to the applicable Grantor. Upon the occurrence and during the continuance of any Event of Default, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, all insurance payments in respect of such Equipment or Inventory shall be paid to the Agent and shall, in the Agent's sole discretion, (i) be released to the applicable Grantor for the repair, replacement or restoration thereof, (ii) be held as additional Collateral hereunder or applied as specified in Section 19(b) or (iii) be released to the Agent Sweep Account and applied as provided in Section 2.18(h) of the Credit Agreement.

Section 10. Post-Closing Changes; Collections on Assigned Agreements and Receivables

Each Grantor will hold and preserve its records relating to the Collateral, including, without limitation, the Assigned Agreements and Related Contracts, and will permit representatives of the Agent at any time during normal business hours to inspect and make

abstracts from such records and other documents to the extent provided in Section 5.01(e) of the Credit Agreement. If any Grantor does not have an organizational identification number and later obtains one, it will forthwith notify the Agent of such organizational identification number.

(b) Except as otherwise provided in this subsection (b), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Assigned Agreements and Receivables. In connection with such collections, such Grantor may take (and, at the Agent's direction, will take) such action as such Grantor or the Agent may deem necessary or advisable to enforce collection of the Assigned Agreements and Receivables; *provided*, *however*, that the Agent shall have the right at any time, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, upon the occurrence and during the continuance of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Assigned Agreements and Receivables of the assignment of such Assigned Agreements to the Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Assigned Agreements and Receivables, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Assigned Agreements and Receivables, including, without limitation, those set forth in Section 9-607 of the UCC. After receipt by any Grantor of the notice from the Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Assigned Agreements and Receivables of such Grantor shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary indorsement) to be deposited in the Agent Sweep Account in the United States and either (A) released to such Grantor so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(b) of this Agreement or as provided in Section 2.18(h) of the Credit Agreement, and (ii) such Grantor will not adjust, settle or compromise the amount or payment of any Receivable or amount due on any Assigned Agreement, release wholly or partly any Obligor thereof or allow any credit or discount thereon other than credits or discounts given in the ordinary course of business.

No Grantor shall, without the written consent of the Agent, which shall not be unreasonably withheld or delayed, discontinue use of or otherwise abandon any such material Intellectual Property Collateral, or abandon any right to file an application for patent, trademark, or copyright, unless such Grantor shall have reasonably determined that such use or the pursuit or maintenance of such Intellectual Property Collateral is no longer reasonably necessary or desirable in the conduct of such Grantor's business and that the loss thereof would not be reasonably likely to have a Material Adverse Effect.

(b) Until the termination of the Credit Agreement, each Grantor agrees to provide, annually to the Agent an updated Schedule of its Patents, Trademarks and registered Copyrights.

(c) In the event that any Grantor becomes aware that any item of the Intellectual Property Collateral is being infringed, misappropriated or otherwise violated by a third party in any material respect, such Grantor shall take such commercially reasonable actions determined in its reasonable discretion, at its expense, to protect or enforce such Intellectual Property Collateral, including, without limitation, suing for infringement, misappropriation or other violation and for an injunction against such infringement, misappropriation or other violation.

(e) With respect to its Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit A hereto or otherwise in form and substance satisfactory to the Agent (an "***Intellectual Property Security Agreement***"), for recording the security interest granted hereunder to the Agent in such Intellectual Property Collateral with the U.S. Patent and Trademark Office, the U.S. Copyright Office, and any other governmental authorities necessary to perfect the security interest hereunder in such Intellectual Property Collateral.

(f) Each entity which executes a Security Agreement Supplement as Grantor shall execute and deliver to the Agent with such written notice, or otherwise authenticate, an agreement substantially in the form of Exhibit B hereto or otherwise in form and substance satisfactory to the Agent (an "***IP Security Agreement Supplement***") identifying the Intellectual Property Collateral pledged by such Grantor, which IP Security Agreement Supplement shall be

(b) Upon the occurrence and during the continuance of a Default under Section 6.01(a) or (e) of the Credit Agreement:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 12(a)(i) shall, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, upon notice to such Grantor by the Agent, cease and (y) to receive the dividends, interest and other distributions that it would otherwise be authorized to receive and retain pursuant to Section 12(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Agent for the benefit of the Secured Parties, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends, interest and other distributions.

(ii)All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 12(b) shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be promptly paid over to the Agent as Security Collateral in the same form as so received (with any necessary indorsement).

Section 13. As to the Assigned Agreements

(a) Each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, at its expense:

(a) Except as otherwise permitted by the Credit Agreement, this Agreement and the Interim Order (and when applicable, the Final Order), each Grantor, by granting a security interest in its Receivables consisting of letter-of-credit rights to the Agent, hereby assigns to the Agent such rights (including its contingent rights) to the proceeds of all Related Contracts consisting of letters of credit of which it is or hereafter becomes a beneficiary or assignee. Upon request of the Agent, each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when

applicable, the Final Order) and without further order from the Bankruptcy Court, promptly use commercially reasonable efforts to cause the issuer of each letter-of-credit with a stated amount in excess of $5,000,000 and each nominated person (as defined in Section 5-102 of the UCC) (if any) with respect thereto to consent to such assignment of the proceeds thereof pursuant to a consent in form and substance reasonably satisfactory to the Agent and deliver written evidence of such consent to the Agent.

(b) Upon the occurrence and during the continuance of an Event of Default, each Grantor will, to the extent permitted by and in accordance with the Interim Order (and when applicable, the Final Order) and without further order from the Bankruptcy Court, promptly upon request by the Agent, (i) notify (and such Grantor hereby authorizes the Agent to notify) the issuer and each nominated person with respect to each of the Related Contracts consisting of letters of credit that the proceeds thereof have been assigned to the Agent hereunder and any payments due or to become due in respect thereof are to be made directly to the Agent or its designee and (ii) arrange for the Agent to become the transferee beneficiary of letter of credit.

(b) Subject to the terms of the Credit Agreement and this Agreement, each Grantor agrees that it will (i) cause each issuer of the Pledged Equity pledged by such Grantor not to issue any equity interests or other securities in addition to or in substitution for the Pledged Equity issued by such issuer except to such Grantor or its Affiliates, and (ii) pledge hereunder, promptly upon its acquisition (directly or indirectly) thereof, any and all additional equity interests or other securities as required by Section 5.01(i) of the Credit Agreement from time to time acquired by such Grantor in any manner.

Section 16. Agent Appointed Attorney in Fact

Each Grantor hereby irrevocably appoints the Agent such Grantor’s attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Agent’s discretion, to take any action and to execute any instrument, to the extent permitted by and in accordance with the

Section 17. Agent May Perform. If any Grantor fails to perform any agreement contained herein, the Agent may, but without any obligation to do so, upon notice to the Company of at least five Business Days in advance and if the Company fails to cure within such period, itself perform, or cause performance of, such agreement, and the expenses of the Agent incurred in connection therewith shall be payable by such Grantor under Section 20.

Section 18. The Agent's Duties

(a) The powers conferred on the Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

(b) Anything contained herein to the contrary notwithstanding, the Agent may from time to time, when the Agent deems it to be necessary, appoint one or more of its Affiliates (or, with the consent of the Company, any other Persons) subagents (each a "***Subagent***") for the Agent hereunder with respect to all or any part of the Collateral. In the event that the Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Agent, for the ratable benefit of the Secured Parties, as security for the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Agent, with all rights, powers, privileges, interests and remedies of the Agent hereunder with respect to such

Collateral, and (iii) the term "Agent," when used herein in relation to any rights, powers, privileges, interests and remedies of the Agent with respect to such Collateral, shall include such Subagent; *provided*, *however*, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Agent.

Each Grantor agrees that, to the extent notice of sale shall be required by law, including the Bankruptcy Code or any Order entered in connection with the Cases, at least ten days' notice to such Grantor of the time and place of any public sale, or of the time after which any private sale is to be made shall constitute reasonable notification. The Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by or on behalf of the Agent and all cash proceeds received by or on behalf of the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Agent, be held by the Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or

in part by the Agent for the ratable benefit of the Secured Parties against, all or any part of the Secured Obligations, in accordance with Section 6.04 of the Credit Agreement.

(e) In the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Agent or its designee, to the extent practicable, tangible embodiments of such Grantor's know-how and expertise, and documents relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor.

(f) In each case under this Agreement in which the Agent takes any action with respect to the Collateral, including proceeds, the Agent shall provide to the Company such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested by the Company as a basis for the preparation of the company's financial statements in accordance with GAAP.

With respect to the foregoing, the Agent shall provide the Company (with a copy to counsel for the Official Creditors' Committee in the Cases and to the United States Trustee for the Southern District of New York) with seven (7) days' written notice prior to taking the actions contemplated by this Section 19; *provided*, that the Agent may take the actions contemplated by this Section 19 without further order from the Bankruptcy Court.

Section 20. Indemnity and Expenses

(a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "***Indemnified Party***") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent

jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

(b) Each Grantor will upon demand pay to the Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel and of any experts and agents, that the Agent may incur in connection with (i) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (ii) the exercise or enforcement of any of the rights of the Agent or the other Secured Parties hereunder or (iii) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 21. Amendments; Waivers; Additional Grantors; Etc.

(a) No amendment or waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Agent and, with respect to any amendment, the Company on behalf of the Grantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Agent or any other Secured Party to exercise, and no delay in exercising any right hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery by any Person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "***Security Agreement Supplement***"), such Person shall be referred to as an "***Additional Grantor***" and shall be and become a Grantor hereunder, and each reference in this Agreement and the other Loan Documents to "Grantor" shall also mean and be a reference to such Additional Grantor, each reference in this Agreement and the other Loan Documents to the "Collateral" shall also mean and be a reference to the Collateral granted by such Additional Grantor and each reference in this Agreement to a Schedule shall also mean and be a reference to the schedules attached to such Security Agreement Supplement.

Section 26. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York and (to the extent applicable) the Bankruptcy Code.

Section 27. Jurisdiction; Waiver of Jury Trial

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from jurisdiction), to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in the Bankruptcy Court or any such New York State court, as applicable, or, to the extent permitted by law, in such federal court. Each Grantor hereby further irrevocably consents to the service of process in any action or proceeding in such courts by the mailing thereof by any parties hereto by registered or certified mail, postage prepaid, to the Company at its address specified pursuant to Section 9.02 of the Credit Agreement. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in the Bankruptcy Court or any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each of the parties hereto hereby irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the Agent or any Secured Party in the negotiation, administration, performance or enforcement thereof.

Section 28. Intercreditor Agreement Controlling

Notwithstanding anything herein to the contrary, the liens and security interests granted to the Agent pursuant to this Agreement and the exercise of any right or remedy by the Agent hereunder, in each case, with respect to the Collateral are subject to the limitations and provisions for the Intercreditor Agreement. In the event of any inconsistency between the terms or conditions of this Agreement and the terms and conditions of the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall control.

Section 29. Marshalling

Neither the Agent nor the Secured Parties shall be required to marshal any present or future collateral security (including but not limited to the Collateral for, or other assurance of payment of, the Secured Obligations or any of them) or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising.

Section 30. Inconsistency

In the event of any inconsistency or conflict between the provisions of this Agreement and the Interim Order (and, when applicable, the Final Order), the provisions of the Interim Order (and, when applicable, the Final Order) shall govern.

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

FORM OF INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***IP Security Agreement***") dated [_____], 20[__], is made by the Persons listed on the signature pages hereof (collectively, the "***Grantors***") in favor of Citicorp North America, Inc., as Agent (the "***Agent***") for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, Eastman Kodak Company, a New Jersey corporation, a debtor and debtor-in-possession in a case pending under Chapter 11 of the Bankruptcy Code (as defined in the Credit Agreement), has entered into a Debtor-in-Possession Credit Agreement dated as of January 20, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"), with Citicorp North America, Inc., as Agent, and the Lenders party thereto. Terms defined in the Credit Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement.

WHEREAS, as a condition precedent to the making of Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement, each Grantor has executed and delivered that certain US Security Agreement dated January 20, 2012, made by the Grantors to the Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "***Security Agreement***").

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. In addition to the security interest set forth in the Interim Order (and when applicable, the Final Order), each Grantor hereby grants to the Agent for the ratable benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "***Collateral***"):

(i) the patents and patent applications set forth in Schedule A hereto;

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability

of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby;

(iii) all copyrights, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto;

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. In addition to the security for the payment of the Secured Obligations to the Secured Parties provided by the Interim Order (and when applicable, the Final Order), the grant of a security interest in the Collateral by each Grantor under this IP Security Agreement secures the payment of all obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, and the Secured Agreements, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest (including interest accruing during the pendency of the Cases, regardless of whether allowed or allowable in such proceedings), premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise (including monetary obligations incurred during the pendency of the cases, regardless of whether allowed or allowable in such proceedings). Without limiting the generality of the foregoing, this IP Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents and the Secured Agreements but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights and any other applicable government officer record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Each Grantor will hold and preserve its records relating to the Collateral, including, without limitation, the Assigned Agreements and Related Contracts, and will permit representatives of the Agent at any time during normal business hours to inspect and make abstracts from such records and other documents to the extent provided in Section 5.01(e) of the Credit Agreement.

(b) Except as otherwise provided in this subsection (b), each Grantor will continue to collect, at its own expense, all amounts due or to become due such Grantor under the Assigned Agreements and Receivables. In connection with such collections, such Grantor may take (and, at the Agent's direction, will take) such action as such Grantor or the Agent may deem necessary or advisable to enforce collection of the Assigned Agreements and Receivables; *provided*, *however*, that the Agent shall have the right at any time, upon the occurrence and during the continuance

of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Assigned Agreements and Receivables of the assignment of such Assigned Agreements to the Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Assigned Agreements and Receivables, to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done, and to otherwise exercise all rights with respect to such Assigned Agreements and Receivables. After receipt by any Grantor of the notice from the Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including, without limitation, instruments) received by such Grantor in respect of the Assigned Agreements and Receivables of such Grantor shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary endorsement) to be deposited in the Agent Sweep Account in Canada and either (A) released to such Grantor so long as no Event of Default shall have occurred and be continuing or (B) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(o) of this Agreement or as provided in Section 2.18(h) of the Credit Agreement and (ii) such Grantor will not adjust, settle or compromise the amount or payment of any Receivable or amount due on any Assigned Agreement, release wholly or partly any Obligor thereof or allow any credit or discount thereon other than credits or discounts given in the ordinary course of business.

(a) With respect to each item of its Intellectual Property Collateral material to the business of the Grantors, each Grantor agrees to take, at its expense, all commercially reasonable steps as determined in Grantor's reasonable discretion, including, without limitation, in the Canadian Intellectual Property Office and any other governmental authority, to (i) maintain the validity and enforceability of such Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance (in accordance with the exercise of such Grantor's reasonable business discretion) of each patent, trademark, or copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the Canadian Intellectual Property Office or other governmental authorities, the filing of applications for renewal or extension, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings initiated by third parties, in each case except where the failure to so file, register, maintain or participate is not reasonably likely to have a Material Adverse Effect. No Grantor shall, without the written consent of the Agent, which shall not be unreasonably withheld or delayed, discontinue use

of or otherwise abandon any such material Intellectual Property Collateral, or abandon any right to file an application for patent, trademark, or copyright, unless such Grantor shall have reasonably determined that such use or the pursuit or maintenance of such Intellectual Property Collateral is no longer reasonably necessary or desirable in the conduct of such Grantor's business and that the loss thereof would not be reasonably likely to have a Material Adverse Effect.

(b) Until the termination of the Credit Agreement, each Grantor agrees to provide, annually to the Agent an updated Schedule of its Patents, Trademarks and registered Copyrights.

(c) In the event that any Grantor becomes aware that any item of the Intellectual Property Collateral is being infringed, misappropriated or otherwise violated by a third party in any material respect, such Grantor shall take such commercially reasonable actions determined in its reasonable discretion, at its expense, to protect or enforce such Intellectual Property Collateral, including, without limitation, suing for infringement, misappropriation or other violation and for an injunction against such infringement, misappropriation or other violation.

(d) Each Grantor shall take all reasonable steps which it deems appropriate under the circumstances to preserve and protect each item of its material Trademarks included in the Intellectual Property Collateral, including, without limitation, taking all reasonable steps which it deems appropriate under the circumstances to maintain substantially the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the general quality of the products and services as of the date hereof, and taking all reasonable steps which it deems appropriate under the circumstances to ensure that all licensed users of any of the Trademarks use such consistent standards of quality.

(e) With respect to its Intellectual Property Collateral, each Grantor agrees to execute or otherwise authenticate an agreement, in substantially the form set forth in Exhibit A hereto or otherwise in form and substance satisfactory to the Agent (an "**Intellectual Property Security Agreement**"), for recording the security interest granted hereunder to the Agent in such Intellectual Property Collateral with the Canadian Intellectual Property Office and any other governmental authorities necessary to register, file or record the security interest hereunder in such Intellectual Property Collateral.

(iii) The Agent will execute and deliver (or cause to be executed and delivered) to each Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of a Default under Section 6.01(a) or (e) of the Credit Agreement:

(ii) All dividends, interest and other distributions that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 12(b)

shall be received in trust for the benefit of the Secured Parties, shall be segregated from other funds of such Grantor and shall be promptly paid over to the Agent as Security Collateral in the same form as so received (with any necessary endorsement).

SECTION 13 AS TO THE ASSIGNED AGREEMENTS

(a) Each Grantor will at its expense:

(i) perform and observe all terms and provisions of the Assigned Agreements to be performed or observed by it to the extent consistent with its past practice or reasonable business judgement, maintain the Assigned Agreements to which it is a party in full force and effect, enforce the Assigned Agreements to which it is a party in accordance with the terms thereof and take all such action to such end as may be requested from time to time by the Agent; and

(ii) furnish to the Agent promptly upon receipt thereof copies of all notices of defaults in excess of $25,000,000 received by such Grantor under or pursuant to the Assigned Agreements to which it is a party, and from time to time (A) furnish to the Agent such information and reports regarding the Assigned Agreements and such other Collateral of such Grantor as the Agent may reasonably request and (B) upon request of the Agent, make to each other party to any Assigned Agreement to which it is a party such demands and requests for information and reports or for action as such Grantor is entitled to make thereunder.

(b) Each Grantor hereby consents on its behalf and on behalf of its Subsidiaries to the assignment and pledge to the Agent for benefit of the Secured Parties of each Assigned Agreement to which it is a party by any other Grantor hereunder.

(c) Each Grantor agrees, upon the reasonable request of Agent, to instruct each other party to each Assigned Agreement to which it is a party, that all payments due or to become due under or in connection with such Assigned Agreement will be made directly to a Pledged Deposit Account.

(d) All moneys received or collected pursuant to subsection (c) above shall be (i) released to the applicable Grantor on the terms set forth in Section 5 so long as no Event of Default shall have occurred and be continuing or (ii) if any Event of Default shall have occurred and be continuing, applied as provided in Section 19(o).

SECTION 14 AS TO LETTER-OF-CREDIT RIGHTS

or hereafter becomes a beneficiary or assignee. Upon request of the Agent, each Grantor will promptly use commercially reasonable efforts to cause the issuer of each letter-of-credit with a stated amount in excess of $5,000,000 and each nominated person (if any) with respect thereto to consent to such assignment of the proceeds thereof pursuant to a consent in form and substance reasonably satisfactory to the Agent and deliver written evidence of such consent to the Agent.

(b) Upon the occurrence and during the continuance of an Event of Default, each Grantor will, promptly upon request by the Agent, (i) notify (and such Grantor hereby authorizes the Agent to notify) the issuer and each nominated person with respect to each of the Related Contracts consisting of letters of credit that the proceeds thereof have been assigned to the Agent hereunder and any payments due or to become due in respect thereof are to be made directly to the Agent or its designee and (ii) arrange for the Agent to become the transferee beneficiary of letter of credit.

SECTION 15 TRANSFERS AND OTHER LIENS; ADDITIONAL SHARES

(a) Each Grantor agrees that it will not (i) sell, assign or dispose of Collateral except as permitted under the terms of the Credit Agreement, or (ii) create or suffer to exist any Lien upon or with respect to any of the Collateral of such Grantor except for the pledge, assignment and security interest created under this Agreement and Liens permitted under the Credit Agreement.

(b) Subject to the terms of the Credit Agreement and this Agreement, each Grantor agrees that it will (i) cause each issuer of the Pledged Equity pledged by such Grantor not to issue any equity interests or other securities in addition to or in substitution for the Pledged Equity issued by such issuer except to such Grantor or its Affiliates, and (ii) pledge hereunder, promptly upon its acquisition (directly or indirectly) thereof, any and all additional equity interests or other securities as required by Section 5.01(i) of the Credit Agreement from time to time acquired by such Grantor in any manner.

SECTION 16 AGENT APPOINTED ATTORNEY IN FACT

Each Grantor hereby irrevocably appoints the Agent such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuance of an Event of Default, in the Agent's discretion, to take any action and to execute any instrument that the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

SECTION 17 AGENT MAY PERFORM

If any Grantor fails to perform any agreement contained herein, the Agent may, but without any obligation to do so, upon notice to the Grantor with a copy to the Company at least five Business Days in advance and if any Grantor fails to cure within such period, itself perform, or cause performance of, such agreement, and the expenses of the Agent incurred in connection therewith shall be payable by such Grantor under Section 20.

SECTION 18 THE AGENT'S DUTIES

(a) The powers conferred on the Agent hereunder are solely to protect the Secured Parties' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

(b) Anything contained herein to the contrary notwithstanding, the Agent may from time to time, when the Agent deems it to be necessary, appoint one or more of its Affiliates or branches (or, with the consent of the Borrower, any other Persons) subagents (each a "**Subagent**") for the Agent hereunder with respect to all or any part of the Collateral. In the event that the Agent so appoints any Subagent with respect to any Collateral, (i) the assignment and pledge of such Collateral and the security interest granted in such Collateral by each Grantor hereunder shall be deemed for purposes of this Agreement to have been made to such Subagent, in addition to the Agent, for the ratable benefit of the Secured Parties, as security for

the Secured Obligations of such Grantor, (ii) such Subagent shall automatically be vested, in addition to the Agent, with all rights, powers, privileges, interests and remedies of the Agent hereunder with respect to such Collateral, and (iii) the term "Agent", when used herein in relation to any rights, powers, privileges, interests and remedies of the Agent with respect to such Collateral, shall include such Subagent; *provided, however*, that no such Subagent shall be authorized to take any action with respect to any such Collateral unless and except to the extent expressly authorized in writing by the Agent.

SECTION 19 REMEDIES

(1) If any Event of Default shall have occurred and be continuing:

(a) the Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the PPSA, Civil Code of Quebec or UCC (whether or not any of the PPSA, the Civil Code of Quebec or UCC applies to the affected Collateral);

(b) the Agent may by appointment in writing appoint a receiver or receiver and manager (each herein referred to as the "**Receiver**") of the Collateral (which term when used in this Section 19 will include the whole or any part of the Collateral) and may remove or replace such Receiver from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of a Receiver of the Collateral; and the term "Agent" when used in this Section 19 will include any Receiver so appointed and the agents, officers and employees of such Receiver; and the Agent will not be in any way responsible for any misconduct or negligence of any such Receiver;

exercise have become exercisable, whether any money remains due on the security of the Collateral, as to the necessity or expedience of the stipulations and conditions subject to which any sale, lease or disposition shall be made, otherwise as to the propriety or regularity of any sale or any other dealing by the Agent with the Collateral or to see to the application of any money paid to the Agent;

(h) the Agent may carry on, or concur in the carrying on of, all or any part of the business or undertaking of any Grantor, may, to the exclusion of all others, including such Grantor, enter upon, occupy and use all or any of the premises, buildings, plant and undertaking of or occupied or used by such Grantor and may use all or any of the tools, machinery, equipment and intangibles of such Grantor for such time as the Agent sees fit, free of charge, to carry on the business of such Grantor and, if applicable, to manufacture or complete the manufacture of any Inventory and to pack and ship the finished product;

(i) the Agent may accept the Collateral in satisfaction of the Secured Obligations upon notice to the Grantors of its intention to do so in the manner required by applicable law;

(j) the Agent may, on a non-exclusive basis, occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor for rent in respect of such occupation;

(k) the Agent may charge on its own behalf and pay to others all reasonable amounts for expenses incurred and for services rendered in connection with the exercise of the rights and remedies of the Agent hereunder, including, without limiting the generality of the foregoing, reasonable legal, Receiver and accounting fees and expenses, and in every such case the amounts so paid together with all costs, charges and expenses incurred in connection therewith, including interest thereon at such rate as the Agent deems reasonable, will be added to and form part of the Secured Obligations hereby secured;

(l) to the extent permitted by law, the Agent may discharge any claim, lien, mortgage, charge, security interest, encumbrance or any rights of others that may exist or be threatened against the Collateral, and in every such case the amounts so paid together with costs, charges and expenses incurred in connection therewith will be added to the Secured Obligations hereby secured;

(m) the Agent may (i) grant extensions of time, (ii) take and perfect or abstain from taking and perfecting security, (iii) give up securities, (iv) accept compositions or compromises, (v) grant releases and discharges, and (vi) release any part of the Collateral or otherwise deal with the Grantors, debtors of the Grantors, sureties and others and with the Collateral and other security as the Agent sees fit without prejudice to the liability of the Grantors to the Agent or the Agent's rights hereunder;

(n) the Agent will not be liable or responsible for any failure to seize, collect, realize, or obtain payment with respect to the Collateral and is not bound to institute proceedings or to take other steps for the purpose of seizing, collecting, realizing or obtaining possession or payment with respect to the Collateral or for the purpose of preserving any rights of the Agent, the Grantors or any other person, in respect of the Collateral;

(o) any cash held by or on behalf of the Agent and all cash proceeds received by or on behalf of the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Agent, be held by the Agent as collateral for, and/or then or at any time thereafter shall be applied in whole or in part by the Agent for the ratable benefit of the Secured Parties against, all or any part of the Secured Obligations, in accordance with Section 6.04 of the Credit Agreement;

(p) all payments received by any Grantor under or in connection with any Assigned Agreement or otherwise in respect of the Collateral shall be received in trust for the benefit of the Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Agent in the same form as so received (with any necessary endorsement);

(q) subject to the provisions of Section 9.06 of the Credit Agreement, the Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set off and otherwise apply all or any part of the Secured Obligations against any funds held with respect to the Account Collateral or in any other deposit account;

(r) in the event of any sale or other disposition of any of the Intellectual Property Collateral of any Grantor, the goodwill symbolized by any Trademarks subject to such sale or other disposition shall be included therein, and such Grantor shall supply to the Agent or its designee, to the extent practicable, tangible embodiments of such Grantor's know-how and expertise, and documents relating to any Intellectual Property Collateral subject to such sale or other disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property Collateral and to the manufacture, distribution, advertising and sale of products and services of such Grantor; and

(s) in each case under this Agreement in which the Agent takes any action with respect to the Collateral, including proceeds, the Agent shall provide to the Borrower such records and information regarding the possession, control, sale and any receipt of amounts with respect to such Collateral as may be reasonably requested by the Borrower as a basis for the preparation of the Borrower's financial statements in accordance with GAAP.

SECTIONINDEMNITY AND EXPENSES
20

(a) Each Grantor agrees to indemnify, defend and save and hold harmless each Secured Party and each of their Affiliates and their respective officers, directors, employees, trustees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgement by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct.

(b) Each Grantor will upon demand pay to the Agent the amount of any and all reasonable expenses, including, without limitation, the reasonable fees and expenses of its counsel and of any experts and agents, that the Agent may incur in connection with (i) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral of such Grantor, (ii) the exercise or enforcement of any of the rights of the Agent or the other Secured Parties hereunder or (iii) the failure by such Grantor to perform or observe any of the provisions hereof.

(b) Each Junior Secured Party, and the Agent in its capacity as administrative agent for any Junior Secured Parties (i) shall be deemed to have consented to any sale by the Agent for the Senior Secured Parties, upon exercise of its Default Remedies, of any Collateral of the Type as to which the selling Agent represents the holders of Senior Obligations and (ii) agrees that without the consent of the Agent for the Senior Secured Parties, it will not use or apply all or any part of the Junior Obligations to bidding on, or making settlement or payment for any Collateral of the Type as to which it is holder of Junior Obligations, unless the Senior Obligations are paid in full in cash. It is understood that nothing in this clause (b) is intended to prohibit any Junior Secured Party from exercising any rights expressly granted to it under this Agreement.

(c) (i) Each Revolver Secured Party agrees that until the Term Discharge Date shall have occurred, it shall not exercise any Default Remedy, direct or indirect, against any Term Facility Collateral without the prior written consent of the Term Agent and (ii) each Term Secured Party agrees that until the Revolver Discharge Date shall have occurred, it shall not exercise any Default Remedy, direct or indirect, against any Revolver Collateral without the prior written consent of the Revolver Agent.

(d) It is understood that Sections 2.1(c) and (d) do not restrict the following:

(i) in any Insolvency or Liquidation Proceeding commenced by or against any Grantor, the Agent for the Junior Secured Parties may file a claim or statement of interest with respect to the Collateral of the Type which it holds on their behalf;

(ii) the Agent for the Junior Secured Parties may take any action (not adverse to the prior Liens securing the Senior Obligations, or the rights of the Agent for the Senior Secured Parties or the Senior Secured Parties to exercise remedies in respect thereof) in order to preserve, perfect or protect its Lien on the Collateral which it holds on behalf of the Junior Secured Parties;

(iii) the Junior Secured Parties shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of the Junior Secured Parties, including without limitation any claims on account of Senior Obligations secured by the applicable Type of Collateral, if any, in each case in accordance with the terms of this Agreement; and

(iv) the Junior Secured Parties shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any bankruptcy, insolvency or similar law or applicable non-bankruptcy law, in each case in accordance with the terms of this Agreement.

2.2 *Prohibition on Contesting Liens.* Each of the Revolver Agent, for itself and on behalf of the Revolver Secured Parties, and the Term Agent, for itself and on behalf of the Term Secured Parties, agrees that it will not, and hereby waives any right to, contest or support any other person in contesting, in any proceeding, the priority, validity or enforceability of any Lien securing Term Obligations or any Lien securing Revolver Obligations, as the case may be; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Agent or any other Secured Party to enforce this Agreement.

2.3 No New Liens. The parties hereto agree that, so long as the repayment in full in cash of the Senior Obligations has not occurred (and, in the case of Senior Obligations in respect of letters of credit and US Secured Agreements, the lack of arrangements with respect thereto reasonably satisfactory to the applicable issuing bank or holder thereof, as appropriate), none of the Grantors shall, nor shall permit any of its subsidiaries to, (a) grant or permit any additional Liens on any asset to secure any Junior Obligation unless it has granted, or concurrently therewith grants, a Lien on such asset to secure the Senior Obligations or (b) grant or permit any additional Liens on any asset to secure any Senior Obligations unless it has granted, or concurrently therewith grants, a Lien on such asset to secure the Junior Obligations, with each such Lien to be subject to the provisions of this Agreement. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to the Secured Parties, the Secured Party to whom such Lien shall have been granted shall, without the need for any further consent of any party to any Loan Document and notwithstanding anything to the contrary in any other Loan Document, be deemed to hold and have held such Lien for the benefit of all Secured Parties as security for all Secured Obligations, subject to the priorities set forth in Section 2.1.

2.4 *Automatic Release of Liens Securing Junior Obligations.* If, in connection with the enforcement or exercise of any Default Remedies with respect to the Collateral, including any Disposition of Collateral, the Agent for the Senior Secured Parties, for itself and on behalf of the Senior Secured Parties, releases any of the Liens securing Senior Obligations, the Liens securing Junior Obligations on such Collateral (but not in any proceeds thereof), shall be automatically, unconditionally and simultaneously released, and the Agent for the Junior Secured Parties shall, for itself and on behalf of the other Junior Secured Parties, promptly execute and deliver to the Agent for the Senior Secured Parties (or to another Person upon the instruction of such Agent) such termination statements, releases and other documents as the Agent for the Senior Secured Parties may reasonably request to effectively confirm such release.

2.5 *Nature of Revolver Obligations; Priority Not Affected*. The Term Agent, on behalf of itself and the Term Secured Parties, acknowledges that the Revolver Obligations are revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be repaid and reborrowed without affecting the provisions hereof. The priorities provided in Section 2.1 shall not be altered or otherwise affected by any amendment, modification, supplement or extension of any Secured Obligation, in each case that is permitted under this Agreement, or by repayment and reborrowing under the Revolver Facility.

2.6 *Agreements Regarding Actions to Perfect Liens; Turnover of Collateral*. The Agent hereby acknowledges that, to the extent that it holds, or a third party holds on its behalf, physical possession of or "control" (as defined in the UCC) over Collateral, such possession or control is for the benefit of all of the Secured Parties. Upon the applicable Discharge Date, the Revolver Agent (in the case of the Revolver Discharge Date) or the Term Agent (in the case of the Term Discharge Date) shall take such steps, and execute such documents, agreements and instruments, as the Agent representing the Junior Secured Parties may reasonably request to deliver physical possession or control of the applicable Collateral to such Agent.

2.7 *Reinstatement*. If, in any Insolvency or Liquidation Proceeding or otherwise, all or part of any payment with respect to the Senior Obligations or Junior Obligations previously made shall be rescinded for any reason whatsoever, then the Senior Obligations or Junior Obligations, as applicable, shall be reinstated to the extent of the amount so rescinded and, if theretofore terminated, this Agreement shall be reinstated in full force and effect and such prior termination shall not diminish, release, discharge, impair or otherwise affect the Lien priorities and the relative rights and obligations of the Senior Secured Parties and the Junior Secured Parties provided for herein.

Section 3 *Enforcement Rights*.

3.1 *No Additional Rights for the Grantors Hereunder*. If any Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against such Secured Party; *provided*, *however*, that no Grantor shall have any liability to any Secured Party or the Agent as a result of any such violation of the terms of this Agreement by any Secured Party or Agent. Except to the extent expressly set forth in this Agreement, each Grantor shall retain all of its rights and remedies under the Loan Documents and any defense otherwise available to it in any action by any Secured Party.

3.2 *Cooperation*. Subject to Section 2.1(d), the Agent, on behalf of itself and in its capacity as administrative agent for each applicable Junior Secured Party, agrees that, unless and until the Discharge Date with respect to the Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties and the Agent for the Senior Secured Parties upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Collateral or any other collateral under any of the applicable Collateral Documents or otherwise in respect of the applicable Junior Obligations relating to the Collateral.

3.3 *Actions Upon Breach*.

(a) If any Junior Secured Party with respect to a certain Type of Collateral (or any agent or other representative thereof) commences or participates in any action or proceeding with respect to the Collateral in violation of this Agreement, any Senior Secured Party with respect to that same Type of Collateral may intervene and interpose as a defense or dilatory plea, in its name or in the name of one or more of the Grantors, the making of this Agreement.

(b) Should any Junior Secured Party with respect to a certain Type of Collateral (or any agent or other representative thereof) in any way take, attempt to or threaten to take any action with respect to the Collateral (including any attempt to enforce any remedy on the Collateral) in violation of this Agreement, or fail to take any action required by this Agreement, any Senior Secured Party with respect to that same Type of Collateral (in its or their own name or in the name of one or more of the Grantors) may obtain relief against such Junior Secured Party or agent or other representative thereof, by injunction, specific performance and/or other appropriate equitable relief.

Section 4 *Cooperation with Respect to Revolver Collateral*

4.1 *Consent to License to Use Intellectual Property*. The Term Agent (and any purchaser, assignee or transferee of assets as provided in Section 4.3) (a) consents (without any representation, warranty or obligation whatsoever) to the grant by any Grantor to the Revolver Agent of a non-exclusive royalty-free license to use during the Revolver Collateral Processing and Sale Period any Patent, Trademark or proprietary information of such Grantor that is subject to a Lien held by the Term Agent (or any Patent, Trademark or proprietary information acquired by such purchaser, assignee or transferee from any Grantor, as the case may be) and (b) grants, in its capacity as a secured party (or as a purchaser, assignee or transferee, as the case may be), to the Revolver Agent a non-exclusive royalty-free license to use during the Revolver Collateral Processing and Sale Period any Patent, Trademark or proprietary information that is subject to a Lien held by the Term Agent (or subject to such purchase, assignment or transfer, as the case may be), in each case in connection with the enforcement of any Lien held by the Revolver Agent upon any inventory or other Revolver Collateral of any Grantor and to the extent the use of such Patent, Trademark or proprietary information is necessary or appropriate, in the good faith opinion of the Revolver Agent, to process, ship, produce, store, complete, supply, lease, sell or otherwise dispose of any such inventory in any lawful manner.

4.2 *Access to Information.* If the Term Agent takes actual possession of any documentation of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of the Term Agent), then upon request of the Revolver Agent and reasonable advance notice, the Term Agent will permit the Revolver Agent or its representative to inspect and copy such documentation if and to the extent the Revolver Agent certifies to the Term Agents that:

(a) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of the Revolver Agent, to the enforcement of the Revolver Agent's Liens upon any Revolver Collateral; and

(b) the Revolver Agent and the Revolver Secured Parties are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

4.3 *Access to Property to Process and Sell Inventory*.

(a) (1) If the Revolver Agent commences any action or proceeding with respect to any of its rights or remedies (including, but not limited to, any action of foreclosure), enforcement, collection or execution with respect to the Revolver Collateral ("Revolver Collateral Enforcement Actions") or if the Term Agent commence any action or proceeding with respect to any of its rights or remedies (including any action of foreclosure), enforcement, collection or execution with respect to the Term Facility Collateral and the Term Agent (or a purchaser at a foreclosure sale conducted in foreclosure of the Term Agent's Liens) takes actual or constructive possession of Term Facility Collateral of any Grantor ("Term Facility Collateral Enforcement Actions"), then the Term Secured Parties and the Term Agent shall (subject to, in the case of any Term Facility Collateral Enforcement Action, a prior written request by the Revolver Agent to the Term Agent (the "Term Facility Collateral Enforcement Action Notice")) (x) cooperate with the Revolver Agent (and with its officers, employees, representatives and agents) in its efforts to conduct Revolver Collateral Enforcement Actions in the Revolver Collateral and to finish any work-in-process and process, ship, produce, store, complete, supply, lease, sell or otherwise handle, deal with, assemble or dispose of, in any lawful manner, the Revolver Collateral, (y) not hinder or restrict in any respect the Revolver Agent from conducting Revolver Collateral Enforcement Actions in the Revolver Collateral or from finishing any work-in-process or processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the Revolver Collateral, and (z) permit the Revolver Agent, its employees, agents, advisers and representatives, at the cost and expense of the Revolver Secured Parties (but with the Grantors' reimbursement and indemnity obligation with respect thereto, which shall not be limited), to enter upon and use the Term Facility Collateral (including, without limitation, equipment, processors, computers and other machinery related to the storage or processing of records, documents or files and intellectual property), for a period commencing on (I) the date of the initial Revolver Facility Collateral Enforcement Action or the date of delivery of the Term Facility Collateral Enforcement Action Notice, as the case may be, and (II) ending on the earlier of the date occurring 180 days thereafter and the date on which all Revolver Collateral (other than Revolver Collateral abandoned by the Revolver Agent in writing) has been removed from the Term Facility Collateral (such period, as the same may be extended with the written consent of the Term Agent as contemplated by the final sentence of this Section 4.3(a)(i), the "Revolver Collateral Processing and Sale Period"), for purposes of:

(a) assembling and storing the Revolver Collateral and completing the processing of and turning into finished goods any Revolver Collateral consisting of work-in-process;

(b) selling any or all of the Revolver Collateral located in or on such Term Facility Collateral, whether in bulk, in lots or to customers in the ordinary course of business or otherwise;

(c) removing and transporting any or all of the Revolver Collateral located in or on such Term Facility Collateral;

(d) otherwise processing, shipping, producing, storing, completing, supplying, leasing, selling or otherwise handling, dealing with, assembling or disposing of, in any lawful manner, the Term Facility Collateral; and/or

(e) taking reasonable actions to protect, secure, and otherwise enforce the rights or remedies of the Revolver Secured Parties and/or the Revolver Agent (including with respect to any Revolver Collateral Enforcement Actions) in and to the Revolver Collateral;

provided, *however*, that nothing contained in this Agreement shall restrict the rights of the Term Agent from selling, assigning or otherwise transferring any Term Facility Collateral prior to the expiration of such Revolver Collateral Processing and Sale Period if the purchaser, assignee or transferee thereof agrees in writing (for the benefit of the Revolver Agent and the Revolver Secured Parties) to be bound by the provisions of this Section 4.3 and Section 4.1. If any stay or other order prohibiting the exercise of remedies with respect to the Revolver Collateral has been entered by a court of competent jurisdiction, such Revolver Collateral Processing and Sale Period shall be tolled during the pendency of any such stay or other order. The Term Agent, upon request by the Revolver Agent, may in their sole discretion extend the Revolver Collateral Processing and Sale Period for an additional period of time.

(ii) During the period of actual occupation, use and/or control by the Revolver Secured Parties and/or the Revolver Agent (or their respective employees, agents, advisers and representatives) of any Term Facility Collateral, the Revolver Secured Parties and the Revolver Agent shall be obligated to repair at their expense any physical damage to such Term Facility Collateral resulting from such occupancy, use or control, and to leave such Term Facility Collateral in substantially the same condition as it was at the commencement of such occupancy, use or control, ordinary wear and tear excepted. Notwithstanding the foregoing, in no event shall the Revolver Secured Parties or the Revolver Agent have any liability to the Term Secured Parties and/or to the Term Agent pursuant to this Section 4.3(a) as a result of any condition (including any environmental condition, claim or liability) on or with respect to the Term Facility Collateral existing prior to the date of the exercise by the Revolver Secured Parties (or the Revolver Agent, as the case may be) of their rights under this Section 4.3(a) and the Revolver Secured Parties shall have no duty or liability to maintain the Term Facility Collateral in a condition or manner better than that in which it was maintained prior to the use thereof by the Revolver Secured Parties, or for any diminution in the value of the Term Facility Collateral that results from ordinary wear and tear resulting from the use of the Term Facility Collateral by the Revolver Secured Parties in the manner and for the time periods specified under this Section 4.3(a). Without limiting the rights granted in this Section 4.3(a), the Revolver Secured Parties and the Revolver Agent shall cooperate with the Term Secured Parties and/or the Term Agent in connection with any efforts made by the Term Secured Parties and/or the Term Agent to sell the Term Facility Collateral.

(b) The Term Agent shall be entitled, as a condition of permitting such access and use, to demand and receive assurances reasonably satisfactory to it that the access or use requested and all activities incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law and will be conducted in accordance with prudent manufacturing practices; and

(ii) will be adequately insured for damage to property and liability to persons, including property and liability insurance for the benefit of the Term Agent and the holders of the Term Obligations, at no cost to the Term Agent or such holders.

The Term Agent (x) shall provide reasonable cooperation to the Revolver Agent in connection with the manufacture, production, completion, handling, removal and sale of any Revolver Collateral by the Revolver Agent as provided above and (y) shall be entitled to receive, from the Revolver Agent, fair compensation and reimbursement for their reasonable costs and expenses incurred in connection with such cooperation, support and assistance to the Revolver Agent. Notwithstanding the foregoing sentence, the Term Agent and/or any such purchaser (or its transferee or successor) shall not otherwise be required to manufacture, produce, complete, remove, insure, protect, store, safeguard, sell or deliver any inventory subject to any Lien held by the Revolver Agent or to provide any support, assistance or cooperation to the Revolver Agent in respect thereof.

4.4 *Term Agent's Assurances*. The Term Agent may condition its performance of any obligations set forth in this Section 4 upon its prior receipt (without cost to it) of:

(a) such assurances as it may reasonably request to confirm that the performance of such obligation and all activities of the Revolver Agent or its officers, employees and agents in connection therewith or incidental thereto:

(i) will be permitted, lawful and enforceable under applicable law; and

(ii) will not impose upon the Term Agent (or any Term Secured Party) any legal duty, legal liability, expense or risk of uninsured loss; and

(b) such indemnity, security and insurance as the Term Agent may reasonably request in connection therewith.

4.5 *Grantor Consent*. The Company and the other Grantors consent to the performance by the Term Agent of its obligations set forth in this Section 4 and acknowledge and agree that neither the Term Agent (nor any holder of Term Obligations) shall ever be accountable or liable for any action taken or omitted by the Revolver Agent or any Revolver Secured Party or its or any of their officers, employees, agents successors or assigns in connection therewith or incidental thereto or in consequence thereof, including any improper use or disclosure of any proprietary information or other intellectual property by the Revolver Agent or any Revolver Secured Party or its or any of their officers, employees, agents, successors or assigns or any other damage to or misuse or loss of any property of the Grantors as a result of any action taken or omitted by the Revolver Agent or its officers, employees, agents, successors or assigns.

Section 5 *Application of Proceeds of Collateral.* All cash proceeds received by the Agent in respect of any exercise of Default Remedies with respect to all or any part of the Collateral shall promptly be applied to the Secured Obligations in accordance with the following order of priority:

First: to the Agent for the Senior Secured Parties with respect to such Collateral, to be applied to the expenses of such sale or other realization of Collateral, including reasonable compensation to agents of and counsel for such Agent, and all expenses, liabilities and advances incurred or made by such Agent in connection therewith;

Second: to such Agent to be applied to the repayment of Senior Obligations then outstanding with respect to such Collateral whether or not then due and payable (including without limitation amounts required to cash collateralize undrawn letters of credit and other contingent obligations then outstanding that are Senior Obligations, if any, in accordance with the terms of the DIP Credit Agreement) until the Senior Obligations with respect to such Collateral are repaid in full;

Third: to such Agent to be applied to the repayment of the Junior Obligations then outstanding with respect to such Collateral whether or not then due and payable (including without limitation amounts required to cash collateralize undrawn letters of credit and other contingent obligations then outstanding that are Junior Obligations, in accordance with the terms of the DIP Credit Agreement) until the Junior Obligations with respect to such Collateral are repaid in full;

Fourth: any surplus then remaining shall be paid to the applicable Grantor or its successors or assigns or to whomsoever may be lawfully entitled to receive the same.

Any proceeds of Collateral that may be received by any Junior Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the Agent for the Senior Secured Parties for the benefit of the Senior Secured Parties, in the same form as received, with any necessary endorsements and each Junior Secured Party hereby authorizes the Agent to make such endorsements as agent for such Junior Secured Party (which authorization, being coupled with an interest, is irrevocable).

Section 6 *Access to Information; No Warranties or Liability*.

6.1 *Access to Information.* If either Agent takes actual possession of any documentation of a Grantor (whether such documentation is in the form of a writing or is stored in any data equipment or data record in the physical possession of either Agent) identifying or pertaining to the Collateral, then upon request of the other Agent and reasonable advance notice, the Agent in possession thereof will permit the other Agent or its representative to inspect and copy such documentation if and to the extent it certifies that in its reasonable belief:

(a) such documentation contains or may contain information necessary or appropriate, in the good faith opinion of that other Agent, to the enforcement of the Liens upon any Collateral of the Type held by that other Agent; and

(b) the other Agent and the applicable Secured Parties on whose behalf it holds Liens are entitled to receive and use such information under applicable law and, in doing so, will comply with all obligations imposed by law or contract in respect of the disclosure or use of such information.

6.2 *No Warranties or Liability*.

(a) The Term Agent and the Revolver Agent acknowledge and agree that neither has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any Loan Document.

(b) The Revolver Agent agrees that Term Agent shall have no liability to the Revolver Agent or any Revolver Secured Party, and hereby waives any claim against the Term Agent, arising out of any and all actions which the Term Agent or the Loan Secured Parties may take or permit or omit to take with respect to (i) the Loan Documents (other than this Agreement), (ii) the collection of the Term Obligations or (iii) the maintenance of, the preservation of, the foreclosure upon or the Disposition of any Term Loan Collateral.

(c) The Term Agent agrees that the Revolver Agent shall have no liability to the Term Agent or any Term Secured Party, and hereby waives any claim against the Revolver Agent, arising out of any and all actions which the Revolver Agent or the Revolver Secured Parties may take or permit or omit to take with respect to (i) the Loan Documents (other than this Agreement), (ii) the collection of the Revolver Obligations or (iii) the maintenance of, the preservation of, the foreclosure upon or the Disposition of any Revolver Collateral.

Section 7 *Miscellaneous*.

7.1 *Matters Relating to Loan Documents*. The Loan Documents may be amended, supplemented, waived or otherwise modified in accordance with their terms; *provided*, *however*, that, without the consent of the Agent, no such amendment, supplement, modification or waiver shall (i) contravene any provision of this Agreement, (ii) increase the aggregate committed amount under the Revolver Facility to an amount greater than the full amount of Revolving Commitments authorized by the Bankruptcy Court in the Final Order plus $50,000,000, or (iii) increase the aggregate principal amount of the Term Loans under the Term Facility to an amount greater than the full amount of Term Loans authorized by the Bankruptcy Court in the Final Order, or permit any Term Loans repaid or prepaid in accordance with the DIP Credit Agreement to be reborrowed.

7.2 *Conflicts*. In the event of any conflict between the provisions of this Agreement and the provisions of any Loan Document, the provisions of this Agreement shall govern.

7.3 *Continuing Nature of Provisions*. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the later of the Revolver Discharge Date and the Term Discharge Date; *provided* the provisions of Section 2.6 hereof shall continue to be effective until all of the obligations to take action on and after the applicable Discharge Date shall be complete. This is a continuing agreement and the Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, Grantors or any other grantors on the faith hereof.

7.4 *Amendments; Waivers*. No amendment or modification of any of the provisions of this Agreement shall be effective unless the same shall be in writing and signed by the Agent on behalf of the Secured Parties and to the extent any such amendment or modification shall alter the rights or obligations of any Grantor, the Company.

7.5 *Governing Law.*

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND (TO THE EXTENT APPLICABLE) THE BANKRUPTCY CODE.

(b) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IF THE BANKRUPTCY COURT DOES NOT HAVE (OR ABSTAINS FROM) JURISDICTION, OF THE COURTS OF THE STATE OF NEW YORK IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(c) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.02 OF THE DIP CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

7.6 *Waiver of Jury Trial.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

7.7 *Notices*. Unless otherwise specifically provided herein, all notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by facsimile or electronic communication equipment of the sender, or on the date five (5) business days after dispatch by certified or registered mail if mailed.

7.8 *Successors and Assigns.* This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral.

7.9 *Headings*. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

7.10 *Severability.* If any provision of this Agreement is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of this Agreement shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Agent and the Secured Parties in order to carry out the intentions of the parties thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.

7.11 *Counterparts; Integration; Effectiveness*. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

7.12 *Provisions Solely to Define Relative Rights*. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Secured Parties. None of the Grantors or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement. Nothing in this Agreement is intended to or shall impair the obligations of the Grantors, which are absolute and unconditional, to pay the Revolver Obligations and the Term Loan Obligations as and when the same shall become due and payable in accordance with their terms.

7.13 *Grantor Consent.* By their respective signatures below, the Grantors consent to this Agreement, and accept the benefits of and agree to be bound by the provisions of Sections 2.3, 3.1, 4.5, 5, 6.1 and this Section 7.13. The Company shall cause each future Grantor to execute and deliver to the Agent an instrument setting forth the same consent and agreement.

TO: Laura Quatela
FROM: Robert Berman, Chief Human Resources Officer and Senior Vice President, Eastman Kodak Company
SUBJECT: Special Performance Bonus Plan

Dear Laura:

In recognition of your expanded responsibility in leading the strategic patent portfolio project (Project Komodo), I am pleased to inform you of your eligibility to participate in a one-time Individualized Special Performance Bonus Plan associated with the above project. For purposes of this letter, "Kodak" refers to Eastman Kodak Company, and its related affiliates.

One-time Special Performance Bonus Plan

A. In General

You will be eligible to participate in a one-time individualized special performance bonus plan (the "Bonus Plan"). The purpose of the Bonus Plan is to incent you to achieve certain pre-established goals. Your target award under the plan will be $1,500,000. This amount will also be the maximum award you may receive under the Bonus Plan, subject to the potential application of an early completion incentive as described in paragraph D below. The Executive Compensation and Development Committee of the Board (the "Committee") retains the discretion to award alternative incentive compensation to you in the event that the goals under the Bonus Plan are not achieved, or the payout is determined to be insufficient in recognition of the performance, due to Kodak's decision to pursue an alternative transaction(s) to Project Komodo, including, without limitation, one or more potential patent licensing transactions.

B. Target Performance Goals

"Target performance goals" will be established for the Bonus Plan performance period and set forth in Appendix A to this Agreement. To receive the $1,500,000 target award for the Bonus Plan, it will be necessary for you to achieve 100% of the established "target performance goals" before the end of the Bonus Plan performance period on *** ("Performance Period"). The "target performance goals" will be approved by the Committee. Kodak will provide you with a detailed description of the target performance goals within ninety (90) days of the signing of this agreement by both yourself and the Plan Administrator (as defined in Subsection G), which will mark the start of the performance period.

C. Minimum Performance Goals

If you do not achieve the "target performance goals" for the performance period of the Bonus Plan, you may nevertheless receive a portion of the target award if you achieve "minimum performance goals" (as set forth in Appendix A to this Agreement) before the end of the Bonus Plan performance period on ***, subject to the potential application of a reduction for completion *** as described in paragraph D below. Separate "minimum performance goals" will be approved by the Committee and communicated to you by the Plan Administrator within ninety (90) days of the start of the performance period. The exact amount of the award will be determined pursuant to the payment methodology set forth in Appendix A together with the minimum performance goals.

D. Early Completion Incentive; Incentive Reduction for Completion in the ***

As an additional incentive for the early completion of the target or minimum performance goals, a 25% early completion incentive will be applied to the earned award payment if you achieve at least the minimum performance goals on or before ***. If however, the performance goals are achieved after ***, but on or before ***, there will be a reduction in the earned incentive of up to 25% as described in Appendix A.

E. Continued Employment

Subject to paragraph F below, you will be eligible to receive either a full or partial award under the Bonus Plan unless prior to ***, you terminate your employment with Kodak or Kodak terminates your employment for "cause", as defined in paragraph J below (referred to collectively as a "Disqualification Event"). In the case of a Disqualification Event, you will forfeit its entirety any award earned under the Bonus Plan. If a Disqualification Event occurs after an award under this Bonus Plan has been paid, you agree to repay the net amount of the award. The net amount will be based on the tax year in which you terminate employment with Kodak and will be calculated by Kodak. You also agree, except as prohibited by law, that your obligations to repay Kodak under the terms of this letter may be satisfied by Kodak, at its option with or without prior notice to you, by its set-off against any amounts payable by Kodak to you, including compensation or benefits for or on account of any reason. Kodak will

advise you of any set-off effected under this paragraph. This paragraph shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other right to which Kodak is at any time otherwise entitled (whether by operation of law, contract or otherwise).

F. Termination on Account of Death or Disability

If prior to the closing of the transactions and certification by the Committee of an earned award, and prior to the end of the Performance Period, Kodak terminates your employment on account of your death or "Disability," as defined below, you will receive a pro-rated award. The amount of the pro-rated award will be determined by multiplying the award you would have otherwise earned based on the achievement of the performance goals had you remained employed for the entire Performance Period by a fraction, the numerator of which is the number of days you were employed by Kodak during the Performance Period and the denominator of which is the total number of days in the Performance Period.

G. Administration

Any award under the Bonus Plan will be administered by the Chief Human Resource Officer or comparable position (the "Administrator") as delegated by the Committee in accordance with the terms of this letter agreement. The Administrator will present the Bonus Plan results at the next regularly scheduled Committee meeting that follows the completion of the target or minimum performance goals as defined in Appendix A, or as soon thereafter as is administratively practicable. The Committee will determine whether you have achieved the performance goals and, if so, the amount of payment of the award that will be provided to you. The Administrator, will have complete and exclusive responsibility to control, operate, manage and administer the Bonus Plan in accordance with its terms and all the authority that may be necessary or helpful to enable him/her to discharge his/her responsibilities with respect to the Bonus Plan. Without limiting the generality of the preceding sentence, the Administrator will have the exclusive right to: interpret the Bonus Plan, correct any default, supply any omission, reconcile any inconsistency, and decide all questions arising in the administration, interpretation and application of the Bonus Plan. The Administrator will have full discretionary authority in all matters related to the discharge of his/her responsibilities and the exercise of his/her authority under the Bonus Plan. The Committee will have approval of the construction of the terms of the Bonus Plan and the determination of eligibility for awards under the Bonus Plan. It is the intent of both parties under the Bonus Plan, that the decisions of the Administrator and his/her action with respect to the Bonus Plan will be final and binding upon all persons having or claiming to have any right or interested under the plan and that no such decision or actions shall be modified upon judicial review unless such decision or actions is proven to be arbitrary or capricious.

H. Payment

Payment of any award earned by you under the Bonus Plan will be made in Cash. The Cash payment will be made, as soon as practicable following the approval by the Committee based on the financial results necessary to calculate the award and the completion of all transactions under Project Komodo as described in Appendix A. Kodak will withhold from the bonus payment all income, payroll, and employment taxes required by applicable law or regulation to be withheld.

I. Benefits Bearing

The awards paid under the Bonus Plan will not be "benefits bearing." In other words, the amount will not be taken into account, or considered for any reason, for purposes of determining any company provided benefits or compensation to which you become eligible, including, by way of illustration and not by way of limitation, any pension or other retirement benefit.

J. Cause For purposes of this letter, "Cause" will mean:

i. your continued failure, for a period of at least 30 calendar days following a written warning, to perform your duties in a manner deemed satisfactory by your supervisor, in the exercise of his/her sole discretion; or

ii. your failure to follow a lawful written directive of the Chief Executive Officer or your supervisor; or

iii. your willful violation of any material rule, regulation, or policy that may be established from time to time for the conduct of Kodak's business; or

iv. your unlawful possession, use or sale of narcotics or other controlled substances, or, performing job duties while illegally used controlled substances are present in your system; or

v. any act of omission or commission by you in the scope of your employment (a) which results in the assessment of a civil or criminal penalty against you or Kodak, or (b) which in the reasonable judgment of your supervisor could result in a material violation of any foreign or U.S. federal, state or local law or regulation having the force of law; or

vi. your conviction of or plea of guilty or no contest to any crime involving moral turpitude; or

vii. any misrepresentation of a material fact to, or concealment of a material fact from, your supervisor or any other person in Kodak to whom you have a reporting relationship in any capacity; or

viii. your breach of Kodak's Business Conduct Guide or the Eastman Kodak Company Executive Employee's Agreement.

K. Disability For purposes of this letter, the term "Disability" means disability under the terms of the Kodak Long-Term Disability Plan.

Miscellaneous

You agree and acknowledge that this letter agreement contains the entire understanding between Kodak and yourself with respect to this Bonus Plan and supersedes all previous written or oral negotiations, commitments, and agreements with respect to such subject matter.

You are expected to devote your best efforts and all of your business time to the affairs of Kodak. You may, however, engage in any charitable, civic and community activities, provided, however, such activity(ies) does (do) not materially interfere with your duties and responsibilities.

Please also keep in mind that, regardless of any provision contained in this letter to the contrary, your employment at Kodak is "at will". That is, you will be free to terminate your employment at any time, for any reason, and Kodak is free to do the same.

You agree to keep the existence of this letter confidential except that you may review it with your financial advisor, attorney or spouse/partner and with me or my designee.

If any portion of this letter is deemed to be void or unenforceable by a court of competent jurisdiction, the remaining portions will remain in full force and effect to the maximum extent allowed by law. The parties intend and desire that each portion of this letter be given the maximum possible effect by law.

To extent that the terms of this Agreement relate to a compensation or benefit plan, such terms are subject to the provisions of the applicable governing documents (such as plan documents, administrative guides and award notices), which are subject to change.

The arrangements described in this letter are intended to comply with Section 409A of the Internal Revenue Code to the extent such arrangements are subject to that law, and this letter shall be interpreted and administered in accordance with such intention. The parties agree that they will negotiate in good faith regarding amendments necessary to bring the arrangements into compliance with the terms of that Section or an exemption therefrom as interpreted by guidance issued by the Internal Revenue Service; provided, however, that Kodak may unilaterally amend this Agreement for purposes of compliance if, in it's sole discretion, Kodak determines that such amendment would not have a material adverse effect with respect to your rights under the Agreement. The parties further agree that to the extent an arrangement described in this letter fails to qualify for exemption from or satisfy the requirements of Section 409A, the affected arrangement may be operated in compliance with Section 409A pending amendment to the extent authorized by the Internal Revenue Service. In such circumstances Kodak will administer the letter in a manner which adheres as closely as reasonably possible to the existing terms and intent of the letter while complying with Section 409A. This paragraph does not restrict Kodak's rights (including, without limitation, the right to amend or terminate) with respect to arrangements described in this letter to the extent such rights are reserved under the terms of such arrangements.

This letter, and its interpretation and application, will be governed and controlled by the laws of the State of New York without giving effect to principles of conflicts of laws.

RE: Letter Agreement

Dear Bob:

Once signed by both parties, this letter will constitute an agreement between Eastman Kodak Company ("Kodak") and you. Its purpose is to confirm that you have accepted a new assignment reporting to the Chairman and Chief Executive Officer and the terms of your termination of employment from Kodak in the event that your new position is eliminated and you are not offered a Comparable position with the Company. For purposes of this letter, the term "Company" will collectively refer to Kodak and all its affiliates and subsidiaries.

1. Potential Termination

It is hereby agreed that if your newly assigned position is eliminated and Kodak is unable to identify a comparable position as defined in the Company's Termination Allowance Program (TAP), you will be laid off from the Company and therefore be eligible for the benefits set forth in this Agreement.

2. Responsibilities

In this position, reporting to the Chairman and Chief Executive Officer of the Company, you will be responsible for performing such duties and responsibilities that may be assigned to you from time to time by your supervisor. It is expected that you will perform these duties and responsibilities in a timely and satisfactory manner and your receipt of the Termination Benefits set forth in Section 3 is contingent on this.

3. Termination Benefits

Upon your termination, Kodak will provide to you, subject to your satisfaction of the requirements of this letter agreement, the termination benefits described in this Section 3 ("Termination Benefits").

A. Severance Allowance. You will receive a severance allowance equal to the greater of $1,270,500 or 200% of the sum of your annual base salary plus your annual target incentive EXCEL award at the time of termination (the "Severance Allowance"), reduced by the amount of any termination allowance benefits payable to you under the terms of Kodak's Termination Allowance Plan ("TAP") and any benefits payable to you under Appendix S of the Kodak Retirement Income Plan and Appendix S of the Kodak Unfunded Retirement Income Plan. In general, Severance Allowance payments, together with any TAP payments or benefit payments under Appendix S of the Kodak Unfunded Retirement Income Plan, will be substantially equivalent to those you received as an employee, and your Severance Allowance payments, together with any TAP payments or benefit payments under Appendix S of the Kodak Unfunded Retirement Income Plan, will be made consistently with Kodak's normal payroll cycles (currently bi-weekly). Payments will begin as soon as administratively practicable following your Last Day of Work or, if applicable to you with respect to this benefit, the expiration of the six-month waiting period following separation from service that the Company requires for certain executive employees as a result of Internal Revenue Code Section 409A (no interest will be paid during the six-month waiting period), and will continue until your Severance Allowance is exhausted or until your Severance Allowance has been paid off in equal amounts over 26 pay periods, whichever occurs first. Kodak will withhold from the Severance Allowance all income, payroll and employment taxes required by applicable law or regulation to be withheld. Your Severance Allowance will also be reduced by the amount of any unemployment insurance benefits you receive.

The existence or terms of this agreement will not be relied upon as the basis for any adverse change to your 2011 or 2012 compensation level, mix or pay-outs under the Company's Executive Compensation for Excellence and Leadership ("EXCEL") plan or Long Term Incentive plans.

B. Other Termination Benefits. Your eligibility for other Termination Benefits will be determined according to the terms and conditions set forth in Kodak's employee benefit plans.

C. Death. In the event that you die after your Last Day of Work but prior to the commencement of the Severance Allowance provided in this Section, the total unpaid balance will be paid in a lump sum to the executor or administrator of your estate or to a properly qualified personal representative no later than the end of the taxable year of death (or 2 ½ months after death, if later) provided that Kodak has received information reasonably evidencing your death.

In the event that you die after the Severance Allowance provided under this Section commenced, but before the receipt of the entire Severance Allowance, any unpaid balance will be paid in a lump sum to the executor or administrator of your estate or to a properly qualified personal representative no later than the end of the taxable year of death (or 2 ½ months after death, if later) provided that Kodak has received information reasonably evidencing your death.

If Termination Benefits other than Severance Allowance have commenced, the following will occur:

- With regard to health care coverage, eligible dependents will be covered for the remainder of the period of continuation coverage provided to you according to the applicable employee benefit plans.
- With regard to life insurance, benefits will be paid according to the applicable employee benefit plans.
- With regard to outplacement benefits, such benefits will terminate on the day of death.

4. Benefits Not Benefits Bearing.

In no event shall any of the Termination Benefits payable under this letter agreement be "benefits bearing". In other words, the amount of these benefits will not be taken into account, nor considered for any reason, for purposes of determining any Company provided benefits or compensation for which you are or may become eligible.

5. Vacation

Upon your termination of employment, you will receive payment in lieu of all your earned and unused carried-over and current year vacation.

6. Executive Compensation for Excellence and Leadership

Subject to your satisfaction of the terms of this letter agreement, you will remain eligible for an award under the Executive Compensation for Excellence and Leadership ("EXCEL") plan for the 2012 performance period ("Performance Period") in accordance with the terms of EXCEL. Any award paid to you will be pro-rated based on your length of service during the Performance Period and paid at the same time the plan's other participants receive their awards for the Performance Period.

You hereby acknowledge and agree that individual performance is but one factor that is taken into account in determining awards under EXCEL. Other factors that are taken into account include company performance, unit performance, and discretion by the Executive Compensation and Development Committee of the Board of Directors, Kodak's CEO and the participant's supervisor. Consequently, you hereby acknowledge and agree that you are not guaranteed a payment under EXCEL for the Performance Period and your entitlement to a payment for the Performance Period will be determined solely in accordance with the terms and conditions of the plan. You further acknowledge and agree that Kodak's determination with regard to the amount and payment of any EXCEL award paid to you for the Performance Period will be final and binding upon you, and any other person having or claiming to have any right or interest on your behalf in or under the plan.

7. Restricted Stock Units (RSUs)

Subject to your satisfaction of the terms of this letter agreement and if Kodak terminates your employment due to the elimination of your newly assigned position and is unable to provide you a comparable position, your termination of employment will be treated as for an "Approved Reason" pursuant to the terms of the September 28, 2009 RSU Guide: As a result of your termination of employment under this letter agreement, effective the Last Day of Work, you will forfeit any other restricted stock and restricted stock units you hold for which the restrictions have not lapsed as of the Last Day of Work. You will not, however, forfeit any restricted stock and restricted stock units you hold for which the restrictions have lapsed as of the Last Day of Work.

8. Release

In partial consideration for the Termination Benefits, you hereby agree to execute immediately prior to your termination of employment the release annexed hereto as Addendum A. In the event you fail to sign the release, or once signed make an effective revocation of the release, you will not be entitled to any of the Termination Benefits.

9. Executive Employee's Agreement

During your employment by Kodak, you signed an "Eastman Kodak Company Executive Employee's Agreement" in which you affirmed your obligation not to disclose Company trade secrets, confidential or proprietary information. Further, you agreed not to engage in work or activities on behalf of a competitor of the Company in the field in which you were employed by Kodak for a period following termination of your employment by Kodak equal to the total number of months you were employed by Kodak, but in no event less than six (6) months or more than eighteen (18) months By signing this letter agreement, you reaffirm the Executive Employee's Agreement and agree that it is in full force and effect, without amendment or modification.

To the extent you locate one or more opportunities in any field or fields in which you have worked for Kodak, Kodak agrees, upon your request, to promptly review the terms of each such employment opportunity to determine whether such opportunity is in Kodak's opinion violative of the terms of the Executive Employee's Agreement. All such requests should be submitted directly to my attention.

10. Cooperation

You agree to cooperate fully with Kodak from now to the date of your termination of employment and thereafter during the two (2) year period following your termination on all matters relating to your employment and termination of employment, the transition of your duties and responsibilities to your successor(s), and the conduct of Kodak's business. You further agree during such periods to cooperate fully with Kodak regarding, and conduct all of your actions, statements and communications in a manner consistent with, the announcement by Kodak of your termination of employment.

In partial consideration for the termination benefits, you also agree that commencing on the date of this letter, and continuing thereafter, you will not in any way disparage, make any statement, or take any action which is adverse, inimical or otherwise detrimental to the interests of Eastman Kodak Company or its subsidiaries or affiliates or their respective current or former officers, directors, and employees or cause any of such persons embarrassment or humiliation or otherwise cause or contribute to such persons being held in disrepute by the public or the Company's shareholders, clients, customers, employees or competitors.

Kodak also agrees that during such period of time, its officers and directors will not in any way disparage, make any statement, or take any action which is adverse, inimical or otherwise detrimental to you or cause you embarrassment or humiliation or otherwise cause or contribute to your being held in disrepute by the public or the Company's shareholders, clients, customers, employees or competitors.

You understand that Kodak may need your continued cooperation and involvement with various pieces of litigation and other legal matters which are pending at the time of your termination of employment or which may arise thereafter. In further consideration of the Termination Benefits, you agree, at Kodak's request from time to time, to cooperate with Kodak in its efforts to defend and/or pursue any such litigation or other legal matters. You will provide this assistance to Kodak at no additional remuneration beyond the Termination Benefits. When performing these services at Kodak's request, except where prohibited by law, Kodak will reimburse you for reasonable travel and lodging expenses that you incur upon submission of documentation acceptable to Kodak. By way of illustration and not by way of limitation, the types of services that may be requested of you under this Section 12 include: attending strategy sessions, attending preparations for trial, appearing at depositions, executing affidavits and testifying at trials.

11. Non-Solicitation of Employees or Customers

In partial consideration for the termination benefits under this letter agreement, you agree that during the two (2) year period after the termination of your employment with Kodak, you will not directly or indirectly recruit, solicit or otherwise induce or attempt to induce any of Kodak's employees or independent contractors to terminate their employment or contractual relationship with Kodak or work for you or any other entity in any capacity, or solicit or attempt to solicit the business or patronage of any of Kodak's actual or prospective clients, customers, or accounts with respect to any technologies, services, products, trade secrets, or other matters in which the Company is active.

12. Injunctive Relief

You acknowledge by accepting the benefits under this letter agreement that any breach or threatened breach by you of any term of Sections 11, 12 or 13 cannot be remedied solely by the recovery of damages or the withholding of benefits and the Company will therefore be entitled to an injunction against such breach or threatened breach without posting any bond or other security. Nothing herein, however, will prohibit the Company from pursuing, in connection with an injunction or otherwise, any other remedies available at law or equity for such breach or threatened breach, including the recovery of damages.

13. Miscellaneous

A. **Confidentiality**. You will agree to keep the existence and terms and conditions of this letter agreement, including Addendum A, confidential except that you may review it with your attorney, financial advisor and spouse/domestic partner, or with my designee or me. Prior to any such disclosure, you agree to advise these individuals of the confidential nature of this letter agreement and the facts giving rise to it as well as their obligations to maintain the confidentiality of this letter agreement and the facts giving rise to it. Nonetheless, either party to this Agreement (that is, you and Kodak) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of this transaction and all materials of any kind (including opinions or other tax analyses) that may be provided to the party relating to tax treatment and tax structure.

B. **Unenforceability**. If any portion of this letter agreement is deemed to be void or unenforceable by a court of competent jurisdiction, the remaining portions will remain in full force and effect to the maximum extent allowed by law. The parties intend and desire that each portion of this letter agreement be given the maximum possible effect allowed by law.

C. **Headings**. The heading of the several sections of this letter agreement have been prepared for convenience and reference only and shall not control, affect the meaning, or be taken as the interpretation of any provision of this letter agreement.

D. **Applicable Law.** This letter agreement will be construed and governed by the laws of the State of New York, without giving effect to principles of conflicts of laws. Disputes arising under this letter agreement will be adjudicated within the exclusive jurisdiction of a state or federal court located in Monroe County, New York. Neither party waives any right it may have to remove such an action to the United States Federal District Court located in Monroe County, New York.

E. **Amendment.** This letter agreement may not be changed, modified, or amended, except in a writing signed by both you and Kodak that expressly acknowledges that it is changing, modifying or amending this letter agreement.

F. **Forfeiture.** In the event that you violate any provision of this letter agreement, including Addendum "A", or your Eastman Kodak Company Executive Employee's Agreement, in addition to, and not in lieu of, any other remedies that Kodak may pursue against you, no further Termination Benefits will be paid to you hereunder and you agree to immediately repay all Termination Benefits previously paid to you pursuant to this letter agreement. In such event all other provisions of this letter agreement will remain in full force and effect as though the breach had not occurred.

G. **At Will**. Please also keep in mind that, regardless of any provision contained in this letter to the contrary, your employment with Kodak is "at will". That is, you are free to terminate your employment at any time, for any reason, and Kodak is free to do the same.

H. **Code Section 409A.** The arrangements described in this letter are intended to comply with Section 409A of the Internal Revenue Code to the extent such arrangements are subject to that law, and shall be interpreted and administered accordingly. The parties agree that they will negotiate in good faith regarding amendments necessary to bring the arrangements into compliance with the terms of that Section or an exemption therefrom as interpreted by guidance issued by the Internal Revenue Service; provided, however, that Kodak may unilaterally amend this Agreement for purposes of compliance if, in its sole discretion, Kodak determines that such amendment would not have a material adverse effect with respect to your rights under the Agreement. The parties further agree that to the extent an arrangement described in this letter fails to qualify for exemption from or satisfy the requirements of Section 409A, the affected arrangement may be operated in compliance with Section 409A pending amendment to the extent authorized by the Internal Revenue Service. In such circumstances Kodak will administer the letter in a manner which adheres as closely as reasonably possible to the existing terms and intent of the letter while complying with Section 409A. This paragraph does not restrict Kodak's rights (including, without limitation, the right to amend or terminate) with respect to arrangements described in this letter to the extent such rights are reserved under the terms of such arrangements.

I. **Plan Documents Control**. To extent that the terms of this letter agreement relate to a compensation or benefit plan, such terms are subject to the provisions of the applicable governing documents (such as plan documents, administrative guides and award notices), which are subject to change.

J. **Administration**. All benefits provided under this agreement will be administered by the Kodak employee with the title Corporate Secretary for Kodak ("Administrator"). The Administrator will have total and exclusive responsibility to control, operate, manage and administer such benefits in accordance with their terms and all the authority that may be necessary or helpful to enable him/her to discharge his/her responsibilities with respect to them. Without limiting the generality of the preceding sentence, the Administrator will have the exclusive right to: interpret the agreement, decide all questions concerning eligibility for and the amount of benefits payable, construe any ambiguous provision, correct any default, supply any omission, reconcile any inconsistency, and decide all questions arising in the administration, interpretation and application of the agreements. The Administrator will have full discretionary authority in all matters related to the discharge of his/her responsibilities and the exercise of his authority, including, without limitation, his/her construction of the terms of this agreement and his/her determination of eligibility for benefits. It is the intent of the parties hereto, that the decisions of the Administrator and his/her actions with respect to this agreement will be final and binding upon all persons having or claiming to have any right or interest in or under this agreement and that no such decision or actions shall be modified upon judicial review unless such decision or action is proven to be arbitrary or capricious.

K. **Indemnification**. This will confirm that with respect to any action, suit or proceeding ("Claims") against you by reason of the fact that you served as an officer or employee of the Company or as a director, officer, trustee, employee or agent of any other enterprise at the request of the Company, the provisions of Article 8, Section 2(a) of the Company's bylaws shall apply to such Claims.
